(c) retail beer licenses of issue on March 7, 1947, and which are in excess of the foregoing limitations shall be renewable, but no new licenses may be issued in violation of such limitations;

(d) such limitations do not prevent the issuance of a nontransferable and nonassignable retail beer license to a post of a nationally chartered veterans' organization or a lodge of a recognized national fraternal organization if such veterans' or fraternal organization has been in existence for a period of 5 years or more prior to January 1, 1949;

(e) the number of retail beer licenses that the department may issue for use at premises situated outside of any incorporated city or incorporated town and outside of the area within a distance of 5 miles from the corporate limits thereof or for use at premises situated within any unincorporated town shall be as determined by the department in the exercise of its sound discretion, except that no retail beer license may be issued for any premises so situated unless the department determines that the issuance of such license is required by public convenience and necessity.

(2) A person holding a license to sell beer for consumption on the premises at retail may apply to the department for an amendment to the license permitting the holder to sell wine as well as beer. The division may issue such amendment if it finds, on a satisfactory showing by the applicant, that the sale of wine for consumption on the premises would be supplementary to a restaurant or prepared-food business. A person holding a beer-and-wine license may sell wine for consumption on or off the premises. Nonretention of the beer license, for whatever reason, shall mean automatic loss of the wine amendment license.

(3) A retail license to sell beer or table wine, or both, in the original packages for off-premises consumption only may be issued to any person, firm, or corporation who is approved by the department as a fit and proper person, firm, or corporation to sell beer or table wine, or both, and whose premises proposed for licensing are operated as a bona fide grocery store or a drugstore licensed as a pharmacy. The number of such licenses that the department may issue is not limited by the provisions of subsection (1) of this section but shall be determined by the department in the exercise of its sound discretion, and the department may in the exercise of its sound discretion grant or deny any application for any such license or suspend or revoke any such license for cause."

Section 3. Section 16-4-201, MCA, is amended to read:

"16-4-201. All-beverages license quota. (1) Except as otherwise provided by law, a license to sell liquor, beer, and wine at retail (an all-beverages license) in accordance with the provisions of this code and the rules of the department may be issued to any person who is approved by the department as a fit and proper person to sell such beverages, except that the number of all-beverages licenses that the department may issue for premises situated within incorporated cities and incorporated towns and within a distance of 5 miles from the corporate limits of such cities

HeinOnline -- 1983 vol. II 1415 1983

and towns shall be determined on the basis of population prescribed in 16-4-502 as follows:

(a) in incorporated towns of 500 inhabitants or less and within a distance of 5 miles from the corporate limits of such towns, not more than two retail licenses;

(b) in incorporated cities or incorporated towns of more than 500 inhabitants and not over 3,000 inhabitants and within a distance of 5 miles from the corporate limits of such cities and towns, three retail licenses for the first 1,000 inhabitants and one retail license for each additional 1,000 inhabitants;

(c) in incorporated cities of over 3,000 inhabitants and within a distance of 5 miles from the corporate limits thereof, five retail licenses for the first 3,000 inhabitants and one retail license for each additional 1,500 inhabitants.

(2) The number of the inhabitants in such cities and towns, exclusive of the number of inhabitants residing within a distance of 5 miles from the corporate limits thereof, shall govern the number of retail licenses that may be issued for use within such cities and towns and within a distance of 5 miles from the corporate limits thereof. If two or more incorporated municipalities are situated within a distance of 5 miles from each other, the total number of retail licenses that may be issued for use in both of such municipalities and within a distance of 5 miles from their respective corporate limits shall be determined on the basis of the combined populations of both of such municipalities and may not exceed the foregoing limitations. The distance of 5 miles from the corporate limits of any incorporated city or incorporated town shall be measured *in a straight line* from the nearest entrance of the premises proposed for licensing to the nearest corporate boundary of the city or town.

(3) Retail all-beverages licenses of issue on March 7, 1947, and which are in excess of the foregoing limitations shall be renewable, but no new licenses may be issued in violation of such limitations.

(4) Such limitations do not prevent the issuance of a nontransferable and nonassignable (as to ownership only) retail license to any post of a nationally chartered veterans' organization or any lodge of a recognized national fraternal organization if such veterans' or fraternal organization has been in existence for a period of 5 years or more prior to January 1, 1949.

(5) The number of retail all-beverages licenses that the department may issue for use at premises situated outside of any incorporated city or incorporated town and outside of the area within a distance of 5 miles from the corporate limits thereof may not be more than one license for each 750 population of the county after excluding the population of incorporated cities and incorporated towns in such county."

Section 4. Section 16-4-501, MCA, is amended to read:

"16-4-501. License and permit fees. (1) Each beer licensee licensed to sell either beer or table wine only, or both beer and table wine,

HeinOnline -- 1983 vol. II 1416 1983

under the provisions of this code, shall pay an annual license fee as follows:

(a) each brewer, wherever located, whose product is sold or offered for sale within the state, $500; for each storage depot, $400;

(b) each beer wholesaler, $400; each table wine distributor, $400;

(c) each beer retailer, $200; with a wine license amendment, an additional $200;

(d) for a license to sell beer at retail for off-premises consumption only, the same as a retail beer license; for a license to sell table wine at retail for off-premises consumption only, either alone or in conjunction with beer, $200;

(e) any unit of a nationally chartered veterans' organization, $50.

(2) The permit fee under 16-4-301(1) is computed at the rate of $15 a day for each day beer and table wine are sold at those events lasting 2 or more days but in no case be less than $30.

(3) The permit fee under 16-4-301(2) is $10 for the sale of beer and table wine only or $20 for the sale of all alcoholic beverages.

(4) Passenger carrier licenses shall be issued upon payment by the applicant of an annual license fee in the sum of $300.

(5) The annual license fee for a license to sell wine on the premises, when issued as an amendment to a beer-only license, is $200.

(6) The annual fee for resort retail liquor licenses within a given resort area shall be $2,000 for each license.

(7) Each licensee licensed under the quotas of 16-4-201 shall pay an annual license fee as follows:

(a) except as hereinafter provided, for each license outside of incorporated cities and incorporated towns or in incorporated cities and incorporated towns with a population of less than 2,000, $250 for a unit of a nationally chartered veterans' organization and $400 for all other licensees;

(b) except as hereinafter provided, for each license in incorporated cities with a population of more than 2,000 and less than 5,000 or within a distance of 5 miles thereof, measured *in a straight line* from the nearest entrance of the premises to be licensed to the nearest boundary of such city, $350 for a unit of a nationally chartered veterans' organization and $500 for all other licensees;

(c) except as hereinafter provided, for each license in incorporated cities with a population of more than 5,000 and less than 10,000 or within a distance of 5 miles thereof, measured *in a straight line* from the nearest entrance of the premises to be licensed to the nearest boundary of such city, $500 for a unit of a nationally chartered veterans' organization and $650 for all other licensees;

(d) for each license in incorporated cities with a population of 10,000 or more or within a distance of 5 miles thereof, measured *in a straight line*

HeinOnline -- 1983 vol. II 1417 1983

from the nearest entrance of the premises to be licensed to the nearest boundary of such city, $650 for a unit of a nationally chartered veterans' organization and $800 for all other licensees;

(e) the distance of 5 miles from the corporate limits of any incorporated cities and incorporated towns is measured *in a straight line* from the nearest entrance of the premises to be licensed to the nearest boundary of such city or town; and where the premises of the applicant to be licensed are situated within 5 miles of the corporate boundaries of two or more incorporated cities or incorporated towns of different populations, the license fee chargeable by the larger incorporated city or incorporated town applies and shall be paid by the applicant. When the premises of the applicant to be licensed are situated within an incorporated town or incorporated city and any portion of the incorporated town or incorporated city is without a 5-mile limit, the license fee chargeable by the smaller incorporated town or incorporated city applies and shall be paid by the applicant.

(f) an applicant for the issuance of an original license to be located in areas described in subsection (d) of this subsection shall pay a one-time original license fee of $20,000 for any such license issued. The one-time license fee of $20,000 shall not apply to any transfer or renewal of a license duly issued prior to July 1, 1974. All licenses, however, are subject to the annual renewal fee.

(8) The fee for one all-beverage license to a public airport shall be $800. This license is nontransferable.

(9) The license fees herein provided for are exclusive of and in addition to other license fees chargeable in Montana for the sale of alcoholic beverages."

Section 5. **Repealer.** Sections 16-4-409 and 16-4-410, MCA, are repealed.

Approved April 19, 1983.

CHAPTER NO. 596

AN ACT TO REQUIRE THAT THE EXECUTIVE BUDGET REFLECT SALARY UPGRADES IN THE CURRENT FUNDING LEVEL; AMENDING SECTIONS 17-7-102 AND 17-7-123, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 17-7-102, MCA, is amended to read:

"17-7-102. Definitions. As used in this chapter, the following definitions apply:

(1) "Current funding level" means that level of funding required to maintain operations and services at the level authorized by the previous legislature, after adjustment for inflation.

HeinOnline -- 1983 vol. II 1418 1983

(2) "Effectiveness measure" means a criterion for measuring the degree to which the objective sought is attained.

(3) "Modified funding level" means the current funding level as adjusted to reflect workload increases, the provision of new services, or changes in authorized funding.

(4) "Program" means a combination of resources and activities designed to achieve an objective or objectives.

(5) "Program size" means the magnitude of a program such as the size of clientele served, the volume of service in relation to the population or area, etc.

(6) "Program size indicator" means a measure to indicate the magnitude of a program.

(7) "Priority listing" means a ranking of proposed expenditures in order of importance."

Section 2. Section 17-7-123, MCA, is amended to read:

"17-7-123. Form of executive budget. The budget submitted shall set forth a balanced financial plan for the state government for each fiscal year of the ensuing biennium, which plan shall consist of:

(1) a consolidated budget summary setting forth the aggregate figures of the budget in such manner as to show a balance between the total proposed disbursements and the total anticipated receipts, together with the other means of financing the budget for each fiscal year of the ensuing biennium, contrasted with the corresponding figures for the last completed fiscal year and the fiscal year in progress. The consolidated budget summary shall be supported by explanatory schedules or statements, classifying receipts and disbursements contained therein by fund and, where applicable, organizational unit;

(2) an analysis of the actual and projected receipts, disbursements, and solvency of each accounting entity within each fund for the current and subsequent biennium;

(3) a detailed analysis of receipts by accounting entity within fund indicating classification and source of funds;

(4) a departmental analysis summarizing past and proposed spending plans by agency and the means of financing the proposed plan. Information presented shall include the following:

(a) a statement of departmental goals and objectives and a statement of goals and objectives for each program of the department;

(b) the current funding level and the modified funding level, if any, for each department and each program of the department. The funding levels must show the number of employees who were given a pay grade change under the pay schedule adopted pursuant to 2-18-303 and the net cost to the agency for such grade changes for the biennium. The changes must be listed in tabular form by:

HeinOnline -- 1983 vol. II 1419 1983

(i) position description;

(ii) grade assigned prior to the completed fiscal year;

(iii) grade assigned during the completed fiscal year;

(iv) grade assigned during the current fiscal year;

(v) recommended grade for the ensuing biennium;

(vi) dollar difference for the upgrade or downgrade for each position; and

(vii) net cost to the agency for grade changes;

(c) actual disbursements for the completed fiscal year of the current biennium, estimated disbursements for the current fiscal year, and governor's recommendations for the ensuing biennium by program;

(d) actual disbursements for the completed fiscal year of the current biennium, estimated disbursements for the current fiscal year, and governor's recommendations for the ensuing biennium by disbursement category; and

(e) a statement containing further recommendations of the governor should he deem it necessary;

(5) detailed recommendations for the state long-range building program. Each recommendation shall be presented by department, institution, agency, or branch by funding source, with a description of each proposed project. An appropriation measure shall be presented by project, source of funding, and department, agency, institution, or branch for which the project is primarily intended.

(6) appropriation measures detailed by program, fund, and accounting entity, authorizing disbursements and related restrictions thereto by department, institution, or agency of the state."

Approved April 19, 1983.

CHAPTER NO. 597

AN ACT CLARIFYING AND FURTHER DEFINING THE SERVICES TO BE PROVIDED BY PERSONAL-CARE FACILITIES; ESTABLISHING RESTRICTIONS ON ELIGIBILITY FOR RESIDENCY IN SUCH FACILITIES; REQUIRING THAT THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES ESTABLISH BY RULE CERTAIN STANDARDS RELATING TO RESIDENT ADMISSION AND SCREENING; PROVIDING FOR LICENSING OF SUCH FACILITIES; PROVIDING FOR CIVIL AND CRIMINAL ENFORCEMENT; CLARIFYING THE DEFINITION OF "ROOMINGHOUSE" OR "RETIREMENT HOME"; AMENDING SECTIONS 50-5-101, 50-51-102, AND 50-51-107, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Personal-care facilities — services to residents.** A personal-care facility must provide the following services to facility residents:

HeinOnline -- 1983 vol. II 1420 1983

(1) residential services such as laundry, housekeeping, food service, and either providing or making available provision for local transportation;

(2) personal assistance services, such as assistance by staff as required by residents in eating, walking, dressing, grooming, and similar routine living tasks;

(3) recreational activities; and

(4) supervision of self-medication.

Section 2. **Placement in personal-care facilities.** (1) A personal-care facility may not have as a resident a person who is:

(a) in need of medical or physical restraints;

(b) nonambulatory or bedridden;

(c) totally incontinent; or

(d) less than 18 years of age.

(2) The department shall, in consultation with the department of social and rehabilitation services, provide by rule:

(a) an application or placement procedure informing a prospective resident and, if applicable, his physician of:

(i) physical and mental standards for residents of personal-care facilities;

(ii) requirements for placement in a facility with a higher standard of care if a resident's condition deteriorates; and

(iii) the services offered by the facility and services that a resident may receive from third-party providers while resident in the facility;

(b) standards to be used by a facility and, if appropriate, by a screening agency to screen residents and prospective residents to prevent residence by persons prohibited by subsection (1);

(c) a method by which the results of any screening decision made pursuant to rules established under subsection (1)(b) may be appealed by the facility operator or by or on behalf of a resident or prospective resident.

Section 3. **Licensing personal-care facilities.** (1) The department shall, in consultation with the department of social and rehabilitation services, by rule adopt standards for licensing and operation of personal-care facilities to implement the provisions of [sections 1 and 2].

(2) The department may by rule establish license fees, inspection fees, and fees for patient screening. Such fees must be reasonably related to service costs.

Section 4. **Limited licensing.** The department may grant a license that is provisional upon the correction of noncompliance with provisions of [sections 1 through 6] or rules adopted pursuant to [sections 1 through 6]. A provisional license may be granted only for a specific period of time and may not be renewed.

HeinOnline -- 1983 vol. II 1421 1983

Section 5. **Life-threatening situations — immediate license suspension.** If the department has reason to believe that a life-threatening situation exists relating to residents of a personal-care facility, whether caused by an act or omission of the facility operator, act of nature, or any other cause, it may immediately suspend the facility's license and require evacuation of the facility. Within 5 days of such suspension, the department shall show cause in the district court of the county in which the facility is located why such suspension should be extended or the license permanently or temporarily revoked. After a hearing, the district court may remove the suspension or, upon finding sufficient cause, may:

(1) extend the license suspension until the life-threatening emergency has abated;

(2) order a conditional revocation or suspension of the license subject to correction of any life-threatening deficiency by the facility operator; or

(3) revoke the facility license.

Section 6. **Enforcement — denial, suspension, or revocation of license — criminal and civil penalties — injunctions.** (1) The department may deny, suspend, or revoke a personal-care facility license for failure to meet the minimum standards as set forth in [sections 1 through 6] or applicable health standards established by the department.

(2) The department or the county attorney of the county in which the facility is located may, after notice to the facility operator of noncompliance with [section 2(1)] and failure of the operator to correct such noncompliance within a period of time, which may not be less than 10 days, set forth in the notice, petition the district court of the county in which the facility is located for the imposition of a civil penalty not to exceed $500 per violation. Money collected as a civil penalty must be deposited in the state general fund.

(3) The department or the county attorney of the county in which the facility is located may bring an action in the district court of that county to enjoin any violation of a provision of [sections 1 through 6].

(4) In addition to all other enforcement measures, a violation of the provisions of [sections 1 through 6] is a misdemeanor, punishable upon conviction as provided in 46-18-212.

Section 7. Section 50-5-101, MCA, is amended to read:

"50-5-101. Definitions. As used in parts 1 through 4 of this chapter, unless the context clearly indicates otherwise, the following definitions apply:

(1) "Accreditation" means a designation of approval.

(2) "Adult day-care center" means a facility, free-standing or connected to another health care facility, which provides adults, on an intermittent basis, with the care necessary to meet the needs of daily living.

(3) "Affected persons" means the applicant, members of the public who are to be served by the proposal, health care facilities located in the geographic area affected by the application, agencies which establish rates for

HeinOnline -- 1983 vol. II 1422 1983

health care facilities, and agencies which plan or assist in planning for such facilities, including any agency qualifying as a health systems agency pursuant to Title XV of the Public Health Service Act.

(4) "Ambulatory surgical facility" means a facility, not part of a hospital, which provides surgical treatment to patients not requiring hospitalization. This type of facility may include observation beds for patient recovery from surgery or other treatment.

(5) "Board" means the board of health and environmental sciences, provided for in 2-15-2104.

(6) "Certificate of need" means a written authorization by the department for a person to proceed with a proposal subject to 50-5-301.

(7) "Clinical laboratory" means a facility for the microbiological, serological, chemical, hematological, radiobioassay, cytological, immunohematological, pathological, or other examination of materials derived from the human body for the purpose of providing information for the diagnosis, prevention, or treatment of any disease or assessment of a medical condition.

(8) "College of American pathologists" means the organization nationally recognized by that name with headquarters in Traverse City, Michigan, that surveys clinical laboratories upon their requests and accredits clinical laboratories that it finds meet its standards and requirements.

(9) "Construction" means the physical erection of a health care facility and any stage thereof, including ground breaking.

(10) "Department" means the department of health and environmental sciences provided for in Title 2, chapter 15, part 21.

(11) "Federal acts" means federal statutes for the construction of health care facilities.

(12) "Governmental unit" means the state, a state agency, a county, municipality, or political subdivision of the state, or an agency of a political subdivision.

(13) "Health care facility" means any institution, building, or agency or portion thereof, private or public, excluding federal facilities, whether organized for profit or not, used, operated, or designed to provide health services, medical treatment, or nursing, rehabilitative, or preventive care to any person or persons. The term does not include offices of private physicians or dentists. The term includes but is not limited to ambulatory surgical facilities, health maintenance organizations, home health agencies, hospitals, infirmaries, kidney treatment centers, long-term care facilities, mental health centers, outpatient facilities, public health centers, rehabilitation facilities, and adult day-care centers.

(14) "Health maintenance organization" means a public or private organization organized as defined in 42 U.S.C. 300e, as amended.

(15) "Home health agency" means a public agency or private organization or subdivision thereof which is engaged in providing home health services to individuals in the places where they live. Home health services

HeinOnline -- 1983 vol. II 1423 1983

must include the services of a licensed registered nurse and at least one other therapeutic service and may include additional support services.

(16) "Hospital" means a facility providing, by or under the supervision of licensed physicians, services for medical diagnosis, treatment, rehabilitation, and care of injured, disabled, or sick persons. Services provided may or may not include obstetrical care, emergency care, or any other service as allowed by state licensing authority. A hospital has an organized medical staff which is on call and available within 20 minutes, 24 hours per day, 7 days per week, and provides 24-hour nursing care by licensed registered nurses. This term includes hospitals specializing in providing health services for psychiatric, mentally retarded, and tubercular patients.

(17) "Infirmary" means a facility located in a university, college, government institution, or industry for the treatment of the sick or injured, with the following subdefinitions:

(a) an "infirmary—A" provides outpatient and inpatient care;

(b) an "infirmary—B" provides outpatient care only.

(18) "Joint commission on accreditation of hospitals" means the organization nationally recognized by that name with headquarters in Chicago, Illinois, that surveys health care facilities upon their requests and grants accredidation status to any health care facility that it finds meets its standards and requirements.

(19) "Kidney treatment center" means a facility which specializes in treatment of kidney diseases, including freestanding hemodialysis units.

(20) (a) "Long-term care facility" means a facility or part thereof which provides skilled nursing care or intermediate nursing care to a total of two or more persons or personal care to more than *four* persons who are not related to the owner or administrator by blood or marriage, with these degrees of care defined as follows:

(i) "Skilled nursing care" means the provision of nursing care services, health-related services, and social services under the supervision of a licensed registered nurse on a 24-hour basis.

(ii) "Intermediate nursing care" means the provision of nursing care services, health-related services, and social services under the supervision of a licensed nurse to patients not requiring 24-hour nursing care.

(iii) "Personal care" means the provision of services and care which do not require nursing skills to residents needing some assistance in performing the activities of daily living.

(b) Hotels, motels, boarding homes, roominghouses, or similar accommodations providing for transients, students, or persons not requiring institutional health care are not long-term care facilities.

(21) "Mental health center" means a facility providing services for the prevention or diagnosis of mental illness, the care and treatment of mentally ill patients or the rehabilitation of such persons, or any combination of these services.

HeinOnline -- 1983 vol. II 1424 1983

(22) "New institutional health services" means:

(a) the construction, development, or other establishment of a health care facility which did not previously exist;

(b) any expenditure by or on behalf of a health care facility within a 12-month period in excess of $150,000, which, under generally accepted accounting principles consistently applied, is a capital expenditure. Whenever a health care facility or a person on behalf of a health care facility makes an acquisition under lease or comparable arrangement or through donation, which would have required review if the acquisition had been by purchase, such acquisition shall be considered a capital expenditure subject to review.

(c) a change in bed capacity of a health care facility which increases or decreases the total number of beds, redistributes beds among various service categories, or relocates such beds from one physical facility or site to another over a 2-year period by more than 10 beds or 10% of the total licensed bed capacity, whichever is less;

(d) health services which are offered in or through a health care facility and which were not offered on a regular basis in or through such health care facility within the 12-month period prior to the time such services would be offered or the deletion by a health care facility of a service previously offered;

(e) the expansion of a geographic service area of a home health agency.

(23) "Nonprofit health care facility" means a health care facility owned or operated by one or more nonprofit corporations or associations.

(24) "Observation bed" means a bed occupied for not more than 6 hours by a patient recovering from surgery or other treatment.

(25) "Offer" means the holding out by a health care facility that it can provide specific health services.

(26) "Outpatient facility" means a facility, located in or apart from a hospital, providing, under the direction of a licensed physician, either diagnosis or treatment, or both, to ambulatory patients in need of medical, surgical, or mental care. An outpatient facility may have observation beds.

(27) "Patient" means an individual obtaining services, including skilled nursing care, from a health care facility.

(28) "Person" means any individual, firm, partnership, association, organization, agency, institution, corporation, trust, estate, or governmental unit, whether organized for profit or not.

(29) "Public health center" means a publicly owned facility providing health services, including laboratories, clinics, and administrative offices.

(30) "Rehabilitation facility" means a facility which is operated for the primary purpose of assisting in the rehabilitation of disabled persons by providing comprehensive medical evaluations and services, psychological and social services, or vocational evaluation and training or any combination of these services and in which the major portion of the services is furnished within the facility.

HeinOnline -- 1983 vol. II 1425 1983

(31) "Resident" means a person who is in a long-term care facility for intermediate or personal care.

(32) "State plan" means the state medical facility plan provided for in part 4."

Section 8. Section 50-51-102, MCA, is amended to read:

"50-51-102. Definitions. Unless the context requires otherwise, in this chapter the following definitions apply:

(1) "Board" means board of health and environmental sciences.

(2) "Department" means the department of health and environmental sciences.

(3) "Hotel" or "motel" includes a building or structure kept, used, maintained as, advertised as, or held out to the public to be a hotel, motel, inn, motor court, tourist court, public lodging house, or place where sleeping accommodations are furnished for a fee to transient guests, with or without meals.

(4) "Person" includes an individual, partnership, corporation, association, county, municipality, cooperative group, or other entity engaged in the business of operating, owning, or offering the services of a hotel, motel, tourist home, retirement home, or roominghouse.

(5) "Roominghouse", *"boardinghouse"*, or "retirement home" means buildings in which separate sleeping rooms are rented providing sleeping accommodations for three or more persons on a weekly, semimonthly, monthly, or permanent basis, whether or not meals or central kitchens are provided but without separated cooking facilities or kitchens within each room, and whose occupants do not need professional nursing *or personal-care services provided by the facility.*

(6) "Tourist home" means an establishment or premises where sleeping accommodations are furnished to transient guests for hire or rent on a daily or weekly rental basis in a private home when the accommodations are offered for hire or rent for the use of the traveling public.

(7) "Transient guest" means a guest for only a brief stay, such as the traveling public."

Section 9. Section 50-51-107, MCA, is amended to read:

"50-51-107. Provision of nursing services or personal-care services by the facility prohibited. (1) Hotels, motels, boardinghouses, roominghouses, or similar accommodations may not provide professional nursing services *or personal-care services. A resident of a hotel, motel, boardinghouse, roominghouse, or similar accommodation may have personal-care, medical, or nursing-related services provided for him in such facility by a third-party provider.*

(2) Whenever a complaint is filed with the department that a person in need of professional nursing services is residing in a roominghouse or other similar accommodation not licensed to provide such service, the

HeinOnline -- 1983 vol. II 1426 1983

department shall investigate and *may require* appropriate *care or* placement of such person if it is found that professional nursing services are needed."

Section 10. **Coordination instruction.** If House Bill 424 is not passed and approved, the bracketed reference to HB 424 in section 1 is stricken.

Section 11. **Codification instruction.** Sections 1 through 6 are intended to be codified as an integral part of Title 50, chapter 5, parts 1 through 4, and the provisions of Title 50, chapter 5, parts 1 through 4, apply to sections 1 through 6.

Approved April 19, 1983.

CHAPTER NO. 598

AN ACT REVISING THE DISCRETIONARY AUTHORITY OF THE HIGHWAY COMMISSION REGARDING PROJECTS FOR COMPETITIVE BIDDING; CLARIFYING THE EXCEPTION TO COMPETITIVE BIDDING; AMENDING SECTION 60-2-112, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 60-2-112, MCA, is amended to read:

"60-2-112. Competitive bidding. (1) When the estimated cost of any work exceeds *$10,000*, the commission shall let the contract by competitive bidding. Award shall be made upon such notice and upon such terms as the commission may prescribe by its rules. However, except when prohibited by federal law, the commission shall make awards and contracts in accordance with 18-1-102 and 18-1-112.

(2) The commission may let a contract by means other than competitive bidding if it determines that special circumstances so require. The commission must specify the special circumstances in writing.

(3) The commission may enter into contracts with units of local government for the construction of projects without competitive bidding if it finds that the work can be accomplished at lower total costs, including total cost of labor, materials, supplies, equipment usage, engineering, supervision, clerical and accounting services, administrative costs, and reasonable estimates of other costs attributable to the project.

(4) If, on any highway construction work financed in whole or in part by federal funds, the commission finds that enforcement of the provisions contained in 15-50-203 and 18-2-311 relating to public contractors working beyond contract time will result in a reduction in the full benefits of Title 23, U.S.C., it may waive enforcement of such provisions."

Approved April 19, 1983.

HeinOnline -- 1983 vol. II 1427 1983

CHAPTER NO. 599

AN ACT ESTABLISHING GOODS AND EQUIPMENT INTENDED FOR RENT OR LEASE AS CLASS EIGHT PROPERTY FOR PURPOSES OF TAXATION; PROVIDING AN EXCEPTION; AMENDING SECTIONS 15-6-136, 15-6-138, AND 15-6-202, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-6-138, MCA, is amended to read:

"15-6-138. Class eight property — description — taxable percentage. (1) Class eight property includes:

(a) all agricultural implements and equipment;

(b) all mining machinery, fixtures, equipment, tools, and supplies except:

(i) those included in class five; and

(ii) coal and ore haulers;

(c) all manufacturing machinery, fixtures, equipment, tools, and supplies except those included in class five;

(d) motorcycles;

(e) watercraft;

(f) light utility and boat trailers;

(g) aircraft;

(h) all-terrain vehicles;

(i) harness, saddlery, and other tack equipment;

(j) all goods and equipment intended for rent or lease, except goods and equipment specifically included and taxed in another class; and

(k) all other machinery except that specifically included in another class.

(2) Class eight property is taxed at 11% of its market value."

Section 2. Section 15-6-136, MCA, is amended to read:

"15-6-136. Class six property — description — taxable percentage. (1) Class six property includes:

(a) livestock and poultry and the unprocessed products of both;

HeinOnline -- 1983 vol. II 1428 1983

(b) all unprocessed agricultural products on the farm or in storage except all perishable fruits and vegetables in farm storage and owned by the producer;

(c) items of personal property intended for lease in the ordinary course of business provided each item of personal property satisfies all of the following:

(i) the full and true value of the personal property is less than $5,000;

(ii) the personal property is owned by a business whose primary business income is from rental or lease of personal property to individuals wherein no one customer of the business accounts for more than 10% of the total rentals or leases during a calendar year; and

(iii) the lease of the personal property is generally on an hourly, daily, or weekly basis.

(2) Class six property is taxed at 4% of its market value."

Section 3. Section 15-6-202, MCA, is amended to read:

"15-6-202. Freeport merchandise and business inventories exemption. (1) Freeport merchandise and business inventories are exempt from taxation.

(2) Freeport merchandise means those stocks of merchandise manufactured or produced outside this state which are in transit through this state and consigned to a warehouse or other storage facility, public or private, within this state for storage in transit prior to shipment to a final destination outside the state and which have acquired a taxable situs within the state.

(3) Stocks of merchandise do not lose their status as freeport merchandise because while in the storage facility they are assembled, bound, joined, processed, disassembled, divided, cut, broken in bulk, relabeled, or repackaged.

(4) Any person or other group seeking to qualify its property for inclusion in the freeport merchandise class shall make application to the department of revenue in such manner or form as may be required by the department.

(5) "Business inventories" *include* goods *primarily* intended for sale *and not for* lease in the ordinary course of business and raw materials and work in progress with respect to such goods. Business inventories do not include goods leased or rented or mobile homes held by a dealer or distributor as part of his stock in trade."

Section 4. **Effective date.** This act is effective on passage and approval.

Approved April 19, 1983.

HeinOnline -- 1983 vol. II 1429 1983

CHAPTER NO. 600

AN ACT PROVIDING A GRADUATED SCALE FOR THE DISCOUNT ALLOWED FOR AFFIXING TAX INSIGNIA TO CIGARETTE PACKAGES; CORRECTING A PRIOR LEGISLATIVE OVERSIGHT; AMENDING SECTIONS 16-11-114 AND 16-11-115, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 16-11-114, MCA, is amended to read:

"**16-11-114. Insignia discount.** Every licensed wholesaler and licensed retailer shall be entitled to purchase said insignia at full face value less *the following percentage* of the face value upon payment therefor as defrayment of the costs of affixing insignia and precollecting such tax on behalf of the state of Montana:

(1) 6% for the first 2,580 cartons or portion thereof purchased in any calendar month;

(2) 4% for the next 2,580 cartons or portion thereof purchased in any calendar month; and

(3) 3% for purchases in excess of 5,160 cartons in any calendar month."

Section 2. Section 16-11-115, MCA, is amended to read:

"**16-11-115. Tax meter machine.** The department may authorize any wholesaler or retailer of cigarettes licensed under this part to use a tax meter machine with which to imprint an insignia upon each package of cigarettes imported, sold, or delivered in this state. The insignia shall be one approved by the department. Each package of cigarettes imported into this state, delivered or sold therein shall be marked with the proper insignia of such tax-stamping meter, and thereafter any original package of cigarettes so marked may be lawfully possessed and sold within the state by any wholesaler or retailer licensed under this part. The department shall supervise and check the operation of such tax meter machines. The operator of such machine, before using the same, shall take the meter thereof to the county treasurer of the county in which the machine is operated, who is authorized to and shall set said meter for the number of packages specified and required by the operator. Prior to setting said meter the county treasurer shall charge said operator the amount of money proper for said setting less the expense defrayment provided for in 16-11-114. The county treasurer shall collect this amount in advance unless the department has allowed the purchaser credit as provided in 16-11-117. The county treasurer shall report to the department on forms prescribed by it the name of the licensed wholesaler or licensed retailer and the number of packages for which said meter was set and shall forward to the department any amounts collected from said licensee."

Approved April 19, 1983.

HeinOnline -- 1983 vol. II 1430 1983

CHAPTER NO. 601

AN ACT TO INCREASE THE PENALTIES FOR OVERWEIGHT VEHICLES; TO REVISE THE DISPOSITION OF FINES AND FORFEITURES COLLECTED FOR VIOLATIONS OF THE VEHICLE SIZE, WEIGHT, AND LOAD LAWS; AND TO PROVIDE FOR JURISDICTION OF SUCH LAWS IN JUSTICES' COURTS; AMENDING SECTIONS 3-10-303, 61-10-145, AND 61-10-148, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-10-145, MCA, is amended to read:

"61-10-145. Penalties. (1) A person, firm, or corporation convicted of violating 61-10-101 through 61-10-110 shall be punished by a fine of not less than *$30* or more than *$100.* A person, firm, or corporation convicted of operating a motor vehicle upon the public highways of this state with weight upon a wheel, axle, or group of axles greater than the maximum permitted by 61-10-101 through 61-10-110 shall be fined, in addition to other penalties provided by law for the offense, the following amounts:

(a) *$30* for any excess weight up to and including 2,000 pounds;

(b) *$50* for any excess weight more than 2,000 pounds and less than 4,001 pounds;

(c) *$70* for any excess weight more than 4,000 pounds and less than 6,001 pounds;

(d) *$100* for any excess weight more than 6,000 pounds and less than 8,001 pounds;

(e) *$160* for any excess weight more than 8,000 pounds and less than 10,001 pounds;

(f) *$220* for any excess weight more than 10,000 pounds and less than 12,001 pounds;

(g) *$300* for any excess weight more than 12,000 pounds and less than 14,001 pounds;

(h) *$400* for any excess weight more than 14,000 pounds and less than 16,001 pounds;

(i) *$500* for any excess weight more than 16,000 pounds and less than 18,001 pounds;

(j) *$600* for any excess weight more than 18,000 pounds and less than 20,001 pounds;

(k) *$1,000* for any excess weight more than 20,000 pounds and less than 25,001 pounds;

(l) *$2,000* for any excess weight more than 25,000 pounds.

(2) A complaint filed and a summons or notice to appear issued pertaining to a violation of the gross weight regulations in 61-10-101 through

HeinOnline -- 1983 vol. II 1431 1983

61-10-110 shall specify the amount of the overweight which the defendant is alleged to have had upon the vehicle or combination of vehicles.

(3) The penalties in subsection (1) do not apply to an operator who fails to secure a special permit as provided for in 61-10-107(3) if the vehicle or combination of vehicles is not overweight with such a permit. The failure to obtain the special permit is punishable under 61-10-146, and the operator is required to purchase the permit. If the vehicle or combination of vehicles exceeds the weight limitations allowed by special permit and the operator fails to obtain a permit under 61-10-107(3), the penalties of subsection (1) apply to the weight exceeding 80,000 pounds.

(4) It is a misdemeanor, punishable as provided in 46-18-212, for any person, firm, or corporation to violate any of the provisions of 61-10-123, 61-10-141, or 61-10-142."

Section 2. Section 61-10-148, MCA, is amended to read:

"61-10-148. Disposition of fines and forfeited bonds. Except as provided in 61-12-701, *one-half of all the money collected as fines and forfeited bonds for violations of Title 61, chapter 10, must be remitted monthly by the county treasurer to the state treasurer for deposit in the state highway account in the earmarked revenue fund. The remaining half, less the deductions required by law, must be deposited in the county road fund.*"

Section 3. Section 3-10-303, MCA, is amended to read:

"3-10-303. Criminal jurisdiction. The justices' courts have jurisdiction of public offenses committed within the respective counties in which such courts are established as follows:

(1) jurisdiction of all misdemeanors punishable by a fine not exceeding $500 or imprisonment not exceeding 6 months or both such fine and imprisonment, excluding jurisdiction in cases commenced under Title 45, chapter 9, except to act as examining and committing courts and to conduct preliminary hearings as provided in subsection (4);

(2) jurisdiction of all violations of fish and game statutes punishable by a fine of not more than $1,000 or imprisonment for not more than 6 months, or both;

(3) concurrent jurisdiction with district courts of all misdemeanors punishable by a fine only not exceeding $1,500;

(4) jurisdiction to act as examining and committing courts and for such purpose to conduct preliminary hearings; *and*

(5) jurisdiction of all violations of Title 61, chapter 10."

Approved April 20, 1983.

HeinOnline -- 1983 vol. II 1432 1983

CHAPTER NO. 602

AN ACT ALLOWING AN ARRESTING OFFICER TO IMMEDIATELY SEIZE THE DRIVER'S LICENSE OF ANY PERSON DRIVING UPON WAYS OF THIS STATE OPEN TO THE PUBLIC WHO REFUSES TO SUBMIT TO A CHEMICAL TEST; PROVIDING FOR SUSPENSION OR REVOCATION OF THE LICENSE BY THE MOTOR VEHICLE DIVISION; INCREASING THE PERIOD OF SUSPENSION; PROVIDING THAT AN APPEAL OF SUSPENSION MAY BE FILED IN THE DISTRICT COURT IN THE COUNTY IN WHICH THE ARREST WAS MADE AS WELL AS IN THE DISTRICT COURT IN THE COUNTY OF THE DRIVER'S RESIDENCE; AND REDUCING THE TIME FOR NOTICE OF AN APPEAL OF SUSPENSION TO THE COUNTY ATTORNEY; AMENDING SECTIONS 61-8-402 AND 61-8-403, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-8-402, MCA, is amended to read:

"61-8-402. Chemical blood, breath, or urine tests. (1) Any person who operates a motor vehicle upon *ways* of this state *open to the public* shall be deemed to have given consent, subject to the provisions of 61-8-401, to a chemical test of his blood, breath, or urine for the purpose of determining the alcoholic content of his blood if arrested by a peace officer for driving or in actual physical control of a motor vehicle while under the influence of alcohol. The test shall be administered at the direction of a peace officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle upon *ways* of this state *open to the public* while under the influence of alcohol. The arresting officer may designate which one of the aforesaid tests shall be administered.

(2) Any person who is unconscious or who is otherwise in a condition rendering him incapable of refusal shall be deemed not to have withdrawn the consent provided by subsection (1) of this section.

(3) If a *resident driver* under arrest refuses upon the request of a peace officer to submit to a chemical test designated by the arresting officer as provided in subsection (1) of this section, none shall be given, but the *officer shall, on behalf of the* division, *immediately seize his driver's license. The peace officer shall forward the license to the division, along with* a sworn report that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle upon *ways* of this state *open to the public* while under the influence of alcohol and that the person had refused to submit to the test upon the request of the peace officer. *Upon receipt of the report, the division shall suspend the license for the period provided in subsection (5).*

(4) Upon seizure of a resident driver's license, the peace officer shall issue, on behalf of the division, a temporary driving permit, which is valid for 72 hours after the time of issuance.

HeinOnline -- 1983 vol. II 1433 1983

(5) The following suspension and revocation periods are applicable upon refusal to submit to a chemical test:

(a) upon a first refusal, a suspension of 90 days with no provision for a restricted probationary license;

(b) upon a second or subsequent refusal within 5 years of a previous refusal, as determined from the records of the division, a revocation of 1 year with no provision for a restricted probationary license.

(6) Like refusal by a nonresident shall be subject to suspension by the division in like manner, *and the same temporary driving permit shall be issued to nonresidents.*

(7) All such suspensions are subject to review as hereinafter provided."

Section 2. Section 61-8-403, MCA, is amended to read:

"61-8-403. Right of appeal to court. The division shall immediately notify any person whose license or privilege to drive has been suspended *or revoked*, as hereinbefore authorized, in writing and such person shall have the right to file a petition within 30 days thereafter for a hearing in the matter in the district court in the county wherein such person *resides or in the district court in the county in which this arrest was made.* Such court is hereby vested with jurisdiction and it shall be its duty to set the matter for hearing upon *10* days' written notice to the county attorney of the county wherein the appeal is filed and such county attorney shall represent the state, and thereupon the court shall take testimony and examine into the facts of the case, except that the issues shall be limited to whether a peace officer had reasonable grounds to believe the person had been driving or was in actual physical control of a vehicle upon *ways of this state open to the public* while under the influence of alcohol, whether the person was placed under arrest, and whether such person refused to submit to the test. The court shall thereupon determine whether the petitioner is entitled to a license or is subject to suspension as heretofore provided."

Approved April 20, 1983.

CHAPTER NO. 603

AN ACT TO DEFINE THE TERM "GENERAL ELECTION" FOR THE PURPOSE OF SUBMISSION TO THE PEOPLE OF LAWS OR CONSTITUTIONAL AMENDMENTS BY THE LEGISLATURE; AMENDING SECTIONS 13-1-101 AND 13-1-104, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 13-1-101, MCA, is amended to read:

"13-1-101. Definitions. As used in this title, unless the context clearly indicates otherwise, the following definitions apply:

HeinOnline -- 1983 vol. II 1434 1983

(1) "Anything of value" means any goods that have a certain utility to the recipient that is real and that is ordinarily not given away free but is purchased.

(2) "Candidate" means:

(a) an individual who has filed a declaration or petition for nomination, acceptance of nomination or appointment as a candidate for public office as required by law;

(b) for the purposes of chapters 35, 36, or 37, an individual who has publicly announced his intention to seek nomination or election to public office by write-in vote and who has received a contribution or made an expenditure or has given an authorization to another person to receive a contribution or make an expenditure for the purpose of supporting his nomination or election.

(3) (a) "Contribution" means:

(i) an advance, gift, loan, conveyance, deposit, payment, or distribution of money or anything of value to influence an election;

(ii) a transfer of funds between political committees;

(iii) the payment by a person other than a candidate or political committee of compensation for the personal services of another person that are rendered to a candidate or political committee.

(b) "Contribution" does not mean:

(i) services provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate or political committee or meals and lodging provided by individuals in their private residence for a candidate or other individual;

(ii) the cost of any bona fide news story, commentary, or editorial distributed through the facilities of any broadcasting station, newspaper, magazine, or other periodical publication of general circulation;

(iii) the cost of any communication by any membership organization or corporation to its members or stockholders or employees, so long as such organization is not a primary political committee; or

(iv) filing fees paid by the candidate.

(4) "Election" means a general, special, or primary election held pursuant to the requirements of state law, regardless of the time and/or purpose.

(5) "Election administrator" means the county clerk and recorder or the individual designated by a county governing body to be responsible for all election administration duties, except that with regard to school elections, the term means the school district clerk.

(6) "Elector" means an individual qualified and registered to vote under state law.

(7) (a) "Expenditure" means a purchase, payment, distribution, loan, advance, promise, pledge, or gift of money or anything of value made for the purpose of influencing the results of an election.

HeinOnline -- 1983 vol. II 1435 1983

(b) "Expenditure" does not mean:

(i) services, food, or lodging provided in a manner that they are not contributions under subsection (3);

(ii) payments by a candidate for his filing fee or for personal travel expenses, food, clothing, lodging, or personal necessities for himself and his family;

(iii) the cost of any bona fide news story, commentary, or editorial distributed through the facilities of any broadcasting station, newspaper, magazine, or other periodical publication of general circulation; or

(iv) the cost of any communication by any membership organization or corporation to its members or stockholders or employees, so long as such organization is not a primary political committee.

(8) "General election" means an election held for the election of public officers throughout the state at times specified by law, including elections for officers of political subdivisions when the time of the election is set on the same date for all similar political subdivisions in the state. *For ballot issues required by Article III, section 6, or Article XIV, section 8, of the Montana constitution to be submitted by the legislature to the electors at a general election, "general election" means an election held at the time provided in 13-1-104(1).*

(9) "Individual" means a human being.

(10) "Issue" or "ballot issue" means a proposal submitted to the people at an election for their approval or rejection, including but not limited to initiatives, referenda, proposed constitutional amendments, recall questions, school levy questions, bond issue questions, or a ballot question. For the purposes of chapters 35, 36, and 37, an issue becomes a "ballot issue" upon certification by the proper official that the legal procedure necessary for its qualification and placement upon the ballot has been completed, except that a statewide issue becomes an "issue" upon approval by the secretary of state of the form of the petition or referral.

(11) "Person" means an individual, corporation, association, firm, partnership, cooperative, committee, club, union, or other organization or group of individuals or a candidate as defined in subsection (2) of this section.

(12) "Political committee" means a combination of two or more individuals or a person other than an individual who makes a contribution or expenditure:

(a) to support or oppose a candidate or a committee organized to support or oppose a candidate or a petition for nomination; or

(b) to support or oppose a ballot issue or a committee organized to support or oppose a ballot issue; or

(c) as an earmarked contribution.

HeinOnline -- 1983 vol. II 1436 1983

(13) "Political subdivision" means a county, consolidated municipal-county government, municipality, special district, or any other unit of government, except school districts, having authority to hold an election for officers or on a ballot issue.

(14) "Primary" or "primary election" means an election held throughout the state to nominate candidates for public office at times specified by law, including nominations of candidates for offices of political subdivisions when the time for such nominations is set on the same date for all similar subdivisions in the state.

(15) "Public office" means a state, county, municipal, school, or other district office that is filled by the people at an election.

(16) "Registrar" means the county election administrator and any regularly appointed deputy or assistant election administrator.

(17) "Special election" means an election other than a statutorily scheduled primary or general election held at any time for any purpose provided by law. It may be held in conjunction with a statutorily scheduled election.

(18) "Voting machine or device" means any equipment used to record, tabulate, or in any manner process the vote of an elector."

Section 2. Section 13-1-104, MCA, is amended to read:

"13-1-104. Times for holding general elections. (1) A general election shall be held throughout the state in every even-numbered year on the first Tuesday after the first Monday of November *to vote on ballot issues required by Article III, section 6, or Article XIV, section 8, of the Montana constitution to be submitted by the legislature to the electors at a general election, unless an earlier date is provided in a law authorizing a special election on an initiative or referendum pursuant to Article III, section 6, and* to elect federal officers, state or multicounty district officers, members of the legislature, judges of the district court, and county officers when the terms of such offices will expire before the next scheduled election for the offices or when one of the offices must be filled for an unexpired term as provided by law.

(2) A general election shall be held throughout the state in every odd-numbered year on the first Tuesday after the first Monday in November to elect municipal officers, officers of political subdivisions wholly within one county and not required to hold annual elections, and any other officers specified by law for election in odd-numbered years when the term for the offices will expire before the next scheduled election for the offices or when one of the offices must be filled for an unexpired term as provided by law.

(3) The general election for any political subdivision required to hold elections annually shall be held on school election day, the first Tuesday of April of each year, and is subject to the election procedures provided for in 13-1-401."

Approved April 20, 1983.

HeinOnline -- 1983 vol. II 1437 1983

CHAPTER NO. 604

AN ACT AMENDING THE APPOINTMENT QUALIFICATIONS OF MEMBERS OF THE BOARD OF PERSONNEL APPEALS TO REMOVE POTENTIALLY UNCONSTITUTIONAL APPOINTMENT QUALIFICATIONS; PROVIDING FOR A TRANSITION AND APPOINTMENTS SUBJECT TO THE NEW APPOINTMENT QUALIFICATIONS; AMENDING SECTION 2-15-1705, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-15-1705, MCA, is amended to read:

"2-15-1705. Board of personnel appeals — allocation — composition — vote necessary for decision — quasi-judicial. (1) There is a board of personnel appeals.

(2) The board is allocated to the department of labor and industry for administrative purposes only as prescribed in 2-15-121.

(3) *(a)* The board consists of five members appointed by the governor *as follows:*

(i) two members, each having management experience involving collective bargaining;

(ii) two members, each having experience as a member or employee of an employee organization; and

(iii) one other member having general labor-management experience, who shall be the chairperson.

(b) All members of the board shall serve as impartial decisionmakers and are not appointed to serve the interests represented by their experience.

(4) When the *chairperson* is unable to participate in a proceeding before the board, *the remaining* members of the board shall select an individual, who shall be a person *who qualifies under subsection (3)(a)(iii)*, to serve in the place of the *chairperson* in that proceeding and he shall participate in the decision in that proceeding. There shall be only one additional *chairperson replacement* appointed and serving at any one time. The individual selected is entitled to the same compensation and per diem that members of the board receive.

(5) In all proceedings before the board, a favorable vote of at least a majority of a quorum is sufficient to adopt any resolution, motion, or other decision.

(6) The board is designated a quasi-judicial board for purposes of 2-15-124."

Section 2. **Transition — appointment of new members.** Notwithstanding the provisions of section 1 and 2-15-124:

HeinOnline -- 1983 vol. II 1438 1983

(1) within 30 days after the effective date of this act, the governor shall appoint members of the board of personnel appeals in compliance with the provisions of section 1;

(2) a majority of the board members appointed by the governor shall be appointed for a term ending January 1, 1985, and remaining members shall be appointed for a term ending January 1, 1987; and

(3) the terms of members of the board of personnel appeals serving on the effective date of this act are terminated on the appointment of their successors.

Section 3. **Effective date.** This act is effective on passage and approval.

Approved April 20, 1983.

CHAPTER NO. 605

AN ACT TO CLARIFY THAT RAILROAD RETIREMENT ACT BENEFIT PAYMENTS RECEIVED DURING CLAIM PERIODS BEGINNING IN 1981 OR 1982 AS A RESULT OF FULFILLMENT OF FEDERAL SOCIAL SECURITY REQUIREMENTS ARE NOT TO BE INCLUDED AS INCOME FOR THE PURPOSE OF COMPUTING ELIGIBILITY FOR THE RESIDENTIAL PROPERTY TAX CREDIT FOR ELDERLY; AMENDING SECTION 15-30-171, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-30-171, MCA, is amended to read:

"15-30-171. Residential property tax credit for elderly — definitions. As used in 15-30-171 through 15-30-179, the following definitions apply:

(1) "Income" means federal adjusted gross income, without regard to loss, as that quantity is defined in the Internal Revenue Code of the United States, plus all nontaxable income except all payments received *as a result of fulfillment of* federal social security *eligibility requirements or payments comparable thereto*, including but not limited to:

(a) the gross amount of any pension or annuity (including Railroad Retirement Act benefits and veterans' disability benefits, *except payments received as a result of fulfillment of federal social security eligibility requirements*);

(b) the amount of capital gains excluded from adjusted gross income;

(c) alimony;

(d) support money;

(e) nontaxable strike benefits;

(f) cash public assistance and relief; and

(g) payments and interest on federal, state, county, and municipal bonds.

(2) "Claim period" means the tax year for individuals required to file Montana individual income tax returns and the calendar year for individuals not required to file returns.

(3) "Claimant" means an individual natural person who is eligible to file a claim under 15-30-172.

(4) "Household" means an association of persons who live in the same dwelling, sharing its furnishings, facilities, accommodations, and expenses. The term does not include bona fide lessees, tenants, or roomers and boarders on contract.

(5) "Household income" means all income received by all individuals of a household while they are members of the household.

(6) "Homestead" means a single-family dwelling or unit of a multiple-unit dwelling that is subject to ad valorem taxes in Montana, owned and occupied as a residence by the owner for at least 6 months of the claim period or occupied as a dwelling of a renter or lessee for at least 6 months of the claim period, and as much of the surrounding land, but not in excess of 1 acre, as is reasonably necessary for its use as a dwelling.

(7) "Department" means the department of revenue.

(8) "Gross rent" means the total rent in cash or its equivalent actually paid during the claim period by the renter or lessee for the right of occupancy of the homestead pursuant to an arm's length transaction with the landlord.

(9) "Property tax paid" means general ad valorem taxes levied against the homestead, exclusive of special assessments, penalties, or interest and paid during the claim period.

(10) "Rent-equivalent tax paid" means 15% of the gross rent."

Section 2. **Effective date — applicability.** This act is effective on passage and approval and is applicable only to claim periods beginning after December 31, 1980, and before January 1, 1983. It is to be applied retroactively within the meaning of 1-2-109 for such periods.

Approved April 21, 1983.

CHAPTER NO. 606

AN ACT TO CHANGE THE DATE FOR FILING A REPORT FOR GAS OR OIL PIPELINES AND GAS OR OIL NET PROCEEDS FOR TAX PURPOSES FROM MARCH 31 TO APRIL 15; AMENDING SECTIONS 15-23-103, 15-23-104, AND 15-23-602; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-23-103, MCA, is amended to read:

"15-23-103. Due date of reports and returns — extensions. *(1) Except as provided in subsection (2) and 15-23-602, each* report or

return described in 15-23-301, 15-23-402, 15-23-502, or 15-23-701 shall be delivered to the department on or before March 31 each year.

(2) Each report or return for a natural gas or oil pipeline described in 15-23-301 must be delivered to the department on or before April 15 each year.

(3) Each report described in 15-23-201 shall be delivered to the department before April 15 each year.

(4) The department may for good cause extend the time for filing a return or report for not more than 30 days."

Section 2. Section 15-23-104, MCA, is amended to read:

"15-23-104. Failure to file — estimate by department — penalty. If any person fails to file a report or return *within the time established in* 15-23-103 or by such later date as the department may approve, the department shall estimate the value of the property to have been reported on the basis of the best available information. In estimating the value of the net proceeds of mines, the department shall proceed under 15-23-506, and in estimating the value of the gross proceeds of coal mines, the department shall proceed under 15-35-107. In estimating value under this section, the department may subpoena a person or his agent as specified in 15-1-302. An assessment based on estimated value is subject to review under 15-8-601. Each month or part of a month a report is delinquent, the department shall impose and collect a $25 penalty, the total not to exceed $200, and shall deposit such penalty to the credit of the general fund. The department will also inform its agents in the counties of the delinquency, and the agents shall assess a penalty of 1% of the tax due for each month or part of a month the report is delinquent."

Section 3. Section 15-23-602, MCA, is amended to read:

"15-23-602. Statement of sales proceeds. Each operator or producer of natural gas, petroleum, or other crude or mineral oil must on or before *April 15* in each year make out and deliver to the department of revenue a statement of the gross sales proceeds of such natural gas, petroleum, or other crude or mineral oil from each well owned or worked by such person during the next preceding calendar year. The gross sales proceeds shall be determined by multiplying the units of production sold from the well times the royalty unit value of that production at the well. Such statement shall be in the form prescribed by the department and must be verified by the oath of the operator or producer or the manager, superintendent, agent, president, or vice-president of such corporation, association, or partnership. Such statement shall show the following:

(1) the name and address of the operator, together with a list in duplicate of the names and addresses of any and all persons owning or claiming any royalty interest in the production from the well or the proceeds derived from the sale thereof, and the amount or amounts paid or yielded as royalty to each of such persons during the period covered by the statement;

(2) the description and location of the well;

HeinOnline -- 1983 vol. II 1441 1983

(3) the number of cubic feet of natural gas, barrels of petroleum or other crude or mineral oil sold from the well during the period covered by the statement;

(4) the gross sales proceeds in dollars and cents or, in the case of sales between parties not acting at arm's length, the greater of the gross sales proceeds from or the fair market value of the products sold;

(5) actual cost of extracting product from well;

(6) cost of construction, repairs, and betterments;

(7) actual cost of fire insurance and workers' compensation insurance;

(8) the amount paid or withheld in satisfaction of liability for excise taxes imposed by the U.S. government on the production, sale, or removal of the natural gas, petroleum, or other crude or mineral oil reported pursuant to subsection (3), including a separate statement of the amount of such taxes paid or withheld from each royalty owner."

Section 4. **Effective date — applicability date.** This act is effective on passage and approval and is applicable to reports or returns filed after December 31, 1982.

Approved April 21, 1983.

CHAPTER NO. 607

AN ACT REQUIRING THAT THE LAST CAR OF ANY FREIGHT TRAIN OPERATING WITHIN THE STATE BE AN OCCUPIED CABOOSE; AMENDING SECTION 69-14-232, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 69-14-232, MCA, is amended to read:

"69-14-232. Caboose required to be rear train car — size and equipment of caboose. *(1) Every railroad must place, as the last car on any freight train required by federal railroad administration rules to have its air system and cars inspected by qualified inspecting employees at any designated inspection point and between said inspection points and operating within the state, a caboose occupied by at least one employee of the railroad. A caboose is required on all through-freight, local, and work trains. Provided however, a caboose is not required on a train operating within railroad yard or switch limits as presently established, or on a through-freight if not more than 2,000 feet in overall length operating within an automatic block signal system or within centralized traffic control limits.*

(2) Cabooses shall be at least 24 feet in length, exclusive of platforms, and shall be provided with a door in each end and with cupolas or bay windows, platforms, guardrails, grabirons, and steps for the safety of persons in alighting or getting on cabooses. Cabooses shall be of metal frame

HeinOnline -- 1983 vol. II 1442 1983

construction and be sufficiently insulated to eliminate track and other related noise above 85 decibels in any octave in the speech range. Other requirements for cabooses are as follows:

(a) The trucks shall provide riding qualities at least equal to those of freight type trucks modified with elliptical or additional coil springs or other means of equal or greater efficiency and shall have at least two four-wheel trucks with standard steel wheels or their equivalent. Draft gears shall have a minimum travel of 2 ½ inches and a minimum capacity of 18,000 foot-pounds and shall comply with Association of American Railroads Standard M-901 or its equivalent.

(b) Electric lighting of at least 40 foot-candles shall be provided for direct illumination of the caboose desk, reading areas, and lavatory facilities.

(c) A spotlight shall be provided on the rear of the caboose with sufficient candlepower to illuminate the track for a distance of at least 300 feet to the rear of the caboose during the hours of darkness.

(d) The caboose marker or markers shall be either reflectorized or capable of illumination when required.

(e) Only glass of the safety-glass type shall be used in partitions, doors, windows, or wind deflectors.

(f) All seats and seat backs shall conform to the safety standards designated by the United States department of transportation in its "Federal Motor Vehicle Safety Standards", Motor Vehicle Safety Standard No. 201. All edges and protrusions on seats and seat backs shall be rounded to prevent injury to employees.

(3) Any person, corporation, or company, operating any railroad or railway in this state, violating any of the provisions of this section and 69-14-233 is guilty of a misdemeanor and upon conviction thereof shall be fined not less than $500 or more than $1,000 for each offense."

Approved April 21, 1983.

CHAPTER NO. 608

AN ACT TO INCREASE THE CIGARETTE SALES TAX IN ORDER TO FINANCE LONG-RANGE BUILDING BONDS; AMENDING SECTIONS 16-11-111, 16-11-119, AND 17-5-408, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 16-11-111, MCA, is amended to read:

"16-11-111. Cigarette sales tax. From and after July 1, 1981, there is hereby levied, imposed, and assessed and there shall be collected and paid to the state of Montana upon cigarettes sold or possessed in this state the following excise tax which shall be paid prior to the time of sale and delivery thereof: *16* cents on each package containing not more than 20 cigarettes and, when packages contain more than 20 cigarettes, then *16* cents on each 20 or fraction of 20 cigarettes contained in such package."

HeinOnline -- 1983 vol. II 1443 1983

Section 2. Section 16-11-119, MCA, is amended to read:

"16-11-119. Disposition of taxes — retirement of bonds. All moneys collected under the provisions of 16-11-111, less the expense of collecting all the taxes levied, imposed, and assessed by said section, shall be paid to the state treasurer and deposited as follows: *79.75%* in the long-range building program account in the sinking fund, and *20.25%* in the long-range building program account in the bond proceeds and insurance clearance fund."

Section 3. Section 17-5-408, MCA, is amended to read:

"17-5-408. Percentage of income, corporation license, and cigarette tax pledged. (1) The state pledges and appropriates and directs to be credited as received to the sinking fund account 11% of all money, except as provided in 15-31-702, received from the collection of the income tax and the corporation license tax referred to in 15-1-501 and such additional amount of said taxes, if any, as may at any time be needed to comply with the principal and interest and reserve requirements stated in 17-5-405(4), provided that no more than 11% of such tax collections shall be deemed to be pledged for the purpose of 17-5-403(2). The pledge and appropriation herein made shall be and remain at all times a first and prior charge upon all money received from the collection of said taxes.

(2) The state pledges and appropriates and directs to be credited to the sinking fund account *79.75%* of all money received from the collection of the *16-cent* excise tax on cigarettes which is levied, imposed, and assessed by 16-11-111. The state also pledges and appropriates and directs to be credited as received to the sinking fund account all money received from the collection of the taxes on other tobacco products which are or may hereafter be levied, imposed, and assessed by law for that purpose, including the tax levied, imposed, and assessed by 16-11-202. Nothing herein shall impair or otherwise affect the provisions and covenants contained in the resolutions authorizing the presently outstanding long-range building program bonds. Subject to the provisions of the preceding sentence, the pledge and appropriation herein made shall be and remain at all times a first and prior charge upon all money received from the collection of all taxes referred to in this subsection (2)."

Section 4. **Effective date.** This act is effective July 1, 1983.

Approved April 21, 1983.

CHAPTER NO. 609

AN ACT AUTHORIZING ESTABLISHMENT OF COUNTY WEATHER MODIFICATION AUTHORITIES WITH TERMINATION AFTER 5 YEARS; PROVIDING FOR A LEVY OF UP TO 2 MILLS EACH YEAR; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** As used in [this act], the following definitions apply:

(1) "Authority" means a county weather modification authority established pursuant to [section 2, 6, 8, or 10].

HeinOnline -- 1983 vol. II 1444 1983

(2) "Commissioner" means a county weather modification authority commissioner appointed pursuant to [section 2, 6, 8, or 10].

Section 2. **Weather modification authority created by petition — expiration — reinstatement.** (1) Upon receipt of a valid petition signed by at least 51% of the qualified electors of a county, as determined by the vote cast for the office of governor at the last preceding general election, a board of county commissioners may by resolution create a weather modification authority. The board of county commissioners shall appoint five residents of the county as weather modification authority commissioners from those names set forth in the petition and designated by the petitioners to be appointed commissioners. If any of the five candidates named in the petition to be appointed commissioner is unable or refuses for any reason to accept appointment as commissioner or is disqualified by not meeting residence requirements as an elector in the county, the board of county commissioners shall name an appointee to fill the position. Each commissioner shall serve a 5-year term of office. If any commissioner submits his resignation in writing to the board of county commissioners or becomes unable or disqualified for any reason after accepting office, the board of county commissioners shall name an appointee to fill the vacancy. The board of county commissioners may remove any commissioner from office whenever it appears, by competent evidence and after hearing, that the commissioner has been guilty of misconduct, malfeasance, crime in office, or gross incompetency. A vacancy occurring otherwise than by expiration of term of office must be filled for the unexpired term.

(2) Any authority created pursuant to this section expires 5 years after the date of the initial appointment of the commissioners. Any unexpended funds remaining in the name of the authority after all proper bills and expenses have been paid must be transferred into the county general fund by the officers of the authority on or before the 5-year termination date provided by this section. However, all unexpended funds remaining in the name of the authority after all proper bills and expenses have been paid shall remain in the name of the authority if the board of county commissioners of such county by resolution creates a weather modification authority and all its powers in accordance with [section 6].

(3) Nothing in this section prevents renewal of an authority for another 5 years by petition of the qualified electors in the same manner as the initial authority was created.

(4) If more than one petition is filed with the board of county commissioners on or about the same time, the petition with the highest percentage of the qualified county electors voting for the office of governor at the last preceding general election must be selected by the board of county commissioners. However, the petition with the highest percentage must have the signatures of at least 40% of the qualified electors in the county, and the sum total of all qualified electors signing all petitions filed must equal at least 60% of the qualified electors in the county. If the name of the same elector appears on two or more petitions, the name must be stricken from both petitions.

HeinOnline -- 1983 vol. II 1445 1983

Section 3. **Petition content.** (1) The petition for the creation of a weather modification authority and for appointment of commissioners shall contain:

(a) a title with the heading "Petition for Creation of (insert name of county) Weather Modification Authority";

(b) the following paragraph: We, the undersigned qualified electors of (name of county), state of Montana, request that the (name of county) board of county commissioners create by resolution a (name of county) weather modification authority and appoint the following five qualified electors of the county to 5-year terms of office as commissioners for the (name of county) weather modification authority:

(Here insert the name and address of each proposed commissioner for the (name of county) weather modification authority.)

(c) the following paragraph: We, the undersigned qualified electors of the (name of county), state of Montana, are notified that the creation of the (name of county) weather modification authority and the appointment of its commissioners by the (name of county) board of county commissioners will grant the authority the power to certify to the board of county commissioners a mill levy tax not to exceed 2 mills upon the net taxable valuation of property in the county for a weather modification fund, which tax may be levied in excess of the mill levy limit fixed by law for taxes for general county purposes and that such fund must be used for weather modification activities as provided by [section 12]. We, the undersigned, understand that the authority requested in this petition expires 5 years after the creation of the weather modification authority, except that the board of county commissioners may by resolution create a weather modification authority and all its powers, including the power to certify a tax levy as provided in [section 5], for one or more 5-year periods in accordance with [section 6].

(d) A heading, "Committee for Petitioners", followed by this statement: The following electors of (name of county), state of Montana, are authorized to represent and act for us and shall constitute the "Committee for the Petitioners" in the matter of this petition and all acts subsequent thereto.

(2) All signatures to such petition must be numbered and dated by month, day, and year. The name must be written, with residence address and post-office address, including the county of residence.

(3) An affidavit must be attached to each petition and sworn to under oath before a notary public by the person circulating each petition, attesting to the fact that he circulated the petition and that each of the signatures to the petition is the genuine signature of the person whose name it purports to be and that each such person is a qualified elector in the county in which the petition was circulated.

Section 4. **Commissioners — compensation — meetings — officers — disbursements.** (1) A commissioner may receive no compensation for his services. Certificates of appointment must be filed with the county clerk and recorder.

HeinOnline -- 1983 vol. II 1446 1983

(2) The powers of each authority are vested in its commissioners. A majority of the commissioners constitutes a quorum for the purpose of conducting the business of the authority. A majority of the commissioners constitutes a quorum, but action may not be taken by the authority except by an affirmative vote of not less than a majority of all the commissioners. A chairman, vice-chairman, secretary, and treasurer must be elected from among the commissioners. An authority may delegate to one or more of its commissioners such powers or duties as it considers proper.

(3) The secretary shall keep minutes of official meetings and shall include all official business, such as operations requested, and all authorizations for payment of weather modification authority funds.

(4) Disbursements authorized by the authority must be made by check signed by the chairman and the treasurer of the authority. Official policies must be entered into the minutes. An annual report must disclose funds received and expended, and a copy of the report must be filed with the county clerk and recorder. The annual report must be presented at a public meeting called for such purpose.

Section 5. **Tax certified by weather modification authority — disposition of proceeds.** (1) The authority may certify annually to the board of county commissioners a tax of not to exceed 2 mills upon the taxable valuation of the property in the county for a weather modification fund. The tax must be levied by the board of county commissioners and may be levied in excess of the mill levy limit fixed by law for taxes for general county purposes. The weather modification fund may be used only for weather modification activities as provided by [section 12]. The tax certified by the authority is limited to the period of existence of the authority.

(2) The money in the weather modification fund must be invested to earn interest at the rate most advantageous to the fund, consistent with law and prudent business practice.

Section 6. **Creation of authority by resolution.** (1) When an authority is about to expire, the board of county commissioners may by resolution authorize the creation of such weather modification authority and all its powers, including the power to certify a tax levy as provided by [section 5], for an additional 5-year period if the resolution authorizing the creation of such authority is adopted by the board of county commissioners before the date prescribed in the preceding resolution for its termination. Upon passing such resolution for the creation of the authority, the board of county commissioners shall appoint five commissioners to 5-year terms of office, subsequently filling vacancies in the manner prescribed by [section 2].

(2) The board may create the authority for subsequent 5-year periods by following the procedure provided in this section.

Section 7. **Procedure for abolishment of authority by recall petition — petition form — disposition of funds.** (1) After 51% of the qualified electors of a county, as determined by the vote cast for the office of governor at the last preceding gubernatorial election, petition the

HeinOnline -- 1983 vol. II 1447 1983

board of county commissioners of their county to recall the commissioners of an authority created pursuant to [section 2] and to abolish the authority, the board of county commissioners shall adopt a resolution recalling all commissioners of such authority and abolishing their offices and the authority until a weather modification authority is created by petition in accordance with [section 2].

(2) A recall petition must have a title with the heading, "Recall Petition for the Abolishment of (insert name of county) Weather Modification Authority". The recall petition must incorporate a paragraph stating its purpose in clear language and must comply with all requirements prescribed in subsections (1)(d), (2), and (3) of [section 3] relating to petition content, committee for petitioners, petition details, affidavits, and persons circulating such petitions.

(3) If the board of county commissioners adopts a resolution recalling all commissioners of a weather modification authority and abolishing the authority, all unexpended funds remaining in the name of the authority, after all proper bills and expenses have been paid, must be transferred to the county general fund by the weather modification authority commissioners on the effective date of the resolution. If outstanding valid bills are unpaid after that date, the board of county commissioners may pay such obligations from money in the county general fund.

Section 8. **Creation of authority by election.** When a petition signed by not less than 20% of the qualified electors of the county, as determined by the vote cast for the office of governor at the last preceding gubernatorial election, requesting an election upon the establishment of a weather modification authority is presented to the board of county commissioners not later than 90 days prior to the next general election, the board of county commissioners shall submit the question to the electors of the county at the next general election. Upon approval by a majority of the votes cast, the board of county commissioners shall by resolution establish an authority as described in [section 2] with all powers set out in [this act], including the power to certify a tax levy as provided by [section 5].

Section 9. **Abolishment of authority by election.** When a petition signed by not less than 20% of the qualified electors of the county, as determined by the vote cast for governor in the last preceding gubernatorial election, requesting an election upon the abolishment of an authority created pursuant to [section 6 or 8] is presented to the board of county commissioners not later than 90 days prior to the next general election, the board of county commissioners shall submit the question to the electors of the county at the next general election. Upon approval by a majority of the votes cast, the board of county commissioners shall abolish the authority as of December 31 following the election. All unexpended funds remaining in the name of the authority after all proper bills and expenses have been paid must be deposited in the general fund of the county.

Section 10. **Creation of authority by vote after resolution of county commissioners.** The board of county commissioners of any county may, by resolution after a public hearing, submit the question of the creation of a weather modification authority to the electors of the

HeinOnline -- 1983 vol. II 1448 1983

county at the next countywide election. Upon approval by a majority of the votes cast, the board of county commissioners shall pass a resolution creating an authority as described in [section 2]. Such an authority has all powers provided by this chapter, including the authority to levy a tax as provided by [section 5].

Section 11. **County budget waived for first appropriation — conditions.** The provisions of 7-6-2342 apply if an emergency condition requiring prompt expenditure occurs immediately after an authority has been created by resolution of the board of county commissioners and after certification of a mill levy by the authority. In that case and only for the initial or first appropriation for the authority, the county commissioners may appropriate from money not otherwise appropriated in the general fund, money necessary to carry out the provisions of [this act]. However, the appropriation may not exceed an amount equal to the amount that would be raised by a 2-mill levy upon the taxable valuation of the property in the county.

Section 12. **Declaration of emergency — hearing — determination of need for weather modification operation.** (1) After receiving a petition requesting an operation to increase precipitation, initiate precipitation, or suppress hail and bearing the signatures of at least 50 registered electors of the county, the commissioners of an authority shall, within 15 days after receiving the petition, publish notice of a public hearing on the request at least once in a newspaper of general circulation published within the county and conduct the hearing.

(2) If after the hearing a majority of the commissioners finds that a weather emergency exists requiring such an operation, the authority may proceed with the activities needed to initiate and conduct the requested operation.

Section 13. **Codification instruction.** Sections 1 through 12 are intended to be codified as an integral part of Title 85, chapter 3, and the provisions of Title 85, chapter 3, apply to sections 1 through 12.

Section 14. **Effective date.** This act is effective on passage and approval.

Approved April 25, 1983.

CHAPTER NO. 610

AN ACT TO ALLOW AN ELECTRIC OR GAS UTILITY TO PURCHASE OR INVEST IN COST-EFFECTIVE ENERGY CONSERVATION; TO REQUIRE THE PUBLIC SERVICE COMMISSION TO INCLUDE CONSERVATION IN A UTILITY'S RATE BASE; TO ALLOW THE PUBLIC SERVICE COMMISSION TO ALLOW A HIGHER INCREMENTAL RATE OF RETURN ON CONSERVATION; AMENDING SECTION 15-32-107, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** As used in [sections 1 through 6], the following definitions apply:

(1) "Avoided costs" means the incremental costs, as determined by the commission, to an electric or natural gas utility of energy or capacity, or

HeinOnline -- 1983 vol. II 1449 1983

both, which, but for the purchase of conservation, the utility would generate or supply itself or purchase from another source.

(2) "Commission" means the Montana public service commission created in 2-15-2602.

(3) "Conservation" means any reduction in electric power or natural gas consumption as a result of investment in measures that increase the efficiency of electricity or gas use in building shells, space heating or cooling equipment, water heating equipment, or refrigeration equipment or other cost-effective measures which, over its economic life meet the criteria of [section 3].

(4) "Residential building" means a building used for residential occupancy that:

(a) was fully constructed and habitable as of [the effective date of this act];

(b) has a system for heating, cooling, or both, that uses a fuel supplied by the utility; and

(c) contains at least one but not more than four separately or centrally heated dwelling units or contains more than four separately heated or cooled or both heated and cooled units.

Section 2. **Utility investment in or purchase of conservation — approval by commission.** (1) A utility may:

(a) purchase conservation from a person or private firm; or

(b) directly engage in conservation investments.

(2) The conservation purchases or investments provided for in subsection (1) are subject to approval by the commission.

(3) Cost-effective conservation measures approved by the commission may, at the customer's discretion, be installed by either:

(a) a person or a private firm;

(b) the customer himself; or

(c) the utility.

Section 3. **Eligible conservation.** Conservation purchases or investments are eligible under [sections 1 through 6] if they are made to replace, upgrade, or enhance building shells, space heating or cooling equipment, or refrigeration equipment which was installed and in operation in the existing residential building as of [the effective date of this act] and are determined by the commission to cost no more than 50% of the utility's avoided costs.

Section 4. **Commission to include conservation in rate base — rate of return.** (1) In order to encourage the purchase of or investment in conservation by a utility, the commission shall include conservation purchases or investments eligible under [section 3] and in compliance with criteria adopted under [section 5] in a utility's rate base.

HeinOnline -- 1983 vol. II 1450 1983

(2) In establishing such rate of return the commission may allow an increment of up to 2% added to the rate of return on common equity permitted on the utility's other investments.

(3) The commission shall allow the rate of return increment provided for in subsection (2) for a period not to exceed 30 years after the conservation is first placed in the rate base.

(4) The commission shall prescribe amortization periods for conservation that is included in a utility's rate base.

Section 5. **Criteria for allowable conservation — onsite audits.** (1) The commission shall approve cost-effectiveness criteria for conservation that will be placed into a utility's rate base under [sections 1 through 6].

(2) The commission may conduct onsite energy audits to insure compliance with the criteria established under subsection (1).

Section 6. **Prohibition against utility claiming conservation tax credit.** A utility whose conservation is placed in the rate base under [sections 1 through 6] may not claim the tax credit allowed in 15-32-107.

Section 7. Section 15-32-107, MCA, is amended to read:

"15-32-107. Loans by utilities and financial institutions — tax credit for interest differential. (1) A public utility providing electricity or natural gas may install or pay for the installation of energy conservation materials or recognized nonfossil forms of energy generation systems in a dwelling. The utility may agree with the occupant of the dwelling that the occupant shall reimburse the utility for its expenditure in periodic installment payments added to the occupant's regular bill for electricity or natural gas. The utility may charge interest not exceeding the equivalent of 7% per year on the declining balance of the sum advanced for the installation of energy conservation materials and recognized nonfossil forms of energy generation systems.

(2) A financial institution, as defined in 32-6-103, may offer and make loans at an interest rate not less than 2 percentage points below the discount rate on 90-day commercial paper in effect at the federal reserve bank in the ninth federal reserve district.

(3) *Except as provided in subsection (6), a* public utility or a financial institution lending money under this section may compute the difference between interest it actually receives on such transactions and the interest which would have been received at the prevailing average interest rate for home improvement loans, as prescribed in rules made by the public service commission. The utility may apply the difference so computed as a credit against its tax liability for the electrical energy producer's license tax under 15-51-101 or for the corporation license tax under chapter 31, part 1. The public service commission shall regulate rates in such a manner that a utility making loans under this section may not make a profit as the result of this section. The financial institution may apply the difference so computed as a credit against its tax liability for the corporation license tax under chapter 31, part 1.

HeinOnline -- 1983 vol. II 1451 1983

(4) A utility may not claim a tax credit under this section exceeding $500,000 in any tax year. A financial institution may not claim a tax credit under this section exceeding $2,000 in any tax year.

(5) The public service commission may make rules to implement this section as it shall apply to public utilities only.

(6) A public utility whose purchases of or investments in conservation are placed in the rate base as provided in [sections 1 through 6] may not receive a tax credit under subsection (3)."

Section 8. **Codification instruction.** Sections 1 through 6 are intended to be codified as an integral part of Title 69, chapter 3.

Approved April 25, 1983.

CHAPTER NO. 611

AN ACT PROVIDING A CIVIL REMEDY FOR THE ISSUANCE OF A CHECK DISHONORED FOR LACK OF FUNDS OR BECAUSE THE ISSUER HAS NO ACCOUNT WITH THE DRAWEE; SETTING FORTH DAMAGES THAT MAY BE RECOVERED; COORDINATING THE REMEDY OF DAMAGES WITH OTHER REMEDIES; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Issuing a bad check — civil liability.** (1) A person who issues a check, draft, or an order for the payment of money which is dishonored for lack of funds or credit or because he has no account with the drawee is liable to the person to whom the check, draft, or order is issued for damages in a civil action as provided in subsection (2).

(2) The amount of damages awarded pursuant to subsection (1) shall be an amount equal to the greater of $100 or three times the amount for which the check, draft, or order was issued. However, damages may not exceed the value of the check, draft, or order by more than $500.

(3) The remedy provided by this section is available only if:

(a) the person to whom the check, draft, or order was issued has made written demand, mailed to the last known address or the address shown on the check, to the drawer for payment of the amount of such check, draft, or order not less than 10 days before commencing the action; and

(b) the issuer has failed to tender an amount of money equal to the amount demanded prior to the commencement of the action.

Section 2. **Coordination with other remedies.** The remedy provided by [section 1]:

(1) may be pursued notwithstanding the provisions of 27-1-312;

(2) may be pursued whether or not a criminal penalty is sought under 45-6-316 or any other statute providing a criminal penalty; and

HeinOnline -- 1983 vol. II 1452 1983

(3) does not affect the engagement of the drawer provided for in 30-3-413 to pay the amount of the draft. However, in case of any inconsistency between the provisions of Title 30, chapter 3, the provisions of [section 1] apply.

Section 3. **Effective date.** This act is effective on passage and approval.

Approved April 25, 1983.

CHAPTER NO. 612

AN ACT TO GRANT TO JUSTICES' COURTS JURISDICTION OVER FIRST OFFENSES OF CRIMINAL POSSESSION OF MARIJUANA AND TO ALTER THE PENALTY; AMENDING SECTIONS 3-10-303 AND 45-9-102, MCA; REPEALING SECTION 45-9-201, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 3-10-303, MCA, is amended to read:

"3-10-303. Criminal jurisdiction. The justices' courts have jurisdiction of public offenses committed within the respective counties in which such courts are established as follows:

(1) jurisdiction of all misdemeanors punishable by a fine not exceeding $500 or imprisonment not exceeding 6 months or both such fine and imprisonment;

(2) jurisdiction of all violations of fish and game statutes punishable by a fine of not more than $1,000 or imprisonment for not more than 6 months, or both;

(3) concurrent jurisdiction with district courts of all misdemeanors punishable by a fine only not exceeding $1,500; and

(4) jurisdiction to act as examining and committing courts and for such purpose to conduct preliminary hearings."

Section 2. Section 45-9-102, MCA, is amended to read:

"45-9-102. Criminal possession of dangerous drugs. (1) A person commits the offense of criminal possession of dangerous drugs if he possesses any dangerous drug, as defined in 50-32-101.

(2) Any person convicted of criminal possession of marijuana or its derivatives in an amount the aggregate weight of which does not exceed 60 grams of marijuana or 1 gram of hashish is, for the first offense, guilty of a misdemeanor and *shall be punished by a fine of not less than $100 or more than $500 and by imprisonment in the county jail for not more than 6 months. The minimum fine must be imposed as a condition of a suspended or deferred sentence.* A person convicted of a second or subsequent offense under this subsection is punishable by a fine not to exceed $1,000 or imprisonment in the county jail for a term not to exceed 1 year

or in the state prison for a term not to exceed 3 years or both such fine and imprisonment.

(3) A person convicted of criminal possession of an opiate, as defined in 50-32-101(18), shall be imprisoned in the state prison for a term of not less than 2 years or more than 5 years and may be fined not more than $50,000, except as provided in 46-18-222.

(4) A person convicted of criminal possession of dangerous drugs not otherwise provided for in subsection (2) or (3) shall be imprisoned in the state prison for a term not to exceed 5 years or be fined an amount not to exceed $50,000, or both.

(5) A person of the age of 21 years or under convicted of a first violation under this section shall be presumed to be entitled to a deferred imposition of sentence *of imprisonment.*

(6) Ultimate users and practitioners and agents under their supervision acting in the course of a professional practice, as defined by 50-32-101, are exempt from this section."

Section 3. **Repealer.** Section 45-9-201, MCA, is repealed.

Approved April 25, 1983.

CHAPTER NO. 613

AN ACT TO PROVIDE THAT THE DIVISION OF PROPERTY IN A PROCEEDING TO TERMINATE A MARRIAGE IS CONSIDERED TO BE A DIVISION OF COMMON OWNERSHIP INTERESTS OF THE PARTIES; AMENDING SECTION 40-4-202, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 40-4-202, MCA, is amended to read:

"**40-4-202. Division of property.** (1) In a proceeding for dissolution of a marriage, legal separation, or *division* of property following a decree of dissolution of marriage or legal separation by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to *divide* the property, the court, without regard to marital misconduct, shall, and in a proceeding for legal separation may, finally equitably apportion between the parties the property and assets belonging to either or both, however and whenever acquired and whether the title thereto is in the name of the husband or wife or both. In making apportionment, the court shall consider the duration of the marriage and prior marriage of either party; antenuptial agreement of the parties; the age, health, station, occupation, amount and sources of income, vocational skills, employability,

HeinOnline -- 1983 vol. II 1454 1983

estate, liabilities, and needs of each of the parties; custodial provisions; whether the apportionment is in lieu of or in addition to maintenance; and the opportunity of each for future acquisition of capital assets and income. The court shall also consider the contribution or dissipation of value of the respective estates and the contribution of a spouse as a homemaker or to the family unit. In *dividing* property acquired prior to the marriage; property acquired by gift, bequest, devise, or descent; property acquired in exchange for property acquired before the marriage or in exchange for property acquired by gift, bequest, devise, or descent; the increased value of property acquired prior to marriage; and property acquired by a spouse after a decree of legal separation, the court shall consider those contributions of the other spouse to the marriage, including:

(a) the nonmonetary contribution of a homemaker;

(b) the extent to which such contributions have facilitated the maintenance of this property; and

(c) whether or not the property *division* serves as an alternative to maintenance arrangements.

(2) In a proceeding, the court may protect and promote the best interests of the children by setting aside a portion of the jointly and separately held estates of the parties in a separate fund or trust for the support, maintenance, education, and general welfare of any minor, dependent, or incompetent children of the parties.

(3) Each spouse is considered to have a common ownership in marital property that vests immediately preceding the entry of the decree of dissolution or declaration of invalidity. The extent of the vested interest must be determined and made final by the court pursuant to this section.

(4) The division and apportionment of marital property caused by or incident to a decree of dissolution, a decree of legal separation, or a declaration of invalidity is not a sale, exchange, transfer, or disposition of or dealing in property but is a division of the common ownership of the parties for purposes of:

(a) the property laws of this state;

(b) the income tax laws of this state; and

(c) the federal income tax laws."

Section 2. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Approved April 25, 1983.

HeinOnline -- 1983 vol. II 1455 1983

CHAPTER NO. 614

AN ACT BROADENING PRIVILEGES OF SPECIAL PARKING PERMITHOLDERS AND ALLOWING EXEMPTIONS FROM TIME LIMITS; ALLOWING PERMITS FOR TEMPORARILY HANDICAPPED PERSONS; REQUIRING SPECIAL LICENSE PLATES OR CARDS TO BEAR THE WHEELCHAIR EMBLEM; PROVIDING FOR EXPIRATION OF PERMIT ON RECOVERY OR DEATH OF PERMITTEE; AUTHORIZING SPECIAL LICENSE PLATES FOR 100-PERCENT DISABLED VETERANS; PROVIDING A PENALTY; AMENDING SECTIONS 10-2-301, 49-4-301, 49-4-302, 49-4-304, AND 49-4-305, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 49-4-301, MCA, is amended to read:

"49-4-301. Who eligible for special parking permit. (1) The division of motor vehicles, department of justice, shall issue a special parking permit to a person who:

(a) holds a valid Montana driver's license and owns a motor vehicle, other than a commercial vehicle, and has a permanent physical handicap that impairs his mobility when not in a motor vehicle;

(b) regardless of whether he holds a driver's license or owns a motor vehicle, has a permanent physical handicap that impairs his driving ability and impairs his mobility when not in a motor vehicle to such an extent that he needs to be driven by another person to a destination; *or*

(c) has a temporary physical handicap that impairs his driving ability or his mobility when not in a motor vehicle to such an extent that he needs to be driven by another person to a destination.

(2) No one applicant may receive more than one permit."

Section 2. Section 49-4-302, MCA, is amended to read:

"49-4-302. Privileges of permitholder — exemptions from time limits. *(1)* The parking permit issued under this part, when displayed, entitles a person to park a motor vehicle in special parking spaces reserved for handicapped persons *whether on public property or, upon the request of the private property owner, on private property available for public use.*

(2) No vehicle other than one lawfully displaying a parking permit issued under this part and conveying a handicapped person may be parked in a parking space on public or private property that is clearly identified by an official sign as being reserved for use by handicapped persons.

(3) The governing body of a city, town, or county may exempt vehicles lawfully displaying parking permits issued under this part and parked in public places along public streets from any time limitation imposed upon parking in such area except in areas where:

HeinOnline -- 1983 vol. II 1456 1983

(a) stopping, standing, or parking of all vehicles is prohibited;

(b) only special vehicles may be parked; or

(c) parking is not allowed during specific periods of the day in order to accommodate heavy traffic."

Section 3. Section 49-4-304, MCA, is amended to read:

"49-4-304. Special license plate or card to be provided and displayed. *(1)* The division of motor vehicles shall provide a *special license plate or* card *to* be displayed *on or* in a motor vehicle to indicate a parking privilege granted under this part. The *special license plate shall be affixed to the vehicle according to 61-3-301, or the* card shall be prominently displayed in the windshield of a vehicle when the parking privilege is being used *by the handicapped person in a vehicle other than the one to which his special license plate is affixed.*

(2) Upon application under 49-4-303, a handicapped person who does not hold a driver's license or does not own a vehicle may receive a card described in subsection (1) to be displayed in a vehicle in which the handicapped person is being conveyed when the parking privilege is being used.

(3) The special license plate or card must each bear a representation of a wheelchair as the symbol of a handicapped person."

Section 4. Section 49-4-305, MCA, is amended to read:

"49-4-305. Expiration of permit. A permit expires on*:*

(1) the death of the permittee; or

(2) certification by a physician that the permittee's physical handicap impairing his mobility no longer exists."

Section 5. Section 10-2-301, MCA, is amended to read:

"10-2-301. License plates to disabled veterans — special inscriptions. *(1)* Any person who is a veteran of the armed service of the United States and 100% disabled because of an injury which has been determined by the veterans administration to be service connected and who is a citizen and resident of the state of Montana and who is the owner of a passenger automobile or of a truck up to and including three-quarter ton GVW-rated capacity shall be provided with *specially inscribed* license plates upon payment of a fee of $5 for such automobile or truck and upon proof of 100% service-connected disability.

(2) The motor vehicle division shall assign to each veteran qualified under subsection (1) who applies according to the rules of the division a registration designation bearing the letters and character "DV-" followed by a number matching the sequence in which the designations are assigned, and the division shall issue to the disabled veteran two special license plates bearing the inscription assigned to him.

(3) The special license plates may be reregistered or renewed upon payment of the fees required in subsection (1) and compliance with the rules of the division."

HeinOnline -- 1983 vol. II 1457 1983

Section 6. **Penalty.** A person who parks a motor vehicle in violation of 49-4-302(2) is guilty of a misdemeanor and is punishable by a fine of not less than $10 or more than $100.

Section 7. **Codification instruction.** Section 6 is intended to be codified as an integral part of Title 49, chapter 4, part 3, and the provisions of Title 49, chapter 4, part 3, apply to section 6.

Section 8. **Effective date.** This act is effective January 1, 1984.

Approved April 25, 1983.

CHAPTER NO. 615

AN ACT PERMITTING A COUNTY GOVERNING BODY TO ORGANIZE COUNTY VOLUNTEER FIRE COMPANIES AND ENTER INTO MUTUAL AID AGREEMENTS FOR FIRE PROTECTION; AMENDING SECTION 7-33-2202, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 7-33-2202, MCA, is amended to read:

"7-33-2202. Functions of county governing body. The county governing body, with respect to rural fire control, shall carry out the specific authorities and duties hereinafter imposed:

(1) The governing body shall:

(a) provide for the organization of volunteer rural fire control crews; *and*

(b) provide for the formation of county volunteer fire companies.

(2) The governing body shall appoint a county rural fire chief and such district rural fire chiefs, subject to the direction and supervision of the county rural fire chief, as *it considers* necessary.

(3) The county governing body shall, within the limitations of 7-33-2205 through 7-33-2209, protect the range, farm, and forest lands within the county from fire.

(4) The county governing body may enter into mutual aid agreements for itself and for county volunteer fire companies with federal, state, *local,* and other fire protection agencies, including governing bodies of adjoining counties."

Section 2. **Effective date.** This act is effective July 1, 1983.

Approved April 25, 1983.

HeinOnline -- 1983 vol. II 1458 1983

CHAPTER NO. 616

AN ACT GENERALLY REVISING THE LAW ON GRANDPARENT VISITATION RIGHTS; AMENDING SECTION 40-9-102, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 40-9-102, MCA, is amended to read:

"40-9-102. Grandparent visitation rights. (1) *Except as provided in subsection (5), the district court may grant to a grandparent of a child reasonable visitation rights.*

(2) Visitation rights granted under this section may be granted only upon a finding by the court, after a hearing, that the visitation would be in the best interest of the child.

(3) No person may petition the court under this section more often than once every 2 years unless there has been a significant change in the circumstances of the child; the child's parent, guardian, or custodian; or the child's grandparent.

(4) The court may appoint an attorney to represent the interests of a child with respect to visitation when such interests are not adequately represented by the parties to the proceeding.

(5) This section does not apply if the child has been adopted by a person other than a stepparent or a grandparent. Visitation rights granted under this section terminate upon the adoption of the child by a person other than a stepparent or a grandparent."

Approved April 25, 1983.

CHAPTER NO. 617

AN ACT TO GENERALLY REVISE THE PROCEDURES FOR CHANGING HIGH SCHOOL DISTRICT BOUNDARIES THROUGH ANNEXATION, CONSOLIDATION, OR TRANSFER OF TERRITORY OF SUCH DISTRICTS; AMENDING SECTIONS 20-6-304, 20-6-311, 20-6-402, AND 20-6-403, MCA; REPEALING SECTIONS 20-6-302, 20-6-305, 20-6-306, AND 20-6-310, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Time limitations for boundary changes.** No high school district may be created and no high school district boundary may be changed between the first day of March and the second Monday of August of any calendar year except when:

(1) the entire territory of a high school district is annexed or attached to another high school district;

HeinOnline -- 1983 vol. II 1459 1983

(2) the entire territory or portion of a joint high school district located in one county is annexed or attached to another high school district; or

(3) two or more districts are consolidated in their entirety.

Section 2. **District consolidation.** Any two or more high school districts in one county may consolidate to organize a high school district. The consolidation must be conducted under the following procedure:

(1) At the time the consolidation proposition is first considered, the districts involved shall jointly determine whether the consolidation is to be made with or without the mutual assumption of the bonded indebtedness of each district by all districts included in the consolidation proposition.

(2) A consolidation proposition may be introduced, individually, in each of the districts by either of the following methods:

(a) the trustees may pass a resolution requesting the county superintendent to order an election to consider a consolidation proposition involving their district; or

(b) not less than 20% of the electors of a high school district who are qualified to vote under the provisions of 20-20-301 may petition the county superintendent requesting an election to consider a consolidation proposition involving their district.

(3) When the county superintendent receives a resolution or a valid petition from each of the districts included in the consolidation proposition, he shall, within 10 days after the receipt of the last resolution or petition and as provided by 20-20-201, order the trustees of each high school district included in the consolidation proposition to call a consolidation election.

(4) (a) Each district, individually, shall call and conduct an election in the manner prescribed in this title for school elections.

(b) In addition:

(i) if the districts to be consolidated are to mutually assume the bonded indebtedness of each district involved in the consolidation, the consolidation election must also follow the procedures prescribed in [section 5]; or

(ii) if the districts to be consolidated are not to mutually assume the bonded indebtedness of each district involved in the consolidation, the consolidation election must also follow the procedures prescribed in 20-6-207.

(5) After the county superintendent receives the election certificate provided for in 20-20-416 from the trustees of each district included in a consolidation proposition, he shall determine if the consolidation proposition has been approved in each district. If each district has approved the consolidation proposition, he shall, within 10 days after the receipt of the election certificate, order the consolidation of such districts. If the order is for consolidation with the mutual assumption of bonded indebtedness of each high school district by all districts included in the consolidation

HeinOnline -- 1983 vol. II 1460 1983

order, the order shall specify that all taxable real and personal property of the consolidated district shall assume the bonded indebtedness of each district. In addition, the order shall specify the number of the consolidated high school district. The superintendent shall send a copy of the order to the board of county commissioners and to the trustees of each district incorporated in the consolidation order.

(6) If any district included in the consolidation proposition disapproves the consolidation proposition, the consolidation of all districts fails and the county superintendent shall notify each district of the disapproval of the consolidation proposition.

Section 3. **Conditions for high school district annexation.** (1) A high school district may be annexed to another high school district located in the same county when:

(a) a third-class district is annexed to a first-class district or a second-class district; or

(b) a second-class district is annexed to a first-class district.

(2) The annexation of high school districts must be conducted under the provisions of [section 4].

Section 4. **High school district annexation procedure.** A high school district may be annexed to another high school district located in the same county when one of the conditions of [section 3] is met in accordance with the following procedure:

(1) At the time the annexation proposition is first considered, the districts involved shall jointly determine whether the annexation is to be made with or without the joint assumption of the bonded indebtedness of the annexing district by the district to be annexed and the annexing district.

(2) An annexation proposition may be introduced in the district to be annexed by either of the following methods:

(a) the trustees may pass a resolution requesting the county superintendent to order an election to consider an annexation proposition for their district; or

(b) not less than 20% of the electors of the district who are qualified to vote under the provisions of 20-20-301 may petition the county superintendent requesting an election to consider an annexation proposition for their district.

(3) Before ordering an election on the proposition, the county superintendent must receive from the trustees of the annexing district a resolution giving him the authority to annex such district.

(4) When the county superintendent receives authorization from the annexing district, he shall, within 10 days after the receipt of the resolution or a valid petition from the district to be annexed and as provided by 20-20-201, order the trustees of the district to be annexed to call an annexation election.

HeinOnline -- 1983 vol. II 1461 1983

(5) (a) The district shall call and conduct an election in the manner prescribed in this title for school elections.

(b) In addition:

(i) if the district to be annexed is to jointly assume with the annexing district the bonded indebtedness of the annexing district, the annexation election must also follow the procedures prescribed in [section 5]; or

(ii) if the district to be annexed is not to jointly assume with the annexing district the bonded indebtedness of the annexing district, the annexation election must also follow the procedures prescribed in [section 6].

(6) After the county superintendent receives the election certificate provided for in 20-20-416 from the trustees of the district conducting the annexation election and if the annexation proposition has been approved by such election, he shall order the annexation of the territory of the high school district voting on such proposition to the high school district that has authorized the annexation to its territory. The order must be issued within 10 days after the receipt of the election certificate and, if it is for annexation with the assumption of bonded indebtedness, must specify that all the taxable real and personal property of the annexed territory shall jointly assume with the annexing district the existing bonded indebtedness of the annexing district. The county superintendent shall send a copy of the order to the board of county commissioners and to the trustees of the districts involved in the annexation order.

(7) If the annexation proposition is disapproved in the district to be annexed, it fails and the county superintendent shall notify each district of the disapproval of the annexation proposition.

Section 5. **Consolidation or annexation election with assumption of bonded indebtedness.** A consolidation election involving the mutual assumption of bonded indebtedness by the high school districts to be consolidated as prescribed in [section 2] or an annexation election involving the joint assumption of bonded indebtedness by the high school districts to be annexed as prescribed in [section 4] must comply with the following procedures in addition to those prescribed by this title for other school elections:

(1) In a consolidation election the ballots must read, after stating the consolidation proposition, "FOR consolidation with assumption of bonded indebtedness" and "AGAINST consolidation with assumption of bonded indebtedness".

(2) In an annexation election the ballots must read, after stating the annexation proposition, "FOR annexation with assumption of bonded indebtedness" and "AGAINST annexation with assumption of bonded indebtedness".

(3) Any elector qualified to vote under the provisions of 20-20-301 may vote.

(4) When the trustees in each high school district conducting an election canvass the vote under the provisions of 20-20-415, they shall decide according to the following procedure if the proposition has been approved:

HeinOnline -- 1983 vol. II 1462 1983

(a) determine if a sufficient number of the qualified electors of the district voted to validate the election and voted to approve the election proposition in the manner required for bond elections by 20-9-428; and

(b) if the proposition is approved under subsection (4)(a), determine the number of votes "FOR" and "AGAINST" the proposition.

(5) If the proposition is disapproved under the provisions of subsection (4)(a), the proposition is disapproved in the district.

Section 6. **Consolidation or annexation election without assumption of bonded indebtedness.** (1) A consolidation election without the assumption of bonded indebtedness by the high school districts to be consolidated as prescribed in [section 2] or an annexation election without the joint assumption of bonded indebtedness by the high school district to be annexed as prescribed in [section 4] must be conducted in the manner prescribed by this title for school elections. Any elector qualified to vote under the provisions of 20-20-301 may vote at the election.

(2) In a consolidation election the ballots must read, after stating the consolidation proposition, "FOR consolidation without assumption of bonded indebtedness" and "AGAINST consolidation without assumption of bonded indebtedness". The consolidation proposition is approved by a district if a majority of those voting in a district approve the proposition; otherwise, it is disapproved.

(3) In an annexation election the ballots must read, after stating the annexation proposition, "FOR annexation without assumption of bonded indebtedness" and "AGAINST annexation without assumption of bonded indebtedness". The annexation proposition is approved by a district if a majority of those voting approve the proposition; otherwise, it is disapproved.

Section 7. **Transfer of territory from one high school district to another.** (1) A majority of electors of any high school district who are qualified to vote under the provisions of 20-20-301 and who reside in territory that is a part of a high school district may petition the county superintendent to transfer such territory to another high school district if:

(a) the territory adjoins the district to which it is to be attached;

(b) the territory is not located within 3 miles, over the shortest practical route, of an operating school of the district from which it is to be detached;

(c) the transfer of such territory will not reduce the taxable value of the district to less than $300,000 unless the remaining territory of the district contains not less than 50,000 acres of nontaxable Indian land; and

(d) the board of trustees of the school district that would receive the territory has approved the transfer.

(2) The petition must be addressed to the county superintendent and shall:

HeinOnline -- 1983 vol. II 1463 1983

(a) describe the territory that is requested to be transferred and to what district it is to be transferred;

(b) state the reasons why such transfer is requested; and

(c) state the number of high-school-age children residing in such territory.

(3) On receipt of a valid petition for a territory transfer, the county superintendent shall:

(a) file the petition;

(b) set a hearing place, date, and time for consideration of the petition that is not more than 40 days after receipt of the petition; and

(c) give notice of the place, date, and time of the hearing. The notices must be posted in the districts affected by the request in the manner prescribed in this title for school elections, with at least one notice posted in the territory to be transferred.

(4) The county superintendent shall conduct the hearing as scheduled, and any resident or taxpayer of either affected district must be heard. If the county superintendent considers it advisable and in the best interests of the residents of the territory, he shall grant the petitioned request and order the change of district boundaries to coincide with the boundary description in the petition. Otherwise, he shall by order deny the request. Either of the orders shall be final 20 days after its date unless it is appealed to the superintendent of public instruction by a resident of either district affected by the territory transfer. The decision of the superintendent of public instruction, after consideration of the material presented at the county superintendent's hearing, is final 30 days after its date.

(5) If a petition to transfer territory from one high school district to another high school district would create a joint high school district or affect the boundary of any existing joint high school district, the petition must be presented to the county superintendent of the county where the territory is located. The county superintendent shall notify any other county superintendents of counties with districts affected by the petition, and the duties prescribed in this section for the county superintendent must be performed jointly by such county officials.

Section 8. **High school district consolidation of districts in two or more counties.** Any two or more high school districts located in two or more counties and whose territory is contiguous may consolidate to organize a joint high school district. Whenever a joint district consolidation is considered by two or more districts, the procedure for consolidation with the assumption of bonded indebtedness prescribed in [section 2] and [section 6] must be used, except that each district shall submit its resolution or petition and its election certificate to the county superintendent of its resident county and the several county superintendents shall jointly perform the duties prescribed for the county superintendent in [section 2].

Section 9. Section 20-6-304, MCA, is amended to read:

"20-6-304. High school boundary commission — procedure for division of county into high school districts. (1) Each county of

HeinOnline -- 1983 vol. II 1464 1983

the state of Montana shall have a high school boundary commission consisting of the board of county commissioners and the county superintendent. Whenever a county superintendent receives a resolution from the trustees of any high school district requesting *the commission* to divide the county into high school districts, he shall immediately notify the high school boundary commission. Such commission shall set a time, date, and place for a public hearing on the request. The hearing shall be set for a date within 60 days after the receipt of the request, and any interested person may appear and be heard on such request. The county superintendent shall send a written notice of the public hearing on a requested division to the trustees of each elementary district of the county which has territory that would be affected by the change. The county superintendent shall also give notice of such public hearing in accordance with the requirement for school election notices prescribed by school election provisions of this title. The certificate of the county superintendent filed with the high school boundary commission reciting that such notice requirements have been satisfied shall be conclusive.

(2) In considering a request to divide the county into high school districts, the high school boundary commission shall give primary consideration to the convenience of the high school pupils of the territory under consideration. Such commission also shall consider the grouping of elementary districts to be encompassed by a high school district or districts and shall group contiguous elementary districts within a high school district unless obstacles of travel, such as mountains, rivers, impractical routes of travel, or distance, make such grouping impractical. After the hearing, the high school boundary commission shall order the division of the county into high school districts whenever requested under the provisions of 20-6-303. *The* commission's discretion shall extend only to the establishing of boundaries for the newly created high school district or districts."

Section 10. Section 20-6-311, MCA, is amended to read:

"20-6-311. High school district boundary approval by superintendent. Whenever a high school boundary commission orders a division of the county *into high school districts* under *20-6-304*, its order shall not be final until it has been approved by the superintendent of public instruction. The superintendent of public instruction shall not approve any high school boundary commission order that:

(1) is dated less than 1 year since the last high school boundary commission order was approved for such county; *or*

(2) has not been confirmed by the high school boundary commission of each county affected by the boundary change when it involves a joint high school district."

Section 11. Section 20-6-402, MCA, is amended to read:

"20-6-402. Voluntary consolidation and annexation incentive plan. Sections 20-6-401 through 20-6-408 shall be known as the voluntary consolidation and annexation incentive plan. The purpose of this plan is to provide additional financial assistance to school districts that consolidate or annex under the provisions of 20-6-203, 20-6-205, or 20-6-208 for

HeinOnline -- 1983 vol. II 1465 1983

elementary school districts or *[section 2] or [section 4]* for high school districts."

Section 12. Section 20-6-403, MCA, is amended to read:

"20-6-403. Application for bonus payment. Whenever two or more elementary school districts consolidate or annex under the provisions of 20-6-203, 20-6-205, or 20-6-208 or two or more high school districts consolidate *or annex* under the provisions of *[section 2] or [section 4]*, the enlarged district may make application for the bonus payment as provided herein if such consolidation or annexation shall result in the dissolution of at least one elementary or high school district. Application for the bonus payments must be made during the school year of the order creating the enlarged school district."

Section 13. **Repealer.** Sections 20-6-302, 20-6-305, 20-6-306, and 20-6-310, MCA, are repealed.

Section 14. **Codification instruction.** Sections 1 through 8 are intended to be codified as an integral part of Title 20, chapter 6, part 3, and the provisions of Title 20 apply to sections 1 through 8.

Approved April 25, 1983.

CHAPTER NO. 618

AN ACT TO ALLOW CITIES AND TOWNS TO INCREASE THE PENALTY FOR DISCHARGING FIREARMS WITHIN THE LIMITS OF A CITY OR TOWN; AMENDING SECTION 45-8-343, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 45-8-343, MCA, is amended to read:

"45-8-343. Firing firearms. (1) Except as provided in subsections (2) and (3), every person who willfully shoots or fires off a gun, pistol, or any other firearm within the limits of any town or city or of any private enclosure which contains a dwelling house is punishable by a fine not exceeding $25 *or such greater fine or a term of imprisonment, or both, as the town or city may impose.*

(2) Firearms may be discharged at an indoor or outdoor rifle, pistol, or shotgun shooting range located within the limits of a town or city or in a private dwelling if the shooting range is approved by the local governing body.

(3) Subsection (1) does not apply if the discharge of a firearm is justifiable under Title 45, chapter 3, part 1."

Approved April 25, 1983.

HeinOnline -- 1983 vol. II 1466 1983

CHAPTER NO. 619

AN ACT PROVIDING FOR THE ALLOCATION OF METALLIFEROUS MINES LICENSE TAXES TO THE GENERAL FUND AND TO AN IMPACT TRUST ACCOUNT; RESTRICTING THE USES OF THE IMPACT TRUST ACCOUNT; PROVIDING FOR A SMALL MINER'S EXEMPTION FROM THE METALLIFEROUS MINES LICENSE TAX; AMENDING SECTIONS 15-1-501, 15-37-101, 15-37-103, AND 90-6-303 THROUGH 90-6-306, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Disposition of metalliferous mines license taxes.** Metalliferous mines license taxes collected under the provisions of this part are allocated as follows:

(1) to the credit of the general fund of the state, 67% of total collections each year;

(2) to the earmarked revenue fund to the credit of a hard-rock mining impact trust account, 33% of total collections each year.

Section 2. **Basis for awarding grants and loans from the hard-rock mining impact trust account — restrictions.** (1) Whenever the board determines that a mining operation has permanently ceased all mining-related activity or has experienced at least a 50% reduction in its full-time equivalent mining work force over the immediately preceding 5-year period, the board may in its discretion award grants and loans from the hard-rock mining impact trust account to an affected local government unit in accordance with subsection (2).

(2) The board may award grants and loans to assist a local government unit in efforts to:

(a) pay for outstanding capital project bonds or other expenses incurred at least 5 years prior to the end of mining activity or the reduction in a work force as specified in subsection (1);

(b) decrease unusually high property tax mill levies that are directly caused by the cessation or reduction of mining activity;

(c) promote diversification and development of the economic base within a local government unit;

(d) attract new industry to the impact area; and

(e) provide cash incentives for expanding the employment base of the impact area.

(3) Not more than 50% of the money available in the hard-rock mining impact trust account may be granted or loaned for the purpose of assisting local governments under (a) and (b) of subsection (2).

(4) The amount of money that is available to be granted or loaned to a local government unit within an impact area may not exceed the balance

HeinOnline -- 1983 vol. II 1467 1983

in the hard-rock mining impact trust account credited to that area under the provisions of [section 3] and 90-6-304.

Section 3. **Eligibility for grants and loans from county accounts — board rules.** (1) The hard-rock mining impact trust account must be maintained on a county-by-county basis. Any local government unit in the state directly impacted by the cessation or reduction of mining-related activity may apply to the board for impact grants or loans from the account for the county in which such cessation or reduction occurred.

(2) The board shall determine to what degree a local government unit is directly impacted by a cessation or reduction in mining-related activity, and such determination is final. The board shall adopt rules that provide a procedure for designating local government units and areas impacted by the cessation or reduction of mining-related activity.

Section 4. Section 15-1-501, MCA, is amended to read:

"15-1-501. Disposition of moneys from certain designated license and other taxes. (1) The state treasurer shall deposit to the credit of the state general fund all moneys received by him from the collection of:

(a) automobile driver's license fees under subsections (1) through (6) of 61-5-111;

(b) electric energy producer's license taxes under chapter 51;

(c) oil and gas severance taxes allocated to the general fund under chapter 36;

(d) liquor license taxes under Title 16;

(e) telephone license taxes under chapter 53; and

(f) inheritance and estate taxes under Title 72, chapter 16.

(2) Seventy-five percent of all moneys received from the collection of income taxes under chapter 30 and corporation license and income taxes under chapter 31, except as provided in 15-31-702, shall be deposited in the general fund subject to the prior pledge and appropriation of such income tax and corporation license tax collections for the payment of long-range building program bonds. The remaining 25% of the proceeds of the corporation license tax, excluding that allocated to the counties under 15-31-702, corporation income tax, and income tax shall be deposited to the credit of the earmarked revenue fund for state equalization aid to the public schools of Montana.

(3) The state treasurer shall also deposit to the credit of the state general fund all moneys received by him from the collection of license taxes, fees, and all net revenues and receipts from all other sources under the operation of the Montana Alcoholic Beverage Code."

Section 5. Section 15-37-101, MCA, is amended to read:

"15-37-101. License tax on metal mines. (1) Every person who engages in or carries on the business of working or operating any mine or

HeinOnline -- 1983 vol. II 1468 1983

mining property in the state of Montana from which gold, silver, copper, lead, or any other metal or metals or precious or semiprecious gems or stones of any kind shall be mined, extracted, or produced, whether such person shall carry on such business or engage in such work or operations as owner, lessee, trustee, possessor, receiver, or in any other capacity, must for each year when engaged in or carrying on such business, work, or operations pay to the department of revenue for the exclusive use and benefit of the state of Montana *and impacted local government units* a license tax for engaging in and carrying on such business, work, or operation in this state.

(2) Nothing contained in this part shall be construed as requiring laborers or employees hired or employed by any person to mine or to work in or about any mine or mining business or property to pay such license taxes, nor shall any discovery work required to be done in prospecting for or locating any mining claims or any annual assessment work or work required in the obtaining of title to mining property from the United States or required by the laws of the United States or of this state in order to hold possessory title to any mining claims be deemed the engaging in or carrying on of the business of working or operating any such mine or mining property."

Section 6. Section 15-37-103, MCA, is amended to read:

"15-37-103. Rate of tax. The annual license tax to be paid by such person engaged in or carrying on the business of working or operating any mine or mining property in this state from which gold, silver, copper, lead, or any other metal or metals or precious or semiprecious gems or stones are produced shall be an amount computed on the gross value of product which may have been derived by such person from such business, work, or operation within this state during the calendar year immediately preceding, at the following rates:

Gross Value of Product	Rate of Tax (percentage of gross value)
first $250,000	*0%*
more than $250,000 and not more than *$500,000*	*.5%* of the increment
more than *$500,000* and not more than *$1,000,000*	*1%* of the increment
more than *$1,000,000*	*1.5%* of the increment"

Section 7. Section 90-6-303, MCA, is amended to read:

"90-6-303. Chairman — meetings — facilities — funding. (1) The board shall elect a chairman from among its members.

(2) The board shall meet as necessary or as called by the chairman or a majority of the members.

(3) The board is allocated to the department of commerce for administrative purposes only as provided in 2-15-121.

(4) The administrative and operating expenses of the board shall be paid from revenue *deposited to the credit of the hard-rock mining impact*

HeinOnline -- 1983 vol. II 1469 1983

trust account from the license tax on metal mines imposed under Title 15, chapter 37."

Section 8. Section 90-6-304, MCA, is amended to read:

"90-6-304. Accounts established. *(1)* There is within the earmarked revenue fund a hard-rock mining impact account. Moneys are payable into this account from payments made by a mining developer in compliance with the written guarantee from the developer to meet the increased costs of public services and facilities as specified in the impact plan provided for in 90-6-307. The state treasurer shall draw warrants from this account upon order of the hard-rock mining impact board.

(2) There is within the earmarked revenue fund a hard-rock mining impact trust account. Money is payable into this account under the provisions of [section 1]. After deducting the administrative and operating expenses of the board as provided in 90-6-303, money must be segregated within the account by county of origin. The state treasurer shall draw warrants from this account upon order of the hard-rock mining impact board."

Section 9. Section 90-6-305, MCA, is amended to read:

"90-6-305. Hard-rock mining impact board — general powers. (1) The board may:

(a) retain professional staff, consultants, and advisors notwithstanding the provisions of 2-15-121;

(b) adopt rules governing its proceedings *and determinations*;

(c) award grants to local government units subject to 90-6-306;

(d) award grants or loans to local government units from money paid into the hard-rock mining impact trust account subject to the provisions of [sections 2 and 3];

(e) make payments to local government units from money paid to the hard-rock mining impact account as provided in 90-6-307;

(f) make determinations as provided in 90-6-307, *[sections 2 and 3]*; and

(g) accept grants and other funds to be used in carrying out this part.

(2) The provisions of the Montana Administrative Procedure Act apply to the proceedings and determinations of the board."

Section 10. Section 90-6-306, MCA, is amended to read:

"90-6-306. Basis for awarding grants. Grants, *including those from the hard-rock mining impact trust account*, shall be awarded to local government units on the basis of:

(1) need;

(2) severity of impact from mineral development;

(3) availability of funds; and

HeinOnline -- 1983 vol. II 1470 1983

(4) extent of local effort in meeting its needs."

Section 11. **Codification instructions.** (1) Section 1 is intended to be codified as an integral part of Title 15, chapter 37, part 1, and the provisions of Title 15, chapter 37, part 1, apply to section 1.

(2) Sections 2 and 3 are intended to be codified as an integral part of Title 90, chapter 6, part 3, and the provisions of Title 90, chapter 6, part 3, apply to sections 2 and 3.

Section 12. Effective date — applicability. This act is effective July 1, 1985, and applies to taxable years beginning after December 31, 1984.

Approved April 25, 1983.

CHAPTER NO. 620

AN ACT TO PROVIDE FOR CONSOLIDATED FINANCING OF LOCAL PUBLIC EXPENDITURES BY AUTHORIZING THE BOARD OF INVESTMENTS TO LEND MONEY TO MUNICIPALITIES OR OTHER PUBLIC BODIES THROUGH THE PURCHASE OF THEIR SECURITIES BY THE BOARD; TO AUTHORIZE THE BOARD TO RAISE MONEY FOR SUCH LOANS BY ISSUING ITS OWN BONDS AND NOTES PAYABLE OUT OF LOAN REPAYMENTS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [This act] shall be known and may be cited as the "Municipal Finance Consolidation Act of 1983".

Section 2. **Policy and purpose.** (1) It is the policy of the state of Montana to:

(a) foster and promote, by all reasonable means, the provision of efficient capital markets and facilities for borrowing money by counties, cities, towns, school districts, special taxing districts, and other public bodies to pay for capital improvements and other needs as otherwise authorized by law; and

(b) reduce, to the extent possible, costs of local public indebtedness to taxpayers and residents by affording public bodies an appropriate degree of flexibility and choice in the marketing of their debt securities so as to minimize marketing costs and interest rates.

(2) It is the purpose of [this act] to promote the policies stated in subsection (1) by:

(a) creating a means for public bodies to pool, in effect, the debt instruments they are otherwise authorized to offer for sale to the investment community in order to obtain economies of scale and reduce marketing and interest costs; and

HeinOnline -- 1983 vol. II 1471 1983

(b) providing additional security for the payment of bonds and notes held by investors and thereby further reducing interest costs.

Section 3. **Liberal construction.** [This act] and the powers granted in [this act] must be liberally construed to effectuate the policies and purposes stated in [this act].

Section 4. **Definitions.** As used in [this act], the following definitions apply:

(1) "Board" means the board of investments created in 2-15-1005.

(2) "Department" means the department of commerce created in 2-15-1801.

(3) "Local government unit" means any municipal corporation or political subdivision of the state, including without limitation any city, town, county, school district, or other special taxing district.

(4) "Reserve fund" means the municipal finance consolidation act reserve fund created in [section 21].

Section 5. **Board of investments to implement.** The board of investments may make and enforce orders, rules, and bylaws that are necessary or desirable for the implementation of [this act].

Section 6. **Bonds, bond anticipation notes, and notes of the board.** (1) The board may by resolution, from time to time, issue negotiable notes and bonds to finance loans or refinance its loans to local government units and its purchases of their bonds and notes, to establish or replenish reserves securing the payment of its bonds and notes, and to finance all other expenditures of the board incident to and necessary or convenient to carry out [this act].

(2) The board may by resolution, from time to time:

(a) issue notes to renew notes and bonds to pay notes, including interest;

(b) whenever it considers refunding expedient, refund any bonds by the issuance of new bonds, whether the bonds to be refunded have or have not matured; and

(c) issue bonds partly to refund bonds outstanding and partly for any of its other purposes.

(3) The board may by resolution, from time to time, in anticipation of the sale of its securities under this chapter, issue temporary notes and renewal notes.

(4) Except as otherwise expressly provided by resolution of the board, every issue of its notes and bonds shall be an obligation of the board payable out of any revenues, assets, or money of the board, subject only to agreements with the holders of particular notes or bonds pledging particular revenues, assets, or money.

(5) The notes and bonds must be authorized by resolutions of the board, shall bear a date, and shall mature at times as the resolutions provide. The bonds may be issued as serial bonds payable in annual

HeinOnline -- 1983 vol. II 1472 1983

installments or as term bonds or as a combination thereof. The notes and bonds shall bear interest at a rate or rates; be in denominations; be in a form, either coupon or registered; carry registration privileges; be executed in a manner; be payable in a medium of payment, at places inside or outside the state; and be subject to terms of redemption as provided in resolutions of the board. The notes and bonds of the board may be sold at public or private sale at such prices, which may be above or below par, as are determined by the board.

Section 7. **Participation voluntary.** Use of the financing mechanism created by [this act] is entirely voluntary, and no local government unit may be required to sell its bonds, bond anticipation notes, or notes to the board.

Section 8. **Limitations on amounts.** The board may not:

(1) make any loans to or purchase the bonds or notes of any single local government unit in an amount greater than $500,000 per single loan, bond issue, or note; or

(2) issue any bonds or notes that cause the total outstanding indebtedness of the board under [this act] (except for bonds or notes issued to fund or refund other outstanding bonds or notes) to exceed $25 million.

Section 9. **Purchase of anticipation notes.** Notwithstanding any other provision of law, a local government unit may issue and the board may purchase notes in anticipation of an otherwise authorized sale of municipal securities. In connection with any purchase of anticipation notes, the board may by agreement with the local government unit impose terms, conditions, and limitations that in the board's opinion are proper under the circumstances and for the purposes and security of the board and the holders of its bonds or notes.

Section 10. **Refunding obligations.** (1) The board may provide for the issuance of refunding obligations for refunding any obligations then outstanding that have been issued under [this act], including the payment of any redemption premium and any interest accrued to or to accrue to the date of redemption of the obligations. The issuance of obligations, the maturities and other details, the rights of the holders, and the rights, duties, and obligations of the board are governed by the appropriate provisions of [this act] that relate to the issuance of obligations.

(2) Refunding obligations issued as provided in subsection (1) may be sold or exchanged for outstanding obligations issued under [this act]. The proceeds of refunding obligations may be applied to the purchase, redemption, or payment of outstanding obligations. Pending the application of the proceeds of refunding obligations, with other available funds, to the payment of principal, accrued interest, and any redemption premium on the obligations being refunded and, if permitted in the resolution authorizing the issuance of the refunding obligations or in the trust agreement securing them, to the payment of interest on refunding obligations and expenses in connection with refunding, the proceeds of refunding obligations may be invested as provided in Title 17, chapter 6.

HeinOnline -- 1983 vol. II 1473 1983

Section 11. **Additional powers of the board.** In addition to all other powers conferred on the board by [this act] or any other law, the board has the power:

(1) to purchase or hold municipal bonds, bond anticipation notes, or notes at prices and in a manner the board considers advisable;

(2) to sell municipal bonds, bond anticipation notes, or notes acquired or held by it at prices without relation to cost and in a manner the board considers advisable;

(3) to invest funds or money acquired by the board as provided in [section 23];

(4) to prescribe the form of application or procedure required of a local government unit for a loan or purchase of its municipal bonds, bond anticipation notes, or notes; fix the terms and conditions of the loan or purchase; and enter into agreements with local government units with respect to loans or purchases;

(5) to render services to local government units in connection with public or private sales of their municipal bonds, bond anticipation notes, or notes that are eligible for purchase by the board under [this act], including advisory and other services, and charge the local government units for such services;

(6) to charge for its costs and services in reviewing or acting upon a proposed loan to a local government unit or a proposed purchase by the board of municipal bonds, bond anticipation notes, or notes of the local government unit, whether or not the loan is made or the municipal bonds, bond anticipation notes, or notes are purchased;

(7) to fix and establish terms, interest rates, and provisions with respect to a purchase of municipal bonds, bond anticipation notes, or notes by the board, including:

(a) the date and maturities of the bonds, bond anticipation notes, or notes;

(b) provisions as to redemption or payment before maturity; and

(c) any other matters judged by the board to be necessary, desirable, or advisable for the purchase or loan;

(8) in connection with any loan to a local government unit or purchase of municipal bonds, bond anticipation notes, or notes of a local government unit, to consider:

(a) the lawfulness and validity of the purpose to be served by the loan or purchase;

(b) the ability of the local government unit to secure borrowed money from other sources and the costs thereof;

(c) the ability of the local government unit to repay the loan, notes, or bonds;

HeinOnline -- 1983 vol. II 1474 1983

(d) the priority of need for the particular public improvement or purpose to be financed; and

(e) varying the terms and conditions of its loans or purchases as between various local government units in accordance with their respective priorities and credit worthiness;

(9) to conduct examinations and hearings and to hear testimony and take proof, under oath or affirmation, at public or private hearings, on any matter material to its information and necessary to carry out [this act];

(10) to issue subpoenas requiring the attendance of witnesses and the production of books and papers pertinent to any hearing before the board;

(11) to appoint, employ, or contract for the services of officers, employees, agents, financial or professional advisers, and attorneys and to pay such compensation for their services as the board may determine;

(12) to procure insurance against any losses in connection with its property, operations, or assets in such amounts and from such insurers as it considers desirable;

(13) to the extent permitted under its contracts with the holders of bonds or notes of the board, to consent to modification of the rate of interest, the time for payment of any installment of principal or interest, or the security for any other term of a bond, bond anticipation note, note, contract, or agreement of any kind to which the board is a party; and

(14) to do all acts and things necessary, convenient, or desirable to carry out the powers expressly granted or necessarily implied in [this act].

Section 12. **Provisions of bond resolutions.** A resolution authorizing notes or bonds or any issue thereof may contain provisions that must be a part of the contract or contracts with the holders thereof as to:

(1) pledging all or any part of the revenue or funds of the board to secure the payment of the notes or bonds or of any issue thereof, subject to existing agreements with noteholders or bondholders;

(2) the setting aside of reserves for sinking funds in the possession of trustees, paying agents, and other depositories and the regulation and disposition thereof;

(3) limitations on the purpose for which the proceeds of the sale of notes or bonds may be applied and the pledge of the proceeds to secure the payment of the notes or bonds or of any issue thereof;

(4) limitations on the issuance of additional notes or bonds, the terms upon which additional notes or bonds may be issued and secured, and the refunding of outstanding notes or bonds;

(5) the procedure, if any, by which the terms of any contract with noteholders or bondholders may be amended or abrogated, the amount of notes or bonds the holders of which must consent thereto, and the manner in which such consent may be given;

(6) a commitment to employ adequate and competent personnel at reasonable compensation, salaries, fees, and charges as may be determined by

HeinOnline -- 1983 vol. II 1475 1983

the board in conjunction with the department and to maintain suitable facilities and services for the purpose of carrying out its programs;

(7) vesting in a trustee such property, rights, powers, and duties in trust as the board determines; and

(8) defining the acts or omissions that constitute a default in the obligations and duties of the board to the holders of the notes or bonds and providing for the rights and remedies of the holders of the notes or bonds in the event of such default, including as a matter of right the appointment of a receiver. Rights and remedies may not be inconsistent with the laws of this state and the other provisions of [this act].

Section 13. **Validity of pledge.** A pledge by the board is valid and binding from the time the pledge is made. The revenues, money, or property pledged and thereafter received by the board is immediately subject to the lien of the pledge without any physical delivery thereof or further act. The lien of any pledge is valid and binding against all parties having claims of any kind in tort, contract, or otherwise against the board, irrespective of whether such parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created need be recorded.

Section 14. **Nonimpairment by the state.** In accordance with the constitutions of the United States and the state of Montana, the state pledges that it will not in any way impair the obligations of any agreement between the board and a local government unit or between the board and the holders of notes and bonds issued by the board, including but not limited to an agreement to administer a loan program financed by the issuance of bonds and to employ a staff sufficient and competent for this purpose.

Section 15. **Trust indenture.** (1) In the discretion of the board, the bonds or notes of the board may be secured by a trust indenture between the board and a corporate trustee, which may be a trust company or bank having the power of a trust company inside or outside the state. A trust indenture may contain provisions for protecting and enforcing bondholders' rights and remedies that are reasonable and proper and not in violation of law, including covenants setting forth the duties of the board in relation to the exercise of its powers and the custody, safeguarding, and application of all money. The board may provide by a trust indenture for the payment of the proceeds of the bonds or notes and the revenues to the trustee under the trust indenture of another depository and for the method of disbursement, with safeguards and restrictions it considers necessary.

(2) All expenditures incurred in carrying out a trust indenture may be treated as part of the general overhead cost of the board.

Section 16. **Presumption of validity.** After issuance, all bonds or notes of the board are conclusively presumed to be fully authorized by and issued under all the laws of this state and any person or governmental unit is estopped from questioning their proper authorization, sale, issuance, execution, or delivery by the board.

Section 17. **Signatures of board members.** If any of the board members whose signatures appear on notes or bonds or coupons cease to

HeinOnline -- 1983 vol. II 1476 1983

be members before the delivery of the notes or bonds, their signatures shall nevertheless be valid and sufficient for all purposes as if the members had remained in office until delivery.

Section 18. **Negotiability of bonds or notes.** Notwithstanding any other provisions of law, a bond or note issued under this chapter is fully negotiable for all purposes of the Uniform Commercial Code, Title 30, chapters 1 through 9, and a holder or owner of a bond or note or of a coupon appurtenant to it, by accepting the bond, note, or coupon, is conclusively presumed to have agreed that the bond, note, or coupon is fully negotiable for all purposes of the Uniform Commercial Code.

Section 19. **Bonds or notes as legal investments.** Notwithstanding the restrictions of any other law, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations, and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees, and other fiduciaries may legally invest sinking funds, money, or other funds belonging to them or within their control in bonds or notes issued under [this act].

Section 20. **Tax exemption of bonds.** Bonds, notes, or other obligations issued by the board under [this act], their transfer, and their income (including any profits made on their sale) are free from taxation by the state or any political subdivision or other instrumentality of the state, excepting inheritance, estate, and gift taxes. The board is not required to pay recording or transfer fees or taxes on instruments recorded by it.

Section 21. **Reserve fund.** (1) The board shall establish and maintain a municipal finance consolidation act reserve fund, to which there shall be deposited or transferred:

(a) all money appropriated by the legislature for the purposes of the fund in accordance with the provisions of subsection (4);

(b) all proceeds of bonds required to be deposited in the fund by terms of a contract between the board and its bondholders or a resolution of the board with respect to the proceeds of bonds;

(c) the proceeds of any bond issue of the state that is authorized for such purpose;

(d) all other money appropriated by the legislature to the reserve fund; and

(e) any other money or funds of the board that it decides to deposit in the fund.

(2) All money held in the reserve fund shall be used solely for the payment of the principal of or interest on the bonds or notes secured in whole or in part by the fund or the sinking fund payments with respect to the bonds or notes, the purchase or redemption of the bonds or notes, the payment of interest on the bonds or notes, or the payment of any redemption premium required to be paid when the bonds or notes are redeemed prior to maturity. Money in the reserve fund may not be withdrawn at any time

HeinOnline -- 1983 vol. II 1477 1983

in an amount that reduces the fund to an amount less than the sum of minimum reserve requirements established in the resolutions or indentures of the board for the fund except, with respect to bonds or notes secured in whole or in part by the fund, for the purpose of making payment when due of principal, interest, redemption premiums, and sinking fund payments for the payment of which other money pledged is not available.

(3) Money in the reserve fund in excess of the required reserve may be withdrawn at any time by the board and transferred to another fund or account of the board established for purposes of [this act], but not to any other fund or account.

(4) Nothing in this section creates a debt or liability of the state.

(5) Notwithstanding any provision of Title 17, chapter 6, the board of investments may lend money for deposit to the reserve fund in an amount equal to any deficiency in the required debt service reserve. The loans shall be made on such reasonable terms and conditions as the board considers proper [and as may be agreed upon between the board and the board of investments], including without limitation terms and conditions providing that the loans need not be repaid until the obligations of the board secured and to be secured by the reserve fund are no longer outstanding.

Section 22. A..itional **funds and accounts.** The board may in its discretion establish additional reserves or other funds or accounts necessary, desirable, or convenient to further the accomplishment of the purposes of [this act] or to comply with the provisions of any of its agreements or resolutions.

Section 23. **Investment.** (1) Unless otherwise required by a resolution or agreement of the board, the board may invest funds coming under its control pursuant to [this act] in the same manner as permitted for investment of funds belonging to the state or held by the state treasurer.

(2) Funds from several or all accounts may be combined for investment, and any interest earned shall be prorated and credited to the various contributing accounts on the basis of the amounts thereof invested, calculated according to an average periodic balance or other generally accepted accounting principle. Such proration must be calculated at least once a year or upon a specific request made to the board.

(3) All securities purchased by the board as an investment remain in the custody of the state treasurer until the same are sold, exchanged, retired, or mature and are paid.

Section 24. **Credit of state not pledged.** Obligations issued under the provisions of [this act] do not constitute a liability or obligation or a pledge of the faith and credit of the state but are payable solely from revenues or funds of the board generated or received for purposes of [this act]. An obligation issued under [this act] must contain on the face thereof a statement to the effect that the state of Montana is not liable on the obligation and the obligation is not a debt of the state and neither the faith and credit nor the taxing power of the state is pledged to the payment of the principal of or the interest on the obligation.

HeinOnline -- 1983 vol. II 1478 1983

Section 25. **Sale or exchange of municipal securities.** (1) Notwithstanding any law applicable to or constituting any limitation on the maximum rate of interest per year payable on bonds or notes or to annual interest cost to maturity of money borrowed or received upon issuance of bonds or notes, every local government unit is authorized to contract to pay interest on or an interest cost per year for money borrowed from the board and evidenced by its municipal securities purchased by the board without regard to any statutory limitations as to rate of interest per year payable or as to annual interest cost to maturity of money borrowed by the local government unit. Every local government unit is authorized to contract with the board with respect to the loan or purchase, and the contract must contain the terms and conditions of such loan or purchase. Every local government unit is authorized to pay fees and charges required to be paid to the board for its services.

(2) Notwithstanding any law applicable to or constituting any limitation on the sale of bonds or notes except the limitation on amount of bonded indebtedness, any local government unit may sell bonds or notes to the board by private negotiated sale, without limitation as to denomination. The bonds or notes may be fully registered or registerable as to principal only or in bearer form or may bear interest at the rate or rates, all in accordance with this section. The bonds or notes may be evidenced in the manner and may contain other provisions not inconsistent with [this act] and may be sold to the board without advertisement at the price or prices as may be determined, all as provided in the proceedings of the governing body of the local government unit pursuant to which the bonds or notes are authorized to be issued. The governing body of the local government unit may provide for the exchange of coupon bonds for fully registered bonds and of fully registered bonds for coupon bonds and for the exchange of any such bonds after issuance for bonds of larger or smaller denominations, all in the manner provided in the proceedings authorizing their issuance. The bonds in changed form or denominations must be exchanged for the surrendered bonds in the same aggregate principal amounts and in such manner that no overlapping interest is paid and the bonds in changed form or denominations bear interest at the same rate or rates and mature on the same date or dates as the bonds for which they are exchanged. If any exchange is made under this subsection, the bonds surrendered by the holders at the time of the exchange must be canceled. The exchange may be made only at the request of the holders of the bonds to be surrendered. The local government unit may require all expenses incurred in connection with the exchange to be paid by the holders.

Section 26. **Care and custody of bonds purchased by the board.** The board may:

(1) enter into agreements or contracts with a bank, trust company, or financial institution, inside or outside the state, as may be necessary, desirable, or convenient, in the opinion of the board, for rendering services in connection with:

(a) the care, custody, or safekeeping of municipal bonds or other investments held or owned by the board pursuant to [this act];

HeinOnline -- 1983 vol. II 1479 1983

(b) the payment or collection of amounts payable as to principal or interest; and

(c) the delivery to the board of municipal bonds or other investments purchased by it or sold by it pursuant to [this act];

(2) pay the cost of those services; and

(3) also, in connection with any of the services to be rendered by a bank, trust company, or financial institution as to the custody and safekeeping of its municipal bonds or investments, require security in the form of collateral bonds, surety agreements, or security agreements in such form and amount as, in the opinion of the board, is necessary or desirable.

Section 27. **Insurance or guaranty.** The board may obtain, from a department or agency of the United States or a nongovernmental insurer, insurance or guaranty for the payment or repayment of interest or principal, or both, or any part of interest or principal on bonds or notes issued by the board or on municipal bonds, bond anticipation notes, or notes of local government units purchased or held by the board.

Section 28. **Default in payment.** If the board or local government unit defaults in the payment of principal or interest on an issue of notes or bonds after they become due, whether at maturity or upon call for redemption, and the default continues for 30 days, or if the board or local government unit fails or refuses to comply with [this act] or defaults in an agreement made with the holders of an issue of notes or bonds, the holders of 25% of the aggregate principal amount of the outstanding notes or bonds of that issue have the right, upon proper application to a court of competent jurisdiction, to have a trustee appointed to represent the holders of those notes or bonds for the purposes provided in [this act].

Section 29. **Powers and duties of trustee on default.** (1) A trustee appointed under [section 28] may:

(a) by civil action enforce all rights of the noteholders or bondholders, including the right to require the board or local government unit to collect rates, charges, and other fees and to collect interest and amortization payments on bonds and notes held by them adequate to carry out a pledge of or an agreement as to the rates, charges, and other fees and of the interest and amortization payments, and to require the board or local government unit to carry out any other agreements with the holders of the notes or bonds and to perform their duties under [this act];

(b) bring a civil action upon the notes or bonds;

(c) by civil action require the board or local government unit to account as if it were the trustee of an express trust for the holders of the notes or bonds;

(d) by civil action enjoin anything that may be unlawful or in violation of the rights of the holders of the notes or bonds;

(e) declare all the notes or bonds due and payable and, if all defaults are made good, then, with the consent of the holders of 25% of the principal amount of the outstanding notes or bonds, annul the declaration and its consequences.

HeinOnline -- 1983 vol. II 1480 1983

(2) The trustee, in addition to the powers stated in subsection (1), has all the powers necessary for the exercise of functions specifically set out or incident to the general representation of bondholders or noteholders in the enforcement and protection of their rights.

(3) Before declaring the principal of notes or bonds due and payable, the trustee must give 30 days' notice in writing to the governor, the attorney general, and the board or local government unit defaulting.

Section 30. **Exemption from execution and sale.** All property of the board, other than its revenues or funds received pursuant to [this act], is exempt from levy and sale by virtue of an execution, and no execution or other judicial process may issue against such property. A judgment against the board constitutes a charge or lien upon such property.

Section 31. **Annual audit.** The board's books and records must be audited at least once each fiscal year by or at the direction of the legislative auditor. The actual costs of the audit shall be paid from the board's funds.

Section 32. **Annual report.** By September 1 of each year, the board shall publish a financial report for distribution to the governor, the legislature, and the public. The report must include a statement of the board's current financial position with respect to its activities under [this act], a summary of its activities pursuant to [this act] during the previous year (including a listing of the local governmental securities purchased by the board, a listing of the bonds and notes sold by the board, and a summary of the performance of any other investments of the board's funds received under [this act]), an estimate of the levels of such activities for the next year, and a comparison of such activities during the previous year with the estimates of those activities that were made in the previous annual report.

Section 33. **Limitations on board's power.** Under [this act] the board may not:

(1) make loans of money to any person, firm, or corporation other than a local government unit or purchase securities issued by any person, firm, or corporation other than a local government unit as provided in [this act];

(2) emit bills of credit, accept deposits of money for time or demand deposit, engage in any form or manner in the conduct of any private or commercial banking business, or act as a savings bank or savings and loan association;

(3) be or constitute a bank or trust company within the jurisdiction or under the control of the state banking board, the department of commerce, or the comptroller of the currency of the United States department of the treasury;

(4) be or constitute a bank, banker, or dealer in securities within the meaning of or subject to the provisions of any securities, securities exchange, or securities dealers law of the United States or of this state or of any other state.

Section 34. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part

HeinOnline -- 1983 vol. II 1481 1983

of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 35. **Coordination instruction.** If either House Bill No. 100 or House Bill No. 700 is enacted by the 48th legislature and approved by the governor, the definition of "board" in section 4 is changed to the "Montana economic development board" and all references to the "board" in this act, except the reference to the board of investments in subsection (5) of section 21, mean the Montana economic development board. The bracketed language in subsection (5) of section 21 is effective only if either House Bill No. 100 or House Bill No. 700 is enacted by the 48th legislature and approved by the governor.

Section 36. **Effective date.** This act is effective on passage and approval.

Approved April 25, 1983.

CHAPTER NO. 621

AN ACT TO REDUCE THE NUMBER OF CONIFEROUS TREES THAT A PERSON MAY TRANSPORT WITHOUT A BILL OF SALE AND TO REQUIRE AUTHORIZATION OF THE OWNER FOR TRANSPORTATION OF OVER 200 POUNDS OF CONIFEROUS TREE BOUGHS; AMENDING SECTION 76-13-601, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 76-13-601, MCA, is amended to read:

"76-13-601. Unlawful transportation of trees and boughs. (1) No person may transport on the *ways* of this state more than *5* coniferous trees without having in his possession a bill of sale showing his ownership of the trees. The bill of sale shall specify:

(a) the date of its execution;

(b) the name and address of the vendor or donor of the trees;

(c) the name and address of the vendee or donee of the trees;

(d) the number of trees, by species, sold or transferred by the bill of sale; and

(e) the shipping yards or the property from which the trees were taken.

(2) Subsection (1) does not apply to:

(a) the transportation of trees with their roots intact;

(b) the transportation of logs, poles, pilings, or other forest products from which substantially all the limbs and branches have been removed;

HeinOnline -- 1983 vol. II 1482 1983

(c) the transportation of coniferous trees by the owner of the land from which they were taken or his agent, provided that agent has in his possession a tax receipt or other evidence indicating the section, township, and range from which the trees were harvested;

(d) the transportation of coniferous trees by a common carrier.

(3) No person may transport on the ways of this state more than 200 pounds of boughs from coniferous trees without written authorization of the owner of the boughs.

(4) A person who violates this section shall be punished by a fine not to exceed $500 or imprisonment not to exceed 6 months, or both."

Section 2. **Definition.** "Ways of this state" means any highway, road, alley, lane, parking area, or other public or private place adapted and fitted for public vehicle travel that is commonly used by the public with the express or implied consent of the owner.

Approved April 25, 1983.

CHAPTER NO. 622

AN ACT TO GENERALLY REVISE THE EMINENT DOMAIN LAWS; AMENDING SECTIONS 70-30-104, 70-30-111, 70-30-201 THROUGH 70-30-203, 70-30-206, 70-30-207, 70-30-308, 70-30-309, 70-30-311, AND 70-30-313, MCA; REPEALING SECTIONS 70-30-204 AND 70-30-205, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 70-30-104, MCA, is amended to read:

"70-30-104. What estates and rights in land may be taken. The following is a classification of the estates and rights in lands subject to be taken for the public use:

(1) such estate or rights as may be necessary up to and including a fee simple when taken for public buildings or grounds or for permanent buildings or for an outlet for a flow or a place for the deposit of debris or tailings of a mine or for the mining and extracting of ores, metals, or minerals when the same are owned by the plaintiff but located beneath or upon the surface of property where the title to said surface vests in others or for the underground storage of natural gas by a natural gas public utility as defined in 82-10-301. When the appropriation is for the underground storage of natural gas, all of the right, title, interest, and estate in the real property and in the subsand stratum, formation, or reservoir so appropriated shall be determinable and for all purposes terminate upon abandonment or upon cessation for the period of 1 year of the use for which the same was appropriated, and thereupon the ownership of the residue of natural gas therein remaining shall likewise vest in the then owners of such reservoir space.

HeinOnline -- 1983 vol. II 1483 1983

(2) such estate or rights in the surface as are necessary for a reservoir or dam and for the permanent flooding that results, up to the edge of the maximum pool of the reservoir;

(3) an easement, *leasehold, or other interest, for so long as the interest is necessary for the purpose described in the complaint, or fee simple* when taken for any other use;

(4) the right of entry upon and occupation of land and the right to take therefrom such earth, gravel, stones, trees, and timber as may be necessary for some public use."

Section 2. Section 70-30-111, MCA, is amended to read:

"70-30-111. Facts necessary to be found before condemnation. Before property can be taken, *the plaintiff must show by a preponderance of the evidence that the public interest requires the taking based on the following findings*:

(1) that the use to which it is to be applied is a use authorized by law;

(2) that the taking is necessary to such use;

(3) if already appropriated to some public use, that the public use to which it is to be applied is a more necessary public use;

(4) that an effort to obtain the interest sought to be condemned was made by submission of a written offer and that such offer was rejected."

Section 3. Section 70-30-201, MCA, is amended to read:

"70-30-201. Applicable rules of practice. Except as otherwise provided in this chapter, the provisions of *Titles 25 and 26, including the Montana Rules of Civil Procedure and the Montana Rules of Evidence,* are applicable to and constitute the rules of practice in the proceedings mentioned in this chapter."

Section 4. Section 70-30-202, MCA, is amended to read:

"70-30-202. Jurisdiction and venue — complaint and summons required. All proceedings under this chapter must be brought in the district court of the county in which the property or some part thereof is situated. They must be commenced by filing a complaint and issuing a summons thereon. *A summons served under this chapter must contain a notice to the defendant to file and serve an answer. Within 6 months from the date the summons is served, unless the court shortens or enlarges that time for good cause, the court, sitting without a jury, shall commence its trial on the issue of whether a preliminary condemnation order should be issued.*"

Section 5. Section 70-30-203, MCA, is amended to read:

"70-30-203. Contents of complaint. The complaint must *allege*:

(1) the name of the corporation, association, commission, or person in charge of the public use for which the property is sought, who must be styled plaintiff;

HeinOnline -- 1983 vol. II 1484 1983

(2) the names of all owners, mortgagees, and lienholders of record and any other claimants of the property of record, if known, or a statement that they are unknown, who must be styled defendants;

(3) a statement of the right of plaintiff;

(4) statements of each of the facts necessary to be found in 70-30-111;

(5) if a right-of-way is sought, the complaint must show the location, general route, and termini and must be accompanied with a map thereof, so far as the same is involved in the action or proceeding;

(6) a description of each *interest in real property* sought to be taken and whether the same includes the whole or only a part of the entire parcel or tract. All parcels lying in the county and required for the same public use may be included in the same or separate proceedings, at the option of the plaintiff, but the court may consolidate or separate them to suit the convenience of the parties.

(7) if a sand, stratum, or formation suitable for use as an underground natural gas storage reservoir is sought to be appropriated, a description thereof and of the land in which it is alleged to be contained and a description of all other property and rights sought to be appropriated for use in connection with the appropriation of the right to store natural gas in and withdraw natural gas from such reservoir. In addition, the complaint shall state facts showing that the underground reservoir is one subject to appropriation by plaintiff; also stating that the underground storage of natural gas in the land sought to be appropriated is in the public interest; that the underground reservoir is suitable and practicable for natural gas storage; that the plaintiff in good faith has been unable to acquire the rights sought to be appropriated hereunder and a statement that the rights and property sought to be appropriated are not prohibited by law; and in addition, the complaint must be accompanied by a certificate from the board of oil and gas conservation as set forth in 82-10-304."

Section 6. Section 70-30-206, MCA, is amended to read:

"70-30-206. Powers of court — preliminary condemnation order. (1) The court has power to:

(a) regulate and determine the place and manner of making the connections and crossings and enjoying the common uses mentioned in 70-30-103(1)(e) and of the occupying of canyons, passes, and defiles for railroad purposes, as permitted and regulated by the laws of this state or of the United States; *or*

(b) *limit the interest in real property sought to be appropriated if in the opinion of the court the interest sought is not necessary.*

(2) If the court *finds and concludes* from the evidence presented that the public *interest requires* the taking of such *interest in real property* and that the *plaintiff has met his burden of proof under 70-30-111*, it must forthwith make and enter a preliminary condemnation order that the condemnation of the *interest in* real property may proceed in accordance with the provisions of this chapter.

HeinOnline -- 1983 vol. II 1485 1983

(3) If the property sought to be appropriated is a sand, stratum, or formation suitable for use as an underground natural gas storage reservoir and the existence and suitability of it for such use has been proved by plaintiff upon substantial evidence, the order of the court shall direct the commissioners to ascertain and determine the amount to be paid by the plaintiff to each person for his interest in the property sought to be appropriated for use as such underground natural gas storage reservoir and/or as the annual rental for the use of such underground gas storage reservoir and for the use of so much of the surface as is required in the operation of the underground gas storage reservoir and for the use in connection with the creation, operation, and maintenance thereof and for all the native gas contained in said reservoir as compensation and damages by reason of the appropriation of such property. However, the amount to be paid for such native gas and all thereof shall be no less than the market value of such gas. The court shall appoint three persons, qualified as experts and recommended as such by the board of oil and gas conservation, to assist and advise the commissioners in determining the compensation and damages to be paid by plaintiff to each person for his interest in the property sought to be appropriated, and the fees and expenses of such persons shall be chargeable as costs of the proceedings to be paid by the plaintiff.

(4) After a complaint as described in 70-30-203 is filed and prior to the issuance of the preliminary condemnation order, all parties shall proceed as expeditiously as possible, but without prejudicing any party's position, with all aspects of the preliminary condemnation proceeding including discovery and trial. The court shall give such proceedings expeditious and priority consideration. The preliminary condemnation proceeding shall be tried by the court sitting without a jury."

Section 7. Section 70-30-207, MCA, is amended to read:

"70-30-207. Appointment of commissioners — qualifications — affidavit. (1) *Within 10 days of entry of a preliminary condemnation order, the defendant shall file a statement of his claim of just compensation. If within 20 days of service of defendant's claim plaintiff fails to accept the claim, the court must appoint* condemnation commissioners and the commission hearing may be waived by written consent of both parties, in which case the proceeding shall be conducted in the district court as if the case had been appealed from an award by such commissioners.

(2) The court must thereupon appoint three qualified, disinterested condemnation commissioners, unless appointment has been waived. One of such commissioners shall be nominated by the party or parties plaintiff. One of such commissioners shall be nominated by the party or parties defendant. The third commissioner shall be the chairman and shall be nominated by the two commissioners previously nominated. However, if said two commissioners fail to make such choice at the time of their appointment, then such nomination shall be made by the presiding judge.

(3) Each commissioner shall possess the following qualifications:

(a) a citizen of the United States and over 18 years of age;

HeinOnline -- 1983 vol. II 1486 1983

(b) that he is not more than 70 years of age;

(c) that he is in possession of natural faculties, of ordinary intelligence, and not decrepit;

(d) that he is possessed of sufficient knowledge of the English language;

(e) that he was assessed on the last assessment roll of a county within the judicial district in which the action is pending;

(f) that he has not been convicted of malfeasance in office or any felony or other high crime;

(g) that he is not related within the sixth degree to any party;

(h) that he does not stand in the relation of guardian and ward, master and servant, debtor and creditor, or principal and agent or partner or surety as to any party.

(4) At the time of such meeting and nominations, there shall be filed with the court by each nominating party or judge an affidavit of the person so nominated stating substantially as follows:

(a) that he has formed no unqualified opinion or belief as to the compensation to be awarded in the proceeding or as to the fairness or unfairness of the plaintiff's offer for the lands and improvements of the defendants;

(b) that he has no enmity against or bias in favor of any party and has not discussed, communicated, or overheard or read any discussion or communication from any party relating to values of the lands in question or the compensation offered, demanded, or to be awarded;

(c) that if selected as a condemnation commissioner, he is willing to serve and will well and truly try the issues of compensation and render a true decision according to the evidence and in compliance with the instructions of the court;

(d) that he will not discuss the case with anyone except the other commissioners until a decision has been filed with the court."

Section 8. Section 70-30-308, MCA, is amended to read:

"70-30-308. How payment made — execution or annulment for nonpayment. (1) Payment may be made to the defendants entitled thereto, or the money may be deposited in court for the defendants and be distributed to those entitled thereto. However, at the option of the defendants, payments may be made:

(a) on an annual basis, utilizing the installment contract method; *or*

(b) if other land is reasonably available and the plaintiff consents, by means of a land exchange between the defendants and plaintiffs if the land to be provided by the plaintiffs in the exchange is of equal or more value than the land being condemned.

(2) If the money be not so paid or deposited, the defendants may have execution as in civil cases, and if the money cannot be made on execution,

HeinOnline -- 1983 vol. II 1487 1983

the court, upon a showing to that effect, must set aside and annul the entire proceedings and restore possession of the property to the defendant if possession has been taken by the plaintiff."

Section 9. Section 70-30-309, MCA, is amended to read:

"70-30-309. Final order of condemnation — contents — vesting upon filing. (1) When payments have been made and the bond given, if the plaintiff elects to give one, as required by 70-30-307 and 70-30-308, the court must make a final order of condemnation, which must describe the property condemned and the purposes of such condemnation.

(2) A copy of the order must be filed in the office of the county clerk and recorder, and thereupon the property described therein shall vest in the plaintiff for the purposes therein specified."

Section 10. Section 70-30-311, MCA, is amended to read:

"70-30-311. Putting plaintiff in possession. (1) At any time after the filing of the preliminary condemnation order or after the report and assessment of the commissioners have been made and filed in the court and either before or after appeal from such assessment or from any other order or judgment in the proceedings, the court upon application of the plaintiff shall have power to make an order that, upon payment into court for the defendant entitled thereto of the amount of compensation claimed by the defendant in his *statement of claim of just compensation under 70-30-207* or the amount assessed either by the commissioners or by the jury, as the case may be, the plaintiff be authorized:

(a) if already in possession of the property of such defendant sought to be appropriated, to continue in such possession; or

(b) if not in possession, to take possession of such property and use and possess the same during the pendency and until the final conclusion of the proceedings and litigation and that all actions and proceedings against the plaintiff on account thereof be stayed until such time.

(2) If the defendant fails to file a statement of claim of just compensation within the time specified in 70-30-207, the plaintiff may obtain an order for possession provided for in subsection (1), subject to the condition subsequent that a plaintiff's payment into court shall be made within 10 days of receipt of the defendant's statement of claim.

(3) However, where an appeal is taken by such defendant, the court may, in its discretion, require the plaintiff before continuing or taking such possession, in addition to paying into court the amount assessed, to give bond or undertaking with sufficient sureties to be approved by the *court* and to be in such sum as the court may direct, conditioned to pay the defendant any additional damages and costs over and above the amount assessed, which it may finally be determined that defendant is entitled to for the appropriation of the property, and all damages which defendant may sustain if for any cause such property shall not be finally taken for public uses.

(4) The amount assessed by the commissioners or by the jury on appeal, as the case may be, shall be taken and considered, for the purposes

HeinOnline -- 1983 vol. II 1488 1983

of this section, until reassessed or changed in the further proceedings, as just compensation for the property appropriated; but the plaintiff, by payment into court of the amount claimed in the answer or the amount assessed or by giving security as above provided, shall not be thereby prevented or precluded from appealing from such assessment but may appeal in the same manner and with the same effect as if no money had been deposited or security given. In all cases where the plaintiff deposits the amount of the assessment and continues in possession or takes possession of the property, as herein provided, the defendant entitled thereto, if there be no dispute as to the ownership of the property, may at any time demand and receive upon order of the court all or any part of the money so deposited and shall not by such demand or receipt be barred or precluded from his right of appeal from such assessment but may, notwithstanding, take and prosecute his appeal from such assessment; provided that if the amount of such assessment is finally reduced on appeal by either party, such defendant who has received all or any part of the amount deposited shall be liable to the plaintiff for any excess of the amount so received by him over the amount finally assessed, with legal interest on such excess from the time such defendant received the money deposited, and the same may be recovered by action; and provided, further, that upon any appeal from assessment by the commissioners to a jury, the jury may find a less as well as an equal or greater amount than that assessed by the commissioners; and provided, further, that the court shall not order the delivery to any defendant of more than 75% of the money deposited on his account except upon posting of bond by such defendant equal to the amount in excess of 75%, with sureties to be approved by the court, to repay to the plaintiff such amounts withdrawn as are in excess of his final award in the proceedings."

Section 11. Section 70-30-313, MCA, is amended to read:

"70-30-313. Current fair market value. Current fair market value is the price that would be agreed to by a willing and informed seller and buyer, taking into consideration, but not limited to, the following factors:

(1) the highest and best reasonably available use and its value for such use, *provided current use may not be presumed to be the highest and best use*;

(2) the machinery, equipment, and fixtures forming part of the real estate taken; and

(3) any other relevant factors as to which evidence is offered."

Section 12. **Repealer.** Sections 70-30-204 and 70-30-205, MCA, are repealed.

Section 13. **Saving clause.** This act does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun prior to the effective date of this act.

Approved April 25, 1983.

HeinOnline -- 1983 vol. II 1489 1983

CHAPTER NO. 623

AN ACT REQUIRING REPORTING BY HEALTH CARE PROFESSIONALS AND OTHER PERSONS OF INCIDENTS OF ABUSE, NEGLECT, AND EXPLOITATION OF OLDER PERSONS; SPECIFYING THE USE OF THE REPORTS; PROVIDING FOR IMMUNITY FROM CIVIL AND CRIMINAL LIABILITY; SPECIFYING THE DUTIES OF THE DEPARTMENTS OF HEALTH AND ENVIRONMENTAL SCIENCES AND SOCIAL AND REHABILITATION SERVICES RELATING TO ABUSE, NEGLECT, OR EXPLOITATION OF OLDER PERSONS; AND PROVIDING PENALTIES.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 through 10] may be cited as the "Montana Elder Abuse Prevention Act".

Section 2. **Legislative findings and purpose.** The legislature finds that a need exists to provide for cooperation among law enforcement officials and agencies, courts, and state and county agencies providing human services in preventing the abuse, neglect, and exploitation of Montana's elderly through the identification and reporting of acts of such abuse, neglect, and exploitation.

Section 3. **Definitions.** As used in [sections 1 through 10], the following definitions apply:

(1) "Abuse" means the infliction of physical or mental injury or the deprivation of food, shelter, clothing, or services necessary to maintain the physical or mental health of an older person.

(2) "Exploitation" means the unethical use of an older person, his money, or his property to the advantage of another.

(3) "Long-term care facility" means a facility defined in 50-5-101(20).

(4) "Mental injury" means an identifiable and substantial impairment of an older person's intellectual or psychological functioning or well-being.

(5) "Neglect" means the failure of a guardian, employee of a public or private residential institution, facility, home, or agency, or any other person legally responsible in a residential setting for an older person's welfare to care for an older person by failing to provide food, shelter, clothing, or services necessary to maintain the physical or mental health of the older person.

(6) "Older person" means a person who is at least 60 years of age.

(7) "Physical injury" means death, permanent or temporary disfigurement, or impairment of any bodily organ or function.

Section 4. **Reports.** (1) When the professionals and other persons listed in subsection (3) know or have reasonable cause to suspect that an older person known to them in their professional or official capacities has been subjected to abuse, exploitation, or neglect, they shall:

HeinOnline -- 1983 vol. II 1490 1983

(a) if the older person is not a resident of a long-term care facility, report the matter to:

(i) the department of social and rehabilitation services or its local affiliate;

(ii) the county attorney of the county in which the older person resides or in which the acts that are the subject of the report occurred;

(b) if the older person is a resident of a long-term care facility, report the matter to the long-term care ombudsman appointed under the provisions of 42 U.S.C. 3027(a)(12) and to the department of health and environmental sciences. The department shall investigate the matter pursuant to its authority in 50-5-204 and, if it finds any allegations of abuse, exploitation, or neglect contained in the report to be substantially true, forward a copy of the report to the department of social and rehabilitation services and to the county attorney as provided in subsection (1)(a)(ii).

(2) If the report required in subsection (1) involves an act or omission of the department of social and rehabilitation services which may be construed as abuse, exploitation, or neglect, a copy of the report may not be sent to the department but must be sent instead to the county attorney of the county in which the older person resides or in which the acts that are the subject of the report occurred.

(3) Professionals and other persons required to report are:

(a) a physician, resident, intern, professional or practical nurse, physician's assistant, or member of a hospital staff engaged in the admission, examination, care, or treatment of persons;

(b) an osteopath, dentist, chiropractor, optometrist, podiatrist, medical examiner, coroner, or any other health or mental health professional;

(c) an ambulance attendant;

(d) a social worker or other employee of the state, a county, or a municipality assisting an older person in the application for or receipt of public assistance payments or services;

(e) a person who maintains or is employed by a roominghouse, retirement home, nursing home, group home, or adult foster care home;

(f) an attorney, unless he acquired knowledge of the facts required to be reported from a client and the attorney-client privilege applies; and

(g) a peace officer or other law enforcement official.

(4) Any other person may submit a report as provided in subsection (1).

Section 5. **Content of report.** (1) The report required by [section 4] may be made in writing or orally, by telephone or in person. A person who receives an oral report must prepare it in writing as soon as possible.

(2) The report referred to under this section shall contain:

(a) the names and addresses of the older person and the person, if any, responsible for his care;

HeinOnline -- 1983 vol. II 1491 1983

(b) the name and address, if available, of the person who is alleged to have abused, neglected, or exploited the older person;

(c) to the extent known, the person's age and the nature and extent of the abuse, neglect, or exploitation, including any evidence of previous injuries sustained by the older person; and

(d) the name and address of the person making the report.

Section 6. **Confidentiality.** (1) The case records of the department of social and rehabilitation services and its local affiliate, the county welfare department, the county attorney, and the court, concerning actions taken under [this act], and all reports made pursuant to [section 4] shall be kept confidential except as provided by this section.

(2) The records and reports required to be kept confidential by [section 6(1)] may be disclosed upon request, to the following persons or entities in this or any other state:

(a) a physician who has in his care an older person who he reasonably believes was abused, neglected, or exploited;

(b) a legal guardian or conservator of the older person if the identity of the person who made the report is protected and the legal guardian or conservator is not the person suspected of the abuse, neglect, or exploitation;

(c) the person named in the report as allegedly being abused, neglected, or exploited if that person is not legally incompetent; and

(d) any person engaged in bona fide research if the person alleged in the report to have committed the abuse, exploitation, or neglect is later convicted of an offense constituting abuse, exploitation, or neglect and if the identity of the older person who is the subject of the report is not disclosed to the researcher.

(3) The records and reports required to be kept confidential by [section 6(1)] shall be disclosed upon request to the following persons or entities in this or any other state:

(a) a county attorney or other law enforcement official who requires the information in connection with an investigation of a violation of [sections 1 through 10];

(b) a court which has determined, in camera, that public disclosure of the report, data, information, or record is necessary for the determination of an issue before it;

(c) a grand jury upon its determination that the report, data, information, or record is necessary in the conduct of its official business.

(4) If the person who is reported to have abused, neglected, or exploited an older person is the holder of a license, permit, or certificate issued by the department of commerce or any other entity of state government under the provisions of Title 37, the report may be submitted to the entity that issued the license, permit, or certificate.

HeinOnline -- 1983 vol. II 1492 1983

Section 7. **Immunity from civil and criminal liability.** Any person who makes a report required or authorized to be made under [section 4] is immune from civil or criminal liability which might otherwise be incurred or imposed as a result of such a report unless the report is false in any material respect and the person acted in bad faith or with malicious purpose.

Section 8. **Admissibility of evidence.** In any proceeding resulting from a report made pursuant to the provisions of [sections 1 through 10] or in any proceeding where the report or its content is sought to be introduced into evidence, the report or its content or any other fact related to the report or to the condition of the older person who is the subject of the report may not be excluded on the ground that the matter is or may be the subject of a privilege granted in Title 26, chapter 1, part 8, except the attorney-client privilege granted by 26-1-803.

Section 9. **Duties of department of social and rehabilitation services.** (1) The department of social and rehabilitation services shall prepare an annual report of the information obtained pursuant to the reporting requirement of [this act].

(2) The department shall, when appropriate, provide protective services under Title 53, chapter 5, part 2, for an older person alleged to have been abused, neglected, or exploited.

Section 10. **Penalty.** Any person who purposely or knowingly fails to make a report required by [section 4] or discloses or fails to disclose the contents of a case record or report in violation of [section 6] is guilty of a misdemeanor and upon conviction is punishable as provided in 46-18-212.

Section 11. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Approved April 25, 1983.

CHAPTER NO. 624

AN ACT MAKING PERMANENT THE 1-CENT MOTOR FUELS TAX INCREMENT ENACTED IN 1979; RAISING THE MOTOR FUELS TAX RATES 6 CENTS PER GALLON EFFECTIVE JULY 1, 1983; INCREASING THE ALLOCATION TO COUNTIES, TOWNS, AND CITIES; AMENDING SECTIONS 15-70-101, 15-70-204, AND 15-70-321, MCA; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Chapter 632, Laws of 1979, imposed a tax of 1 cent per gallon of gasoline in addition to the tax of 8 cents per gallon imposed in section 15-70-204, MCA, and a tax of 1 cent per gallon of diesel fuel and volatile liquids in addition to the tax of 10 cents per gallon imposed in section 15-70-321, MCA; and

HeinOnline -- 1983 vol. II 1493 1983

WHEREAS, the tax increments of 1 cent per gallon enacted in Chapter 632, Laws of 1979, expire on July 1, 1983; and

WHEREAS, the Legislature intends to make permanent the increases of 1 cent per gallon enacted in Chapter 632, Laws of 1979, and to continue their imposition and collection after July 1, 1983, to raise funds for the department of highways in the earmarked special revenue fund; and

WHEREAS, the Legislature intends to increase the tax on gasoline by an additional 6 cents per gallon effective July 1, 1983, and to increase the tax on diesel fuel and volatile liquids by an additional 6 cents per gallon effective July 1, 1983.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-70-204, MCA, is amended to read:

"15-70-204. Gasoline license tax — rate. (1) Every distributor shall pay to the department of revenue a license tax for the privilege of engaging in and carrying on business in this state in an amount equal to 1 cent for each gallon of aviation gasoline, which shall be allocated to the department of commerce as provided by 67-1-301, as amended, and *15* cents for each gallon of all other gasoline distributed by him within the state and upon which the gasoline license tax has not been paid by any other distributor.

(2) Gasoline exported or sold for export out of the state shall not be included in the measure of the distributor's license tax.

(3) Gasohol shall be subject to gasoline license taxes in accordance with the following schedule:

(a) beginning April 1, 1979, gasohol shall be taxed at the rate of 2 cents per gallon;

(b) beginning April 1, 1985, gasohol shall be taxed at the rate of 4 cents per gallon;

(c) beginning April 1, 1987, gasohol shall be taxed at the rate of 6 cents per gallon.

(4) If at any time the gasoline license tax is lower than the current applicable tax on gasohol, the lower tax rate shall be adopted for gasohol."

Section 2. Section 15-70-321, MCA, is amended to read:

"15-70-321. Tax on diesel fuel and volatile liquids. The department shall, under the provisions of rules issued by it, collect or cause to be collected from the owners or operators of motor vehicles a tax in an amount equal to *17* cents for each gallon of diesel fuel or other volatile liquid, except liquid petroleum gas, of less than 46 degrees A.P.I. (American petroleum institute) gravity test when actually sold or used to produce motor power to propel motor vehicles upon the public highways or streets within the state or used in motor vehicles, motorized equipment, and the internal combustion of any and all engines, including stationary engines, used in connection with any and all work performed under any and all

HeinOnline -- 1983 vol. II 1494 1983

contracts pertaining to the construction, reconstruction, or improvement of any highway or street and their appurtenances awarded by any and all public agencies, including federal, state, county, municipal, or other political subdivisions."

Section 3. Section 15-70-101, MCA, is amended to read:

"15-70-101. Disposition of funds. All taxes, interest, and penalties collected under this chapter shall be turned over promptly to the state treasurer who shall place the same in the earmarked *special* revenue fund to the credit of the department of highways, except those funds hereinbelow allocated to cities, towns, and counties, which funds shall be paid by the state treasurer directly to such cities, towns, and counties.

(1) *$14,000,000* of the funds collected under this chapter shall be allocated each fiscal year on a monthly basis to the counties and incorporated cities and towns in Montana for construction, reconstruction, maintenance, and repair of rural roads and city or town streets and alleys, as provided in subsections (a) and (b) hereof:

(a) *$6,350,000* shall be divided among the various counties in the following manner:

(i) 40% in the ratio that the rural road mileage in each county, exclusive of the federal-aid interstate system and the federal-aid primary system, bears to the total rural road mileage in the state, exclusive of the federal-aid interstate system and the federal-aid primary system;

(ii) 40% in the ratio that the rural population in each county outside incorporated cities and towns bears to the total rural population in the state outside incorporated cities and towns;

(iii) 20% in the ratio that the land area of each county bears to the total land area of the state;

(b) *$7,650,000* shall be divided among the incorporated cities and towns in the following manner:

(i) 50% of the sum in the ratio that the population within the corporate limits of the city or town bears to the total population within corporate limits of all the cities and towns in Montana;

(ii) 50% in the ratio that the city or town street and alley mileage, exclusive of the federal-aid interstate system and the federal-aid primary system, within corporate limits bears to the total street and alley mileage, exclusive of the federal-aid interstate system and federal-aid primary system, within the corporate limits of all cities and towns in Montana.

(2) All funds hereby allocated to counties, cities, and towns shall be used exclusively for the construction, reconstruction, maintenance, and repair of rural roads, city or town streets and alleys or for the share which such city, town, or county might otherwise expend for proportionate matching of federal funds allocated for the construction of roads or streets which are part of the federal-aid primary or secondary highway system or urban extensions thereto.

HeinOnline -- 1983 vol. II 1495 1983

(3) Upon receipt of the allocation provided herein, the governing bodies of the recipient counties, cities, and towns shall inform the department of highways of the purposes for which the funds will be expended so that the county commissioners, the governing body, and the department of highways may coordinate the expenditure of public funds for road improvements.

(4) All funds hereby allocated to counties, cities, and towns shall be disbursed to the lowest responsible bidder according to applicable bidding procedures followed in all cases where the contract for construction, reconstruction, maintenance, or repair is in excess of $4,000.

(5) For the purposes of this section where distribution of funds is made on a basis related to population, the population shall be determined by the last preceding official federal census.

(6) For the purposes of this section where determination of mileage is necessary for distribution of funds, it shall be the responsibility of the cities, towns, and counties to furnish to the department of highways and state treasurer a yearly certified statement indicating the total mileage within their respective areas applicable to this chapter. All mileage submitted shall be subject to review and approval by the department of highways.

(7) None of the funds authorized by this section shall be used for the purchase of capital equipment.

(8) Funds authorized by this section shall be used for construction and maintenance programs only."

Section 4. **Effective date.** This act is effective on July 1, 1983.

Approved April 26, 1983.

CHAPTER NO. 625

AN ACT TO RESTRUCTURE THE MILL LEVIES FOR LOCAL GOVERNMENT MEDICAL FACILITIES; AMENDING SECTIONS 7-34-2134, 7-34-2417, 53-2-321, AND 53-2-322, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Levy of county taxes.** The board of county commissioners may, annually at the time of levying county taxes, fix and levy a tax, not to exceed 10 mills on each dollar of taxable valuation of property, upon all property within the county for the erection, maintenance, and operation of county-owned or county-operated hospitals and nursing homes, or other hospital facilities created under 7-8-2102, 7-34-2201, 7-34-2301, and 7-34-2502. "Hospital facilities" as used in this section means a hospital or hospital-related facility, including out-patient facilities, public health centers, rehabilitation facilities, long-term care facilities,

HeinOnline -- 1983 vol. II 1496 1983

and infirmaries. The combined total number of mills levied under this section and for the county poor fund, under 53-2-321, may not exceed 18 mills. A higher levy may be made upon compliance with 7-6-2531 through 7-6-2537. If a hospital district is created under Title 7, chapter 34, part 21, the mill levy authorized by this section may not be imposed on property within that hospital district.

Section 2. Section 7-34-2134, MCA, is amended to read:

"7-34-2134. Special additional mill levy authorized. If the maximum levy of 3 mills on each dollar of taxable valuation of property within the hospital district is inadequate to raise the amount of money certified as necessary and proper by the board of hospital trustees as provided in 7-34-2132, the board of county commissioners may make an additional levy for 2 years upon the taxable property within said hospital district sufficient to raise the amount certified by the board of hospital trustees."

Section 3. Section 7-34-2417, MCA, is amended to read:

"7-34-2417. Special tax levy authorized. In the event the bonds become delinquent or cannot be paid from ordinary revenues of the facility, a county which has issued bonds under 7-34-2411 may levy taxes on all taxable property within the county in the manner provided for public hospital districts under 7-34-2133, 7-34-2134, 7-34-2135(1), and 7-34-2136, *up to a maximum of* 3 mills not submitted to a vote of the people and 3 additional mills approved by a vote of the people."

Section 4. Section 53-2-321, MCA, is amended to read:

"53-2-321. County authorized to care for indigent and levy taxes therefor. The board of county commissioners has jurisdiction and power under such limitations and restrictions as are prescribed by law to provide for the care and maintenance of the indigent sick, except as otherwise provided in other parts of this title, or the otherwise dependent poor of the county; and for said purposes to levy and collect annually a tax on property not exceeding 13 ½ mills, which levy shall be made at the time other tax levies are made on property, as provided by law."

Section 5. Section 53-2-322, MCA, is amended to read:

"53-2-322. County to levy taxes, budget, and make expenditures for public assistance activities. (1) The board of county commissioners in each county shall levy 13.5 mills for the county poor fund as provided by law or so much thereof as may be necessary. The board shall budget and expend so much of the funds in the county poor fund for public assistance purposes as will enable the county welfare department to pay the general relief activities of the county and to reimburse the department of social and rehabilitation services for the county's proportionate share of the administrative costs of the county welfare department and of all public assistance and its proportionate share of any other public assistance activity that may be carried on jointly by the state and the county.

(2) The amounts set up in the budget for the reimbursements to the department of social and rehabilitation services shall be sufficient to make all of these reimbursements in full. The budget shall make separate provision for each one of these public assistance activities, and proper accounts shall be established for the funds for all such activities.

HeinOnline -- 1983 vol. II 1497 1983

(3) As soon as the preliminary budget provided for in 7-6-2315 has been agreed upon, a copy thereof shall without delay be mailed to the department of social and rehabilitation services, and at any time before the final adoption of the budget, the department shall make such recommendations with regard to changes in any part of the budget relating to the county poor fund as considered necessary in order to enable the county to discharge its obligations under the public assistance laws.

(4) The department of social and rehabilitation services shall promptly examine the preliminary budget in order to ascertain if the amounts provided for reimbursements to the department are likely to be sufficient and shall notify the county clerk of its findings. The board shall make such changes in the amounts provided for reimbursements, if any are required, in order that the county will be able to make the reimbursements in full.

(5) The board of county commissioners may not make any transfer from the amounts budgeted for reimbursing the department of social and rehabilitation services without having first obtained a statement in writing from the department to the effect that the amount to be transferred will not be required during the fiscal year for the purposes for which the amounts were provided in the budget.

(6) No part of the county poor fund, irrespective of the source of any part thereof, may be used directly or indirectly for the erection or improvement of any county building so long as the fund is needed for general relief expenditures by the county or is needed for paying the county's proportionate share of public assistance or its proportionate share of any other public assistance activity that may be carried on jointly by the state and the county. Expenditures for improvement of any county buildings used directly for care of the poor, *except a county hospital or county nursing home*, may be made out of any moneys in the county poor fund, whether such moneys are produced by the 13.5-mill levy provided for in subsection (1) of this section or from any additional levy authorized or to be authorized by law. Such expenditure shall be authorized only when any county building used for the care of the poor must be improved in order to meet legal standards required for such buildings by the department of health and environmental sciences and when such expenditure has been approved by the department of social and rehabilitation services."

Section 6. **Effective date.** This act is effective July 1, 1983.

Approved April 26, 1983.

CHAPTER NO. 626

AN ACT TO AUTHORIZE INCREASED EMERGENCY EXPENDITURES BY THE GOVERNOR; AMENDING SECTION 10-3-312, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 10-3-312, MCA, is amended to read:

"10-3-312. Maximum expenditure in biennium. Whenever an emergency or disaster is declared by the governor, he is authorized to

HeinOnline -- 1983 vol. II 1498 1983

expend from the general fund not to exceed *$1,000,000* in any one biennium."

Section 2. **Effective date.** This act is effective July 1, 1983.

Approved April 26, 1983.

CHAPTER NO. 627

AN ACT TO PROVIDE FUNDS FOR NONGAME WILDLIFE PROGRAMS IN MONTANA; TO PROVIDE FOR CERTAIN RESTRICTIONS ON THE USE OF SUCH FUNDS; TO PROVIDE FOR FISH AND GAME COMMISSION APPROVAL OF THE USE OF SUCH FUNDS; AMENDING SECTION 87-5-102, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 87-5-102, MCA, is amended to read:

"**87-5-102. Definitions.** As used in this part, the following definitions apply:

(1) "Account" means the nongame wildlife account established in [section 2].

(2) "Ecosystem" means a system of living organisms and their environment, each influencing the existence of the other and both necessary for the maintenance of life.

(3) "Endangered species" means any species or subspecies of wildlife actively threatened with extinction due to any of the following factors:

(a) the destruction, drastic modification, or severe curtailment of its habitat;

(b) its overutilization for scientific, commercial, or sporting purposes;

(c) the effect on it of disease, pollution, or predation;

(d) other natural or man-made factors affecting its prospects of survival or recruitment within the state; or

(e) any combination of the foregoing factors.

(4) "Management" means the collection and application of biological information for the purposes of increasing the number of individuals within species and populations of wildlife up to the optimum carrying capacity of their habitat and maintaining such levels. The term includes the entire range of activities that constitute a modern scientific resource program including but not limited to research, census, law enforcement, habitat improvement, and education. Also included within the term, when and where appropriate, is the periodic or total protection of species or populations as well as regulated taking.

(5) "Nongame wildlife" means any wild mammal, bird, amphibian, reptile, fish, mollusk, crustacean, or other wild animal not otherwise legally

HeinOnline -- 1983 vol. II 1499 1983

classified by statute or regulation of this state. Animals designated by statute or regulation of this state as predatory in nature are not classified as nongame wildlife for purposes of this part.

(6) "Optimum carrying capacity" means that point at which a given habitat can support healthy populations of wildlife species, having regard to the total ecosystem, without diminishing the ability of the habitat to continue that function.

(7) "Person" means any individual, firm, corporation, association, or partnership.

(8) "Take" means to harass, hunt, capture, or kill or attempt to harass, hunt, capture, or kill wildlife.

(9) "Wildlife" means any wild mammal, bird, reptile, amphibian, fish, mollusk, crustacean, or other wild animal or any part, product, egg, or offspring or the dead body or parts thereof."

Section 2. **Nongame wildlife account.** (1) There is a nongame wildlife account in the earmarked revenue fund provided for in 17-2-102.

(2) All money collected under [section 3] must be deposited in the account, except as provided in subsection (6).

(3) Money in the account must be used by the department, upon the approval of the commission as determined under [section 4], to provide adequate funding for:

(a) research and education programs on nongame wildlife in Montana, as provided for in 87-5-104; and

(b) any management programs for nongame wildlife approved by the legislature under 87-5-105 as species or subspecies in need of management.

(4) The money is available to the department in the same manner as provided in 87-1-601, except that no money collected under [this act] may be used:

(a) for the purchase of any real property; or

(b) in such a way as to interfere with the production on or management of private property.

(5) Money derived from tax checkoff contributions to the account will replace license fee funding for nongame wildlife programs after June 30, 1985, and may not be used to replace money that would otherwise be appropriated for nongame wildlife programs.

(6) The department of revenue may deduct from collections an amount not to exceed $6,638 in fiscal year 1984 and $4,238 in fiscal year 1985 for administering the voluntary checkoff program. The department is authorized to spend the amounts and hire necessary personnel, and shall provide an itemized accounting to the 49th legislature of the cost of administering the checkoff program during fiscal years 1984 and 1985.

HeinOnline -- 1983 vol. II 1500 1983

Section 3. **Voluntary checkoff for nongame wildlife programs.** (1) Each individual taxpayer who is required to file an income tax return under Title 15, chapter 30, and who is entitled to a refund may contribute to the funding of nongame wildlife programs in Montana by marking the appropriate box on the state income tax return.

(2) The department of revenue shall include on each Montana state individual income tax return form a clear and conspicuous provision by which the taxpayer may indicate a contribution to nongame wildlife programs from the taxpayer's refunded amount. The provision shall be in substantially the following form:

Montana nongame wildlife funding. Check the appropriate blank if you wish to designate _____$2, _____$5, or _____$10 of your tax refund to fund nongame wildlife programs in Montana. If a joint return, check the appropriate blank if your spouse wishes to designate _____$2, _____$5, or _____$10 for the same purpose.

(3) Money received under this section must be deposited in the nongame wildlife account established by [section 2].

Section 4. **Duties of commission.** (1) The commission shall review and approve annually the nongame wildlife programs projects recommended by the department for funding from the nongame wildlife account. The commission shall provide for public comment during the review and approval process.

(2) The commission may adopt rules governing:

(a) the use of the nongame wildlife account set forth in [section 2]; and

(b) the review and approval process set forth in subsection (1).

Section 5. **Report.** The department shall report to the 50th legislature the results of any program using money from the nongame wildlife account and shall list in detail how the money collected was used.

Section 6. **Codification instruction.** (1) Sections 2 and 4 are intended to be codified as an integral part of Title 87, chapter 5, part 1, and the provisions of Title 87, chapter 5, part 1, apply to sections 2 and 4.

(2) Section 3 is intended to be codified as an integral part of Title 15, chapter 30, part 1, and the provisions of Title 15, chapter 30, apply to section 3.

Section 7. **Applicability — termination.** (1) This act applies to tax returns which by law are required to be filed after January 1, 1984.

(2) This act shall terminate December 31, 1987.

Approved April 26, 1983.

HeinOnline -- 1983 vol. II 1501 1983

CHAPTER NO. 628

AN ACT PROVIDING FOR STATEWIDE ACCESS TO HEALTH INFORMATION THROUGH A CENTRAL INFORMATION CENTER OPERATED BY A PRIVATE NONPROFIT CORPORATION UNDER CONTRACT WITH THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES; PROVIDING AN APPROPRIATION FOR A CENTRAL HEALTH INFORMATION CENTER; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, a central access point within the state is needed to provide consumer-oriented health information to lay persons and health professionals on physical and mental diseases, disorders, and concerns; and

WHEREAS, there are within the state of Montana many groups, organizations, and health care specialists available to comfort, diagnose, treat, or otherwise assist and inform persons regarding health problems, but because many of those persons and groups, both professional and lay, perform services that may not be publicly known, either locally or statewide; and

WHEREAS, health information is currently being gathered in each county and the collected data is a comprehensive compendium of available resources within a county; and

WHEREAS, there is a demonstrable need for this information to be available statewide, to be updated, and to be available to lay persons and health care professionals on a current basis.

THEREFORE, it is the intent of this act to develop a central health information center to assure statewide access to current health information.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Health information services.** (1) There is a health information center, administered under the provisions of subsection (3) by the department of health and environmental sciences.

(2) The health information center shall provide a central access point to provide updated consumer-oriented information to lay persons and health care professionals regarding:

(a) health problems of lay individuals in areas of specific diseases, disorders, and health choices;

(b) assistance in accessing the existing health care delivery system;

(c) health support groups, such as lay groups who organize to address widespread or unique health problems such as cancer or kidney disorders by providing patient counseling; and

(d) other health service issues and problems.

HeinOnline -- 1983 vol. II 1502 1983

(3) The health information center must be operated by a private nonprofit corporation under contract to the department of health and environmental sciences.

Section 2. **Appropriation.** There is appropriated from the general fund $94,800 to the department of health and environmental sciences for one year, for the implementation of this act.

Section 3. **Effective date.** This act is effective July 1, 1983.

Approved April 26, 1983.

CHAPTER NO. 629

AN ACT TO INCREASE THE MAXIMUM GENERAL FUND BUDGET SCHEDULES FOR ELEMENTARY SCHOOLS AND HIGH SCHOOLS; AMENDING SECTIONS 20-9-316 THROUGH 20-9-319, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 20-9-316, MCA, is amended to read:

"20-9-316. Elementary school maximum budget schedule for 1983-84. (1) For each elementary school having an ANB of nine or fewer pupils, the maximum shall be *$18,627* if said school is approved as an isolated school.

(2) For schools with an ANB of 10 pupils but less than 18 pupils, the maximum shall be *$18,627* plus *$778.50* per pupil on the basis of the average number belonging over nine.

(3) For schools with an ANB of 18 pupils and employing one teacher, the maximum shall be *$25,634* plus *$778.50* per pupil on the basis of the average number belonging over 18, not to exceed an ANB of 25.

(4) For schools with an ANB of 18 pupils and employing two full-time teachers, the maximum shall be *$40,926* plus *$487.50* per pupil on the basis of the average number belonging over 18, not to exceed an ANB of 50.

(5) For schools having an ANB in excess of 40, the maximum on the basis of the total pupils (ANB) in the district for elementary pupils will be as follows:

(a) For a school having an ANB of more than 40 and employing a minimum of three teachers, the maximum of *$1,809* shall be decreased at the rate of *$1.76* for each additional pupil until the total number (ANB) shall have reached a total of 100 pupils.

(b) For a school having an ANB of more than 100 pupils, the maximum of *$1,703* shall be decreased at the rate of *$1.61* for each additional pupil until the ANB shall have reached 300 pupils.

(c) For a school having an ANB of more than 300 pupils, the maximum shall not exceed *$1,382* for each pupil.

HeinOnline -- 1983 vol. II 1503 1983

(6) The maximum per pupil for all pupils (ANB) and for all elementary schools shall be computed on the basis of the amount allowed herein on account of the last eligible pupil (ANB). All elementary schools operated within the incorporated limits of a city or town shall be treated as one school for the purpose of this schedule."

Section 2. Section 20-9-317, MCA, is amended to read:

"20-9-317. High school maximum budget schedule for 1983-84. (1) For each high school having an ANB of 24 or fewer pupils, the maximum shall be *$106,155*.

(2) For a secondary school having an ANB of more than 24 pupils, the maximum *$4,423* shall be decreased at the rate of *$24.12* for each additional pupil until the ANB shall have reached a total of 40 such pupils.

(3) For a school having an ANB of more than 40 pupils, the maximum of *$4,037* shall be decreased at the rate of *$24.12* for each additional pupil until the ANB shall have reached 100 pupils.

(4) For a school having an ANB of more than 100 pupils, a maximum of *$2,590* shall be decreased at the rate of *$4.04* for each additional pupil until the ANB shall have reached 200 pupils.

(5) For a school having an ANB of more than 200 pupils, the maximum of *$2,186* shall be decreased by *$2.22* for each additional pupil until the ANB shall have reached 300 pupils.

(6) For a school having an ANB of more than 300 pupils, the maximum of *$1,964* shall be decreased at the rate of *41* cents until the ANB shall have reached 600 pupils.

(7) For a school having an ANB over 600 pupils, the maximum shall not exceed *$1,842* per pupil.

(8) The maximum per pupil for all pupils (ANB) and for all high schools shall be computed on the basis of the amount allowed herein on account of the last eligible pupil (ANB). All high schools and junior high schools which have been approved and accredited as junior high schools, operated within the incorporated limits of a city or town, shall be treated as one school for the purpose of this schedule."

Section 3. Section 20-9-318, MCA, is amended to read:

"20-9-318. Elementary school maximum budget schedule for 1984-85 and succeeding years. *For 1984-85 and succeeding school years, the elementary school maximum budget schedule is as follows:*

(1) For each elementary school having an ANB of nine or fewer pupils, the maximum shall be *$19,186* if said school is approved as an isolated school.

(2) For schools with an ANB of 10 pupils but less than 18 pupils, the maximum shall be *$19,186* plus *$801.80* per pupil on the basis of the average number belonging over nine.

HeinOnline -- 1983 vol. II 1504 1983

(3) For schools with an ANB of 18 pupils and employing one teacher, the maximum shall be *$26,403* plus *$801.80* per pupil on the basis of the average number belonging over 18, not to exceed an ANB of 25.

(4) For schools with an ANB of 18 pupils and employing two full-time teachers, the maximum shall be *$42,154* plus *$502.10* per pupil on the basis of the average number belonging over 18, not to exceed an ANB of 50.

(5) For schools having an ANB in excess of 40, the maximum on the basis of the total pupils (ANB) in the district for elementary pupils will be as follows:

(a) For a school having an ANB of more than 40 and employing a minimum of three teachers, the maximum of *$1,863* shall be decreased at the rate of *$1.81* for each additional pupil until the total number (ANB) shall have reached a total of 100 pupils.

(b) For a school having an ANB of more than 100 pupils, the maximum of *$1,754* shall be decreased at the rate of *$1.65* for each additional pupil until the ANB shall have reached 300 pupils.

(c) For a school having an ANB of more than 300 pupils, the maximum shall not exceed *$1,424* for each pupil.

(6) The maximum per pupil for all pupils (ANB) and for all elementary schools shall be computed on the basis of the amount allowed herein on account of the last eligible pupil (ANB). All elementary schools operated within the incorporated limits of a city or town shall be treated as one school for the purpose of this schedule."

Section 4. Section 20-9-319, MCA, is amended to read:

"20-9-319. High school maximum budget schedule for 1984-85 and succeeding years. *For 1984-85 and succeeding school years, the high school maximum budget schedule is as follows:*

(1) For each high school having an ANB of 24 or fewer pupils, the maximum shall be *$109,340.*

(2) For a secondary school having an ANB of more than 24 pupils, the maximum *$4,556* shall be decreased at the rate of *$24.85* for each additional pupil until the ANB shall have reached a total of 40 such pupils.

(3) For a school having an ANB of more than 40 pupils, the maximum of *$4,158* shall be decreased at the rate of *$24.85* for each additional pupil until the ANB shall have reached 100 pupils.

(4) For a school having an ANB of more than 100 pupils, a maximum of *$2,667* shall be decreased at the rate of *$4.16* for each additional pupil until the ANB shall have reached 200 pupils.

(5) For a school having an ANB of more than 200 pupils, the maximum of *$2,252* shall be decreased by *$2.28* for each additional pupil until the ANB shall have reached 300 pupils.

(6) For a school having an ANB of more than 300 pupils, the maximum of *$2,023* shall be decreased at the rate of *42* cents until the ANB shall have reached 600 pupils.

HeinOnline -- 1983 vol. II 1505 1983

(7) For a school having an ANB over 600 pupils, the maximum shall not exceed *$1,897* per pupil.

(8) The maximum per pupil for all pupils (ANB) and for all high schools shall be computed on the basis of the amount allowed herein on account of the last eligible pupil (ANB). All high schools and junior high schools which have been approved and accredited as junior high schools, operated within the incorporated limits of a city or town, shall be treated as one school for the purpose of this schedule."

Section 5. **Effective date.** This act is effective on passage and approval.

Approved April 26, 1983.

CHAPTER NO. 630

AN ACT TO ALLOW THE MONTANA WHEAT RESEARCH AND MARKETING COMMITTEE TO AUTHORIZE THE DEPARTMENT OF AGRICULTURE TO ENTER INTO INSURANCE CONTRACTS TO PROVIDE PARTIAL REIMBURSEMENT TO A GRAIN PRODUCER WHO SUFFERS A LOSS BECAUSE OF A GRAIN DEALER'S BANKRUPTCY OR A GRAIN DEALER'S WRONGFUL DISPOSITION OF GRAIN DELIVERED TO HIM; AMENDING SECTIONS 80-11-201 AND 80-11-205, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A TERMINATION DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 80-11-201, MCA, is amended to read:

"80-11-201. Definitions. As used in this part, unless the context requires otherwise, the following definitions apply:

(1) "Commercial channels" means the sale of wheat or barley for any use when sold to any commercial buyer, dealer, processor, cooperative, or to any person, public or private, who resells any wheat or barley or product produced from wheat or barley.

(2) "Committee" means the Montana wheat research and marketing committee provided for in 2-15-3002.

(3) "First purchaser" means any person, public or private corporation, association, or partnership buying, accepting for shipment, or otherwise acquiring the property in or to wheat or barley from a grower and shall include a mortgagee, pledgee, lienor, or other person, public or private, having a claim against the grower, where the actual or constructive possession of such wheat or barley is taken as part payment or in satisfaction of such mortgage, pledge, lien, or claim.

(4) "Grain" means wheat or barley.

(5) "Grain dealer" means any person, association, dealer, partnership, or corporation or its agent or representative who is licensed by the state

HeinOnline -- 1983 vol. II 1506 1983

or federal government and engaged in the business of buying, receiving, selling, exchanging, warehousing, or negotiating for the sale of grain. The term also includes anyone who solicits the sale, resale, exchange, or transfer of any grain purchased from a grower; receives grain on consignment from a grower; or receives grain to be handled on a net return basis from the grower.

(6) "Grower" means any landowner personally engaged in growing wheat or barley, a tenant of the landowner personally engaged in growing wheat or barley, or both the owner and the tenant jointly; and includes a person, partnership, association, corporation, cooperative, trust, sharecropper, and any and all other business units, devices, and arrangements.

(7) "Loss" means any monetary loss to a grower resulting from the delivery of grain to a grain dealer due to an extraordinary cause, including but not limited to bankruptcy, embezzlement, theft, or fraudulent disposition by the grain dealer.

(8) "Sale" includes any pledge or mortgage of wheat or barley after harvest to any person, public or private.

(9) "Warehousing" means any method by which grain owned by another is held for him by one who is not the direct owner of the grain. The term does not include transportation of grain for another."

Section 2. Section 80-11-205, MCA, is amended to read:

"80-11-205. Powers of the committee. (1) The committee may:

(a) adopt rules necessary for the administration of this part;

(b) provide, through the department, for the enforcement of this part;

(c) provide for the conduct of research into the production, marketing, and uses of wheat and barley;

(d) enter into contracts or agreements with Montana state university and other local, state, or national organizations, public or private, for the purposes of improving wheat or barley quality, increasing the efficiency of production, developing marketing knowledge, developing markets, determining new uses for wheat or barley, developing alternative crops for wheat or barley, and carrying out all research and marketing contemplated by this part. The committee may not establish research units or agencies of its own.

(e) authorize the department to enter into insurance contracts and pay premiums therefor from the wheat research and marketing account for the purpose of providing insurance coverage to growers who, after the contract has been entered into, suffer a loss as defined in [section 1].

(2) No researchers or professional or scientific personnel may be employed to carry out this part except as provided in subsection (1)(d) of this section.

(3) None of the powers or duties provided for in this part permit participation in state or federal political action by the committee."

HeinOnline -- 1983 vol. II 1507 1983

Section 3. **Insurance contracts — administration — purpose.** The department shall, through rules it adopts, administer the purchase of insurance contracts authorized under 80-11-205(1)(e) and administer the dispersal of money received for losses covered by the insurance contracts. The insurance contracts shall be purchased for the benefit of growers who have delivered grain to grain dealers. It is the goal of the legislature that the insurance contracts, within available resources, compensate growers for up to 80% of losses to their grain while it is in the control of a grain dealer.

Section 4. **Codification instruction.** Section 3 is intended to be codified as an integral part of Title 80, chapter 11, part 2, and the provisions of Title 80. chapter 11, part 2, apply to section 3.

Section 5. **Effective date.** This act is effective on passage and approval.

Section 6. **Termination date.** This act terminates July 1, 1985.

Approved April 26, 1983.

CHAPTER NO. 631

AN ACT ALLOWING THE PAYMENT OF FEES IN CONNECTION WITH THE SALE OF COUNTY GENERAL OBLIGATION, MUNICIPAL GENERAL OBLIGATION, AND SCHOOL DISTRICT BONDS; REDEFINING THE TERM "SERIAL BONDS" AS IT RELATES TO SUCH GENERAL OBLIGATION BONDS; AND ALLOWING FLEXIBILITY AS TO THE FIRST INTEREST PAYMENT DATE ON ALL SUCH BONDS; AMENDING SECTIONS 7-7-2211, 7-7-2251, 7-7-2254, 7-7-4210, 7-7-4251, 7-7-4254, 20-9-408, 20-9-430, AND 20-9-432, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 7-7-2211, MCA, is amended to read:

"**7-7-2211. Serial bonds.** The term "serial bonds", as used in this part, is hereby defined as being a bond issue payable in annual installments, one installment consisting of one or more bonds, becoming due and payable each year; *however,* the *principal* amount of bonds *maturing in each installment may not be more than three times the principal amount of the bonds maturing in the immediately preceding installment.*"

Section 2. Section 7-7-2251, MCA, is amended to read:

"**7-7-2251. (Revived July 1, 1983) Form of notice of sale of bonds.** The notice of sale shall state the purpose or purposes for which the bonds are to be issued and the amount proposed to be issued for each purpose and shall be substantially in the following form:

NOTICE OF SALE OF COUNTY BONDS

Notice is hereby given by the board of county commissioners of .... County, state of Montana, that the board will on the .... day of ...., 19..,

HeinOnline -- 1983 vol. II 1508 1983

at the hour of ....m., at the office of the board in the courthouse in the (town or city) of .... in the said county, sell to the highest and best bidder for cash, either amortization or serial bonds of the said county in the *principal* amount of .... dollars ($....) for the purpose of .....

Amortization bonds will be the first choice and serial bonds will be the second choice of the said board.

If amortization bonds are sold and issued, the entire issue may be put into one single bond or divided into several bonds, as the board may determine at the time of sale, both principal and interest to be payable in semiannual installments during a period of .... years from the date of issue.

If serial bonds are issued and sold, they will be in the amount of .... dollars ($....) each *and* will become payable *according to the maturity schedule set forth below (set forth maturity schedule adopted by the board of county commissioners).*

The bonds, whether amortization or serial bonds, will bear date of ...., 19.., and will bear interest at a rate not exceeding 6% per annum *commencing on the .... day of .... (month), 19.., and* payable semiannually on the .... day of .... (month) and .... (month) in each year *thereafter* and will be redeemable in full (here insert the optional provisions, if any, to be recited in the bonds).

The bonds will be sold for not less than their par value with accrued interest to date of delivery, and all bidders must state the lowest rate of interest at which they will purchase the bonds at par. The board reserves the right to reject any and all bids and to sell the bonds at private sale.

All bids other than by or on behalf of the board of investments of the state of Montana must be accompanied by a certified check in the sum of .... dollars, ($....), payable to the order of the clerk, which will be forfeited by the successful bidder in the event that he shall fail or refuse to complete the purchase of the bonds in accordance with the terms of his bid.

All bids should be addressed to the board of county commissioners of said county and delivered to the county clerk of said county.

ATTEST:

.....
(Chairman, Board of County Commissioners)
of .....County
State of Montana

.....
(Clerk of the Board of County Commissioners) of
County, Montana
Address ....., Montana"

Section 3. Section 7-7-2254, MCA, is amended to read:

"7-7-2254. Procedure for sale of bonds. (1) The board of county commissioners shall meet at the time and place fixed in the notice to consider bids for the bonds.

HeinOnline -- 1983 vol. II 1509 1983

(2) The bonds shall be sold at not less than par *with* accrued interest to date of delivery, and each bidder shall specify the form of bonds to be issued, whether amortization or serial, and the rate of interest at which he will purchase the bonds. A bid for amortization bonds shall have preference over a bid for serial bonds, all other things being equal. In determining the kind of bonds to be issued, the board shall take into consideration not only the rate of interest demanded on each kind but also all other known elements affecting the interests of the county. The board shall accept the bid which they shall judge most advantageous to the county. The board is authorized to reject any or all bids and to sell the bonds at private sale if they deem it for the best interests of the county; provided, however, that such bonds shall not be sold at less than par *with* accrued interest to date of delivery.

(3) *Consultants' fees and* attorneys' fees *may* be paid to any person or corporation for assisting in the proceedings, in the preparation of the bonds, or in negotiating the sale thereof."

Section 4. Section 7-7-4210, MCA, is amended to read:

"7-7-4210. Serial bonds. The term "serial bonds", as used in this part, is hereby defined as being a bond issue payable in annual installments, one installment consisting of one or more bonds, becoming due and payable each year*; however,* the *principal* amount of bonds *maturing in each installment may not be more than three times the principal amount of the bonds maturing in the immediately preceding installment.*"

Section 5. Section 7-7-4251, MCA, is amended to read:

"7-7-4251. (Revived July 1, 1983) Form of notice of sale of bonds. The notice of sale shall state the purpose or purposes for which the bonds are to be issued and the amount proposed to be issued for each purpose and shall be substantially in the following form:

NOTICE OF SALE OF (CITY OR TOWN) BONDS

Notice is hereby given by the council of the (city or town) of ...., Montana, that the council will, on the .... day of ...., 19.., at the hour of ... ...m., at its council chamber in the (city or town) of ...., Montana, sell to the highest and best bidder for cash either amortization or serial bonds of the said (city or town) in the total amount of .... dollars, ($....) for the purpose of .....

Amortization bonds will be the first choice and serial bonds will be the second choice of the council.

If amortization bonds are sold and issued, the entire issue may be put into one single bond or divided into several bonds as the council may determine at the time of sale, both principal and interest to be payable in semiannual installments during a period of .... years from the date of issue.

If serial bonds are issued and sold, they will be in the amount of .... dollars ($....) each *and* will become due and payable *according to the maturity schedule set forth below (set forth maturity schedule adopted by the city or town council).*

HeinOnline -- 1983 vol. II 1510 1983

The bonds, whether amortization or serial bonds, will bear date of ...., 19.., will bear interest at a rate not exceeding 6% per annum *commencing on the .... day of .... (month), 19.., and* payable semiannually on the .... day of .... and on the .... day of .... in each year *thereafter* and will be redeemable (here insert the optional provisions, if any, recited in the bonds).

Said bonds will be sold for not less than their par value with accrued interest to date of delivery, and all bidders must state the lowest rate of interest at which they will purchase the bonds at par. The council reserves the right to reject any and all bids and to sell said bonds at private sale.

All bids other than by or on behalf of the board of investments of the state of Montana must be accompanied by a certified check in the sum of .... dollars ($....), payable to the order of the (city or town) clerk, which will be forfeited by the successful bidder in the event he shall fail or refuse to complete the purchase of said bonds in accordance with the terms of his bid.

All bids shall be addressed to the council of the (city or town) of .... and delivered to the clerk of said (city or town).

.....
Mayor of the (city or town) of
....., Montana

ATTEST:

.....
(City or Town) Clerk"

Section 6. Section 7-7-4254, MCA, is amended to read:

"7-7-4254. Procedure for sale of bonds. (1) The city or town council shall meet at the time and place fixed in the notice to consider bids for the bonds.

(2) The bonds shall be sold at not less than par *with* accrued interest to date of delivery, and each bidder shall specify the form of bonds to be issued, whether amortization or serial, and the rate of interest at which he will purchase the bonds. A bid for amortization bonds shall have preference over a bid for serial bonds, all other things being equal. In determining the kind of bonds to be issued, the council shall take into consideration not only the rate of interest demanded on each kind but also all other known elements affecting the interests of the city or town. The council shall accept the bid it considers most advantageous to the city or town. The council may reject any and all bids and sell the bonds at private sale if this is considered to be in the best interests of the city or town; provided, however, that the bonds may not be sold at less than par *with* accrued interest to date of delivery.

(3) *Consultants' fees and* attorneys' fees may be paid to any person or corporation for assisting in the proceedings, in the preparation of the bonds, or in negotiating the sale thereof."

Section 7. Section 20-9-408, MCA, is amended to read:

HeinOnline -- 1983 vol. II 1511 1983

"20-9-408. Definition of forms of bonds. As used in this title, unless the context clearly indicates otherwise:

(1) "amortization bonds" means the form of bonds on which a part of the principal must be paid each time interest becomes payable. The part payment of principal increases at each installment in the same amount that the interest decreases. The combined interest and principal due on each due date remains the same until the bonds are paid. The final payment may vary from prior payments in the amount resulting from disregarding fractional cents in prior payments.

(2) "serial bonds" means the form of bonds which are payable in annual installments and on which the amount *maturing* each year *may not be more than three times the principal* amount of the bonds *maturing in the immediately preceding year.*"

Section 8. Section 20-9-430, MCA, is amended to read:

"20-9-430. (Revived July 1, 1983) Notice of sale of school district bonds. The trustees shall cause the notice of the sale of the bonds to be given. The notice shall state the purpose for which the bonds are to be issued and the amount proposed to be issued and shall be substantially in the following form:

NOTICE OF SALE OF SCHOOL DISTRICT BONDS

Notice is hereby given by the trustees of School District No. .... of .... County, state of Montana, that the trustees will on the .... day of...., 19.., at the hour of .... o'clock ....m. at ...., in the school district, sell to the highest and best bidder for cash either amortization or serial bonds of the school district in the total amount of .... dollars ($....), for the purpose of .....

Amortization bonds will be the first choice and serial bonds will be the second choice of the trustees.

If amortization bonds are sold and issued, the entire issue may be put into one single bond or divided into several bonds, as the trustees may determine upon at the time of sale, both principal and interest to be payable in semiannual installments during a period of .... years from the date of issue.

If serial bonds are issued and sold, they will be in the amount of .... dollars ($....) each *and* will become payable *according to the maturity schedule set forth below (set forth maturity schedule adopted by the school district).*

The bonds, whether amortization or serial bonds, will bear date of ...., 19.., and will bear interest at a rate not exceeding 7% per annum *commencing on the .... day of .... (month), 19.., and* payable semiannually on the .... day of .... (month) and .... (month) in each year *thereafter* and will be redeemable in full. (Here insert optional provisions, if any, to be recited on the bonds.)

The bonds will be sold for not less than their par value with accrued interest, and all bidders must state the lowest rate of interest at which

HeinOnline -- 1983 vol. II 1512 1983

they will purchase the bonds at par. The bonds shall be sold in open competition bidding, by written bids, or by sealed bids. The trustees reserve the right to reject any and all bids and to sell the bonds at private sale.

All bids other than by or on behalf of the state board of land commissioners must be accompanied by money, a certified check, cashier's check, bank money order, or bank draft drawn and issued by a national banking association located in Montana or by any banking corporation incorporated under the laws of Montana, in the sum of .... dollars ($....) payable to the order of the district, which will be forfeited by the successful bidder in the event that he shall refuse to purchase the bonds.

All bids should be addressed to the undersigned district.

.....
Chairman, School District No.... of
.....County
Address: .....

ATTEST:

Subscribed and sworn to before me this .... day of ....., 19...; ..... Notary Public for the State Residing at ...., Montana. My Commission expires ....."

Section 9. Section 20-9-432, MCA, is amended to read:

"20-9-432. Sale of school district bonds. (1) The trustees shall meet at the time and place fixed in the notice to consider bids on the bond issue. The bonds shall be sold at not less than par *with* accrued interest *to date of delivery*, and each bidder shall specify the form of bonds to be issued, whether amortization or serial, and the rate of interest at which he will purchase the bonds. A bid for amortization bonds shall have the preference over a bid for serial bonds, all other things being equal; and in considering bids on these classes of bonds, the trustees shall take into consideration not only the rate of interest demanded on each kind but also every other known element affecting the total cost of the bonds to the district when paid in full. The trustees shall accept the bid which they shall judge most advantageous to the school district. *Consultants' fees and* attorney fees *may* be paid to any person or corporation for assisting in the proceedings or in the preparation of the bonds or in negotiating the sale. The trustees are authorized to reject any or all bids and to sell the bonds at private sale if they deem it for the best interests of the school district, except that such bonds shall not be sold at less than par *with* accrued interest *to date of delivery*.

(2) The trustees may cooperate and combine with other school districts within the same county for the purpose of preparing and negotiating for sale of bond issues if, in the opinion of the trustees, such cooperation or combination will facilitate the sale of school district bonds under more advantageous terms or with lower interest rates. Provided, however, that bond issues prepared or negotiated for sale under this section shall not be

HeinOnline -- 1983 vol. II 1513 1983

combined for any other purpose but shall be entered separately on the books of the county treasurer and shall be otherwise treated as separate bond issues."

Approved April 26, 1983.

CHAPTER NO. 632

AN ACT TO ESTABLISH A NEW CLASS OF PROPERTY FOR TAXATION PURPOSES TO INCLUDE TRAILERS AND MOBILE HOMES, REGARDLESS OF SIZE, USED AS RESIDENCES; TO CLARIFY WHEN TRAILERS AND MOBILE HOMES MAY BE TAXED AS PERSONAL PROPERTY; TO PROVIDE FOR INITIAL ASSESSMENT AND TAXATION; AND DEFINING "LEASEHOLD IMPROVEMENTS"; AMENDING SECTIONS 15-1-101, 15-6-134, AND 15-6-151, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-1-101, MCA, is amended to read:

"15-1-101. Definitions. (1) When terms mentioned in this section are used in connection with taxation, they are defined in the following manner:

(a) The term "agricultural" refers to the raising of livestock, swine, poultry, field crops, fruit, and other animal and vegetable matter for food or fiber.

(b) The term "assessed value" means the value of property as defined in 15-8-111.

(c) The term "average wholesale value" means the value to a dealer prior to reconditioning and profit margin shown in national appraisal guides and manuals or the valuation schedules of the department of revenue.

(d) The term "credit" means solvent debts, secured or unsecured, owing to a person.

(e) The term "improvements" includes all buildings, structures, fixtures, fences, and improvements situated upon, erected upon, or affixed to land. When the department of revenue or its agent determines that the permanency of location of a mobile home or housetrailer has been established, the mobile home or housetrailer is presumed to be an improvement to real property. *A mobile home or housetrailer may be determined to be permanently located only when it is attached to a foundation which cannot feasibly be relocated and only when the wheels are removed.*

(f) The term "leasehold improvements" means improvements to mobile homes and mobile homes located on land owned by another person. This property is assessed under the appropriate classification and the taxes are due and payable in two payments as provided in 15-24-202.

HeinOnline -- 1983 vol. II 1514 1983

Delinquent taxes on such leasehold improvements are a lien only on such leasehold improvements.

(g) The term "mobile home" means forms of housing known as "trailers", "housetrailers", or "trailer coaches" exceeding 8 feet in width or 32 feet in length, designed to be moved from one place to another by an independent power connected to them.

(h) The term "personal property" includes everything that is the subject of ownership but that is not included within the meaning of the terms "real estate" and "improvements".

(i) The term "poultry" includes all chickens, turkeys, geese, ducks, and other birds raised in domestication to produce food or feathers.

(j) The term "property" includes moneys, credits, bonds, stocks, franchises, and all other matters and things, real, personal, and mixed, capable of private ownership. This definition must not be construed to authorize the taxation of the stocks of any company or corporation when the property of such company or corporation represented by the stocks is within the state and has been taxed.

(k) The term "real estate" includes:

(i) the possession of, claim to, ownership of, or right to the possession of land;

(ii) all mines, minerals, and quarries in and under the land subject to the provisions of 15-23-501 and 15-23-801; all timber belonging to individuals or corporations growing or being on the lands of the United States; and all rights and privileges appertaining thereto.

(l) The term "taxable value" means the percentage of market or assessed value as provided for in 15-6-131 through 15-6-140.

(2) The phrase "municipal corporation" or "municipality" or "taxing unit" shall be deemed to include a county, city, incorporated town, township, school district, irrigation district, drainage district, or any person, persons, or organized body authorized by law to establish tax levies for the purpose of raising public revenue.

(3) The term "state board" or "board" when used without other qualification shall mean the state tax appeal board."

Section 2. Section 15-6-134, MCA, is amended to read:

"15-6-134. Class four property — description — taxable percentage. (1) Class four property includes:

(a) all land except that specifically included in another class;

(b) all improvements except those specifically included in another class;

(c) the first $35,000 or less of the market value of any improvement on real property and appurtenant land not exceeding 5 acres owned or under contract for deed and actually occupied for at least 10 months a year as the primary residential dwelling of:

HeinOnline -- 1983 vol. II 1515 1983

(i) a widow or widower 62 years of age or older who qualifies under the income limitations of (iii) of this subsection;

(ii) a widow or widower of any age with dependent children who qualifies under the income limitations of (iii) of this subsection; or

(iii) a recipient or recipients of retirement or disability benefits whose total income from all sources including otherwise tax-exempt income of all types is not more than $8,000 for a single person or $10,000 for a married couple.

(2) Class four property is taxed as follows:

(a) Except as provided in 15-24-1402 or 15-24-1501, property described in subsections (1)(a) through (1)(c) is taxed at 8.55% of its market value.

(b) Property described in subsection (1)(d) is taxed at 8.55% of its market value multiplied by a percentage figure based on income and determined from the following table:

Income Single Person	Income Married Couple	Percentage Multiplier
$0 - $1,000	$0 - $1,000	0%
1,001 - 2,000	1,001 - 2,000	10%
2,001 - 2,800	2,001 - 3,000	20%
2,801 - 3,600	3,001 - 4,000	30%
3,601 - 4,400	4,001 - 5,000	40%
4,401 - 5,200	5,001 - 6,000	50%
5,201 - 6,000	6,001 - 7,000	60%
6,001 - 6,800	7,001 - 8,000	70%
6,801 - 7,600	8,001 - 9,000	80%
7,601 - 8,000	9,001 - 10,000	90%"

Section 3. Section 15-6-151, MCA, is amended to read:

"15-6-151. Application for certain class four classifications. (1) A person applying for classification of property described in subsection (1)*(c)* of 15-6-134 shall make an affidavit to the department of revenue, on a form provided by the department without cost, stating:

(a) his income;

(b) his retirement benefits;

(c) his marital status;

(d) the fact that he maintains the land and improvements as his primary residential dwelling, where applicable; and

(e) such other information as is relevant to the applicant's eligibility.

(2) This application must be made before March 1 of the year after the applicant becomes eligible. The application remains in effect in subsequent years unless there is a change in the applicant's eligibility. The taxpayer shall inform the department of any change in eligibility. The department may inquire by mail whether any change in eligibility has taken place and may require a new statement of eligibility at any time it considers necessary.

HeinOnline -- 1983 vol. II 1516 1983

(3) The affidavit is sufficient if the applicant signs a statement affirming the correctness of the information supplied, whether or not the statement is signed before a person authorized to administer oaths, and mails the application and statement to the department of revenue. This signed statement shall be treated as a statement under oath or equivalent affirmation for the purposes of 45-7-202, relating to the criminal offense of false swearing."

Section 4. **Class twelve property — description — taxable percentage.** (1) Class twelve property includes:

(a) a trailer or mobile home used as a residence except when:

(i) held by a distributor or dealer of trailers or mobile homes as his stock in trade; or

(ii) specifically included in another class;

(b) the first $35,000 or less of the market value of a trailer or mobile home used as a residence and actually occupied for at least 10 months a year as the primary residential dwelling of:

(i) a widow or widower 62 years of age or older who qualifies under the income limitations of (iii) of this subsection;

(ii) a widow or widower of any age with dependent children who qualifies under the income limitations of (iii) of this subsection; or

(iii) a recipient or recipients of retirement or disability benefits whose total income from all sources including otherwise tax-exempt income of all types is not more than $8,000 for a single person or $10,000 for a married couple.

(2) Class twelve property is taxed as follows:

(a) Property described in subsection (1)(a) that is not of the type described in subsection (1)(b) is taxed at 8.55% of its market value.

(b) Property described in subsection (1)(b) is taxed at 8.55% of its market value multiplied by a percentage figure based on income and determined from the table established in subsection (2)(b) of 15-6-134.

Section 5. **Initial assessment of class twelve property — when.** The county assessor shall assess all class twelve property immediately upon arrival in the county if the taxes have not been previously paid for that year in another county in Montana.

Approved April 26, 1983.

CHAPTER NO. 633

AN ACT TO GENERALLY REVISE THE LAWS RELATING TO THE REGULATION OF THE SALE AND USE OF PESTICIDES; AMENDING SECTIONS 80-8-105, 80-8-109, 80-8-201, 80-8-203, 80-8-204, 80-8-207, 80-8-209, 80-8-213, AND 80-8-306, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 80-8-105, MCA, is amended to read:

"80-8-105. Rules. (1) The department may adopt by reference without a public hearing regulations adopted under the Federal Insecticide,

HeinOnline -- 1983 vol. II 1517 1983

Fungicide, and Rodenticide Act, as amended. The department may, after a public hearing, adopt all rules necessary to carry out this chapter.

(2) The rules may prescribe methods of:

(a) registration, *suspension or cancellation of registration,* application, use or restricting use, prohibiting use, offering or exposing for sale *of* any pesticide;

(b) determining whether pesticides are highly toxic to man;

(c) determining standards of coloring or discoloring for pesticides and subjecting pesticides to the requirements of 80-8-202;

(d) licensing commercial applicators, operators, and dealers, establishing methods of recordkeeping for applicators, operators, and dealers, and providing for the review of the records by the department's authorized agent and the submission of the records to the department upon written request;

(e) issuing farm applicator special-use permits and the maintenance and submission of records by farm applicators issued special-use permits;

(f) collection, examination, and standard deviation from guarantee analysis and umpire analysis of pesticides and devices;

(g) operating and maintaining equipment used by applicators;

(h) developing examinations which shall be held periodically throughout the state;

(i) establishing the form and content of all applications for licenses and permits;

(j) designating pesticides that may be sold at retail for home, yard, garden, and lawn use. The department may also limit retail sale of pesticides, up to a specific number of pounds or gallons and concentration which would be sublethal to humans and animals if small amounts of it were accidentally swallowed, inhaled, sprayed, or dusted on the skin.

(k) revoking licenses and permits;

(l) registering or controlling any spray adjuvant, such as a wetting agent, spreading agent, deposit builder, adhesive, emulsifying agent, deflocculating agent, water modifier, or similar agent with or without toxic properties of its own intended to be used with any other pesticide as an aid to the application or effect of that other pesticide, whether or not distributed in a package or container separate from that of a pesticide with which it is to be used;

(m) registering pesticide-fertilizer and other chemical blends or, instead of registration, establishing licensing, inspection, and fees for blending plants;

(n) establishing registration procedures for devices, with a fee not to exceed $5 per type of device, specifying classes of devices to be registered and providing for additional requirements;

HeinOnline -- 1983 vol. II 1518 1983

(o) imposing conditions for renewal of dealer, applicator, and operator licenses and permits, including requalification training;

(p) establishing procedures for implementing and administering the civil penalties under 80-8-306; and

(q) establishing fees for training courses and materials.

(3) (a) Whenever the department finds that those rules are necessary to carry out the purposes and intent of this chapter, the rules may relate to the time, place, manner, and method of registration, *suspension or cancellation of registration*, application, or selling of the pesticides, may restrict or prohibit use of pesticides in the state or in designated areas during specified periods of time, and shall encompass all reasonable factors which the department considers necessary to prevent damage or injury to:

(i) persons, animals, *crops*, or pollinating insects from the effect of drift or careless application;

(ii) the environment;

(iii) plants, including forage plants;

(iv) wildlife;

(v) fish and other aquatic life.

(b) In issuing the rules, the department shall give consideration to pertinent research findings and recommendations of other agencies of this state or of the federal government.

(4) If the department finds that an emergency exists which requires immediate action with regard to the registration, use, or application of pesticides, the department may, without notice or hearing, issue necessary orders or rules to protect the public health, welfare, and safety. An order or rule issued under this subsection is effective for the period prescribed by the *Montana* Administrative Procedure Act. If the department determines that the emergency order or rule should remain in effect, a public hearing under 80-8-106 shall be held within the above period to determine whether the order or rule should be adopted by the department.

(5) All rules and orders issued by the department shall be in writing, shall be entered in full in books to be kept by the department for that purpose, shall be indexed, and shall be public records open for inspection at all times during reasonable office hours. Except for orders establishing or changing rules of practice and procedure, all orders made and published by the department shall include and be based upon written findings of fact. A copy of any rule or order certified by the department shall be received in evidence in all courts of this state with the same effect as the original."

Section 2. Section 80-8-109, MCA, is amended to read:

"80-8-109. Educational programs. *(1)* The department shall develop and conduct appropriate educational programs. The educational programs shall inform those individuals dealing in and applying pesticides

HeinOnline -- 1983 vol. II 1519 1983

as to correct methods of formulating, applying, storing, disposing of, handling, and transporting pesticides.

(2) In developing and administering such programs, the department may consult other state and federal agencies and private industry, as well as such other persons it considers necessary, and may charge a fee for the programs commensurate with their administration costs. The fee may not include the salary or travel expenses of any employee of the state or a unit of the Montana university system.

(3) All fees collected in any fiscal year and not expended within that fiscal year must be placed in an educational and manuals account of the earmarked revenue fund for future use for that purpose."

Section 3. Section 80-8-201, MCA, is amended to read:

"**80-8-201. Registration.** (1) Every pesticide distributed, sold, or offered for sale within this state or delivered for transportation or transported in intrastate commerce or between points within this state shall be registered with the department. The registration shall be renewed annually by the manufacturer, formulator, or distributor of the pesticide. The department shall register all *federally* approved pesticides, and those registered are subject to registration fees and all other provisions of this chapter. All registrations of pesticides expire on December 31 following the date of issuance unless otherwise terminated.

(2) The applicant for registration shall file with the department a statement including:

(a) the name and address of the applicant and the name and address of the person whose name will appear on the label, if other than the registrant;

(b) a complete copy of the label of the pesticide, the United States environmental protection agency registration number if the pesticide is so registered, and a statement of all claims to be made for it, including directions for use;

(c) the trade and chemical name of the pesticide;

(d) if requested by the department, a full description of tests made and the results upon which the claims are based. In the case of renewal of registration, a statement shall be required only with respect to information which is different from that furnished when the pesticide was registered or last reregistered.

(3) Any pesticide imported into this state which is subject to the provisions of any federal act providing for the registration of pesticides and has been registered under the provisions of a federal act shall be registered in the state. However, the state may restrict the *sale or* use and application of the pesticide by type of *dealer*, applicator, time, and place and may establish special registrations of pesticides as outlined in subsection (8) of this section and 80-8-105(3). The annual registration fee must also be paid, and registration information required by the department must be provided.

HeinOnline -- 1983 vol. II 1520 1983

(4) The applicant shall pay an annual fee of *$50* for each pesticide registered. A registration fee is not required to register *a federally approved* experimental use permit. Fees collected shall be deposited in the state treasury to the credit of the general fund.

(5) The department may require the submission of the complete formula and certified analytical standards of any pesticide. If it appears to the department that the composition of the article warrants the proposed claims for it and if the article and its labeling and other material required to be submitted comply with the requirements of 80-8-202, it shall register the article.

(6) If it does not appear to the department that the article warrants the proposed claims for it or if the article and its labeling and other material required to be submitted do not comply with this chapter, it shall notify the applicant of the manner in which the article, labeling, or other material required to be submitted fails to comply with the chapter so as to afford the applicant an opportunity to make the necessary corrections. If the applicant does not make the corrections upon receipt of the notice, the department may refuse to register the article. The department may suspend or cancel the registration of a pesticide whenever it does not appear that the article or its labeling comply with this chapter *or whenever scientific evidence proves that the article endangers man or the general environment afforded protection under 80-8-105(3)(a)*. When an application for registration is refused or the department proposes to suspend or cancel a registration, the registrant may *pursue administrative remedies under the Montana Administrative Procedure Act and rules of the department.*

(7) Registration is not required in the case of a pesticide shipped from one plant in this state to another plant in this state by the same person.

(8) (a) The departments of health and environmental sciences, agriculture, and fish, wildlife, and parks shall review all applications for registration of an experimental-use permit or a registration for special local needs. *The applicant shall pay a one-time fee of $50 for a special local need or experimental-use permit registration.* The departments shall utilize the same requirements and standards for reviewing registrations established by the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, and regulations adopted thereunder. The department of agriculture shall provide the departments of health and environmental sciences and fish, wildlife, and parks with a complete copy of the application, related correspondence, and a statement of the department of agriculture's proposed action on the application. The departments of health and environmental sciences and fish, wildlife, and parks shall approve or disapprove the application within 10 days after the receipt of the application. If the departments of health and environmental sciences, agriculture, and fish, wildlife, and parks are in agreement with the proposed registration, the department of agriculture shall issue the registration.

(b) The department of agriculture shall establish a time and place for an interagency conference for the purposes of resolving the registration of any pesticide or device. If two of the departments approve the proposed registration, the department of agriculture shall issue the registration.

HeinOnline -- 1983 vol. II 1521 1983

(c) The registrant applying for registration shall be notified as to proposed changes in registration. If the departments cannot resolve the proposed registration following the interagency conference, the registrant may request a joint administrative hearing before the departments of agriculture, health and environmental sciences, and fish, wildlife, and parks.

(d) Following the interagency conference and, if requested, the administrative hearing, if the proposed registration of a pesticide or device has not been resolved, the department of agriculture shall appoint an advisory council as outlined in 80-8-108 to resolve by majority vote the registration of any pesticide. The advisory council's recommendations on the registration shall be accepted by the departments and implemented by the department of agriculture.

(9) Pesticides registered under any federal law when canceled for sale and use in total or in part by a federal agency responsible for registration are considered canceled in total or in part for sale and use in Montana. The cancellation is effective on the final date of sale or use allowed under the federal law and rules or orders of the federal agency. If the federal cancellation allows existing stock to be used past the final date of cancellation, such sale or use in this state may not exceed 2 years. The department shall provide technical assistance to any person in possession of such products to insure their proper disposal, relabeling, or removal."

Section 4. Section 80-8-203, MCA, is amended to read:

"80-8-203. Commercial applicator. (1) It shall be unlawful for any person to engage in the business of applying pesticides for another without a pesticide applicator's license obtained from the department of agriculture. The application shall be accompanied by a fee of *$35*. Applicators applying for a dealer's license under this chapter shall be required to pay only a *$20* licensing fee for the dealer's license. The provisions of this *subsection* shall not apply to any person employed only to operate any equipment used for the application of any pesticide and in which the person has no financial interest or other control over such apparatus other than its day-to-day mechanical operation for the purpose of applying any pesticide.

(2) Public utility applicators shall be licensed in the same manner as commercial applicators, provided that public utility operators working under public utility applicators are not required to be licensed except as provided for under 80-8-205.

(3) Veterinarians licensed as provided in Title 37, chapter 18, part 3, shall not be required to be licensed to apply nonrestricted pesticides, provided that these veterinarians shall register with the department each year; provided further that the veterinarians shall be required to meet all other requirements and rules of the Montana Pesticides Act. The department shall consider the professional licensing requirements for veterinarians when adopting rules."

Section 5. Section 80-8-204, MCA, is amended to read:

"80-8-204. Application for applicator's license. (1) Application for a pesticide applicator's license provided for in 80-8-203 shall be made annually to the department before applying pesticides in any calendar

HeinOnline -- 1983 vol. II 1522 1983

year, provided that pesticide applicators applying for renewal of license shall do so on or before *March* 1 of that calendar year. Any applicator applying for renewal of license after *March* 1 shall be assessed a *$25* late licensing fee.

(2) An individual applying for a license to engage in aerial application of pesticides shall certify on the application that he has met all the federal aviation administration and the department of commerce requirements for aerial pesticide applicators."

Section 6. Section 80-8-207, MCA, is amended to read:

"80-8-207. Dealers. (1) It is unlawful for any person to sell, offer for sale, deliver, or have delivered within this state any pesticide without first procuring a license from the department of agriculture for each calendar year or portion thereof. A separate dealer's license and fee shall be required for each location or outlet from which pesticides are distributed, sold, held for sale, or offered for sale. Pesticide fieldmen or salesmen employed directly out of the same location or outlet and under a licensed dealer shall not be required to obtain a license. The dealer shall furnish the department the names and addresses of its fieldmen and salesmen selling pesticides within the state.

(2) The application for a license shall be accompanied by a fee of *$35*. Dealers applying for renewal of license shall do so on or before *March* 1 of that calendar year. Any dealer applying for renewal of license after *March* 1 shall be assessed a *$25* late licensing fee.

(3) The dealer shall require the purchaser of any restricted pesticide to exhibit his license or permit issued under authority of this chapter before completing a sale.

(4) Dealers may make one application for two annual licenses if the application is accompanied by a *$35* licensing fee for each year of the state biennium.

(5) Pharmacists licensed as provided for in 37-7-302 and 37-7-303, veterinarians licensed as provided for in 37-18-302 and 37-18-303, and certified pharmacies licensed under 37-7-321 shall not be required to be licensed to sell pesticides, provided that the certified pharmacies and veterinarians shall register with the department each year. However, the certified pharmacies and veterinarians shall be required to meet all other requirements concerning the commercial sale of pesticides. The department shall take into account the professional licensing requirements of pharmacists, certified pharmacies, and veterinarians when adopting rules."

Section 7. Section 80-8-209, MCA, is amended to read:

"80-8-209. Farm applicators. (1) Farm applicators shall obtain a special-use permit prior to purchasing and using any pesticide designated by the department as a restricted-use pesticide. *The fee for the permit is $15.* The special-use permit shall be effective for 5 calendar years. The department may establish a staggered years system of issuing permits.

HeinOnline -- 1983 vol. II 1523 1983

(2) Restricted pesticides may not be utilized by farm applicators or their employees except for the purpose of producing or protecting any agricultural commodity on property owned, leased, or rented by such applicator.

(3) Farm applicators shall qualify for *their first* permit by either passing a graded written examination or attending a training course approved by the department and taking an ungraded written examination. The examinations and course shall require and demonstrate practical knowledge of the applicator's ability to:

(a) recognize common pests to be controlled and damage caused by them;

(b) read and understand the label and labeling information, including the common name of the pesticide(s) applied, pest(s) to be controlled, timing and methods of application, safety precautions, any preharvest or reentry restrictions, and any specific disposal procedures;

(c) apply pesticides in accordance with label instructions and warnings, including the ability to prepare the proper concentration of pesticides to be used under particular circumstances, taking into account such factors as area to be covered, speed at which application equipment will be driven, and the quantity dispersed in a given period of operation;

(d) recognize local environmental situations that must be considered during application to avoid contamination; and

(e) recognize poisoning symptoms and procedures to follow in case of a pesticide accident.

(4) The department may require farm applicators to attend a mandatory training session and pass a written examination for those restricted pesticides that are extremely toxic or for which an effective antidote is not available. The department may require farm applicators handling these pesticides to maintain use records.

(5) *The department shall require farm applicators to requalify for renewal of the 5-year permit by obtaining 100 training credits. The department shall establish by rule a uniform system of administering the requalification training credits. The department may credit only training related to the standards set forth in subsection (3).*

(6) Provisions of this chapter relating to certification of farm applicators do not apply to any farm applicator applying nonrestricted pesticides on his own land or on lands of his neighbors if he:

(a) operates farm property and operates and maintains pesticide application equipment primarily for his own use;

(b) is not regularly engaged in the business of applying pesticides for hire and does not publicly hold himself out as a pesticide applicator;

(c) operates his pesticide application equipment only in the vicinity of his own property and for the accommodation of his immediate neighbors."

Section 8. Section 80-8-213, MCA, is amended to read:

HeinOnline -- 1983 vol. II 1524 1983

"**80-8-213. Government agencies.** *(1)* All state agencies, municipal corporations, or any other governmental agency shall be subject to the provisions of this chapter and rules adopted thereunder concerning the application or sale of pesticides. Applicators and operators applying pesticides and dealers selling pesticides for agencies, municipal corporations, or any governmental agencies shall be subject to the provisions of 80-8-203 through 80-8-208.

(2) The department shall issue a limited commercial applicator's or dealer's license *for an annual fee of $50,* which shall be valid only when such *applicator or dealer is* applying or selling pesticides for such agencies, provided that the jurisdictional health officer, state veterinarian, their duly authorized representatives, or governmental research personnel are exempt from this licensing requirement when applying pesticides to experimental areas.

(3) A governmental agency shall pay the annual applicator's fee for its first four employee applicators. The agency shall pay an annual fee of $5 for each additional employee applicator.

(4) Government employees becoming certified applicators only to qualify for conducting pesticide education courses may not be charged a license fee but are limited to providing such courses. Government operators are subject to rules adopted pursuant to 80-8-205, including the license fee."

Section 9. Section 80-8-306, MCA, is amended to read:

"**80-8-306. Penalties.** (1) Any person convicted of violating any of the provisions of this chapter or the rules issued thereunder or who may misrepresent, impede, obstruct, hinder, or otherwise prevent or attempt to prevent the department or its duly authorized agent in performance of its duty in connection with the provisions of this chapter shall be adjudged guilty of a misdemeanor and shall be fined not less than $100 but not more than *$1,500.*

(2) The department or its authorized representative is hereby authorized to apply to the district court of the county or any county wherein a violation is about to occur or has occurred to grant a temporary or permanent injunction restraining any person from violating or continuing to violate any of the provisions of this chapter or any rule promulgated under the chapter notwithstanding the existence of other remedies of law. When a person makes pesticide applications in more than one county on a commercial basis without a license or permit or operates in violation of a lawful written order of the department in more than one county, the district court of Lewis and Clark County has concurrent jurisdiction with the district court of any other county wherein a violation has occurred or is about to occur, and the department may select and proceed in the court most appropriate under the circumstances. The injunction is to be issued without bond.

(3) Nothing in this chapter is to be construed as requiring the department or its authorized agent to report minor violations of the chapter for prosecution or for the institution of seizure proceedings when it believes

HeinOnline -- 1983 vol. II 1525 1983

the public interest will be best served by other remedial action, by a suitable notice of warning in writing, or by a lawful written order; nor is any part of this chapter to be construed to apply to common carriers transporting shipments tendered to them by the general public.

(4) Any person who with intent to defraud uses or reveals information relative to formulas of products acquired under the authority of 80-8-201 shall, upon conviction, be fined not more than $500 or imprisoned for not more than 1 year, or both.

(5) (a) Any registrant, applicator, dealer, retailer, or other person who commits a major violation of this chapter as defined in subsection (5)(d) may be assessed a civil penalty by the department of not more than $1,000 for each offense. However, farm applicators possessing a permit may not be assessed a civil penalty over $200 for the first offense. Assessment of a civil penalty may be made in conjunction with any other department warning, order, or administrative action authorized by this chapter.

(b) No civil penalty may be assessed unless the person charged was given notice and opportunity for a hearing pursuant to the Montana Administrative Procedure Act.

(c) In determining an appropriate penalty, the department shall consider the effect on the person's ability to continue in business, the gravity of the violation which occurred, the degree of care exercised by the offender, and whether significant harm resulted to health, environment, agricultural crops, or livestock.

(d) A major violation of this chapter includes:

(i) misuse of a pesticide which results in proven harm to human health, the environment, or agricultural crops or livestock;

(ii) selling of a restricted pesticide to a person not certified or authorized to purchase such pesticides;

(iii) use or sale of unregistered pesticides;

(iv) failure to maintain any individual pesticide application and sales records;

(v) using or selling pesticides without having obtained the required license or permit; or

(vi) reoccurrence of any identical violation of this chapter within the same calendar year.

(e) If the department is unable to collect such civil penalty or if any person fails to pay all or a set portion of the civil penalty as determined by the department, it may recover such amount by action in the appropriate district court.

(6) Any person against whom the department has assessed a civil penalty under this section may, within 30 days of the final agency action making the assessment, appeal the assessment to the district court of the county in which the violation is alleged by the department to have

HeinOnline -- 1983 vol. II 1526 1983

occurred. Appeal is by trial de novo, and a jury trial must be granted if requested. Where the provisions of this subsection conflict with 2-4-702 through 2-4-704, the provisions of this subsection govern."

Section 10. **Deposit of fees and penalties in general fund.** All licensing, permit, registration, and equipment inspection fees collected under part 2 of this chapter and any civil penalties collected under 80-8-306 must be deposited in the general fund.

Section 11. **Codification instruction.** Section 10 is intended to be codified as an integral part of Title 80, chapter 8.

Section 12. **Saving clause.** This act does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before the effective date of this act.

Section 13. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Approved April 26, 1983.

CHAPTER NO. 634

AN ACT TO EXEMPT CERTAIN TIPS FROM MONTANA INCOME TAX LIABILITY AND WITHHOLDING TAX; AMENDING SECTIONS 15-30-111 AND 15-30-201, MCA; AND PROVIDING A CONTINGENT TERMINATION DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-30-111, MCA, is amended to read:

"15-30-111. Adjusted gross income. (1) Adjusted gross income shall be the taxpayer's federal income tax adjusted gross income as defined in section 62 of the Internal Revenue Code of 1954 or as that section may be labeled or amended and in addition shall include the following:

(a) interest received on obligations of another state or territory or county, municipality, district, or other political subdivision thereof;

(b) refunds received of federal income tax, to the extent the deduction of such tax resulted in a reduction of Montana income tax liability.

(2) Notwithstanding the provisions of the federal Internal Revenue Code of 1954 as labeled or amended, adjusted gross income does not include the following which are exempt from taxation under this chapter:

(a) all interest income from obligations of the United States government, the state of Montana, county, municipality, district, or other political subdivision thereof;

HeinOnline -- 1983 vol. II 1527 1983

(b) interest income earned by a taxpayer age 65 or older in a taxable year up to and including $800 for a taxpayer filing a separate return and $1,600 for each joint return;

(c) all benefits received under the Federal Employees' Retirement Act not in excess of $3,600;

(d) all benefits, not in excess of $360, received as an annuity, pension, or endowment under any private or corporate retirement plan or system;

(e) all benefits paid under the teachers' retirement law which are specified as exempt from taxation by 19-4-706;

(f) all benefits paid under The Public Employees' Retirement System Act which are specified as exempt from taxation by 19-3-105;

(g) all benefits paid under the highway patrol retirement law which are specified as exempt from taxation by 19-6-705;

(h) all Montana income tax refunds or credits thereof;

(i) all benefits paid under 19-11-602, 19-11-604, and 19-11-605 to retired and disabled firefighters, their surviving spouses and orphans;

(j) all benefits paid by first- or second-class cities for the policemen's retirement system provided for by Title 19, chapter 9;

(k) gain required to be recognized by a liquidating corporation under 15-31-113(1)(a)(ii);

(l) all tips covered by section 3402(k) of the Internal Revenue Code of 1954, as amended and applicable on January 1, 1983, received by persons for services rendered by them to patrons of premises licensed to provide food, beverage, or lodging.

(3) In the case of a shareholder of a corporation with respect to which the election provided for under subchapter S. of the Internal Revenue Code of 1954, as amended, is in effect but with respect to which the election provided for under 15-31-202, as amended, is not in effect, adjusted gross income does not include any part of the corporation's undistributed taxable income, net operating loss, capital gains or other gains, profits, or losses required to be included in the shareholder's federal income tax adjusted gross income by reason of the said election under subchapter S. However, the shareholder's adjusted gross income shall include actual distributions from the corporation to the extent they would be treated as taxable dividends if the subchapter S. election were not in effect.

(4) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall include in his adjusted gross income the earnings and profits of the DISC in the same manner as provided by federal law (section 995, Internal Revenue Code) for all periods for which the DISC election is effective."

Section 2. Section 15-30-201, MCA, is amended to read:

"15-30-201. Definitions. When used in 15-30-201 through 15-30-209, the following definitions apply:

HeinOnline -- 1983 vol. II 1528 1983

(1) "Agricultural labor" includes all services performed on a farm or ranch in connection with cultivating the soil or in connection with raising or harvesting any agricultural or horticultural commodity, including the raising, shearing, feeding, caring for, training, and management of livestock, bees, poultry, and fur-bearing animals and wildlife.

(2) "Employee" includes an officer, employee, or elected public official of the United States, the state of Montana, or any political subdivision thereof or any agency or instrumentality of any one or more of the foregoing. The term "employee" also includes an officer of a corporation.

(3) "Employer" means the person for whom an individual performs or performed any service, of whatever nature, as the employee of such person; except that if the person for whom the individual performs or performed the service does not have control of the payment of the wages for such service, the term "employer" means the person having control of the payment of such wages.

(4) "Wages" means all remuneration (other than fees paid to a public official) for services performed by an employee for his employer, including the cash value of all remuneration paid in any medium other than cash, except that such term shall not include remuneration paid:

(a) for active service as a member of the armed forces of the United States;

(b) for agricultural labor as defined in subsection (1);

(c) for domestic service in a private home, a local college club, or local chapter of a college fraternity or sorority;

(d) for casual labor not in the course of the employer's trade or business performed in any calendar quarter by an employee unless the cash remuneration paid for such service is $50 or more and such service is performed by an individual who is regularly employed by such employer to perform such service. For purposes of this subsection (4)(d), an individual is considered to be regularly employed by an employer during a calendar quarter only if:

(i) on each of some 24 days during such quarter such individual performs for such employer for some portion of the day service not in the course of the employer's trade or business;

(ii) such individual was regularly employed (as determined under subsection (4)(d)(i)) by such employer in the performance of such service during the preceding calendar quarter;

(e) for services by a citizen or resident of the United States for a foreign government or an international organization;

(f) for services performed by a duly ordained, commissioned, or licensed minister of a church in the exercise of his ministry or by a member of a religious order in the exercise of duties required by such order;

(g) (i) for services performed by an individual under the age of 18 in the delivery or distribution of newspapers or shopping news, not including

HeinOnline -- 1983 vol. II 1529 1983

delivery or distribution to any point for subsequent delivery or distribution; or

(ii) for services performed by an individual in and at the time of the sale of newspapers or magazines to ultimate consumers under an arrangement under which the newspapers or magazines are to be sold by him at a fixed price, his compensation being based on the retention of the excess of such price over the amount at which the newspapers or magazines are charged to him, whether or not he is guaranteed a minimum amount of compensation for such service or is entitled to be credited with the unsold newspapers or magazines turned back;

(h) for services not in the course of the employer's trade or business to the extent paid in any medium other than cash when such payments are in the form of lodgings or meals and such services are received by the employee at the request of and for the convenience of the employer;

(i) to or for an employee as a payment for or a contribution toward the cost of any group plan or program which benefits the employee, including but not limited to life insurance, hospitalization insurance for the employee or dependents, and employees' club activities;

(j) as tips, in accordance with section 3402(k) of the Internal Revenue Code of 1954, as amended and applicable on January 1, 1983, received by persons for services rendered by them to patrons of premises licensed to provide food, beverage, or lodging."

Section 3. **Contingent termination date.** This act terminates if congress passes and the president approves legislation that removes the provision in section 6053(c)(3) of the Internal Revenue Code of 1954 that requires an employee allocation for tax purposes of 8% of gross receipts of the business for which the employee works. If this act terminates, it does so on the date of the final approval of the congressional legislation.

Approved April 26, 1983.

CHAPTER NO. 635

AN ACT TO EXEMPT CERTAIN TAXABLE VALUATION OF LARGE-SCALE HARD-ROCK MINERAL DEVELOPMENT FROM THE USUAL PROPERTY TAXATION BY COUNTIES AND SCHOOL DISTRICTS AND TO REALLOCATE THAT TAXABLE VALUATION FOR TAXATION BY THOSE MUNICIPALITIES, COUNTIES, AND SCHOOL DISTRICTS TO WHICH THE TAXABLE VALUATION IS ALLOCATED; TO SHARE THE PROPERTY TAX BASE OF LARGE-SCALE HARD-ROCK MINERAL DEVELOPMENTS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Declaration of necessity and purpose.** The commencement of new large-scale hard-rock mineral developments often results in revenue disparities among adjacent local government units. This occurs

HeinOnline -- 1983 vol. II 1530 1983

primarily when a mine that locates in one taxing jurisdiction causes population influxes in neighboring jurisdictions. The result can be that some jurisdictions will experience a need to increase expenditures and receive no corresponding increase in revenue, while others will experience an increase in revenue and receive no comparable increase in expenditures. There is therefore a need to allocate the increase in property tax base resulting from the development and operation of new large-scale mines so that property tax revenues will be equitably distributed among affected local government units.

Section 2. **Definitions.** As used in [this act], the following definitions apply:

(1) "Affected local government unit" means a local government unit that will experience a need to increase services or facilities as a result of the commencement of large-scale mineral development or within which a large-scale mineral development is located in accordance with an impact plan adopted pursuant to 90-6-307.

(2) "Board" means the hard-rock mining impact board established in 2-15-1822.

(3) "Mineral development employee" means a person who resides within the jurisdiction of an affected local government unit as a result of employment with a large-scale mineral development or its contractors or subcontractors.

(4) "Mineral development student" means a student whose parent or guardian resides within the jurisdiction of an affected local government unit as a result of employment with a large-scale mineral development or its contractors or subcontractors.

(5) "Jurisdictional revenue disparity" means property tax revenues resulting from a large-scale hard-rock mineral development that are inequitably distributed among affected local government units as finally determined by the board in an approved impact plan.

(6) (a) "Large-scale mineral development" for the purposes of this act is defined in 90-6-302.

(7) "Local government unit" for the purposes of this part means a county, municipality, or school district.

(8) "Taxable valuation" of a mineral development means the total of the gross proceeds taxable percentage specified in 15-6-132(2)(a) when added to the taxable percentages of real property, improvements, machinery, equipment, and other property classified under Title 15, chapter 6, part 1.

Section 3. **Jurisdictional revenue disparity — conditioned exemption and reallocation of certain taxable valuation.** (1) When an impact plan for a large-scale mineral development approved by the board pursuant to 90-6-307 identifies a jurisdictional revenue disparity, the board shall promptly notify the developer, all affected local government units, and the department of revenue of the disparity. Except as provided in this section and [section 4], the increase in taxable valuation of

HeinOnline -- 1983 vol. II 1531 1983

the mineral development that occurs after the issuance and validation of a permit under 82-4-335 is not subject to the usual application of county and school district property tax mill levies. This increase in taxable valuation must be allocated to local government units as provided in [section 4]. The increase in taxable valuation allocated as provided in [section 4] is subject to the application of property tax mill levies in the local government unit to which it is allocated.

(2) The total taxable valuation of a large-scale mineral development remains subject to the statewide mill levies and basic county levies for elementary and high school foundation programs as provided in 20-9-331 and 20-9-333.

(3) The provisions of subsection (1) remain in effect until the large-scale mineral development ceases operations or until the existence of the jurisdictional revenue disparity ceases, as determined by the board.

Section 4. **Allocation of taxable valuation for local taxation purposes.** When property of a large-scale mineral development is subject to the provisions of [section 3], the increase in taxable valuation must be allocated by the department of revenue as follows:

(1) The total increase in taxable valuation of the mineral development must be allocated between affected counties and affected municipalities according to the following formula based on the place of residence of mineral development employees:

(a) A portion, not to exceed 20%, to affected municipalities, based on that percentage of the total number of mineral development employees that reside within municipal boundaries. The taxable valuation allocated to affected municipalities must be distributed to each municipality according to its percentage of the total number of mineral development employees who reside within municipal boundaries. That portion of the taxable valuation distributed to a municipality pursuant to this section is subject to the same county mill levy as other taxable properties located in the municipality.

(b) The remaining portion of the taxable valuation must be distributed to each affected county according to its percentage of the total number of mineral development employees that reside within the county.

(2) The total increase in taxable valuation must be distributed pro rata among each affected high school district according to the percentage of the total number of mineral development high school students that reside within each district.

(3) The total increase in taxable valuation must be distributed pro rata among each affected elementary school district according to the percentage of the total number of mineral development elementary school students that reside within each district.

Section 5. **Employee surveys.** Each large-scale mineral development subject to the provisions of [sections 3 and 4] shall, on or before May 1 of each year, conduct a survey of its employees and promptly submit a report of its findings to the department of revenue. The report must include:

HeinOnline -- 1983 vol. II 1532 1983

(1) the number of mineral development employees residing within each affected county;

(2) the number of mineral development employees residing within each affected municipality;

(3) the number of mineral development students residing in each affected high school district; and

(4) the number of mineral development students residing in each affected elementary school district.

(5) The initial allocation of the increase in taxable valuation made as provided in [section 3] and [section 4] shall be made on the basis of the place of residence of employees and the district of enrollment of students as projected in the approved impact plan for that period of time between the issuance and validation of the permit and the submission of an employee survey as provided for in this section.

Section 6. **Effective date.** This act is effective on passage and approval.

Section 7. **Codification instruction.** This act is intended to be codified as Title 90, chapter 6, part 4, hard-rock mining impact property tax base sharing.

Approved April 26, 1983.

CHAPTER NO. 636

AN ACT CHANGING THE CRITERIA FOR TRANSFER OF AN ALL-BEVERAGES LIQUOR LICENSE TO A NEW LOCATION AND OWNERSHIP OUTSIDE ITS ORIGINAL QUOTA AREA BY INCREASING THE PERCENTAGE BY WHICH THE NUMBER OF SUCH LICENSES IN THE NEW QUOTA AREA MAY EXCEED THAT AREA'S QUOTA; AMENDING SECTION 16-4-204, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 16-4-204, MCA, is amended to read:

"16-4-204. Contents of license — posting — privilege — catering endorsement — transfer — expiration. (1) Every license issued under this part shall set forth the name of the person to whom issued, the location, by street and number or other appropriate specific description of location if no street address exists, of the premises where the business is to be carried on under said license, and such other information as the department shall deem necessary. If the licensee is a partnership or if more than one person has any interest in the business operated under the license, the names of all persons in the partnership or interested in the business must appear on the license. Every license must be posted in a conspicuous place on the premises wherein the business authorized

HeinOnline -- 1983 vol. II 1533 1983

under the license is conducted, and such license shall be exhibited upon request to any authorized representative of the department or to any peace officer of the state of Montana.

(2) Any license issued under the provisions of this part shall be considered a privilege personal to the licensee named in the license and shall be good until the expiration of the license unless sooner revoked or suspended.

(3) A license may be transferred to the executor or administrator of the estate of any deceased licensee when such estate consists in whole or in part of the business of selling liquor under a license, and in such event the license may descend or be disposed of with the business to which it is applicable under appropriate probate proceedings.

(4) In the event of a major loss or damage to licensed premises by unforeseen natural causes or in case of expiration of lease of the licensed premises or in the event of eviction or increase of rent by the landlord (in case of rented licensed premises) or in case of proposed removal of license to premises as substantially suited for the retail liquor business as the premises vacated, the licensee may apply to the department for a transfer of the license to different premises. The department may in its discretion permit a transfer in such cases if it appears to the department that such a transfer is required to do justice to the licensee applying for the transfer. The department shall in no event nor for any cause permit a transfer to different premises where the sanitary, health, and service facilities are less satisfactory than such facilities which exist or had existed at the premises from which the transfer is proposed to be made.

(5) Upon a bona fide sale of the business operated under any license, the license may be transferred to a qualified purchaser. No transfer of any license as to person or location shall be effective unless and until approved by the department, and any licensee or transferee or proposed transferee who operates or attempts to operate under any supposedly transferred license prior to the approval of such transfer by the department, endorsed upon the license in writing, shall be considered as operating without a license and the license affected may be revoked or suspended by the department. The department may, within its discretion, permit a qualified purchaser to operate the business to be transferred pending final approval, providing the application for transfer has been filed with the department.

(6) (a) Except as provided in subsection (6)(b), a license may be transferred to a new ownership and to a location outside the quota area for which it was originally issued only when the following criteria are met:

(i) the total number of all-beverages licenses in the original quota area exceeded the quota for that area by at least 25% in the most recent census prescribed in 16-4-502;

(ii) the total number of all-beverages licenses in the quota area to which the license would be transferred did not exceed that area's quota in the most recent census prescribed in 16-4-502:

(A) by more than 33%; or

HeinOnline -- 1983 vol. II 1534 1983

(B) in an incorporated city of more than 10,000 inhabitants and within a distance of 5 miles from its corporate limits by more than 43%; and

(iii) the department finds, after a public hearing, that the public convenience and necessity would be served by such a transfer.

(b) A license within an incorporated quota area may be transferred to a new ownership and to a new unincorporated location within the same county on application to and with consent of the department when the quota of the all-beverages licenses in the original quota area exceeds the quota for that area by at least 25% in the most recent census and will not fall below that level because of the transfer.

(c) For 5 years after the transfer of a license between quota areas under subsection (6)(a), the license may not be mortgaged or pledged as security and may not be transferred to another person except for a transfer by inheritance upon the death of the licensee. A license transferred between quota areas under this section may be held only by natural persons for 5 years following the transfer. For the purpose of this section, natural persons shall not include limited partnerships or other business entities of any kind in which each natural person is not a full participant in the ownership and operation of the business authorized by the license.

(d) Once a license is transferred to a new quota area under subsection (6)(a), it may not be transferred to another quota area or back to the original quota area.

(7) (a) Any all-beverage licensee is, upon the approval and in the discretion of the liquor division, entitled to a catering endorsement to his all-beverage license to allow the catering and sale of alcoholic beverages to persons attending a special event upon premises not otherwise licensed for the sale of alcoholic beverages, such beverages to be consumed on the premises where the event is held.

(b) A written application for a catering endorsement and an annual fee of $250 must be submitted to the department for its approval.

(c) A written application for each event for which the licensee intends to provide catering services, the written approval of the catering application by the sponsor of the special event, and a fee of $40 must be filed with the department at least 10 days prior to the event and shall describe the location of the premises where the event is to be held, the nature of the event, and the period during which the event is to be held. An all-beverage licensee who holds an endorsement granted under this subsection (7) may not receive approval to cater an event of which he is the sponsor. The catered event must be within 100 miles of the licensee's regular place of business. If obtained, the licensee shall display in a prominent place on those premises, the written approval from the department for each event which is catered pursuant to this subsection.

(d) The licensee shall file with each application for an event to be catered a written statement of approval of the premises where the event

HeinOnline -- 1983 vol. II 1535 1983

is to be held issued by the department of health and environmental sciences.

(e) The sale of alcoholic beverages pursuant to a catering endorsement is subject to the provisions of 16-6-103.

(f) The sale of alcoholic beverages pursuant to a catering endorsement is subject to the provisions of 16-3-306, unless entities named in 16-3-306 give their written approval.

(8) Except as above provided, no license shall be transferred or sold nor shall it be used for any place of business not described in the license; provided, however, that such license may be subject to mortgage and other valid liens, in which event the name of the mortgagee, upon application to and approval of the department, must be endorsed on the license.

(9) All licenses shall expire at midnight of June 30 of each year."

Section 2. **Effective date.** This act is effective on passage and approval.

Approved April 26, 1983.

CHAPTER NO. 637

AN ACT TO REQUIRE THE PUBLICATION OF A STATEMENT, WITH EVERY RULE PROPOSED AND ADOPTED UNDER IMPLIED RULEMAKING AUTHORITY, THAT THE RULE IS ADVISORY ONLY.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Statement of implied authority and legal effect of rule.** (1) Each adjective or interpretive rule or portion of such a rule to be adopted after the effective date of this act under implied rulemaking authority shall contain a statement in the historical notations of the rule that the rule is advisory only but may be a correct interpretation of the law. Such statement must be placed in the ARM when the rule in question is next scheduled for reprinting.

(2) The administrative code committee may file with the secretary of state, for publication with any rule or portion thereof it considers to be adjective or interpretive, a statement indicating that it is the opinion of the administrative code committee that the rule or portion thereof is adjective or interpretive and therefore advisory only. If the committee requests the statement to be published for an adopted rule not scheduled for reprinting in the ARM, the cost of publishing the statement in the ARM shall be borne by the committee.

HeinOnline -- 1983 vol. II 1536 1983

Section 2. **Codification instruction.** Section 1 is intended to be codified as an integral part of Title 2, chapter 4, and the provisions of Title 2, chapter 4, apply to section 1.

Approved April 27, 1983.

CHAPTER NO. 638

AN ACT AUTHORIZING THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES TO CONTRACT WITH A SENIOR CITIZENS' ORGANIZATION TO ESTABLISH A MOCK LEGISLATURE; APPROPRIATING MONEY FOR THE CONTRACT ON A MATCHING BASIS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Montana's senior citizens are a vital source of information, answers, and solutions for problems and concerns facing the entire state of Montana; and

WHEREAS, Montana's senior citizens are leaders in the field of volunteerism, dedicating their time, money, and expertise to the task of solving Montana's economic and social problems; and

WHEREAS, ideas originating from Montana senior citizens have often been enacted into law by the Montana Legislature.

THEREFORE, it is the intent of this bill to direct the Department of Social and Rehabilitation Services to cooperate with senior citizens in providing for the sponsorship of a senior citizens' mock legislature.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Senior citizens' legislature.** (1) The department of social and rehabilitation services may contract with a senior citizens' organization for the purpose of establishing a mock legislature to be held in the year preceding the legislative session.

(2) The department of social and rehabilitation services shall cooperate with the department of administration in assisting the senior citizens' organization designated to establish the mock legislature.

Section 2. **Appropriation.** (1) There is appropriated $5,000 from the general fund to the budget and contracts bureau of the community services division of the department of social and rehabilitation services for purposes of funding the senior citizens' legislature provided for in section 1.

(2) The contract entered into with the senior citizens' organization must provide that such organization match on a one-to-two (organization to department) ratio any amount contracted for.

Section 3. **Effective date.** This act is effective July 1, 1983.

Approved April 27, 1983.

HeinOnline -- 1983 vol. II 1537 1983

CHAPTER NO. 639

AN ACT GRANTING THE DIVISION OF WORKERS' COMPENSATION THE AUTHORITY TO EMPLOY AN ADEQUATE NUMBER OF QUALIFIED COAL MINE INSPECTORS AND TO PRESCRIBE THEIR DUTIES; AMENDING SECTION 50-73-401, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 50-73-401, MCA, is amended to read:

"50-73-401. Coal mine inspector. (1) The division shall *employ an adequate number of qualified* coal mine inspectors for the enforcement of this chapter *and shall prescribe their duties.*

(2) A person is not eligible to be a state coal mine inspector unless he is a citizen of the United States, a resident of this state, *and* has been actually employed in coal mining 5 years before his appointment.

(3) A state coal mine inspector may not act as agent for a corporation, superintendent, or manager of a mine and shall in no manner be in the employ of mining companies, nor shall he be interested in any way in coal mining operations, either as owner, lessee, or otherwise."

Approved April 27, 1983.

CHAPTER NO. 640

AN ACT TO PROMOTE THE GENERAL WELFARE IN IMPLEMENTATION OF ARTICLE XII, SECTION 2, OF THE MONTANA CONSTITUTION BY ALLOWING EMPLOYEES OF MUNICIPAL AND COUNTY GOVERNMENTS TO AGREE TO WORK MORE THAN 8 HOURS A DAY AND TO AGREE TO A 7-DAY, 40-HOUR WORK PERIOD AND BY ALLOWING EMPLOYEES OF HOSPITALS AND SIMILAR ESTABLISHMENTS TO AGREE TO A 14-DAY, 80-HOUR WORK PERIOD; AMENDING SECTIONS 39-3-406 AND 39-4-107, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-3-406, MCA, is amended to read:

"39-3-406. Exclusions. (1) The provisions of 39-3-404 and 39-3-405 shall not apply with respect to:

(a) students participating in a distributive education program established under the auspices of an accredited educational agency;

(b) persons employed in private homes whose duties consist of menial chores such as babysitting, mowing lawns, cleaning sidewalks;

(c) persons employed directly by the head of a household to care for children dependent upon the head of the household;

HeinOnline -- 1983 vol. II 1538 1983

(d) immediate members of the family of an employer or persons dependent upon an employer for half or more of their support in the customary sense of being a dependent;

(e) any persons not regular employees thereof who voluntarily offer their services to a nonprofit organization on a fully or partially reimbursed basis;

(f) handicapped workers engaged in work which is incidental to training or evaluation programs or whose earning capacity is so severely impaired that they are unable to engage in competitive employment;

(g) apprentices or learners, who may be exempted by the commissioner for a period not to exceed 30 days of their employment;

(h) learners under the age of 18 who are employed as farm workers, provided that such exclusion shall not exceed a period of 180 days from their initial date of employment and further provided that during this exclusion period wages paid such learners may not be less than 50% of the minimum wage rate established in this part;

(i) retired or semiretired persons performing part-time incidental work as a condition of their residence on a farm or ranch;

(j) any individual employed in a bona fide executive, administrative, or professional capacity as these terms are defined and delimited by regulations of the commissioner;

(k) any individual employed by the United States of America.

(2) The provisions of 39-3-405 do not apply to:

(a) an employee with respect to whom the United States Secretary of Transportation has power to establish qualifications and maximum hours of service pursuant to the provisions of 49 U.S.C. 304;

(b) an employee of an employer subject to the provisions of part I of the Interstate Commerce Act;

(c) an individual employed as an outside buyer of poultry, eggs, cream, or milk, in their raw or natural state;

(d) a salesman, partsman, or mechanic paid on a commission or contract basis and primarily engaged in selling or servicing automobiles, trucks, mobile homes, recreational vehicles, or farm implements if he is employed by a nonmanufacturing establishment primarily engaged in the business of selling such vehicles or implements to ultimate purchasers;

(e) a salesman primarily engaged in selling trailers, boats, or aircraft if he is employed by a nonmanufacturing establishment primarily engaged in the business of selling trailers, boats, or aircraft to ultimate purchasers;

(f) an employee employed as a driver or driver's helper making local deliveries who is compensated for such employment on the basis of trip rates, or other delivery payment plan, if the commissioner finds that such plan has the general purpose and effect of reducing hours worked by such employees to or below the maximum workweek applicable to them under 39-3-405;

HeinOnline -- 1983 vol. II 1539 1983

(g) an employee employed in agriculture or in connection with the operation or maintenance of ditches, canals, reservoirs, or waterways not owned or operated for profit and not operated on a sharecrop basis and which are used exclusively for supply and storing of water for agricultural purposes;

(h) an employee with respect to his employment in agriculture by a farmer, notwithstanding other employment of such employee in connection with livestock auction operations in which such farmer is engaged as an adjunct to the raising of livestock, either on his own account or in conjunction with other farmers, if such employee is:

(i) primarily employed during his workweek in agriculture by such farmer; and

(ii) paid for his employment in connection with such livestock auction operations at a wage rate not less than that prescribed by 39-3-404;

(i) an employee of an establishment commonly recognized as a country elevator, including an establishment which sells products and services used in the operation of a farm, if no more than five employees are employed by the establishment;

(j) a driver employed by an employer engaged in the business of operating taxicabs;

(k) an employee who is employed with his spouse by a nonprofit educational institution to serve as the parents of children who are orphans or one of whose natural parents is deceased or who are enrolled in such institution and reside in residential facilities of the institution so long as the children are in residence at the institution and so long as such employee and his spouse reside in such facilities and receive, without cost, board and lodging from the institution and are together compensated, on a cash basis, at an annual rate of not less than $10,000;

(l) an employee employed in planting or tending trees; cruising, surveying, or felling timber; or transporting logs or other forestry products to a mill, processing plant, railroad, or other transportation terminal if the number of employees employed by his employer in such forestry or lumbering operations does not exceed eight;

(m) an employee of a sheriff's department who is working under an established work period in lieu of a workweek pursuant to 7-4-2509(1);

(n) an employee of a municipal or county government who is working under a work period not exceeding 40 hours in a 7-day period established through a collective bargaining agreement when a collective bargaining unit represents the employee or by mutual agreement of the employer and employee where no bargaining unit is recognized. Employment in excess of 40 hours in a 7-day, 40-hour work period must be compensated at a rate of not less than 1 ½ times the hourly wage rate for the employee.

(o) an employee of a hospital or other establishment primarily engaged in the care of the sick, disabled, aged, or mentally ill or defective who is working under a work period not exceeding 80 hours in a 14-day

HeinOnline -- 1983 vol. II 1540 1983

period established through either a collective bargaining agreement when a collective bargaining unit represents the employee or by mutual agreement of the employer and employee where no bargaining unit is recognized. Employment in excess of 8 hours per day or 80 hours in a 14-day period must be compensated for at a rate of not less than 1 ½ times the hourly wage rate for the employee."

Section 2. Section 39-4-107, MCA, is amended to read:

"39-4-107. State and municipal governments, school districts, mines, mills, and smelters. (1) A period of 8 hours constitutes a day's work in all works and undertakings carried on or aided by any municipal or county government, the state government, or a first-class school district, and on all contracts let by them, and for all janitors (except in courthouses of sixth- and seventh-class counties), engineers, firefighters, caretakers, custodians, and laborers employed in or about any buildings, works, or grounds used or occupied for any purpose by such municipal, county, or state government or first-class school district. A period of 8 hours constitutes a day's work in mills and smelters for the treatment of ores, in underground mines, and in the washing, reducing, and treatment of coal. *This* subsection does not apply *in the event of an emergency when life or property is in imminent danger or to the situations specified in subsections (3) and (4).*

(2) For firefighters in cities of the first and second class, a workweek consists of a maximum of 40 hours during a 5-day week.

(3) In counties where regular road and bridge departments are maintained, the county commissioners may, with the approval of the employees or their duly constituted representative, establish a 40-hour workweek consisting of 4 consecutive 10-hour days. No employee may be required to work in excess of 8 hours in any one workday if he prefers not to.

(4) *In municipal and county governments, the employer and employee may agree to a workday of more than 8 hours and to a 7-day, 40-hour work period:*

(a) through a collective bargaining agreement when a collective bargaining unit represents the employee; or

(b) by the mutual agreement of the employer and employee when no bargaining unit is recognized."

Approved April 27, 1983.

CHAPTER NO. 641

AN ACT REVISING AND CLARIFYING THE DEFINITION OF LONG-TERM CARE FACILITY; ADDING A DEFINITION OF INTERMEDIATE DEVELOPMENTAL DISABILITY CARE; AMENDING SECTION 50-5-101, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 50-5-101, MCA, is amended to read:

"50-5-101. Definitions. As used in parts 1 through 4 of this chapter, unless the context clearly indicates otherwise, the following definitions apply:

HeinOnline -- 1983 vol. II 1541 1983

(1) "Accreditation" means a designation of approval.

(2) "Adult day-care center" means a facility, free-standing or connected to another health care facility, which provides adults, on an intermittent basis, with the care necessary to meet the needs of daily living.

(3) "Affected persons" means the applicant, members of the public who are to be served by the proposal, health care facilities located in the geographic area affected by the application, agencies which establish rates for health care facilities, and agencies which plan or assist in planning for such facilities, including any agency qualifying as a health systems agency pursuant to Title XV of the Public Health Service Act.

(4) "Ambulatory surgical facility" means a facility, not part of a hospital, which provides surgical treatment to patients not requiring hospitalization. This type of facility may include observation beds for patient recovery from surgery or other treatment.

(5) "Board" means the board of health and environmental sciences, provided for in 2-15-2104.

(6) "Certificate of need" means a written authorization by the department for a person to proceed with a proposal subject to 50-5-301.

(7) "Clinical laboratory" means a facility for the microbiological, serological, chemical, hematological, radiobioassay, cytological, immunohematological, pathological, or other examination of materials derived from the human body for the purpose of providing information for the diagnosis, prevention, or treatment of any disease or assessment of a medical condition.

(8) "College of American pathologists" means the organization nationally recognized by that name with headquarters in Traverse City, Michigan, that surveys clinical laboratories upon their requests and accredits clinical laboratories that it finds meet its standards and requirements.

(9) "Construction" means the physical erection of a health care facility and any stage thereof, including ground breaking.

(10) "Department" means the department of health and environmental sciences provided for in Title 2, chapter 15, part 21.

(11) "Federal acts" means federal statutes for the construction of health care facilities.

(12) "Governmental unit" means the state, a state agency, a county, municipality, or political subdivision of the state, or an agency of a political subdivision.

(13) "Health care facility" means any institution, building, or agency or portion thereof, private or public, excluding federal facilities, whether organized for profit or not, used, operated, or designed to provide health services, medical treatment, or nursing, rehabilitative, or preventive care to any person or persons. The term does not include offices of private physicians or dentists. The term includes but is not limited to ambulatory surgical facilities, health maintenance organizations, home health agencies,

HeinOnline -- 1983 vol. II 1542 1983

hospitals, infirmaries, kidney treatment centers, long-term care facilities, mental health centers, outpatient facilities, public health centers, rehabilitation facilities, and adult day-care centers.

(14) "Health maintenance organization" means a public or private organization organized as defined in 42 U.S.C. 300e, as amended.

(15) "Home health agency" means a public agency or private organization or subdivision thereof which is engaged in providing home health services to individuals in the places where they live. Home health services must include the services of a licensed registered nurse and at least one other therapeutic service and may include additional support services.

(16) "Hospital" means a facility providing, by or under the supervision of licensed physicians, services for medical diagnosis, treatment, rehabilitation, and care of injured, disabled, or sick persons. Services provided may or may not include obstetrical care, emergency care, or any other service as allowed by state licensing authority. A hospital has an organized medical staff which is on call and available within 20 minutes, 24 hours per day, 7 days per week, and provides 24-hour nursing care by licensed registered nurses. This term includes hospitals specializing in providing health services for psychiatric, mentally retarded, and tubercular patients.

(17) "Infirmary" means a facility located in a university, college, government institution, or industry for the treatment of the sick or injured, with the following subdefinitions:

(a) an "infirmary—A" provides outpatient and inpatient care;

(b) an "infirmary—B" provides outpatient care only.

(18) "Joint commission on accreditation of hospitals" means the organization nationally recognized by that name with headquarters in Chicago, Illinois, that surveys health care facilities upon their requests and grants accredidation status to any health care facility that it finds meets its standards and requirements.

(19) "Kidney treatment center" means a facility which specializes in treatment of kidney diseases, including freestanding hemodialysis units.

(20) (a) "Long-term care facility" means a facility or part thereof which provides skilled nursing care, intermediate nursing care, *or intermediate developmental disability care* to a total of two or more persons or personal care to more than three persons who are not related to the owner or administrator by blood or marriage. *The term does not include adult foster care licensed under 53-5-303, community homes for the developmentally disabled licensed under 53-20-305, boarding or foster homes for children licensed under 41-3-503, hotels, motels, boardinghouses, roominghouses, or similar accommodations providing for transients, students, or persons not requiring institutional health care, or juvenile and adult correctional facilities operating under the authority of the department of institutions.*

(b) "Skilled nursing care" means the provision of nursing care services, health-related services, and social services under the supervision of a licensed registered nurse on a 24-hour basis.

HeinOnline -- 1983 vol. II 1543 1983

(c) "Intermediate nursing care" means the provision of nursing care services, health-related services, and social services under the supervision of a licensed nurse to patients not requiring 24-hour nursing care.

(d) "Intermediate developmental disability care" means the provision of nursing care services, health-related services, and social services for the developmentally disabled, as defined in 53-20-102(4), or persons with related problems.

(e) "Personal care" means the provision of services and care which do not require nursing skills to residents needing some assistance in performing the activities of daily living.

(21) "Mental health center" means a facility providing services for the prevention or diagnosis of mental illness, the care and treatment of mentally ill patients or the rehabilitation of such persons, or any combination of these services.

(22) "New institutional health services" means:

(a) the construction, development, or other establishment of a health care facility which did not previously exist;

(b) any expenditure by or on behalf of a health care facility within a 12-month period in excess of $150,000, which, under generally accepted accounting principles consistently applied, is a capital expenditure. Whenever a health care facility or a person on behalf of a health care facility makes an acquisition under lease or comparable arrangement or through donation, which would have required review if the acquisition had been by purchase, such acquisition shall be considered a capital expenditure subject to review.

(c) a change in bed capacity of a health care facility which increases or decreases the total number of beds, redistributes beds among various service categories, or relocates such beds from one physical facility or site to another over a 2-year period by more than 10 beds or 10% of the total licensed bed capacity, whichever is less;

(d) health services which are offered in or through a health care facility and which were not offered on a regular basis in or through such health care facility within the 12-month period prior to the time such services would be offered or the deletion by a health care facility of a service previously offered;

(e) the expansion of a geographic service area of a home health agency.

(23) "Nonprofit health care facility" means a health care facility owned or operated by one or more nonprofit corporations or associations.

(24) "Observation bed" means a bed occupied for not more than 6 hours by a patient recovering from surgery or other treatment.

(25) "Offer" means the holding out by a health care facility that it can provide specific health services.

(26) "Outpatient facility" means a facility, located in or apart from a hospital, providing, under the direction of a licensed physician, either diagnosis or treatment, or both, to ambulatory patients in need of medical, surgical, or mental care. An outpatient facility may have observation beds.

HeinOnline -- 1983 vol. II 1544 1983

(27) "Patient" means an individual obtaining services, including skilled nursing care, from a health care facility.

(28) "Person" means any individual, firm, partnership, association, organization, agency, institution, corporation, trust, estate, or governmental unit, whether organized for profit or not.

(29) "Public health center" means a publicly owned facility providing health services, including laboratories, clinics, and administrative offices.

(30) "Rehabilitation facility" means a facility which is operated for the primary purpose of assisting in the rehabilitation of disabled persons by providing comprehensive medical evaluations and services, psychological and social services, or vocational evaluation and training or any combination of these services and in which the major portion of the services is furnished within the facility.

(31) "Resident" means a person who is in a long-term care facility for intermediate or personal care.

(32) "State plan" means the state medical facility plan provided for in part 4."

Section 2. **Saving clause.** This act does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before the effective date of this act.

Section 3. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Approved April 27, 1983.

CHAPTER NO. 642

AN ACT TO REESTABLISH THE BOARD OF WATER WELL CONTRACTORS; TO DELETE SPECIFIC FEES AND PROVIDE THAT THE BOARD ESTABLISH FEES; TO DECREASE THE TIME FOR LICENSE REAPPLICATION AFTER THE FAILURE TO PASS AN EXAMINATION; TO INCREASE THE BOND REQUIREMENT; TO ELIMINATE THE REQUIREMENT THAT A COMPLAINANT MUST APPEAR PERSONALLY BEFORE THE BOARD; TO ALLOW LICENSURE BASED UPON RECIPROCITY; AMENDING SECTIONS 2-8-103, 37-43-303, 37-43-305 THROUGH 37-43-307, AND 37-43-311, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Reestablishment.** The board of water well contractors is reestablished for 6 years pursuant to 2-8-122, with its existing statutory authority and rules.

HeinOnline -- 1983 vol. II 1545 1983

Section 2. Section 2-8-103, MCA, is amended to read:

"2-8-103. Agencies to terminate. (1) The following agencies shall terminate on July 1, 1979:

(a) board of abstracters, department of professional and occupational licensing, created by 2-15-1643;

(b) board of real estate, department of professional and occupational licensing, created by 2-15-1642;

(c) state board of warm air heating, ventilation, and air conditioning, department of professional and occupational licensing, created by 2-15-1656;

(d) board of institutions, department of institutions, created by 2-15-2303.

(2) The following agencies shall terminate on July 1, 1981:

(a) board of athletics, department of professional and occupational licensing, created by 2-15-1661;

(b) board of massage therapists, department of professional and occupational licensing, created by 2-15-1627;

(c) board of osteopathic physicians, department of professional and occupational licensing, created by 2-15-1607;

(d) board of podiatry examiners, department of professional and occupational licensing, created by 2-15-1608.

(3) The following units of state government shall terminate on July 1, 1983:

(a) board of aeronautics, department of commerce, created by 2-15-1812;

(b) state board of hail insurance, department of agriculture, created by 2-15-3003;

(c) board of horseracing, department of commerce, created by 2-15-1881;

(d) board of livestock, department of livestock, created by 2-15-3102;

(e) board of milk control, department of commerce, created by 2-15-1802;

(f) board of oil and gas conservation, department of natural resources and conservation, created by 2-15-3303;

(g) Montana outfitters' council, department of fish, wildlife, and parks, created by 2-15-3403;

(h) public service commission, department of public service regulation, created by 69-1-102;

(i) board of water and wastewater operators, department of health and environmental sciences, created by 2-15-2105.

HeinOnline -- 1983 vol. II 1546 1983

(4) The following agencies terminate on July 1, 1985:

(a) the board of public accountants, department of commerce, created by 2-15-1866;

(b) the board of architects, department of commerce, created by 2-15-1871;

(c) state banking board, department of commerce, created by 2-15-1803;

(d) the state electrical board, department of commerce, created by 2-15-1874;

(e) the board of professional engineers and land surveyors, department of commerce, created by 2-15-1873;

(f) office of commissioner of insurance and the insurance department, state auditor's office, created by 2-15-1902 and 2-15-1903;

(g) office of the securities commissioner, state auditor's office, created by 2-15-1901;

(h) the board of landscape architects, department of commerce, created by 2-15-1872;

(i) the board of county printing, department of commerce, created by 2-15-1811;

(j) the board of plumbers, department of commerce, created by 2-15-1875;

(k) board of physical therapy examiners, department of commerce, created by 2-15-1858.

(5) The following agencies terminate on July 1, 1987:

(a) commission for human rights, department of labor and industry, created by 2-15-1706;

(b) Montana state board of medical examiners, department of commerce, created by 2-15-1841;

(c) board of dentistry, department of commerce, created by 2-15-1842;

(d) board of pharmacists, department of commerce, created by 2-15-1843;

(e) board of nursing, department of commerce, created by 2-15-1844;

(f) board of nursing home administrators, department of commerce, created by 2-15-1845;

(g) board of optometrists, department of commerce, created by 2-15-1846;

(h) board of chiropractors, department of commerce, created by 2-15-1847;

(i) board of radiologic technologists, department of commerce, created by 2-15-1848;

HeinOnline -- 1983 vol. II 1547 1983

(j) board of speech pathologists and audiologists, department of commerce, created by 2-15-1849;

(k) board of hearing aid dispensers, department of commerce, created by 2-15-1850;

(l) board of psychologists, department of commerce, created by 2-15-1851;

(m) board of veterinarians, department of commerce, created by 2-15-1852;

(n) board of morticians, department of commerce, created by 2-15-1853;

(o) board of barbers, department of commerce, created by 2-15-1856;

(p) board of cosmetologists, department of commerce, created by 2-15-1857;

(q) board of sanitarians, department of commerce, created by 2-15-1861;

(r) board of veterans' affairs, department of social and rehabilitation services, created by 2-15-2202.

(6) The following agency terminates on July 1, 1989: board of water well contractors, department of commerce, created by 2-15-1862."

Section 3. Section 37-43-303, MCA, is amended to read:

"**37-43-303. Application — fee.** (1) A person desiring to engage in the drilling, making, or construction of one or more wells for underground water in this state shall first file an application with the department for a contractor's license, setting out his qualifications, the equipment proposed to be used in the contracting, and other matters required by the board on forms adopted by the board.

(2) The department shall charge a fee *prescribed by the board* for filing the application of a person. The application shall not be acted on until the fee has been paid. Fees collected under this section shall be deposited in the earmarked revenue fund for the use of the board, subject to 37-1-101(6).

(3) A license to construct water wells shall be issued to an applicant if, in the opinion of the board, the applicant is qualified to conduct water well construction operations. In the granting of licenses, the board shall have due regard for the interest of this state in the protection of its underground waters."

Section 4. Section 37-43-305, MCA, is amended to read:

"**37-43-305. Examination and qualifications.** (1) Under rules pertaining to the business of drilling and contracting for drilling of water wells which the board adopts, the department shall, subject to 37-1-101(4), inquire by examination or otherwise into the qualifications of applicants for licenses to drill or make wells for the production of underground

HeinOnline -- 1983 vol. II 1548 1983

waters in this state. Examinations may be oral, written, or both. The qualifications required by the board are:

(a) familiar knowledge of groundwater laws of this state and sanitary standards for water well drilling and construction of water wells;

(b) knowledge of types of water well construction;

(c) knowledge of types of drilling tools and their uses;

(d) knowledge of underground geology in its relation to well construction;

(e) possession of adequate equipment by the applicant to complete satisfactory water wells under the standards of the board;

(f) financial responsibility of the applicant;

(g) successful completion of an examination given by the department; and

(h) the applicant must have completed a minimum of 1 year apprenticeship under the direct supervision of a licensed water well contractor.

(2) The department shall give examinations at times and places the board determines. Failure of an applicant to successfully complete the examination disqualifies him from making further application for a period of *3* months. The board shall act within a reasonable time on applications for licenses. An application shall be accompanied by the initial fee, and failure to successfully meet the requirements of the board does not entitle the applicant to a refund of the fee."

Section 5. Section 37-43-306, MCA, is amended to read:

"37-43-306. Bond to be required. The department, on issuance of a license under this chapter, shall require, before the person commences operations in this state, a good and sufficient surety bond or in lieu thereof its equivalent in a certificate of deposit, cashier's check, bank draft, or certified check, to be approved by the board, in the penal sum of *$4,000*, conditioned that the licensee will comply with the rules of the board and reasonable requirements made by the board in connection with the drilling of an individual well."

Section 6. Section 37-43-307, MCA, is amended to read:

"37-43-307. Annual renewal — fee — revocation for nonrenewal. (1) The term for licenses issued under this chapter is from July 1 of each year through the following June 30. After the payment of the initial fee under 37-43-303, a licensee shall pay, before the first day of each license year, a renewal fee *as prescribed by the board.*

(2) If a licensee does not apply for renewal of his license before the first day of a license year and remit to the department the renewal fee, he shall have his license suspended by the board. If the license remains suspended for a period of more than 30 days after the first day of a license year, it shall be revoked by the board. However, the department, prior to this revocation, shall notify the licensee of the board's intention to revoke

HeinOnline -- 1983 vol. II 1549 1983

at least 10 days prior to the time set for action to be taken by the board on the license, by mailing notice to the licensee at the address appearing for the licensee in the records and files of the department. A license once revoked may not be reinstated unless it appears that an injustice has occurred indicating to the board that the licensee was not guilty of negligence or laches. If a person whose license has been revoked through his own fault desires to engage in the business of water well drilling in this state or contracting therefor, he must apply under 37-43-303 and 37-43-304. Notice of suspension shall be given a licensee when the suspension occurs."

Section 7. Section 37-43-311, MCA, is amended to read:

"37-43-311. Suspension and revocation of license — grounds — procedure. (1) A license issued under this chapter may be suspended or revoked by the board in cases other than failure of a licensee to renew the license after notice and hearing:

(a) in the event the licensee has violated a condition of the bond maintained by him as a prerequisite to issuance of the license;

(b) for the practice of fraud or deceit in obtaining a license;

(c) for gross negligence;

(d) for incompetence;

(e) for conviction of a felony; or

(f) for violating the requirements of this chapter.

(2) Any person may make complaint against a licensee. Complaints shall be in writing, signed by the complainant, and must specify the charges against the licensee. The board on its own motion or on receipt of a complaint shall hold a hearing on charges.

(3) A person bringing the complaint has the burden of proof and *may, at the discretion of the board, be required to* appear in person. A unanimous vote of the board is required in order to revoke or suspend a license. If a suspension is directed by the board, it may not be for a period in excess of 1 year."

Section 8. **Reciprocity.** If a person holding a license entitling him to drill water wells in another state applies for a Montana water well contractor's license, the board may waive the apprenticeship requirements and examination requirements if it finds that the standards and requirements of the state in which the applicant is licensed are equal to or exceed those of Montana. However, the board may require the applicant to successfully complete an examination based on Montana statutes and rules relating to the drilling of water wells in this state.

Section 9. **Codification instruction.** Section 8 is intended to be codified as an integral part of Title 37, chapter 43, and the provisions of Title 37, chapter 43, apply to section 8.

Section 10. **Effective date.** This act is effective on passage and approval.

Approved April 27, 1983.

HeinOnline -- 1983 vol. II 1550 1983

CHAPTER NO. 643

AN ACT AUTHORIZING THE ISSUANCE AND SALE OF LONG-RANGE BUILDING PROGRAM BONDS AND REFUNDING BONDS; PROVIDING FOR AN AGREEMENT BETWEEN THE BOARD OF EXAMINERS AND THE DEPARTMENT OF FISH, WILDLIFE, AND PARKS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Authorization of bonds.** The board of examiners is authorized to issue and sell long-range building program bonds in an amount not exceeding $39,334,695, over and above the amount of long-range building program bonds outstanding January 1, 1983, to be issued in accordance with the terms and in the manner required by Title 17, chapter 5, part 4. The board of examiners is also authorized to refund such bonds in accordance with Title 17, chapter 5, part 3, if it is deemed that such refunding would be in the best interest of the state. The authority granted to the board by this section is in addition to any other authorization to the board to issue and sell long-range building program bonds or refunding bonds.

Section 2. **Authorization for refunding bonds.** The board of examiners is authorized to issue and sell refunding bonds in an amount necessary to refund any or all long-range building program bonds heretofore issued under Title 17, chapter 5, part 4. The refunding bonds are to be issued in accordance with the terms and in the manner required by Title 17, chapter 5, part 3. The refunding bonds shall be general obligations secured by a pledge of the full faith and credit and taxing powers of the state. Any money which may be released from the sinking fund account provided for in 17-5-405 as a result of the issuance of refunding bonds shall revert to the fund of origin to the extent not required to provide for the debt service on the refunded bonds. Money required for payment of debt service on the refunded bonds may be held in trust in a special escrow account at a bank or trust company for the benefit of the refunded bonds.

Section 3. **Agreement with the department of fish, wildlife, and parks.** If the proceeds of any bonds or notes issued pursuant to Title 17, chapter 5, part 4, are appropriated for the construction or renovation of fish hatcheries or regional headquarters facilities of the department of fish, wildlife, and parks, the board of examiners and the department of fish, wildlife, and parks may enter into an agreement under the terms of which the department shall pay the state treasurer, for deposit in accordance with 17-2-101 through 17-2-107, as determined by the state treasurer, an amount sufficient to pay the principal and interest as due on the bonds or notes from which the appropriation was made and to accumulate and maintain reserves required under such bonds. The agreement must further provide that income from the investment of bond proceeds and the reserves not required for construction or renovation costs must be credited against the department's payment obligation. The agreement must also

HeinOnline -- 1983 vol. II 1551 1983

allow for the accumulation of reserves during the first year the bonds are outstanding. Payments by the department must be made from funds available therefor.

Section 4. **Benefit of state.** The agreement made pursuant to [section 3] is solely for the benefit of the state of Montana and is not enforceable by bondholders or other third-party beneficiaries.

Section 5. **Coordination instruction.** If House Bill 511 is passed and approved, the bonds authorized under this act must be issued pursuant to House Bill 511, and the references to Title 17, chapter 5, part 4, in sections 1 through 3 are changed to House Bill 511.

Section 6. **Effective date.** This act is effective on passage and approval.

Approved April 27, 1983.

CHAPTER NO. 644

AN ACT SPECIFYING THAT THE DEPARTMENT OF REVENUE MUST USE A CERTAIN METHOD IN VALUATION OF AGRICULTURAL LAND; AMENDING SECTION 15-7-201, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-7-201, MCA, is amended to read:

"15-7-201. Legislative intent — value of agricultural property. *(1)* Since the market value of many *agricultural* properties is based upon speculative purchases which do not reflect the productive capability of *agricultural land*, it is the legislative intent that bona fide *agricultural* properties shall be classified and assessed at a value that is exclusive of values attributed to urban influences or speculative purposes.

(2) Agricultural land shall be classified according to its use, which classifications shall include but not be limited to irrigated use, nonirrigated use, and grazing use.

(3) Within each class, land shall be assessed at a value that is fairly based on its ability to produce, taking into consideration the classification system in existence on [effective date of this act], provided, however, the department may consolidate tillable irrigated land classes. With relation to irrigated land, water costs shall be taken into consideration, except at no time may the resulting value of irrigated land be reduced below the value such land would have if it were not irrigated.

HeinOnline -- 1983 vol. II 1552 1983

(4) Capital costs such as improved water distribution, fertilizer, and land shaping that increase productivity shall not be used in determining assessed values."

Section 2. **Delayed effective date.** Section 1 is effective January 1, 1986.

Approved April 27, 1983.

CHAPTER NO. 645

AN ACT TO GRANT THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES AUTHORITY TO ADMINISTER THE STATE PLAN ON AGING, TO COORDINATE SERVICES TO THE AGED, AND TO ESTABLISH OR REDESIGNATE PLANNING AND SERVICE AREAS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** As used in [this act], unless the context clearly indicates otherwise, the following definitions apply:

(1) "Department" means the department of social and rehabilitation services.

(2) "Older Americans Act" means the Older Americans Act of 1965, as amended, 42 U.S.C. 3001, et seq.

(3) "Planning and service area" means a geographic area of the state that is designated for purposes of planning, development, delivery, and overall administration of services under the Older Americans Act.

(4) "Services to the aged" means those services the department administers pursuant to the Older Americans Act.

(5) "State plan" means a plan developed by the department to coordinate and administer delivery of services under the Older Americans Act.

Section 2. **Purpose.** The purpose of [this act] is to grant the department authority to develop and administer the state plan on aging, to coordinate services to the aged pursuant to the Older Americans Act, and to establish or redesignate planning and service areas pursuant to section 305 of that act. It is the intent of the legislature that the number of planning and service areas be limited so that unnecessary administrative costs are eliminated.

Section 3. **Existing planning and service areas grandfathered — exception.** The 11 planning and service areas existing [on passage and approval] are grandfathered in for a period of not less than 4 years. However, the department may accept and consider requests from such existing planning and service areas that the requesting area be divided into two new areas and may grant one request and divide the area into two new

HeinOnline -- 1983 vol. II 1553 1983

areas. If the department grants a request and divides the requesting area into two new areas, this section's grandfather clause applies to the two new areas.

Section 4. **State plan on aging.** The department may administer and develop the state plan on aging.

Section 5. **Designation of planning and service areas.** (1) On or before October 1, 1983, and every 4 years following, the department shall redesignate the planning and service areas it utilizes for services to the aged.

(2) The department shall fix the number of planning and service areas at no less than 7 and no more than 12.

(3) Planning and service areas shall follow either recognized county boundaries or Indian reservation boundaries, or both.

(4) The department may designate a combination of Indian reservations as a planning and service area for any reservations that have applied to be designated under a consortium supported by their respective tribal governments.

Section 6. **Departmental rules.** The department shall adopt rules to administer and implement [this act].

Section 7. **Codification instruction.** Sections 1 through 6 are intended to be codified as an integral part of Title 53, chapter 5, and the provisions of Title 53, chapter 5, apply to sections 1 through 6.

Section 8. **Effective date.** This act is effective on passage and approval.

Approved April 27, 1983.

CHAPTER NO. 646

AN ACT TO INCREASE THE AMOUNT AUTHORIZED FOR EVENING MEAL REIMBURSEMENT FOR STATE EMPLOYEES AND CERTAIN OFFICIALS ENGAGED IN STATE BUSINESS WHILE AWAY FROM THEIR DESIGNATED HEADQUARTERS BUT WITHIN THE STATE; AMENDING SECTION 2-18-501, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-18-501, MCA, is amended to read:

"2-18-501. Meals, lodging, and transportation of persons in state service. Every elected official, appointed members of boards, commissions, councils, department directors, and all other state employees shall be reimbursed for meals and lodging while away from the person's designated headquarters and engaged in official state business in accordance with the following provisions:

HeinOnline -- 1983 vol. II 1554 1983

(1) For travel within the state of Montana, the following provisions apply:

(a) The governor shall be authorized actual and necessary expenses not to exceed $55 per day.

(b) All other elected state officials, appointed members of boards, commissions, councils, department directors, and all other state employees shall be authorized the actual cost of lodging not exceeding $24 per day except as provided in subsection (3), plus $3 for the morning meal, $3.50 for the midday meal, and *$8* for the evening meal. All claims for lodging expense reimbursement allowed under this section must be documented by an appropriate receipt.

(2) For travel out of the state of Montana, the following provisions apply:

(a) The governor shall be authorized the actual cost of lodging in addition to a meal allowance not to exceed $30 per day.

(b) All other elected state officials, appointed members of boards, commissions, councils, department directors, and all other state employees shall be authorized the actual cost of lodging not exceeding $50 per day, except as provided in subsection (3), plus $4 for the morning meal, $6.50 for the midday meal, and $12 for the evening meal. All claims for the lodging expense reimbursement allowed under this subsection must be documented by an appropriate receipt.

(3) All other elected state officials, appointed members of boards, commissioners, council, department directors, and all other state employees shall be authorized the actual cost of lodging when traveling in the normal course of their duties to certain designated areas. The department of administration shall designate those areas where the actual cost of lodging shall be reimbursed.

(4) When other than commercial, nonreceiptable lodging facilities are utilized by a state employee while conducting official state business in a travel status, the amount of $7 will be authorized for lodging expenses for each day in which travel involves an overnight stay in lieu of the amount authorized in subsection (1)(b) or (2)(b) above. However, when overnight accommodations are provided at the expense of any government entity, no reimbursement may be claimed for lodging.

(5) The actual cost of reasonable transportation expenses and other necessary business expenses incurred by a state official or employee while in an official travel status shall be subject to reimbursement.

(6) The provisions of this section shall not be construed as affecting the validity of 5-2-301.

(7) The department of administration shall prescribe rules necessary to effectively administer this section for state government.

(8) All commercial air travel shall be by the least expensive class service available."

Approved April 27, 1983.

HeinOnline -- 1983 vol. II 1555 1983

CHAPTER NO. 647

AN ACT TO PROVIDE FOR THE NEGOTIATED SALE OF COUNTY, MUNICIPAL, AND SCHOOL DISTRICT GENERAL OBLIGATION REFUNDING BONDS AND MUNICIPAL REVENUE REFUNDING BONDS; TO PROVIDE FOR THE ISSUANCE OF ADVANCE REFUNDING GENERAL OBLIGATION BONDS BY COUNTIES, MUNICIPALITIES, AND SCHOOL DISTRICTS; AMENDING SECTIONS 7-7-2302, 7-7-4302, 7-7-4311, 7-7-4501, 7-7-4503, AND 20-9-412, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 7-7-2302, MCA, is amended to read:

"**7-7-2302. Applicability of certain other bond provisions.** The provisions of 7-7-2203 through 7-7-2211, 7-7-2222, and *7-7-2255* through 7-7-2274 apply to refunding bonds issued under this part*; however, the board of county commissioners may at its option sell bonds issued under this part at a private negotiated sale or at a public sale conducted pursuant to the provisions of 7-7-2251 through 7-7-2254.*"

Section 2. Section 7-7-4302, MCA, is amended to read:

"**7-7-4302. Applicability of certain other bond provisions.** The provisions of 7-7-4201 through 7-7-4210 and *7-7-4255* through 7-7-4274 apply to refunding bonds issued under this part*; however, the city or town council may at its option sell bonds issued under this part at a private negotiated sale or at a public sale conducted pursuant to the provisions of 7-7-4251 through 7-7-4254.*"

Section 3. Section 7-7-4311, MCA, is amended to read:

"**7-7-4311. Procedure to issue refunding general obligation bonds.** In order to issue bonds to refund bonds theretofore issued and outstanding, it shall only be necessary for the council, at a regular or duly called special meeting, to pass and adopt a resolution setting forth the facts with regard to the indebtedness to be refunded, showing the reason for issuing such refunding bonds and fixing and determining the details thereof, *including whether the bonds will be sold at a private negotiated sale or public sale.*"

Section 4. Section 7-7-4503, MCA, is amended to read:

"**7-7-4503. Exchange or sale of refunding revenue bonds.** (1) Refunding revenue bonds may, with the consent of the holders of the bonds to be refunded thereby, be exchanged at par plus accrued interest for all or part of such bonds or may be sold *at a private negotiated sale or at a public sale conducted pursuant to the provisions of 7-7-4433 and 7-7-4434* at a price not less than par plus accrued interest.

(2) Nothing herein shall require the holder of any outstanding bond to accept payment thereof or the delivery of a refunding bond in exchange therefor except in accordance with the terms of such outstanding bond."

HeinOnline -- 1983 vol. II 1556 1983

Section 5. Section 7-7-4501, MCA, is amended to read:

"7-7-4501. Authority to issue refunding revenue bonds. (1) In addition to the powers which it now may have, any municipality shall have the power under this part to refund bonds issued for any of the purposes listed in 7-7-4421(1), whether issued under authority of part 45 or of any other applicable law.

(2) Refunding revenue bonds issued as authorized in this section shall be governed by all of the provisions of part 44, *except 7-7-4433 and 7-7-4434,* as fully as bonds issued for the initial financing of any undertaking and by the further provisions of this part.

(3) Bonds may be issued to refund interest as well as principal actually due and payable if the revenues pledged therefor are not sufficient, but not to refund any bonds or interest due which can be paid from revenues then on hand."

Section 6. Section 20-9-412, MCA, is amended to read:

"20-9-412. Issuance of refunding bonds without an election. (1) Bonds of a school district issued for the purpose of providing the money needed to redeem outstanding bonds may be issued without submitting the proposition to the electorate at an election. In order to issue bonds for such purpose, the trustees, at a regular meeting or a duly called special meeting, shall adopt a resolution setting forth:

(a) the facts regarding the outstanding bonds that are to be redeemed;

(b) the reasons for issuing new bonds; and

(c) the term and details of the new bond issue.

(2) After the adoption of such resolution, the trustees shall:

(a) sell the bonds at a private negotiated sale; or

(b) at their option, give notice of the sale of such new bonds in the same manner that notice is required to be given for the sale of bonds authorized at a school election *and sell such* new bonds in open competitive bidding, by written bids or by sealed bids.

(3) Bonds shall not be refunded by the issuance of new bonds unless the rate of interest offered on the new bonds is at least ½ of 1% per annum less than the rate of interest in the bonds to be refunded or redeemed.

(4) Refunding bonds issued pursuant to this section may be issued to refund outstanding bonds in advance of the date on which such bonds mature or are subject to redemption, provided the proceeds of the refunding bonds, less any accrued interest or premium received upon the sale thereof, are deposited with other funds appropriated to the payment of the outstanding bonds in escrow with a suitable banking institution in or out of the state. Funds so deposited shall be invested in securities which are general obligations of the United States or the principal and interest of which are guaranteed by the United States and which mature or are callable at the option of the holder on such dates and bear interest

HeinOnline -- 1983 vol. II 1557 1983

at such rates and payable on such dates as shall be required to provide funds sufficient, with any cash retained in the escrow account, to pay when due the interest to accrue on each refunded bond to its maturity or redemption date, if called for redemption, and to pay the principal thereof at maturity or upon such redemption date, and to pay any redemption premium. The escrow account shall be irrevocably appropriated to the payment of the principal of and interest and redemption premium, if any, on the refunded bonds. Funds to the credit of the debt service fund for the payment of the refunded bonds and not required for the payment of principal of or interest thereon due prior to issuance of the refunding bonds may be appropriated by the district to the escrow account. The school district may pay the reasonable costs and expenses of printing the refunding bonds and of establishing and maintaining the escrow account. Bonds refunded pursuant to this part are not to be considered outstanding for purposes of 20-9-406 or any other debt limitation."

Section 7. **Advance refunding bonds.** The board of county commissioners may issue refunding bonds pursuant to this section to refund outstanding bonds in advance of the date on which such bonds mature or are subject to redemption, provided the proceeds of the refunding bonds, less any accrued interest or premium received upon the sale thereof, are deposited with other funds appropriated to the payment of the outstanding bonds in escrow with a suitable banking institution in or out of the state. Funds so deposited shall be invested in securities which are general obligations of the United States or the principal and interest of which are guaranteed by the United States and which mature or are callable at the option of the holder on such dates and bear interest at such rates and payable on such dates as shall be required to provide funds sufficient, with any cash retained in the escrow account, to pay when due the interest to accrue on each refunded bond to its maturity or redemption date, if called for redemption, and to pay the principal thereof at maturity or upon such redemption date, and to pay any redemption premium. The escrow account shall be irrevocably appropriated to the payment of the principal of and interest and redemption premium, if any, on the refunded bonds. Funds to the credit of the sinking fund account for the payment of the refunded bonds and not required for the payment of principal of or interest thereon due prior to issuance of the refunding bonds may be appropriated by the county to the escrow account. The county may pay the reasonable costs and expenses of printing the refunding bonds and of establishing and maintaining the escrow account. Bonds refunded pursuant to this part are not to be considered outstanding for purposes of 7-7-2203 or any other debt limitation.

Section 8. **Advance refunding bonds.** A city or town may issue refunding bonds pursuant to this section to refund outstanding bonds in advance of the date on which such bonds mature or are subject to redemption, provided that proceeds of the refunding bonds, less any accrued interest or premium received upon the sale thereof, are deposited with other funds appropriated to the payment of the outstanding bonds in escrow with a suitable banking institution in or out of the state. Funds so deposited shall be invested in securities which are general obligations of

HeinOnline -- 1983 vol. II 1558 1983

the United States or the principal and interest of which are guaranteed by the United States and which mature or are callable at the option of the holder on such dates and bear interest at such rates and payable on such dates as shall be required to provide funds sufficient, with any cash retained in the escrow account, to pay when due the interest to accrue on each refunded bond to its maturity or redemption date, if called for redemption, and to pay the principal thereof at maturity or upon such redemption date, and to pay any redemption premium. The escrow account shall be irrevocably appropriated to the payment of the principal of and interest and redemption premium, if any, on the refunded bonds. Funds to the credit of the sinking fund account for the payment of the refunded bonds and not required for the payment of principal of or interest thereon due prior to issuance of the refunding bonds may be appropriated by the city or town to the escrow account. The city or town may pay the reasonable costs and expenses of printing the refunding bonds and of establishing and maintaining the escrow account. Bonds refunded pursuant to this part are not to be considered outstanding for purposes of 7-7-4201 or any other debt limitation.

Section 9. **Effective date.** This act is effective on passage and approval.

Approved April 27, 1983.

CHAPTER NO. 648

AN ACT PROVIDING A CREDIT AGAINST INDIVIDUAL PARTNERSHIP, SMALL BUSINESS CORPORATION, OR CORPORATE INCOME TAX LIABILITY FOR CAPITAL EXPENDITURES FOR COMMERCIAL SYSTEMS THAT GENERATE ELECTRICITY BY MEANS OF WIND POWER; PROVIDING FOR LIMITATION ON AND CARRYOVER OF THE CREDIT; AND PROVIDING AN APPLICABILITY DATE AND AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Purpose and statement of policy.** The purpose of [this act] is to encourage the development of a wind energy industry in Montana without adversely affecting tax revenues received from existing economic activity in the state. Because of the wind energy potential within the state, it is desirable to encourage wind energy generation for the purpose of attracting wind energy manufacturing industries to the state. It is also desirable for new or expanded industry to secure wind-generated electricity on a direct contract sales basis without adversely affecting rates charged to other electricity users. Sound fiscal policy requires that encouragement be given to a wind energy industry without subtracting from existing sources of revenue to the state.

Section 2. **Commercial investment credit — wind-generated electricity.** (1) An individual, corporation, partnership, or small business corporation as defined in 15-31-201 that makes an investment of $5,000 or

HeinOnline -- 1983 vol. II 1559 1983

more in certain depreciable property qualifying under section 38 of the Internal Revenue Code of 1954, as amended, for a commercial system located in Montana which generates electricity by means of wind power is entitled to a tax credit against taxes imposed by 15-30-103 or 15-31-121 in an amount equal to 35% of the eligible costs, to be taken as a credit only against taxes due as a consequence of taxable or net income produced by one of the following:

(a) manufacturing plants located in Montana that produce wind energy generating equipment;

(b) a new business facility or the expanded portion of an existing business facility for which the wind energy generating equipment supplies, on a direct contract sales basis, the basic energy needed; or

(c) the wind energy generating equipment in which the investment for which a credit is being claimed was made.

(2) For purposes of determining the amount of the tax credit that may be claimed under subsection (1), eligible costs include only those expenditures that qualify under section 38 of the Internal Revenue Code of 1954, as amended, and that are associated with the purchase, installation, or upgrading of:

(a) generating equipment;

(b) safety devices and storage components;

(c) transmission lines necessary to connect with existing transmission facilities; and

(d) transmission lines necessary to connect directly to the purchaser of the electricity when no other transmission facilities are available.

(3) Eligible costs under subsection (2) must be reduced by the amount of any grants provided by the state or federal government for the system.

Section 3. **Limitation on credit.** Whenever any federal wind energy tax credits for a system that generates electricity by means of wind power are allowed or allowable under section 48(1) of the Internal Revenue Code or any other federal law, the state credit allowed by [section 2] must be reduced by the amount of federal credits so that the effective credit does not exceed 60% of the eligible costs.

Section 4. **Carryover of credit.** The tax credit allowed under [section 2] is to be deducted from that portion of the taxpayer's tax liability as set forth in [section 2(1)] for the taxable year in which the equipment invested in by the taxpayer is placed in service. If the amount of the tax credit exceeds the taxpayer's tax liability for the taxable year, the amount that exceeds the tax liability may be carried over for credit against the taxpayer's tax liability in the next succeeding taxable year or years until the total amount of the tax credit, subject to the limitation of [section 3], has been deducted from tax liability. However, no credit may be carried beyond the seventh taxable year succeeding the taxable year in which the equipment was placed in service.

HeinOnline -- 1983 vol. II 1560 1983

Section 5. **Exclusion from other tax incentives.** If a credit is claimed for an investment pursuant to [this act], no other state energy or investment tax credit, including but not limited to the tax credits allowed by 15-30-162, 15-31-123 through 15-31-125, [and the credits provided in SB 241], may be claimed for the investment. Property tax reduction allowed by 15-6-201(3) may not be applied to a facility for which a credit is claimed pursuant to [this act].

Section 6. **Separation of credit portion.** In the case of a business, a portion of which qualifies for the credit pursuant to [section 2] and a portion of which does not qualify for the credit, taxes due from each portion must be separated by using the three-factor formula provided in 15-31-305.

Section 7. **Rules authorized.** The department of revenue is authorized to adopt rules to implement [this act]. The purpose of such rules must be to insure the following:

(1) proper and efficient administration of [this act];

(2) proper reporting of information and payment of any amounts due by persons claiming the credit pursuant to [this act];

(3) the claiming of the credit only against taxes due as a consequence of income produced by new economic activity in the state as described in [section 2].

Section 8. **Coordination instruction.** If Senate Bill No. 241 is not passed and approved, the bracketed language [and the credits provided in SB 241] in section 5 is deleted from this act.

Section 9. **Effective and applicability date.** This act is effective on passage and approval and applies to tax years beginning after December 31, 1982.

Approved April 27, 1983.

CHAPTER NO. 649

AN ACT TO ESTABLISH SCHEDULES FOR THE TAX INCENTIVE FOR THE PRODUCTION OF ALCOHOL TO BE BLENDED FOR GASOHOL; TO PROVIDE FOR LICENSING OF AND REPORTING BY ALCOHOL DISTRIBUTORS; TO RESCIND THE SUSPENSION PROVISION; AMENDING SECTIONS 15-70-204 AND 15-70-221, MCA; REPEALING SECTION 3, CHAPTER 576, LAWS OF 1979; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 through 11] may be cited as the "Alcohol Tax Incentive and Administration Act of 1983".

Section 2. **Purpose.** The purpose of [sections 1 through 11] is to establish schedules for the tax incentive for the production of alcohol to

be blended for gasohol and to provide for the proper administration and enforcement of the tax incentive. The schedules for the tax incentive are designed to stimulate the development of alcohol fuel production in Montana while limiting the cost to the state of the tax incentive to amounts that are reasonable in relation to the highway revenue needs of Montana.

Section 3. **Definitions.** As used in [sections 1 through 11], the definitions in 15-70-201 and the following definitions apply:

(1) "Alcohol distributor" means any person who, for the purpose of making gasohol:

(a) engages in the business of producing alcohol for sale, use, or distribution in this state; or

(b) imports alcohol for sale, use, or distribution in this state.

(2) "Department" means the department of revenue.

(3) "Gasohol dealer" means any person who blends alcohol with gasoline to produce gasohol for sale, use, or distribution in this state.

Section 4. **License of alcohol distributors.** Every alcohol distributor, prior to doing business, shall file with the department an application for a license, using forms prescribed and furnished by the department and setting forth such information as may be requested by the department. Upon approval of the application, the department shall issue the distributor a nonassignable license that continues in force until surrendered or canceled.

Section 5. **Distributor's statement.** Each alcohol distributor shall, not later than the 25th day of each calendar month, render to the department a statement, signed by him, that includes the following:

(1) the number of gallons of alcohol manufactured or imported by the distributor during the preceding calendar month;

(2) the name of each gasohol dealer to whom he sold alcohol and the number of gallons sold to each dealer; and

(3) such other information as the department may reasonably require to administer the tax laws of this state.

Section 6. **Recordkeeping requirements.** The records of each alcohol distributor and gasohol dealer must be kept for a period of not more than 3 years and must include receipts, invoices, and such other information as the department may require.

Section 7. **Examination of records.** The department or its authorized representative may examine the books, papers, records, and equipment of any alcohol distributor or gasohol dealer.

Section 8. **Denaturing alcohol — refund authorized.** Any alcohol distributor who, for the purpose of denaturing alcohol distilled in Montana, purchases gasoline on which the Montana gasoline tax has been paid is entitled to a refund, computed as allowed in 15-70-221, of tax paid on the gasoline used.

HeinOnline -- 1983 vol. II 1562 1983

Section 9. **Tax incentive for production of alcohol.** (1) There is a tax incentive payable to alcohol distributors for distilling alcohol to be blended with gasoline for sale as gasohol provided the alcohol is distilled in Montana from Montana agricultural products. Payment shall be made by the department of revenue out of the amount collected under 15-70-204.

(2) Except as provided in subsection (3), the tax incentive on each gallon of alcohol distilled in accordance with subsection (1) is:

(a) beginning July 1, 1983, 70 cents per gallon;

(b) beginning April 1, 1985, 50 cents per gallon;

(c) beginning April 1, 1986, 30 cents per gallon; and

(d) beginning April 1, 1989, and thereafter, there is no tax incentive.

(3) The incentive schedule provided for in subsection (2) shall be modified in response to market conditions as follows:

(a) If for any 2 consecutive calendar quarters ending on or before September 30, 1984, the gallons of gasohol sold comprise 8% or more but less than 11% of the total gallons of nonaviation gasoline and gasohol sold, the tax incentive for alcohol shall be 50 cents per gallon effective beginning the second calendar quarter after the 2 consecutive calendar quarters during which the gallons of gasohol sold comprised 8% or more but less than 11% of the total gallons of nonaviation gasoline and gasohol sold.

(b) If for any 2 consecutive calendar quarters ending on or before September 30, 1986, the gallons of gasohol sold comprise 11% or more but less than 18% of the total gallons of nonaviation gasoline and gasohol sold, the tax incentive for alcohol shall be 30 cents per gallon effective beginning the second calendar quarter after the 2 consecutive calendar quarters during which the gallons of gasohol sold comprised 11% or more but less than 18% of the total gallons of nonaviation gasoline and gasohol sold.

(c) If for any 2 consecutive calendar quarters ending on or before September 30, 1988, the gallons of gasohol sold comprise 18% or more of the total gallons of nonaviation gasoline and gasohol sold, the tax incentive for alcohol shall be eliminated effective beginning the second calendar quarter after the 2 consecutive quarters during which the gallons of gasohol sold comprised 18% or more of the total gallons of nonaviation gasoline and gasohol sold.

(d) Each quarter, the department shall compute the share of the total nonaviation gasoline and gasohol market that is represented by gasohol, according to the information contained in gasoline distributors' returns.

Section 10. **Application for payment of tax incentive.** (1) The claimant shall apply for payment of tax incentive by signed statement, on a form furnished by the department, accompanied by the original production records and invoices issued to the gasohol dealer at the time of sale and delivery, showing total gallons of alcohol sold.

(2) Application for the payment of the tax incentives must be filed with the department not later than the 25th day of the calendar month following the month for which the claim is being made.

HeinOnline -- 1983 vol. II 1563 1983

(3) The payment of the tax incentives shall be reduced by the amount of tax provided for in 15-70-204(3) that is due on alcohol to be blended for gasohol.

Section 11. **Penalty for failure to file.** Any alcohol distributor who fails to obtain a license under [section 4] or to file the statements required by [section 5] in the manner or within the time provided in [section 5] or who makes any false statement is guilty of a misdemeanor and upon conviction must be fined not more than $1,000 or imprisoned in the county jail for not more than 6 months, or both.

Section 12. Section 15-70-204, MCA, is amended to read:

"15-70-204. Gasoline license tax — rate. (1) Every distributor shall pay to the department of revenue a license tax for the privilege of engaging in and carrying on business in this state in an amount equal to 1 cent for each gallon of aviation gasoline, which shall be allocated to the department of commerce as provided by 67-1-301, as amended, and 8 cents for each gallon of all other gasoline distributed by him within the state and upon which the gasoline license tax has not been paid by any other distributor.

(2) Gasoline exported or sold for export out of the state shall not be included in the measure of the distributor's license tax.

(3) *Alcohol that is blended or is to be blended with gasoline to be sold as gasohol is subject to a tax per gallon equal to the license tax imposed on nonaviation gasoline distributors under subsection (1).*"

Section 13. Section 15-70-221, MCA, is amended to read:

"15-70-221. Refund authorized. (1) Any person who shall purchase and use any gasoline on which the Montana gasoline license tax has been paid for *denaturing alcohol to be used in gasohol or* operating or propelling stationary gasoline engines, tractors used off the public highways and streets, or for any commercial use other than propelling vehicles upon any of the public highways or streets of this state shall be allowed a refund of the amount of tax paid directly or indirectly on the gasoline so used. Such refund or drawback should in no instance exceed the tax paid or to be paid to the state and no refund shall be allowed of that portion of the tax per gallon upon aviation gasoline allocated to the department of commerce by 67-1-301.

(2) Any distributor paying the gasoline license tax to this state erroneously shall be allowed a credit or refund of the amount of tax so paid."

Section 14. **Repealer.** Section 3, Chapter 576, Laws of 1979, is repealed.

Section 15. **Codification instruction.** Sections 1 through 11 are intended to be codified as an integral part of Title 15, chapter 70, and the provisions of Title 15, chapter 70, part 1, apply to sections 1 through 11.

Section 16. **Effective date.** This act is effective July 1, 1983.

Approved April 27, 1983.

HeinOnline -- 1983 vol. II 1564 1983

CHAPTER NO. 650

AN ACT TO ESTABLISH A PLANNING FRAMEWORK FOR THE DEVELOPMENT OF A NATURAL RESOURCE INFORMATION SYSTEM AND TO ESTABLISH AN ONGOING MONTANA NATURAL HERITAGE PROGRAM; AND PROVIDING AN APPROPRIATION.

WHEREAS, various departments of state government, including the Departments of Natural Resources and Conservation; Fish, Wildlife, and Parks; State Lands; Health and Environmental Sciences; and Agriculture and various branches of the university system independently collect natural resource information for different purposes, using manual and automated methods; and

WHEREAS, although ideally there should be an integrated natural resource information system, such a sophisticated system would be extremely costly because of the unique and distinctly different requirements of each department; and

WHEREAS, efforts should be made to expedite the development of separate but compatible systems and to catalog this data and make it available for department and statewide use; and

WHEREAS, a natural heritage program begins by developing a classification system to conceptually organize the elements of natural diversity in the state, and this classification serves as a framework for categorizing natural landscape information to facilitate comparison of similar elements and recognize dissimilar elements; and

WHEREAS, 33 states have already developed programs to collect and manage information on their natural heritage, and the methods used by those state programs are available to Montana; and

WHEREAS, the classification system embodied in the natural heritage program should be a working one that retains the flexibility to be changed as need dictates so that new categories may be added or preexisting categories subdivided and, within classes, elements may be added or deleted as new information becomes available; and

WHEREAS, a natural heritage program is needed to eliminate costly duplication and enhance the efficiency of natural resource data collection and to provide a valuable source of that information for state government, industry, and other groups.

THEREFORE, the State of Montana, as a first step in developing a natural resource information system establishes a Montana Natural Heritage Program.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Purpose.** It is the purpose of [sections 1 through 9] to establish a planning framework for the development of a natural resource information system and to establish an ongoing Montana natural heritage program.

HeinOnline -- 1983 vol. II 1565 1983

Section 2. **Definitions.** As used in [sections 1 through 8], the following definitions apply:

(1) "Committee" means the natural resource data system advisory committee created by [section 3].

(2) "Department" means the department of administration created by 2-15-1001.

(3) "Natural heritage program" means a program of information acquisition, storage, and retrieval for data relating to the flora, fauna, and biological community types of Montana.

(4) "Principal data source agencies" means any of the following state agencies: the department of natural resources and conservation, the department of fish, wildlife, and parks, the department of state lands, the department of health and environmental sciences, the department of agriculture, the department of highways, the state historical society, and the Montana university system.

Section 3. **Natural resource data system advisory committee.** (1) There is a natural resource data system advisory committee consisting of an employee of the environmental quality council and of each principal data source agency appointed by the head of the respective state agency, and by the board of regents of higher education for the Montana university system.

(2) The committee shall examine the following matters and make recommendations to the department head concerning:

(a) criteria for the categories and types of data to be collected for a natural resource information system;

(b) criteria for the format of data collection;

(c) identification of existing sources of relevant data in the public sector;

(d) identification of data acquisition, storage, and retrieval methodologies that are economical and efficient, that minimize or eliminate the duplication of data bases, and that utilize computer networking;

(e) probable costs to agencies furnishing required data and probable costs of managing the data;

(f) probable benefits to be realized by the establishment of a natural resource information system;

(g) operation of the Montana natural heritage program; and

(h) other items the committee considers of importance to the establishment of a natural resource information system.

(3) The department shall provide staff support to the committee, within the limits of the department's available resources.

(4) Committee members while engaged in committee business are entitled to be reimbursed for travel expenses as provided for in 2-18-501

HeinOnline -- 1983 vol. II 1566 1983

through 2-18-503. These expenses shall be borne by the agency employing the member. Each member serves at the pleasure of the respective appointing authority. The committee shall establish its own format for the conduct of meetings.

Section 4. **Natural resource information system.** (1) The department, in consultation with the committee, shall establish a planning framework for the implementation of a natural resource information system. This system is to be a comprehensive program for the acquisition, storage, and retrieval of existing data relating to the natural resources of Montana.

(2) The department shall give attention to the factors listed in subsection (2) of [section 3] and shall prepare any legislation necessary to implement the system.

(3) It is not intended that the system shall require fieldwork or literature searches to produce data. The system is intended to facilitate the management of data collected by state agencies in the normal course of their operations.

Section 5. **Natural heritage program.** (1) There is a Montana natural heritage program to be operated by the department. In order to establish the program, the department may contract with an independent contractor for a period not to exceed 2 years.

(2) The Montana natural heritage program shall be designed to be compatible with similar programs in other states. This program is to be an initial step in the formulation of the comprehensive natural resource information system referred to in [section 4] and is to be considered a part of the system.

Section 6. **Interagency cooperation.** (1) State agencies shall cooperate with the department and the committee in the planning of the natural resource information system.

(2) Within the limits of available resources, state agencies shall provide data requested by the department for purposes of the Montana natural heritage program. If an agency does not possess requested data or is unable to locate requested data, the agency shall inform the department. It is not necessary for an agency to conduct fieldwork or literature searches to obtain requested data.

Section 7. **Availability of information.** (1) Except as provided in subsection (3), the department shall make information from the natural resource information system available to local, state, and federal agencies and to the general public.

(2) The department may establish a fee system for information requests in order to cover the costs of providing requested information.

(3) If necessary, the department shall establish procedures to protect confidential information in the possession of state agencies.

Section 8. **Environmental quality council to monitor activities of department and committee.** The environmental quality council

HeinOnline -- 1983 vol. II 1567 1983

shall monitor and evaluate the activities of the department and the committee under [sections 1 through 7] and shall report its findings and recommendations to the legislature by November 1, 1984.

Section 9. **Appropriation and funding.** (1) There is appropriated from the general fund the amount of $500 for the biennium ending June 30, 1985, to the department of administration for the establishment of the Montana natural heritage program and for support services to the natural resource data system advisory committee.

(2) The department of administration may apply for and may receive funding from private and public sources for the purposes of [sections 1 through 8] and any such funds are appropriated to the department for such purposes.

Approved April 27, 1983.

CHAPTER NO. 651

AN ACT TO PROVIDE FOR THE TRANSFER OF AUTHORITY OF THE COUNTY DEPARTMENT OF PUBLIC WELFARE TO THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES AT THE OPTION OF THE BOARD OF COUNTY COMMISSIONERS; AUTHORIZING A WORKFARE REQUIREMENT FOR STATE AND COUNTY GENERAL RELIEF RECIPIENTS; ESTABLISHING A WAGE OPTION FOR WORKFARE RECIPIENTS; AMENDING SECTIONS 53-2-301, 53-2-302, 53-2-304, 53-2-306, 53-2-307, 53-2-322, 53-2-323, 53-3-301, AND 53-3-304, MCA; PROVIDING AN APPROPRIATION; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Purpose.** The purpose of [sections 1 through 8] is to provide for the department of social and rehabilitation services to assume all responsibilities for public assistance programs and protective services for children and adults that, as of July 1, 1983, are provided by the counties pursuant to Titles 41 and 53. The assumption may become effective only at the option and with the express consent of each individual county requesting state assumption.

Section 2. **Definitions.** Unless the context requires otherwise, in [sections 1 through 8] the following definitions apply:

(1) "County department" means the county department of public welfare provided for in Title 53, chapter 2, part 3.

(2) "Department" means the department of social and rehabilitation services provided for in Title 2, chapter 15, part 22.

(3) "Mill levy equivalent" means the prior year's expenditure divided by the value of 1 mill.

(4) "Needy person" is one who is eligible for public assistance under the laws of this state.

HeinOnline -- 1983 vol. II 1568 1983

(5) "Protective services" means services to children and adults to be provided by the department as permitted by Titles 41 and 53.

(6) "Public assistance" or "assistance" means any type of monetary or other assistance furnished under this title to a person by a state or county department, regardless of the original source of assistance.

(7) "State assumption" means the transfer to the department for the county by the board of county commissioners of all powers and duties, including staff personnel as provided in 53-2-301 through 53-2-307 and public assistance and protective services provided by the county department pursuant to Titles 41 and 53, except as otherwise specifically provided in [sections 1 through 8].

Section 3. **Transfer of county public assistance and protective services to state department.** (1) All authority granted to the board of county commissioners to establish and operate a public assistance program and provide protective services for children and adults pursuant to Titles 41 and 53 may be transferred to the department, except that the county attorney shall continue to provide legal assistance and representation for the purposes of adult and child protective services without charge and all debts and obligations incurred prior to the effective date of state assumption continue as the responsibility of the county.

(2) The board of county commissioners, after public hearing, may by resolution or ordinance transfer to the department all powers and duties for public assistance and protective services for children and adults, including the selection, supervision, and termination of staff personnel associated with the performance of these activities. Upon the effective date of such transfer, the department shall assume all powers and duties related to public assistance and protective services and accorded by law to the county welfare department. If the notice required in subsection (3) is given, the transfer is effective at the start of the next state fiscal year.

(3) Counties opting for state assumption shall notify the department at least 90 days prior to the start of the state fiscal year unless the time period is waived in whole or in part by the director of the department.

(4) Counties opting for state assumption shall permit the department to use the same facilities currently occupied by the county department or substantially equal facilities, with fair rental value for such facilities to be paid by the department. Counties opting for state assumption shall transfer to the department all materials and supplies used in the operation of the county department and which were paid for in whole or in part with federal or state funds.

Section 4. **State assumption — permanent transfer to department — exceptions.** (1) A county opting for state assumption does so on a complete and permanent basis, unless the county requests to retain or reassume responsibility for medical assistance or monetary payments to needy persons as provided in Title 53, chapter 3, pursuant to the adoption of a resolution or ordinance as provided in [section 3(2)] and notice to the department as provided in [section 3(3)]. Under such a retention or reassumption, staff personnel continue under the supervision and control

HeinOnline -- 1983 vol. II 1569 1983

of the department but the department may contract with the counties for the operation of programs provided in Title 53, chapter 3. A county may not retain or reassume assistance programs partially funded by the federal government.

(2) A county transferring all duties and responsibilities to the department may reassume limited responsibility for medical assistance or monetary payments to needy persons as provided in subsection (1), but may not thereafter request full state assumption. A county initially requesting limited state assumption may not thereafter request full state assumption. A county opting for limited or full state assumption does so on a permanent basis, except as provided in this section.

Section 5. **Creation of advisory councils.** (1) The department may establish one or more advisory councils to advise the department on policies relating to public assistance or protective services. The director of the department shall appoint members of the advisory council for a term set by him, and they may be dismissed at his discretion.

(2) Upon request of the governing body of a county having opted for state assumption, the department shall establish a county advisory council for the county. The advisory council shall consist of the board of county commissioners of the county, or if the county governing body consists of greater than three members, three members of the governing body chosen by the governing body. The department may appoint two other members to the advisory council as provided in subsection (1).

(3) No compensation or expenses may be paid advisory council members for their service on the advisory council. The requirements of 2-15-122 do not apply to an advisory council appointed pursuant to this section.

Section 6. **Authority to adopt rules.** The department may adopt rules necessary to carry out the purposes of [sections 1 through 8], including implementing transfer of the county programs to the department. The department may adopt rules to determine the amount, scope, and duration of general relief, which may not exceed those services and amounts payable under the department's programs of medicaid and aid to families with dependent children as necessary to carry out the purposes of [sections 1 through 8].

Section 7. **Mill levy for counties transferring public assistance and protective services.** (1) (a) Except as provided in subsection (1)(b), for the purpose of [sections 1 through 8], 12 mills must be levied annually in those counties opting for state assumption.

(b) A county that levied an amount less than 12 mills for purposes of its county poor fund during fiscal year 1982 must levy an equivalent amount to the poor fund mill levy assessed by that county during fiscal year 1982, plus 1.5 mills not to exceed a total of 12 mills, less a mill levy equivalent to an amount the county can demonstrate was spent during fiscal year 1982 for the building or operation of a medical facility. The reduced mill levy exception provided in this subsection (1)(b) continues in effect until June 30, 1984. After that date 12 mills must be levied in all counties where state assumption is in effect.

HeinOnline -- 1983 vol. II 1570 1983

(2) The proceeds of the mill levy established in subsection (1) must be deposited in the earmarked revenue fund in the state treasury for the purpose of paying the expenses of the department. The mill levy may not exceed 12 mills, notwithstanding actual expenditures made by the department.

(3) For a county retaining or reassuming operational responsibility for medical assistance or monetary payments to needy persons as provided in [section 4], the levy provided in subsection (1) must be reduced by the mill levy equivalent expended by that county or the department for such purposes in the fiscal year immediately preceding the option to retain or reassume such responsibility.

Section 8. **Work program required.** The department shall establish a work program as provided in 53-3-304. The department may contract with the county, a municipality, or state agency that has work available for recipients of general relief.

Section 9. Section 53-2-301, MCA, is amended to read:

"53-2-301. County departments to be established. There shall be established in each county of the state, *except in a county that has transferred its public assistance and protective services responsibilities to the department of social and rehabilitation services under the provisions of [sections 1 through 8],* a county department of public welfare which shall consist of a county board of public welfare and such staff personnel as may be necessary for the efficient performance of the public assistance activities of the county. If conditions warrant and if two or more county boards enter into an agreement, two or more counties may combine into one administrative unit and use the same staff personnel throughout the administrative unit."

Section 10. Section 53-2-302, MCA, is amended to read:

"53-2-302. County commissioners ex officio county welfare board. *Except in a county that has transferred its public assistance and protective services responsibilities to the department of social and rehabilitation services under [sections 1 through 8], the* board of county commissioners shall be the ex officio county welfare board and is hereby authorized to devote such additional time for public assistance matters as may be found necessary. The members of the county welfare board shall receive the same compensation for their services and the same mileage when acting as the county board of public welfare as they receive when acting as the board of county commissioners and shall be limited as to meetings as now provided by law, and the compensation and mileage of the members of the board shall be paid from county funds. They may transact business as a board of county commissioners and as a county welfare board on the same day, and in such cases they shall be paid as a board of county commissioners but may not receive compensation for more than 1 day's work for all services performed on the same calendar day."

Section 11. Section 53-2-304, MCA, is amended to read:

"53-2-304. Staff personnel of county department. (1) Each county board shall select and appoint from a list of qualified persons furnished by the department of social and rehabilitation services such staff

HeinOnline -- 1983 vol. II 1571 1983

personnel as are necessary. The staff personnel in each county shall consist of at least one qualified staff worker (or investigator) and such clerks and stenographers as may be decided necessary. If conditions warrant, the county board, with the approval of the department of social and rehabilitation services, may appoint some fully qualified person listed by the department as supervisor of its staff personnel. The staff personnel of each county department are directly responsible to the county board, but the department of social and rehabilitation services may supervise such county employees in respect to the efficient and proper performance of their duties. The county board of public welfare may not dismiss any member of the staff personnel without the approval of the department of social and rehabilitation services, but the department may request the county board to dismiss any member of the staff personnel for inefficiency, incompetence, or similar cause.

(2) Public assistance staff personnel attached to the county board shall be paid from state public assistance funds both their salaries and their travel expenses as provided for in 2-18-501 through 2-18-503 when away from the county seat in the performance of their duties, but the county board of public welfare shall reimburse the department of social and rehabilitation services from county poor funds the full amount of the salaries and travel expenses not reimbursed to the department by the federal government and the full amount of the department's administrative costs which are allocated by the department to the county for the administration of county welfare programs and not reimbursed to the department by the federal government. Under circumstances prescribed by the department of social and rehabiliation services, the reimbursement by the county board of public welfare may be less than the county share as prescribed above. All other administrative costs of the county department shall also be paid from county poor funds.

(3) On or before the 20th day of the month following the month for which the payments to the public assistance staff personnel of the county were made, the department of social and rehabilitation services shall present to the county department of public welfare a claim for the required reimbursements. The county board shall make such reimbursements within 20 days after the presentation of the claim, and the department of social and rehabilitation services shall credit (add) all such reimbursements to its account for administrative costs.

(4) If a county has transferred its public assistance and protective services responsibilities to the department of social and rehabilitation services under [sections 1 through 8], the department shall select, appoint, and supervise all necessary public assistance and protective services personnel, including if necessary a supervisor of staff personnel. All such personnel are directly responsible to the department."

Section 12. Section 53-2-306, MCA, is amended to read:

"**53-2-306. County department charged with local administration of public assistance.** *Except in a county that has transferred its public assistance and protective services responsibilities to the department of social and rehabilitation services under [sections 1 through 8], the* county department of public welfare shall be charged with the local

HeinOnline -- 1983 vol. II 1572 1983

administration of all forms of public assistance operations in the county, including but not limited to food stamp programs and social services programs. All such local administration must conform to federal and state law and the rules as established by the department of social and rehabilitation services."

Section 13. Section 53-2-307, MCA, is amended to read:

"53-2-307. County board to establish local administrative policies and rules. *Except in a county that has transferred its public assistance and protective services responsibilities to the department of social and rehabilitation services under [sections 1 through 8], the* county board of public welfare is responsible for establishing local policies and such rules as are necessary to govern the county department and local administration of public assistance activities, except that all such policies and rules must be in conformity with general policies and rules established by the department of social and rehabilitation services."

Section 14. Section 53-2-322, MCA, is amended to read:

"53-2-322. County to levy taxes, budget, and make expenditures for public assistance activities. (1) The board of county commissioners in each county shall levy 13.5 mills for the county poor fund as provided by law or so much thereof as may be necessary. *Counties transferring public assistance and protective services responsibilities to the department of social and rehabilitation services under [sections 1 through 8] may not levy more than the difference between 13.5 mills and the state levy pursuant to [section 7].*

(2) The board shall budget and expend so much of the funds in the county poor fund for public assistance purposes as will enable the county welfare department to pay the general relief activities of the county and to reimburse the department of social and rehabilitation services for the county's proportionate share of the administrative costs of the county welfare department and of all public assistance and its proportionate share of any other public assistance activity that may be carried on jointly by the state and the county.

(3) The amounts set up in the budget for the reimbursements to the department of social and rehabilitation services shall be sufficient to make all of these reimbursements in full. The budget shall make separate provision for each one of these public assistance activities, and proper accounts shall be established for the funds for all such activities.

(4) As soon as the preliminary budget provided for in 7-6-2315 has been agreed upon, a copy thereof shall without delay be mailed to the department of social and rehabilitation services, and at any time before the final adoption of the budget, the department shall make such recommendations with regard to changes in any part of the budget relating to the county poor fund as considered necessary in order to enable the county to discharge its obligations under the public assistance laws.

(5) The department of social and rehabilitation services shall promptly examine the preliminary budget in order to ascertain if the amounts provided for reimbursements to the department are likely to be sufficient and

HeinOnline -- 1983 vol. II 1573 1983

shall notify the county clerk of its findings. The board shall make such changes in the amounts provided for reimbursements, if any are required, in order that the county will be able to make the reimbursements in full.

(6) The board of county commissioners may not make any transfer from the amounts budgeted for reimbursing the department of social and rehabilitation services without having first obtained a statement in writing from the department to the effect that the amount to be transferred will not be required during the fiscal year for the purposes for which the amounts were provided in the budget.

(7) No part of the county poor fund, irrespective of the source of any part thereof, may be used directly or indirectly for the erection or improvement of any county building so long as the fund is needed for general relief expenditures by the county or is needed for paying the county's proportionate share of public assistance or its proportionate share of any other public assistance activity that may be carried on jointly by the state and the county. Expenditures for improvement of any county buildings used directly for care of the poor may be made out of any moneys in the county poor fund, whether such moneys are produced by the 13.5-mill levy provided for in subsection (1) of this section or from any additional levy authorized or to be authorized by law. Such expenditure shall be authorized only when any county building used for the care of the poor must be improved in order to meet legal standards required for such buildings by the department of health and environmental sciences and when such expenditure has been approved by the department of social and rehabilitation services."

Section 15. Section 53-2-323, MCA, is amended to read:

"53-2-323. Emergency grants from state funds to counties. *Except when a county has transferred its public assistance and protective services responsibilities to the department of social and rehabilitation services under [sections 1 through 8], a* county may apply to the department for an emergency grant-in-aid, and the grant shall be made to the county upon the following conditions:

(1) The board of county commissioners or a duly elected or appointed executive officer of the county shall make written application to the department for emergency assistance and shall show by written report and sworn affidavit of the county clerk and recorder and chairman of the board of county commissioners or other duly elected or appointed executive officer of the county the following:

(a) that the county will not be able to meet its obligations under law to provide assistance to the needy of the county or meet its proportionate share of any public assistance activity carried on jointly with the department;

(b) that all lawful sources of revenue and other income to the county poor fund will be exhausted;

(c) that all expenditures from the county poor fund have been lawfully made; and

HeinOnline -- 1983 vol. II 1574 1983

(d) that all expenditures from the county poor fund have been reasonable and necessary, according to criteria set by the department in rules adopted for that purpose, for the county to meet its obligations under law to provide assistance to the needy.

(2) Within 10 days of receipt of the application and affidavit, the department shall determine whether the county poor fund will be depleted and shall give notice to the county of the department's intention to deny or allow the grant-in-aid. Before a grant-in-aid for any fiscal year may be made to a county under this section, any money credited during that fiscal year to the depletion allowance reserve fund from the sources provided by 7-34-2402(2) shall be transferred to the county poor fund to be used for lawful poor fund expenditures. The amount of the grant-in-aid shall be determined after all sources of income available to the poor fund, including the depletion allowance reserve fund transfers, have been exhausted.

(3) Within 10 days of receiving notice from the department that a grant-in-aid will be made to the county, the board of county commissioners or other duly elected or appointed executive officer of the county shall adopt an emergency budget. There is no requirement of notice and hearing for that emergency budget. The emergency budget shall state the amount required to meet the obligation of the county and shall allocate that whole amount among the various classes of expenditures for which the grant was made.

(4) Upon receipt and approval of the county emergency budget, the department shall issue a warrant to the county treasurer of the county for the total amount stated in the approved emergency budget.

(5) The grant-in-aid received by the county shall be placed in an emergency fund account to be kept separate and distinct from the poor fund account. All expenditures from the emergency fund account shall be made by a separate series of warrants or checks marked as emergency warrants or checks.

(6) The grants-in-aid from the department may be used only for public assistance activities lawfully conducted by the county, including but not limited to medical aid, hospitalization, and institutional care. No part of a grant-in-aid may be used, directly or indirectly, to pay for the erection or improvement of any county building or for furniture, fixtures, appliances, or equipment for a county building.

(7) In the event the county poor fund is replenished by other lawful sources of revenue, the county shall issue warrants to meet its obligations from the county poor fund until such time as that fund is again so depleted that warrants can no longer lawfully be drawn on that account. Upon depletion of the county poor fund, the county may again make disbursements from the emergency fund account as provided in subsection (5). At the close of the county fiscal year, the county shall return to the department any amounts remaining in the county poor fund and the emergency fund account, but the remaining amount to be returned may not exceed the total amount of the emergency grant-in-aid for that fiscal year.

(8) Any amount which is unlawfully disbursed or transferred from the emergency fund account or used for a purpose other than that specified in the grant-in-aid shall be returned by the county to the department."

HeinOnline -- 1983 vol. II 1575 1983

Section 16. Section 53-3-301, MCA, is amended to read:

"53-3-301. Amount of general relief assistance to be determined by county board. *Except in a county that has transferred its public assistance and protective services responsibilities to the department of social and rehabilitation services under [sections 1 through 8], the* amount of general relief assistance granted any person or family shall be determined by the county board of public welfare, according to rules and standards of assistance established by the board and approved by the department."

Section 17. Section 53-3-304, MCA, is amended to read:

"53-3-304. Power to require recipient to perform work. *(1)* If the county has work available which a recipient of general relief is capable of performing *or the department of social and rehabilitation services is required to operate a work program under the provisions of [section 8],* then the county department of public welfare *or the department of social and rehabilitation services* may require *a* recipient to perform work at *the minimum wage or may pay a recipient at* the prevailing rate of wages paid by that county for similar work, to be paid from the county poor fund *or state funds* in place of granting him general relief.

(2) The county department of public welfare *or the department of social and rehabilitation services, as the case may be,* shall provide coverage under the Workers' Compensation Act for those recipients of general relief working under the provisions hereof and may enter into such agreements with the division of workers' compensation of the department of labor and industry as may be necessary to carry out the provisions of this section."

Section 18. **Appropriation.** To carry out the purposes of this act, the following is appropriated to the department of social and rehabilitation services for the biennium ending June 30, 1985:

(1) $8 million from the general fund; and

(2) all revenues accruing under the provisions of [section 7] of this act.

Section 19. **Effective date.** This act is effective on passage and approval.

Approved April 27, 1983.

CHAPTER NO. 652

AN ACT CREATING A YOUTH CONSERVATION CORPS PROGRAM WITHIN THE DEPARTMENT OF LABOR AND INDUSTRY; PROVIDING THAT THE PROGRAM BE ADMINISTERED BY AN EXECUTIVE DIRECTOR; DEFINING THE EXECUTIVE DIRECTOR'S POWERS AND DUTIES; PROVIDING AN APPROPRIATION FOR ADMINISTERING THE PROGRAM; AND PROVIDING A TERMINATION DATE.

WHEREAS, Article IX, section 1, of the Montana Constitution states that the Legislature "shall provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources"; and

HeinOnline -- 1983 vol. II 1576 1983

WHEREAS, the Legislature finds that the young men and women of the State should be given an opportunity to participate in meaningful public service work and gain educational experience through acts of enhancing, protecting, and conserving the valuable resources of the State; and

WHEREAS, many public lands and environmental resources, including parks, rangelands, forests, wildlife habitats, fisheries, soils, and waters, are and will continue to be subject to resource production demand and public use; and

WHEREAS, to maintain, protect, and conserve the valuable resources of the State, programs need to be implemented that will assure continued economic productivity and scenic beauty, as well as the public health, safety, and social benefit; and

WHEREAS, the Legislature further finds that young people and natural resources of the State will be equally rewarded through the development of a public service conservation program that is designed to provide care for resources to a degree not now available and to develop among youth an understanding of the discipline, rewards, and pride of a hard day's work.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** As used in [sections 1 through 10], unless the context clearly requires otherwise, the following definitions apply:

(1) "Commissioner" means the commissioner of labor and industry as provided in 2-15-1701.

(2) "Corpsmember" means a person serving as an entry-level member of the youth conservation corps.

(3) "Corpsmember leader" means a person serving as a member of the youth conservation corps in a leadership or training capacity or who provides specialized services other than or in addition to those types of work and services generally performed by a corpsmember.

(4) "Department" means the department of labor and industry as provided for in 2-15-1701.

(5) "Supervisor" means a person in charge of corpsmembers and corpsmember leaders at residential and nonresidential youth conservation corps centers.

Section 2. **Youth conservation corps — head.** (1) There is a youth conservation corps program within the department. The program is a seasonal public service conservation program to provide participants with a work and educational experience related to the enhancement, protection, and conservation of natural resources in the state.

(2) The program head is the executive director appointed by the governor upon the recommendation of the commissioner.

Section 3. **Powers and duties of executive director.** The executive director of the youth conservation corps, in cooperation with the commissioner, shall:

HeinOnline -- 1983 vol. II 1577 1983

(1) adopt rules for the recruitment and employment of corpsmembers, corpsmember leaders, and supervisors for the youth conservation corps program;

(2) establish residential and nonresidential centers throughout the state to accomplish the missions and objectives of the program. At least one supervisor shall oversee each residential and nonresidential center.

(3) establish work projects providing meaningful work and educational experiences in the enhancement, protection, conservation, and management of natural resources and recreational areas in the state;

(4) adopt by rule a corpsmember code of conduct and a corpsmember grievance procedure;

(5) establish an application procedure and enter into agreements for furnishing of the corps' services to any federal, regional, state, or local public agency for the performance of public service conservation work, provided the agency reimburses the program for any actual expenses incurred in undertaking a project for the agency;

(6) apply for and accept grants or contributions from any public or private source for the operation of the program; and

(7) report biennially on December 1 to the governor on the corps' activities, including the cost-effectiveness of the projects completed.

Section 4. **Work projects.** (1) When establishing work projects as provided in [section 3], the executive director shall give preference to those projects that:

(a) provide long-term benefits to the public;

(b) provide productive work experience to corpsmembers and corpsmember leaders;

(c) are labor-intensive; and

(d) may be completed within a reasonable period of time.

(2) Work projects may include but are not limited to:

(a) forestry and nursery operations;

(b) rangeland conservation, rehabilitation, and improvement;

(c) endangered species and other wildlife habitat conservation, rehabilitation, and improvement;

(d) historical and cultural site preservation and maintenance;

(e) recreational area development, maintenance, improvement, and beautification;

(f) road and trail maintenance and improvement;

(g) soil conservation work, including erosion control;

(h) stream and lake improvement and pollution control;

HeinOnline -- 1983 vol. II 1578 1983

(i) fish culture and habitat maintenance and improvement;

(j) insect, disease, rodent, and other pestilence control;

(k) improvement of abandoned railroad beds and rights-of-way;

(l) land reclamation and improvement, including strip-mined lands, public landscape work, and tree planting programs;

(m) energy conservation projects, including assistance in the performance of energy efficiency audits and renewable resource enhancement;

(n) emergency assistance in times of natural or other disasters; and

(o) cleanup of litter and other debris in public recreation areas, fishing access sites, and campsites.

(3) A work project must begin no later than June 10 and conclude no later than August 31 of the same year.

Section 5. **Protection of regular employees.** A work project established under [section 3] may not:

(1) be used to reduce the number of regular hours, wages, or employment benefits of or displace an individual who is employed, either directly or under a contract with a private contractor, by the employing agency;

(2) result in the replacement of a regular employee who is in a layoff status and who customarily occupies the same or a substantially equivalent job within the employing agency;

(3) impair an existing contract for services.

Section 6. **Grievance procedure.** An individual, labor organization, or business claiming to be aggrieved by a violation of [section 5] may file a complaint with the department. The department shall establish a grievance procedure for hearing such grievances that is substantially similar to the procedure established under the federal Job Training Partnership Act, 29 U.S.C. 1554.

Section 7. **Eligibility for employment in program.** (1) To be eligible for employment as a corpsmember in the youth conservation corps program, a person must be:

(a) a citizen of the state as defined in 1-1-402;

(b) unemployed; and

(c) not less than 15 or more than 21 years of age.

(2) To be eligible for employment as a corpsmember leader, a person must be:

(a) a citizen of the state as defined in 1-1-402;

(b) unemployed; and

(c) not less than 18 years of age.

(3) To the extent practicable, the program shall consist of equal numbers of male and female corpsmembers.

HeinOnline -- 1983 vol. II 1579 1983

(4) The age requirements contained in subsections (1) and (2) constitute a bona fide occupational qualification for purposes of Title 49, chapters 2 and 3.

Section 8. **Term of service — wages — exemption from retirement system.** (1) A corpsmember or corpsmember leader shall by written agreement serve in the program for a period of not less than 10 weeks. A corpsmember or corpsmember leader may serve in the program for a maximum of one season.

(2) A corpsmember is entitled to receive the federal minimum hourly wage. A corpsmember leader is entitled to receive up to 15% more than the federal minimum hourly wage.

(3) Corpsmembers and corpsmember leaders are exempt from participation in the public employees' retirement system under Title 19, chapter 3.

Section 9. **Education and training required.** Each corpsmember or corpsmember leader participating in a work project shall devote a minimum of one-fourth of his worktime to education and training. This may include attendance at classes conducted by vocational-technical centers or other educational institutions.

Section 10. **Union concurrence and consultation.** Prior to commencement of a work project, the employing agency:

(1) shall consult with appropriate labor organizations representing the same occupation in the geographical area in the planning, design, and content of the work project with respect to job descriptions, training standards and arrangements, safety requirements, and protection of all current employees in the public and private sector; and

(2) must, for jobs under the project that are covered by a collective bargaining agreement, receive written concurrence from the appropriate labor organization.

Section 11. **Appropriation.** There is appropriated $2 from the general fund to the department of labor and industry $1 for fiscal year 1984 and $1 for fiscal year 1985, for the purpose of administering the youth conservation corps program. The department may not expend these funds unless the American Conservation Corps Act of 1983 (H.R. 999), or another act substantially similar to that act, passes congress. If such an act does not pass congress in fiscal year 1984, the funds appropriated for the youth conservation corps program for fiscal year 1984 revert to the general fund. If such an act does not pass congress in fiscal year 1985, the funds appropriated for the youth conservation corps program for fiscal year 1985 revert to the general fund.

Section 12. **Appointment of initial director.** The governor shall appoint the first director under [this act] within 30 days of the passage of the American Conservation Corps Act of 1983 (H.R. 999), or another act of congress that is substantially similar to that act, provided that a state match of at least $25,000 per year is secured from private donations for the purpose of administering the youth conservation corps program.

HeinOnline -- 1983 vol. II 1580 1983

Section 13. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 14. **Termination date.** This act terminates July 1, 1989.

Approved April 27, 1983.

CHAPTER NO. 653

AN ACT REQUIRING IDENTIFICATION OF AND ACQUISITION OF RAILROAD RIGHTS-OF-WAY THAT MAY BE ABANDONED; APPROPRIATING FUNDS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Purpose.** Identification of those railroad lines proposed for abandonment in the state of Montana that may have potential for local transportation service is necessary to determine the feasibility of acquisition by the state and to allow the state to negotiate for acquisition of those railroad lines.

Section 2. **Authorization.** The department of commerce:

(1) shall identify railroad rights-of-way in this state that may be abandoned and research the feasibility of acquisition by the state of Montana of those rights-of-way that may be abandoned;

(2) shall report periodically to the legislative finance committee, created in 5-12-201, on the progress of the duties imposed upon it pursuant to subsection (1);

(3) may negotiate for and acquire the railroad rights-of-way and attendant facilities identified pursuant to subsection (1) and hold all such acquired lands in trust for transportation purposes; and

(4) upon creation of an appropriate local authority, other than an agency of state government, shall transfer to such local authority all attendant facilities and all rights and responsibility to operate and maintain transportation services over the lands acquired in subsection (1).

Section 3. **Report to legislature.** The department of commerce may research the feasibility and desirability of state acquisition of abandoned railroad rights-of-way and shall submit to the 49th legislature a plan for and the estimated cost of acquisition of those identified abandoned railroad rights-of-way for which acquisition is found to be feasible and desirable.

HeinOnline -- 1983 vol. II 1581 1983

Section 4. **Appropriation.** There is appropriated to the department of commerce $64,682 from the general fund for the biennium ending June 30, 1985, for the purposes provided in section 2.

Section 5. **Effective date.** This act is effective on passage and approval.

Approved April 27, 1983.

CHAPTER NO. 654

AN ACT ESTABLISHING AN ACCOUNT TO RECEIVE A PORTION OF THE PROCEEDS OF LONG-RANGE BUILDING PROGRAM BONDS TO PROVIDE LOANS FOR THE SPONSOR'S SHARE OF AIRPORT IMPROVEMENT PROJECTS; AMENDING SECTION 67-1-301, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 67-1-301, MCA, is amended to read:

"67-1-301. Money — receipt and disbursement. (1) All costs and expenses of administering this title, including the salaries of employees of the department engaged in functions pertaining to aeronautics, the expenses of members of the board, and all other disbursements necessary to carry out the purposes of this title, shall be paid out of the following revenues:

(a) all gifts and all legislative appropriations to the department for aeronautics;

(b) all moneys received from any branch or department of the federal government or from other sources for the purposes mentioned in this title or for the furtherance of aeronautics generally in this state.

(2) All such moneys shall be deposited in the state treasury to the credit of the department.

(3) There shall be deposited in the earmarked revenue fund to the credit of the department of administration, to be used, upon recommendation of the department of commerce, to provide loans to local and state government agencies for airport improvement projects in amounts not to exceed the required sponsor's share of projects authorized by the United States government for funding from the federal Airport and Airway Improvement Act of 1982:

(a) a portion, as provided in [House Bill 900], of the proceeds received from the sale of long-range building program bonds upon the authorization and sale of the bonds by the state and notwithstanding the provisions of Title 17, chapter 7, part 2; and

(b) all repayments of loans, including interest, made pursuant to subsections (3) and (4).

HeinOnline -- 1983 vol. II 1582 1983

(4) All loans must:

(a) bear an interest rate that fully retires the long-range building bonds issued under the authorization provided by the 48th legislature;

(b) mature not later than such bonds; and

(c) include reimbursement of administrative costs as required by subsection (5).

(5) An amount equal to 1% of the loans provided under subsection (3) may be allocated from the earmarked revenue fund for administrative purposes.

(6) There shall be deposited in the earmarked revenue fund to the credit of the department the proceeds of 1 cent per gallon out of the amount per gallon of gasoline license tax imposed by the laws of this state upon purchases of gasoline used for the operation of aircraft. Moneys so deposited shall be spent by the department for the sole purpose of carrying out its functions pertaining to aeronautics.

(7) No part of the 1 cent per gallon of gasoline license tax imposed by the laws of this state on gasoline purchased and used for the operation of airplanes or aircraft may be refunded."

Section 2. **Effective date — termination date.** This act is effective on passage and approval. This act terminates on June 30, 1985, except that a loan made prior to June 30, 1985, is subject to the provisions of this act notwithstanding the duration of such loan.

Approved April 27, 1983.

CHAPTER NO. 655

AN ACT EXPANDING THE PROHIBITIONS AGAINST POLITICAL COERCION OF PUBLIC EMPLOYEES AND POLITICAL ACTIVITIES OF PUBLIC EMPLOYEES WHILE ON THE JOB; AMENDING SECTION 13-35-226, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 13-35-226, MCA, is amended to read:

"13-35-226. Unlawful acts of employers and employees. (1) It is unlawful for any employer, in paying his employees the salary or wages due them, to include with their pay the name of any candidate or any political mottoes, devices, or arguments containing threats or promises (express or implied) calculated or intended to influence the political opinions or actions of the employees. It is unlawful for an employer to exhibit in a place where his workers or employees may be working any handbill or placard containing any threat, promise, notice, or information that in case any particular ticket or political party, organization, or candidate is elected, work in his place or establishment will cease, in whole or in part

or will be continued or increased; his place or establishment will be closed; the salaries or wages of his workers or employees will be reduced or increased; or other threats or promises (express or implied) intended or calculated to influence the political opinions or actions of his workers or employees. This section shall apply to corporations, individuals, and public officers and employees.

(2) No person may attempt to coerce, command, or require a public employee to *support* or *oppose* any political committee, the nomination or election of any person to public office, *or the passage of a ballot issue.*

(3) No public employee may solicit *support for* or *opposition to* any political committee, the nomination or election of any person to public office, *or the passage of a ballot issue* while on the job or at his place of employment. However, nothing in this section is intended to restrict the right of a public employee to express his personal political views.

(4) Any person who violates the provisions of this section shall be fined not to exceed $1,000, be imprisoned in the county jail for a term not to exceed 6 months, or both, for each separate offense."

Approved April 27, 1983.

CHAPTER NO. 656

AN ACT INCREASING SALARIES FOR ELECTED STATE OFFICIALS, SUPREME COURT JUSTICES, DISTRICT JUDGES, THE COMMISSIONER OF POLITICAL PRACTICES, AND THE CHAIRMAN AND MEMBERS OF THE STATE TAX APPEAL BOARD; AMENDING SECTIONS 2-16-405, 3-5-211, 13-37-106, AND 15-2-102, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-16-405, MCA, is amended to read:

"2-16-405. Salaries of certain elected state officials. The salaries paid to certain elected officials of the state of Montana for fiscal year *1984* and following years are:

	Fiscal Year *1984*	Following June 30, *1984*
Governor	*$47,963*	*$48,923*
Lieutenant governor	*$34,344*	*$35,031*
Chief justice of the supreme court	*$49,168*	*$50,151*
Justices of the supreme court, each	*$47,963*	*$48,923*
Attorney general	*$43,745*	*$44,620*
State auditor	*$31,692*	*$32,326*
Superintendent of public instruction	*$37,719*	*$38,473*

HeinOnline -- 1983 vol. II 1584 1983

Public service commission chairman	*$35,544*	*$36,255*
Public service commissioners, *other than chairman*	*$34,344*	*$35,031*
Secretary of state	*$31,692*	*$32,326*
Clerk of the supreme court	*$30,789*	*$31,404*"

Section 2. Section 3-5-211, MCA, is amended to read:

"**3-5-211. Salaries and expenses of district judges.** (1) The annual salary of each district judge is as follows:

(a) for the fiscal year beginning July 1, *1983*, and ending June 30, *1984*, *$46,758*;

(b) after June 30, *1984*, *$47,693*.

(2) Actual and necessary expenses for each district judge shall be the travel expenses, as defined and provided in 2-18-501 through 2-18-503, incurred in the performance of his official duties."

Section 3. Section 13-37-106, MCA, is amended to read:

"**13-37-106. Salary.** (1) The commissioner of political practices is entitled to receive a salary of *$26,269* in fiscal year *1984* and *$26,794* after June 30, *1984*.

(2) The salary commission must review the commissioner's salary and may recommend salary increases to the legislature."

Section 4. Section 15-2-102, MCA, is amended to read:

"**15-2-102. Qualification and compensation.** (1) To be appointed a member of the state tax appeal board, a person must possess knowledge of the subject of taxation and skill in matters pertaining thereto. No person so appointed may hold any other office under the laws of this state or any other state or any office under the government of the United States or under the government of any other state. He shall devote his entire time to the duties of the office and shall not hold any other position of trust or profit or engage in any occupation or business interfering or inconsistent with his duties. The state tax appeal board is transferred to the department of administration for administrative purposes only as is specified in 2-15-121. However, the board may hire its own personnel, and 2-15-121(2)(d) does not apply.

(2) The member designated chairman as provided for in 15-2-103 shall receive a salary of *$26,003* in fiscal *1984* and *$26,523* in fiscal *1985 and thereafter*. The remaining state tax appeal board members shall be paid a salary of *$25,305* in fiscal *1984* and *$25,811* in fiscal *1985 and thereafter*. All members of the board shall receive travel expenses as provided for in 2-18-501 through 2-18-503, as amended, when away from the capital on official business.

HeinOnline -- 1983 vol. II 1585 1983

(3) The salary commission must review the salary for members of the board and shall recommend an appropriate salary to the legislature."

Section 5. **Effective date.** This act is effective July 1, 1983.

Approved April 27, 1983.

CHAPTER NO. 657

AN ACT ELIMINATING THE PRORATION OF THE NEW CAR SALES TAX FOR VEHICLES ON THE STAGGERED REGISTRATION SYSTEM; CLARIFYING THE RULEMAKING AUTHORITY OF THE DEPARTMENT OF REVENUE RELATING TO VEHICLE TAXES; AMENDING SECTIONS 61-3-502 AND 61-3-506, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-3-502, MCA, is amended to read:

"61-3-502. Sales tax on new motor vehicles — exemptions. (1) In consideration of the right to use the highways of the state, there is imposed a tax upon all sales of new motor vehicles for which a license is sought and an original application for title is made. The tax shall be paid by the purchaser when he applies for his original Montana license through the county treasurer.

(2) *Except as provided in subsection (4), the* sales tax shall be:

(a) 1 ½% of the f.o.b. factory list price or f.o.b. port-of-entry list price, during the first quarter of the year or for a registration period other than a calendar year or calendar quarter;

(b) 1 ⅛% of the list price during the second quarter of the year;

(c) ¾ of 1% during the third quarter of the year;

(d) ⅜ of 1% during the fourth quarter of the year.

(3) If the manufacturer or importer fails to furnish the f.o.b. factory list price or f.o.b. port-of-entry list price, the division may use published price lists.

(4) The new car sales tax on vehicles subject to the provisions of 61-3-313 through 61-3-316 is 1 ½% of the f.o.b. factory list price or f.o.b. port-of-entry list price regardless of the month in which the new vehicle is purchased.

(5) The proceeds from this tax shall be remitted to the state treasurer every 30 days for credit to the state highway account of the earmarked revenue fund.

(6) The new vehicle is subject to the light vehicle license fee, if applicable, but is not subject to any other assessment, taxation, or fee in lieu of

HeinOnline -- 1983 vol. II 1586 1983

tax during the calendar year in which the original application for title is made.

(7) (a) The applicant for original registration of any new and unused motor vehicle, or a new motor vehicle furnished without charge by a dealer to a school district for use as a traffic education motor vehicle by a school district operating a state-approved traffic education program within the state, whether or not previously licensed or titled to the school district (except a mobile home as defined in 15-1-101(1)), acquired by original contract after January 1 of any year, is required, whenever the vehicle has not been otherwise assessed, to pay the motor vehicle sales tax provided by this section irrespective of whether the vehicle was in the state of Montana on January 1 of the year.

(b) No motor vehicle may be registered or licensed under the provisions of this subsection unless the application for registration is accompanied by a statement of origin to be furnished by the dealer selling the vehicle, showing that the vehicle has not previously been registered or owned, except as otherwise provided herein, by any person, firm, corporation, or association that is not a new motor vehicle dealer holding a franchise or distribution agreement from a new car manufacturer, distributor, or importer.

(8) (a) Motor vehicles operating exclusively for transportation of persons for hire within the limits of incorporated cities or towns and within 15 miles from such limits are exempt from subsection (1).

(b) Motor vehicles brought or driven into Montana by a nonresident, migratory, bona fide agricultural worker temporarily employed in agricultural work in this state where those motor vehicles are used exclusively for transportation of agricultural workers are also exempt from subsection (1).

(c) Vehicles lawfully displaying a licensed dealer's plate as provided in 61-4-103 are exempt from subsection (1) when moving to or from a dealer's place of business when unloaded or loaded with dealer's property only, and in the case of vehicles having a gross loaded weight of less than 24,000 pounds, while being demonstrated in the course of the dealer's business."

Section 2. Section 61-3-506, MCA, is amended to read:

"61-3-506. Rules. The department of revenue shall adopt rules for the payment of property taxes *and fees in lieu of property taxes* and the department of highways shall adopt rules for the payment of new car taxes under the provisions of 61-3-313 through 61-3-316 and 61-3-501. The department of revenue may adopt *rules* for the proration of taxes *and fees in lieu of taxes* for the implementation and administration of 61-3-313 through 61-3-316 and 61-3-501, but shall specifically provide that new car taxes shall be for a *12-month* period."

Approved April 27, 1983.

HeinOnline -- 1983 vol. II 1587 1983

CHAPTER NO. 658

AN ACT TO PROVIDE FOR ANALYSIS OF THE POTENTIAL FOR A JOINT WATER DEVELOPMENT PROJECT BETWEEN MONTANA AND WYOMING ON THE CLARKS FORK OF THE YELLOWSTONE RIVER.

WHEREAS, the Clarks Fork River is an interstate tributary of the Yellowstone River in South Central Montana that flows from its headwaters in Wyoming through an agricultural basin in Carbon County, Montana, to its confluence with the Yellowstone River; and

WHEREAS, present and future agricultural, municipal, and mineral development in the Clarks Fork River basin depends on a firm supply of water, and mainstream reservoirs would help to alleviate water shortages that have occurred in recent years; and

WHEREAS, there are no cost-effective reservoir sites in the Clarks Fork River basin of Montana but several reservoir sites are presently being considered for development in the Clarks Fork River basin in the State of Wyoming; and

WHEREAS, the apportionment of water of the Clarks Fork River between the State of Montana and the State of Wyoming is governed by the Yellowstone River Compact, but the amount of water allocated to each state under the compact has never been quantified, and an effective method of compact administration has never been established; and

WHEREAS, the threat of overuse of the Clarks Fork River water by the State of Wyoming and the possible impact of overuse upon water users in Montana make it imperative that Montana delineate its rights under the terms of the Yellowstone River Compact and assess the feasibility of a joint storage project with the State of Wyoming.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Duties of department.** The department of natural resources and conservation shall, prior to January 1, 1985, collect all relevant data, build hydrologic computer simulation models, and conduct any necessary water availability studies to determine Montana's and Wyoming's allocable share of Clarks Fork River water under the terms of the Yellowstone River compact.

Section 2. **Legislative committee.** There is created a committee of four legislators, two selected by the speaker of the house and two selected by the president of the senate, to provide advice to the department of natural resources and conservation in carrying out its duties under section 1 and, in close cooperation with representatives of the department, to conduct discussions with state of Wyoming officials regarding the feasibility of one or more joint reservoir projects in the state of Wyoming that would mutually satisfy the present and future needs of both states. The department shall pay the expenses of the committee members in accordance with

HeinOnline -- 1983 vol. II 1588 1983

5-2-302. The committee and the department, together with representatives of the state of Wyoming, shall, if feasible, formulate a plan to provide a basis for a joint state appraisal study.

Approved April 27, 1983.

CHAPTER NO. 659

AN ACT TO EXTEND THE LAWS RELATING TO THE OPERATION OF A MOTOR VEHICLE WHILE UNDER THE INFLUENCE OF ALCOHOL TO ROADS AND PARKING AREAS ADAPTED FOR PUBLIC TRAVEL AND USED BY THE PUBLIC; AMENDING SECTIONS 61-8-101 AND 61-8-401 THROUGH 61-8-404, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-8-101, MCA, is amended to read:

"61-8-101. Application — exceptions. (1) The provisions of this chapter relating to the operation of vehicles refer exclusively to the operation of vehicles upon highways except:

(a) where a different place is specifically referred to in a given section;

(b) the provisions of 61-8-301 and 61-8-401*(1)(b), (1)(c), and (2)* apply upon highways and elsewhere throughout the state;

(c) the provisions of 61-8-401, except subsections (1)(b), (1)(c), and (2) thereof, and 61-8-402 through 61-8-405 apply upon all ways of this state open to the public. For the purposes of this section and 61-8-401 through 61-8-404, "ways of this state open to the public" means any highway, road, alley, lane, parking area, or other public or private place adapted and fitted for public travel that is in common use by the public.

(2) The operation of motor vehicles directly across the public roads and highways of this state, especially as required in the transportation of natural resource products, including agricultural products and livestock, shall not be considered to be the operation of such vehicles on the public roads and highways of this state *or on ways of this state open to the public*, provided that such crossings are adequately marked with warning signs or devices. Such crossings are subject to provisions relating to stopping before entry and to restoration of any damage as may reasonably be prescribed by the state or local agency in control of safety of operation of the public highway involved."

Section 2. Section 61-8-401, MCA, is amended to read:

"61-8-401. Persons under the influence of alcohol or drugs. (1) It is unlawful and punishable as provided in 61-8-714(1) for any person who is under the influence of:

(a) alcohol to drive or be in actual physical control of a motor vehicle upon *ways* of this state *open to the public*;

HeinOnline -- 1983 vol. II 1589 1983

(b) a narcotic drug to drive or be in actual physical control of a motor vehicle within this state; or

(c) any other drug to a degree which renders him incapable of safely driving a motor vehicle to drive or be in actual physical control of a motor vehicle within this state.

(2) The fact that any person charged with a violation of subsection (1) is or has been entitled to use such a drug under the laws of this state does not constitute a defense against any charge of violating subsection (1).

(3) In any criminal prosecution for a violation of subsection (1) of this section relating to driving a vehicle while under the influence of alcohol, the amount of alcohol in the defendant's blood at the time alleged, as shown by chemical analysis of the defendant's blood, urine, breath, or other bodily substance, shall give rise to the following presumptions:

(a) If there was at that time 0.05% or less by weight of alcohol in the defendant's blood, it shall be presumed that the defendant was not under the influence of alcohol.

(b) If there was at that time in excess of 0.05% but less than 0.10% by weight of alcohol in the defendant's blood, that fact shall not give rise to any presumption that the defendant was or was not under the influence of alcohol but such fact may be considered with other competent evidence in determining the guilt or innocence of the defendant.

(c) If there was at that time 0.10% or more by weight of alcohol in the defendant's blood, it shall be presumed that the defendant was under the influence of alcohol.

(4) Percent by weight of alcohol in the blood shall be based upon grams of alcohol per 100 cubic centimeters of blood.

(5) Each municipality in this state is given authority to enact 61-8-714 and subsections (1) through (4) of this section with the word "state" in subsection (1) of this section changed to read "municipality", as an ordinance and is given jurisdiction of the enforcement of the ordinance and of the imposition of the fines and penalties therein provided."

Section 3. Section 61-8-402, MCA, is amended to read:

"61-8-402. Chemical blood, breath, or urine tests. (1) Any person who operates a motor vehicle upon *ways* of this state *open to the public* shall be deemed to have given consent, subject to the provisions of 61-8-401, to a chemical test of his blood, breath, or urine for the purpose of determining the alcoholic content of his blood if arrested by a peace officer for driving or in actual physical control of a motor vehicle while under the influence of alcohol. The test shall be administered at the direction of a peace officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle upon *ways of this state open to* the public while under the influence of alcohol. The arresting officer may designate which one of the aforesaid tests shall be administered.

HeinOnline -- 1983 vol. II 1590 1983

(2) Any person who is unconscious or who is otherwise in a condition rendering him incapable of refusal shall be deemed not to have withdrawn the consent provided by subsection (1) of this section.

(3) If a person under arrest refuses upon the request of a peace officer to submit to a chemical test designated by the arresting officer as provided in subsection (1) of this section, none shall be given, but the division, upon the receipt of a sworn report of the peace officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle upon *ways of this state open to* the public while under the influence of alcohol and that the person had refused to submit to the test upon the request of the peace officer, shall suspend the license or driving privilege of such person on the highways of this state for a period of 60 days. Like refusal by a nonresident shall be subject to suspension by the division in like manner. All such suspensions are subject to review as hereinafter provided."

Section 4. Section 61-8-403, MCA, is amended to read:

"61-8-403. Right of appeal to court. The division shall immediately notify any person whose license or privilege to drive has been suspended, as hereinbefore authorized, in writing and such person shall have the right to file a petition within 30 days thereafter for a hearing in the matter in the district court in the county wherein such person shall reside. Such court is hereby vested with jurisdiction and it shall be its duty to set the matter for hearing upon 30 days' written notice to the county attorney of the county wherein the appeal is filed and such county attorney shall represent the state, and thereupon the court shall take testimony and examine into the facts of the case, except that the issues shall be limited to whether a peace officer had reasonable grounds to believe the person had been driving or was in actual physical control of a vehicle upon *ways of this state open to* the public while under the influence of alcohol, whether the person was placed under arrest, and whether such person refused to submit to the test. The court shall thereupon determine whether the petitioner is entitled to a license or is subject to suspension as heretofore provided."

Section 5. Section 61-8-404, MCA, is amended to read:

"61-8-404. Evidence admissible. (1) Upon the trial of any criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual physical control of a motor vehicle while under the influence of alcohol, evidence of the amount of alcohol in the person's blood at the time of the act alleged as shown by a chemical analysis of his blood, breath, or urine is admissible.

(2) If the person under arrest refused to submit to the test as hereinabove provided, proof of refusal shall be admissible in any criminal action or proceeding arising out of acts alleged to have been committed while the person was driving or in actual physical control of a motor vehicle upon *ways of this state open to* the public while under the influence of alcohol.

(3) The provisions of this part do not limit the introduction of any other competent evidence bearing on the question of whether the person was under the influence of alcohol."

Approved April 27, 1983.

HeinOnline -- 1983 vol. II 1591 1983

CHAPTER NO. 660

AN ACT CLARIFYING THE AUTHORITY OF THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES TO SET FEES FOR SERVICES PERFORMED BY ITS LABORATORY; PROVIDING FOR DEPOSIT OF THE FEES IN AN EARMARKED REVENUE FUND; AMENDING SECTION 50-1-202, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 50-1-202, MCA, is amended to read:

"**50-1-202. General powers and duties.** The department shall:

(1) study conditions affecting the citizens of the state by making use of birth, death, and sickness records;

(2) make investigations, disseminate information, and make recommendations for control of diseases and improvement of public health to persons, groups, or the public;

(3) at the request of the governor, administer any federal health program for which responsibilities are delegated to states;

(4) inspect and work in conjunction with custodial institutions and Montana university system units periodically as necessary and at other times on request of the governor;

(5) after each inspection made under subsection (4) of this section, submit a written report on sanitary conditions to the governor and to the director of institutions or commissioner of higher education and include recommendations for improvement in conditions if necessary;

(6) advise state agencies on location, drainage, water supply, disposal of excreta, heating, plumbing, sewer systems, and ventilation of public buildings;

(7) organize laboratory services and provide equipment and personnel for those services;

(8) develop and administer activities for the protection and improvement of dental health and supervise dentists employed by the state, local boards of health, or schools;

(9) develop and administer a program to protect the health of mothers and children;

(10) conduct health education programs;

(11) provide consultation to school and local community health nurses in the performance of their duties;

(12) consult with the superintendent of public instruction on health measures for schools;

HeinOnline -- 1983 vol. II 1592 1983

(13) develop and administer a program for services to handicapped children including diagnosis, medical, surgical, and corrective treatment, and after-care and related services;

(14) provide consultation to local boards of health;

(15) bring actions in court for the enforcement of the health laws and defend actions brought against the board or department;

(16) accept and expend federal funds available for public health services;

(17) have the power to use personnel of local departments of health to assist in the administration of laws relating to public health;

(18) adopt rules imposing fees for the tests and services performed by the laboratory of the department, *except fees relating to water analysis, which are imposed by the board pursuant to 75-6-103(2)(b). Fees, established on an annual basis, should reflect the actual costs of the tests or services provided. The* department may *not* establish *fees exceeding* the costs incurred in performing tests and services. All fees shall be deposited in the *special revenue* fund *for the use of the department in performing tests and services.*

(19) adopt and enforce rules regarding the definition of communicable diseases and the reporting and control of communicable diseases; and

(20) adopt and enforce rules regarding the transportation of dead human bodies."

Section 2. **Effective date.** This act is effective July 1, 1983.

Approved April 27, 1983.

CHAPTER NO. 661

AN ACT REDUCING THE EMPLOYER CONTRIBUTION RATE TO THE MUNICIPAL POLICE OFFICERS' RETIREMENT SYSTEM AND THE FIREFIGHTERS' UNIFIED RETIREMENT SYSTEM; INCREASING THE STATE CONTRIBUTION TO EACH RETIREMENT SYSTEM BY AN AMOUNT EQUAL TO THE REDUCTION IN THE EMPLOYER CONTRIBUTION RATE; FUNDING THE CITIES' UNFUNDED LIABILITIES UNDER BOTH PLANS THROUGH INSURANCE PREMIUM TAXES; CLARIFYING THE PROHIBITION AGAINST A FIREFIGHTER PARTICIPATING IN OTHER RETIREMENT PLANS; AMENDING SECTIONS 19-9-503, 19-9-702, 19-9-703, 19-13-302, 19-13-503, 19-13-604, AND 19-13-605, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 19-9-503, MCA, is amended to read:

"19-9-503. Unfunded liabilities. (1) It is found and declared by the legislature that many cities operating under prior plans have excess

and unfunded liabilities under such prior plans, which liabilities cannot be amortized by the percentage contributions set forth in 19-9-702 and 19-9-703.

(2) The administrator shall, on or before October 1, 1977, determine the excess and unfunded liability of each city which participates in the plan created by this chapter. The determination of the administrator, in the absence of fraud, abuse of discretion, or arithmetic error, is final and binding on each city. Each city found by the administrator to have an excess and unfunded liability under a prior plan which as of July 1, 1977, is not funded by sums on deposit or funds available for deposit with the administrator shall pay an additional sum over a period of time to amortize its excess liability as determined by the administrator. If any city and the administrator are unable by January 1, 1978, to negotiate and reduce to writing the terms of an agreement satisfactory to both of them for the city to amortize its excess liability, the administrator shall require such city to pay an additional sum to amortize its excess liability on July 1, 1977, over a period of not more than 40 years.

(3) Each city found by the administrator to be paying an amount in excess of the amount necessary to amortize its liabilities under the prior plan and under this chapter shall receive a credit in the accounts of the administrator for any such excess payments.

(4) The excess unfunded liabiliity for each city shall be revaluated by the administrator on July 1, 1980, as part of the normal actuarial valuations required in 19-9-504 reflecting the change in the contribution rates made in 19-9-601, 19-9-702, and 19-9-703, as amended by Chapter 375, Laws of 1979, and each city's funding position will be changed using the procedures of 19-9-107. The resulting report will be made available to the cities no later than October 1, 1980.

(5) If a majority of the cities participating in the municipal police officers' retirement system do not agree with the results of the revaluation outlined in subsection (4), they may, by mutual agreement of the cities, select a qualified actuary, as defined in 19-9-504, to perform a second actuarial valuation as of July 1, 1980, with the conclusions of the second actuarial valuation to replace the actuarial valuation discussed in subsection (4). The cost of the second actuarial valuation shall be paid by all cities participating in the system in proportion to their active membership in the system as of July 1, 1980.

(6) The time and method of settlement on the unfunded liability will be as agreed on by the administrator and the city. The minimum allowable payment must be equal to or greater than the interest due at the interest rate used in the actuarial study for the unfunded balance.

(7) If a city is required to make payments on or after July 1, 1985, to amortize its excess and unfunded liability under a prior plan, these payments must be made by the state auditor from the premium taxes on insurance risks enumerated in 19-11-512."

Section 2. Section 19-9-702, MCA, is amended to read:

"19-9-702. State contribution. The state of Montana shall make its contributions through the state auditor out of the premium tax on motor

HeinOnline -- 1983 vol. II 1594 1983

vehicle property and casualty insurance policies. Such payments shall be made annually after the end of each fiscal year but no later than September 1 from the gross premium tax after deduction for cancellations and returned premiums. The administrator shall notify the auditor by April 1 of each year of the annual compensation paid to all active members during the preceding year. *Before July 1, 1985,* the state's contribution shall be 14.04% of such compensation *and 15.06% on and after July 1, 1985.*"

Section 3. Section 19-9-703, MCA, is amended to read:

"**19-9-703. Employer contribution.** Each employer shall make its contribution on behalf of members through the city treasurer or other appropriate official out of moneys available to the city for such purpose. *Before July 1, 1985, the* employer's contribution shall be 14.04% of the total monthly compensation paid to all active members during the preceding month, *13.02% on and after July 1, 1985,* and shall be payable monthly to the administrator."

Section 4. Section 19-13-302, MCA, is amended to read:

"**19-13-302. Ineligibility for other retirement plans.** No active member is eligible to be covered under any other mandatory retirement plan to which an employer is required to contribute on his behalf while he is eligible to be covered by this plan."

Section 5. Section 19-13-503, MCA, is amended to read:

"**19-13-503. Unfunded liabilities.** (1) The legislature finds and declares that many cities operating under prior plans have excess and unfunded liabilities, and the liabilities cannot be amortized by the percentage contributions set forth in this chapter.

(2) The administrator shall, on or before October 1, *1986,* determine the excess and unfunded liability of each city participating in the plan created by this chapter. *For each* city determined by the administrator to have an excess and unfunded liability under a prior plan that, as of July 1, *1986,* is not funded by sums on deposit or funds available for deposit with the administrator, *the state auditor* shall pay an additional sum over a period of time *from the premium taxes on insurance risks enumerated in 19-11-512* to amortize *each city's* excess liability.

(3) *If* the administrator *determines that the state auditor is* paying an amount in excess of the amount necessary to amortize *each city's* liabilities under the prior plan and under this chapter, *the administrator shall* credit the accounts of the administrator for the excess payments.

(4) For each city with an unfunded liability, any portion of the member, *the* employer, and state contributions that exceeds the amount necessary to maintain the current level of unfunded liability must be applied to the reduction of the unfunded liability."

Section 6. Section 19-13-604, MCA, is amended to read:

"**19-13-604. State contribution.** The state shall make its contributions through the state auditor from the premium taxes on the insurance risks enumerated in 19-11-512. These payments shall be made annually to

HeinOnline -- 1983 vol. II 1595 1983

the administrator after the end of each fiscal year but no later than September 1 from the gross premium taxes after deduction for cancellations and returned premiums. The administrator shall notify the auditor of the annual compensation, excluding overtime, holiday payments, shift differential payments, compensatory time payments, and payments in lieu of sick leave, paid to all active members during the preceding year, and effective July 1, 1981, the state's contribution is 12% of this compensation. This contribution shall increase to 15% effective July 1, 1982, to 18% effective July 1, 1983, *and to 22.98% effective July 1, 1985.* As soon as practicable after receipt of the state contribution, the administrator shall deposit it with the state treasurer."

Section 7. Section 19-13-605, MCA, is amended to read:

"19-13-605. Employer contribution. Each employer shall make its contribution on behalf of members through the city treasurer or other appropriate official from money available to the city for this purpose. Effective July 1, 1981, the employer's contribution is 12% of the total monthly compensation paid to all active members during the preceding month. This contribution shall increase to 15% effective July 1, 1982, to 18% effective July 1, 1983, *and shall decrease to 13.02% effective July 1, 1985.* All contributions are payable monthly to the administrator who shall, as soon as practicable after their receipt, deposit them with the state treasurer."

Section 8. **Effective date.** This act is effective July 1, 1983.

Approved April 27, 1983.

CHAPTER NO. 662

AN ACT TO AUTHORIZE COUNTIES, CITIES, AND TOWNS TO ENACT ORDINANCES DEFINING AREAS WHERE ALCOHOLIC BEVERAGES MAY OR MAY NOT BE SOLD THAT SUPPLANT THE PROHIBITION AGAINST THE ISSUANCE OF A RETAIL ALCOHOLIC BEVERAGE LICENSE TO A BUSINESS LOCATED WITHIN 600 FEET OF A SCHOOL OR CHURCH; AMENDING SECTIONS 16-3-306 AND 16-3-309, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 16-3-306, MCA, is amended to read:

"16-3-306. Proximity to churches and schools restricted. (1) Except as provided in subsections (2) *through (4)*, no retail license may be issued pursuant to this code to any business or enterprise whose premises are within 600 feet of and on the same street as a building used exclusively as a church, synagogue, or other place of worship or as a school other than a commercially operated or postsecondary school. This distance shall be measured in a straight line from the center of the nearest entrance of the place of worship or school to the nearest entrance of the licensee's premises. This section is a limitation upon the department's licensing authority.

HeinOnline -- 1983 vol. II 1596 1983

(2) However, the department may renew a license for any establishment located in violation of this section if the licensee does not relocate his entrances any closer than the existing entrances and if the establishment:

(a) was located on the site before the place of worship or school opened; or

(b) was located in a bona fide hotel, restaurant, or fraternal organization building at the site since January 1, 1937.

(3) Subsection (1) does not apply to licenses for the sale of beer, table wine, or both in the original package for off-premises consumption.

(4) Subsection (1) does not apply within the applicable jurisdiction of a local government that has supplanted the provisions of subsection (1) as provided in 16-3-309."

Section 2. Section 16-3-309, MCA, is amended to read:

"16-3-309. Sales prohibited by ordinance. (1) *An* incorporated *city* may enact *an ordinance* defining certain areas in *its incorporated limits* where alcoholic beverages may or may not be sold.

(2) A county may enact an ordinance or resolution defining certain areas in the county, not within the incorporated limits of a city, where alcoholic beverages may or may not be sold.

(3) In enacting such an ordinance or resolution, the county or city may provide that the provisions of 16-3-306(1) do not apply within the jurisdictional area of the ordinance or resolution. If a county or city has supplanted the provisions of 16-3-306(1), upon request of the department the governing body of the county or city must certify to the department whether or not the person or individual identified in the request may lawfully sell alcoholic beverages under the terms of the ordinance or resolution. The department is bound by the determination set forth in the certification.

(4) No *county or* incorporated city may by ordinance restrict the number of licenses that the department may issue."

Approved April 27, 1983.

CHAPTER NO. 663

AN ACT PROVIDING AN AD HOC COST-OF-LIVING INCREASE IN SERVICE AND DISABILITY RETIREMENT ALLOWANCES AND SURVIVORSHIP ALLOWANCES FOR MEMBERS OF THE PUBLIC EMPLOYEES' RETIREMENT SYSTEM AND THEIR BENEFICIARIES; PROVIDING FUNDING FOR THE BENEFIT INCREASE THROUGH EMPLOYER CONTRIBUTIONS; AMENDING SECTION 19-3-801, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Cost-of-living increase.** Effective July 1, 1983, each monthly service or disability retirement allowance or survivorship allowance payable to a member of the public employees' retirement system or his beneficiary must be increased as follows:

HeinOnline -- 1983 vol. II 1597 1983

(1) $1 for each year of creditable service, up to a maximum of $30, for a member retired before July 1, 1981; or

(2) 50 cents for each year of creditable service, up to a maximum of $15, for a member retired on or after July 1, 1981, but before January 1, 1983.

Section 2. Section 19-3-801, MCA, is amended to read:

"19-3-801. Employer contribution rates — actuarial determination. (1) Each employer shall contribute to the cost of benefits under the system. The amount of the employer contributions shall be computed by applying to member's compensation the sum of the current service contribution rate and the unfunded liability contribution rate. The sum of these rates shall be *6.417%* from *July 1, 1983*, and thereafter.

(2) The actuary shall determine the current service contribution rate to be that level percentage of the present value of the future compensation of the average new member entering the system which equals the then present value of the excess of all prospective benefits in respect of such member over the member's own normal contributions.

(3) The actuary shall determine the minimum unfunded liability contribution rate to be that level percentage of the present value of the prospective compensation of all members for the 40-year period following the date of the determination which is equal to the unfunded liability on that date. The unfunded liability at any time is the excess of the present value of all future benefits payable in respect of all persons then entitled to benefits under the system over the sum of the retirement fund and the present values of the future current service contributions and normal contributions payable in respect of all such persons."

Section 3. **Effective date.** This act is effective July 1, 1983.

Approved April 27, 1983.

CHAPTER NO. 664

AN ACT CREATING, WITHIN THE GOVERNOR'S OFFICE, AN OFFICE OF AGING AND REQUIRING THE GOVERNOR TO APPOINT AN ADVISORY COUNCIL ON AGING AND A COORDINATOR ON AGING; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Office of aging.** (1) There is an office of aging, headed by a coordinator of aging. The office is in the governor's office.

(2) The governor shall appoint an advisory council on aging. The council is composed of 11 members, a majority of whom must be 60 years of age or older. Members shall serve for 3-year terms. Vacancies must be

HeinOnline -- 1983 vol. II 1598 1983

filled by appointment for the unexpired term. The council is allocated to the governor's office for administrative purposes only.

(3) The coordinator of aging must be appointed by the governor after consultation with the advisory council and shall serve at the pleasure of the governor.

(4) The advisory council on aging shall act as the advisory board to the coordinator on aging.

Section 2. **Duties and assistance.** (1) The coordinator of aging shall, with the advice of the advisory council on aging, assist the governor in planning, coordination, and operation of programs within state government that affect senior citizens of the state.

(2) The coordinator shall meet with senior citizens and the general public to gather information on the needs of senior citizens and the effectiveness of state programs in meeting those needs.

(3) The coordinator shall advise the governor as to ways to improve the effectiveness of programs that affect senior citizens.

Section 3. **Effective date.** This act is effective on passage and approval.

Approved April 27, 1983.

CHAPTER NO. 665

AN ACT TO GENERALLY REVISE THE LAW RELATING TO STATEMENTS OF ECONOMIC IMPACT OF PROPOSED ADMINISTRATIVE RULEMAKING; AMENDING SECTION 2-4-405, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-4-405, MCA, is amended to read:

"**2-4-405. Economic impact statement.** (1) Upon *written* request of the administrative code committee *based upon the affirmative request of at least five members of the committee at an open meeting*, an agency shall prepare a statement of the economic impact of the adoption, amendment, or repeal of a rule as proposed. *As an alternative, the administrative code committee may, by contract, prepare such an estimate. Except to the extent that the request expressly waives any one or more of the following, the requested* statement must include *and the statement prepared by the committee may include*:

(a) a description of the classes of persons who will be affected by the proposed rule, including classes that will bear the costs of the proposed rule and classes that will benefit from the proposed rule;

(b) a description of the probable economic impact of the proposed rule upon affected classes of persons and quantifying, to the extent practicable, that impact;

HeinOnline -- 1983 vol. II 1599 1983

(c) the probable costs to the agency and to any other agency of the implementation and enforcement of the proposed rule and any anticipated effect on state revenues;

(d) an analysis comparing the costs and benefits of the proposed rule to the costs and benefits of inaction;

(e) an analysis that determines whether there are less costly or less intrusive methods for achieving the purpose of the proposed rule;

(f) an analysis of any alternative methods for achieving the purpose of the proposed rule that were seriously considered by the agency and the reasons why they were rejected in favor of the proposed rule;

(g) a determination as to whether the proposed rule represents an efficient allocation of public and private resources; and

(h) a quantification or description of the data upon which subsections (1)(a) through (1)(g) are based and an explanation of how the data was gathered.

(2) *A request to an agency for a statement or a decision to contract for the preparation of a statement must be made by the committee prior to the final agency action on the rule.* The statement must be filed with the *administrative code committee within 3 months of the committee's request or decision. The committee may withdraw its request or decision for an economic impact statement at any time.*

(3) *Upon receipt of an impact statement, the committee shall determine the sufficiency of the statement. If the committee determines that the statement is insufficient, the committee may return it to the agency or other person who prepared the statement and request that corrections or amendments be made. If the committee determines that the statement is sufficient, a notice indicating where a copy of the statement may be obtained must be filed with the secretary of state for publication in the register by the agency preparing the statement or by the committee if the statement is prepared under contract by the committee and must be mailed to persons who have registered advance notice of the agency's rulemaking proceedings.*

(4) This section does not apply to rulemaking pursuant to 2-4-303.

(5) The final adoption, amendment, or repeal of a rule is not subject to challenge in any court as a result of the inaccuracy or inadequacy of a statement required under this section."

Section 2. An environmental impact statement prepared pursuant to 75-1-201 that includes an analysis of the factors listed in 2-4-405 satisfies the provisions of 2-4-405.

Approved April 28, 1983.

HeinOnline -- 1983 vol. II 1600 1983

CHAPTER NO. 666

AN ACT TO CLARIFY THE INFORMATION REQUIRED TO BE SUBMITTED TO THE BUDGET DIRECTOR AND THE LEGISLATIVE FISCAL ANALYST FOR THE PREPARATION OF AGENCY BUDGET ESTIMATES; PROVIDING A DATE BY WHICH THE BUDGET OFFICE WILL PREPARE AN AGENCY REQUEST; AND SPECIFICALLY INCLUDING THE UNIVERSITY SYSTEM UNDER THE BUDGET REQUIREMENTS; AMENDING SECTIONS 17-7-111 AND 17-7-112, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 17-7-111, MCA, is amended to read:

"17-7-111. Agency program budgets — form distribution and contents. *(1)* In the preparation of a state budget, the budget director shall, not later than July 1 in the year preceding the convening of the legislature, distribute to all state offices and departments, including the judicial branch and the legislative branch, the proper *forms* necessary for the preparation of budget estimates. These *forms* shall be prescribed by the budget director to procure *the* information *required by subsection (2).*

(2) The agency budget requests, when completed by the budget office, must set forth a balanced financial plan for the agency completing the forms for each fiscal year of the ensuing biennium. The plan must consist of:

(a) a consolidated agency budget summary for current level expenditures and for each modification request setting forth the aggregate figures of the full-time equivalent personnel positions (FTE) and the budget in such manner as to show a balance between the total proposed disbursements and the total anticipated receipts, together with the other means of financing the budget for each fiscal year of the ensuing biennium, contrasted with the corresponding figures for the last completed fiscal year and the fiscal year in progress. The consolidated budget summary must be supported by schedules classifying receipts and disbursements contained therein by fund and, where applicable, organizational unit.

(b) a schedule of the actual and projected receipts, disbursements, and solvency of each accounting entity within each fund for the current and subsequent biennium;

(c) a detailed schedule of receipts, by accounting entity within each fund, indicating classification and source of funds;

(d) an agency schedule summarizing past and proposed spending plans and the means of financing the proposed plan. Information presented shall include the following:

(i) a statement of agency goals and objectives and a statement of goals and objectives for each program of the agency;

HeinOnline -- 1983 vol. III 1601 1983

(ii) actual FTE and disbursements for the completed fiscal year of the current biennium, estimated FTE and disbursements for the current fiscal year, and the agency's request for the ensuing biennium, by program; and

(iii) actual disbursements for the completed fiscal year of the current biennium, estimated disbursements for the current fiscal year, and agency's recommendations for the ensuing biennium, by disbursement category;

(e) any other information the budget director feels is necessary for the preparation of a budget.

(3) The budget director must also prepare and submit to the legislative fiscal analyst in accordance with 17-7-112:

(a) detailed recommendations for the state long-range building program. Each recommendation shall be presented by department, institution, agency, or branch by funding source, with a description of each proposed project; and

(b) the proposed pay plan schedule for all executive branch employees with the specific cost and funding recommendations for each agency. Submission of a pay plan schedule under this subsection is not an unfair labor practice under 39-31-401."

Section 2. Section 17-7-112, MCA, is amended to read:

"**17-7-112. Submission deadline.** (1) It shall be the duty of each department, agency, and office, *including the Montana university system,* to submit *the* information *required under 17-7-111 to* the budget director on or before September 1 in the even year preceding the convening of the legislature.

(2) Between August 15 and September 30 in the year preceding the convening of the legislature, the director must submit each state agency's budget request required under 17-7-111(2) to the legislative fiscal analyst. The transfer of budget information shall be done on a schedule mutually agreed to by the budget director and the legislative fiscal analyst in a manner that facilitates an even transfer of budget information during the month of September and which allows each office to maintain a reasonable staff workflow.

(3) If any department, institution, *university unit,* or agency shall fail to present such information within the time herein specified, the budget director shall note that fact in the budget submitted to the governor and the budget director shall prepare *and submit to the legislative fiscal analyst and the governor by October 30* a budget request on behalf of such department, institution, *university unit,* or agency, based upon his studies of the operations, plans, and needs thereof.

(4) The proposed pay plan schedule required by 17-7-111(3) must be submitted to the legislative fiscal analyst no later than November 15 in the year preceding the convening of the legislature."

Approved April 28, 1983.

HeinOnline -- 1983 vol. III 1602 1983

CHAPTER NO. 667

AN ACT TO COUPLE MONTANA'S DEFINITION OF "SMALL BUSINESS CORPORATION" TO THE FEDERAL DEFINITION FOR PURPOSES OF THE CORPORATE LICENSE TAX; AMENDING SECTIONS 15-31-201 AND 15-31-202, MCA; REPEALING SECTIONS 15-31-205 THROUGH 15-31-207, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-31-201, MCA, is amended to read:

"15-31-201. Definitions. (1) For purposes of this part, the term "small business corporation" means a corporation doing business in Montana and which *has made a valid election under Subchapter S of Chapter 1 of the Internal Revenue Code of 1954 and thereafter has filed a copy thereof with the department on or before the 15th day of the third month of the taxable year for which the election is to become effective.*

(2) For purposes of this part, the term "electing small business corporation" means, with respect to any taxable year, a small business corporation which has made an election under *Subchapter S* in effect for such taxable year *and has filed a copy of such election with the department on or before the 15th day of the third month of the taxable year for which the election is to become effective.*"

Section 2. Section 15-31-202, MCA, is amended to read:

"15-31-202. Election by small business corporation. (1) *A* small business corporation may elect not to be subject to the taxes imposed by this chapter.

(2) If a small business corporation makes an election under subsection (1), then:

(a) with respect to the taxable years of the corporation for which such election is in effect, such corporation is not subject to the taxes imposed by this chapter and, with respect to such taxable years and all succeeding taxable years, the provisions of this part apply to such corporation; and

(b) with respect to the taxable years of a shareholder of such corporation in which or with which the taxable years of the corporation for which such election is in effect end, the provisions of this part apply to such shareholder, and with respect to such taxable years and all succeeding taxable years, the provisions of this part apply to such shareholder.

(3) An election under subsection (1) must be made in accordance with rules prescribed by the department of revenue.

(4) This election is not effective unless the corporate net income or loss of such electing corporation is included in the stockholders' adjusted gross income as defined in 15-30-111.

(5) Every electing corporation is required to pay the minimum fee of $10 required by 15-31-204."

HeinOnline -- 1983 vol. III 1603 1983

Section 3. **Failure to file — disqualification.** If a corporation does not file a copy of the federal Subchapter S election on or before the 15th day of the third month of the taxable year, the corporation shall not qualify as a small business corporation under this part for the taxable year.

Section 4. **Termination and revocation.** If the election under the provisions of Subchapter S is either terminated or revoked for federal purposes, the corporation must notify the department within 30 days of such termination or revocation. The department may terminate an election at any time if it discovers the corporation does not qualify as a small business corporation as provided for under the provisions of Subchapter S of the Internal Revenue Code of 1954.

Section 5. **Repealer.** Sections 15-31-205 through 15-31-207, MCA, are repealed.

Section 6. **Effective and applicability dates.** This act is effective on passage and approval and applies to taxable years beginning after December 31, 1982.

Approved April 28, 1983.

CHAPTER NO. 668

AN ACT TO PROVIDE TRAINING FOR FAMILY PRACTICE RESIDENT PHYSICIANS; LIMITING USE OF FUNDS; APPROPRIATING FUNDS; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 through 4] may be cited as the "Family Practice Training Act of 1983".

Section 2. **Definitions.** As used in [sections 1 through 4], the following definitions apply:

(1) "Family practice" means comprehensive medical care with particular emphasis on the family unit in which the physician's continuing responsibility for health care is not limited by the patient's age or sex or by a particular organ system or disease entity.

(2) "Residency training" means a community-based family practice program to train family practice resident physicians sponsored by one or more community hospitals and physicians in Montana for inpatient and outpatient training.

(3) "Resident physician" means any physician in advanced medical specialty training.

Section 3. **Montana family practice training program.** (1) There is created a Montana family practice training program to train resident physicians in family practice.

HeinOnline -- 1983 vol. III 1604 1983

(2) The program is under the authority of the department, and the department shall contract with a nonprofit corporation organized under the laws of Montana or certified to do business in Montana to coordinate the training of family practice resident physicians. The officers and directors of the corporation must be qualified by education, experience, and interest to administer and oversee family practice resident physician training activity.

Section 4. **Funding limitations.** (1) Money appropriated for residency training is in addition to any other money appropriated for medical educational programs and may not supplant funds for existing medical educational programs.

(2) No funds appropriated by the legislature to fund residency training may subsidize the cost incurred by patients.

Section 5. **Appropriation.** There is appropriated from the general fund $65,000 for the fiscal year ending June 30, 1984, and $6,000 for the fiscal year ending June 30, 1985, to the Department of Health and Environmental Sciences for the biennium ending June 30, 1985, for personal services and operating expenses to provide support for family practice residency training.

Section 6. **Codification instruction.** Sections 1 through 4 are intended to be codified as an integral part of Title 50, chapter 5, parts 1 through 4, and the provisions of Title 50, chapter 5, parts 1 through 4, apply to sections 1 through 4.

Section 7. **Effective date.** This act is effective July 1, 1983.

Approved April 28, 1983.

CHAPTER NO. 669

AN ACT FOR THE SIMPLIFICATION OF BALLOTS; PROVIDING THAT LOCAL ELECTION ADMINISTRATORS MAY REQUEST THAT ONLY THE BALLOT ISSUE NUMBER, THE FISCAL STATEMENT, AND THE FOR AND AGAINST STATEMENTS APPEAR ON THE BALLOT AND THAT ALL OTHER INFORMATION BE DISTRIBUTED TO ELECTORS AS THEY ENTER THE POLLING PLACE; AMENDING SECTION 13-27-501, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 13-27-501, MCA, is amended to read:

"13-27-501. Secretary of state to certify ballot form. *(1)* The secretary of state shall furnish to the official of each county responsible for preparation and printing of the ballots, at the same time as he certifies the names of the persons who are candidates for offices to be filled at the election, a certified copy of the form in which each ballot issue to be voted on by the people at that election is to appear on the ballot.

HeinOnline -- 1983 vol. III 1605 1983

(2) Except as provided in [section 2], the secretary of state shall list for each issue:

(a) the number;

(b) the method of placement on the ballot;

(c) the title;

(d) the attorney general's explanatory statement if applicable;

(e) the fiscal statement if applicable; and

(f) the statements of the implication of a vote for or against the issue that are to be placed beside the diagram for marking the ballot.

(3) When required to do so, the secretary of state shall use for each ballot issue the title of the legislative act or legislative constitutional proposal or the title provided by the attorney general or district court. Following the number of the ballot issue, the secretary of state, *when required to do so,* shall include one of the following statements to identify why the issue has been placed on the ballot:

(a) an act referred by the legislature;

(b) an amendment to the constitution proposed by the legislature;

(c) an act of the legislature referred by referendum petition; or

(d) a law or constitutional amendment proposed by initiative petition."

Section 2. **Abbreviated form of the certified ballot.** The county election administrator may, at least 14 days prior to the deadline for ballot certification by the secretary of state, request in writing that he be furnished an abbreviated form of the certified ballot. The secretary of state shall furnish to all counties from which he has received such a request a certified ballot containing only the information in subsections (2)(a), (2)(e), and (2)(f) of 13-27-501. If the county election administrator requests that the abbreviated ballot be prepared, copies of the information contained in subsections (2)(a) through (2)(f) must be distributed to each elector by an election judge as the elector enters the polling place.

Approved April 29, 1983.

CHAPTER NO. 670

AN ACT TO REQUIRE A PUBLIC HEARING PRIOR TO THE SALE OR TRANSFER OF CERTAIN FEDERAL LAND.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Sale or transfer of federal land — when hearing required.** (1) Prior to the sale or transfer of land within the boundaries of the state of Montana that is owned or controlled by an agency of the United States government, the commissioner of state lands must determine

HeinOnline -- 1983 vol. III 1606 1983

if there would be any impact on the management of state lands, on agricultural, wildlife, or recreational resources of the state, or on the cost of government services provided by the state, by any school district, or by any county, city, or other local government unit by reason of such sale or transfer.

(2) If the commissioner determines there would be an adverse impact under subsection (1) and that no hearing or public meeting has been or will be conducted by a federal agency affording the opportunity for expression of public opinion regarding the proposed sale or transfer, and that further public input would be desirable, he shall hold a public hearing prior to the occurrence of such sale or transfer in order to provide opportunity for the expression of public sentiment regarding the proposed disposition of federal land.

(3) If a hearing will be conducted by a federal agency on the proposed sale or transfer of federal land within the state, the commissioner shall require the attendance of a representative of the department of state lands for the purposes of fulfilling the requirements of [section 3].

(4) The sale or transfer of easements by an agency of the United States government and the transfer of land by the United States to the state of Montana in satisfaction of land owed to the state pursuant to The Enabling Act are exempt from the operation of this section.

Section 2. **Hearing requirements.** Any hearing required under [section 1] must be held in a county in which the land involved in the proposed sale or transfer is located and must be held according to procedural rules which shall be adopted by the commissioner in accordance with the Montana Administrative Procedure Act.

Section 3. **Action by commissioner.** The commissioner shall take such action as he may consider appropriate, consistent with federal jurisdiction, to address concerns and issues raised during the hearing. Such action may include but is not limited to:

(1) the filing of formal requests for action by the appropriate federal agency that would alleviate concerns expressed at the hearing;

(2) the filing of a formal protest to the proposed sale or transfer.

Section 4. **Codification instruction.** Sections 1 through 3 are intended to be codified as an integral part of Title 77, chapter 1, part 2, and the provisions of Title 77 apply to sections 1 through 3.

Approved April 29, 1983.

CHAPTER NO. 671

AN ACT TO REDUCE THE OIL SEVERANCE TAX TO 5 PERCENT BEGINNING APRIL 1, 1985; AMENDING SECTION 15-36-101, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-36-101, MCA, is amended to read:

"15-36-101. Definitions and rate of tax. (1) Every person engaging in or carrying on the business of producing petroleum, other mineral

or crude oil, or natural gas within this state or engaging in or carrying on the business of owning, controlling, managing, leasing, or operating within this state any well or wells from which any merchantable or marketable petroleum, other mineral or crude oil, or natural gas is extracted or produced sufficient in quantity to justify the marketing of the same must, except as provided in 15-36-121, each year when engaged in or carrying on any such business in this state pay to the department of revenue for the exclusive use and benefit of the state of Montana a severance tax computed at the following rates:

(a) 5% of the total gross value of all the petroleum and other mineral or crude oil produced by such person from each lease or unit on or after April 1, 1981, and on or before March 31, 1983; 6% of the total gross value of all the petroleum and other mineral or crude oil produced by such person from each lease or unit *on or after April 1, 1983, and on or before March 31, 1985; and 5% of the total gross value of all the petroleum and other mineral or crude oil produced by such person from each lease or unit thereafter*; but in determining the amount of such tax there shall be excluded from consideration all petroleum or other crude or mineral oil produced and used by such person during such year in connection with his operations in prospecting for, developing, and producing such petroleum or crude or mineral oil;

(b) 2.65% of the total gross value of natural gas produced from each lease or unit; but in determining the amount of such tax there shall be excluded from consideration all gas produced and used by such person during such year in connection with his operations in prospecting for, developing, and producing such gas or petroleum or crude or mineral oil; and there shall also be excluded from consideration all gas recycled or reinjected into the ground.

(2) Nothing in this part may be construed as requiring laborers or employees hired or employed by any person to drill any oil well or to work in or about any oil well or prospect or explore for or do any work for the purpose of developing any petroleum or other mineral or crude oil to pay such severance tax, nor may any work done or the drilling of any well or wells for the purpose of prospecting or exploring for petroleum or other mineral or crude oils or for the purpose of developing same be considered to be the engaging in or carrying on of any such business. If, in the doing of any such work, in the drilling of any oil well, or in such prospecting, exploring, or development work, any merchantable or marketable petroleum or other mineral or crude oil in excess of the quantity required by such person for carrying on such operation is produced sufficient in quantity to justify the marketing of the same, such work, drilling, prospecting, exploring, or development work is considered to be the engaging in and carrying on of such business within this state within the meaning of this section.

(3) Every person required to pay such tax hereunder shall pay the same in full for his own account and for the account of each of the other owner or owners of the gross proceeds in value or in kind of all the marketable petroleum or other mineral or crude oil or natural gas extracted

HeinOnline -- 1983 vol. III 1608 1983

and produced, including owner or owners of working interest, royalty interest, overriding royalty interest, carried working interest, net proceeds interest, production payments, and all other interest or interests owned or carved out of the total gross proceeds in value or in kind of such extracted marketable petroleum or other mineral or crude oil or natural gas, except that any of the aforesaid interests that are owned by the federal, state, county, or municipal governments shall be exempt from taxation under this chapter. Unless otherwise provided in a contract or lease, the pro rata share of any royalty owner or owners will be deducted from any settlements under said lease or leases or division of proceeds orders or other contracts."

Section 2. **Effective date — applicability.** This act is effective on passage and approval and applies to crude oil produced on or after April 1, 1983.

Approved April 29, 1983.

CHAPTER NO. 672

AN ACT INCREASING THE PER DIEM COMPENSATION FOR QUASI-JUDICIAL, RETIREMENT, AND LICENSING AND REGULATORY BOARDS FROM $25 A DAY TO $50 A DAY; AMENDING SECTIONS 2-15-124, 19-3-302, 19-4-202, 37-1-133, 85-7-1505, AND 85-7-1613, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-15-124, MCA, is amended to read:

"2-15-124. Quasi-judicial boards. If an agency is designated by law as a quasi-judicial board for the purposes of this section, the following requirements apply:

(1) The number of and qualifications of its members are as prescribed by law. In addition to those qualifications, unless otherwise provided by law, at least one member shall be an attorney licensed to practice law in this state.

(2) The governor shall appoint the members. A majority of the members shall be appointed to serve for terms concurrent with the gubernatorial term and until their successors are appointed and qualified. The remaining members shall be appointed to serve for terms ending on the first day of the third January of the succeeding gubernatorial term and until their successors are appointed and qualified. It is the intent of this subsection that the governor appoint a majority of the members of each quasi-judicial board at the beginning of his term and the remaining members in the middle of his term. As used in this subsection, "majority" means the next whole number greater than half.

(3) The appointment of each member is subject to the confirmation of the senate. However, the governor may appoint a member to assume office

HeinOnline -- 1983 vol. III 1609 1983

before the senate meets at its next regular session to consider the appointment. A member so appointed has all the powers of the office upon assuming that office and is a de jure officer, notwithstanding the fact that the senate has not yet confirmed the appointment. If the senate does not confirm the appointment of a member, the governor shall appoint a new member to serve for the remainder of the term.

(4) A vacancy shall be filled in the same manner as regular appointments, and the member appointed to fill a vacancy shall serve for the unexpired term to which he is appointed.

(5) The governor shall designate the chairman. The chairman may make and second motions and vote.

(6) Members may be removed by the governor only for cause.

(7) Unless he is a full-time salaried officer or employee of this state or of a political subdivision of this state, each member is entitled to be paid *$50* for each day in which he is actually and necessarily engaged in the performance of board duties, and he is also entitled to be reimbursed for travel expenses, as provided for in 2-18-501 through 2-18-503, incurred while in the performance of board duties. Members who are full-time salaried officers or employees of this state or of a political subdivision of this state are not entitled to be compensated for their service as members but are entitled to be reimbursed for travel expenses as provided for in 2-18-501 through 2-18-503.

(8) A majority of the membership constitutes a quorum to do business. A favorable vote of at least a majority of all members of a board is required to adopt any resolution, motion, or other decision, unless otherwise provided by law."

Section 2. Section 19-3-302, MCA, is amended to read:

"19-3-302. Compensation and expenses of board members. The travel expenses of members of the board shall be as allowed in 2-18-501 through 2-18-503, as amended, and reimbursed by the retirement system. Those members of the board who are not members of the retirement system shall be entitled to receive, in addition to travel expenses, compensation *as provided in 2-15-1009.*"

Section 3. Section 19-4-202, MCA, is amended to read:

"19-4-202. Per diem and expenses of board members. The members of the retirement board shall serve without direct or indirect compensation except that each appointed member shall receive *$50* per day and travel expenses, as provided for in 2-18-501 through 2-18-503, for each day in attendance at the meetings of such board or in the execution of his duties as a member of the retirement board. All per diem and expenses paid under the provisions of this section shall be paid from the expense fund of the retirement system."

Section 4. Section 37-1-133, MCA, is amended to read:

"37-1-133. Board members' compensation and expenses. Unless otherwise provided by law, each member of a board allocated to the

HeinOnline -- 1983 vol. III 1610 1983

department is entitled to receive *$50* per day compensation and travel expenses, as provided for in 2-18-501 through 2-18-503, for each day spent on official board business. Board members who conduct official board business in their city of residence are entitled to receive a midday meal allowance, as provided for in 2-18-501, for each day in which 6 or more hours are spent on official board business. Ex officio board members may not receive compensation but shall receive travel expenses."

Section 5. Section 85-7-1505, MCA, is amended to read:

"85-7-1505. Compensation and expenses of commissioners. The commissioners, when sitting as a board or when engaged in the business of the district, are entitled to compensation *of $25 for each day they are actually and necessarily engaged in the performance of irrigation district duties* and to reimbursement for travel expenses as provided in 2-18-501 through 2-18-503, and for their necessary expenses when otherwise engaged on district business, including premiums on qualifying bonds and any other bonds required of them in connection with their office."

Section 6. Section 85-7-1613, MCA, is amended to read:

"85-7-1613. Board of control — per diem and expenses. The members of the board of control, when sitting as a board or when engaged in the business of the board, are entitled to compensation *of $25 for each day they are actually and necessarily engaged in the performance of irrigation district duties* and to reimbursement for travel expenses as provided in 2-18-501 through 2-18-503, and for their necessary expenses."

Section 7. **Effective date.** This act is effective July 1, 1983.

Approved April 29, 1983.

CHAPTER NO. 673

AN ACT TO DISALLOW DEDUCTIONS RELATED TO EXCLUDED INTEREST INCOME FOR MONTANA CORPORATION LICENSE TAX PURPOSES; TO APPLY THE DISALLOWANCE OF DEDUCTION RETROACTIVELY TO ALL TAXABLE PERIODS DURING WHICH SUCH INCOME IS EXCLUDED FROM GROSS INCOME; PROHIBITING CONSOLIDATED RETURNS FOR FINANCIAL INSTITUTIONS UNDER THE CORPORATE LICENSE TAX; REAFFIRMING THE INCLUSION OF STATE AND LOCAL BOND INCOME IN THE DEFINITION OF NET INCOME FOR CORPORATION LICENSE TAX PURPOSES; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND APPLICABILITY DATES.

WHEREAS, the Montana Corporation License Tax Act (Title 15, chapter 31, part 1) was intended, after the enactment of Chapter 634, Laws of 1979, to require all corporations to report and pay a tax upon all income derived from obligations of the United States or its agencies or instrumentalities as permitted by Title 31, section 742, United States Code; and

HeinOnline -- 1983 vol. III 1611 1983

WHEREAS, the Montana Supreme Court on September 23, 1982 (petition for rehearing denied December 6, 1982), decided in the case cited below that such income must be excluded from the measure of the subject tax; and

WHEREAS, the Legislature disagrees with the Montana Supreme Court's decision in the case of First Federal Savings and Loan Association, a Federally Chartered Association, et al., Plaintiffs and Appellants v. Department of Revenue, et al., Defendants and Respondents, Cause No. 81-528, and has filed, through its Revenue Oversight Committee, an Amicus Curiae brief in support of the position of the Department of Revenue; and

WHEREAS, the Department of Revenue is presently seeking to have the United States Supreme Court review the matter, and at this time other decisions are also being reviewed by the United States Supreme Court that might have a bearing on the issue of the taxability of such income; and

WHEREAS, in the interim uncertainty exists as to the taxability of such income and claims for refund of tax and returns of income will be made by corporations based upon the exclusion of such income; and

WHEREAS, the Legislature desires to maintain approximately the current level of revenue to state and local government; and

WHEREAS, immediate legislative action is necessary.

THEREFORE, it is the intent of the Legislature to proportionately reduce the allowable deductions to all corporations for all taxable periods for which interest income is excluded or claim for refund of tax is made upon such exclusion under claim of right under federal law.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Reduction of deductions related to excluded income.** (1) A corporation, taxable under Title 15, chapter 31, part 1, that excludes interest from gross income which would be taxable except for federal law must adjust its allowable deductions for all taxable periods for which interest is excluded in the following manner:

(a) the total amount of interest excluded from gross income by federal law must be determined;

(b) the total amount of all interest income from all sources must be determined;

(c) the ratio of excluded interest income to all interest income must be determined; and

(d) the total deductions allowable under 15-31-114 must be reduced by an amount determined by multiplying the amount of deduction otherwise allowable by the ratio of excluded interest to all interest income; however, the product of this calculation may not exceed the amount of excluded interest income.

(2) Allowable deductions must be reduced with respect to all corporations that exclude interest income otherwise taxable upon returns filed for

HeinOnline -- 1983 vol. III 1612 1983

all taxable periods for which such exclusion is claimed and for all taxable periods for which a claim for refund is made.

Section 2. **Consolidated returns prohibited.** (1) A majority of the corporation license tax collected from financial institutions is paid to local government areas in which each financial institution is located. However, consolidated returns for financial institutions do not reflect the true tax attributable to each local government. In addition, consolidated returns would permit financial institutions to offset income against losses of nonfinancial institutions, thereby distorting the true income of each financial organization.

(2) In accordance with subsection (1), financial institutions are prohibited from filing consolidated returns under 15-31-141.

Section 3. **Reaffirmation of bond income inclusion in definition of net income for corporation license tax purposes.** Notwithstanding the provisions of any other law, the income from bonds or other obligations issued by any state or political subdivision of a state are included in gross and net income for purposes of the corporation license tax. Further, such income has been included in gross and net income since the effective date of Chapter 634, Laws of 1979, which law repealed the exclusion of such income from the tax base of the corporation license tax.

Section 4. **Codification instruction.** Sections 1 through 3 are intended to be codified as integral parts of Title 15, chapter 31, part 1.

Section 5. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 6. **Effective date — applicability dates.** This act is effective on passage and approval. Sections 1 and 3 of this act apply retroactively, within the meaning of 1-2-109, to taxable periods beginning on and after December 31, 1978 (the effective date of Chapter 634, Laws of 1979), for which a corporation has excluded interest income based upon federal law or for which a corporation has included interest income and subsequently claims a refund of taxes paid based upon federal law. Section 2 of this act applies to taxable periods beginning after December 31, 1982.

Approved April 29, 1983.

CHAPTER NO. 674

AN ACT PROVIDING FOR THE CENTRAL AND LOCAL RECORDATION OF WATER RIGHT TRANSFERS; PROVIDING THAT TRANSFERS MADE WITHOUT PRIOR APPROVAL OF THE DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION MUST BE APPROVED AFTER THE TRANSFER; AMENDING SECTION 85-2-403, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Purpose.** The purpose of [sections 1 through 6] is to facilitate the maintenance of a reliable record of water right ownership on both the state and local levels by requiring that water right transfers be

HeinOnline -- 1983 vol. III 1613 1983

recorded with the county clerk and recorder and that the county clerk and recorder notify the department and the water court of each transfer recorded.

Section 2. **Definition.** As used in [sections 1 through 6], "water right" means the right to use water as documented by a claim to an existing right, a permit, or a certificate of water right.

Section 3. **Water right transfer certificate.** (1) The chief water judge and the department shall prescribe the form and content of the water right transfer certificate.

(2) The department shall provide an adequate supply of such forms to each county clerk and recorder in the state.

Section 4. **Recordation.** (1) The parties to a transfer of a water right or their agents or representatives shall record with the county clerk and recorder a water right transfer certificate.

(2) Except in the case of a transfer of real property served by a public service water supply, when any person presents for recording a deed or other instrument evidencing a transfer of real property, the realty transfer certificate shall note whether or not the transfer includes a transfer of water rights. If the realty transfer certificate notes a transfer of water rights, the clerk and recorder shall provide such person the form prescribed in this act for the transfer of water rights. The recording of the deed or other instrument shall not be delayed because of the transfer of the water rights.

(3) The county clerk and recorder shall cause a permanent record of the water right transfer certificate to be made.

(4) The county clerk and recorder shall send a copy of the water right transfer certificate to the department and to the office of the chief water judge.

Section 5. **Effect of recordation.** (1) Failure to comply with [sections 1 through 6] does not affect the validity or effectiveness of an instrument or deed as between the parties to it.

(2) The recordation of the water right transfer certificate with the county clerk and recorder is constructive notice of the content thereof.

Section 6. **Fee.** (1) The board of natural resources and conservation shall by rule prescribe a fee that must cover the cost to the department in processing the copy of the transfer certificate. The fee must be paid at the time of recordation of the water right transfer certificate.

(2) The county clerk and recorder shall:

(a) collect the fee required under subsection (1) and forward it to the department to be deposited in the water right appropriation account provided for in 85-2-318; and

(b) charge and collect a recording fee as provided for in 7-4-2631 for recording the document.

HeinOnline -- 1983 vol. III 1614 1983

Section 7. Section 85-2-403, MCA, is amended to read:

"**85-2-403. Transfer of appropriation right.** (1) The right to use water under a permit or certificate of water right shall pass with a conveyance of the land or transfer by operation of law, unless specifically exempted therefrom. All transfers of interests in appropriation rights shall be without loss of priority.

(2) Without obtaining prior approval from the department, an appropriator may not sever all or any part of an appropriation right from the land to which it is appurtenant, sell the appropriation right for other purposes or to other lands, or make the appropriation right appurtenant to other lands. The department shall approve the proposed change if it determines that the proposed change will not adversely affect the rights of other persons. If the department determines that the proposed change might adversely affect the rights of other persons, notice of the proposed change shall be given in accordance with 85-2-307. If the department then determines that an objection filed by a person whose rights may be affected states a valid objection to the proposed change, the department shall hold a hearing thereon prior to its approval or denial of the proposed change. Objections shall meet the requirements of 85-2-308(2) and hearings shall be held in accordance with 85-2-309.

(3) Failure to comply with the provisions of subsection (2) does not render a conveyance or reservation of a water right void, but the right may not be used until the department has approved the change. This subsection applies retroactively, within the meaning of 1-2-109, to a conveyance or reservation made after July 1, 1973."

Section 8. **Codification instruction.** Sections 1 through 6 are intended to be codified as an integral part of Title 85, chapter 2, and the provisions of Title 85, chapter 2, apply to sections 1 through 6.

Section 9. **Effective date.** Section 7 is effective on passage and approval.

Approved April 29, 1983.

CHAPTER NO. 675

AN ACT TO REVISE LIMITS OF RECOVERY IN TORT SUITS AGAINST THE STATE AND LOCAL GOVERNMENTS; AMENDING SECTION 2-9-101, MCA; REPEALING SECTION 2-9-104, MCA; PROVIDING FOR RETROACTIVE APPLICABILITY; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A TERMINATION DATE.

WHEREAS, on April 8, 1983, the Montana Supreme Court, in the case of Karla White v. State of Montana, Cause No. 82-170, held the limitations contained in section 2-9-104, MCA, on economic and noneconomic damages in tort actions against governmental entities to be an unconstitutional violation of the guarantee of equal protection of the laws; and

HeinOnline -- 1983 vol. III 1615 1983

WHEREAS, the obligations imposed upon governmental entities must be performed, even though the risks inherent in performing absolute obligations are great; and

WHEREAS, the responsibility for confining, housing, and rehabilitation of persons convicted of criminal activity; the treatment and supervision of mental patients at government institutions or under government programs; the planning, construction, and maintenance of thousands of miles of highways; the operation of municipal transportation systems and airport terminals; and the operation and maintenance of schools, playgrounds, and athletic facilities are only a few of those obligations; and

WHEREAS, prior to the adoption in 1977 of the limitations on damages declared unconstitutional, liability insurance had become increasingly expensive and unavailable to units of local government; and

WHEREAS, the amount of damages against the state requested in administrative claims, prayed for in some legal actions and estimated to be payable in other legal actions, far exceed existing loss reserves and anticipated revenues of the state's self-insurance reserve fund; and

WHEREAS, an investigation of the limitations on damages imposed by other states in legal actions against those states and comparison of these limitations show the limitations imposed by this act to be highly reasonable; and

WHEREAS, Article II, section 18, of the Montana Constitution allows the Legislature to provide by law for immunity from suit for the State and other governmental entities; and

WHEREAS, the limitations on liability and damages contained in Title 2, chapter 9, parts 1 through 3, MCA, as amended by this act, are compelled by the interests of all governmental entities in funding all governmental services or in making conscious and deliberate decisions not to fund those services.

THEREFORE, it is the intent of the Legislature to make legislative findings of necessity for those limitations on liability and damages contained in Title 2, chapter 9, parts 1 through 3, MCA, and to reinstate limited immunity for the State and other governmental entities in a manner consistent with the decision of the Montana Supreme Court in Karla White v. State of Montana.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Legislative findings.** (1) The legislature recognizes and reaffirms the report of the subcommittee on judiciary, contained in the interim study on limitations on the waiver of sovereign immunity (December 1976), that unlimited liability of the state and local governments for civil damages makes it increasingly difficult if not impossible for governments to purchase adequate insurance coverage at reasonable costs.

(2) The legislature finds that the obligations imposed upon governmental entities must be performed, even though the risks inherent in performing absolute obligations are great. The responsibility for confining, housing,

HeinOnline -- 1983 vol. III 1616 1983

and rehabilitation of persons convicted of criminal activity; the treatment and supervision of mental patients at government institutions or under government programs; the planning, construction, and maintenance of thousands of miles of highways; the operation of municipal transportation systems and airport terminals; and the operation and maintenance of schools, playgrounds, and athletic facilities are only a few of those obligations.

(3) The legislature finds that there are many functions and services both governmental and proprietary in nature traditionally offered by the state and other governmental entities which, because of the size of government operations and the inherent nature of certain functions and services, entail a potential for civil liability for tortious conduct far beyond the potential for liability of corporations and other persons in the private sector. Despite this potential for liability unparalleled in the private sector, the legislature finds that these functions of government are necessary components of modern life and that, despite limited resources and competition for those resources between necessary programs and entities, all functions and services both governmental and proprietary in nature are deserving of conscious and deliberate continuation or retirement by the people through their elected representatives. The legislature further finds that liability for damages resulting from tortious conduct by a government or its employees is more than a cost of doing business and has an effect upon government far beyond a simple reduction in governmental revenues. Unlimited liability would, because of the requirement for a balanced state budget contained in Article VIII, section 9, of the Montana constitution and because bankruptcy is a remedy unavailable to the state and most other governmental entities, result initially in increased taxes to pay judgments for damages and would eventually have the effect of reallocating state resources to a degree that would result in involuntary choices between critical state and local programs. The legislature finds these potential results of unlimited liability for tort damages to be unacceptable and further finds that, given the realities of modern government and the litigiousness of our society, there is no practical way of completely preventing tortious injury by and tort damages against the state and other governmental entities. The legislature therefore expressly finds that forced reduction in critical governmental services that could result from unlimited liability of the state and other governmental entities for damages resulting from tortious conduct of those governments and their employees constitutes a compelling state interest requiring the application of the limitations on liability and damages provided in parts 1 through 3 of this chapter.

Section 2. **Limitation on governmental liability for damages in tort.** (1) Neither the state, a county, municipality, taxing district, nor any other political subdivision of the state is liable in tort action for damages suffered as a result of an act or omission of an officer, agent, or employee of that entity in excess of $300,000 for each claimant and $1 million for each occurrence.

(2) No insurer is liable for excess damages unless such insurer specifically agrees by written endorsement to provide coverage to the governmental agency involved in amounts in excess of a limitation stated in this

HeinOnline -- 1983 vol. III 1617 1983

section, in which case the insurer may not claim the benefits of the limitation specifically waived.

Section 3. Section 2-9-101, MCA, is amended to read:

"2-9-101. Definitions. As used in parts 1 through 3 of this chapter, the following definitions apply:

(1) "Claim" means any claim against a governmental entity, for money damages only, which any person is legally entitled to recover as damages because of personal injury or property damage caused by a negligent or wrongful act or omission committed by any employee of the governmental entity while acting within the scope of his employment, under circumstances where the governmental entity, if a private person, would be liable to the claimant for such damages under the laws of the state.

(2) "Employee" means an officer, employee, or servant of a governmental entity, including elected or appointed officials, and persons acting on behalf of the governmental entity in any official capacity temporarily or permanently in the service of the governmental entity whether with or without compensation, but the term employee shall not mean a person or other legal entity while acting in the capacity of an independent contractor under contract to the governmental entity to which parts 1 through 3 apply in the event of a claim.

(3) "Governmental entity" means and includes the state and political subdivisions as herein defined.

(4) "Personal injury" means any injury resulting from libel, slander, malicious prosecution, or false arrest, any bodily injury, sickness, disease, or death sustained by any person and caused by an occurrence for which the state may be held liable.

(5) "Political subdivision" means any county, city, municipal corporation, school district, special improvement or taxing district, or any other political subdivision or public corporation.

(6) "Property damage" means injury or destruction to tangible property, including loss of use thereof, caused by an occurrence for which the state may be held liable.

(7) "State" means the state of Montana or any office, department, agency, authority, commission, board, institution, hospital, college, university, or other instrumentality thereof."

Section 4. **Repealer.** Section 2-9-104, MCA, is repealed.

Section 5. **Codification instruction.** Sections 1 and 2 are intended to be codified as an integral part of Title 2, chapter 9, parts 1 through 3, and the provisions of Title 2, chapter 9, parts 1 through 3, apply to sections 1 and 2.

Section 6. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

HeinOnline -- 1983 vol. III 1618 1983

Section 7. **Applicability.** This act applies retroactively, within the meaning of 1-2-109, to all claims, lawsuits, and causes of action arising after July 1, 1977.

Section 8. **Effective date.** This act is effective on passage and approval.

Section 9. **Termination date.** Section 2 terminates June 30, 1985.

Approved April 29, 1983.

CHAPTER NO. 676

AN ACT TO AMEND SECTION 13-1-106, MCA, TO REQUIRE THAT CERTAIN ELECTION POLLS OPEN AT 7 A.M.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 13-1-106, MCA, is amended to read:

"13-1-106. Time of opening and closing of polls for all elections. Polls must be open from 7 a.m. to 8 p.m., except polling places having fewer than *200* registered electors, which must be open from noon to 8 p.m. or until all registered electors in any precinct have voted, at which time the polls shall be closed immediately."

Approved April 29, 1983.

CHAPTER NO. 677

AN ACT TO IMPLEMENT SECTION 3 OF INITIATIVE 95; CREATING AN IN-STATE INVESTMENT FUND TO BE ADMINISTERED BY THE MONTANA ECONOMIC DEVELOPMENT BOARD; PROVIDING FOR TYPES OF INVESTMENTS TO BE MADE; AMENDING SECTIONS 17-6-201 AND 17-6-211, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** This act may be cited as the "Montana In-State Investment Act of 1983".

Section 2. **Definitions.** As used in [sections 1 through 16 and Initiative 95 approved by the people at the election on November 2, 1982], unless the context requires otherwise, the following definitions apply:

(1) "Board" means the Montana economic development board established in [section 19].

(2) "Clean and healthful environment" means an environment that is relatively free from pollution which threatens human health, including as

HeinOnline -- 1983 vol. III 1619 1983

a minimum, compliance with federal and state environmental and health standards.

(3) "Committee" means the economic development oversight committee created by [section 17].

(4) "Financial institution" includes but is not limited to a state- or federally chartered bank or a savings and loan association, credit union, or development corporation created pursuant to Title 32, chapter 4.

(5) "Loan participation" means loans or portions thereof bought from a financial institution.

(6) "Locally owned enterprise" means any enterprise 51% of whose stock, partnership interests, or other ownership interests are owned and controlled by residents of Montana.

(7) "Long-term benefit to the Montana economy" means an activity that strengthens the Montana economy and that has the potential to maintain and create jobs, increase per capita income, or increase Montana tax revenues in the future to the people of Montana, either directly or indirectly.

(8) "Montana economy" means any business activity in the state of Montana, including those which continue existing jobs or create new jobs in Montana.

(9) "Montana in-state investment fund" means the fund established by [section 3 of Initiative 95].

(10) "Service fees" means the fees normally charged by a financial institution for servicing a loan, including amounts charged for collecting payments and remitting amounts to the fund.

Section 3. **Montana in-state investment fund.** The Montana in-state investment fund consists of 25% of the revenue deposited after June 30, 1983, into the permanent coal tax trust fund established in 17-6-203(5) and the principal payments on all investments made from the Montana in-state investment fund.

Section 4. **Unified investment program.** The Montana economic development board and the board of investments shall hold joint meetings at least twice a year as a unified investment board for purposes of coordinating investment strategies, policies, and programs as required by Article VIII, section 13, of the Montana constitution.

Section 5. **Authorized investments.** The Montana in-state investment fund must be invested in the securities authorized as permissible investments under 17-6-211 and in any other type of in-state investment authorized by rules adopted by the board.

Section 6. **Investment preferences.** In deciding which of several investments of equal or comparable security and return are to be made when sufficient funds are not available to fund all possible investments, the board shall give preference to the business investments that:

(1) are for locally owned enterprises that are either expanding or establishing new operations;

HeinOnline -- 1983 vol. III 1620 1983

(2) provide jobs that will be substantially filled by current Montana residents as opposed to providing jobs that will be filled by nonresidents coming into the state to fill such jobs;

(3) maintain and improve a clean and healthful environment, with emphasis on energy efficiency;

(4) encourage or benefit the processing, refining, marketing, and innovative use and promotion of Montana's agricultural products; or

(5) benefit small- and medium-sized businesses as defined in rules adopted by the board.

Section 7. **No direct loans.** No money from the Montana in-state investment fund may be used to make direct loans to individual borrowers. Loans or portions thereof originated by a financial institution that are sold to the trust are not direct loans.

Section 8. **Limitation on size of investments.** No investment may be made that will result in any one business enterprise or person receiving a benefit from or incurring a debt to the Montana in-state investment fund the total current accumulated amount of which exceeds 10% of the prior fiscal year's coal severance tax revenue deposited in the Montana in-state investment fund.

Section 9. **State participation in loans.** State participation in any loan to a business enterprise, except for a loan guaranteed by a federal agency, must be limited to 80% of the outstanding loan. The state shall participate in the security for a loan in the same proportion as the loan participation amount.

Section 10. **Prior commitment of funds.** The board may authorize the commitment of funds to financial institutions pursuant to rules adopted by the board, but the determination as to credit with respect to individual investments must be made by the financial institution and the board.

Section 11. **Rate of return.** In calculating the rate of return for any investment to be made from the Montana in-state investment fund, the board shall consider the long-term benefit to the Montana economy.

Section 12. **Service charges.** The board shall by rule establish reasonable service fees that may be charged on loans made from the Montana in-state investment fund.

Section 13. **Audit and performance evaluation.** (1) The board shall contract for an annual independent financial audit of the board and the Montana in-state investment fund.

(2) The board shall contract for biennial independent operational and performance evaluations of the board and the Montana in-state investment fund.

Section 14. **Reports and publications.** (1) By September 30 of each year, the board shall publish a report for distribution to the governor, the legislature, and the public. The report must be written in easily understandable language. The report must include:

HeinOnline -- 1983 vol. III 1621 1983

(a) financial statements audited by independent auditors;

(b) a statement of the amount of money received by the Montana in-state investment fund from each investment during the period covered;

(c) a statement of investments of the Montana in-state investment fund, including an appraisal at market value;

(d) a description of investment activity during the period covered by the report;

(e) a comparison of the Montana in-state investment fund's performance in relation to intended goals contained in [section 1 of Initiative 95];

(f) an examination of the impact of the investment criteria of [sections 5 and 6];

(g) recommendations of any needed changes; and

(h) any other information the board believes would be of interest to the governor, the legislature, and the public.

(2) The annual income statement and balance sheet of the Montana in-state investment fund must be published in at least one newspaper in each judicial district of the state by October 30 of each year.

Section 15. **Report on potential uses of coal tax trust fund.** The board shall prepare for each regular session of the legislature a report on potential uses of the coal tax trust fund to develop a stable, strong, and diversified Montana economy that meets the needs of present and future generations of Montanans while maintaining and improving a clean and healthful environment as required by Article IX, section 1, of the Montana constitution.

Section 16. **Rulemaking authority.** The board may adopt rules to implement the provisions of [sections 1 through 16] and 17-6-211(5). Rules adopted by the board may include definitions of small- and medium-sized businesses, a method of committing funds to financial institutions, types of service fees, and types of investments to be made. The board may also adopt procedural rules to govern its proceedings.

Section 17. **Montana economic development board — allocation — composition — quasi-judicial powers.** (1) There is a Montana economic development board. Except as otherwise provided in this section, the board is allocated to the department of commerce for administrative purposes only as provided in 2-15-121. The board has authority over its own personnel as provided in [section 20].

(2) The board is composed of seven members, to be appointed by the governor as prescribed in 2-15-124. The board must be broadly representative of the state, seeking to balance professional expertise and public interest and accountability and shall include at least one person representing each of the following:

(a) the financial community;

(b) small business;

HeinOnline -- 1983 vol. III 1622 1983

(c) agriculture; and

(d) labor.

(3) The board is designated as a quasi-judicial board for the purposes of 2-15-124.

(4) The board shall invest the Montana in-state investment fund according to the provisions of [sections 1 through 3 of Initiative 95 and sections 1 through 16] and 17-6-201 and 17-6-211.

Section 18. **Personnel of board.** (1) The Montana economic development board may employ an investment officer, who will have general responsibility for the selection and management of the board's staff and direction of investment activity. The investment officer serves at the pleasure of the board.

(2) The board may prescribe the duties and annual salary for professional staff positions.

Section 19. Section 17-6-201, MCA, is amended to read:

"17-6-201. Unified investment program — general provisions. (1) The uniform investment program directed by Article VIII, section 13, of the 1972 Montana constitution to be provided for public funds shall be administered by the board of investments *and the Montana economic development board* in accordance with the rules provided in this chapter *and [sections 1 through 16]* and with that degree of judgment and care, under circumstances from time to time prevailing, which *people* of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation but for investment, considering the probable safety of their capital as well as the probable income to be derived, and preservation of purchasing power of capital during periods of sustained high monetary inflation. *Investments by the Montana economic development board are limited to those made from the Montana in-state investment fund and for the purposes set forth in [sections 1 through 16].*

(2) All state funds shall be invested and reinvested in securities enumerated in 17-6-211 to the maximum extent consistent with this policy and with the need and timing of cash expenditures for particular purposes.

(3) The board of investments has the sole authority to invest state funds *other than the Montana in-state investment fund.* No other agency may invest *such* state funds. The board shall direct the investment of state funds in accordance with the laws and constitution of this state. The board has the power to veto any investments made under its general supervision.

(4) The board *of investments* shall:

(a) assist agencies with public money to determine if, when, and how much surplus cash is available for investment;

(b) determine the amount of surplus treasury cash to be invested;

(c) determine the type of investment to be made; and

(d) prepare the claim to pay for the investment.

HeinOnline -- 1983 vol. III 1623 1983

(5) The board of investments may:

(a) execute deeds of conveyance transferring all real property obtained through foreclosure of any investments purchased under the provisions of 17-6-211 when full payment has been received therefor;

(b) direct the withdrawal of any funds deposited by or for the state treasurer pursuant to 17-6-101 and 17-6-105;

(c) direct the sale of any securities in the program at their full and true value when found necessary to raise money for payments due from the treasury funds for which the securities have been purchased.

(6) The state treasurer shall keep an account of the total of each investment fund and of all the investments belonging to such fund and of the participation of each treasury fund account therein and shall make from time to time such reports with reference thereto as may be directed by the board of investments.

(7) The cost of administering and accounting for each investment fund shall be deducted from the income therefrom, except that such costs of the trust and legacy fund shall be paid from income otherwise receivable from the pooled investment fund, and the amounts required for this purpose shall be appropriated by the legislature from the respective investment funds."

Section 20. Section 17-6-211, MCA, is amended to read:

"17-6-211. Permissible investments. (1) The following securities are permissible investments for all investment funds referred to in 17-6-203, except as indicated:

(a) any securities authorized to be pledged to secure deposits of public funds under 17-6-103;

(b) bonds, notes, debentures, equipment obligations, or any other kind of absolute obligation of any corporation organized and operating in any state of the United States or in Canada, if the obligations purchased are payable in United States dollars, or of any corporation in which the United States government is a voting shareholder by act of congress; provided that all investments under this subsection (b) must be rated by one nationally recognized rating agency among the top third of their quality categories, not applicable to defaulted bonds;

(c) commercial paper of prime quality, as defined by one nationally recognized rating agency, issued by any corporation organized and operating in any state of the United States, provided that:

(i) such securities mature in 270 days or less;

(ii) the issuing corporation or the parent company of a finance subsidiary issuing commercial paper, at the time of the last financial reporting period, had a ratio of current assets to current liabilities, including among current liabilities long-term debt maturing within 1 year, of at least 1 ½ to 1 and had received net income averaging $1 million or more annually for the preceding 5 years; and

HeinOnline -- 1983 vol. III 1624 1983

(iii) no investment may be made at any time under this subsection (c) which would cause the book value of such investments in any investment fund to exceed 10% of the book value of such fund or would cause the commercial paper of any one corporation to exceed 2% of the book value of such fund;

(d) bankers' acceptances guaranteed by any bank having its principal office in any state of the United States and having deposits in excess of $500 million;

(e) interest-bearing deposits in banks, building and loan associations, and savings and loan associations located in Montana, provided, however, that the board of investments shall require pledged securities as specified in 17-6-102 (interest on said deposits shall not be less than the prevailing rate of interest being paid on deposits of private funds);

(f) unencumbered real property, first mortgages, and participations in first mortgages on unencumbered real property, provided that:

(i) no such mortgage or mortgage participation may be purchased unless:

(A) the principal amount of the loan secured by the mortgage or mortgage participation is 80% or less of the appraised value of the property;

(B) the principal amount of the loan secured by the mortgage or mortgage participation exceeds 80% of the appraised value of the property but the amount of the loan in excess of 80%, determined at the time the loan was made, is guaranteed or insured by a mortgage insurance company which the board of investments has determined to be a qualified private insurer;

(C) 25% or more of the loan or participation therein secured is guaranteed or insured in the event of default by the United States of America or an agency thereof; or

(D) the mortgagor has leased the mortgaged property to a person, firm, or corporation whose rental payments under the lease are guaranteed for the full term of the loan or participation therein by an agency of the United States; and

(ii) no investment shall be made at any time under subsection (1)(f) which would cause the book value of such investments in any investment fund to exceed 50% of the book value of such fund.

(2) Investments from the pooled investment fund shall be restricted to fixed income securities described in subsections (1)(a) to (1)(e) above.

(3) Retirement funds and the fund provided for in 17-6-203, subsection (4) may be invested in preferred and common stocks of any corporation organized and operating in any state of the United States provided that:

(a) the corporation has assets of a value not less than $10 million;

(b) if the investment is preferred stock, the corporation's aggregate earnings available for payment of interest and preferred dividends, for a period of 5 consecutive years immediately before the date of investment,

HeinOnline -- 1983 vol. III 1625 1983

have been at least 1 ½ times the aggregate of interest and preferred dividends required to be paid during this period;

(c) no investment may be made at any time under subsection (3) which would cause the book value of such investments in any retirement fund to exceed 50% of the book value of such fund or would cause the stock of one corporation to exceed 2% of the book value of such retirement fund;

(d) subsection (c) does not apply to funds provided for in 17-6-203(4).

(4) The board of investments shall endeavor to direct *its portion of* the state's investment business to those investment firms and/or banks which maintain offices in the state and thereby make contributions to the state economy. Further, due consideration shall be given to investments which will benefit the smaller communities in the state. The state's investment business will be directed to out-of-state firms only when there is a distinct economic advantage to the state of Montana.

(5) The Montana economic development board created in [section 19] may invest the Montana in-state investment fund in any in-state investment authorized by its rules in addition to those investments authorized by this section."

Section 21. **Temporary investment limit.** Notwithstanding the percentage figure in [section 8], the investment limit for fiscal year 1984 must be calculated based on 25% of the total coal tax deposits to the permanent coal tax trust fund made in fiscal year 1983.

Section 22. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 23. **Effective date.** This act is effective on passage and approval.

Approved April 29, 1983.

CHAPTER NO. 678

AN ACT TO REVISE THE LAWS RELATING TO THE ANNEXATION OF LAND INTO A FIRE DISTRICT BY DELETING THE PROVISION FOR PROTESTS BY FREEHOLDERS WITHIN THE AREA OF THE EXISTING FIRE DISTRICT; REQUIRING APPROVAL BY THE BOARD OF TRUSTEES OF A PETITION FOR ANNEXATION TO THE FIRE DISTRICT; REQUIRING PUBLISHED NOTICE OF A HEARING ON A PETITION FOR ANNEXATION TO A FIRE DISTRICT; AMENDING SECTION 7-33-2125, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 7-33-2125, MCA, is amended to read:

"**7-33-2125. Annexation of adjacent territory not contained in a fire district.** (1) Adjacent territory that is not already a part of a fire district may be annexed in the following manner:

HeinOnline -- 1983 vol. III 1626 1983

(a) A petition in writing by the owners of 50% or more of the area of privately owned lands of the adjacent area proposed to be annexed who constitute a majority of the taxpaying freeholders within such proposed area to be annexed and whose names appear upon the last completed assessment roll *shall be presented to the board of trustees of the district for approval, and if the proposed annexation is approved by the board of trustees, the petition* shall be presented to the board of county commissioners.

(b) *At the first regular meeting of the board of county commissioners after the presentation of the petition, the* commissioners shall *set a date to* hold a hearing on such petition. *The date of the hearing may not be less than 4 weeks after the date of the presentation of the petition to the board of county commissioners. The board of county commissioners shall publish notice of the hearing at least once a week for 2 successive weeks in a newspaper published within the county.*

(2) On the date set for the hearing, the board of county commissioners shall consider the petition and any objections to the annexation. The board shall approve the annexation unless a protest petition signed by a majority of the landowners of the area proposed for annexation is presented at the hearing, in which case the annexation shall be disapproved.

(3) Such annexed territory shall become liable for any outstanding warrant and bonded indebtedness of the original district."

Approved April 29, 1983.

CHAPTER NO. 679

AN ACT PROMOTING CONSISTENCY AND CONTINUITY IN THE ADOPTION AND APPLICATION OF ENVIRONMENTAL RULES AFTER AN APPLICATION FOR AN ENVIRONMENTAL PERMIT HAS BEEN COMPLETED; AMENDING SECTION 90-1-101, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 90-1-101, MCA, is amended to read:

"90-1-101. Declaration of necessity and public policy. (1) It is hereby declared to be a necessity and the public policy of the state to promote, stimulate, and encourage the planning and development of the economy of the state in order to provide for the social and economic prosperity of its citizens. Such promotion and development of industry, commerce, agriculture, labor, and natural resources of the state require that cognizance be taken of the continuing migration of people to the urban areas in search of job opportunities and the fact that Montana is making a needed transition to a diversified economy. Community planning, greater diversification of industry and attraction of additional industry, accelerated development of natural resources, expansion of existing industry, creation of new uses for agricultural products, greater emphasis on scientific research, development of new markets for the products of the state, and

HeinOnline -- 1983 vol. III 1627 1983

the attainment of a proper balance in the overall economic base are all necessary in order to create additional employment opportunities, increase personal income, and promote the general welfare of the people of this state.

(2) The legislature recognizes that consistency and continuity in the adoption and application of environmental rules are essential to the protection and enhancement of Montana's economic well-being, that consistency and continuity are particularly important to those persons who have made a financial commitment after completing an application for an environmental permit based on the existence of certain environmental rules, and that those persons are entitled to a reasonable expectation that requirements in such a permit will not be changed to their detriment. Therefore, when a person makes a financial commitment after having completed an application for an environmental permit, it is the policy of the state not to change the requirements for such permit to the detriment of the applicant or permittee without having first taken into account and given consideration to previous expenditures made by the applicant or permittee.

(3) The department of commerce shall be regarded as performing a governmental function in carrying out the provisions of *90-1-102 through 90-1-109.*"

Approved April 29, 1983.

CHAPTER NO. 680

AN ACT TO INCREASE LICENSE FEES FOR ACTIVITIES REGULATED BY THE DEPARTMENT OF FISH, WILDLIFE, AND PARKS; TO ESTABLISH A CLASS A-7 ANTLERLESS ELK LICENSE; AMENDING SECTIONS 87-2-301, 87-2-304, 87-2-501, 87-2-505, 87-2-507, 87-2-508, 87-2-601, AND 87-2-701, MCA; AND PROVIDING EFFECTIVE DATES.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 87-2-301, MCA, is amended to read:

"**87-2-301. Class A—resident fishing license.** Any resident, as defined by 87-2-102, upon payment of a fee of *$8*, shall receive a Class A license which shall entitle the holder thereof to fish with hook and line or rod as authorized by regulations of the department."

Section 2. Section 87-2-304, MCA, is amended to read:

"**87-2-304. Class B-4—two-day nonresident fishing license.** Any person not a resident, as defined in 87-2-102, who is a holder of a valid wildlife conservation license, upon payment of the sum of *$6* to any agent of the department authorized to issue fishing and hunting licenses, shall be entitled to a 2-day nonresident fishing license which shall authorize the holder to fish with hook and line as prescribed by rules and regulations of the department for 2 calendar days as indicated on the license."

HeinOnline -- 1983 vol. III 1628 1983

Section 3. Section 87-2-501, MCA, is amended to read:

"87-2-501. Class A-3, A-4, A-5, A-6, A-7—resident deer, elk, and bear licenses. *(1)* Except as otherwise provided in this chapter, a resident, as defined by 87-2-102, who will be 12 years of age or older prior to September 15 of the season for which the license is issued may, upon payment of the proper fee or fees, be entitled to purchase one each of the following licenses which will entitle the holder to pursue, hunt, shoot, and kill the game animal or animals authorized by the license held and to possess the carcasses of those game animals as authorized by department rules:

(a) Class A-3, deer A tag, *$9*;

(b) Class A-4, deer B tag, *$6*;

(c) Class A-5, elk tag, *$10*;

(d) Class A-6, black or brown bear tag, $8;

(e) Class A-7, antlerless elk tag, $8.

(2) The holder of a Class A-7 antlerless elk license is entitled to take surplus antlerless elk in areas designated by the commission and at such times during the regular big game season as set forth by the commission. However, no person may take more than one elk during any license year, and a person taking an antlerless elk as provided in this subsection may not take another elk during the same license year with a Class A-5 elk tag."

Section 4. Section 87-2-505, MCA, is amended to read:

"87-2-505. Class B-10—nonresident big game combination license. Except as otherwise provided in this chapter, a person not a resident, as defined in 87-2-102, but who will be 12 years of age or older prior to September 15 of the season for which the license is issued may, upon payment of the fee of *$300* and subject to the limitations prescribed by law and department regulation, apply to the fish and game office, Helena, Montana, to purchase a B-10 nonresident big game combination license which shall entitle the holder to all the privileges of Class B, Class B-1, Class B-7, and black bear licenses, and an elk tag. This license includes the nonresident conservation license as prescribed in 87-2-202. Not more than 17,000 Class B-10 licenses may be sold in any one license year."

Section 5. Section 87-2-507, MCA, is amended to read:

"87-2-507. Class D-1—nonresident mountain lion license. Except as otherwise provided in this chapter, a person not a resident, as defined in 87-2-102, but who is 12 years of age or older, upon payment of a fee of *$300* may receive a Class D-1 license which shall entitle the holder thereof to pursue, hunt, shoot, and kill mountain lion and possess the carcass thereof as authorized by department rules. *If a holder of a valid mountain lion license under this section kills a mountain lion, he must purchase a trophy license for a fee of $50 within 10 days after the date of kill. The trophy license authorizes the holder to possess and transport such trophy."*

HeinOnline -- 1983 vol. III 1629 1983

Section 6. Section 87-2-508, MCA, is amended to read:

"87-2-508. Class D-2—resident mountain lion license. Except as otherwise provided in this chapter, a person who is a resident, as defined in 87-2-102, and who is 12 years of age or older, upon payment of a fee of *$10* may receive a Class D-2 license which shall entitle the holder thereof to pursue, hunt, shoot, and kill mountain lion and possess the carcass thereof as authorized by department rules. *If a holder of a valid mountain lion license under this section kills a mountain lion, he must purchase a trophy license for a fee of $50 within 10 days after the date of kill. The trophy license authorizes the holder to possess and transport such trophy.*"

Section 7. Section 87-2-601, MCA, is amended to read:

"87-2-601. Class C—trapper's license. Except as otherwise provided in this chapter, a resident, as defined in 87-2-102, upon making application and payment of a fee of *$20* to the department, may receive a Class C license which shall authorize the holder thereof to trap fur-bearing animals and hunt bobcat, wolverine, and Canada lynx within the state of Montana at such times and in such manner as may be lawful so to do under the laws of the state and the regulations of the department and at such places as may be designated in said license."

Section 8. Section 87-2-701, MCA, is amended to read:

"87-2-701. Special licenses. (1) Any applicant who will be 12 years of age or older prior to September 15 of the season for which the license is issued and is the holder of a resident wildlife conservation license or a nonresident wildlife conservation license may apply for a special license which, in the judgment of the department, is to be issued and shall pay the following fees therefor:

(a) moose—resident, *$50*; nonresident, *$300*;

(b) mountain goat—resident, *$50*; nonresident, *$300*;

(c) mountain sheep—resident, *$50*; nonresident, *$300*;

(d) antelope—resident, *$6*; nonresident, $100;

(e) grizzly bear—resident, *$50*; nonresident, *$300*;

(f) black or brown bear—nonresident, $100.

(2) In the event a holder of a valid special grizzly bear license kills a grizzly bear, he must purchase a trophy license for a fee of $25 within 10 days after date of kill. Such trophy license shall authorize the holder to possess and transport said trophy.

(3) Special licenses shall be issued in a manner prescribed by the department."

Section 9. **Effective dates.** (1) Sections 1, 2, and 4 through 8 are effective March 1, 1984.

(2) Section 3 is effective as follows:

HeinOnline -- 1983 vol. III 1630 1983

(a) The amendment raising the fees for the Class A-3, deer A tag and Class A-5, elk tag is effective May 1, 1983.

(b) The amendment raising the fee for the Class A-4, deer B tag and creating the Class A-7 antlerless elk tag is effective March 1, 1984.

Approved April 29, 1983.

CHAPTER NO. 681

AN ACT TO ESTABLISH THE 55-MILE-AN-HOUR SPEED LIMIT BY LEGISLATIVE ENACTMENT; CLARIFYING THAT A VIOLATION IS NOT A MISDEMEANOR; AMENDING SECTIONS 61-8-304, 61-8-305, AND 61-8-718, MCA; REPEALING CHAPTER 122, LAWS OF 1977; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-8-304, MCA, is amended to read:

"61-8-304. Fuel conservation speed limit — exception to the basic rule. *(1) In order to insure conservation of a resource, the speed limit for vehicles traveling on a public highway of this state is 55 miles an hour, except as provided under 61-8-309.*

(2) A speed limit imposed pursuant to this section is an exception to the requirements of 61-8-303 and 61-8-312, and a speed in excess of the speed limit established pursuant to this section is unlawful notwithstanding any provision of 61-8-303 and 61-8-312."

Section 2. Section 61-8-305, MCA, is amended to read:

"61-8-305. Applicability of conservation speed limit. (1) The provisions of 61-8-304 shall not apply to those public streets and highways for which a speed limit lower than that required by federal law was applicable on March 2, 1974, under any other state, county, municipal, or other local law, ordinance, regulation, or order.

(2) *The fuel conservation speed limit imposed by [this act] shall remain in effect only as long as the establishment of that* speed limit *by the state* is required by federal law as a condition to the state's continuing eligibility to receive funds authorized by the Federal-Aid *Highways Amendments of 1974* and all acts amendatory thereto or any other federal statute."

Section 3. Section 61-8-718, MCA, is amended to read:

"61-8-718. Penalty for violation of fuel conservation speed limit. (1) A person violating the speed limit imposed pursuant to 61-8-304 is guilty of the offense of unnecessary waste of a resource and upon conviction shall be fined $5, and no jail sentence may be imposed. Bond for this offense shall be $5.

HeinOnline -- 1983 vol. III 1631 1983

(2) For the purpose of this section only, the fees of the justice's court shall be the balance of the fine not otherwise allocated by law and shall be remitted as set forth in 3-10-603(3).

(3) A violation of 61-8-304 is not a misdemeanor pursuant to 45-2-101, 61-8-104, or 61-8-711."

Section 4. **Repealer.** Chapter 122, Laws of 1977, is repealed.

Section 5. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 6. **Effective date.** This act is effective on passage and approval.

Approved April 29, 1983.

CHAPTER NO. 682

AN ACT TO ALLOW THE OPTIONS OF ASSESSING STREET LIGHTING DISTRICT COSTS ACCORDING TO THE TAXABLE VALUATION OF THE PROPERTY; PROVIDING THAT PROTEST BE WEIGHTED ACCORDING TO THE AMOUNT TO BE ASSESSED AGAINST THE PROPERTY; AMENDING SECTIONS 7-12-4305 AND 7-12-4323, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 7-12-4323, MCA, is amended to read:

"**7-12-4323. Assessment of costs — area or taxable valuation option.** (1) The city council *may* assess the entire cost of such improvement against the entire district, each lot or parcel of land within such district to be assessed for that part of the whole cost which its:

(a) area bears to the area of the entire district, exclusive of streets, avenues, alleys, and public places; *or*

(b) taxable valuation, including improvements, bears to the taxable valuation of the entire district.

(2) The council, in its discretion, shall have the power to pay the whole or any part of the cost of any street, avenue, or alley intersection out of any funds in its hands available for that purpose or to include the whole or any part of such costs within the amount of the assessment to be paid by the property in the district.

(3) In order to apportion the cost of any of the improvements provided in this part between the corner lot and the inside lots of any block, the council may, in the resolution creating any district, provide that whenever any of the improvements provided in this part shall be along any side

HeinOnline -- 1983 vol. III 1632 1983

street or bordering or abutting upon the side of any corner lot of any block, the amount of the assessment against the property in such district to defray the cost of such improvements shall be so assessed that each square foot of the land embraced within any such corner lot shall bear double the amount of the cost of such improvement that a square foot of any inside lot shall bear."

Section 2. Section 7-12-4305, MCA, is amended to read:

"7-12-4305. Consideration of protest. (1) At the next regular meeting of the city council after the expiration of the time within which said protests may be made, the city council shall proceed to hear and pass upon all protests so made, and its decision shall be final and conclusive. When the protest is against the proposed work and the cost thereof is to be assessed upon property embraced within the boundaries of the district and if the city council finds that such protest is made by the owners of a majority of the property embraced within the district to be assessed for the proposed work, no further proceedings shall be taken for a period of 6 months from the date when said protest was received by the city clerk of said city council.

(2) In determining the sufficiency of protest, each protest shall be weighted in proportion to the amount of the assessment to be levied against the lot or parcel with respect to which it is made.

(3) In determining whether or not sufficient protest has been filed in a proposed district to prevent further proceedings therein, property owned by a county, city, or town shall be considered the same as other property in the district.

(4) The city council may adjourn said hearing from time to time."

Section 3. **Effective date.** This act is effective on passage and approval.

Approved April 29, 1983.

CHAPTER NO. 683

AN ACT CLARIFYING ADMINISTRATION AND REPORTING REQUIREMENTS RELATED TO THE PRIVILEGE TAX FOR POSSESSION OR BENEFICIAL USE BY A PRIVATE INDIVIDUAL, ASSOCIATION, OR CORPORATION OF PROPERTY WHICH FOR ANY REASON IS EXEMPT FROM TAXATION; PROVIDING EXEMPTIONS; AMENDING SECTIONS 15-23-101 AND 15-24-1203, MCA; AND PROVIDING A SEVERABILITY CLAUSE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Reporting requirements — rules.** (1) Each private person who is a possessor or a beneficial user of tax-exempt property subject to tax pursuant to 15-24-1203 must, on or before March 1 each year, file

HeinOnline -- 1983 vol. III 1633 1983

with the department of revenue a statement of the possession or other beneficial use of tax-exempt property in the preceding calendar year and the value thereof. The statement must be in the form prescribed by the department and must be verified by the possessor or beneficial user or, in the case of an association or corporation, by an officer of the association or corporation. The statement must include:

(a) the name and address of the person, association, or corporation;

(b) the location of the tax-exempt property; and

(c) the market value in dollars and cents of the tax-exempt property.

(2) The department may adopt any reasonable rules necessary to insure that the possessor or other beneficial user of tax-exempt property complies with the provisions of this part.

Section 2. **Centrally assessed tax-exempt property.** The possession or beneficial use of tax-exempt property that exists in more than one county or more than one state must be administered under the provisions of this chapter.

Section 3. Section 15-24-1203, MCA, is amended to read:

"15-24-1203. Privilege tax on gainful use of tax-exempt property — exceptions. After March 17, 1969, there is imposed and shall be collected a tax upon the possession or other beneficial use enjoyed by any private individual, association, or corporation of any property, real or personal, which for any reason is exempt from taxation. No tax may be imposed upon the possession or other beneficial use of buildings owned by public entities and located upon public airports. However, privately owned buildings located on such airport property are subject to tax. No tax shall be imposed upon the possession or other beneficial use of public lands occupied under the terms of mineral, timber, or grazing leases or permits issued by the United States or the state of Montana or upon any easement unless the lease, permit, or easement entitles the lessee or permittee to exclusive possession of the premises to which the lease, permit, or easement relates. *The tax shall be imposed upon the possession or other beneficial use of an electric transmission line and associated facilities, except that lines and facilities of a design capacity of less than 500 kilovolts shall not be subject to the tax.*"

Section 4. Section 15-23-101, MCA, is amended to read:

"15-23-101. Properties centrally assessed. The department of revenue shall centrally assess each year:

(1) the franchise, roadway, roadbeds, rails, rolling stock, and all other operating property of railroads operating in more than one county in the state or more than one state;

(2) property owned by a corporation or other person operating a single and continuous property operated in more than one county or more than one state, including telegraph, telephone, microwave, electric power or transmission lines; natural gas or oil pipelines; canals, ditches, flumes, or like properties;

HeinOnline -- 1983 vol. III 1634 1983

(3) all property of scheduled airlines;

(4) the net proceeds of mines and of oil and gas wells; and

(5) the gross proceeds of coal mines; *and*

(6) property described in subsections (1) and (2) and which is subject to the provisions of Title 15, chapter 24, part 12."

Section 5. **Codification instruction.** (1) Section 1 is intended to be codified as an integral part of Title 15, chapter 24, part 12, and the provisions of Title 15, chapter 24, part 12, apply to section 1.

(2) Section 2 is intended to be codified as an integral part of Title 15, chapter 23, and the provisions of Title 15, chapter 23, apply to section 2.

Section 6. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 7. **Applicability.** This act is applicable to taxable periods beginning after December 31, 1983.

Approved April 29, 1983.

CHAPTER NO. 684

AN ACT PROVIDING FOR JOB SHARING IN STATE PERSONNEL POSITIONS; DEFINING "JOB SHARING"; ENCOURAGING THE USE OF JOB SHARING TO INCREASE PRODUCTIVITY AND EMPLOYMENT OPPORTUNITIES; AND REQUIRING A REPORT ON IMPLEMENTATION OF JOB SHARING TO THE 49TH LEGISLATURE; AMENDING SECTIONS 2-18-101 AND 2-18-102, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-18-101, MCA, is amended to read:

"**2-18-101. Definitions.** As used in parts 1 through 3 and part 10 of this chapter, the following definitions apply:

(1) "Agency" means a department, board, commission, office, bureau, institution, or unit of state government recognized in the state budget.

(2) "Board" means the board of personnel appeals established in 2-15-1705.

(3) "Class" means one or more positions substantially similar with respect to the kind or nature of duties performed, responsibility assumed, and level of difficulty so that the same descriptive title may be used to designate each position allocated to the class, similar qualifications may be required of persons appointed to the positions in the class, and the same pay rate or pay grade may be applied with equity.

HeinOnline -- 1983 vol. III 1635 1983

(4) "Class specification" means a written descriptive statement of the duties and responsibilities characteristic of a class of positions and includes the education, experience, knowledge, skills, abilities, and qualifications necessary to perform the work of the class.

(5) "Compensation" means the annual or hourly wage or salary and includes the state contribution to group benefits under provisions of 2-18-703.

(6) "Department" means the department of administration created in 2-15-1001.

(7) Except in 2-18-306, "employee" means any state employee other than an employee excepted under 2-18-103 or 2-18-104 from the statewide classification system.

(8) "Grade" means the number assigned to a pay range within a pay schedule in part 3 of this chapter.

(9) "Job sharing" means the sharing by two or more persons of a position that is considered an aggregate or permanent position.

(10) "Permanent position" means a position so designated on the appropriate agency list of authorized positions referenced in 2-18-206 and approved as such in the biennium budget.

(11) "Permanent status" means the state an employee attains after satisfactorily completing an appropriate probationary period in a permanent position.

(12) "Personal staff" means those positions occupied by employees appointed by the elected officials enumerated in Article VI, section 1, of the Montana constitution or by the public service commission as a whole.

(13) "Position" means a collection of duties and responsibilities currently assigned or delegated by competent authority, requiring the full-time, part-time, or intermittent employment of one person.

(14) "Program" means a combination of planned efforts to provide a service.

(15) "Seasonal position" means a position so designated on the appropriate agency list of authorized positions referenced in 2-18-206 and which is a permanent position but which is interrupted by the seasonal nature of the position.

(16) "Temporary position" means a position so designated on the appropriate agency list of authorized positions referenced in 2-18-206, created for a definite period of time not to exceed 9 months."

Section 2. Section 2-18-102, MCA, is amended to read:

"2-18-102. Personnel administration — general policy setting. (1) Except as otherwise provided by law or collective bargaining agreement, the department shall:

(a) encourage and exercise leadership in the development of effective personnel administration within the several agencies in the state and make available the facilities of the department to this end;

HeinOnline -- 1983 vol. III 1636 1983

(b) foster and develop programs for recruitment and selection of capable persons for permanent, seasonal, temporary, and other types of positions and for the improvement of employee effectiveness, including training, safety, health, counseling, welfare, discipline, grievances, and evaluation for productivity and retention in permanent status;

(c) foster, develop, and promote job sharing in agencies;

(d) investigate from time to time the operation and effect of parts 1 and 2 of this chapter and the policies made thereunder and report the findings and recommendations to the governor;

(e) establish policies, procedures, and forms for the maintenance of records of all employees in the state service;

(f) apply and carry out parts 1 and 2 and the policies thereunder and perform any other lawful acts which may be necessary or desirable to carry out the purposes and provisions of parts 1 and 2.

(2) The department may delegate authority granted to it under parts 1 and 2 to agencies in the state service that effectively demonstrate the ability to carry out the provisions of parts 1 and 2, provided that such agencies remain in compliance with policies, procedures, time tables, and standards established by the department.

(3) The department shall develop and issue personnel policies for the state. Adequate public notice shall be given to all interested parties of proposed changes or additions to the personnel policies before the date they are to take effect. If requested by any of the affected parties, the department shall schedule a public hearing on proposed changes or additions to the personnel policies before the date they are to take effect."

Section 3. **Job sharing positions — benefits.** (1) Job sharing may be used, to the extent practicable, by each agency as a means of promoting increased productivity and employment opportunities. However, job sharing may be actively pursued to fill vacated or new positions and may not be actively pursued to replace current full-time employees. However, on request of a current employee his position may be considered for job sharing. A position may be filled by more than one incumbent currently in a full-time position.

(2) Employee holiday pay, annual leave, sick leave, and health benefits for a full-time equivalent position filled by job sharing must be divided on a pro rata basis between the persons filling such position.

(3) Employees classified in a part-time status may not be reclassified to a job sharing status while employed in the position classified as part-time.

Section 4. **Legislative intent — report.** The legislature intends that the state permit job sharing in certain positions when it is done to maintain or increase efficiency in such positions and actively promote the hiring of new employees or the filling of vacant positions by using job sharing. The legislature does not intend that the state actively promote replacement of current full-time employees with job sharing employees. The legislative fiscal analyst shall report to the 49th legislature on the success of agencies in implementing this intent.

HeinOnline -- 1983 vol. III 1637 1983

Section 5. **Codification instruction.** Section 3 is intended to be codified as an integral part of Title 2, chapter 18, part 1, and the provisions of Title 2, chapter 18, part 1, apply to section 3.

Approved April 29, 1983.

CHAPTER NO. 685

AN ACT REESTABLISHING THE BOARD OF AERONAUTICS UNDER EXISTING STATUTORY AUTHORITY AND RULES AND CHANGING THE QUALIFICATIONS FOR MEMBERSHIP ON THE BOARD; REQUIRING THE BOARD TO APPROVE AIRPORT GRANTS AND LOANS; AMENDING SECTIONS 2-8-103 AND 2-15-1812, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Reestablishment.** The board of aeronautics, created pursuant to 2-15-1812, is reestablished with its existing statutory authority and rules for 6 years, pursuant to 2-8-122.

Section 2. Section 2-8-103, MCA, is amended to read:

"2-8-103. Agencies to terminate. (1) The following agencies shall terminate on July 1, 1979:

(a) board of abstracters, department of professional and occupational licensing, created by 2-15-1643;

(b) board of real estate, department of professional and occupational licensing, created by 2-15-1642;

(c) state board of warm air heating, ventilation, and air conditioning, department of professional and occupational licensing, created by 2-15-1656;

(d) board of institutions, department of institutions, created by 2-15-2303.

(2) The following agencies shall terminate on July 1, 1981:

(a) board of athletics, department of professional and occupational licensing, created by 2-15-1661;

(b) board of massage therapists, department of professional and occupational licensing, created by 2-15-1627;

(c) board of osteopathic physicians, department of professional and occupational licensing, created by 2-15-1607;

(d) board of podiatry examiners, department of professional and occupational licensing, created by 2-15-1608.

(3) The following units of state government shall terminate on July 1, 1983:

HeinOnline -- 1983 vol. III 1638 1983

(a) state board of hail insurance, department of agriculture, created by 2-15-3003;

(b) board of horseracing, department of commerce, created by 2-15-1881;

(c) board of livestock, department of livestock, created by 2-15-3102;

(d) board of milk control, department of commerce, created by 2-15-1802;

(e) board of oil and gas conservation, department of natural resources and conservation, created by 2-15-3303;

(f) Montana outfitters' council, department of fish, wildlife, and parks, created by 2-15-3403;

(g) public service commission, department of public service regulation, created by 69-1-102;

(h) board of water and wastewater operators, department of health and environmental sciences, created by 2-15-2105;

(i) board of water well contractors, department of commerce, created by 2-15-1862.

(4) The following agencies terminate on July 1, 1985:

(a) the board of public accountants, department of commerce, created by 2-15-1866;

(b) the board of architects, department of commerce, created by 2-15-1871;

(c) state banking board, department of commerce, created by 2-15-1803;

(d) the state electrical board, department of commerce, created by 2-15-1874;

(e) the board of professional engineers and land surveyors, department of commerce, created by 2-15-1873;

(f) office of commissioner of insurance and the insurance department, state auditor's office, created by 2-15-1902 and 2-15-1903;

(g) office of the securities commissioner, state auditor's office, created by 2-15-1901;

(h) the board of landscape architects, department of commerce, created by 2-15-1872;

(i) the board of county printing, department of commerce, created by 2-15-1811;

(j) the board of plumbers, department of commerce, created by 2-15-1875;

(k) board of physical therapy examiners, department of commerce, created by 2-15-1858.

HeinOnline -- 1983 vol. III 1639 1983

(5) The following agencies terminate on July 1, 1987:

(a) commission for human rights, department of labor and industry, created by 2-15-1706;

(b) Montana state board of medical examiners, department of commerce, created by 2-15-1841;

(c) board of dentistry, department of commerce, created by 2-15-1842;

(d) board of pharmacists, department of commerce, created by 2-15-1843;

(e) board of nursing, department of commerce, created by 2-15-1844;

(f) board of nursing home administrators, department of commerce, created by 2-15-1845;

(g) board of optometrists, department of commerce, created by 2-15-1846;

(h) board of chiropractors, department of commerce, created by 2-15-1847;

(i) board of radiologic technologists, department of commerce, created by 2-15-1848;

(j) board of speech pathologists and audiologists, department of commerce, created by 2-15-1849;

(k) board of hearing aid dispensers, department of commerce, created by 2-15-1850;

(l) board of psychologists, department of commerce, created by 2-15-1851;

(m) board of veterinarians, department of commerce, created by 2-15-1852;

(n) board of morticians, department of commerce, created by 2-15-1853;

(o) board of barbers, department of commerce, created by 2-15-1856;

(p) board of cosmetologists, department of commerce, created by 2-15-1857;

(q) board of sanitarians, department of commerce, created by 2-15-1861;

(r) board of veterans' affairs, department of social and rehabilitation services, created by 2-15-2202.

(6) The following agency terminates on July 1, 1989: board of aeronautics, department of commerce, created by 2-15-1812."

Section 3. Section 2-15-1812, MCA, is amended to read:

"2-15-1812. Board of aeronautics — qualification — allocation — quasi-judicial. (1) There is a board of aeronautics.

HeinOnline -- 1983 vol. III 1640 1983

(2) The board consists of *nine* members. The members are:

(a) one member of the Montana pilots' association;

(b) one member of the Montana chamber of commerce;

(c) *one representative of the Montana airport management association*;

(d) one member of the *Montana* county commissioners association;

(e) one person actively engaged in aviation education in this state;

(f) one person representative of interstate commercial airline operators, who must at the time of appointment be an employee or official of an interstate commercial airline operator and a resident of this state;

(g) one member of the Montana league of cities and towns;

(h) one person representing the general public; and

(i) one person who must at the time of appointment be an active *fixed* base operator in this state, or an official of a *fixed* base operator in this state, of flying services or flying schools.

(3) The board is allocated to the department for administrative purposes only as prescribed in 2-15-121.

(4) The board is designated as a quasi-judicial board for purposes of 2-15-124."

Section 4. **Airport grants and loans.** Any airport grant or loan that the department may be authorized to issue may be issued only after review and approval of the grant or loan request by the board.

Section 5. **Codification instruction.** Section 4 is intended to be codified as an integral part of Title 67, chapter 1, part 3, and the provisions of Title 67, chapter 1, apply to section 4.

Section 6. **Effective date.** This act is effective on passage and approval.

Approved April 29, 1983.

CHAPTER NO. 686

AN ACT CREATING AN ECONOMIC DEVELOPMENT BOARD; CREATING AN ECONOMIC DEVELOPMENT GUARANTY FUND; PROVIDING FOR THE ISSUANCE OF BONDS TO FINANCE PROJECTS; DESIGNATING TYPES OF PROJECTS TO BE FUNDED; CREATING ACCOUNTS NECESSARY FOR CARRYING OUT THE PROGRAM; AND PROVIDING RULEMAKING AUTHORITY; AMENDING SECTION 90-6-104, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** As used in [sections 1 through 26], unless the context requires otherwise, the following definitions apply:

(1) "Board" means the Montana economic development board created in [section 27].

HeinOnline -- 1983 vol. III 1641 1983

(2) "Bond" means any bond, note, debenture, interim certificate, or other evidence of financial indebtedness issued by the board pursuant to [sections 1 through 26].

(3) "Department" means the department of commerce provided for in 2-15-1801.

(4) "Financial institution" means any bank, savings and loan association, credit union, development credit corporation, insurance company, investment company, trust company, savings institution, or other financial institution approved by the board and maintaining an office in the state.

(5) "Local government" means the city in which the project is located, if the project is located within an incorporated municipality, or the county if the project is located within the county but outside the boundaries of an incorporated municipality.

(6) "Major project" means a project whose cost or appraised value exceeds $800,000.

(7) "Project" means a project as defined in 90-5-101.

(8) "Project costs" means the costs of acquiring or improving any project, including the following:

(a) the actual cost of acquiring or improving real estate for any project;

(b) the actual cost of construction of all or any part of a project, including architects' and engineers' fees;

(c) all expenses in connection with the authorization, sale, and issuance of the bonds to finance such acquisition or improvement;

(d) bond reserves and premiums for insurance or guaranty of loan payments or lease rentals pledged to pay the bonds; and

(e) the interest on such bonds for a reasonable time prior to construction, during construction, and not exceeding 6 months after completion of construction.

Section 2. **Powers of the board.** The board may:

(1) sue and be sued;

(2) have a seal;

(3) adopt all procedural and substantive rules necessary for the administration of [sections 1 through 26];

(4) make contracts, agreements, and other instruments necessary or convenient for the exercise of its powers under [sections 1 through 26];

(5) invest any funds not required for immediate use, as the board considers appropriate, subject to any agreements with its bondholders and noteholders;

(6) arrange for lines of credit from and enter into participation agreements with any financial institution;

HeinOnline -- 1983 vol. III 1642 1983

(7) issue bonds for the purpose of defraying the cost of acquiring or improving any project or projects and securing the payment of the bonds as provided in [sections 1 through 26];

(8) enter into agreements or other transactions with and accept grants and the cooperation of any governmental agency in furtherance of [sections 1 through 26];

(9) sell, purchase, or insure loans to finance the costs of projects;

(10) accept services, appropriations, gifts, grants, bequests, and devises and utilize or dispose of them in carrying out [sections 1 through 26];

(11) enter into agreements or other transactions with a federal agency, an agency or instrumentality of the state, a municipality, a private organization, or any other entity or organization in carrying out [sections 1 through 26];

(12) with regard to property:

(a) acquire real or personal property or any right, interest, or easement therein by gift, purchase, transfer, foreclosure, lease, or otherwise;

(b) hold, sell, assign, lease, encumber, mortgage, or otherwise dispose of such property;

(c) hold, sell, assign, or otherwise dispose of any lease, mortgage, or loan owned by it or in its control or custody;

(d) release or relinquish any right, title, claim, interest, easement, or demand, however acquired, including any equity or right of redemption;

(e) make any disposition by public or private sale, with or without public bidding;

(f) commence any action to protect or enforce any right conferred upon it by any law, mortgage, contract, or other agreement;

(g) bid for and purchase property at any foreclosure or other sale or acquire or take possession of it in lieu of foreclosure;

(h) operate, manage, lease, dispose of, and otherwise deal with such property in any manner necessary or desirable to protect its interests or the holders of its bonds or notes, provided such action is consistent with any agreement with such holders;

(13) service, contract, and pay for the servicing of loans;

(14) provide financial analysis and technical assistance where considered appropriate;

(15) consent, whenever it considers necessary or desirable in fulfilling its purposes, to the modification of the rate of interest, time, and payment of any installment of principal, interest, security, or any other term of any contract, lease agreement, loan agreement, mortgage, mortgage loan, mortgage loan commitment, construction loan, advance contract, or agreement of any kind, subject to any agreement with bondholders and noteholders;

HeinOnline -- 1983 vol. III 1643 1983

(16) collect reasonable interest, fees, and charges in connection with making and servicing its lease agreements, loan agreements, mortgage loans, notes, bonds, commitments, and other evidences of indebtedness. Interest, fees, and charges are limited to the amounts required to pay the costs of the board, including operating and administrative expenses and reasonable allowances for losses that may be incurred.

(17) procure insurance or guaranties in amounts and in the form the board considers desirable or necessary, from any party, including a governmental agency, against any loss in connection with its lease agreements, loan agreements, mortgage loans, and other assets or property; and

(18) perform any other acts necessary and convenient to carry out the purposes of the board and [sections 1 through 26].

Section 3. **Financing programs of the board.** (1) The board may:

(a) invest in, purchase or make commitments to purchase, and take assignment from financial institutions of notes, mortgages, loan agreements, and other securities evidencing loans for the acquisition, construction, reconstruction, or improvement of projects located in the state, under terms and conditions determined by the board;

(b) acquire, by construction, purchase, devise, gift, lease, or any combination of methods, from financial institutions, projects located in the state and lease such projects to others for such rentals and upon such terms and conditions as determined by the board; or

(c) make loans to financial institutions, under terms and conditions determined by the board, requiring the proceeds to be used by the financial institution for the purpose of financing the acquisition, construction, reconstruction, or improvement of projects located in the state.

(2) The board may not operate any project as a business or in any other manner except as the lessor thereof or as may be necessary for a temporary period through the enforcement of its rights under a lease, loan agreement, or other security agreement.

Section 4. **Bonds and notes for major projects.** (1) The board may by resolution issue negotiable notes and bonds in a principal amount as the board determines necessary to provide sufficient funds for achieving any of its purposes, including the payment of interest on notes and bonds of the board, establishment of reserves to secure the notes and bonds, including the reserve funds created under [section 13], and all other expenditures of the board incident to and necessary or convenient to carry out [sections 1 through 26].

(2) The board may by resolution, from time to time, issue notes to renew notes and bonds or to pay notes, including interest, and whenever it considers refunding expedient, refund any bonds by the issuance of new bonds, whether or not the bonds to be refunded have matured, or issue bonds partly to refund bonds outstanding and partly for any of its other purposes.

(3) Except as otherwise expressly provided by resolution of the board, every issue of its bonds is an obligation of the board payable out of any

HeinOnline -- 1983 vol. III 1644 1983

revenue, assets, or money of the board, subject only to agreements with the holders of particular notes or bonds pledging particular revenues, assets, or money.

(4) The notes and bonds shall be authorized by resolutions of the board, bear a date, and mature at the times the resolutions provide. A note may not mature more than 5 years from the date of its issue. A bond may not mature more than 40 years from the date of its issue. The bonds may be issued as serial bonds payable in annual installments, as term bonds, or as a combination thereof. The notes and bonds shall bear interest at a stated rate or rates or at a rate or rate determination as stated, be in denominations, be in a form, either coupon or registered, carry registration privileges, be executed in a manner, be payable in a medium of payment, at places inside or outside the state, and be subject to terms of redemption as provided in resolutions. The notes and bonds of the board may be sold at public or private sale, at prices above or below par, as determined by the board, and in a manner such that interest on the bonds is either exempt from or subject to federal income tax.

(5) The bonds issued under [sections 1 through 26] are exempt from the Montana Securities Act, but copies of all prospectus and disclosure documents must be deposited with the state securities commissioner for public inspection.

(6) The total amount of bonds outstanding at any one time for major projects, except bonds as to which the board's obligations have been satisfied and discharged by refunding or bonds for which reserves for payment or other means of payment have been provided, may not exceed $50 million.

Section 5. **Bond anticipation notes — issuance — payment of principal and interest.** (1) The board may, pending the issuance of bonds, issue temporary notes in anticipation of the proceeds to be derived from the sale of the bonds. The notes shall be designated as "bond anticipation notes". The proceeds of the sale of the bond anticipation notes must be used only for the purpose for which the proceeds of the bonds could be used, including costs of issuance. If, prior to the issuance of the bonds, it becomes necessary to redeem outstanding notes, additional bond anticipation notes may be issued to redeem the outstanding notes. No renewal of any note may be issued after the sale of bonds in anticipation of which the original notes were issued.

(2) Bond anticipation notes or other short-term evidences of indebtedness maturing not more than 3 years after the date of issue may be issued from time to time as the proceeds thereof are needed. The notes must be authorized by the board and must have such terms and details as may be provided by resolution of the board. However, each resolution of the board authorizing notes must:

(a) describe the need for the proceeds of the notes to be issued; and

(b) specify the principal amount of the notes or maximum principal amount of the notes which may be outstanding at any one time, the rate or rates of interest or maximum rate of interest or interest rate formula

HeinOnline -- 1983 vol. III 1645 1983

(to be determined in the manner specified in the resolution authorizing the notes to be incurred through the issuance of such notes), and the maturity date or maximum maturity date of the notes.

(3) Subject to the limitations contained in this section and the standards and limitations prescribed in the authorizing resolution, the board in its discretion may provide for the notes described in subsection (2) to be issued and sold, in whole or in part, from time to time. The board may delegate to the administrator of the board the power to determine the time or times of sale, the manner of sale, the amounts, the maturities, the rate or rates of interest, and such other terms and details of the notes as considered appropriate by the board or the administrator in the event of such delegation. The board in its discretion but subject to the limitations contained in this section may also provide in the resolution authorizing the issuance of notes for:

(a) the employment of one or more persons or firms to assist the board in the sale of the notes;

(b) the appointment of one or more banks or trust companies, either inside or outside the state of Montana, as depository for safekeeping and as agent for the delivery and payment of the notes;

(c) the refunding of the notes from time to time, without further action by the board, unless and until the board revokes such authority to refund; and

(d) such other terms and conditions as the board considers appropriate.

(4) In connection with the issuance and sale of notes as provided in this section, the board may arrange for lines of credit with any bank, firm, or person for the purpose of providing an additional source of repayment for notes issued pursuant to this section. Amounts drawn on such lines of credit may be evidenced by negotiable or nonnegotiable notes or other evidences of indebtedness, containing such terms and conditions as the board may authorize in the resolution approving the same.

Section 6. **Provisions of bond resolutions.** A resolution authorizing notes or bonds or any issue thereof may contain provisions, which must be a part of the contract or contracts with the holders thereof, as to:

(1) pledging all or any part of the revenue or property of the board to secure the payment of the notes or bonds or of any issue thereof, subject to existing agreements with noteholders or bondholders;

(2) pledging all or any part of the assets of the board, including lease agreements, loan agreements, mortgages, and obligations securing them, to secure the payment of the notes or bonds or of any issue thereof, subject to existing agreements with noteholders or bondholders;

(3) the use and disposition of the gross income from lease agreements, loan agreements, and mortgages owned by the board, and the payment of the principal of mortgages owned by the board;

(4) the setting aside of reserves for sinking funds in the hands of trustees, paying agents, and other depositories and the regulation and disposition thereof;

HeinOnline -- 1983 vol. III 1646 1983

(5) limitations on the purpose for which the proceeds of the sale of notes or bonds may be applied and the pledge of the proceeds to secure the payment of the bonds or of any issue thereof;

(6) limitations on the issuance of additional notes or bonds, the terms upon which additional notes or bonds may be issued and secured, and the refunding of outstanding notes or bonds;

(7) the procedure, if any, by which the terms of any contract with noteholders or bondholders may be amended or abrogated, the amount of notes or bonds the holders of which shall consent thereto, and the manner in which such consent may be given;

(8) a commitment to employ adequate and competent personnel at reasonable compensation; to set salaries, fees, and charges as may be determined by the board in conjunction with the department; and to maintain suitable facilities and services for the purpose of carrying out its programs;

(9) vesting in a trustee such property, rights, powers, and duties in trust as the authority determines to be necessary;

(10) defining the acts or omissions that shall constitute a default in the obligations and duties of the board to the holders of the notes or bonds and providing for the rights and remedies of the holders of the notes or bonds in the event of such default, including as a matter of right the appointment of a receiver; and

(11) any other matters of like or different character that in any way affect the security or protection of the holders of the notes or bonds.

Section 7. **Personal liability.** The board and employees of the department are not personally liable or accountable by reason of the issuance of or on any bond or note issued by the board.

Section 8. **Purchase of notes and bonds — cancellation.** The board may, subject to existing agreements with noteholders or bondholders and out of any funds available for that purpose, purchase notes or bonds of the board, which shall then be canceled, at a price not exceeding:

(1) the current redemption price plus accrued interest to the next interest payment if the notes or bonds are then redeemable; or

(2) the redemption price applicable on the first date after the purchase on which the notes or bonds become subject to redemption, plus accrued interest to that date, if the notes or bonds are not then redeemable.

Section 9. **Trust indenture.** (1) In the discretion of the board, the bonds may be secured by a trust indenture between the board and a corporate trustee, which may be a trust company or bank having the power of a trust company, either inside or outside the state. A trust indenture may contain provisions for protecting and enforcing bondholders' rights and remedies that are reasonable, proper, and not in violation of law, including covenants setting forth the duties of the authority in relation to the exercise of its powers and the custody, safeguarding, and application of all money. The authority may provide by a trust indenture for the payment of the proceeds of the bonds and revenues to the trustee under the

HeinOnline -- 1983 vol. III 1647 1983

trust indenture of another depository and for the method of disbursement, with the safeguards and restrictions it considers necessary.

(2) All expenditures incurred in carrying out a trust indenture may be treated as part of the operating expenses of the board.

Section 10. **Negotiability of bonds.** Notes and bonds issued by the board are negotiable instruments under the Uniform Commercial Code, subject only to the provisions for registration of notes and bonds.

Section 11. **Signatures of board members.** If board members whose signatures appear on notes, bonds, or coupons cease to be members before the delivery of the notes or bonds, their signatures shall nevertheless be valid and sufficient for all purposes the same as if the members had remained in office until delivery.

Section 12. **Accounts.** The board may create funds and accounts necessary to implement [sections 1 through 26].

Section 13. **Reserve funds and appropriations.** (1) The board may establish a capital reserve account and pay into it any:

(a) funds appropriated and made available by the state for the purpose of the account;

(b) proceeds of the sale of notes or bonds to the extent provided in the resolutions or indentures of the board authorizing their issuance; and

(c) other funds which may be available to the board from any other source for the purpose of the account.

(2) All funds held in the capital reserve account must be used solely for the payment of the principal of or interest on the bonds secured in whole or in part by the account or the sinking fund payments with respect to the bonds, the purchase or redemption of the bonds, the payment of interest on the bonds, or the payment of any redemption premium required to be paid when the bonds are redeemed prior to maturity. Funds in the account may not be withdrawn at any time in an amount that reduces the account to an amount less than the sum of minimum capital reserve requirements established in the resolutions or indentures of the board for the account except, with respect to bonds secured in whole or in part by the account, for the purpose of making payment, when due, of principal, interest, redemption premiums, and sinking fund payments for the payment of which other money pledged is not available. Any income or interest earned by or incremental to the capital reserve account due to its investment may be transferred to other accounts of the board to an extent that does not reduce the amount of the capital reserve account below the sum of minimum capital reserve requirements for the account.

Section 14. **Maintenance of capital reserve account.** (1) In order to assure the maintenance of the capital reserve account, the chairman of the board shall, on or before September 1 in each year preceding the convening of the legislature, deliver to the governor a certificate stating the sum, if any, required to restore the capital reserve account to the minimum capital reserve requirement. The governor shall include in the executive budget submitted to the legislature the sum required to restore the

HeinOnline -- 1983 vol. III 1648 1983

capital reserve account to the sum of minimum capital reserve requirement. All sums appropriated by the legislature shall be deposited in the capital reserve account.

(2) All amounts appropriated to the board under this section constitute advances to the board and, subject to the rights of the holders of any bonds or notes of the board, must be repaid to the state general fund without interest from available operating revenues of the board in excess of amounts required for the payment of bonds, notes, or other obligations of the board, for maintenance of the capital reserve account, and for operating expenses.

Section 15. **Refunding obligations.** The board may provide for the issuance of refunding obligations for refunding any obligations then outstanding that have been issued under [sections 1 through 26], including the payment of any redemption of the obligations. The issuance of obligations, the maturities and other details, the rights of the holders, and the rights, duties, and obligations of the authority are governed by the appropriate provisions of [sections 1 through 26] that relate to the issuance of obligations. The proceeds of refunding obligations may be applied to the purchase, redemption, or payment of outstanding obligations. Pending the application of the proceeds of refunding obligations and other available funds to the payment of principal, accrued interests, and any redemption premium on the obligations being refunded and, if permitted in the resolution authorizing the issuance of the refunding obligations or in the trust agreement securing them, to the payment of interest on refunding obligations and expenses in connection with refunding, the proceeds may be invested in such securities as the board considers appropriate.

Section 16. **Tax exemption of bonds.** Bonds, notes, or other obligations issued by the board under [sections 1 through 26] and their transfer and income (including any profits made on their sale) are free from taxation by the state or any political subdivision or other instrumentality of the state, except for inheritance, estate, and gift taxes. The board is not required to pay recording or transfer fees or taxes on instruments recorded by it.

Section 17. **Project guaranty program.** (1) The board may guarantee and make commitments to guarantee payment required by a loan, lease, or other credit arrangement for any project funded under [sections 1 through 26] or under 90-5-101 through 90-5-112, upon such terms and conditions as the board may prescribe in accordance with [sections 1 through 26]. In administering the guaranty program, the board may require the payment of a fee or premium, establish application fees, and prescribe application, notification, contract and guaranty forms, rules, regulations, and guidelines.

(2) Guaranties by the board under [sections 1 through 26] must:

(a) be made for a project which the board finds meets the policies and objectives of [sections 1 through 26];

(b) be made to an applicant for a guaranty approved by the board;

(c) contain amortization provisions satisfactory to the board; and

HeinOnline -- 1983 vol. III 1649 1983

(d) be in such principal amount, be in such form, and contain such terms and provisions with respect to payment of property insurance, repairs, alterations, taxes, assessments, delinquency charges, and default remedies as the board determines to be necessary.

(3) The board is authorized from time to time to enter into guaranties, insurance contracts, or any other agreements or contracts with respect to the economic development guaranty fund and any guaranteed loan lease or other credit agreement. Any such agreement or contract may contain terms and provisions necessary or desirable in connection with the guaranty program, subject to the requirements established, including without limitation terms and provisions relating to loan documentation, review, approval procedures, origination and servicing rights and responsibilities, default obligations, procedures and obligations, and obligations with respect to guaranty contracts made under [sections 1 through 26].

(4) Any contract of guaranty made by the board under the authorization of [sections 1 through 26] must provide that claims payable thereunder must be paid from any amounts available in the economic development guaranty fund and from any amounts available under the terms of any applicable contract or agreement with the financial institution which originated the guaranteed loan. The obligation of the board to make payments under any such contract is limited solely to such sources and does not constitute a debt or liability of the state. Any guaranty contract and any rule, regulation, or guideline of the board implementing the guaranty program may contain such other terms, provisions, or conditions as the board considers necessary or appropriate, including without limitation those relating to the payment of guaranty premiums, the giving of notice, claim procedure, the sources of payment for claims, the priority of competing claims for payment, the release or termination of loan security and borrower liability, the timing of payment, the maintenance and disposition of projects and the use of amounts received during periods of loan delinquency or upon default, and any other provision concerning the rights of insured parties or conditions to the payment of guaranty claims. Any premiums for the guarantee of loan payments under the provisions of [sections 1 through 26] may be determined on such basis and be payable by such person in such amounts and at such times as the board determines, and the amount of the premium need not be uniform among the various loans, leases, or other credit agreements guaranteed.

Section 18. **Economic development guaranty fund.** (1) The board shall create an economic development guaranty fund. The fund must be held by a trustee or other fiduciary designated by the board. There must be deposited into the fund amounts, insurance fees, premiums, and such other revenues and assets as the board considers necessary to comply with any contract or agreement entered into by the board under [sections 1 through 26]. The board may borrow from and deposit in the economic development guaranty fund up to $5 million from any available state fund, including funds of the Montana board of housing.

(2) The amounts in the fund must be used to satisfy any claim resulting from a defaulted loan, lease, or other credit agreement. The amounts in the fund may also be used for any other purpose prescribed by the

HeinOnline -- 1983 vol. III 1650 1983

board in accordance with guaranty contracts with financial institutions entered into pursuant to [sections 1 through 26], including without limitation the protection of the interest of the board in projects during periods of delinquency or upon default.

(3) The minimum reserve requirement for the economic development guaranty fund must be such amount as may be provided in an agreement, resolution, or indenture with the holders of bonds issued under [sections 1 through 26], but not in excess of the aggregate annual payments due under the loans, leases, or other credit agreements guaranteed by the board. No loan, lease, or other credit agreement may be guaranteed by the board if the amount of money available in the economic development guaranty fund would be less than the minimum reserve requirement.

(4) In order to assure the maintenance of the economic development guaranty fund, the chairman of the board shall, on or before September 1 in each year preceding the convening of the legislature, deliver to the governor a certificate stating the sum, if any, required to restore the economic development guaranty fund to the minimum reserve requirement. The governor shall include in the executive budget submitted to the legislature the sum required to restore the economic development guaranty fund to the minimum reserve requirement.

(5) All amounts remitted to the board under this section constitute loans to the board and must be repaid to the state treasury without interest from available operating revenues of the board in excess of amounts required for the guarantee of loans.

Section 19. **Adoption of rules.** (1) The board shall adopt rules to establish:

(a) procedures for soliciting and evaluating applications and for notifying the local government of the application for purposes of complying with [section 24]; and

(b) a system for evaluating applications, considering the following criteria:

(i) the applicant's net worth;

(ii) the applicant's training and experience in the industry involved in the proposed project;

(iii) the applicant's prospects for succeeding in the proposed project;

(iv) the degree to which the new or increased business resulting from the loan will meet the objectives of [section 2]; and

(v) any other factors the board may prescribe.

(2) The board shall adopt rules for the:

(a) organization, approval, standards, and regulation of project applicants;

(b) approval, standards, and regulation of financial institutions under [sections 1 through 26];

HeinOnline -- 1983 vol. III 1651 1983

(c) assessment, collection, and payment of all fees and charges in connection with making, purchasing, and servicing of its bonds and notes, mortgage lending, construction lending, temporary lending, and guaranty programs; and

(d) such other matters as the board considers necessary or desirable.

Section 20. **Pledge of the state.** In accordance with the constitutions of the United States and the state of Montana, the state pledges that it will not in any way impair the obligations of any agreement between the board and the holders of notes and bonds issued by the board, including but not limited to an agreement to administer a loan program financed by the issuance of bonds and to employ a staff sufficient and competent for this purpose.

Section 21. **Credit of state not pledged.** Obligations issued under the provisions of [sections 1 through 26] do not constitute a debt, liability, obligation, or pledge of the faith and credit of the state but are payable solely from the revenues or assets of the board. An obligation issued under this part must contain on the face thereof a statement to the effect that the state of Montana is not liable on the obligation, the obligation is not a debt of the state, and neither the faith and credit nor the taxing power of the state is pledged to the payment of the principal or interest on the obligation.

Section 22. **Taxation of projects.** (1) Notwithstanding the fact that title to a project may be in the board, such projects are subject to taxation to the same extent, in the same manner, and under the same procedures as privately owned property in similar circumstances if such projects are leased to or held by private interests on both the assessment date and the date the levy is made in that year. Such projects are not subject to taxation in any year if they are not leased to or held by private interests on both the assessment date and the date the levy is made in that year.

(2) When personal property owned by the board is taxed under this section and such personal property taxes are delinquent, levy by warrant for distraint for collection of such delinquent taxes may be made only on personal property against which such taxes were levied.

Section 23. **Bonds as legal investment.** (1) Bonds issued by the board under the provisions of [sections 1 through 26] are securities in which all funds may be legally and properly invested, including capital in the control of or belonging to:

(a) public officers and public bodies of the state and its political subdivisions;

(b) insurance companies;

(c) credit unions, building and loan associations, investment companies, savings banks, banking associations, and trust companies;

(d) executors, administrators, trustees, and other fiduciaries; and

(e) pension, profit-sharing, and retirement funds.

HeinOnline -- 1983 vol. III 1652 1983

(2) Bonds issued under [sections 3 through 26] are securities which may properly and legally be deposited with and received by any state or municipal officer or any agency or municipality of the state for any purpose for which the deposit of bonds or obligations of the state is now or may hereafter be authorized by law.

Section 24. **Procedure prior to financing projects.** (1) The board may finance major projects under [sections 1 through 26] only when it finds that:

(a) the financing is in the public interest and is consistent with legislative purposes and findings;

(b) the financing to be provided by the board for a project does not exceed either $10 million or 90% of the cost or appraised value of the project, whichever is less;

(c) a financial institution will participate in financing the project if the cost or appraised value is less than $1 million, either directly or through a letter of credit, to the extent of at least 10% of the financing to be provided by the board, provided, however, that participation by a financial institution in projects of over $1 million is at the discretion of the board;

(d) the financing for the project is insured or guaranteed in whole or in part by a private or governmental insurer or guarantor, including but not limited to a guaranty by the board pursuant to [section 17]; and

(e) adequate provision is made in the loan agreement, lease, or other credit arrangement regarding a project or projects being financed to provide for payment of debt service on bonds of the board issued to finance such project or projects, to create and maintain reserves therefor, and to meet all costs and expenses of issuing and servicing the bonds.

(2) In order to make the findings as described in subsection (1)(a), a hearing must be conducted in the following manner:

(a) the city or county in which the project will be located shall be notified, and within 14 days must advise the board if it elects to conduct the hearing; or

(b) if no request for a local hearing is received, the board may hold the hearing at a time and place it prescribes.

(3) If the hearing required by subsection (2) is conducted by a local government, the governing body of the local government must notify the board of its determination of whether the project is in the public interest within 14 days of the completion of the public hearing.

(4) When a hearing is required either locally or at the state level, notice must be given, at least once a week for 3 weeks prior to the date set for the hearing, by publication in a newspaper of general circulation in the city or county where the hearing will be held. The notice must include the time and place of the hearing; the general nature of the project; the name of the lessee, borrower, or user of the project; and the estimated cost of the project.

HeinOnline -- 1983 vol. III 1653 1983

Section 25. **Validity of pledge.** Any pledge made by the board is valid and binding from the time the pledge is made. Revenue, money, or property pledged and received by the board is immediately subject to the lien of the pledge without any physical delivery or further act. The lien of any pledge is valid and binding against all parties having claims of any kind, whether in tort, contract, or otherwise, against the board, irrespective of whether such parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created is required to be recorded.

Section 26. **Annual audit.** The board's books and records must be audited at least once each fiscal year by or at the direction of the legislative auditor. The actual costs of the audit shall be paid from the board's funds.

Section 27. **Montana economic development board.** (1) There is a Montana economic development board.

(2) The board consists of seven members, who shall be appointed by the governor as prescribed in 2-15-124. The board must include at least one person representing each of the following:

(a) the financial community;

(b) small business;

(c) agriculture; and

(d) labor.

(3) Members must be appointed within 60 days of [the effective date of this act] in accordance with the manner prescribed in 2-15-124.

(4) The board is designated as a quasi-judicial board for the purposes of 2-15-124.

(5) The board is allocated to the department of commerce for administrative purposes only as provided in 2-15-121. The board has authority over its own personnel as provided in [section 28].

Section 28. **Meetings and acts of the board and personnel.** (1) All meetings of the board are open to the public.

(2) All official acts of the board must be taken in a regular or special meeting and by a majority of the board.

(3) All rules adopted by the board must be in accordance with the Montana Administrative Procedure Act.

(4) The board may employ an administrator, who shall have general responsibility for the selection and management of the board's staff and direction of its activities. The administrator serves at the pleasure of the board.

(5) The board may prescribe the duties and annual salary for professional staff positions.

Section 29. Section 90-6-104, MCA, is amended to read:

"90-6-104. General powers of the board. The board may:

HeinOnline -- 1983 vol. III 1654 1983

(1) sue and be sued;

(2) have a seal;

(3) adopt all procedural and substantive rules necessary for the administration of this part, including rules concerning its mortgage, construction, and temporary lending programs;

(4) make contracts, agreements, and other instruments necessary or convenient for the exercise of its powers under this part;

(5) enter into agreements or other transactions with any federal, state, or local governmental agency, any persons, and any domestic or foreign partnership, corporation, association, or organization in carrying out this part;

(6) enter into agreements under its rules with sponsors, mortgagors, or lending institutions for the purpose of regulating the analysis, planning, development, and management of housing developments financed in whole or in part by the proceeds of its loans or securities and mortgage purchase programs;

(7) enter into agreements or other transactions with, and accept grants and the cooperation of, any governmental agency in furtherance of this part, including but not limited to the development, leasing, maintenance, operation, and financing of any housing development;

(8) accept services, appropriations, gifts, grants, bequests, and devises and utilize or dispose of them in carrying out this part;

(9) acquire real or personal property or any right, interest, or easement therein by gift, purchase, transfer, foreclosure, lease, or otherwise; hold, sell, assign, lease, encumber, mortgage, or otherwise dispose thereof; hold, sell, assign, or otherwise dispose of any mortgage or loan owned by it or in its control or custody; release or relinquish any right, title, claim, interest, easement, or demand, however acquired, including any equity or right of redemption; do any of the foregoing by public or private sale, with or without public bidding; commence any action to protect or enforce any right conferred upon it by any law, mortgage, contract, or other agreement; bid for and purchase property at any foreclosure or other sale or acquire or take possession of it in lieu of foreclosure; and operate, manage, lease, dispose of, and otherwise deal with such property in any manner necessary or desirable to protect its interests and the holders of its bonds or notes and consistent with any agreement with such holders;

(10) service and contract and pay for the servicing of loans;

(11) provide general technical services in the analysis, planning, design, processing, construction, rehabilitation, and management of housing developments for persons and families of lower income where these services are not otherwise available;

(12) provide general consultative services to housing developments for persons and families of lower income and the residents thereof with respect to counseling and training in management, home ownership, and maintenance where these services are not otherwise available;

HeinOnline -- 1983 vol. III 1655 1983

(13) invest any funds not required for immediate use, subject to any agreements with its bondholders and noteholders, as provided in Title 17, chapter 6, except all investment income from funds of the board less the cost for investment as prescribed by law shall be deposited in the housing finance account;

(14) sell its loans or securities to the federal national mortgage association or any other agency or instrumentality of the United States and invest in the capital stock issued by the association or other agency or instrumentality to the extent, if any, required as a condition of such sale;

(15) consent, whenever it deems it necessary or desirable in fulfilling its purposes, to the modification of the rate of interest, time, and payment of any installment of principal or interest, security, or any other term of any contract, mortgage, mortgage loan, mortgage loan commitment, construction loan, advance contract, or agreement of any kind, subject to any agreement with bondholders and noteholders;

(16) collect reasonable interest, fees, and charges in connection with making and servicing its loans, notes, bonds, commitments, and other evidences of indebtedness and in connection with providing technical, consultative, and project assistance services. Interest fees and charges shall be limited to the amounts required to pay the costs of the board, including operating and administrative expenses and reasonable allowances for losses which may be incurred.

(17) procure insurance against any loss in connection with its mortgages and mortgage loans and other assets or property in amounts and from insurers as the board considers desirable or necessary;

(18) act as agent for governmental agencies concerning acquisition, construction, leasing, operation, or management of a housing development;

(19) issue notes and bonds and replace lost, destroyed, or mutilated notes and bonds;

(20) develop special programs for housing developments for veterans of the armed forces of the United States who are unable to acquire safe and sanitary housing through lending institutions by conventional means*; and*

(21) lend money to the economic development board to establish the Montana economic development guaranty fund created by [section 18]."

Section 30. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 31. **Effective date.** This act is effective on passage and approval.

Section 32. **Coordination instruction.** House Bill 871 as amended by the legislature is nearly identical to House Bill 700 except for the provisions relating to the financing of major projects. If both House Bill 871

HeinOnline -- 1983 vol. III 1656 1983

and House Bill 700 are passed and approved, the code commissioner shall not codify both bills in their entirety but shall only codify those parts of House Bill 871 that differ from the companion parts of House Bill 700.

Approved April 29, 1983.

CHAPTER NO. 687

AN ACT REQUIRING THE GOVERNOR OR HIS DESIGNEE TO STUDY AND PREPARE RECOMMENDATIONS FOR PROVIDING SERVICES TO DEVELOPMENTALLY DISABLED PERSONS; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Study on developmental disabilities services.** The governor or his designee shall conduct a study of and propose a long-range plan for the delivery of services to persons with developmental disabilities. The governor or his designee shall solicit comments from the general public and especially from residents of communities where developmental disability services are provided by the state.

Section 2. **Study areas.** The governor or his designee shall:

(1) conduct a complete analysis of institutional services for developmentally disabled persons and alternatives to those services, including without limitation analysis of the following issues:

(a) types and quality of alternative services for those persons currently enrolled in programs at Boulder River School and Hospital;

(b) the comparative staffing patterns and supporting service structure and costs associated with community-based services and institutional services;

(c) the role of institutions and institutional alternatives in the continuum of state-supported services to persons with developmental disabilities;

(d) the proper and ultimate location of state administrative responsibility for all programs for persons with developmental disabilities; and

(e) the impact of closure of Boulder River School and Hospital on the community;

(2) develop a history and a projection of funding for services for developmentally disabled persons, including federal, state, local, and private sources;

(3) develop a proposed long-range plan for the state's role in serving developmentally disabled persons, including a clear mission statement for each functional organization proposed to implement the plan;

(4) analyze the costs and potential benefits of retrofitting or consolidating the physical plant at Boulder River School and Hospital in order to

make the institution more cost effective and to improve services to persons enrolled in programs there;

(5) study the feasibility of providing a training program at Boulder River School and Hospital for persons who will be employed in community-based programs;

(6) analyze means for reducing the sense of polarization within the system serving developmentally disabled persons in order to focus on the most appropriate services for the persons served;

(7) in accomplishing the duties outlined in subsections (1) through (6), solicit the comments, advice, and testimony of professionals, consumers, legislators, the general public, architects and design experts, and state agency officials; and

(8) complete preliminary recommendations not later than September 15, 1984, and publish final recommendations not later than December 1, 1984.

Section 3. **Effective date.** This act is effective July 1, 1983.

Approved April 29, 1983.

CHAPTER NO. 688

AN ACT PROVIDING FOR ADMINISTRATION OF THE CULTURAL AND AESTHETIC GRANTS PROGRAM BY THE MONTANA ARTS COUNCIL; PROVIDING FOR GRANT CONDITIONS AND EXPENDITURES; APPROPRIATING MONEY FOR CERTAIN PROJECTS; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Conditions — additional funds — accounts and reports.** (1) No grant may be awarded unless the grantee accepts the Montana arts council's conditions of the grant and signs a contract stipulating those conditions.

(2) The grantee must agree that the funds granted will be expended solely for the purpose and activities described in the approved proposal. If the grant award proves to be inadequate for the administration of the project as originally submitted, the grantee may submit, prior to the beginning of the grant period, modifications to the proposal and an operational budget supporting the modifications. All granted funds to be expended by the grantee must be spent or encumbered during the grant period.

(3) No project may receive more than 25% of the total grant award during any 6-month period, except that a grantee may accumulate grant payments. The second and each succeeding payment may be made only after an examination of the costs incurred and expenditures made to date by the grantee and a determination of any remaining balance from prior grant periods is made.

HeinOnline -- 1983 vol. III 1658 1983

(4) The grantee must maintain accounts, records, and other pertinent material pertaining to the costs incurred and expenditures made under the grant. The system of accounting employed by the grantee must be in accordance with generally accepted accounting principles and be applied in a consistent manner so that project costs and expenditures can be clearly identified. Accounts, records, and other pertinent material must be maintained for 3 years from the official termination date of the grant period or until an audit, approved by the council, has been completed and any questions arising from the audit have been resolved to the satisfaction of the council.

(5) Grantees must submit to the council semiannual reports of expenditures during the course of the project and such other financial and descriptive reports as the council may require. The grantee must submit, within 30 days after completion of the project, a final financial report and a narrative report stating what was accomplished with the grant. Five percent of the total grant award must be held pending receipt of final reports by the council.

(6) The council may, at the principal place of business of the grantee and during regular business hours, examine any directly pertinent records, accounts, and documents of the grantee involving transactions related to the grant.

(7) A grantee must agree in writing that no person will, on the grounds of race, color, national origin, sex, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity that results from the expenditure of grant funds.

(8) A grantee must agree in writing that the grantee is the official and sole agency for the administration of the project described in the grant agreement.

Section 2. **Allocation and disbursement of funds.** (1) The Montana arts council shall allocate and disburse cultural and aesthetic project account funds as appropriated by the legislature.

(2) If the funds in the cultural and aesthetic projects account are insufficient to fund projects in the amount of the legislative appropriation for the projects, the council shall allocate and disburse the account's funds as follows:

(a) Projects of an ongoing nature during the full course of the grant period must receive the first priority for allocation of account funds. For purposes of this section, "ongoing project" means a project designed to operate throughout the grant period with a full-time staff and obligations to be met monthly.

(b) All other projects must be allocated the remaining funds on a percentage basis. The percentage must be determined for each such project by dividing the amount appropriated for each such project by the total amount appropriated for all such projects.

Section 3. **Reversion of granted funds.** At the end of a grant period, any unexpended balance of the grant shall revert to the cultural and aesthetic projects account provided for in 15-35-108.

HeinOnline -- 1983 vol. III 1659 1983

Section 4. **Projects approved — appropriation.** The following projects are approved and amounts appropriated to the Montana arts council for the biennium ending June 30, 1985, from the cultural and aesthetic projects account:

Project	Amount
Butte-Silver Bow Arts Chateau	$35,000
Carbon County Arts Guild	20,000
Blaine County Museum	40,000
Montana Folklife Project	45,000
Montana School of Creative Arts	12,000
Jordan Museum	4,000
Shakespeare in the Parks	20,000
Montana Association of Symphony Orchestras	13,000
Vigilante Players	5,000
Eastern Montana Resource Coordination Project	35,000
Custer County Arts Center	12,000
Montana Authors Biographical Directory	1,410
Tri-County Historical Society	58,000
Robert Yellowtail Film Documentary	28,000
K. Ross Toole's Montana	44,000
Small Town Montana	80,160
Growth Thru Art	30,000
Western Heritage Center	25,000
Helena Civic Center	10,000
Paris Gibson Square	50,000
McCone County Museum	10,000
Children's Arts Center	12,000
Powell County Museum and Arts Foundation	15,000
Butte-Silver Bow Public Archives	8,600
Rocky Boy Tribal Elders	12,500
University of Montana Magic Movers	10,000
University of Montana Repertory Theatre	25,000
Conrad Public Library	2,000
Hockaday Center for the Arts	2,650
Jeannette Rankin Statue	25,000
Carter County Museum	5,285
Troy Museum	12,225
Gallatin County Historical Society	20,000
St. Mary's Mission	7,500
Fort Owen	30,000
Three Forks Historical Society	7,500
Huntley Project Museum	10,000
Livingston Heritage Project	12,000
Operating expenses	28,649

Section 5. **Effective date.** This act is effective July 1, 1983.

Approved April 29, 1983.

HeinOnline -- 1983 vol. III 1660 1983

CHAPTER NO. 689

AN ACT TO PROVIDE FOR REVERSION TO THE FORMER OWNER OF CERTAIN INTERESTS IN REAL PROPERTY ACQUIRED FOR A PUBLIC USE AND LATER ABANDONED; AND TO MODIFY THE RIGHT OF FIRST REFUSAL OF THE FORMER OWNER OF A REAL PROPERTY INTEREST ACQUIRED FOR A PUBLIC USE AND LATER ABANDONED; AMENDING SECTIONS 70-30-321 AND 70-30-322, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 70-30-321, MCA, is amended to read:

"70-30-321. Sale of property acquired for public use when use abandoned — procedure. (1) *Except as provided in subsection (3),* a person who has acquired a real property interest for a public use, whether by right of eminent domain or otherwise, abandons such public use and places such interest for sale, the seller may sell the interest to the highest bidder at public auction.

(2) In the event the seller decides to sell an interest in real property as set forth in subsection (1), he shall publish notice of the public sale in a newspaper published in the county in which the real property interest is located once a week for 4 successive weeks. Sale shall be held in the county where the real property interest is located. The notice of sale shall contain the information required by 77-2-322.

(3) When an interest other than a fee simple interest in property, which has been acquired for a public purpose by right of eminent domain, or otherwise, is abandoned or the purpose for which it was acquired is terminated, the property reverts to the original owner or his successor in interest."

Section 2. Section 70-30-322, MCA, is amended to read:

"70-30-322. Option of original owner or successor in interest to purchase at sale price. (1) *Except as provided in subsection (3), the* owner from whom the real property interest was originally acquired by eminent domain or otherwise or, if there is a successor in interest, the successor in interest shall have the option to purchase the interest by offering therefor an amount of money equal to the highest bid received for the interest at a sale provided for in 70-30-321. If more than one person claims an equal entitlement, the option may not be exercised.

(2) If no bids are received by the seller and the optionholder indicates in writing to the seller that he wishes to exercise the option, the seller shall have the real property interest appraised and sell the interest at that price to the optionholder.

(3) When an interest other than a fee simple interest in property, which has been acquired for a public purpose by right of eminent domain, or otherwise, is abandoned or the purpose for which it was acquired is

HeinOnline -- 1983 vol. III 1661 1983

terminated, the property reverts to the original owner or his successor in interest."

Section 3. **Saving clause.** This act does not affect rights and duties that matured, property that was acquired, penalties that were incurred, or proceedings that were begun before the effective date of this act.

Approved April 30, 1983.

CHAPTER NO. 690

AN ACT TO AUTHORIZE THE COAL BOARD TO CONSIDER APPLICATIONS FOR LOANS FROM THE LOCAL IMPACT AND EDUCATION TRUST FUND ACCOUNT AND TO AWARD GRANTS AND LOANS TO GOVERNING BODIES OF FEDERALLY RECOGNIZED INDIAN TRIBES; AND PROVIDING LIMITATIONS; AMENDING SECTIONS 90-6-205, 90-6-206, 90-6-208, AND 90-6-209, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 90-6-205, MCA, is amended to read:

"**90-6-205. Coal board — general powers.** The board may:

(1) retain professional consultants and advisors;

(2) adopt rules governing its proceedings;

(3) consider applications for grants from the local impact and education trust fund account;

(4) consider applications for loans from the local impact and education trust fund account for periods and interest rates to be determined by the board; and

(5) award grants *and loans*, subject to 90-6-207, not to exceed in any one year seven-elevenths and after June 30, 1979, seven-fifteenths of the revenue paid into the local impact and education trust fund account, to local governmental units, state agencies, *and governing bodies of federally recognized Indian tribes* to assist local governmental units *and federally recognized Indian tribes* in meeting the local impact of coal development by enabling them to adequately provide governmental services and facilities which are needed as a direct consequence of coal development. As used in the preceding sentence, "revenue paid" does not include interest income from the account reinvested in the account in trust for the public schools and the university system. *Grants and loans may be from current allocations only, and no part of the principal or income of the trust referred to in 90-6-211 may be used for this purpose. The money derived from loan repayments, including the interest thereon, must be deposited to the credit of the local impact fund referred to in 90-6-202.*"

Section 2. Section 90-6-206, MCA, is amended to read:

HeinOnline -- 1983 vol. III 1662 1983

"90-6-206. Basis for awarding grants or loans. (1) *Grants and loans* shall be awarded on the basis of:

(a) need;

(b) degree of severity of impact from the coal development;

(c) availability of funds; and

(d) degree of local effort in meeting these needs.

(2) In determining the degree of local effort, the board shall review the millage rates levied for the present fiscal year in relation to the average millage rates levied during the 3 years immediately preceding coal development in that area or 1970, whichever is later, which impacts the local government unit applying for assistance.

(3) Millage rates for the present fiscal year which are lower than the average millage rate levied during the 3 years immediately preceding coal development in that area or 1970, whichever is later, shall be deemed by the board to indicate the lack of local effort. The application under such circumstances may be rejected.

(4) Further, in determining the degree of local effort, the board shall consider the possibility of requiring that local government unit to increase its bonded indebtedness to provide all or part of the governmental service or facility which is needed as a direct consequence of coal development.

(5) To the extent funds are needed to evaluate and plan for the impact needs caused by coal development, consideration of bond issues and millage levies may be waived.

(6) To the extent the applicant has no history of mill levies, subsections (2) and (3) do not apply."

Section 3. Section 90-6-208, MCA, is amended to read:

"90-6-208. Applications for grants or loans. The governing body of a city, town, county, school district, any other local or state governmental unit or agency, *or the governing body of a federally recognized Indian tribe* may apply for a grant *or a loan* to enable it to provide governmental services which are needed as a direct consequence of coal development. The coal board shall prescribe the form for applications. Applicants shall describe the nature of their proposed expenditures and the time involved."

Section 4. Section 90-6-209, MCA, is amended to read:

"90-6-209. Limitations on grants. The board may commit itself to the expenditure of funds for more than 1 year for a single project, as long as the grant *or loan* does not extend over more than 10 years and does not exceed reasonable revenue expectations. *The total amount of grants and loans to state agencies and Indian tribes may not exceed 7%* of the *total* money allocated to the board *during each fiscal year.*"

Section 5. **Limitations on loans.** (1) No loan may be approved by the board if the source of money for repayment would be derived from property taxes.

HeinOnline -- 1983 vol. III 1663 1983

(2) The repayment period for loans approved by the board may not exceed 20 years.

(3) The board shall hold all loan contracts within its administrative offices. The board may not sell, assign, or pledge a loan contract to any other entity.

(4) A local government unit or the governing body of a federally recognized Indian tribe receiving a loan from the board shall use or commit for use the loan money within 1 year of the date of the board's final approval of the loan.

(5) If a local government unit or the governing body of a federally recognized Indian tribe fails to comply with subsection (4), the entire loan must be repaid within 30 days following expiration of the 1-year period.

Section 6. **Limitations on loans and grants to Indian tribes.** No loan or grant to an Indian tribe under 90-6-205 may be approved by the board unless, with respect to that loan or grant:

(1) the governing body of the tribe has agreed:

(a) to waive its immunity from suit on any issue specifically arising from the transaction of a loan or grant obtained under this part; and

(b) to the adjudication of any dispute arising out of the loan or grant transaction in the district court of the first judicial district of the state of Montana; and

(2) approval of the transaction has been obtained from the secretary of the United States department of the interior whenever such approval is necessary.

Section 7. **Codification instruction.** Sections 5 and 6 are intended to be codified as an integral part of Title 90, chapter 6, part 2, and the provisions of Title 90, chapter 6, part 2, apply to sections 5 and 6.

Approved April 30, 1983.

CHAPTER NO. 691

AN ACT REESTABLISHING THE BOARD OF HAIL INSURANCE UNDER EXISTING STATUTORY AUTHORITY AND RULES; REVISING PROVISIONS RELATING TO THE BOARD AND TO THE HAIL INSURANCE PROGRAM; REMOVING RATE LIMITS; AMENDING SECTIONS 2-8-103, 2-15-3003, 80-2-201, 80-2-204, 80-2-221, 80-2-222, 80-2-224, 80-2-228, 80-2-232, AND 80-2-241 THROUGH 80-2-244, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

WHEREAS, the sunset law, sections 2-8-103 and 2-8-112, MCA, terminates the Board of Hail Insurance and requires a performance evaluation of the Board by the Legislative Audit Committee; and

HeinOnline -- 1983 vol. III 1664 1983

WHEREAS, as a result of the performance evaluation the Legislative Audit Committee recommends that the Board of Hail Insurance be reestablished.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Reestablishment.** The board of hail insurance, created by 2-15-3003, is reestablished under existing statutory authority and rules for 6 years pursuant to 2-8-122.

Section 2. Section 2-8-103, MCA, is amended to read:

"2-8-103. Agencies to terminate. (1) The following agencies shall terminate on July 1, 1979:

(a) board of abstracters, department of professional and occupational licensing, created by 2-15-1643;

(b) board of real estate, department of professional and occupational licensing, created by 2-15-1642;

(c) state board of warm air heating, ventilation, and air conditioning, department of professional and occupational licensing, created by 2-15-1656;

(d) board of institutions, department of institutions, created by 2-15-2303.

(2) The following agencies shall terminate on July 1, 1981:

(a) board of athletics, department of professional and occupational licensing, created by 2-15-1661;

(b) board of massage therapists, department of professional and occupational licensing, created by 2-15-1627;

(c) board of osteopathic physicians, department of professional and occupational licensing, created by 2-15-1607;

(d) board of podiatry examiners, department of professional and occupational licensing, created by 2-15-1608.

(3) The following units of state government shall terminate on July 1, 1983:

(a) board of aeronautics, department of commerce, created by 2-15-1812;

(b) board of horseracing, department of commerce, created by 2-15-1881;

(c) board of livestock, department of livestock, created by 2-15-3102;

(d) board of milk control, department of commerce, created by 2-15-1802;

(e) board of oil and gas conservation, department of natural resources and conservation, created by 2-15-3303;

HeinOnline -- 1983 vol. III 1665 1983

(f) Montana outfitters' council, department of fish, wildlife, and parks, created by 2-15-3403;

(g) public service commission, department of public service regulation, created by 69-1-102;

(h) board of water and wastewater operators, department of health and environmental sciences, created by 2-15-2105;

(i) board of water well contractors, department of commerce, created by 2-15-1862.

(4) The following agencies terminate on July 1, 1985:

(a) the board of public accountants, department of commerce, created by 2-15-1866;

(b) the board of architects, department of commerce, created by 2-15-1871;

(c) state banking board, department of commerce, created by 2-15-1803;

(d) the state electrical board, department of commerce, created by 2-15-1874;

(e) the board of professional engineers and land surveyors, department of commerce, created by 2-15-1873;

(f) office of commissioner of insurance and the insurance department, state auditor's office, created by 2-15-1902 and 2-15-1903;

(g) office of the securities commissioner, state auditor's office, created by 2-15-1901;

(h) the board of landscape architects, department of commerce, created by 2-15-1872;

(i) the board of county printing, department of commerce, created by 2-15-1811;

(j) the board of plumbers, department of commerce, created by 2-15-1875;

(k) board of physical therapy examiners, department of commerce, created by 2-15-1858.

(5) The following agencies terminate on July 1, 1987:

(a) commission for human rights, department of labor and industry, created by 2-15-1706;

(b) Montana state board of medical examiners, department of commerce, created by 2-15-1841;

(c) board of dentistry, department of commerce, created by 2-15-1842;

(d) board of pharmacists, department of commerce, created by 2-15-1843;

HeinOnline -- 1983 vol. III 1666 1983

(e) board of nursing, department of commerce, created by 2-15-1844;

(f) board of nursing home administrators, department of commerce, created by 2-15-1845;

(g) board of optometrists, department of commerce, created by 2-15-1846;

(h) board of chiropractors, department of commerce, created by 2-15-1847;

(i) board of radiologic technologists, department of commerce, created by 2-15-1848;

(j) board of speech pathologists and audiologists, department of commerce, created by 2-15-1849;

(k) board of hearing aid dispensers, department of commerce, created by 2-15-1850;

(l) board of psychologists, department of commerce, created by 2-15-1851;

(m) board of veterinarians, department of commerce, created by 2-15-1852;

(n) board of morticians, department of commerce, created by 2-15-1853;

(o) board of barbers, department of commerce, created by 2-15-1856;

(p) board of cosmetologists, department of commerce, created by 2-15-1857;

(q) board of sanitarians, department of commerce, created by 2-15-1861;

(r) board of veterans' affairs, department of social and rehabilitation services, created by 2-15-2202.

(6) The following agency terminates July 1, 1989: board of hail insurance, department of agriculture, created by 2-15-3003."

Section 3. Section 2-15-3003, MCA, is amended to read:

"**2-15-3003. Board of hail insurance.** (1) There is a board of hail insurance of five members consisting of the state auditor, the director of agriculture, who is secretary of the board, and three other members to be appointed by the governor *and confirmed by the senate.*

(2) The governor shall designate one of the appointive members to act as chairman of the board.

(3) Whenever the term of any member expires, either by death, resignation, removal for cause, or expiration of his term of office, the governor shall appoint his successor and shall also appoint one of the board for chairman in case of a vacancy in that office.

(4) Each appointive member of the board shall be appointed for 3 years, except when such appointment is made to fill a vacancy on the

HeinOnline -- 1983 vol. III 1667 1983

board, in which event such appointee shall fill out the unexpired term of the member whose place he fills.

(5) All members of the board shall be subject to removal for cause by the governor.

(6) The board is allocated to the department of agriculture for administrative purposes only as prescribed in 2-15-121. *The department may charge the board for services provided by the department pursuant to 2-15-121. The costs charged by the department must be commensurate with the cost of the services provided.*"

Section 4. Section 80-2-201, MCA, is amended to read:

"**80-2-201. Powers and duties of board of hail insurance.** The board of hail insurance provided for in 2-15-3003:

(1) shall hold meetings when necessary and essential for the proper conduct of its business;

(2) is hereby authorized, directed, and empowered to make rules as it may from time to time find practical, necessary, and beneficial for the administration of this part;

(3) shall prescribe blank forms for all purposes necessary, proper, and incidental to the effective operation and enforcement of this part; and

(4) shall *use any appropriate means of communication to inform Montana producers of* the purposes, scope, and benefits of this part in furnishing protection against loss by hail at the actual cost of the risk to all taxpayers who may elect to become subject to the provisions of this part."

Section 5. Section 80-2-204, MCA, is amended to read:

"**80-2-204. Duty of agent of the department of revenue — election of benefits of law.** It shall be the duty of the agent of the department of revenue in each county in the state *upon request* to explain to each taxpayer engaged in the growing of crops subject to injury or destruction by hail the provisions of this part and the protection afforded thereby and to *issue insurance policies*, on the forms provided for such purpose, if such taxpayer desires to become subject to this part and liable for the tax levies provided hereby and thereby eligible to the benefits and protection of this part. Each such taxpayer who elects to become subject to this part shall be liable for the taxes levied for hail insurance and shall participate in the benefits and protection afforded by this part, provided that the owners of lands worked by others under lease or contract shall elect if such lands shall be subject to the tax levies herein provided for and the crops grown thereon protected for hail insurance, or the lessee of such land may tender payment of the tax levied for hail insurance to protect his crops, in cash, to the officer authorized to receive same, whereupon such crops shall become eligible to the benefits and protection afforded by this part for hail insurance."

Section 6. Section 80-2-221, MCA, is amended to read:

"**80-2-221. Tax for hail insurance.** (1) A tax is hereby authorized and directed to be levied on all lands in this state growing crops subject

HeinOnline -- 1983 vol. III 1668 1983

to injury or destruction by hail, the owners of which have elected to become subject to the provisions of this part.

(2) The board of hail insurance shall annually estimate, as accurately as possible, the amount required to pay all losses, interest on warrants, and costs of administration and shall recommend a levy to be made on each kind of land respectively, subject to the provisions of this part, to the department of revenue. The rates recommended to apply on the lands of owners shall be applied in the same proportions to the crops of those insured on a personal assessment basis."

Section 7. Section 80-2-222, MCA, is amended to read:

"80-2-222. Board to establish amount of levy — disposition of funds. (1) The board of hail insurance may, when it considers it advisable, establish as many districts as it considers advisable and may maintain maximum rates in various parts of the state, which rates shall be commensurate with the risk incurred as nearly as it can determine from past experiences or from any records available.

(2) Notice of the various rates established for any year shall be plainly printed on the application for hail insurance, and the rates for the year shall be determined and levied by the board of hail insurance for each of the various districts as established, in such proportions as will in its judgment be fair and equitable.

(3) In making the levy provided in this section and 80-2-223, the board of hail insurance shall provide for:

(a) the payment of all expenses of administration, together with all interest owed or to be owing on registered warrants;

(b) that portion of the losses incurred during the current year which are not paid from funds drawn from the reserve;

(c) the maintenance of the reserve, a part or all of which may be used in any one year for the purpose of paying the costs of administration, interest on the warrants, and losses as the same shall be settled and adjusted by the board, including the losses sustained in any prior year or years under the hail insurance law that have not been paid.

(4) If at the end of any hail insurance season the board determines and finds that more funds are accumulating from the current year's levies than were estimated when the levy was made and are in excess of the need for the payment of losses and expenses and maintenance of the reserve, the board may, at its discretion, refund the excess to the farmers insured for the year, on a pro rata or percentage basis.

(5) The board of hail insurance may direct the board of investments to invest funds from the agency fund pursuant to the provisions of the unified investment program for state funds. The income from such investments shall be credited to the board of hail insurance account in the agency fund."

Section 8. Section 80-2-224, MCA, is amended to read:

HeinOnline -- 1983 vol. III 1669 1983

"**80-2-224. Assessment — notice — when payable.** Notice of such assessment shall be mailed by the county treasurer to each person insured in the same manner *and at the same time* as notices of *property* taxes due. The assessment shall be payable at the office of the county teasurer of each respective county."

Section 9. Section 80-2-228, MCA, is amended to read:

"**80-2-228. Reserve fund.** (1) Each year when the hail board makes its annual levy for the payment of current losses, expenses of administration, and for an addition to the reserve if conditions permit, it may not increase the levy enough in any year so that such addition to the reserve will exceed 5% of the maximum risk written for that year.

(2) The board may engage the services of a qualified actuary to conduct an actuarial valuation of the reserve. This valuation shall include the actuary's determination of the amount of reserve necessary to absorb all reasonably anticipated catastrophic losses. This amount shall be the maximum permissible reserve fund for the next year.

(3) The reserve hereby created shall be deposited in the agency fund, and the board is hereby granted the power to draw from its moneys in the fund such amounts as it considers necessary for the purpose of paying costs of administration, interest, and losses.

(4) The board may not draw on the reserve for any purpose unless the amount required for the payment of losses for the current year, including interest on warrants and costs of administration, exceeds the amount of the estimate made by the board *for the current year pursuant to 80-2-221.*"

Section 10. Section 80-2-232, MCA, is amended to read:

"**80-2-232. State treasurer's duty — transfer of funds — warrants — transfers to county and state general fund.** (1) The state treasurer shall receive all moneys paid to him under this part and shall place same to the credit of the agency fund and may from time to time transfer to the earmarked revenue fund such sums as the board of hail insurance may deem necessary and proper to pay the expenses of administration. All moneys collected by the board shall be deposited in the agency fund, and all losses shall be paid from that fund. All other costs are administrative expenses and shall be paid from the board's account in the earmarked revenue fund. If registered warrants be presented and there be no money to pay the same, such warrants shall be registered and thereafter bear interest at the rate of 4% per annum until called for payment by the state treasurer. If at any time more funds are in the earmarked revenue fund than the board estimates are needed for administrative expenses, the state treasurer may on the order of the board transfer such funds back to the agency fund as the board may direct.

(2) Upon warrants drawn by order of the board, the state treasurer shall pay out of the board's account in the agency fund to the county treasurer of each county where state hail insurance coverage is in force 2% of the gross annual levies made and collected in such county under this part

HeinOnline -- 1983 vol. III 1670 1983

for the use of the county as the board of county commissioners may determine.

(3) Upon authorization from the board of hail insurance, the state treasurer shall transfer out of the board's account in the agency fund to the general fund of the state of Montana *1.5%* of the gross annual levies made and collected in the state of Montana."

Section 11. Section 80-2-241, MCA, is amended to read:

"80-2-241. Report of losses. All losses by hail to crops insured under this part shall be reported within *14* days thereafter by the owner of such crops, his agent or attorney, to the board of hail insurance, which shall require the claimant to make a statement of the losses sustained, the cause thereof, and such other information as the board may require on the forms to be provided for such purpose. *If a loss is reported more than 14 days after it occurs, the board shall charge the claimant for all costs incurred in making the adjustment.*"

Section 12. Section 80-2-242, MCA, is amended to read:

"80-2-242. Appraisers — appointment — qualifications — duties. (1) The *department of agriculture* shall as soon as practicable each year *retain* a sufficient number of appraisers to appraise all losses by hail incurred under this part in the various counties. The *persons* so appointed shall be actively engaged in farming or shall have had practical experience in farming.

(2) The board may call on one or more of the duly appointed appraisers for the adjustment of each and every loss, and the said appraisers shall promptly report their findings to the board according to the rules provided by the board.

(3) No appraiser who shall be a relative, attorney, agent, employee, or creditor or in any manner interested by lien, mortgage, or otherwise in the crop injured or destroyed shall assist in adjusting any such loss.

(4) The board may send any duly appointed appraiser or appraisers into any county as the occasion may require."

Section 13. Section 80-2-243, MCA, is amended to read:

"80-2-243. Disputed appraisal. (1) In case the party that has sustained the loss is dissatisfied with and refuses to accept the adjustment made by the official appraiser, then he shall have the right to appeal to the board of hail insurance. He shall make such appeal by registered or certified mail within 10 days after receiving the adjustment offer of the board in writing. Also the board may require the posting of a cash bond of *$25* with the request for reappraisal of the first adjustment. In cases where the board requires the posting of the *$25* bond, the board may retain it if no increase is allowed. If an increase is obtained, the board will return the bond to the claimant.

(2) In case the adjuster who makes the second appraisal fails to secure an agreement, the claimant may at his option submit the matter to arbitration as herein provided or sue the board in the district court of the

HeinOnline -- 1983 vol. III 1671 1983

county where the loss occurred, within 90 days from the date of receipt of written notice of the second appraisal. Such actions shall be trials de novo and the Montana Rules of Civil Procedure shall apply. Where any claimant demands arbitration, he shall, if required by the board, furnish a cash bond to the board in the sum of *$50* which shall accompany his application. If there is not sufficient allowance made to any claimant after arbitration to cover the cost of arbitration without the use of the *$50* bond, then the board may use a part or all of said cash bond. In cases where the claimant secures an increase, the bond shall be promptly returned to the claimant. If the claimant elects to submit the matter to arbitration, he shall then appoint one disinterested person as appraiser and the official appraiser shall appoint another person as appraiser and the two shall select a third disinterested person and the three shall then proceed to adjust the loss in the same manner as specified in 80-2-242. The judgment of the majority shall be the judgment of said appraisers and shall be binding upon both parties as the final determination of said loss.

(3) (a) If the insured does not recover a greater sum than allowed by the official appraiser in the first instance, he shall pay the expenses of the three appraisers and their witnesses in making said adjustment, but if he is awarded a larger sum, then the same shall be paid by the board.

(b) If the insured shall be required to pay the expenses of such reappraisement as above provided, the board is hereby authorized to deduct the amount of such expenses from the amount allowed said insured before making settlement for said loss.

(4) The board shall examine all reports of appraisers and verify the same and adjust all losses and for such purposes may order hearings, subpoena witnesses, conduct examinations, and do all things necessary to secure a fair and impartial appraisement of losses by hail."

Section 14. Section 80-2-244, MCA, is amended to read:

"80-2-244. Payment of losses. (1) The board of hail insurance shall, as soon as practicable after the loss has been sustained, arrange for the payment of the loss in the following manner. From the amount of the loss as adjusted for each claimant, the board shall deduct the amount the claimant then owes as delinquent hail insurance tax and the maximum amount assessed as hail insurance tax for the current year.

(2) The board shall on or before November 1 order payment for the amount so deducted, which payment shall be remitted to the county treasurer of the county in which the tax was assessed. The board shall then order payment for the balance of the adjustment to be sent to the claimant, provided that in no case may the payment for loss exceed $24 per acre for grain crops on nonirrigated lands, $48 per acre on irrigated lands. No claimant may receive payment for any loss incurred where the loss does not equal or exceed 5% of the total value of the crop insured. If the losses in any year exceed the current levy plus the reserve, if any, then the payment of all losses shall be prorated, share and share alike, among all grain growers having loss claims adjusted and approved, and the unpaid balance of the losses shall be paid out of the reserve without interest in such order

HeinOnline -- 1983 vol. III 1672 1983

as the board directs, when in the judgment of the board there are sufficient moneys to provide for the payment of the same and other items payable out of the reserve. In any year the board may by resolution authorize its chairman and secretary to borrow as needed from any person, bank, or corporation such sum or sums of money as the board may consider necessary for the purpose of paying all warrants as issued.

(3) For any moneys borrowed under the provisions of this part, the board shall cause warrants to be drawn. The warrants shall bear interest at not to exceed 6% a year, and the warrants and the interest thereon shall be paid out of funds from the state hail insurance program as they are collected from the various counties in the state. The board may not at any time borrow a total sum greater than the amount of levies as made for taxes for the current year together with such delinquent taxes as remain unpaid on the books of the county treasurer."

Section 15. **Effective date.** This act is effective on passage and approval.

Approved April 30, 1983.

CHAPTER NO. 692

AN ACT TRANSFERRING THE END-STAGE RENAL DISEASE PROGRAM TO THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES; REPEALING ADMINISTRATIVE RULES OF THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES IMPLEMENTING THE CHRONIC OR END-STAGE RENAL DISEASE TREATMENT PROGRAM; CLARIFYING EXISTING RULEMAKING AUTHORITY FOR THOSE RULES; AND ADOPTING NEW RULES GOVERNING THE END-STAGE RENAL DISEASE PROGRAM UNTIL SUCH TIME AS RULES ARE ADOPTED BY THE DEPARTMENT; AMENDING SECTION 53-6-202, MCA; PROVIDING A TERMINATION DATE; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Renal program rules repealed.** The rules adopted by the department of social and rehabilitation services governing the end-stage renal program published in the Administrative Rules of Montana as ARM 46.16.101 through 46.16.103, 46.16.105, 46.16.106, 46.16.108, 46.16.110, and 46.16.115 are repealed.

Section 2. Section 53-6-202, MCA, is amended to read:

"**53-6-202. Establishment of program.** *(1)* The department of *health and environmental sciences* shall establish a program to provide treatment to persons suffering from chronic renal diseases, including dialysis and other medical procedures and techniques, which will have a lifesaving effect in the care and treatment of such persons. The department shall extend financial assistance to persons suffering from chronic

HeinOnline -- 1983 vol. III 1673 1983

renal diseases in obtaining the medical, nursing, pharmaceutical, and technical services necessary to care for such diseases, including the rental or purchase of home dialysis equipment and supplies.

(2) The department shall *by rule* establish standards for determining *the amount or duration of financial assistance to be extended to individuals* under this program in order that treatment shall be provided to those who are financially unable to obtain *services* without causing severe economic imbalance in the family economic unit. Such standards shall be established without reference to maximum or minimum income levels.

(3) The department is not liable to any person for a failure to provide financial assistance to that person under this section if sufficient funds are not appropriated by the legislature."

Section 3. **Renal program rules adopted — expiration.** The department of health and environmental sciences shall extend financial assistance under 53-6-202 to persons with chronic renal diseases in accordance with the following:

(1) The appropriate division shall extend financial assistance to eligible persons suffering from chronic renal diseases in obtaining the medical, nursing, pharmaceutical, and technical services necessary to care for such diseases; other services include but are not limited to kidney transplantation, surgery, hospitalization, psychological treatment, transportation for applicant, donor, or attendant, attendant training, and attendant salary. These services may not exclude the rental or purchase of home dialysis equipment supplies, plumbing, wells, rewiring, and other adaptive equipment and supplies.

(2) The following eligibility requirements must be met:

(a) Applicants who are not financially able to obtain care and treatment on a continuing basis without causing severe economic imbalance to their family economic unit are eligible. Maximum or minimum income levels of the applicant or his or her family may not be considered.

(b) Vocational rehabilitation clients are not eligible unless:

(i) a reasonable period of time has elapsed (generally 6 months) during which evaluative services were provided; and

(ii) a medical determination of nonfeasibility can be shown at the close of the 6-month evaluation period.

(c) Applicants must be medically described as suffering from "chronic" end-stage renal disease, which does not include those persons with conditions which could potentially lead to the chronic state and does not include those persons with conditions medically defined as acute renal failure.

(d) Applicants eligible for medicare may be eligible if they meet the standards of this program, providing medicare benefits are fully utilized.

(e) Applicants eligible for the appropriate medicaid or medically needy programs are not eligible for this program until the benefits from medicaid and medically needy programs are exhausted.

HeinOnline -- 1983 vol. III 1674 1983

(f) Eligibility as to financial need must be determined by the economic need test as set forth in ARM 46.6.405 through 46.6.411. Such standards shall be established without reference to maximum and minimum income levels.

(3) The following priority for services will be provided:

(a) training for dialysis (including transportation, room, and board);

(b) transplant costs;

(c) center dialysis (when justified);

(d) medications, for treatment of end-stage renal medical conditions;

(e) fistular surgery;

(f) dialysis machine rent, supplies, and repairs;

(g) costs to install dialysis machine at home, as necessary;

(h) plumbing, wiring, and related maintenance services; and

(i) attendant.

Section 4. **Termination date.** The limitations provided in subsections (1) through (3) of [section 3] terminate when the department adopts appropriate rules under the Montana Administrative Procedure Act to implement the provisions of 53-6-202.

Section 5. **Effective date.** This act is effective on passage and approval.

Approved April 30, 1983.

CHAPTER NO. 693

AN ACT TO REQUIRE STATE AND LOCAL GOVERNMENT AGENCIES TO COMPLY WITH CONDITIONS AND LIMITATIONS CONTAINED IN APPROPRIATION ACTS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Article VIII, Section 12, Constitution of Montana requires the legislature to insure by law the strict accountability of all revenue received and money spent by state and local governments; and

WHEREAS, Article VIII, Section 14, Constitution of Montana prohibits the payment of money, except for interest on the public debt, from the treasury unless upon an appropriation made by law and a warrant drawn by the proper officer.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Conditions and limitations in appropriation acts.** A condition or limitation contained in an appropriation act shall govern the administration and expenditure of the appropriation until the appropriation has been expended for the purpose set forth in the act or until such

condition or limitation is changed by a subsequent appropriation act. In no event does a condition or limitation contained in an appropriation act amend any other statute.

Section 2. **Codification instruction.** Section 1 is to be codified as an integral part of Title 17, Chapter 8.

Section 3. **Effective date.** This act is effective on passage and approval.

Approved April 30, 1983.

CHAPTER NO. 694

AN ACT LIMITING NOISE EMISSIONS FROM MOTORBOATS BY AUTHORIZING FISH AND GAME WARDENS (STATE CONSERVATION OFFICERS) THE POWER FOR ENFORCING PUBLIC NUISANCE AND DISORDERLY CONDUCT LAWS AS THEY APPLY TO THE OPERATION OF MOTORBOATS; AMENDING SECTION 87-1-506, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 87-1-506, MCA, is amended to read:

"**87-1-506. Enforcement powers of wardens.** A warden may:

(1) serve a subpoena issued by a court for the trial of a violator of the fish and game laws;

(2) search, without a warrant, any tent not used as a residence, any boat, vehicle, box, locker, basket, creel, crate, game bag, or package or their contents upon probable cause to believe that any fish and game law or department rule for the protection, conservation, or propagation of game, fish, birds, or fur-bearing animals has been violated;

(3) search, with a search warrant, any dwelling house or other building;

(4) seize game, fish, game birds, and fur-bearing animals and any parts of them taken or possessed in violation of the law or the rules of the department;

(5) seize and hold, subject to law or the orders of the department, devices which have been used to unlawfully take game, fish, birds, or fur-bearing animals;

(6) arrest, in accordance with Title 46, chapter 6, a violator of a fish and game law or rule of the department, violation of which is a misdemeanor;

(7) enforce the disorderly conduct and public nuisance laws (45-8-101 and 45-8-111) as they apply to the operation of motorboats on all waters of the state;

HeinOnline -- 1983 vol. III 1676 1983

(8) exercise the other powers of peace officers in the enforcement of the fish and game laws, the rules of the department, and judgments obtained for violation of those laws or rules."

Section 2. **Presumption of nuisance and disorderly conduct.** For the purposes of this part, the operation of a motorboat that emits noise in excess of 86 dbA when measured at a distance of 50 feet is presumed to be a public nuisance and constitute disorderly conduct, except when otherwise lawfully operated under a motorboat racing permit issued by a political subdivision of the state.

Section 3. **Effective date.** This act is effective May 1, 1983.

Approved April 30, 1983.

CHAPTER NO. 695

AN ACT TO MAKE THE COAL TAX OVERSIGHT SUBCOMMITTEE A PERMANENT SUBCOMMITTEE OF THE REVENUE OVERSIGHT COMMITTEE; APPROPRIATING FUNDS FOR THE OPERATION OF THE SUBCOMMITTEE; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Coal tax oversight subcommittee.** (1) There is a coal tax oversight subcommittee of the revenue oversight committee.

(2) The subcommittee consists of four legislators who are not members of the revenue oversight committee. Two members must be from the senate and two members must be from the house of representatives. No more than two members may be of the same political party. The subcommittee shall be appointed by the speaker of the house and the senate committee on committees.

(3) The subcommittee may:

(a) review the programs financed by coal severance tax funds; and

(b) consider any matters relating to coal taxation.

(4) The subcommittee shall elect a chairman and may meet upon the call of that chairman. The subcommittee shall report and make recommendations to the revenue oversight committee.

Section 2. **Appropriation.** There is appropriated $10,000 from the local impact and education trust fund coal tax account to the legislative council for the biennium ending June 30, 1985, for the operation of the coal tax oversight subcommittee.

Section 3. **Effective date.** This act is effective July 1, 1983.

Approved April 30, 1983.

HeinOnline -- 1983 vol. III 1677 1983

CHAPTER NO. 696

AN ACT TO INCREASE THE MAXIMUM PER LOT FEE CHARGEABLE FOR SUBDIVISION REVIEW; PROVIDING FOR A LOAN AND REPAYMENT; AMENDING SECTION 76-4-105, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 76-4-105, MCA, is amended to read:

"76-4-105. Lot fees. (1) The department shall adopt reasonable rules setting forth fees, not to exceed *$48* per parcel, for services rendered in the review of plats and subdivisions. The rules shall provide for a schedule of fees to be paid by the applicant for plat or subdivision review to the department for deposit in the agency fund provided for in 17-2-102. The fees shall be used for review of plats and subdivisions based on the complexity of the subdivision, including but not limited to:

(a) number of lots in the subdivision;

(b) the type of water system to serve the development;

(c) the type of sewage disposal to serve the development; and

(d) the degree of environmental research necessary to supplement the review procedure.

(2) The department shall adopt rules to determine the distribution of lot fees between the local governing body and the department as provided in 76-4-128. When a subdivision is reviewed under the master plan provisions of 76-4-124, the local governing body shall, within 20 days after receiving an application under the Montana Subdivision and Platting Act, distribute the lot fees as determined by this subsection.

(3) A fee as described in this section is not required for the review of subdivisions in which divisions are made for the purpose of relocating common boundary lines unless the division will result in the installation of additional water supply or sewage disposal facilities."

Section 2. **Saving clause.** This act does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before the effective date of this act.

Section 3. **General fund loan.** There is authorized from the general fund to the department of health and environmental sciences a loan up to $50,000 to be used for continuing the function of subdivision review for fiscal year 1984. The loan must be repaid to the general fund no later than June 30, 1984.

Section 4. **Effective date.** This act is effective on passage and approval.

Approved April 30, 1983.

HeinOnline -- 1983 vol. III 1678 1983

CHAPTER NO. 697

AN ACT TO IMPLEMENT ARTICLE XI, SECTION 9(2), OF THE MONTANA CONSTITUTION BY PROVIDING FOR ELECTIONS ON THE QUESTION OF REVIEW OF LOCAL GOVERNMENT AND PROCEDURES FOR THE ESTABLISHMENT AND FUNCTIONING OF LOCAL GOVERNMENT STUDY COMMISSIONS AND FOR THE IMPLEMENTATION OF THEIR RECOMMENDATIONS; AMENDING SECTIONS 7-3-143 AND 7-3-151, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Purpose.** The purpose of [sections 1 through 25] is to provide a mechanism for local government review as required by Article XI, section 9, of the Montana constitution.

Section 2. **Purpose of study commission.** The purpose of a study commission is to study the existing form and powers of a local government and procedures for delivery of local government services and compare them with other forms available under the laws of the state.

Section 3. **Establishment of study commissions.** (1) A study commission may be established by an affirmative vote of the people. An election on the question of conducting a local government review and establishing a study commission shall be held:

(a) whenever the governing body of the local government unit calls for an election by resolution;

(b) whenever a petition signed by at least 15% of the electors of the local government calling for an election is submitted to the governing body; or

(c) in 1984 and thereafter whenever 10 years have elapsed since the electors have voted on the question of conducting a local government review and establishing a study commission.

(2) The governing body shall call for an election, to be held on the primary election date, on the question of conducting a local government review and establishing a study commission:

(a) in 1984 to implement the provisions of Article XI, section 9(2), of the Montana constitution as provided in section 2, Chapter 70, Laws of 1977;

(b) within 1 year after the 10-year period referred to in subsection (1)(c).

Section 4. **Election procedures.** (1) Votes cast on the question of establishing a study commission and for electing study commission members shall be counted, canvassed, and returned as provided in Title 13 for general elections.

(2) The election administrator shall report the results of all elections conducted under [sections 1 through 25] to the secretary of state within 15 days of the date the results become official.

HeinOnline -- 1983 vol. III 1679 1983

Section 5. **Election on question of establishing study commission.** (1) The question of conducting a local government review and establishing a study commission shall be submitted to the electors in substantially the following form:

Vote for one:

☐ FOR the review of the government of (insert name of local government) and the establishment of a local government study commission consisting of (insert number of members) members to examine the government of (insert name of local government) and submit recommendations thereon.

☐ AGAINST the review of the government of (insert name of local government) and the establishment of a study commission.

(2) The question of conducting a local government review and establishing a study commission requires an affirmative vote of a majority of those voting on the question for passage.

(3) Except for elections to be conducted pursuant to [section 3(2)], a special election on the question of reviewing a local government and establishing a study commission shall be held no sooner than 60 days and no later than 90 days after the passage of a resolution or the certification of a petition calling for an election on the question.

Section 6. **Election of commission members.** (1) If the question of reviewing the local government and establishing a study commission is approved, an election to fill the positions on the local government study commission shall be held in conjunction with the 1984 general election date or at the first regularly scheduled election of the local government conducted after 90 days following the election establishing the study commission. A primary election may not be held.

(2) The names of study commission candidates who have filed declarations of nomination not later than 60 days before the date of the election shall be placed on the ballot. There is no filing fee. The election is nonpartisan, and candidates shall be listed without party or other designation or slogan. The secretary of state shall prescribe the ballot form for study commissions.

(3) Candidates for study commission positions shall be electors of the local government for which the study commission has been established. The candidates may not be elected officials of the local government.

(4) The number of candidates, equal to the number of study commission positions to be elected, receiving the highest number of votes shall be declared elected.

(5) If the number of study commissioners elected is not equal to the number required to be selected, the chairman of the governing body, with the confirmation of the governing body, shall appoint the additional study commissioners within 20 days of the election. No elected official of the local government may be appointed.

Section 7. **Composition of study commission.** (1) The number of positions, which must be an odd number of not less than three, on the

HeinOnline -- 1983 vol. III 1680 1983

study commission shall be set out in the resolution or petition calling for the election on the question of reviewing the local government or local governments and establishing a study commission. If the election is called under the provisions of [section 3(1)(c)], the study commission shall consist of three members unless the local governing body by resolution declares that a larger number shall be elected.

(2) Every study commission shall include as an ex officio nonvoting member a member of the governing body or an elected official or employee of the local government appointed by the governing body.

Section 8. **Term of office.** The term of office of study commission members begins on the day their election to the study commission is declared or certified under 13-15-405 or on the day of their appointment and ends on the day of the vote on the alternative plan. If the alternative plan is adopted, the term continues for 90 days after the day of the vote on the alternative plan. If the commission recommends no alternative plan, the term ends 30 days after submission of the final report in accordance with [section 19].

Section 9. **Vacancies.** Vacancies on a study commission shall be filled by appointment by the governing body of the local government being studied by the commission.

Section 10. **Compensation.** Members of the study commission may receive no compensation other than for actual and necessary expenses incurred in their official capacity.

Section 11. **Organization of commission.** (1) Not later than 10 days after all members of the study commission have been elected or appointed, the study commission shall meet and organize at a time set by the chairman of the governing body of the local government which the study commission is to examine.

(2) At the first meeting of the study commission, the study commission may elect a temporary chairman, who will serve until a permanent chairman is selected.

Section 12. **Cooperation of study commissions.** (1) Any two or more study commissions may cooperate in the conduct of their studies. A majority vote by each of the affected study commissions is required for a cooperative study.

(2) Cooperative studies do not preclude each study commission from making a separate report and recommendation.

Section 13. **Conduct of business.** (1) Meetings of the study commission shall be held upon the call of the chairman, vice-chairman in the absence or inability of the chairman, or a majority of the members. The chairman shall announce the time and place of the meetings of the study commission.

(2) The study commission shall maintain a written record of its proceedings and its finances. This record is open to inspection by any person at the office of the study commission during regular office hours.

HeinOnline -- 1983 vol. III 1681 1983

(3) A majority of the members of the study commission constitutes a quorum for the transaction of business, but no recommendation of a study commission may have any legal effect unless adopted by a majority of the whole number of members of the study commission.

(4) The study commission may adopt rules for its own organization and procedure.

Section 14. **Open meetings and public involvement.** All meetings of the study commission are open to the public as provided in Title 2, chapter 3, part 2. The study commission shall hold public hearings and community forums and may use other suitable means to disseminate information, receive suggestions and comments, and stimulate public discussion of its purpose, progress, conclusions, and recommendations.

Section 15. **Commission powers.** (1) A study commission may employ and fix the compensation and duties of necessary staff. State, municipal, and county officers and employees, at the request of the study commission and with the consent of the employing agency, may be granted leave with or without pay from their agency to serve as consultants to the study commission. If leave with pay is granted, they may receive no other compensation from the study commission except mileage and per diem.

(2) A study commission may contract and cooperate with other agencies, public or private, as it considers necessary for assistance in carrying out the purposes for which the commission was established. Upon request of the chairman of the study commission, state agencies, counties, and other local governments and the officers and employees thereof shall furnish or make available to the commission such information as may be necessary for carrying out the commission's function.

(3) A study commission may:

(a) establish advisory boards and committees, including on them persons who are not members of the study commission;

(b) retain consultants; and

(c) do any other act consistent with and reasonably required to perform its function.

Section 16. **Financial administration.** (1) A study commission shall prepare a budget for each fiscal year it is in existence and submit it to the local governing body for approval.

(2) (a) For the support of the study commission, for each fiscal year the study commission is in existence, each local government under study shall appropriate the equivalent of at least 1 mill and the local government may levy up to 1 mill in excess of all other mill levies authorized by law to fund the appropriation for the support of the study commission.

(b) The local government shall provide office and meeting space and clerical assistance to the study commission. The cost of clerical assistance and other in-kind services provided by the local government may be used to partially fulfill the appropriation requirement of subsection (2)(a).

HeinOnline -- 1983 vol. III 1682 1983

(c) The local government may in its discretion provide additional funds and other assistance.

(3) The study commission may apply for and accept available private, state, and federal money and may accept donations from any source.

(4) All money received by the study commission shall be deposited with the local government finance administrator. The finance administrator is authorized to disburse appropriated money of the study commission on the study commission's order after approval of the budget by the governing body. Unexpended money of the study commission does not revert to the general fund of the local government at the end of the fiscal year but carries over to the study commission's appropriation for the following fiscal year. Upon termination of the study commission, unexpended money reverts to the general fund of the local government.

Section 17. **Scope of study commission recommendations.** (1) A study commission elected to examine the government of a county may:

(a) recommend amendments to the existing plan of government;

(b) recommend any plan of government authorized by Title 7, chapter 3, parts 1 through 6;

(c) draft a charter;

(d) recommend municipal-county consolidation or amendments to an existing consolidation;

(e) in cooperation with a study commission in an adjoining county, recommend county merger; or

(f) submit no recommendation.

(2) A study commission elected to examine the government of a municipality may:

(a) recommend amendments to the existing plan of government;

(b) recommend any plan of government authorized by Title 7, chapter 3, parts 1 through 6;

(c) draft a charter;

(d) recommend municipal-county consolidation;

(e) recommend disincorporation; or

(f) submit no recommendation.

Section 18. **Study commission timetable.** (1) Each local government study commission shall, within 90 days of its organizational meeting, establish a timetable for its deliberations and actions. The timetable must be published in a local newspaper of general circulation. The timetable may be revised, but each revision must be republished.

(2) The timetable must provide, at a minimum, the following provisions, to be accomplished chronologically in the order presented:

HeinOnline -- 1983 vol. III 1683 1983

(a) conduct one or more public hearings for the purpose of gathering information regarding the current form, functions, and problems of local government;

(b) formulate, reproduce, and distribute a tentative report, containing the same categories of information required to be included in the final report;

(c) conduct one or more public hearings on the tentative report;

(d) adopt the final report of the commission and set the date for a special election on the question of adopting a new plan of government or, if the study commission is not recommending any changes, publish and distribute the final report as provided in [section 19] within 60 days after the final report is adopted.

Section 19. **Final report.** (1) Every study commission shall adopt a final report. If the study commission recommends an alternative form of government, the final report shall contain the following materials and documents, each signed by a majority of the study commission members:

(a) those materials and documents required of a petition proposing an alteration of an existing form of government in 7-3-142;

(b) a certificate establishing the date of the special election, which may be held in conjunction with a regularly scheduled election, at which the alternative form of government shall be presented to the electors and a certificate establishing the form of the ballot question or questions; and

(c) a certificate establishing the dates of the first primary and general elections for officers of a new government if the proposal is approved and establishing the effective date of the proposal if approved.

(2) The final report shall contain any minority report signed by members of the commission who do not support the majority proposal.

(3) If the study commission is not recommending any changes, its final report shall so indicate.

(4) The study commission shall file one copy of the final report with the department of administration. A copy of the final report shall be certified by the study commission to the municipal or county records administrator within 30 days after the adoption of the final report.

(5) Sufficient copies of the final report are to be prepared for public distribution. The final report must be available to the electors not later than 30 days prior to the election on the issue of adopting the alternative plan. Copies of the final report may be distributed to electors or residents of the local government or governments affected.

Section 20. **Special final report requirements — consolidation or county merger.** (1) Consolidation or merger may be placed on the ballot only by a joint report by cooperative study commissions.

(2) A final report, in addition to the material required in [section 19], must contain a consolidation plan if county-municipal consolidation or

HeinOnline -- 1983 vol. III 1684 1983

county merger is recommended. The consolidation plan must conform to the provisions and requirements relating to petitions in:

(a) 7-3-143 whenever county-municipal consolidation is recommended; or

(b) 7-3-144 whenever county merger is recommended.

Section 21. **Special final report requirements for disincorporation.** If a study commission proposes municipal disincorporation, the final report shall contain the following additional material and documents:

(1) a certificate of disincorporation instead of a plan of government; and

(2) a recommended plan of disincorporation.

Section 22. **Supplementary reports.** A study commission may prepare separate reports in addition to its final report. These reports may recommend consolidation of services and functions and indicate potential areas for interlocal agreements.

Section 23. **Publication of summary.** Each study commission shall publish once each week for 2 successive weeks in a newspaper of general circulation throughout the area of the affected local government a summary of its findings and recommendations, together with the address of a convenient public place where the text of its proposal may be obtained. The summary shall include a comparison of the existing and proposed plans of government.

Section 24. **Election on recommendation.** (1) An alternative plan of government recommended by a study commission shall be submitted to the voters as provided in 7-3-149, except that the study commission shall authorize the submission of the alternative plan of government to the voters at a special election to be held within 120 days of the adoption of the final report. The special election may be held in conjunction with any regularly scheduled election. Study commissions elected on the general election date in 1984 shall submit a final report allowing for a vote on any recommendation no later than the general election date in 1986.

(2) General ballot requirements and treatment of suboptions on an alternative plan of government recommended by a study commission shall be the same as for recommendations by petition as provided in 7-3-150 and 7-3-151.

Section 25. **Application of other sections.** (1) Except as provided in subsection (2), 7-3-122 and 7-3-152 through 7-3-161 apply to the adoption of an alternative plan of government upon recommendation by a study commission.

(2) (a) The chairman of the study commission and not the chairman of the governing body shall certify documents under 7-3-153.

(b) The study commission and not the governing body shall prepare an advisory plan for orderly transition to a new plan of local government under 7-3-157.

HeinOnline -- 1983 vol. III 1685 1983

(c) A study commission plan may provide for existing elected officers under 7-3-158(3).

Section 26. Section 7-3-143, MCA, is amended to read:

"7-3-143. Special requirements if consolidation recommended. (1) Whenever county-municipal consolidation is recommended, a petition, in addition to the material required in 7-3-142, must contain a consolidation plan which:

(a) provides for adjustment of existing bonded indebtedness and other obligations in a manner which assures a fair and equitable burden of taxation for debt service;

(b) provides for establishment of subordinate service districts;

(c) provides for the transfer or other disposition of property and other rights, claims, assets, and franchises of the local governments consolidated under its proposal;

(d) provides the official name of the consolidated local government; and

(e) (i) provides for the transfer, reorganization, abolition, adjustment of boundaries, or absorption of *all* existing boards, *bureaus, special districts,* subordinate service districts, local improvement districts, agencies, and political subdivisions of the consolidated governments, excluding school districts and nonconsolidated municipalities; or

(ii) grants the legislative body of the consolidated government the authority to transfer, reorganize, abolish, adjust boundaries *(and may provide a method for adjusting boundaries),* or absorb existing boards, *bureaus, special districts,* subordinate service districts, local improvement districts, agencies, and political subdivisions of the consolidated governments, excluding school districts and nonconsolidated municipalities, with or without referendum requirements.

(2) The consolidation plan may include other provisions that are consistent with state law.

(3) Whenever amendments to an existing consolidation plan are recommended, a petition must contain a certificate containing amendments to the consolidation plan."

Section 27. Section 7-3-151, MCA, is amended to read:

"7-3-151. Treatment of suboptions for alternative forms. (1) No petition recommendation may involve more than three separate suboptions, and no suboption may contain more than two alternatives. If a suboption is submitted to the voters, only the ballot alternatives within that suboption receiving the highest number of affirmative votes are considered approved and included in the alternative form of government. *If the alternative form of government fails, a suboption is of no effect.*

(2) A proposed plan shall be submitted to the voters as a single question, except that the suboptions within the alternative plan of local government authorized in Title 7, chapter 3, parts 1 through 6, and the

HeinOnline -- 1983 vol. III 1686 1983

suboptions authorized in a charter may be submitted to the electors as separate questions. The question of adopting a suboption shall be submitted to the electors in substantially the following form:

Vote for one:

A legal officer (who may be called the "county attorney"):

☐ Shall be elected for a term of 4 years.

☐ Shall be appointed for a term of 4 years by the chairman of the local governing body."

Section 28. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Approved April 30, 1983.

CHAPTER NO. 698

AN ACT REVISING THE LAWS PROHIBITING DRIVING UNDER THE INFLUENCE OF ALCOHOL OR DRUGS; MAKING IT AN OFFENSE TO DRIVE A MOTOR VEHICLE WITH A BLOOD ALCOHOL CONCENTRATION OF MORE THAN .10; PROVIDING FOR THE ADMISSIBILITY OF EVIDENCE; AMENDING SECTIONS 61-5-205, 61-5-208, 61-8-101, 61-8-401 THROUGH 61-8-404, AND 61-11-203, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-5-205, MCA, is amended to read:

"61-5-205. Mandatory revocation of license upon proper authority. The division upon proper authority shall revoke the license or operating privilege of any operator or chauffeur upon receiving a record of such operator's or chauffeur's conviction or forfeiture of bail not vacated of any of the following offenses, when such conviction or forfeiture has become final:

(1) negligent homicide resulting from the operation of a motor vehicle;

(2) driving a motor vehicle while under the influence of alcohol or narcotic drug, or willfully or knowingly under the influence of any other drug to a degree which renders him incapable of safely driving a motor vehicle, or a combination thereof except as provided in 61-5-208, *or operation of a motor vehicle by a person with a blood alcohol concentration of 0.10 or more*;

(3) any felony in the commission of which a motor vehicle is used;

(4) failure to stop and render aid as required under the laws of this state in the event of a motor vehicle accident resulting in the death or personal injury of another;

(5) perjury or the making of a false affidavit or statement under oath to the division under this chapter or under any other law relating to the ownership or operation of motor vehicles;

(6) conviction or forfeiture of bail not vacated, upon three charges of reckless driving committed within a period of 12 months."

Section 2. Section 61-5-208, MCA, is amended to read:

"61-5-208. Period of suspension or revocation. (1) The division may not suspend or revoke a driver's license or privilege to drive a motor vehicle on the public highways for a period of more than 1 year, except as permitted under 61-5-207, 61-5-212, 61-6-123, and 61-11-211.

(2) Any person whose license or privilege to drive a motor vehicle on the public highways has been suspended or revoked is not entitled to have such license or privilege renewed or restored unless the revocation was for a cause which has been removed, except that after the expiration of the period of such revocation or suspension, the person may make application for a new license as provided by law but the division may not then issue a new license unless and until it is satisfied after investigation of character, habits, and driving ability of the person that it is safe to grant the privilege of driving a motor vehicle on the public highways. When any person is convicted or forfeits bail or collateral not vacated for the offense of operating or being in actual physical control of a motor vehicle while under the influence of alcohol or a narcotic drug or knowingly or willingly under the influence of any other drug to a degree which renders him incapable of safely driving a motor vehicle, or a combination thereof, *or for the offense of operation of a motor vehicle by a person with alcohol concentration of 0.10 or more*, the division shall, upon receiving a report of such conviction or forfeiture of bail or collateral not vacated, suspend the license or driving privilege of the person for a period of 6 months. Upon receiving a report of a conviction or forfeiture of bail or collateral for a second, third, or subsequent offense within 5 years of the first offense, the division shall revoke the license or driving privilege of the person for a period of 1 year.

(3) The period for all revocations made mandatory by 61-5-205 shall be 1 year except as provided in subsection (2) of this section.

(4) The period of revocation for any person convicted of any offense which makes mandatory the revocation of the operator's or chauffeur's license commences from date of conviction or forfeiture of bail."

Section 3. Section 61-8-101, MCA, is amended to read:

"61-8-101. Application — exceptions. *(1) As used in this chapter, "ways of the state open to the public" means any highway, road, alley, lane, parking area, or other public or private place adapted and fitted for public travel that is in common use by the public.*

HeinOnline -- 1983 vol. III 1688 1983

(2) The provisions of this chapter relating to the operation of vehicles refer exclusively to the operation of vehicles upon highways except:

(a) where a different place is specifically referred to in a given section;

(b) the provisions of 61-8-301 and 61-8-401, with regard to operating a vehicle while under the influence of drugs, apply *anywhere within this state;*

(c) the provisions of 61-8-301 and 61-8-401, with regard to operating a vehicle while under the influence of alcohol, apply upon all ways of this state open to the public.

(3) The operation of motor vehicles directly across the public roads and highways of this state, especially as required in the transportation of natural resource products, including agricultural products and livestock, shall not be considered to be the operation of such vehicles on the public roads and highways of this state provided that such crossings are adequately marked with warning signs or devices. Such crossings are subject to provisions relating to stopping before entry and to restoration of any damage as may reasonably be prescribed by the state or local agency in control of safety of operation of the public highway involved."

Section 4. **Operation of motor vehicle by a person with alcohol concentration of 0.10 or more.** It is unlawful and punishable as provided in [section 11] for any person to drive or be in actual physical control of a motor vehicle upon the ways of the state open to the public while the alcohol concentration in his blood, breath, or urine is 0.10 or more.

Section 5. Section 61-8-401, MCA, is amended to read:

"61-8-401. Persons under the influence of alcohol or drugs. (1) It is unlawful and punishable as provided in 61-8-714 for any person who is under the influence of:

(a) alcohol to drive or be in actual physical control of a motor vehicle upon the *ways of the state open to the public*;

(b) a narcotic drug to drive or be in actual physical control of a motor vehicle within this state;

(c) any other drug to a degree which renders him incapable of safely driving a motor vehicle to drive or be in actual physical control of a motor vehicle within this state; *or*

(d) alcohol and any drug to a degree that renders him incapable of safely driving a motor vehicle to drive or be in actual physical control of a motor vehicle within this state.

(2) The fact that any person charged with a violation of subsection (1) is or has been entitled to use *alcohol or* such a drug under the laws of this state does not constitute a defense against any charge of violating subsection (1).

(3) *Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person driving or in actual physical control of a vehicle while under the influence of alcohol,*

HeinOnline -- 1983 vol. III 1689 1983

the concentration of alcohol in the *person's* blood at the time alleged, as shown by chemical analysis of the *person's* blood, urine, breath, or other bodily substance, shall give rise to the following presumptions:

(a) If there was at that time *an alcohol concentration of* 0.05 or less, it shall be presumed that the *person* was not under the influence of alcohol.

(b) If there was at that time *an alcohol concentration* in excess of 0.05 but less than 0.10, that fact shall not give rise to any presumption that the *person* was or was not under the influence of alcohol but such fact may be considered with other competent evidence in determining the guilt or innocence of the *person.*

(c) If there was at that time *an alcohol concentration of* 0.10 or more, it shall be presumed that the *person* was under the influence of alcohol. *Such presumption is rebuttable.*

(4) The provisions of subsection (3) do not limit the introduction of any other competent evidence bearing upon the issue of whether the person was under the influence of alcohol.

(5) Each municipality in this state is given authority to enact 61-8-714, *[section 4], [section 6], [section 11],* and subsections (1) through (4) of this section, with the word "state" in *[section 4], and* subsection (1) of this section changed to read "municipality", as an ordinance and is given jurisdiction of the enforcement of the ordinance and of the imposition of the fines and penalties therein provided."

Section 6. **Multiple convictions prohibited.** When the same acts may establish the commission of an offense under both [section 4] and 61-8-401, a person charged with such conduct may be prosecuted for a violation of both [section 4] and 61-8-401. However, he may only be convicted of an offense under either [section 4] or 61-8-401.

Section 7. **Definition of alcohol concentration.** For purposes of [section 4] and 61-8-401, "alcohol concentration" means either grams of alcohol per 100 milliliters of blood, grams of alcohol per 210 liters of breath, or grams of alcohol per 75.3 milliliters of urine.

Section 8. Section 61-8-402, MCA, is amended to read:

"61-8-402. Chemical blood, breath, or urine tests. (1) Any person who operates a motor vehicle upon the *ways of the state open to the public* shall be deemed to have given consent, subject to the provisions of 61-8-401, to a chemical test of his blood, breath, or urine for the purpose of determining the alcoholic content of his blood if arrested by a peace officer for driving or in actual physical control of a motor vehicle while under the influence of alcohol. The test shall be administered at the direction of a peace officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle upon the *ways of the state open to the public,* while under the influence of alcohol. The arresting officer may designate which one of the aforesaid tests shall be administered.

HeinOnline -- 1983 vol. III 1690 1983

(2) Any person who is unconscious or who is otherwise in a condition rendering him incapable of refusal shall be deemed not to have withdrawn the consent provided by subsection (1) of this section.

(3) If a person under arrest refuses upon the request of a peace officer to submit to a chemical test designated by the arresting officer as provided in subsection (1) of this section, none shall be given, but the division, upon the receipt of a sworn report of the peace officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle upon the *ways of the state open to the public,* while under the influence of alcohol and that the person had refused to submit to the test upon the request of the peace officer, shall suspend *for a period of 60 days* the license or driving privilege of such person on the highways of this state. Like refusal by a nonresident shall be subject to suspension by the division in like manner. All such suspensions are subject to review as hereinafter provided."

Section 9. Section 61-8-403, MCA, is amended to read:

"61-8-403. Right of appeal to court. The division shall immediately notify any person whose license or privilege to drive has been suspended, as hereinbefore authorized, in writing and such person shall have the right to file a petition within 30 days thereafter for a hearing in the matter in the district court in the county wherein such person shall reside. Such court is hereby vested with jurisdiction and it shall be its duty to set the matter for hearing upon *10* days' written notice to the county attorney of the county wherein the appeal is filed and such county attorney shall represent the state, and thereupon the court shall take testimony and examine into the facts of the case, except that the issues shall be limited to whether a peace officer had reasonable grounds to believe the person had been driving or was in actual physical control of a vehicle upon the *ways of the state open to the public,* while under the influence of alcohol, whether the person was placed under arrest, and whether such person refused to submit to the test. The court shall thereupon determine whether the petitioner is entitled to a license or is subject to suspension as heretofore provided."

Section 10. Section 61-8-404, MCA, is amended to read:

"61-8-404. Evidence admissible — conditions of admissibility. (1) Upon the trial of any criminal action or *other* proceeding arising out of acts alleged to have been committed by any person *in violation of [section 4] or 61-8-401:*

(a) evidence of the amount of alcohol in the person's blood at the time of the act alleged as shown by a chemical analysis of his blood, breath, or urine is admissible*; and*

(b) a report of the facts and results of any chemical test of a person's blood, breath, or urine administered under 61-8-402 is admissible in evidence if:

(i) the breath analysis report was prepared and verified by the person who performed the test or the blood or urine test was a laboratory analysis and the analysis was done in a laboratory operated by the department

HeinOnline -- 1983 vol. III 1691 1983

of justice or by any other laboratory or facility certified or exempt from certification under the rules of the department; and

(ii) the report was prepared in accordance with any applicable rules of the department; and

(iii) if the test was on a blood sample, the person withdrawing the blood must have been competent to do so under 61-8-405(1).

(2) If the person under arrest refused to submit to the test as hereinabove provided, proof of refusal shall be admissible in any criminal action or proceeding arising out of acts alleged to have been committed while the person was driving or in actual physical control of a motor vehicle upon the *ways of the state open to the public*, while under the influence of alcohol.

(3) The provisions of this part do not limit the introduction of any other competent evidence bearing on the question of whether the person was under the influence of alcohol."

Section 11. **Penalty for driving with excessive blood alcohol concentration.** (1) A person convicted of a violation of [section 4] shall be punished by imprisonment for not more than 10 days and shall be punished by a fine of not less than $100 or more than $500.

(2) On a second conviction of a violation of [section 4], he shall be punished by imprisonment for not less than 48 consecutive hours or more than 30 days and by a fine of not less than $300 or more than $500.

(3) On a third or subsequent conviction of a violation of [section 4], he shall be punished by imprisonment for not less than 48 consecutive hours or more than 6 months and by a fine of not less than $500 or more than $1,000.

(4) The provisions of 61-5-205(2), 61-5-208(2), and 61-11-203(2)(d) relating to revocation and suspension of driver's licenses shall apply to any conviction under [section 4].

(5) In addition to the punishment provided in this section, regardless of disposition, the defendant shall complete an alcohol information course at an alcohol treatment program approved by the department of institutions, which may include alcohol or drug treatment, or both, if considered necessary by the counselor conducting the program. Each counselor providing such education or treatment shall, at the commencement of the education or treatment, notify the court that the defendant has been enrolled in a course or treatment program. If the defendant fails to attend the course or the treatment program, the counselor shall notify the court of the failure.

(6) For the purpose of determining the number of convictions under this section, "conviction" means a final conviction, as defined in 45-2-101, or a forfeiture of bail or collateral deposited to secure the defendant's appearance in court, which forfeiture has not been vacated. An offender is considered to have been previously convicted for the purposes of this section if less than 5 years have elapsed between the commission of the present offense and a previous conviction. If there has been no additional

HeinOnline -- 1983 vol. III 1692 1983

conviction for an offense under this section for a period of 5 years after a prior conviction hereunder, then such prior offense shall be expunged from the defendant's record.

Section 12. Section 61-11-203, MCA, is amended to read:

"61-11-203. Definitions. As used in this part, the following definitions apply:

(1) "Conviction" means a finding of guilt by duly constituted judicial authority, a plea of guilty, or a forfeiture of bail, bond, or other security deposited to secure appearance by a person charged with having committed any offense relating to the use or operation of a motor vehicle which is prohibited by law, ordinance, or administrative order.

(2) "Habitual traffic offender" means any person who within a 3-year period accumulates 30 or more conviction points according to the schedule specified in this subsection:

(a) deliberate homicide resulting from the operation of a motor vehicle, 15 points;

(b) mitigated deliberate homicide or negligent homicide resulting from operation of a motor vehicle, 12 points;

(c) any offense punishable as a felony under the motor vehicle laws of Montana or any felony in the commission of which a motor vehicle is used, 12 points;

(d) driving while under the influence of intoxicating liquor or narcotics or drugs of any kind *or operation of a motor vehicle by a person with alcohol concentration of 0.10 or more*, 10 points;

(e) operating a motor vehicle while his license to do so has been suspended or revoked, 6 points;

(f) failure of the driver of a motor vehicle involved in an accident resulting in death or injury to any person to stop at the scene of the accident and give the required information and assistance, as defined in 61-7-105, 8 points;

(g) willful failure of the driver involved in an accident resulting in property damage of $250 to stop at the scene of the accident and give the required information or to otherwise fail to report an accident in violation of the law, 4 points;

(h) reckless driving, 5 points;

(i) illegal drag racing or engaging in a speed contest in violation of the law, 5 points;

(j) operating a motor vehicle without a license to do so, 2 points (this subsection (j) does not apply to operating a motor vehicle within a period of 180 days from the date the license expired);

(k) speeding, 3 points;

(l) all other moving violations, 2 points. There shall be no multiple application of cumulative points when two or more charges are filed

HeinOnline -- 1983 vol. III 1693 1983

involving a single occurrence. If there are two or more convictions involving a single occurrence, only the number of points for the specific conviction carrying the highest points shall be chargeable against that defendant.

(3) "License" means any type of license or permit to operate a motor vehicle."

Section 13. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 14. Codification instruction. Sections 4, 6, and 11 are intended to be codified as an integral part of Title 61, chapter 8, and the provisions of Title 61, chapter 8, apply to sections 4, 6, and 11.

Approved April 30, 1983.

CHAPTER NO. 699

AN ACT TO REQUIRE THAT MOTOR VEHICLE FEES AND REIMBURSEMENT BE CONSIDERED IN COMPUTING EACH SCHOOL DISTRICT'S GENERAL FUND, TRANSPORTATION, AND RETIREMENT LEVIES AND CLAIMS FOR SCHOOL EQUALIZATION AID; AMENDING SECTIONS 20-9-141, 20-9-331, 20-9-333, 20-9-352, 20-9-501, AND 20-10-144, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 20-9-141, MCA, is amended to read:

"20-9-141. Computation of general fund net levy requirement by county superintendent. (1) The county superintendent shall compute the levy requirement for each district's general fund on the basis of the following procedure:

(a) Determine the total of the district's nonisolated school foundation program requirement to be met by a district levy as provided in 20-9-303, the district's permissive levy amount as provided in 20-9-352, and any additional levies authorized by the electors of the district under the provisions of 20-9-353, except that the total of the permissive and additional levies shall not exceed the total amount of the final general fund budget less the foundation program.

(b) Determine the total of the moneys available for the reduction of the property tax on the district for the general fund by totaling:

(i) anticipated federal moneys received under the provisions of Title I of Public Law 81-874 or other anticipated federal moneys received in lieu of such federal act;

HeinOnline -- 1983 vol. III 1694 1983

(ii) anticipated tuition payments for out-of-district pupils under the provisions of 20-5-303, 20-5-307, 20-5-312, and 20-5-313;

(iii) general fund cash reappropriated, as established under the provisions of 20-9-104;

(iv) anticipated state impact aid received under the provisions of 20-9-304;

(v) anticipated motor vehicle fees and reimbursement under the provisions of 61-3-532 and 61-3-536;

(vi) anticipated interest to be earned by the investment of general fund cash in accordance with the provisions of 20-9-213(4); and

(vii) any other revenue anticipated by the trustees to be received during the ensuing school fiscal year which may be used to finance the general fund.

(c) Subtract the total of the moneys available to reduce the property tax required to finance the general fund that has been determined in subsection (1)(b) from the total levy requirement determined in subsection (1)(a).

(2) The net general fund levy requirement determined in subsection (1)(c) shall be reported to the county commissioners on the second Monday of August by the county superintendent as the general fund levy requirement for the district, and a levy shall be made by the county commissioners in accordance with 20-9-142."

Section 2. Section 20-9-331, MCA, is amended to read:

"20-9-331. Basic county tax and other revenues for county equalization of the elementary district foundation program. (1) It shall be the duty of the county commissioners of each county to levy an annual basic tax of 25 mills on the dollars of the taxable value of all taxable property within the county for the purposes of local and state foundation program support. The revenue to be collected from this levy shall be apportioned to the support of the foundation programs of the elementary school districts in the county and to the earmarked revenue fund, state equalization aid account, in the following manner:

(a) In order to determine the amount of revenue raised by this levy which is retained by the county, the sum of the estimated revenues identified in subsections (2)(a) through (2)(f) below shall be subtracted from the sum of the county elementary transportation obligation and the total of the foundation programs of all elementary districts of the county.

(b) If the basic levy of 25 mills produces more revenue than is required to finance the difference determined above, the county commissioners shall order the county treasurer to remit the surplus funds to the state treasurer for deposit to the earmarked revenue fund, state equalization aid account, not later than June 1 of the fiscal year for which the levy has been set.

(2) The proceeds realized from the county's portion of the levy prescribed by this section and the revenues from the following sources shall

HeinOnline -- 1983 vol. III 1695 1983

be used for the equalization of the elementary district foundation programs of the county as prescribed in 20-9-334, and a separate accounting shall be kept of such proceeds and revenues by the county treasurer in accordance with 20-9-212(1):

(a) the portion of the federal forest reserve funds distributed to a county and designated for the common school fund under the provisions of 17-3-213;

(b) the portion of the federal Taylor Grazing Act funds distributed to a county and designated for the common school fund under the provisions of 17-3-222;

(c) the portion of the federal flood control act funds distributed to a county and designated for expenditure for the benefit of the county common schools under the provisions of 17-3-232;

(d) all moneys which are paid into the county treasury as a result of fines for violations of law and the use of which is not otherwise specified by law;

(e) any money remaining at the end of the immediately preceding school fiscal year in the county treasurer's account for the various sources of revenue established or referred to in this section; and

(f) any federal or state moneys, *including anticipated motor vehicle fees and reimbursement under the provisions of 61-3-532 and 61-3-536,* distributed to the county as payment in lieu of the property taxation established by the county levy required by this section."

Section 3. Section 20-9-333, MCA, is amended to read:

"20-9-333. Basic special levy and other revenues for county equalization of high school district foundation program. (1) It shall be the duty of the county commissioners of each county to levy an annual basic special tax for high schools of 15 mills on the dollar of the taxable value of all taxable property within the county for the purposes of local and state foundation program support. The revenue to be collected from this levy shall be apportioned to the support of the foundation programs of high school districts in the county and to the earmarked revenue fund, state equalization aid account, in the following manner:

(a) In order to determine the amount of revenue raised by this levy which is retained by the county, the estimated revenues identified in subsections (2)(a) and (2)(b) below shall be subtracted from the sum of the county's high school tuition obligation and the total of the foundation programs of all high school districts of the county.

(b) If the basic levy for 15 mills produces more revenue than is required to finance the difference determined above, the county commissioners shall order the county treasurer to remit the surplus to the state treasurer for deposit to the earmarked revenue fund, state equalization aid account, not later than June 1 of the fiscal year for which the levy has been set.

(2) The proceeds realized from the county's portion of the levy prescribed in this section and the revenues from the following sources shall

HeinOnline -- 1983 vol. III 1696 1983

be used for the equalization of the high school district foundation programs of the county as prescribed in 20-9-334, and a separate accounting shall be kept of these proceeds by the county treasurer in accordance with 20-9-212(1):

(a) any money remaining at the end of the immediately preceding school fiscal year in the county treasurer's account for deposit of the proceeds from the levy established in this section; and

(b) any federal or state moneys, *including anticipated motor vehicle fees and reimbursement under the provisions of 61-3-532 and 61-3-536,* distributed to the county as a payment in lieu of the property taxation established by the county levy required by this section."

Section 4. Section 20-9-352, MCA, is amended to read:

"20-9-352. Permissive amount and permissive levy. (1) Whenever the trustees of any district shall deem it necessary to adopt a general fund budget in excess of the foundation program amount but not in excess of the maximum general fund budget amount for such district as established by the schedules in 20-9-316 through 20-9-321, the trustees shall adopt a resolution stating the reasons and purposes for exceeding the foundation program amount. Such excess above the foundation program amount shall be known as the "permissive amount", and it shall be financed by a levy on the taxable value of all taxable property within the district as prescribed in 20-9-141, supplemented with any biennial appropriation by the legislature for this purpose.

(2) The district levies to be set for the purpose of funding the permissive amount are determined as follows:

(a) For each elementary school district, the county commissioners shall annually set a levy not exceeding 9 mills on all the taxable property in the district for the purpose of funding the permissive amount of the district. The permissive levy in mills shall be obtained by multiplying the ratio of the permissive amount to the maximum permissive amount by 9 or by using the number of mills which would fund the permissive amount, whichever is less. If the amount of revenue raised by this levy, *plus anticipated motor vehicle fees and reimbursement under the provisions of 61-3-532 and 61-3-536,* is not sufficient to fund the permissive amount in full, the amount of the deficiency shall be paid to the district from the earmarked revenue fund according to the provisions of 20-9-351 and subsection (3) of this section.

(b) For each high school district, the county commissioners shall annually set a levy not exceeding 6 mills on all taxable property in the district for the purpose of funding the permissive amount of the district. The permissive levy in mills shall be obtained by multiplying the ratio of the permissive levy to the maximum permissive amount by 6 or by using the number of mills which would fund the permissive amount, whichever is less. If the amount of revenue raised by this levy, *plus anticipated motor vehicle fees and reimbursement under the provisions of 61-3-532 and 61-3-536,* is not sufficient to fund the permissive amount in full, the amount of the deficiency shall be paid to the district from the earmarked

HeinOnline -- 1983 vol. III 1697 1983

revenue fund according to the provisions of 20-9-351 and subsection (3) of this section. The superintendent of public instruction shall, if the appropriation by the legislature for the permissive account [program] for the biennium is insufficient, request the budget director to submit a request for a supplemental appropriation in the second year of the biennium.

(3) Such distribution shall be made in two payments. The first payment shall be made at the same time as the first distribution of state equalization aid is made after January 1 of the fiscal year. The second payment shall be made at the same time as the last payment of state equalization aid is made for the fiscal year. If the appropriation is not sufficient to finance the deficiencies of the districts as determined according to subsection (2), each district will receive the same percentage of its deficiency. Surplus revenue in the second year of the biennium may be used to reduce the appropriation required for the next succeeding biennium or may be transferred to the state equalization aid earmarked revenue fund if revenues in that fund are insufficient to meet foundation program requirements."

Section 5. Section 20-9-501, MCA, is amended to read:

"20-9-501. Retirement fund. (1) The trustees of any district employing personnel who are members of the teachers' retirement system or the public employees' retirement system or who are covered by unemployment insurance or who are covered by any federal social security system requiring employer contributions shall establish a retirement fund for the purposes of budgeting and paying the employer's contributions to such systems. The district's contribution for each employee who is a member of the teachers' retirement system shall be calculated in accordance with Title 19, chapter 4, part 6. The district's contribution for each employee who is a member of the public employees' retirement system shall be calculated in accordance with 19-3-801. The district may levy a special tax to pay its contribution to the public employees' retirement system under the conditions prescribed in 19-3-204. The district's contributions for each employee covered by any federal social security system shall be paid in accordance with federal law and regulation. The district's contribution for each employee who is covered by unemployment insurance shall be paid in accordance with Title 39, chapter 51, part 11.

(2) The trustees of any district required to make a contribution to any such system shall include in the retirement fund of the preliminary budget the estimated amount of the employer's contribution and such additional moneys, within legal limitations, as they may wish to provide for the retirement fund cash reserve. After the final retirement fund budget has been adopted, the trustees shall pay the employer contributions to such systems in accordance with the financial administration provisions of this title.

(3) When the final retirement fund budget has been adopted, the county superintendent shall establish the levy requirement by:

(a) determining the sum of the moneys available to reduce the retirement fund levy requirement by adding:

HeinOnline -- 1983 vol. III 1698 1983

(i) any anticipated moneys that may be realized in the retirement fund during the ensuing school fiscal year, *including anticipated motor vehicle fees and reimbursement under the provisions of 61-3-532 and 61-3-536*; and

(ii) any cash available for reappropriation as determined by subtracting the amount of the end-of-the-year cash balance earmarked as the retirement fund cash reserve for the ensuing school fiscal year by the trustees from the end-of-the-year cash balance in the retirement fund. The retirement fund cash reserve shall not be more than 35% of the final retirement fund budget for the ensuing school fiscal year and shall be used for the purpose of paying retirement fund warrants issued by the district under the final retirement fund budget.

(b) subtracting the total of the moneys available for reduction of the levy requirement as determined in subsection (3)(a) from the budgeted amount for expenditures in the final retirement fund budget.

(4) The county superintendent shall total the net retirement fund levy requirements separately for all elementary school districts, all high school districts, and all community college districts of the county, including any prorated joint district or special educational cooperative agreement levy requirements, and shall report each such levy requirement to the county commissioners on the second Monday of August as the respective county levy requirements for elementary district, high school district, and community college district retirement funds. The county commissioners shall fix and set such county levy in accordance with 20-9-142.

(5) The net retirement fund levy requirement for a joint elementary district or a joint high school district shall be prorated to each county in which a part of such district is located in the same proportion as the district ANB of the joint district is distributed by pupil residence in each such county. The county superintendents of the counties affected shall jointly determine the net retirement fund levy requirement for each county as provided in 20-9-151.

(6) The net retirement fund levy requirement for districts that are members of special educational cooperative agreements shall be prorated to each county in which such district is located in the same proportion as the budget for the special education cooperative agreement of the district bears to the total budget of the cooperative. The county superintendents of the counties affected shall jointly determine the net retirement fund levy requirement for each county in the same manner as provided in 20-9-151 and fix and levy the net retirement fund levy for each county in the same manner as provided in 20-9-152."

Section 6. Section 20-10-144, MCA, is amended to read:

"20-10-144. Computation of revenues and net tax levy requirements for the transportation fund budget. Before the fourth Monday of July and in accordance with 20-9-123, the county superintendent shall compute the revenue available to finance the transportation fund budget of each district. The county superintendent shall compute the revenue for each district on the following basis:

HeinOnline -- 1983 vol. III 1699 1983

(1) The "schedule amount" of the preliminary budget expenditures that is derived from the rate schedules in 20-10-141 and 20-10-142 shall be determined by adding the following amounts:

(a) the sum of the maximum reimbursable expenditures for all approved school bus routes maintained by the district (to determine the maximum reimbursable expenditure, multiply the applicable rate per bus mile by the total number of miles to be traveled during the ensuing school fiscal year on each bus route approved by the county transportation committee and maintained by such district); plus

(b) the total of all individual transportation per diem reimbursement rates for such district as determined from the contracts submitted by the district multiplied by the number of pupil-instruction days scheduled for the ensuing school attendance year; plus

(c) any estimated costs for supervised home study or supervised correspondence study for the ensuing school fiscal year; plus

(d) the amount budgeted on the preliminary budget for the contingency amount permitted in 20-10-143, except if such amount exceeds 10% of the total of subsections (1)(a), (1)(b), and (1)(c) or $100, whichever is larger, the contingency amount on the preliminary budget shall be reduced to such limitation amount and used in this determination of the schedule amount.

(2) The schedule amount determined in subsection (1) or the total preliminary transportation fund budget, whichever is smaller, shall be divided by 3 and the resulting one-third amount shall be used to determine the available state and county revenue to be budgeted on the following basis:

(a) the resulting one-third amount shall be the budgeted state transportation reimbursement, except that the state transportation reimbursement for the transportation of special education pupils under the provisions of 20-7-442 shall be two-thirds of the schedule amount attributed to the transportation of special education pupils;

(b) the resulting one-third amount, except as provided for joint elementary districts in subsection (2)(e), shall be the budgeted county transportation reimbursement for elementary districts and shall be financed by the basic county tax under the provisions of 20-9-334;

(c) the resulting one-third amount multiplied by 2 shall be the budgeted county transportation reimbursement amount for high school districts financed under the provisions of subsection (5) of this section, except as provided for joint high school districts in subsection (2)(e), and except that the county transportation reimbursement for the transportation of special education pupils under the provisions of 20-7-442 shall be one-third of the schedule amount attributed to the transportation of special education pupils;

(d) when the district has a sufficient amount of cash for reappropriation and other sources of district revenue, as determined in subsection (3), to reduce the total district obligation for financing to zero, any remaining amount of such district revenue and cash reappropriated

HeinOnline -- 1983 vol. III 1700 1983

shall be used to reduce the county financing obligation in subsections (2)(b) or (2)(c) and, if such county financing obligations are reduced to zero, to reduce the state financial obligation in subsection (2)(a); and

(e) the county revenue requirement for a joint district, after the application of any district moneys under subsection (2)(d) above, shall be prorated to each county incorporated by the joint district in the same proportion as the ANB of the joint district is distributed by pupil residence in each such county.

(3) The total of the moneys available for the reduction of property tax on the district for the transportation fund shall be determined by totaling:

(a) anticipated federal moneys received under the provisions of Title I of Public Law 81-874 or other anticipated federal moneys received in lieu of such federal act; plus

(b) anticipated payments from other districts for providing school bus transportation services for such district; plus

(c) anticipated payments from a parent or guardian for providing school bus transportation services for his child; plus

(d) anticipated interest to be earned by the investment of transportation fund cash in accordance with the provisions of 20-9-213(4); plus

(e) anticipated motor vehicle fees and reimbursement under the provisions of 61-3-532 and 61-3-536; plus

(f) any other revenue anticipated by the trustees to be earned during the ensuing school fiscal year which may be used to finance the transportation fund; plus

(g) any cash available for reappropriation as determined by subtracting the amount of the end-of-the-year cash balance earmarked as the transportation fund cash reserve for the ensuing school fiscal year by the trustees from the end-of-the-year cash balance in the transportation fund. Such cash reserve shall not be more than 20% of the final transportation fund budget for the ensuing school fiscal year and shall be for the purpose of paying transportation fund warrants issued by the district under the final transportation fund budget.

(4) The district levy requirement for each district's transportation fund shall be computed by:

(a) subtracting the schedule amount calculated in subsection (1) from the total preliminary transportation budget amount and, for an elementary district, adding such difference to the district obligation to finance one-third of the schedule amount as determined in subsection (2); and

(b) subtracting the amount of moneys available to reduce the property tax on the district, as determined in subsection (3), from the amount determined in subsection (4)(a) above.

(5) The county levy requirement for the financing of the county transportation reimbursement to high school districts shall be computed by adding all such requirements for all the high school districts of the county,

HeinOnline -- 1983 vol. III 1701 1983

including the county's obligation for reimbursements in joint high school districts.

(6) The transportation fund levy requirements determined in subsection (4) for each district and in subsection (5) for the county shall be reported to the county commissioners on the second Monday of August by the county superintendent as the transportation fund levy requirements for the district and for the county, and such levies shall be made by the county commissioners in accordance with 20-9-142."

Section 7. **Effective date.** This act is effective July 1, 1983.

Approved April 30, 1983.

CHAPTER NO. 700

AN ACT TO EXPAND AND CLARIFY THE AUTHORITY OF THE DEPARTMENT OF ADMINISTRATION TO ALLOCATE SPACE IN STATE BUILDINGS TO STATE AGENCIES LOCATED IN HELENA OTHER THAN THE UNIVERSITY SYSTEM; AMENDING SECTIONS 2-17-101 AND 5-17-101 THROUGH 5-17-103, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-17-101, MCA, is amended to read:

"**2-17-101. Allocation of space.** *(1)* The department of administration shall periodically survey the needs of state agencies located in Helena *other than the university system* and shall assign space in state buildings to such agencies. No state agency shall lease, rent, or purchase property for quarters in Helena without prior approval of the department.

(2) The location of the chambers for the house of representatives shall be determined in the sole discretion of the house of representatives. The location of the chambers of the senate shall be determined in the sole discretion of the senate.

(3) The department of administration, with the advice of the capitol building and planning committee, shall allocate other space for the use of the legislature, including but not limited to space for committee rooms and legislative offices."

Section 2. **Remodeling and renovation — senate chambers and former supreme court chambers to be preserved.** (1) Notwithstanding the provisions of Title 5, chapter 17, part 1, the department of administration shall proceed with the plans for the remodeling and renovation of the state capitol building for which moneys were appropriated by the 47th legislative assembly and reappropriated by the 48th legislative assembly.

(2) In proceeding with such plans, the department of administration shall consult with the capitol building and planning committee provided

HeinOnline -- 1983 vol. III 1702 1983

for in 5-17-101; however, such plans and the implementation of such plans need not be reported to the 49th legislative assembly before implementation.

(3) The department of administration in the implementation of such plans shall keep and maintain the senate chambers in its present location.

(4) If future senate bodies should determine that the location of the senate chambers is to be moved, the department of administration shall keep and maintain the physical structure and location of the present senate chambers as a single room which shall be used for legislative purposes. Such room shall not be divided in any manner, and the artwork and height of the ceiling shall be maintained and preserved.

(5) The department of administration shall keep and maintain the physical structure and location of the supreme court chambers, which were occupied by the Montana supreme court until the new justice building was completed and dedicated in 1983, as a single room which shall be used for legislative committee purposes. Such room shall not be divided in any manner, and the artwork and height of the ceiling shall be maintained and preserved.

Section 3. **Allocation of senate and house representatives workspace.** In the implementation of the plans for remodeling and renovation of the state capitol building referred to in this act, the department of administration, after having allocated adequate space for the leadership of the house of representatives and the senate and staff, work, and committee room space, shall, with respect to any space in excess of such needs, divide any office space on a proportionate basis determined by the number of house of representatives members and the number of senate members.

Section 4. Section 5-17-101, MCA, is amended to read:

"5-17-101. Capitol building and planning committee — appointment, composition, and meetings. (1) There is a capitol building and planning committee consisting of 16 members as follows:

(a) six members of the house of representatives appointed by the speaker on a bipartisan basis;

(b) six members of the senate appointed by the committee on committees on a bipartisan basis;

(c) the director of the department of administration, *who shall serve as a nonvoting member*;

(d) the administrator of the architectural and engineering division of the department of administration, *who shall serve as a nonvoting member*;

(e) a representative of the governor's office, designated by the governor, *who shall serve as a nonvoting member*; and

(f) the director of the Lewis and Clark areawide planning organization who shall serve as a nonvoting member.

(2) The committee shall select a chairman who may call meetings at his discretion for the conduct of committee business."

HeinOnline -- 1983 vol. III 1703 1983

Section 5. Section 5-17-102, MCA, is amended to read:

"5-17-102. Function of committee — capitol area master plan. (1) The function of the committee is to establish and maintain a master plan for the orderly development of state buildings in the immediate area of the capital city. The master plan shall be developed and maintained with consideration given to the following factors:

(a) the needs of the state relative to the location and design of buildings to be constructed, purchase of land, parking facilities, traffic management, and landscaping;

(b) the ordinances, plans, requirements, and proposed improvements of the city of Helena and Lewis and Clark County based without limitation upon zoning regulations, population trends, and plans for rapid transit development;

(c) any other factors that bear upon the orderly, integrated, and cooperative development of the state, the city of Helena, Lewis and Clark County, and of state property in the immediate area of the capital city.

(2) The committee shall consult with and advise the department of administration concerning the assignment of space in the capitol complex and the actual placement of busts, statues, memorials, or art displays of a permanent nature within public areas of the capitol complex. No such item may be permanently displayed unless authorized by the legislature.

(3) The committee shall serve as a long-range building committee to recommend to the legislature and the department of administration construction and remodeling priorities for the capitol complex."

Section 6. Section 5-17-103, MCA, is amended to read:

"5-17-103. Report to legislature. The committee shall prepare a written report of its activities and recommendations and present the report to the legislature at each regular session *for the purpose of assisting the legislature in determining if such recommendations should be implemented.* To prepare its report and recommendations, the committee may receive assistance from the legislative council."

Section 7. **Effective date.** This act is effective on passage and approval.

Approved April 30, 1983.

CHAPTER NO. 701

AN ACT CREATING THE MONTANA ECONOMIC DEVELOPMENT BOARD; PROVIDING FOR THE POWERS, DUTIES, AND COMPOSITION OF THE BOARD; PROVIDING AUTHORITY TO ISSUE BONDS TO FINANCE DESIGNATED PROJECTS; CREATING NECESSARY FUNDS AND ACCOUNTS; AMENDING SECTION 90-6-104, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 through 28] shall be known and may be cited as the "Montana Economic Development Bond Act of 1983".

Section 2. **Legislative declaration.** (1) It is the policy of the state of Montana, in the interest of promoting the health, safety, and general

HeinOnline -- 1983 vol. III 1704 1983

welfare of all the people of the state, to increase job opportunities and to retain existing jobs by making available, through the economic development board, funds for industrial, commercial, manufacturing, natural resource, agricultural, livestock, recreational, tourist, and health care development.

(2) The legislature finds that:

(a) a vigorous, diversified, and growing economy is the basic source of job opportunities;

(b) protection against unemployment and its economic burdens and the spread of economic stagnation can best be provided by promoting, attracting, stimulating, and revitalizing a diversified economy with contributions from industry, manufacturing, commerce, natural resource development, agriculture, livestock, recreation, tourism, and health care facilities; and

(c) the state of Montana has a responsibility to help create a favorable climate for new and improved job opportunities and a stable, growing, and healthy economy for its citizens by encouraging the development of business.

Section 3. **Definitions.** As used in [sections 1 through 28], unless the context requires otherwise, the following definitions apply:

(1) "Board" means the Montana economic development board created in [section 29].

(2) "Bond" means any bond, note, debenture, interim certificate, or other evidence of financial indebtedness issued by the board pursuant to [sections 1 through 28].

(3) "Department" means the department of commerce provided for in 2-15-1801.

(4) "Financial institution" means any bank, savings and loan association, credit union, development credit corporation, insurance company, investment company, trust company, savings institution, or other financial institution approved by the board and maintaining an office in the state.

(5) "Local government" means the city in which the project is located, if the project is located within an incorporated municipality, or the county if the project is located within the county but outside the boundaries of an incorporated municipality.

(6) "Project" means a project as defined in 90-5-101.

(7) "Project costs" means the costs of acquiring or improving any project, including the following:

(a) the actual cost of acquiring or improving real estate for any project;

(b) the actual cost of construction of all or any part of a project, including architects' and engineers' fees;

(c) all expenses in connection with the authorization, sale, and issuance of the bonds to finance such acquisition or improvement;

HeinOnline -- 1983 vol. III 1705 1983

(d) bond reserves and premiums for insurance or guaranty of loan payments or lease rentals pledged to pay the bonds; and

(e) the interest on such bonds for a reasonable time prior to construction, during construction, and not exceeding 6 months after completion of construction.

Section 4. **Powers of the board.** The board may:

(1) sue and be sued;

(2) have a seal;

(3) adopt all procedural and substantive rules necessary for the administration of [sections 1 through 28];

(4) make contracts, agreements, and other instruments necessary or convenient for the exercise of its powers under [sections 1 through 28];

(5) invest any funds not required for immediate use, as the board considers appropriate, subject to any agreements with its bondholders and noteholders;

(6) arrange for lines of credit from and enter into participation agreements with any financial institution;

(7) issue bonds for the purpose of defraying the cost of acquiring or improving any project or projects and securing the payment of the bonds as provided in [sections 1 through 28];

(8) enter into agreements or other transactions with and accept grants and the cooperation of any governmental agency in furtherance of [sections 1 through 28];

(9) sell, purchase, or insure loans to finance the costs of projects;

(10) accept services, appropriations, gifts, grants, bequests, and devises and utilize or dispose of them in carrying out [sections 1 through 28];

(11) enter into agreements or other transactions with a federal agency, an agency or instrumentality of the state, a municipality, a private organization, or any other entity or organization in carrying out [sections 1 through 28];

(12) with regard to property:

(a) acquire real or personal property or any right, interest, or easement therein by gift, purchase, transfer, foreclosure, lease, or otherwise;

(b) hold, sell, assign, lease, encumber, mortgage, or otherwise dispose of such property;

(c) hold, sell, assign, or otherwise dispose of any lease, mortgage, or loan owned by it or in its control or custody;

(d) release or relinquish any right, title, claim, interest, easement, or demand, however acquired, including any equity or right of redemption;

(e) make any disposition by public or private sale, with or without public bidding;

HeinOnline -- 1983 vol. III 1706 1983

(f) commence any action to protect or enforce any right conferred upon it by any law, mortgage, contract, or other agreement;

(g) bid for and purchase property at any foreclosure or other sale or acquire or take possession of it in lieu of foreclosure;

(h) operate, manage, lease, dispose of, and otherwise deal with such property in any manner necessary or desirable to protect its interests or the holders of its bonds or notes, provided such action is consistent with any agreement with such holders;

(13) service, contract, and pay for the servicing of loans;

(14) provide financial analysis, planning, and technical assistance where considered appropriate;

(15) consent, whenever it considers necessary or desirable in fulfilling its purposes, to the modification of the rate of interest, time, and payment of any installment of principal, interest, security, or any other term of any contract, lease agreement, loan agreement, mortgage, mortgage loan, mortgage loan commitment, construction loan, advance contract, or agreement of any kind, subject to any agreement with bondholders and noteholders;

(16) collect reasonable interest, fees, and charges in connection with making and servicing its lease agreements, loan agreements, mortgage loans, notes, bonds, commitments, and other evidences of indebtedness. Interest, fees, and charges are limited to the amounts required to pay the costs of the board, including operating and administrative expenses and reasonable allowances for losses that may be incurred.

(17) procure insurance or guaranties in amounts and in the form the board considers desirable or necessary, from any party, including a governmental agency, against any loss in connection with its lease agreements, loan agreements, mortgage loans, and other assets or property; and

(18) perform any other acts necessary and convenient to carry out the purposes of the board and [sections 1 through 28].

Section 5. **Financing programs of the board.** (1) The board may:

(a) invest in, purchase or make commitments to purchase, and take assignment from financial institutions of notes, mortgages, loan agreements, and other securities evidencing loans for the acquisition, construction, reconstruction, or improvement of projects located in the state, under terms and conditions determined by the board;

(b) acquire, by construction, purchase, devise, gift, lease, or any combination of methods, from financial institutions, projects located in the state and lease such projects to others for such rentals and upon such terms and conditions as determined by the board; or

(c) make loans to financial institutions, under terms and conditions determined by the board, requiring the proceeds to be used by the financial institution for the purpose of financing the acquisition, construction, reconstruction, or improvement of projects located in the state.

(2) The board may not operate any project as a business or in any other manner except as the lessor thereof or as may be necessary for a

HeinOnline -- 1983 vol. III 1707 1983

temporary period through the enforcement of its rights under a lease, loan agreement, or other security agreement.

Section 6. **Bonds and notes.** (1) The board may by resolution issue negotiable notes and bonds in a principal amount as the board determines necessary to provide sufficient funds for achieving any of its purposes, including the payment of interest on notes and bonds of the board, establishment of reserves to secure the notes and bonds, including the reserve funds created under [section 15], and all other expenditures of the board incident to and necessary or convenient to carry out [sections 1 through 28].

(2) The board may by resolution, from time to time, issue notes to renew notes and bonds or to pay notes, including interest, and whenever it considers refunding expedient, refund any bonds by the issuance of new bonds, whether or not the bonds to be refunded have matured, or issue bonds partly to refund bonds outstanding and partly for any of its other purposes.

(3) Except as otherwise expressly provided by resolution of the board, every issue of its bonds is an obligation of the board payable out of any revenue, assets, or money of the board, subject only to agreements with the holders of particular notes or bonds pledging particular revenues, assets, or money.

(4) The notes and bonds shall be authorized by resolutions of the board, bear a date, and mature at the times the resolutions provide. A note may not mature more than 5 years from the date of its issue. A bond may not mature more than 40 years from the date of its issue. The bonds may be issued as serial bonds payable in annual installments, as term bonds, or as a combination thereof. The notes and bonds shall bear interest at a stated rate or rates or at a rate or rate determination as stated, be in denominations, be in a form, either coupon or registered, carry registration privileges, be executed in a manner, be payable in a medium of payment, at places inside or outside the state, and be subject to terms of redemption as provided in resolutions. The notes and bonds of the board may be sold at public or private sale, at prices above or below par, as determined by the board, and in a manner such that interest on the bonds is either exempt from or subject to federal income tax.

(5) The bonds issued under [sections 1 through 28] are exempt from the Montana Securities Act, but copies of all prospectus and disclosure documents must be deposited with the state securities commissioner for public inspection.

(6) The total amount of bonds outstanding at any one time, except bonds as to which the board's obligations have been satisfied and discharged by refunding or bonds for which reserves for payment or other means of payment have been provided, may not exceed $25 million.

Section 7. **Bond anticipation notes — issuance — payment of principal and interest.** (1) The board may, pending the issuance of bonds, issue temporary notes in anticipation of the proceeds to be derived from the sale of the bonds. The notes shall be designated as "bond anticipation notes". The proceeds of the sale of the bond anticipation notes

HeinOnline -- 1983 vol. III 1708 1983

must be used only for the purpose for which the proceeds of the bonds could be used, including costs of issuance. If, prior to the issuance of the bonds, it becomes necessary to redeem outstanding notes, additional bond anticipation notes may be issued to redeem the outstanding notes. No renewal of any note may be issued after the sale of bonds in anticipation of which the original notes were issued.

(2) Bond anticipation notes or other short-term evidences of indebtedness maturing not more than 3 years after the date of issue may be issued from time to time as the proceeds thereof are needed. The notes must be authorized by the board and must have such terms and details as may be provided by resolution of the board. However, each resolution of the board authorizing notes must:

(a) describe the need for the proceeds of the notes to be issued; and

(b) specify the principal amount of the notes or maximum principal amount of the notes which may be outstanding at any one time, the rate or rates of interest or maximum rate of interest or interest rate formula (to be determined in the manner specified in the resolution authorizing the notes to be incurred through the issuance of such notes), and the maturity date or maximum maturity date of the notes.

(3) Subject to the limitations contained in this section and the standards and limitations prescribed in the authorizing resolution, the board in its discretion may provide for the notes described in subsection (2) to be issued and sold, in whole or in part, from time to time. The board may delegate to the administrator of the board the power to determine the time or times of sale, the manner of sale, the amounts, the maturities, the rate or rates of interest, and such other terms and details of the notes as considered appropriate by the board or the administrator in the event of such delegation. The board in its discretion but subject to the limitations contained in this section may also provide in the resolution authorizing the issuance of notes for:

(a) the employment of one or more persons or firms to assist the board in the sale of the notes;

(b) the appointment of one or more banks or trust companies, either inside or outside the state of Montana, as depository for safekeeping and as agent for the delivery and payment of the notes;

(c) the refunding of the notes from time to time, without further action by the board, unless and until the board revokes such authority to refund; and

(d) such other terms and conditions as the board considers appropriate.

(4) In connection with the issuance and sale of notes as provided in this section, the board may arrange for lines of credit with any bank, firm, or person for the purpose of providing an additional source of repayment for notes issued pursuant to this section. Amounts drawn on such lines of credit may be evidenced by negotiable or nonnegotiable notes or other evidences of indebtedness, containing such terms and conditions as the board may authorize in the resolution approving the same.

HeinOnline -- 1983 vol. III 1709 1983

Section 8. **Provisions of bond resolutions.** A resolution authorizing notes or bonds or any issue thereof may contain provisions, which must be a part of the contract or contracts with the holders thereof, as to:

(1) pledging all or any part of the revenue or property of the board to secure the payment of the notes or bonds or of any issue thereof, subject to existing agreements with noteholders or bondholders;

(2) pledging all or any part of the assets of the board, including lease agreements, loan agreements, mortgages, and obligations securing them, to secure the payment of the notes or bonds or of any issue thereof, subject to existing agreements with noteholders or bondholders;

(3) the use and disposition of the gross income from lease agreements, loan agreements, and mortgages owned by the board, and the payment of the principal of mortgages owned by the board;

(4) the setting aside of reserves for sinking funds in the hands of trustees, paying agents, and other depositories and the regulation and disposition thereof;

(5) limitations on the purpose for which the proceeds of the sale of notes or bonds may be applied and the pledge of the proceeds to secure the payment of the bonds or of any issue thereof;

(6) limitations on the issuance of additional notes or bonds, the terms upon which additional notes or bonds may be issued and secured, and the refunding of outstanding notes or bonds;

(7) the procedure, if any, by which the terms of any contract with noteholders or bondholders may be amended or abrogated, the amount of notes or bonds the holders of which shall consent thereto, and the manner in which such consent may be given;

(8) a commitment to employ adequate and competent personnel at reasonable compensation; to set salaries, fees, and charges as may be determined by the board in conjunction with the department; and to maintain suitable facilities and services for the purpose of carrying out its programs;

(9) vesting in a trustee such property, rights, powers, and duties in trust as the authority determines to be necessary;

(10) defining the acts or omissions that shall constitute a default in the obligations and duties of the board to the holders of the notes or bonds and providing for the rights and remedies of the holders of the notes or bonds in the event of such default, including as a matter of right the appointment of a receiver; and

(11) any other matters of like or different character that in any way affect the security or protection of the holders of the notes or bonds.

Section 9. **Personal liability.** The board and employees of the department are not personally liable or accountable by reason of the issuance of or on any bond or note issued by the board.

Section 10. **Purchase of notes and bonds — cancellation.** The board may, subject to existing agreements with noteholders or bondholders

HeinOnline -- 1983 vol. III 1710 1983

and out of any funds available for that purpose, purchase notes or bonds of the board, which shall then be canceled, at a price not exceeding:

(1) the current redemption price plus accrued interest to the next interest payment if the notes or bonds are then redeemable; or

(2) the redemption price applicable on the first date after the purchase on which the notes or bonds become subject to redemption, plus accrued interest to that date, if the notes or bonds are not then redeemable.

Section 11. **Trust indenture.** (1) In the discretion of the board, the bonds may be secured by a trust indenture between the board and a corporate trustee, which may be a trust company or bank having the power of a trust company, either inside or outside the state. A trust indenture may contain provisions for protecting and enforcing bondholders' rights and remedies that are reasonable, proper, and not in violation of law, including covenants setting forth the duties of the authority in relation to the exercise of its powers and the custody, safeguarding, and application of all money. The authority may provide by a trust indenture for the payment of the proceeds of the bonds and revenues to the trustee under the trust indenture of another depository and for the method of disbursement, with the safeguards and restrictions it considers necessary.

(2) All expenditures incurred in carrying out a trust indenture may be treated as part of the operating expenses of the board.

Section 12. **Negotiability of bonds.** Notes and bonds issued by the board are negotiable instruments under the Uniform Commercial Code, subject only to the provisions for registration of notes and bonds.

Section 13. **Signatures of board members.** If board members whose signatures appear on notes, bonds, or coupons cease to be members before the delivery of the notes or bonds, their signatures shall nevertheless be valid and sufficient for all purposes the same as if the members had remained in office until delivery.

Section 14. **Accounts.** The board may create funds and accounts necessary to implement [sections 1 through 28]. The funds and accounts may include:

(1) a bond proceeds fund into which bond proceeds are deposited;

(2) a common bond fund consisting of:

(a) a common debt service account;

(b) a capital reserve account as provided in [section 15]; and

(c) an operating account for defraying the operational costs of the board; and

(3) other funds or accounts.

Section 15. **Reserve funds and appropriations.** (1) The board may establish a capital reserve account and pay into it any:

(a) funds appropriated and made available by the state for the purpose of the account;

HeinOnline -- 1983 vol. III 1711 1983

(b) proceeds of the sale of notes or bonds to the extent provided in the resolutions or indentures of the board authorizing their issuance; and

(c) other funds which may be available to the board from any other source for the purpose of the account.

(2) All funds held in the capital reserve account must be used solely for the payment of the principal of or interest on the bonds secured in whole or in part by the account or the sinking fund payments with respect to the bonds, the purchase or redemption of the bonds, the payment of interest on the bonds, or the payment of any redemption premium required to be paid when the bonds are redeemed prior to maturity. Funds in the account may not be withdrawn at any time in an amount that reduces the account to an amount less than the sum of minimum capital reserve requirements established in the resolutions or indentures of the board for the account except, with respect to bonds secured in whole or in part by the account, for the purpose of making payment, when due, of principal, interest, redemption premiums, and sinking fund payments for the payment of which other money pledged is not available. Any income or interest earned by or incremental to the capital reserve account due to its investment may be transferred to other accounts of the board to an extent that does not reduce the amount of the capital reserve account below the sum of minimum capital reserve requirements for the account.

Section 16. **Maintenance of capital reserve account.** (1) In order to assure the maintenance of the capital reserve account, the chairman of the board shall, on or before September 1 in each year preceding the convening of the legislature, deliver to the governor a certificate stating the sum, if any, required to restore the capital reserve account to the minimum capital reserve requirement. The governor shall include in the executive budget submitted to the legislature the sum required to restore the capital reserve account to the sum of minimum capital reserve requirement. All sums appropriated by the legislature shall be deposited in the capital reserve account.

(2) All amounts appropriated to the board under this section constitute advances to the board and, subject to the rights of the holders of any bonds or notes of the board, must be repaid to the state general fund without interest from available operating revenues of the board in excess of amounts required for the payment of bonds, notes, or other obligations of the board, for maintenance of the capital reserve account, and for operating expenses.

Section 17. **Refunding obligations.** The board may provide for the issuance of refunding obligations for refunding any obligations then outstanding that have been issued under [sections 1 through 28], including the payment of any redemption of the obligations. The issuance of obligations, the maturities and other details, the rights of the holders, and the rights, duties, and obligations of the authority are governed by the appropriate provisions of [sections 1 through 28] that relate to the issuance of obligations. The proceeds of refunding obligations may be applied to the purchase, redemption, or payment of outstanding obligations. Pending the application of the proceeds of refunding obligations and other available funds to the payment of principal, accrued interests, and any redemption

HeinOnline -- 1983 vol. III 1712 1983

premium on the obligations being refunded and, if permitted in the resolution authorizing the issuance of the refunding obligations or in the trust agreement securing them, to the payment of interest on refunding obligations and expenses in connection with refunding, the proceeds may be invested in such securities as the board considers appropriate.

Section 18. **Tax exemption of bonds.** Bonds, notes, or other obligations issued by the board under [sections 1 through 28] and their transfer and income (including any profits made on their sale) are free from taxation by the state or any political subdivision or other instrumentality of the state, except for inheritance, estate, and gift taxes. The board is not required to pay recording or transfer fees or taxes on instruments recorded by it.

Section 19. **Project guaranty program.** (1) The board may guarantee and make commitments to guarantee payment required by a loan, lease, or other credit arrangement for any project funded under [sections 1 through 28] or under 90-5-101 through 90-5-112, upon such terms and conditions as the board may prescribe in accordance with [sections 1 through 28]. In administering the guaranty program, the board may require the payment of a fee or premium, establish application fees, and prescribe application, notification, contract and guaranty forms, rules, regulations, and guidelines.

(2) Guaranties by the board under [sections 1 through 28] must:

(a) be made for a project which the board finds meets the policies and objectives of [sections 1 through 28];

(b) be made to an applicant for a guaranty approved by the board;

(c) contain amortization provisions satisfactory to the board; and

(d) be in such principal amount, be in such form, and contain such terms and provisions with respect to payment of property insurance, repairs, alterations, taxes, assessments, delinquency charges, and default remedies as the board determines to be necessary.

(3) The board is authorized from time to time to enter into guaranties, insurance contracts, or any other agreements or contracts with respect to the economic development guaranty fund and any guaranteed loan lease or other credit agreement. Any such agreement or contract may contain terms and provisions necessary or desirable in connection with the guaranty program, subject to the requirements established, including without limitation terms and provisions relating to loan documentation, review, approval procedures, origination and servicing rights and responsibilities, default obligations, procedures and obligations, and obligations with respect to guaranty contracts made under [sections 1 through 28].

(4) Any contract of guaranty made by the board under the authorization of [sections 1 through 28] must provide that claims payable thereunder must be paid from any amounts available in the economic development guaranty fund and from any amounts available under the terms of any applicable contract or agreement with the financial institution which originated the guaranteed loan. The obligation of the board to

HeinOnline -- 1983 vol. III 1713 1983

make payments under any such contract is limited solely to such sources and does not constitute a debt or liability of the state. Any guaranty contract and any rule, regulation, or guideline of the board implementing the guaranty program may contain such other terms, provisions, or conditions as the board considers necessary or appropriate, including without limitation those relating to the payment of guaranty premiums, the giving of notice, claim procedure, the sources of payment for claims, the priority of competing claims for payment, the release or termination of loan security and borrower liability, the timing of payment, the maintenance and disposition of projects and the use of amounts received during periods of loan delinquency or upon default, and any other provision concerning the rights of insured parties or conditions to the payment of guaranty claims. Any premiums for the guarantee of loan payments under the provisions of [sections 1 through 28] may be determined on such basis and be payable by such person in such amounts and at such times as the board determines, and the amount of the premium need not be uniform among the various loans, leases, or other credit agreements guaranteed.

Section 20. **Economic development guaranty fund.** (1) The board shall create an economic development guaranty fund. The fund must be held by a trustee or other fiduciary designated by the board. There must be deposited into the fund amounts, insurance fees, premiums, and such other revenues and assets as the board considers necessary to comply with any contract or agreement entered into by the board under [sections 1 through 28]. The board may borrow from and deposit in the economic development guaranty fund up to $2.5 million from any available state fund, including funds of the Montana board of housing.

(2) The amounts in the fund must be used to satisfy any claim resulting from a defaulted loan, lease, or other credit agreement. The amounts in the fund may also be used for any other purpose prescribed by the board in accordance with guaranty contracts with financial institutions entered into pursuant to [sections 1 through 28], including without limitation the protection of the interest of the board in projects during periods of delinquency or upon default.

(3) The minimum reserve requirement for the economic development guaranty fund must be such amount as may be provided in an agreement, resolution, or indenture with the holders of bonds issued under [sections 1 through 28], but not in excess of the aggregate annual payments due under the loans, leases, or other credit agreements guaranteed by the board. No loan, lease, or other credit agreement may be guaranteed by the board if the amount of money available in the economic development guaranty fund would be less than the minimum reserve requirement.

(4) In order to assure the maintenance of the economic development guaranty fund, the chairman of the board shall, on or before September 1 in each year preceding the convening of the legislature, deliver to the governor a certificate stating the sum, if any, required to restore the economic development guaranty fund to the minimum reserve requirement. The governor shall include in the executive budget submitted to the legislature the sum required to restore the economic development guaranty fund to the minimum reserve requirement.

HeinOnline -- 1983 vol. III 1714 1983

(5) All amounts remitted to the board under this section constitute loans to the board and must be repaid to the state treasury without interest from available operating revenues of the board in excess of amounts required for the guarantee of loans.

Section 21. **Adoption of rules.** (1) The board shall adopt rules to establish:

(a) procedures for soliciting and evaluating applications and for notifying the local government of the application for purposes of complying with [section 26]; and

(b) a system for evaluating applications, considering the following criteria:

(i) the applicant's net worth;

(ii) the applicant's training and experience in the industry involved in the proposed project;

(iii) the applicant's prospects for succeeding in the proposed project;

(iv) the degree to which the new or increased business resulting from the loan will meet the objectives of [section 2]; and

(v) any other factors the board may prescribe.

(2) The board shall adopt rules for the:

(a) organization, approval, standards, and regulation of project applicants;

(b) approval, standards, and regulation of financial institutions under [sections 1 through 28];

(c) assessment, collection, and payment of all fees and charges in connection with making, purchasing, and servicing of its bonds and notes, mortgage lending, construction lending, temporary lending, and guaranty programs; and

(d) such other matters as the board considers necessary or desirable.

Section 22. **Pledge of the state.** In accordance with the constitutions of the United States and the state of Montana, the state pledges that it will not in any way impair the obligations of any agreement between the board and the holders of notes and bonds issued by the board, including but not limited to an agreement to administer a loan program financed by the issuance of bonds and to employ a staff sufficient and competent for this purpose.

Section 23. **Credit of state not pledged.** Obligations issued under the provisions of [sections 1 through 28] do not constitute a debt, liability, obligation, or pledge of the faith and credit of the state but are payable solely from the revenues or assets of the board. An obligation issued under this part must contain on the face thereof a statement to the effect that the state of Montana is not liable on the obligation, the obligation is not a debt of the state, and neither the faith and credit nor the taxing power

HeinOnline -- 1983 vol. III 1715 1983

of the state is pledged to the payment of the principal or interest on the obligation.

Section 24. **Taxation of projects.** (1) Notwithstanding the fact that title to a project may be in the board, such projects are subject to taxation to the same extent, in the same manner, and under the same procedures as privately owned property in similar circumstances if such projects are leased to or held by private interests on both the assessment date and the date the levy is made in that year. Such projects are not subject to taxation in any year if they are not leased to or held by private interests on both the assessment date and the date the levy is made in that year.

(2) When personal property owned by the board is taxed under this section and such personal property taxes are delinquent, levy by warrant for distraint for collection of such delinquent taxes may be made only on personal property against which such taxes were levied.

Section 25. **Bonds as legal investment.** (1) Bonds issued by the board under the provisions of [sections 1 through 28] are securities in which all funds may be legally and properly invested, including capital in the control of or belonging to:

(a) public officers and public bodies of the state and its political subdivisions;

(b) insurance companies;

(c) credit unions, building and loan associations, investment companies, savings banks, banking associations, and trust companies;

(d) executors, administrators, trustees, and other fiduciaries; and

(e) pension, profit-sharing, and retirement funds.

(2) Bonds issued under [sections 5 through 28] are securities which may properly and legally be deposited with and received by any state or municipal officer or any agency or municipality of the state for any purpose for which the deposit of bonds or obligations of the state is now or may hereafter be authorized by law.

Section 26. **Procedure prior to financing projects.** (1) The board may finance projects under [sections 1 through 28] only when it finds that:

(a) the financing is in the public interest and is consistent with the legislative purposes and findings set forth in [section 2];

(b) the financing to be provided by the board for a project does not exceed either $800,000 or 90% of the cost or appraised value of the project, whichever is less;

(c) a financial institution will participate in financing the project, either directly or through a letter of credit, to the extent of at least 10% of the financing to be provided by the board;

(d) the financing for the project is insured or guaranteed in whole or in part by a private or governmental insurer or guarantor, including but not limited to a guaranty by the board pursuant to [section 19]; and

HeinOnline -- 1983 vol. III 1716 1983

(e) adequate provision is made in the loan agreement, lease, or other credit arrangement regarding a project or projects being financed to provide for payment of debt service on bonds of the board issued to finance such project or projects, to create and maintain reserves therefor, and to meet all costs and expenses of issuing and servicing the bonds.

(2) In order to make the findings as described in subsection (1)(a), a hearing must be conducted in the following manner:

(a) the city or county in which the project will be located must be notified; and the city and county must, within 14 days after receipt of the notice, notify the board if it elects to conduct the hearing; or

(b) if no request for a local hearing is received, the board may hold the hearing at a time and place it prescribes.

(3) If the hearing required by subsection (2) is conducted by a local government, the governing body of the local government must notify the board of its determination of whether the project is in the public interest within 14 days of the completion of the public hearing.

(4) When a hearing is required either locally or at the state level, notice must be given, at least once a week for 3 weeks prior to the date set for the hearing, by publication in a newspaper of general circulation in the city or county where the hearing will be held. The notice must include the time and place of the hearing; the general nature of the project; the name of the lessee, borrower, or user of the project; and the estimated cost of the project.

Section 27. **Validity of pledge.** Any pledge made by the board is valid and binding from the time the pledge is made. Revenue, money, or property pledged and received by the board is immediately subject to the lien of the pledge without any physical delivery or further act. The lien of any pledge is valid and binding against all parties having claims of any kind, whether in tort, contract, or otherwise, against the board, irrespective of whether such parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created is required to be recorded.

Section 28. **Annual audit.** The board's books and records must be audited at least once each fiscal year by or at the direction of the legislative auditor. The actual costs of the audit shall be paid from the board's funds.

Section 29. **Montana economic development board.** (1) There is a Montana economic development board.

(2) The board consists of seven members, who shall be appointed by the governor as prescribed in 2-15-124. The board must include at least one person representing each of the following:

(a) the financial community;

(b) small business;

(c) agriculture; and

(d) labor.

HeinOnline -- 1983 vol. III 1717 1983

(3) Members must be appointed within 60 days of [the effective date of this act] in accordance with the manner prescribed in 2-15-124.

(4) The board is designated as a quasi-judicial board for the purposes of 2-15-124.

(5) The board is allocated to the department of commerce for administrative purposes only as provided in 2-15-121. The board has authority over its own personnel as provided in [section 30].

Section 30. **Meetings and acts of the board and personnel.** (1) All meetings of the board are open to the public.

(2) All official acts of the board must be taken in a regular or special meeting and by a majority of the board.

(3) All rules adopted by the board must be in accordance with the Montana Administrative Procedure Act.

(4) The board may employ an administrator, who shall have general responsibility for the selection and management of the board's staff and direction of its activities. The administrator serves at the pleasure of the board.

(5) The board may prescribe the duties and annual salary for professional staff positions.

Section 31. Section 90-6-104, MCA, is amended to read:

"90-6-104. General powers of the board. The board may:

(1) sue and be sued;

(2) have a seal;

(3) adopt all procedural and substantive rules necessary for the administration of this part, including rules concerning its mortgage, construction, and temporary lending programs;

(4) make contracts, agreements, and other instruments necessary or convenient for the exercise of its powers under this part;

(5) enter into agreements or other transactions with any federal, state, or local governmental agency, any persons, and any domestic or foreign partnership, corporation, association, or organization in carrying out this part;

(6) enter into agreements under its rules with sponsors, mortgagors, or lending institutions for the purpose of regulating the analysis, planning, development, and management of housing developments financed in whole or in part by the proceeds of its loans or securities and mortgage purchase programs;

(7) enter into agreements or other transactions with, and accept grants and the cooperation of, any governmental agency in furtherance of this part, including but not limited to the development, leasing, maintenance, operation, and financing of any housing development;

HeinOnline -- 1983 vol. III 1718 1983

(8) accept services, appropriations, gifts, grants, bequests, and devises and utilize or dispose of them in carrying out this part;

(9) acquire real or personal property or any right, interest, or easement therein by gift, purchase, transfer, foreclosure, lease, or otherwise; hold, sell, assign, lease, encumber, mortgage, or otherwise dispose thereof; hold, sell, assign, or otherwise dispose of any mortgage or loan owned by it or in its control or custody; release or relinquish any right, title, claim, interest, easement, or demand, however acquired, including any equity or right of redemption; do any of the foregoing by public or private sale, with or without public bidding; commence any action to protect or enforce any right conferred upon it by any law, mortgage, contract, or other agreement; bid for and purchase property at any foreclosure or other sale or acquire or take possession of it in lieu of foreclosure; and operate, manage, lease, dispose of, and otherwise deal with such property in any manner necessary or desirable to protect its interests and the holders of its bonds or notes and consistent with any agreement with such holders;

(10) service and contract and pay for the servicing of loans;

(11) provide general technical services in the analysis, planning, design, processing, construction, rehabilitation, and management of housing developments for persons and families of lower income where these services are not otherwise available;

(12) provide general consultative services to housing developments for persons and families of lower income and the residents thereof with respect to counseling and training in management, home ownership, and maintenance where these services are not otherwise available;

(13) invest any funds not required for immediate use, subject to any agreements with its bondholders and noteholders, as provided in Title 17, chapter 6, except all investment income from funds of the board less the cost for investment as prescribed by law shall be deposited in the housing finance account;

(14) sell its loans or securities to the federal national mortgage association or any other agency or instrumentality of the United States and invest in the capital stock issued by the association or other agency or instrumentality to the extent, if any, required as a condition of such sale;

(15) consent, whenever it deems it necessary or desirable in fulfilling its purposes, to the modification of the rate of interest, time, and payment of any installment of principal or interest, security, or any other term of any contract, mortgage, mortgage loan, mortgage loan commitment, construction loan, advance contract, or agreement of any kind, subject to any agreement with bondholders and noteholders;

(16) collect reasonable interest, fees, and charges in connection with making and servicing its loans, notes, bonds, commitments, and other evidences of indebtedness and in connection with providing technical, consultative, and project assistance services. Interest fees and charges shall be limited to the amounts required to pay the costs of the board, including operating and administrative expenses and reasonable allowances for losses which may be incurred.

HeinOnline -- 1983 vol. III 1719 1983

(17) procure insurance against any loss in connection with its mortgages and mortgage loans and other assets or property in amounts and from insurers as the board considers desirable or necessary;

(18) act as agent for governmental agencies concerning acquisition, construction, leasing, operation, or management of a housing development;

(19) issue notes and bonds and replace lost, destroyed, or mutilated notes and bonds;

(20) develop special programs for housing developments for veterans of the armed forces of the United States who are unable to acquire safe and sanitary housing through lending institutions by conventional means; *and*

(21) lend money to the economic development board to establish the Montana economic development guaranty fund created by [section 20]."

Section 32. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 33. **Effective date.** This act is effective on passage and approval.

Section 34. **Coordination instruction.** (1) If House Bill No. 100, including the section of that bill creating the Montana economic development board, is passed and approved, the board created in this act is the same board as created in House Bill No. 100. The code commissioner is instructed to note this and codify accordingly.

(2) If section 17 of HB 100 is passed and approved, the economic development oversight committee has full oversight of the implementation of this act.

Approved April 30, 1983.

CHAPTER NO. 702

AN ACT TO ALLOW COUNTIES AND MUNICIPALITIES TO AMEND THEIR FINAL BUDGETS BECAUSE OF SHORTFALLS IN REVENUES OR SAVINGS; AMENDING SECTIONS 7-6-2320, 7-6-2324, 7-6-4231, AND 7-6-4235, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 7-6-2320, MCA, is amended to read:

"7-6-2320. Final budget — approval, adoption, and amendment. (1) The budget as finally determined, in addition to setting out separately each item for which an appropriation or expenditure is authorized and the fund out of which it is to be paid, shall set out:

HeinOnline -- 1983 vol. III 1720 1983

(a) the total amount appropriated and authorized to be spent from each fund;

(b) the cash balance in the fund at the close of the preceding fiscal year;

(c) the amount estimated to accrue to the fund from sources other than taxation;

(d) the reserve for the next fiscal year; and

(e) the amount necessary to be raised for each fund by tax levy during the current fiscal year.

(2) The board shall then by resolution approve and adopt the budget as finally determined and enter the budget at length in the official minutes of the board.

(3) (a) Subject to compliance with the procedures set forth in subsection (4), the board may approve and adopt a resolution amending a final budget when:

(i) shortfalls in anticipated and budgeted revenues occur that, unless reductions in appropriations are made, will result in expenditures for the year exceeding actual revenues and cash balances available therefor; or

(ii) savings result from unanticipated adjustments in projected expenditures.

(b) Amended appropriations must be classified as:

(i) salaries and wages;

(ii) maintenance and operation;

(iii) capital outlay;

(iv) interest and debt redemption; or

(v) miscellaneous.

(4) Prior to amending a final budget, the board shall:

(a) hold a public hearing on the proposed amendments at least 7 days prior to a vote on the resolution amending the budget; and

(b) publish notice, at least once, in a newspaper of general circulation in the county at least 6 but not more than 16 days before the hearing on the budget amendments. The published notice must specify the date, time, place, and subject of the hearing."

Section 2. Section 7-6-2324, MCA, is amended to read:

"**7-6-2324. Limitations on appropriations after budget adopted.** (1) The estimates of expenditures, itemized and classified as required in 7-6-2313 and 7-6-2314 and as finally fixed and adopted *and as may be amended as provided in 7-6-2320* by said board of county commissioners, shall constitute the appropriations for the county for the fiscal year intended to be covered thereby.

HeinOnline -- 1983 vol. III 1721 1983

(2) Except as provided in 3-5-404, 7-6-2325, and 7-31-2101, the county commissioners and every other county official, including judges of the district court, shall be limited in the making of expenditures or incurring of liabilities to the amount of such detailed appropriations and classifications, respectively."

Section 3. Section 7-6-4231, MCA, is amended to read:

"7-6-4231. Final budget — approval, adoption, and amendment. (1) The budget as finally determined, in addition to setting out separately each item for which an appropriation is made or expenditure authorized and the fund out of which it is to be paid, shall set out:

(a) the total amount appropriated and authorized to be spent from each fund;

(b) the cash balance in excess of outstanding unpaid warrants at the close of the preceding fiscal year;

(c) the amount estimated to accrue to the fund from sources other than taxation;

(d) the reserve for the next fiscal year; and

(e) the amount necessary to be raised for each fund by tax levy during the current fiscal year.

(2) The council shall then by resolution approve and adopt the budget as finally determined, and the clerk shall enter it at length in the official minutes of the council.

(3) (a) Subject to compliance with the procedures set forth in subsection (4), the council may approve and adopt a resolution amending a final budget when:

(i) shortfalls in anticipated and budgeted revenues occur that, unless reductions in appropriations are made, will result in expenditures for the year exceeding actual revenues and cash balances available therefor; or

(ii) savings result from unanticipated adjustments in projected expenditures.

(b) Amended appropriations must be classified as:

(i) salaries and wages;

(ii) maintenance and operation;

(iii) capital outlay;

(iv) interest and debt redemption; or

(v) miscellaneous.

(4) Prior to amending a final budget, the council shall:

(a) hold a public hearing on the proposed amendments at least 7 days prior to a vote on the resolution amending the budget; and

HeinOnline -- 1983 vol. III 1722 1983

(b) publish notice at least once in a newspaper of general circulation in the city or town at least 6 but not more than 16 days before the hearing on the budget amendments. The published notice must specify the date, time, place, and subject of the hearing."

Section 4. Section 7-6-4235, MCA, is amended to read:

"**7-6-4235. Limitations on appropriations after budget adopted.** (1) The estimates of expenditures, itemized and classified as required in 7-6-4224 and 7-6-4225 and as finally fixed and adopted *and as may be amended as provided in 7-6-4231* by said council, shall constitute the appropriations for the municipality for the fiscal year intended to be covered thereby.

(2) Except as provided in 7-6-4236, the council and every other municipal official shall be limited in the making of expenditures or incurring of liabilities to the amount of such detailed appropriations and classifications, respectively."

Section 5. **Effective date.** This act is effective July 1, 1983.

Approved April 30, 1983.

CHAPTER NO. 703

AN ACT TO CREATE A MONTANA HEALTH FACILITY AUTHORITY WITH POWER TO LEND MONEY TO HEALTH INSTITUTIONS TO CONSTRUCT OR RENOVATE HEALTH FACILITIES; AND EMPOWERING THE AUTHORITY TO ISSUE BONDS TO FINANCE ITS PROJECTS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Montana health facility authority.** (1) There is created a public body corporate designated as the Montana health facility authority. This authority is constituted a public instrumentality, and its exercise of the powers conferred by [sections 2 through 26] shall be considered and held to be the performance of an essential public function.

(2) The authority consists of seven members appointed by the governor as prescribed in 2-15-124. The board must be broadly representative of the state, seeking to balance professional expertise and public accountability.

(3) Members must be appointed within 60 days of [the effective date of this act] in accordance with the manner prescribed in 2-15-124.

(4) The board is designated as a quasi-judicial board for the purposes of 2-15-124.

(5) The board is allocated to the department of commerce for administrative purposes only as provided in 2-15-121. The board has authority over its own personnel as provided in [section 9].

HeinOnline -- 1983 vol. III 1723 1983

Section 2. **Short title.** [Sections 2 through 26] may be cited as the "Montana Health Facility Authority Act".

Section 3. **Definitions.** As used in [sections 2 through 26], unless the context requires otherwise, the following definitions apply:

(1) "Authority" means the Montana health facility authority created in [section 1].

(2) "Costs" means costs allowed under [section 5].

(3) "Health facility" means any facility provided for in [section 4].

(4) "Health institution" means any public or private nonprofit hospital, corporation, or other organization authorized to provide or operate a health facility in this state.

(5) "Participating health institution" means a health institution that undertakes the financing, refunding, or refinancing of obligations on the construction or acquisition of a health facility pursuant to the provisions of [sections 2 through 26].

(6) "Revenues" means, with respect to facilities, the rents, fees, charges, interest, principal repayments, and other income received or to be received by the authority from any source on account of such facilities.

Section 4. **Eligible health facility.** (1) Eligible health facility means any structure or building used as a hospital, clinic, nursing home, or other health care facility as defined in 50-5-101; center for developmentally disabled; center for the handicapped; chemical dependency treatment center; nursing school; medical teaching facility; laboratory; dental care facility; or other structure or facility related to any of the foregoing or required or useful for the operation of a health facility. These related facilities include supporting service structures and all necessary, useful, and related equipment, furnishings, and appurtenances and include without limitation the acquisition, preparation, and development of all lands and real and personal property necessary or convenient as a site for any of the foregoing.

(2) An eligible health facility does not include such items as food, fuel, supplies, or other items that are customarily considered as current operating expenses; and eligible health facility does not include a structure used or to be used primarily for sectarian instruction or study or as a place for devotional activities or religious worship.

Section 5. **Allowable costs.** Costs eligible for financing or refinancing under [sections 2 through 26] include:

(1) the total of all reasonable or necessary costs incidental to the acquisition, construction, reconstruction, repair, alteration, equipment, enlargement, and improvement of an eligible health facility and the acquisition of all real and personal property interests necessary or useful in connection with the facility and all other undertakings which the authority considers reasonable or necessary for the development of the facility;

(2) the cost of demolishing or removing any building or structure on land so acquired, the cost of acquiring any land to which such building or

HeinOnline -- 1983 vol. III 1724 1983

structure may be moved, the cost of all machinery and equipment, financing charges, interest prior to and during construction and, if judged advisable by the authority, for a period after completion of such construction, the cost of financing the facility, including interest on bonds and notes issued by the authority to finance the facility;

(3) reserves for principal and interest and for extensions, enlargements, additions, and improvements, including without limitation the cost of studies and surveys;

(4) the costs for land title and mortgage guaranty policies;

(5) the costs of plans, specifications, and architectural and engineering services;

(6) the costs of legal, organization, marketing, or other special services;

(7) the costs of financing, acquisition, demolition, construction, equipment, and site development of new and rehabilitated buildings; and

(8) the costs of rehabilitation, reconstruction, repair, or remodeling of existing buildings; and

(9) all other expenses necessary and incidental to the construction and acquisition of the facility, the financing of such construction, and the acquisition and placing of the facility into operation.

Section 6. **Quorum — mode of action — expenses.** Four members of the authority constitute a quorum for the purpose of conducting business. Action may be taken by the authority upon the affirmative vote of at least four of its members. No vacancy in the membership of the authority impairs the right of a quorum to exercise all the rights and perform all the duties of the authority. Each meeting of the authority for any purpose must be open to the public. Notice of meetings must be as provided in the bylaws of the authority. Resolutions need not be published or posted. Members of the authority may receive no compensation for services but are entitled to necessary expenses, as provided in 2-18-501 through 2-18-503, incurred in the discharge of their duties.

Section 7. **Powers of authority.** The authority may:

(1) sue and be sued;

(2) have a seal;

(3) adopt all procedural and substantive rules necessary for the administration of [sections 2 through 26];

(4) issue bonds or incur other debt as described in [sections 2 through 26], including the issuance of notes or refunding bonds;

(5) invest any funds obtained from the issuance of bonds and notes which are not required for immediate use, subject to any agreements with its bondholders and noteholders, as provided in Title 17, chapter 6, except that all investment income from funds invested by the authority, less the cost for investment, must be deposited in the bond proceeds fund;

HeinOnline -- 1983 vol. III 1725 1983

(6) contract in its own name for the investment of funds, borrowing of funds, or any other purposes it considers appropriate to carry out the purposes of [sections 2 through 26];

(7) participate with any financial institution in the purchase or guarantee of any loan or obligation;

(8) issue bond anticipation notes or any other anticipatory financial obligations to secure funding of eligible facilities;

(9) enter into agreements or make advance commitments to insure repayments required by loan agreements made by a lender. Such agreements are subject to terms and conditions established by the authority.

(10) sell, purchase, or insure loans to finance the costs of eligible facilities;

(11) accept gifts, grants, or loans from a federal agency, an agency or instrumentality of the state, a municipality, or any other source;

(12) enter into contracts or other transactions with a federal agency, an agency or instrumentality of the state, a municipality, a private organization, or any other entity consistent with the exercise of any power under [sections 2 through 26];

(13) with regard to property:

(a) acquire real or personal property or any right, interest, or easement therein by gift, purchase, transfer, foreclosure, lease, or otherwise;

(b) hold, sell, assign, lease, encumber, mortgage, or otherwise dispose thereof;

(c) hold, sell, assign, or otherwise dispose of any mortgage or loan owned by it or in its control or custody;

(d) release or relinquish any right, title, claim, interest, easement, or demand, however acquired, including any equity or right of redemption;

(e) make any disposition by public or private sale, with or without public bidding;

(f) commence any action to protect or enforce any right conferred upon it by any law, mortgage, contract, or other agreement;

(g) bid for and purchase property at any foreclosure or other sale or acquire or take possession of it in lieu of foreclosure; and

(h) operate, manage, lease, dispose of, and otherwise deal with such property in any manner necessary or desirable to protect its interests or the holders of its bonds or notes if such action is consistent with any agreement with such holders;

(14) service, contract, and pay for the servicing of loans;

(15) provide general technical services in the analysis, planning, design, processing, construction, rehabilitation, and management of eligible health facilities whenever considered appropriate;

HeinOnline -- 1983 vol. III 1726 1983

(16) consent, whenever it considers necessary or desirable in fulfilling its purposes, to the modification of the rate of interest, time, or payment of any installment of principal, interest, or security or any other term of any contract, lease agreement, loan agreement, mortgage, mortgage loan, mortgage loan commitment, construction loan, advance contract, or agreement of any kind, subject to any agreement with bondholders and noteholders;

(17) collect reasonable interest, fees, and charges from participating institutions in connection with making and servicing its lease agreements, loan agreements, mortgage loans, notes, bonds, commitments, and other evidences of indebtedness. The interest, fees, and charges shall be deposited to an earmarked revenue account to the credit of the authority. Interest, fees, and charges are limited to the amounts required to pay the costs of the authority, including operating and administrative expenses and reasonable allowances for losses that may be incurred.

(18) perform any other acts necessary and convenient to carry out the purposes of [sections 2 through 26].

Section 8. **Restriction on operating facility — leases.** (1) The authority may not operate an eligible health facility as a business other than as a lessee or lessor. The lease must provide for rentals adequate to pay the principal and interest due on bonds and to create and maintain such reserves and accounts for depreciation as the authority determines necessary.

(2) The lease may contain terms and conditions that the authority considers proper. The lease may be terminated upon failure of the participating health institution to comply with any obligation under the lease. The lease may include a renewal or an option to purchase provision upon such terms or conditions as the authority considers desirable.

(3) Upon payment of all indebtedness incurred by the authority for financing a facility, the authority may convey any or all of the facility to the lessee, with or without consideration.

Section 9. **Staff of authority.** The authority may employ or contract for any professional staff or consultants necessary. Such employment and contracting must be done in consultation with the department.

Section 10. **Loan limitation.** No loan made by the authority may exceed the total cost of the eligible health facility being financed as such cost is determined by the participating institution and approved by the authority.

Section 11. **Agent of the authority.** The authority may designate a participating health institution as its agent for determining the location and character of an eligible health facility undertaken by that institution under the provisions of [sections 2 through 26]. As agent, the institution may acquire, construct, reconstruct, renovate, replace, improve, maintain, repair, operate, lease, as lessee or lessor, and enter into contracts for any and all such purposes, including contracts for the management and operation of the facility.

Section 12. **Notes.** The authority is authorized from time to time to issue its negotiable notes for any corporate purpose, including the payment

HeinOnline -- 1983 vol. III 1727 1983

of all or any part of the cost of any facility, and renew from time to time any notes by the issuance of new notes, whether the notes to be renewed have or have not matured. The authority may issue notes partly to renew notes or to discharge other obligations then outstanding and partly for any other purpose. The notes may be authorized, sold, executed, and delivered in the same manner as bonds. Any resolution authorizing notes of the authority or any issue thereof may contain any provisions which the authority is authorized to include in any resolution authorizing bonds of the authority. The authority may include in its notes any terms, covenants, or conditions that it is authorized to include in any bonds. All notes must be payable from the proceeds of bonds, renewal notes, the revenues of the authority, or other money available therefor and not otherwise pledged, subject only to any contractual rights of the holders of any of its notes or other obligations then outstanding.

Section 13. **Bonds of the authority.** (1) The authority may borrow money and issue bonds not in excess of $50 million for any 2-year period.

(2) Bonds must be authorized and dated and shall mature as the authority may specify, except that no bond may mature more than 40 years from the date of its issue. Bonds shall bear interest at the rate or rates, be in the denominations, be in the proper registered or bearer form, be executed in the manner, be payable in the medium of payment, at the place or places, and be subject to the terms of redemption that the authority may provide.

(3) All bonds, regardless of form or character, are negotiable instruments for all purposes of the Uniform Commercial Code, subject to requirements as to registration.

(4) All bonds may be sold at public or private sale in the manner, for the price or prices, and at the time or times which the authority may determine.

(5) Before the issuance of any bonds, the authority shall make provisions, by lease or other agreement, regarding the facility or facilities being financed by the issue of the bonds, for rentals or other considerations sufficient, in the judgment of the authority, to:

(a) pay the principal of and interest on the bonds as they become due;

(b) create and maintain the reserves therefor;

(c) meet all obligations in connection with the lease or other agreement; and

(d) meet all costs necessary to service the bonds unless the lease or agreement provides that the obligations are to be met or costs are to be paid by a party other than the authority.

(6) The authority may combine, for the purposes of a single offering, bonds financing more than one facility under [sections 2 through 26].

Section 14. **Security of bondholders.** (1) The payment of the principal of and interest on any bonds issued under [sections 2 through 26]

HeinOnline -- 1983 vol. III 1728 1983

must be secured by a pledge of the revenues out of which such bonds are made payable.

(2) The principal of and interest on any bonds issued under the authority of this part may be secured by:

(a) a mortgage covering all or any part of the participating health institution;

(b) a pledge of the lease or loan agreement relating to such facility; or

(c) such other security device as may be considered most advantageous by the authority.

(3) The proceedings under which the bonds are authorized to be issued under the provisions of [sections 2 through 26] and any mortgage given to secure the same, including a mortgage given by the borrower or lessee, may contain any agreements and provisions customarily contained in instruments securing bonds, as the authority considers advisable. Such provisions may not be in conflict with the provisions of [sections 2 through 26], including without limitation provisions relating to:

(a) fixing and collection of rents or payments under any lease or loan agreement concerning the facility covered by such proceedings or mortgage;

(b) terms to be incorporated in the lease or loan agreement;

(c) maintenance and insurance of such facility;

(d) creation and maintenance of special funds from the revenues of such facility; and

(e) rights and remedies available in the event of a default to the bondholders or to the trustee under a mortgage.

(4) The proceedings authorizing any bonds under the provisions of [sections 2 through 26] and any mortgage, including a mortgage given by the lessee or borrower, securing such bonds may provide that in the event of a default in the payment of the principal of or the interest on such bonds or in the performance of any agreement contained in such proceedings or mortgage, such payment and performance may be enforced by mandamus or by the appointment of a receiver in equity with power to charge and collect rents and to apply the revenues from the project in accordance with such proceedings or the provisions of such mortgage.

(5) Any mortgage made by the authority, lessee, or borrower to secure these bonds may provide that, in the event of a default in the payment thereof or the violation of any agreement contained in the mortgage, the mortgage may be foreclosed and the project sold under proceedings in equity or in any other manner permitted by law. The mortgage may also provide that any trustee under the mortgage or the holder of any of the bonds secured thereby may become the purchaser at any foreclosure sale if he is the highest bidder therefor. No breach of any such agreement may impose any pecuniary liability upon the authority.

Section 15. **Purchase of bonds.** The authority may purchase its bonds or notes. The authority may hold, pledge, cancel, or resell such

HeinOnline -- 1983 vol. III 1729 1983

bonds or notes, subject to and in accordance with agreements with bondholders or noteholders.

Section 16. **Procedure for issuance of bonds.** (1) The authority may not undertake to finance any eligible health facility unless, prior to the issuance of any bonds or notes, the members find that:

(a) such facility will be operated by a health institution for the purpose of fulfilling its obligation to provide health care facilities; and

(b) such facility has been reviewed and approved by the appropriate regional and state health planning boards and has received any approval required by Title 50, chapter 5, part 3.

(2) The authority may not allow the proceeds of any bonds or notes to be expended for any facility until it has been shown that such facility is financially feasible and that there will be sufficient revenues to assure that principal and interest payments are made when they become due.

(3) The authority may not allow the proceeds of any bonds or notes to be expended for any facility until it has considered the ability of the health institution to operate such a facility based on the health institution's experience and expertise.

(4) The authority must insure that its financings consistently provide fair and realistic terms and covenants sufficient to protect the position of the lenders or bondholders.

Section 17. **Trust agreement to secure bonds.** In the discretion of the authority, any bonds issued under [sections 2 through 26] may be secured by a trust agreement between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company in Montana. The trust agreement or the resolution providing for the issuance of such bonds may pledge or assign the revenues to be received or proceeds of any contract or contracts pledged and may convey or mortgage the project or any portion thereof. The trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including particularly such provisions as have been specifically authorized to be included in any resolution of the authority authorizing bonds. Any bank or trust company incorporated under the laws of this state, which may act as depository of the proceeds of bonds or of revenues or other money, may furnish such indemnifying bonds or pledge such securities as may be required by the authority. Any such trust agreement may set forth the rights and remedies of the bondholders and of the trustee or trustees and may restrict the individual right of action by bondholders. In addition, any such trust agreement or resolution may contain such other provisions as the authority may consider reasonable and proper for the security of the bondholders. All expenses incurred in carrying out such trust agreement or resolution may be treated as a part of the cost of the operation of an eligible health facility.

Section 18. **Credit of state not pledged.** Obligations issued under the provisions of [sections 2 through 26] do not constitute a debt, liability,

HeinOnline -- 1983 vol. III 1730 1983

obligation, or pledge of the faith and credit of the state but are payable solely from the revenues or assets of the health institution being financed. An obligation issued under [sections 2 through 26] must contain on the face thereof a statement to the effect that the state of Montana is not liable on the obligation, the obligation is not a debt of the state, and neither the faith and credit nor the taxing power of the state is pledged to the payment of the principal of or the interest on the obligation.

Section 19. **Exemption from taxation — securities law.** (1) The authority performs a public function for the benefit of the people of the state for the improvement of their health and living conditions and is a public instrumentality of the state. Accordingly, the income or other revenues of the authority and all property owned by the authority and any bonds, notes, or other obligations issued under [sections 2 through 26], their transfer, and income therefrom, including any profit made on the sale thereof, are exempt at all times from all taxation in the state of Montana.

(2) Bonds issued by the authority are exempt from the Montana Securities Act, but copies of all prospectus and disclosure documents must be deposited with the state securities commissioner for public inspection.

Section 20. **Necessary expenses — fees.** (1) All expenses of the authority incurred in carrying out the provisions of [sections 2 through 26] are payable solely from funds provided under the authority of [sections 2 through 26], and no liability may be incurred by the authority beyond the extent to which money has been provided under [sections 2 through 26], except for the purposes of meeting the necessary expenses of initial organization and operation and until such date as the authority derives money from funds provided under [sections 2 through 26]. The authority may borrow money for necessary expenses of organization and operation. Such borrowed money must be repaid within a reasonable time after the authority receives funds provided for under [sections 2 through 26].

(2) When an application is made to the authority by any participating health institution for financial assistance to provide for its facilities, the application may be accompanied by an initial planning service fee in an amount determined by the authority. Such initial planning service fee may be included in the cost of the facilities to be financed and is not refundable by the authority, whether or not any application is approved. In addition to the initial fee, an annual planning service fee may be paid to the authority by each participating health institution in an amount determined by the authority. The annual planning service fee may be paid on such dates or in installments as may be satisfactory to the authority. The fees must be used for:

(a) necessary expenses to determine the need for facilities in the area concerned, and to that end the authority may utilize recognized voluntary and official health planning organizations and agencies at local, regional, and state levels;

(b) necessary administrative expenses; and

(c) reserves for anticipated future expenses.

HeinOnline -- 1983 vol. III 1731 1983

(3) The authority may, for a negotiated fee, retain the services of any other public or private person, firm, partnership, association, or corporation for the furnishing of services and data for use by the authority in determining the need for and location of any eligible health facility for which application is being made or for such other services or surveys as the authority considers necessary to carry out the purposes of [sections 2 through 26].

Section 21. **Conveyance of title to institution.** When the principal and interest on bonds issued by the authority to finance the cost of eligible health facilities or to refinance outstanding indebtedness of one or more participating health institutions, including any refunding bonds issued to refund and refinance such bonds, have been fully paid and retired or when adequate provision has been made to fully pay and retire the same and all other conditions of the resolution, lease, trust indenture, and mortgage or deed of trust or any other form of security arrangement, if any, authorizing and securing the same have been satisfied and the lien of the mortgage or deed of trust or any other form of security arrangement has been released in accordance with the provisions thereof, the authority shall promptly convey its interest in the facilities and any other facilities mortgaged or subject to deed of trust or any other form of security arrangement to secure the bonds to the participating health institution or institutions.

Section 22. **Trust funds.** All money received pursuant to [sections 2 through 26], whether as proceeds from the sale of bonds, notes, or other obligations or as revenues or receipts, are trust funds to be held and applied solely as provided in [sections 2 through 26]. Any officer with whom or any bank or trust company with which such money is deposited shall act as trustee of the money and shall hold and apply it for the purposes of [sections 2 through 26], subject to such regulations as [sections 2 through 26] and the resolution authorizing the bonds, notes, or other obligations of any issue or the trust agreement securing the obligations may provide.

Section 23. **Bonds as legal investment.** (1) Bonds issued by the authority under the provisions of [sections 2 through 26] are securities in which funds may be legally and properly invested, including capital in the control of or belonging to:

(a) public officers and public bodies of the state and its political subdivisions;

(b) insurance companies;

(c) credit unions, building and loan associations, investment companies, savings banks, banking associations, and trust companies;

(d) personal representatives, public administrators, trustees, and other fiduciaries; and

(e) pension, profit-sharing, and retirement funds.

(2) Bonds issued under [sections 2 through 26] are securities that may properly and legally be deposited with and received by any state or municipal officer or any agency or municipality of the state for any purpose for which the deposit of bonds or obligations of the state is authorized by law.

HeinOnline -- 1983 vol. III 1732 1983

Section 24. **Pledge of the state.** In accordance with the constitutions of the United States and the state of Montana, the state pledges that it will not in any way impair the obligations of any agreement between the authority and the holders of notes and bonds issued by the authority, including but not limited to an agreement to administer a loan program financed by the issuance of bonds, and to employ a staff sufficient and competent for this purpose.

Section 25. **Validity of pledge.** Any pledge made by the authority is valid and binding from the time the pledge is made. The revenue, money, or property pledged and received by the authority is immediately subject to the lien of the pledge without any physical delivery or further act. The lien of any pledge is valid and binding against all parties having claims of any kind, whether in tort, contract, or otherwise, against the authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created is required to be recorded.

Section 26. **Annual audit.** The authority's books and records must be audited at least once each fiscal year, by or at the direction of the legislative auditor. The actual costs of the audit shall be paid from the authority's funds.

Section 27. **Initial appointments to authority.** Notwithstanding [section 1], the members of the authority first appointed by the governor shall serve for terms to be designated by the governor and to expire on June 30 of the respective year. The terms of two members shall expire in 1984, two in 1985, and one each in 1986, 1987, and 1988.

Section 28. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 29. **Effective date.** This act is effective on passage and approval.

Approved April 30, 1983.

CHAPTER NO. 704

AN ACT ESTABLISHING AN INVESTMENT CREDIT AGAINST THE INDIVIDUAL INCOME TAX AND THE CORPORATE LICENSE TAX FOR CERTAIN CORPORATIONS FOR TAXABLE YEARS BEGINNING AFTER DECEMBER 31, 1982; AMENDING SECTIONS 15-30-162 AND 15-31-123, MCA, AND CHAPTER 520, SECTION 4, LAWS OF 1981; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-30-162, MCA, is amended to read:

"15-30-162. Investment credit. (1) There is allowed as a credit against the tax imposed by 15-30-103 a percentage of the credit allowed

with respect to certain depreciable property under section 38 of the Internal Revenue Code of 1954, as amended, or as section 38 may be renumbered or amended. *However, rehabilitation costs as set forth under section 46(a)(2)(F) of the Internal Revenue Code of 1954, or as section 46(a)(2)(F) may be renumbered or amended, are not to be included in the computation of the investment credit. The credit is allowed for the purchase and installation of certain qualified property defined by section 38 of the Internal Revenue Code of 1954, as amended, if the property meets all of the following qualifications:*

(a) it was placed in service in Montana; and

(b) it was used for the production of Montana adjusted gross income.

(2) The amount of the credit allowed for the taxable year is *5%* of the amount of credit determined under section 46(a)(2) of the Internal Revenue Code of 1954, as amended, or as section 46(a)(2) may be renumbered or amended.

(3) Notwithstanding the provisions of subsection (2), the investment credit allowed for the taxable year may not exceed *the* taxpayer's tax liability for the taxable year *or $500, whichever is less.*

(4) If *property for which an investment credit is claimed is used both inside and outside this state, only a portion of the credit is allowed. The credit must be apportioned according to a fraction the numerator of which is the number of days during the taxable year the property was located in Montana and the denominator of which is the number of days during the taxable year the taxpayer owned the property. The investment credit may be applied only to the tax liability of the taxpayer who purchases and places in service the property for which an investment credit is claimed. The credit may not be allocated between spouses unless the property is used by a partnership or small business corporation of which they are partners or shareholders.*

(5) The investment credit allowed by this section is subject to recapture as provided for in section 47 of the Internal Revenue Code of 1954, as amended, or as section 47 may be renumbered or amended."

Section 2. Section 15-31-123, MCA, is amended to read:

"15-31-123. Investment credit. (1) The purpose of this section is to allow small businesses to take an investment credit as provided for in subsection (3) and to stimulate capital investment by the small business sector.

(2) For the purposes of this section, "small business" means a business that *does not have:*

(a) more than 10 shareholders;

(b) a person who is not an individual (other than an estate or other than a trust described in 15-31-207) as a shareholder;

(c) a nonresident alien as a shareholder; and

(d) more than one class of stock.

HeinOnline -- 1983 vol. III 1734 1983

(3) There is allowed as a credit against the taxes imposed by 15-31-101, 15-31-121, and 15-31-122 a percentage of the credit allowed with respect to certain depreciable property under section 38 of the Internal Revenue Code of 1954, as amended, or as section 38 may be renumbered or amended. *However, rehabilitation costs as set forth under section 46(a)(2)(F) of the Internal Revenue Code of 1954, or as section 46(a)(2)(F) may be renumbered or amended, are not to be included in the computation of the investment credit. The credit is allowed for the purchase and installation of certain qualified property defined by section 38 of the Internal Revenue Code of 1954, as amended, if the property meets all of the following qualifications:*

(a) it was placed in service in Montana; and

(b) it was used for the production of Montana income.

(4) The amount of the credit allowed for the taxable year is *5%* of the amount of credit determined under section 46(a)(2) of the Internal Revenue Code of 1954, as amended, or as section 46(a)(2) may be renumbered or amended.

(5) Notwithstanding the provisions of subsection (4), the investment credit allowed for the taxable year may not exceed *$500.*

(6) If *property for which an investment credit is claimed is used both inside and outside this state, only a portion of the credit is allowed. The credit must be apportioned according to a fraction the numerator of which is the number of days during the taxable year the property was located in Montana and the denominator of which is the number of days during the taxable year the taxpayer owned the property. The investment credit may be applied only to the tax liability of the taxpayer who purchases and places in service the property for which an investment credit is claimed.*

(7) The investment credit allowed by this section is subject to recapture as provided for in section 47 of the Internal Revenue Code of 1954, as amended, or as section 47 may be renumbered or amended."

Section 3. Chapter 520, section 4, Laws of 1981, is amended to read:

"**Section 4. Applicability.** This act is applicable only to taxable years beginning after December 31, 1980."

Section 4. **Applicability.** Sections 1 and 2 are applicable to taxable years beginning after December 31, 1982.

Section 5. **Effective date.** This act is effective on passage and approval.

Approved April 30, 1983.

HeinOnline -- 1983 vol. III 1735 1983

CHAPTER NO. 705

AN ACT TO APPROVE THE ISSUANCE OF STATE OF MONTANA COAL SEVERANCE TAX BONDS TO FINANCE THE DEVELOPMENT OF CERTAIN STATE HYDROELECTRIC PROJECTS, THE REHABILITATION AND REPAIR OF CERTAIN STATE PROJECTS, AND LOANS TO POLITICAL SUBDIVISIONS AND LOCAL GOVERNMENTS FOR CERTAIN APPROVED WATER DEVELOPMENT PROJECTS; TO APPROPRIATE COAL SEVERANCE TAX TRUST PROCEEDS FOR DEBT SERVICE; TO AUTHORIZE THE CREATION OF A STATE DEBT; TO ALLOW THE PRIVATE SALE OF MUNICIPAL REVENUE BONDS TO THE STATE OF MONTANA; AMENDING SECTION 7-7-4433, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Purpose and policy.** (1) The legislature recognizes that it is the policy of the state of Montana to promote the conservation, development, and beneficial use of the state's water resources to secure maximum economic and social prosperity for its citizens.

(2) The legislature recognizes that the development and use of water resources and the efficient, economic distribution thereof are vital to protect existing uses and to assure adequate future supplies for domestic, industrial, agricultural, and other beneficial uses.

(3) The legislature reaffirms its previous declaration that the public interest requires the construction, operation, and maintenance of a system of works for the conservation, development, storage, distribution, and use of water, which construction, operation, and maintenance is a single objective which is in all respects for the welfare and benefit of the people of this state.

(4) The legislature finds that the 1981 legislature, in Chapter 505, Laws of 1981, established a state water development program to provide financial and administrative assistance to private, local, and state entities for water resources development projects and activities.

(5) The legislature finds that 85-1-601 declares that the water development program is an integral part of the implementation and development of the comprehensive, coordinated, multiple-use water resources plan known as the state water plan and that Title 17, chapter 5, part 7, provides for the issuance of coal severance tax bonds for financing specific approved water resource development projects and activities as part of the state water development program.

(6) The legislature finds that the following water development projects approved in [sections 3, 4, and 5] will implement the state's policy of full use, conservation, and protection of its water resources:

(a) Department of natural resources and conservation hydroelectric development at Painted Rocks Dam, Broadwater Dam, and Cooney Dam;

HeinOnline -- 1983 vol. III 1736 1983

(b) Department of natural resources and conservation repair and rehabilitation at Yellow Water Dam, Cottonwood Dam, and Martinsdale Dam and Reservoir;

(c) Three Forks water system improvement;

(d) Manhattan wastewater treatment system improvement;

(e) Manhattan water system capital improvements;

(f) Roosevelt County rural water system construction;

(g) Culbertson water supply and treatment facility construction;

(h) Geraldine rural water system construction;

(i) South Kremlin-Gildford rural water system construction;

(j) Huntley project irrigation district rehabilitation;

(k) Lower Birch Creek watershed plan;

(l) Ennis sewage treatment construction;

(m) East Bench gravity flow irrigation project;

(n) Bitterroot irrigation district Three Mile farm irrigation measure;

(o) Noxon rural water system improvement;

(p) Belgrade water system improvements;

(q) Columbia Falls water and sewer system improvements;

(r) Conrad water system improvements;

(s) Sage Creek water district;

(t) Shelby sewer system improvements;

(u) Hot Springs sewer system improvements;

(v) Power-Teton County sewer system improvements;

(w) Libby sewer system improvements;

(x) Big Fork sewer system improvements.

Section 2. **Appropriation and creation of debt for coal severance tax bonds.** (1) The legislature, through the enactment of this section by a vote of three-fourths of the members of each house of the legislature as required by Article IX, section 5, of the Montana constitution, pledges, dedicates, and appropriates from the coal severance tax bond subfund all money necessary for the payment of principal and interest not otherwise provided for on the state of Montana coal severance tax bonds authorized by this act to be issued pursuant to Title 17, chapter 5, part 7, and pursuant to the further provisions of [this act].

(2) The legislature, through the enactment of this section, in accordance with Article VIII, section 8, of the Montana constitution authorizes the creation of a state debt in an amount not to exceed $45.35 million for

HeinOnline -- 1983 vol. III 1737 1983

the development of the state hydroelectric projects approved in [section 3], in an amount not to exceed $551,900 for the rehabilitation of state water projects approved in [section 4], and in an amount not to exceed $17,044,735 for loans to local government entities for water development projects approved in [section 5], all for the issuance of state of Montana coal severance tax bonds authorized by [this act].

Section 3. **Approval of coal severance tax bonds for state hydroelectric projects — repayment provisions.** (1) The board of examiners may issue state of Montana coal severance tax bonds:

(a) to a maximum amount of $12.9 million for the development of the hydropower potential at the department of natural resources and conservation's Painted Rocks Dam under the authorization granted by the federal energy regulatory commission for project number 4657;

(b) to a maximum amount of $28.6 million for the development of the hydropower potential at the department of natural resources and conservation's Broadwater Dam under authorization pending before the federal energy regulatory commission for project number 2853; and

(c) to a maximum amount of $3.85 million for the development of the hydropower potential at the department of natural resources and conservation's Cooney Dam under an authorization from the federal energy regulatory commission to be applied for pursuant to the preliminary permit issued for project number 4700.

(2) Bonds approved in this section may not be issued by the board of examiners until the board of natural resources and conservation has determined that a project is feasible and has otherwise complied with the requirements of Title 85, chapter 1, part 5, for the development of hydropower at water projects under the control of the department.

(3) The maximum amount of bond revenue for each project approved in this section shall also include all and any relocation, reconstruction, remuneration, or other costs for which the department is legally liable that affect existing irrigation systems, private lands, utility lines, mines, roads, highways, and railroads that are subsequently affected by the development of a respective hydroelectric project.

(4) The hydropower revenues from each project are pledged, dedicated, and appropriated to a special bond account created for that specific project in the sinking fund of the state treasury for the benefit of the bonds approved for that specific project. The board of examiners may allocate a portion of the bond proceeds for a specific project from the bond proceeds and insurance clearance fund account to the special sinking account for that specific project for the payment of interest on the bonds during construction, for the establishment of necessary reserves, and for the operation and maintenance of the hydropower facilities.

(5) In connection with the issuance of bonds, the board of examiners may provide for the operation and maintenance of the hydropower facilities, pay the principal and interest on the bonds when due from each special bond account, create and maintain necessary reserves within each special bond account, and in all other respects manage and use the funds

HeinOnline -- 1983 vol. III 1738 1983

within each special bond account for the benefit of the bonds for the particular hydropower project.

(6) The board of examiners shall exercise its discretion to enhance the marketability of the bonds, to secure the most advantageous financial arrangements for the state, and to provide to the extent possible that all costs, including operation and maintenance and debt service, are paid out of project revenues and bond proceeds.

(7) Excess funds in any special sinking account as determined by the board of examiners must be allocated to the water development earmarked account to be used for the purposes set forth in 85-1-604(3)(b).

Section 4. **Approval of coal severance tax bonds for rehabilitation and repair of state water projects — repayment provisions.** (1) The board of examiners may issue state of Montana coal severance tax bonds:

(a) to a maximum amount of $92,000 for repair and rehabilitation of the department of natural resources and conservation's Yellow Water Dam in Petroleum County;

(b) a maximum amount of $201,000 for the repair of the department of natural resources and conservation's Cottonwood Dam in Park County; and

(c) to a maximum amount of $257,000 for the repair and rehabilitation of the department of natural resources and conservation's Martinsdale Dam and Reservoir in Meagher and Wheatland Counties.

(2) Bonds may be issued by the board of examiners after the water users for each project have entered into contractual agreements providing for the repayment of the cost of repair and rehabilitation at a rate of interest equal to that which must be paid on bonds issued pursuant to [this section]. The repayment money from each project is pledged, dedicated, and appropriated to a special bond account in the sinking fund of the state treasury for the benefit of the bonds approved for such project.

(3) In connection with the issuance of bonds, the board of examiners may pay the principal and interest on the bonds when due from the special bond account and in all other respects manage and use the funds within each special bond account for the benefit of the bonds. The board of examiners shall exercise its discretion to enhance the marketability of the bonds and to secure the most advantageous financial arrangements for the state.

(4) Earnings on bond proceeds prior to the completion of any loan shall be allocated to the special bond account to pay interest on the bonds during this period. Earnings in excess of bond interest, if any, shall be allocated to the water development earmarked account and may be used for the purposes allowed under 85-1-604(3)(b).

Section 5. **Authorization of coal severance tax bond loans to government entities.** The board of examiners may issue state of Montana coal severance tax bonds in an amount not to exceed $17,044,735 for

HeinOnline -- 1983 vol. III 1739 1983

the purpose of making the loans set forth in [section 6] from the bond proceeds to political subdivisions and local government entities and for the purpose of paying the cost of issuance of the bonds.

Section 6. **Political subdivision projects.** (1) The bonds authorized under [section 5] may be issued as follows:

(a) (i) Bonds to a maximum amount of $1,100,000 may be issued for a loan to the city of Three Forks for the purpose of financing improvements in the city's water system.

(ii) The project, which will rehabilitate existing components of the city water system and change the source of the water supply from the Madison River drainage to the Jefferson River drainage, is needed to resolve the health hazard in the city's existing water supply caused by excessive levels of arsenic.

(iii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(b) (i) Bonds to a maximum amount of $130,000 may be issued for a loan to the city of Manhattan for the purpose of financing improvements in the city's wastewater treatment system.

(ii) The project is needed because the existing city wastewater stabilization ponds provide inadequate treatment to meet future effluent limitations.

(iii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(c) (i) Bonds to a maximum amount of $170,000 may be used for a loan to the city of Manhattan for the purpose of financing capital improvements in the city's water system.

(ii) The project is needed for promotion of conservation of water by encouraging city water customers to use less water and for rehabilitation of the water system.

(iii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(d) (i) Bonds to a maximum amount of $1,790,000 may be issued for a loan to the Roosevelt County rural water district for the purpose of financing construction of a proposed water distribution system for domestic and stock use for eastern Roosevelt County.

(ii) The project is needed to supply water to those residents of the county who must haul water because of poor quality ground water and to prevent health problems caused by consumption of poor quality water.

HeinOnline -- 1983 vol. III 1740 1983

(iii) The loan must be repaid at a 6 ½% interest rate.

(e) (i) Bonds to a maximum amount of $704,000 may be issued for a loan to the town of Culbertson for the purpose of financing the construction of a water supply and treatment facility for the town.

(ii) The project is needed to prevent health problems associated with poor water quality through the use of more sophisticated water treatment methods and to increase the town's capacity to service present and future users with safe, potable water.

(iii) The loan must be repaid at a 5% interest rate.

(f) (i) Bonds to a maximum amount of $1,733,200 may be issued for a loan to the Geraldine rural county water district for the purpose of the development of a rural water system in the Geraldine area.

(ii) The project is needed to alleviate the situation caused by poor quality ground water in the area. The majority of the area's residents must haul both domestic and stock water.

(iii) The loan must be repaid at a 6 ½% interest rate.

(g) (i) Bonds to a maximum amount of $336,035 may be issued for a loan to the South Kremlin-Gildford water district for the purpose of the development of a rural water system in an area where ground water is of insufficient quantity and quality.

(ii) The project is needed to alleviate the health and economic problems caused by the lack of potable ground water. At present most residents must haul both domestic and stock water.

(iii) The loan must be repaid at a 6 ½% interest rate.

(h) (i) Bonds to a maximum amount of $162,000 may be issued for a loan to the Huntley project irrigation district for the purpose of rehabilitation of the project.

(ii) The project is needed to improve the performance of the water supply system and to ensure the availability of sufficient water for irrigation.

(iii) The loan must be repaid at a 6% interest rate.

(i) (i) Bonds to a maximum amount of $555,000 may be issued for a loan to the Pondera soil conservation district for the purpose of partial financing of the Lower Birch Creek watershed plan.

(ii) The watershed plan is needed to solve the area's irrigation water shortage problem by stabilizing and improving the major supply features of the system and to ensure an adequate water supply to the nearby city of Conrad.

(iii) The loan must be repaid at a 6% interest rate.

(j) (i) Bonds to a maximum amount of $180,000 may be issued for a loan to the city of Ennis for the purpose of financing, in part, sewage treatment construction.

HeinOnline -- 1983 vol. III 1741 1983

(ii) The project is needed to build an additional sewage settling cell in the city of Ennis because the present sewage treatment system is inadequate to meet the demands of the city's rising population and is not in compliance with federal standards.

(iii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(k) (i) Bonds may be issued for the purpose of a loan to the East Bench gravity flow project to provide financing to the project in accordance with subsection (ii) or (iii) of this subsection (k).

(ii) If the application for federal aid for the East Bench gravity flow project is not approved by August 1, 1983, bonds may be issued in an amount not to exceed $3,230,000 to finance a loan to the East Bench irrigation district. This loan must be repaid at a 3% interest rate.

(iii) If the application for federal aid for the East Bench gravity flow project is approved by August 1, 1983, bonds may be issued for the difference between a total project cost of $4,383,000 and the total amount of federal aid received by the project to finance a loan to the East Bench gravity company. This loan must be repaid at a 3% interest rate.

(iv) This project is needed to alleviate low pressure problems at the lower end of the project and to eliminate pumping costs.

(v) Remaining funds from the appropriation in House Bill 709 of the 47th Legislature for the East Bench irrigation project are reappropriated for the project for the biennium ending June 30, 1985.

(l) (i) Bonds to a maximum amount of $1,180,000 may be issued for a loan to the Bitterroot irrigation district for the purpose of financing, in part, the Three Mile farm irrigation measure, involving conversion of the irrigation system serving the area from pumped to gravity sprinkler irrigation.

(ii) This project is needed to alleviate present water shortages to reduce the cost of irrigation and to conserve water.

(iii) The loan must be repaid at a 3% interest rate.

(m) (i) Bonds to a maximum of $122,000 may be issued for a loan to the Noxon rural improvement district for the purpose of financing rehabilitation of the community's water system.

(ii) The project is needed because the present wooden lines have leakage problems and contamination is being drawn into the distribution system causing a health hazard.

(iii) The loan must be repaid at a 5% interest rate.

(n) (i) Bonds to a maximum amount of $1,235,000 may be issued for a loan to the city of Belgrade for the purpose of financing improvements in the city's water system.

HeinOnline -- 1983 vol. III 1742 1983

(ii) The project, which will rehabilitate existing components of the city water system, construct an additional well to supply the water system, and install residence meters, is needed to meet the demands of the city's growing population and to conserve the available water for future use.

(iii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(o) (i) Bonds to a maximum amount of $200,000 may be issued for a loan to the city of Columbia Falls for the purpose of partially financing improvements to city water and sewer lines.

(ii) The project is needed to replace existing water and sewer lines with new larger lines and because of the reconstruction of highway 2 in the area where the lines are located.

(iii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(p) (i) Bonds to a maximum amount of $500,000 may be issued for a loan to the city of Conrad for the purpose of financing improvements in the city's water system.

(ii) The project, which will replace a transmission line from the existing treatment plant to the distribution system, is needed because the existing steel pipe transmission has numerous breaks and has deteriorated to the extent that it cannot provide a reliable supply of water to the city.

(iii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(q) (i) Bonds to a maximum amount of $750,000 may be issued for a loan to the Sage Creek water district, if that district is formed prior to the sale of bonds pursuant to this act, for the purpose of financing construction of a rural water supply system for northern Liberty and Hill Counties.

(ii) The project is needed because residents of the area now must haul domestic water because of the scarcity and poor quality of ground water, and it is probable that they will have to haul stock water in the future.

(iii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(r) (i) Bonds to a maximum amount of $592,000 may be issued for a loan to the city of Shelby for the purpose of partially financing rehabilitation of the city's sewer system.

(ii) The project is needed to replace pipes that have deteriorated because of age and that are inadequate in size to serve the population of Shelby.

HeinOnline -- 1983 vol. III 1743 1983

(iii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(s) (i) Bonds to a maximum amount of $182,000 may be issued for a loan to the town of Hot Springs for the purpose of sewer system improvements.

(ii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(t) (i) Bonds to a maximum amount of $200,000 may be issued for a loan to the Power-Teton water and sewer district for the purpose of partially financing improvements to the town of Power's sewer system.

(ii) The project is needed to install a collection and treatment facility to address the present health hazard and pollution problem.

(iii) The loan must be repaid at a 7% interest rate. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(u) (i) Bonds to a maximum amount of $590,500 may be issued for a loan to the city of Libby for the purpose of partially financing construction of a secondary sewage treatment plant for the city.

(ii) The project is needed because the city's present sewage treatment system is not in compliance with public health standards.

(iii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(v) (i) Bonds to a maximum amount of $250,000 may be issued for a loan to the city of Big Fork for the purpose of partially financing rehabilitation of the city's sewage treatment plant.

(ii) The project is needed because the existing treatment plant is inadequate to meet the needs of the city and, as a result, poor quality effluent is being discharged by the system.

(iii) The loan must be repaid at a 7% interest rate for the first 5 years following loan issuance and at the full bond rate thereafter. A pro rata share, based on the amount of the loan, of the incurred administrative costs must be repaid.

(2) Loan repayments, both loan principal, fixed bond sale costs, and interest, are pledged, dedicated, and appropriated to a special bond account in the sinking fund of the state treasury for the benefit of bonds approved for loans under this section. Repayment, both principal and interest, of incurred administrative cost must be made to the water development earmarked account created in 85-1-604 to be reused for the administration of the water development loan and grant program. The interest

HeinOnline -- 1983 vol. III 1744 1983

rates applicable to any of the projects listed in [this section] shall be the lower of the specified rate cited for each project or the rate that must be paid on bonds issued pursuant to [section 5].

(3) In connection with the issuance of bonds, the board of examiners may pay the principal and interest on the bonds when due from the special bond account and in all other respects manage and use the funds within the special bond account for the benefit of the bonds. The board of examiners shall exercise its discretion to enhance the marketability of the bonds and to secure the most advantageous financial arrangements for the state.

(4) Earnings on bond proceeds prior to the completion of any loan must be allocated to the special bond account to pay interest on the bonds during this period. Earnings in excess of bond interest, if any, must be allocated to the water development earmarked account and may be used for the purposes allowed under 85-1-604(3)(c).

(5) (a) The legislature's approval of loans for projects listed in this section is subject to the recipient's provision to the board of examiners of information and material necessary for the purposes of completion of contractual agreements and for bond sale purposes. This information and material must be provided on a schedule that will allow bond sale schedules to be met. Prior to the issuance of the bonds, the department of natural resources and conservation shall review the projects to determine their technical and financial feasibility and report to the board of examiners. The loans are conditioned upon compliance with the requirements of this subsection (5) meeting the approval of the board of examiners and upon such other conditions the board of examiners may impose that are necessary for the completion of contractual agreements and for bond sale purposes.

(b) Loans for projects listed in this section are subject to the approval of the governing body of the political subdivision.

Section 7. Section 7-7-4433, MCA, is amended to read:

"7-7-4433. Sale of bonds. (1) Bonds authorized to be issued under this part shall be sold at not less than par.

(2) (a) Said bonds may be sold at private sale to the United States *or the state of Montana* or any agency, instrumentality, or corporation thereof.

(b) Unless sold to the United States *or the state of Montana* or *an* agency, instrumentality, or corporation thereof, said bonds shall be sold at public sale after notice of such sale."

Section 8. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 9. **Effective date.** This act is effective on passage and approval.

Approved April 30, 1983.

HeinOnline -- 1983 vol. III 1745 1983

CHAPTER NO. 706

AN ACT PROVIDING FOR THE AMENDMENT AND STUDY OF THE LAWS RELATED TO THE ACQUISITION, TRANSPORTATION, AND USE OF WATER; AMENDING SECTIONS 85-1-205 AND 85-2-311, MCA; REPEALING SECTION 85-1-121, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A TERMINATION DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 85-1-205, MCA, is amended to read:

"**85-1-205. Acquisition of water in federal reservoirs.** *(1)* The department may acquire water *or water storage* by purchase option or agreement with the federal government from *any federal reservoir* for the purpose of sale, rent, or distribution for industrial *and other uses.* In such cases, the department is not required to construct any diversion or appropriation facilities or works, and it may sell, rent, or distribute such water at such rates and under such terms and conditions as it considers appropriate, *except as provided in subsection (2).*

(2) Until a final decree has been issued pursuant to 85-2-234 concerning the waters in a federal reservoir, the department may sell, rent, or distribute such water only after a permit has been issued to an applicant for purchase, rent, or distribution of water in accordance with part 3 of this chapter."

Section 2. Section 85-2-311, MCA, is amended to read:

"**85-2-311. Criteria for issuance of permit.** *(1) Except as provided in subsections (2) and (3), the* department shall issue a permit if *the applicant proves by substantial credible evidence that the following criteria are met:*

(a) there are unappropriated waters in the source of supply:

(i) at times when the water can be put to the use proposed by the applicant;

(ii) in the amount the applicant seeks to appropriate; and

(iii) throughout the period during which the applicant seeks to appropriate, the amount requested is available;

(b) the rights of a prior appropriator will not be adversely affected;

(c) the proposed means of diversion, construction, and operation of the appropriation works are adequate;

(d) the proposed use of water is a beneficial use;

(e) the proposed use will not interfere unreasonably with other planned uses or developments for which a permit has been issued or for which water has been reserved.

HeinOnline -- 1983 vol. III 1746 1983

(2) (a) The department may not issue a permit for an appropriation of 10,000 or more acre-feet of water a year or 15 or more cubic feet per second of water unless it affirmatively finds:

(i) the criteria in subsection (1) are met;

(ii) the applicant has proven by clear and convincing evidence that the rights of a prior appropriator will not be adversely affected;

(iii) the proposed appropriation is a reasonable use. Such a finding shall be based on a consideration of the following:

(A) the existing demands on the state water supply, as well as projected demands such as reservations of water for future beneficial purposes, including municipal water supplies, irrigation systems, and minimum streamflows for the protection of existing water rights and aquatic life;

(B) the benefits to the applicant and the state;

(C) the economic feasibility of the project;

(D) the effects on the quantity, quality, and potability of water for existing beneficial uses in the source of supply;

(E) the effects on private property rights by any creation of or contribution to saline seep; and

(F) the probable significant adverse environmental impacts of the proposed use of water as determined by the department pursuant to Title 75, chapter 1, or Title 75, chapter 20.

(b) A permit for an appropriation for a diversion for a consumptive use of 10,000 or more acre-feet of water a year or 15 or more cubic feet per second of water under this subsection may not be issued unless the department petitions the legislature and the legislature affirms the findings of the department.

(3) An appropriation, diversion, impoundment, restraint, or attempted appropriation, diversion, impoundment, or restraint contrary to the provisions of this section is null and void. No officer, agent, agency, or employee of the state may knowingly permit, aid, or assist in any manner such unauthorized appropriation, diversion, impoundment, or other restraint. No person or corporation may, directly or indirectly, personally or through an agent, officer, or employee, attempt to appropriate, divert, impound, or otherwise restrain or control waters within the boundaries of this state except in accordance with this section."

Section 3. **Repealer.** Section 85-1-121, MCA, is repealed.

Section 4. **Study of water marketing.** (1) There is a select committee on water marketing. The select committee consists of eight members. The senate committee on committees and the speaker of the house of representatives shall each appoint four members on a bipartisan basis. The select committee shall meet as often as necessary to complete the study of water marketing required under this section.

HeinOnline -- 1983 vol. III 1747 1983

(2) The select committee on water marketing shall undertake a study of the economic, tax, administrative, legal, social, and environmental advantages and disadvantages of water marketing.

(3) The select committee shall study the desirability and feasibility of in-state and out-of-state marketing of limited amounts of water for industrial purposes from existing state and federal reservoirs and from proposed reservoirs with water reservations.

(4) The study must include:

(a) the present and future in-state demands for water for domestic, municipal, agricultural, industrial, recreational, in-stream flows, and other beneficial uses;

(b) how best to encourage a negotiated resolution of the conflicting demands of water users within the Missouri River basin and to discourage litigation and congressional action initiated by lower basin states;

(c) the potential effects of a coal slurry pipeline on coal production and the economic and environmental effects of increased coal production;

(d) the effects of a coal slurry pipeline on the railroad industry and rail rates for noncoal shippers;

(e) alternative structures for a water marketing program;

(f) alternative uses of revenue derived from water marketing; and

(g) the potential ecological effects of the installation and operation of coal slurry pipelines.

(5) The select committee shall solicit the advice of the department of natural resources and conservation, various interested industries, conservation groups, appropriate state and federal agencies, and the public in carrying out its duties under this section.

(6) The environmental quality council shall provide staff assistance to the select committee. The select committee may contract with experts and consultants, in addition to assistance from the environmental quality council staff, in carrying out its duties under this section.

(7) The select committee shall report its findings and recommendations for legislation, if any, to the 49th legislature.

Section 5. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 6. **Effective date.** This act is effective on passage and approval.

Section 7. **Termination date.** This act terminates July 1, 1985.

Approved April 29, 1983.

HeinOnline -- 1983 vol. III 1748 1983

CHAPTER NO. 707

AN ACT TO EARMARK A PORTION OF THE OIL SEVERANCE TAX FOR THE LOCAL GOVERNMENT BLOCK GRANT ACCOUNT; AMENDING SECTIONS 15-1-501 AND 15-36-112, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-1-501, MCA, is amended to read:

"15-1-501. Disposition of moneys from certain designated license and other taxes. (1) The state treasurer shall deposit to the credit of the state general fund all moneys received by him from the collection of:

(a) automobile driver's license fees under subsections (1) through (6) of 61-5-111;

(b) electric energy producer's license taxes under chapter 51;

(c) metalliferous mines license taxes under chapter 37;

(d) severance taxes allocated to the general fund under chapter 36;

(e) liquor license taxes under Title 16;

(f) telephone license taxes under chapter 53; and

(g) inheritance and estate taxes under Title 72, chapter 16.

(2) Seventy-five percent of all moneys received from the collection of income taxes under chapter 30 and corporation license and income taxes under chapter 31, except as provided in 15-31-702, shall be deposited in the general fund subject to the prior pledge and appropriation of such income tax and corporation license tax collections for the payment of long-range building program bonds. The remaining 25% of the proceeds of the corporation license tax, excluding that allocated to the counties under 15-31-702, corporation income tax, and income tax shall be deposited to the credit of the earmarked revenue fund for state equalization aid to the public schools of Montana.

(3) The state treasurer shall also deposit to the credit of the state general fund all moneys received by him from the collection of license taxes, fees, and all net revenues and receipts from all other sources under the operation of the Montana Alcoholic Beverage Code.

(4) Thirty-three and one-third percent of the total collections of the oil severance tax under chapter 36 shall be deposited into the local government block grant account within the earmarked revenue fund. After the distribution provided for in 15-36-112, the remainder of the oil severance tax collections shall be deposited in the general fund."

Section 2. Section 15-36-112, MCA, is amended to read:

HeinOnline -- 1983 vol. III 1749 1983

"**15-36-112. Disposition of oil and gas severance taxes.** (1) Each year the department of revenue shall determine the amount of tax collected under this chapter from within each county.

(2) The severance taxes collected under this chapter are allocated as follows:

(a) 33 ⅓% of the oil severance tax, not to exceed $42 million for the biennium ending June 30, 1985, is deposited in the local government block grant account within the earmarked revenue fund;

(b) the amount, if any, by which the tax collected from within a county for any fiscal year exceeds the total amount collected from within that county for the previous fiscal year, by reason of increased production and not because of increase in or elimination of federal price ceilings on oil and gas, is allocated to the general fund of the county for distribution as provided in subsection (3);

(c) any amount not allocated to the *local government block grant account or the* county under subsection (2)(a) *or (2)(b)* is allocated to the state general fund.

(3) (a) The county treasurer shall distribute the money received under *subsection (2)(b) of* this section to the county and to all the incorporated cities and towns within the county in the following manner. The county receives the available money multiplied by the ratio of the rural population to the county population. Each incorporated municipality receives the available money multiplied by the ratio of the population of the incorporated municipality to the county population. The rural population is that population of the county living outside the boundaries of an incorporated municipality. Population shall be based on the most recent figures as determined by the department of administration.

(b) The money distributed under this subsection may be used for any purpose as determined by the governing body of the county, city, or town."

Section 3. **Effective date.** This act is effective July 1, 1983, and is applicable to all severance taxes collected after June 30, 1983.

Approved May 2, 1983.

CHAPTER NO. 708

AN ACT ESTABLISHING A LOCAL GOVERNMENT BLOCK GRANT PROGRAM PROVIDING FINANCIAL ASSISTANCE TO MUNICIPALITIES AND COUNTIES IN MONTANA; PROVIDING A METHOD FOR DISTRIBUTION OF THE FUNDS; DESIGNATING THE DEPARTMENT OF COMMERCE AS THE ADMINISTERING AGENCY; APPROPRIATING MONEY TO THE LOCAL GOVERNMENT BLOCK GRANT ACCOUNT; AMENDING SECTION 61-3-536, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** As used in [sections 1 through 9], the following definitions apply:

(1) "County" means any county government, excluding those classified as consolidated governments.

HeinOnline -- 1983 vol. III 1750 1983

(2) "Incorporated population" means the number of persons residing within the boundaries of a municipality.

(3) "Jurisdiction" means all city, town, county, and consolidated governments; all other municipal taxing districts; school districts; and the state.

(4) "Mill value" means the amount of revenue that can be raised within a jurisdiction by levying 1 mill. It is determined by multiplying a jurisdiction's taxable valuation by .001.

(5) "Municipality" means an incorporated city, town, or city-county consolidated government.

(6) "Unincorporated population" means the number of persons not residing within a municipality.

Section 2. **Local government block grant account created — source of funds.** (1) There is a local government block grant account within the earmarked revenue fund.

(2) Funds in this account must be used to provide payments from the local government block grant program to eligible jurisdictions.

(3) Thirty-three and one-third percent of the oil severance tax collected under the provisions of 15-36-101 and all funds appropriated to the account must be deposited in the account.

Section 3. **Local government block grant program.** (1) The department of commerce shall administer the local government block grant program and distribute funds from the local government block grant account.

(2) The local government block grant program is comprised of three parts:

(a) a general purpose block grant for municipalities, counties, school districts, and other jurisdictions;

(b) a general services block grant for counties; and

(c) a general services block grant for municipalities.

Section 4. **Division of block grant funds.** The division of funds within the local government block grant account is as follows:

(1) Except as provided in [section 9(1)], the general purpose block grant for municipalities, counties, school districts, and other jurisdictions must be funded, before any other distributions are made from the account, in an amount sufficient to cover the reimbursements required by 61-3-536.

(2) (a) The general services block grant for counties must be funded from a percentage of the remaining funds deposited in the account equal to the ratio of the unincorporated population to the state population.

(b) The general services block grant for municipalities must be funded from a percentage of the remaining funds deposited in the account equal to the ratio of the incorporated population to the total state population.

HeinOnline -- 1983 vol. III 1751 1983

Section 5. **Distribution of general purpose block grant funds.** The general purpose block grant for municipalities, counties, school districts, and other jurisdictions must be distributed by the state to counties pursuant to 61-3-536 and by counties to other jurisdictions pursuant to 61-3-509.

Section 6. **Distribution of general services block grant funds to counties.** Funds in the general services block grant for counties must be distributed as follows:

(1) One-half of each county's share is determined by the ratio of the county's population to the total county population in the state.

(2) The remaining one-half is distributed according to the following formula where CMV = average mill value per capita of all counties; IMV = individual county mill value per capita; ICP = individual county population; CG = ½ total county grant:

$$\frac{CMV}{IMV} \times ICP = \text{county tax base factor (TBF)}$$

$$CG \times \frac{\text{individual county TBF}}{\text{sum of all county TBFs}} = \tfrac{1}{2}\text{ individual county share}$$

Section 7. **Distribution of general services block grant funds to municipalities.** (1) The general services block grant for municipalities is divided into the city/town category and the consolidated category.

(2) The consolidated category shall receive a percentage of the total municipal grant as determined by the following formula where PCG = population of consolidated governments; UP = unincorporated population; TSP = total state population; and TSMP = total state municipal population:

$$\frac{PCG + (PCG \times UP/TSP)}{TSMP} = \text{consolidated category percentage}$$

(3) The city/town category shall receive the remainder of the general services grant for municipalities.

(4) Funds for both the city/town and consolidated categories must be distributed as follows:

(a) One-half of each municipality's share is determined by the ratio of the municipality's population to the total municipal population of that category.

(b) The remaining one-half is distributed according to the following formula where MVPC = average mill value per capita for all municipalities within each category; IVC = individual municipal mill value per capita; IMP = individual municipal population; CG = ½ total grant for each category:

HeinOnline -- 1983 vol. III 1752 1983

$$\frac{\text{MVPC}}{\text{IVC}} \times \text{IMP} = \text{municipal tax base factor (TBF)}$$

$$\text{CG} \times \frac{\text{individual municipal TBF}}{\text{sum of all municipal TBFs}} = \tfrac{1}{2} \text{ individual municipality's share}$$

Section 8. **Population and taxable valuation figures to be used.** (1) Population figures used in [sections 4, 6, and 7] must be the most recent figures as determined by the department of commerce.

(2) Mill values used in [sections 4, 6, and 7] are the most recent taxable valuation figures as determined by the department of revenue for the fiscal year in which payments will be made.

Section 9. **Disposition and use of funds.** Disbursements from the local government block grant account shall be made as follows:

(1) On October 1, 1983, a disbursement must be made from the general services block grant that is the lesser of:

(a) $2 million; or

(b) one-third of the total general fund appropriation to the account for the biennium ending June 30, 1985.

(2) On March 1, 1984, and March 1 of each succeeding year the reimbursement required by 61-3-536 must be distributed.

(3) On June 30, 1984, a disbursement must be made from the general services block grants for municipalities and counties that equals the amount which is the lesser of the difference between the account balance on that date and:

(a) $3 million dollars; or

(b) one-half of the total general fund appropriation to the account for the biennium ending June 30, 1985.

(4) On June 30, 1985, and June 30 of each succeeding year, all funds remaining in the account must be distributed.

(5) The funds distributed by [this act] may be used for any purpose authorized by law.

Section 10. Section 61-3-536, MCA, is amended to read:

"61-3-536. State aid for local government. (1) Each county treasurer shall compute:

(a) the total amount received during the period from January 1, 1981, to December 31, 1981, for property taxes on automobiles and trucks having a rated capacity of three-quarters of a ton or less, denoted CT;

(b) the total amount that would have been received during the same period if the license fee system had been in effect, denoted CF; and

(c) the number of light vehicles registered in the county on December 31, 1981, denoted NC.

HeinOnline -- 1983 vol. III 1753 1983

(2) The three quantities, CT, CF, and NC, shall be certified to the department of revenue by February 1, 1982. The department shall compute for each county a quantity called county revenue loss, denoted CRL, and county loss per vehicle, denoted CLV, and defined as follows:

(a) CRL = larger of:

(i) 0; or

(ii) CT - CF;

(b) CLV = CRL/NC.

(3) Prior to February 1 of year denoted Y, the county treasurer shall determine and certify to the department the number of light vehicles registered in the county on December 31 of the prior year, denoted NC(Y). *Prior to March 1 of year Y, the department of revenue shall transmit to the department of commerce the amount of CLV x NC(Y) for each county.*

(4) On March 1 of year Y, the department *of commerce* shall transmit to each county treasurer a warrant in the amount of CLV x NC(Y).

(5) Upon receipt of the payment provided for in subsection (4), the county treasurer shall credit the payment to a motor vehicle suspense fund and, at some time between March 15 and March 30, shall distribute the payment in the same manner as funds are distributed to the taxing jurisdictions as provided in 61-3-509."

Section 11. **Appropriation.** There is appropriated from the general fund to the local government block grant account $3 million for the biennium ending June 30, 1985.

Section 12. **Effective date.** This act is effective July 1, 1983.

Approved May 2, 1983.

CHAPTER NO. 709

AN ACT CREATING A DISPLACED HOMEMAKER PROGRAM AND PROVIDING FOR AN APPROPRIATION; AMENDING SECTION 25-1-201, MCA; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Legislature finds that there is an increasing number of persons in the state who, being in their middle years and having fulfilled the role of homemaker, find themselves displaced because of dissolution of marriage, death or disability of spouse, or other loss of family income; and

WHEREAS, the Legislature finds that displaced homemakers have a greatly reduced income and a high rate of unemployment due to age, education, or lack of paid work experience and are likely to be ineligible for Social Security benefits, Unemployment Compensation, Medicaid, and other health insurance benefits or pension plans of the spouse; and

HeinOnline -- 1983 vol. III 1754 1983

WHEREAS, the Legislature finds that homemakers are an unrecognized part of the work force who make an invaluable contribution to the welfare of society as a whole.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Short title.** [Sections 1 through 10] may be cited as the "Displaced Homemaker Act".

Section 2. **Purpose.** It is the intent of the legislature to provide necessary counseling, training, jobs, services, and health care for displaced homemakers so they may achieve independence and the economic security vital to a productive life.

Section 3. **Definitions.** As used in [sections 1 through 10], the following definitions apply:

(1) "Commissioner" means the commissioner of labor and industry as provided in 2-15-1701.

(2) "Displaced homemaker" means an individual who:

(a) has worked in the home for at least 3 years providing unpaid household services for family members;

(b) is not gainfully employed or is underemployed;

(c) has had or would have difficulty securing paid employment; and

(d) was dependent on the income of another family member but is no longer supported by such income, was dependent on federal assistance but is no longer eligible for such assistance, or whose eligibility for such federal assistance will be terminated within 6 months.

Section 4. **Multipurpose service programs for displaced homemakers — administrators.** (1) The commissioner may establish multipurpose service programs for displaced homemakers and may enter into contracts with and make grants to nonprofit agencies or organizations, public or private, to establish, organize, and administer the programs described in [section 5].

(2) The commissioner shall contract with an administrator for each program.

Section 5. **Programs to aid displaced homemakers.** (1) The programs must be developed in cooperation with federal, state, and local agencies and with private employers in order to coordinate efforts directed toward enabling the displaced homemaker to maintain economic security and emotional well-being and to avoid unnecessary duplication of services.

(2) The services may include but are not limited to:

(a) job counseling services that are:

(i) specifically designed for displaced homemakers by taking into account and building upon their skills and experiences; and

HeinOnline -- 1983 vol. III 1755 1983

(ii) operated to counsel displaced homemakers with respect to appropriate job opportunities;

(b) job training and job placement services that:

(i) include training and placement programs for jobs in the public and private sectors;

(ii) assist displaced homemakers in gaining admission to existing public or private job training and educational programs; and

(iii) assist in identifying community needs and creating new jobs in the public and private sectors;

(c) referral to or development of programs for displaced homemakers in cooperation with local agencies that provide information and assistance with respect to health care, financial matters, education, nutrition, and legal problems;

(d) support services, such as:

(i) child care for preschool children;

(ii) transportation assistance; and

(iii) grants for education; and

(e) development of outreach programs to serve rural areas where needs for such programs have been identified.

Section 6. **Rulemaking duties of commissioner.** The commissioner, with the advice of other organizations and agencies who provide services to displaced homemakers, shall adopt rules:

(1) concerning the eligibility of persons who may be served by the program;

(2) concerning a graduated fee schedule for program services;

(3) concerning criteria for making grants as provided for in [section 4]; and

(4) necessary to carry out the provisions of [sections 1 through 10].

Section 7. **Acceptance of funds by administrator of local program.** The administrator of the local displaced homemaker program may accept, use, and dispose of all grants or contributions of money, services, and property for the purpose of carrying out the provisions of [sections 1 through 10]. Such grants or contributions may include grants or in-kind contributions from a local governmental unit.

Section 8. **Evaluation of multipurpose service programs — reports to the commissioner.** The administrator of each designated program established under [sections 1 through 10] shall report annually to the commissioner as prescribed by rule, which report must include:

(1) an evaluation of the effectiveness of the program's job counseling, training, placement referral, support, and outreach services to displaced homemakers; and

(2) an accounting of all expenditures.

Section 9. **Staff of service programs.** To the extent possible, supervisory, technical, and administrative positions in the multipurpose service programs must be filled by displaced homemakers.

Section 10. **Partial funding from local community.** Fifteen percent of the operational costs of a local displaced homemaker program must

HeinOnline -- 1983 vol. III 1756 1983

come from the local community served by the program. The local contribution may include in-kind contributions.

Section 11. Section 25-1-201, MCA, is amended to read:

"25-1-201. Fees of clerk of district court. (1) The clerk of the district court shall collect the following fees:

(a) at the commencement of each action or proceeding, from the plaintiff or petitioner, $20; for filing a complaint in intervention, from the intervenor, $20; *and for filing a petition for dissolution of marriage, an additional fee of $25*;

(b) from each defendant or respondent, on his appearance, $10;

(c) on the entry of judgment, from the prevailing party, $10;

(d) for preparing copies of papers on file in his office, 25 cents per page;

(e) for each certificate, with seal, 50 cents;

(f) for oath and jurat, with seal, 50 cents;

(g) for administering oath, 25 cents;

(h) for taking depositions, per folio, 20 cents;

(i) for filing and docketing a transcript of judgment or abstract of judgment from all other courts, $5;

(j) for issuing an execution or order of sale on a foreclosure of a lien, $2;

(k) for transmission of records or files or transfer of a case to another court, $5;

(l) for filing and entering papers received by transfer from other courts, $10;

(m) for issuing a marriage license, $30;

(n) on the filing of an application for informal, formal, or supervised probate or for the appointment of a personal representative or the filing of a petition for the appointment of a guardian or conservator, from the applicant or petitioner, $35, which includes the fee for filing a will for probate.

(2) Except as provided in subsection (3), 40% of all fees collected by the clerk of the district court *must* be deposited in and credited to the general fund of the county. The remaining portion of the fees *must* be remitted to the state to be deposited as provided in 19-5-404.

(3) In the case of a fee collected for issuing a marriage license, $14 must be deposited in and credited to the state general fund, $6.40 must be deposited in and credited to the county general fund, and $9.60 must be remitted to the state to be deposited as provided in 19-5-404.

(4) The additional fee for filing a petition for dissolution of marriage must be deposited in the state general fund."

Section 12. **Appropriation.** There is appropriated from the general fund to the department of labor and industry the sum of $250,000 for the biennium ending June 30, 1985, to fund the displaced homemaker program.

Section 13. **Effective date.** This act is effective July 1, 1983.

Approved May 16, 1983.

HeinOnline -- 1983 vol. III 1757 1983

CHAPTER NO. 710

AN ACT ESTABLISHING STATE EMPLOYEE COMPENSATION PLANS AND BENEFIT LEVELS; PROVIDING PAY SCHEDULES FOR FISCAL YEARS 1984 AND 1985; APPROPRIATING FUNDS THEREFOR; AMENDING SECTIONS 2-18-106, 2-18-301, 2-18-303 THROUGH 2-18-305, 2-18-311, AND 2-18-703, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-18-311, MCA, is amended to read:

"2-18-311. Statewide pay schedule for fiscal year 1984. *The statewide classification pay schedule for fiscal year 1984 is as follows:*

Annual Hours — 2080 *Note: Includes Insurance*
Pay Matrix — State *Matrix Type — Annual*

Section 4. **Liquor store occupations pay schedules.** (1) The pay schedule for liquor store occupations for fiscal year 1984 is as follows:

Annual Hours — 2080
Pay Matrix — Retail Clerk

Note: Includes Insurance
Matrix Type — Hourly

Grade	$/Hour
L1	0.000
L2	6.974
L3	7.460
L4	7.730
L5	8.012
L6	8.604
L7	9.249
L8	9.972

(2) The pay schedule for liquor store occupations for fiscal year 1985 is as follows:

Annual Hours — 2080
Pay Matrix — Retail Clerk

Note: Includes Insurance
Matrix Type — Hourly

Grade	$/Hour
L1	0.000
L2	7.225
L3	7.725
L4	8.004
L5	8.295
L6	8.905
L7	9.569
L8	10.313

Section 5. **Blue-collar pay schedules.** (1) The pay schedule for blue-collar workers for fiscal year 1984 is as follows:

Annual Hours — 2080
Pay Matrix — Blue-Collar

Note: Includes Insurance
Matrix Type — Hourly

Grade	$/Hour
B1	7.249
B2	7.649
B3	8.049
B4	8.449
B5	8.849
B6	9.249
B7	9.649
B8	10.049
B9	10.449
B10	10.849
B11	11.249
B12	11.649
B00	12.049

(2) The pay schedule for blue-collar workers for fiscal year 1985 is as follows:

Annual Hours — 2080
Pay Matrix — Blue-Collar

Note: Includes Insurance
Matrix Type — Hourly

Grade	$/Hour
B1	7.607
B2	8.007
B3	8.407
B4	8.807
B5	9.207
B6	9.607
B7	10.007
B8	10.407
B9	10.807
B10	11.207
B11	11.607
B12	12.007
B00	12.407

Section 6. Section 2-18-106, MCA, is amended to read:

"2-18-106. No limitation on legislative authority — transfer of funds. (1) Parts 1, 2, and 3 do not limit the authority of the legislature relative to appropriations for salary and wages. The budget director shall adjust his determinations in accordance with legislative appropriations.

(2) Unexpended agency appropriation balances in the first year of the biennium may be transferred to the second year of the biennium to offset the costs of pay increases."

Section 7. Section 2-18-301, MCA, is amended to read:

"2-18-301. Purpose and intent of part — rules. (1) The purpose of this part is to provide the compensation necessary to attract and retain competent and qualified employees in order to perform the services the state is required to provide to its citizens.

HeinOnline -- 1983 vol. III 1762 1983

(2) It is the intent of the legislature that, for the biennium ending June 30, *1985*, the:

(a) pay schedules provided for in 2-18-311 through 2-18-315 supersede any other plan or systems established through collective bargaining after the adjournment of the *48th* legislature;

(b) pay levels provided for in 2-18-311 through 2-18-315 may not be increased through collective bargaining after adjournment of the *48th* legislature; and

(c) total funds required to implement the pay schedules provided for in 2-18-311 through 2-18-315 for any employee group or bargaining unit may not be increased through collective bargaining over the amount appropriated by the *48th* legislature.

(3) The department shall administer the pay program established by the legislature on the basis of merit, internal equity, and competitiveness to external labor markets when fiscally able.

(4) The department may promulgate rules not inconsistent with the provisions of this part, collective bargaining statutes, or negotiated contracts to carry out the purposes of this part."

Section 8. Section 2-18-303, MCA, is amended to read:

"2-18-303. Procedures for utilizing pay schedules. (1) The pay schedules provided in 2-18-311 and 2-18-312 shall be implemented as follows:

(a) The pay schedule provided in 2-18-311 indicates the annual compensation for the fiscal year ending June 30, *1984*, for each grade and step for positions classified under the provisions of part 2 of this chapter.

(b) The pay schedule provided in 2-18-312 indicates the annual compensation for the fiscal year ending June 30, *1985*, for each grade and step for positions classified under the provisions of part 2 of this chapter.

(c) Each new employee shall advance from step 1 to step 2 of a grade after successfully completing 6 months of probationary service. The anniversary date of an employee shall be established at the end of the probationary period in accordance with rules promulgated by the department.

(d) (i) The compensation of each employee on the first day of the first pay period in fiscal year *1984* shall be that amount which corresponds to the grade and step occupied on the last day of the preceding fiscal year of *1983*.

(ii) The compensation of each employee on the first day of the first pay period in fiscal year *1985* shall be that amount which corresponds to the grade and step occupied on the last day of the fiscal year *1984*.

(iii) In compliance with rules adopted to implement this part, each employee is eligible on his anniversary date to advance one step in the pay matrix *for* fiscal year *1984 and fiscal year 1985*. However, if the employee's anniversary date falls between (inclusive) July 1 and the first

HeinOnline -- 1983 vol. III 1763 1983

day of the first pay period of fiscal year *1984* or *1985*, as the case may be, he will advance one step on the first day of that pay period.

(2) The pay schedules provided in 2-18-311 and 2-18-312 and the provisions of subsection (1) of this section do not apply to those institutional teachers, liquor store occupations, or blue-collar occupations compensated under the pay schedules provided in 2-18-313, 2-18-314, or 2-18-315.

(3) The pay schedules provided in 2-18-313, 2-18-314, or 2-18-315 shall be implemented as follows:

(a) (i) The pay schedules provided in 2-18-313 indicate the annual compensation for the contracted school term for teachers employed by institutions under the authority of the department of institutions for fiscal years *1984* and *1985*.

(ii) The compensation of each teacher on the first day of the first pay period in July, *1983*, shall be that amount which corresponds to his level of academic achievement and the step occupied on June 30, *1983*.

(iii) The compensation of each teacher on the first day of the first pay period in July, *1984*, shall be that amount which corresponds to his level of achievement and the step occupied on June 30, *1983*.

(b) (i) The pay schedules provided in 2-18-314 indicate the maximum hourly compensation for fiscal years ending June 30, *1984*, and June 30, *1985*, for those employees in liquor store occupations who have collectively bargained separate classification and pay plans.

(ii) The compensation of each employee on the first day of the first pay period in fiscal year *1984* or *1985*, as the case may be, shall be that amount which corresponds to that grade occupied on the last day of the preceding fiscal year.

(c) (i) The pay schedules provided in 2-18-315 indicate the maximum hourly compensation for fiscal years ending June 30, *1984*, and June 30, *1985*, for employees in apprentice trades and crafts and other blue-collar occupations recognized in the state blue-collar classification plan who are members of units that have collectively bargained separate classification and pay plans.

(ii) The compensation of each employee on the first day of the first pay period in fiscal year *1984* or *1985*, as the case may be, shall be that amount which corresponds to that grade occupied on the last day of the preceding fiscal year.

(4) (a) (i) No member of a bargaining unit may receive the amounts indicated in the respective pay schedules provided in 2-18-311 through 2-18-315 until the bargaining unit of which he is a member ratifies a completely integrated collective bargaining agreement covering the biennium ending June 30, *1985*.

(ii) In the event that negotiation and ratification of a completely integrated collective bargaining agreement as required by subsection (4)(a)(i) of this section are not completed by July 1, *1983*, retroactivity to that date may be negotiated.

HeinOnline -- 1983 vol. III 1764 1983

(iii) In the event that negotiation and ratification of a completely integrated collective bargaining agreement as required by subsection (4)(a)(i) of this section are not completed by July 1, *1983*, members of the bargaining unit involved will continue to receive the compensation they were receiving as of June 30, *1983*.

(b) Methods of administration not inconsistent with the purpose of this part and necessary to properly implement the pay schedules provided in 2-18-313 through 2-18-315 may be provided for in collective bargaining agreements.

(5) The current wage or salary of an employee shall not be reduced by the implementation of the pay schedules provided for in 2-18-311 through 2-18-315.

(6) The department may authorize a separate pay schedule for medical doctors if the rates provided in 2-18-311 and 2-18-312 are not sufficient to attract and retain fully licensed and qualified physicians at the state institutions.

(7) The department may develop programs which will enable the department to mitigate problems associated with difficult recruitment, retention, transfer, or other exceptional circumstances. Insofar as the program may apply to employees within a collective bargaining unit, it shall be a negotiable subject under 39-31-305."

Section 9. Section 2-18-304, MCA, is amended to read:

"2-18-304. Longevity allowance. In addition to the compensation provided for in 2-18-311, 2-18-312, 2-18-313, 2-18-314, or 2-18-315, each employee who has completed 5 years of uninterrupted state service shall receive the larger of $10 a month or 10% of the difference between the base compensation for his grade and step (where applicable) and the base compensation for the next highest grade and corresponding step (where applicable) multiplied by the number of completed, contiguous 5-year periods of uninterrupted state service. Service to the state is not interrupted by authorized leaves of absence."

Section 10. Section 2-18-305, MCA, is amended to read:

"2-18-305. Allocation between wages and group benefits. (1) The dollar amounts shown in the respective pay schedules provided in 2-18-311, 2-18-312, 2-18-313, 2-18-314, or 2-18-315, as the case may be, represent the maximum amount allocated by the state for wages and group benefits, exclusive of longevity as defined in 2-18-304. Except as provided in subsection (2) of this section, that amount specifically allocated for group benefits shall be determined by 2-18-703. An employee who elects not to be covered by a state employee group benefit plan will receive as wages the amount shown in the appropriate pay schedule less the state contribution for group benefits as determined by 2-18-703.

(2) Employees may, through collective bargaining, determine the allocation of the amounts shown in the pay schedules provided in 2-18-311, 2-18-312, 2-18-313, 2-18-314, or 2-18-315, as the case may be, between wages and group benefits, except that in no case may the group benefits allocation be less than the amounts provided in 2-18-703."

HeinOnline -- 1983 vol. III 1765 1983

Section 11. Section 2-18-703, MCA, is amended to read:

"2-18-703. Contributions. (1) Each agency as defined in 2-18-601 shall contribute the amount specified in this section towards the group benefits cost.

(2) For employees defined in 2-18-701 other than members of collective bargaining units, and for members of the legislature, the employer contribution for group benefits shall be *$90* per month for the fiscal year ending June 30, *1984*, and *$100* per month for each fiscal year thereafter. Permanent part-time employees who are regularly scheduled to work less than 20 hours a week are not eligible for the group benefit contribution. An employee who elects not to be covered by a state-sponsored group benefit plan may not receive the state contribution as wages.

(3) For employees of elementary and high school districts and of local government units, the employer's premium contributions may exceed but may not be less than $10 per month.

(4) Unused employer contributions for any state employee shall be transferred to an account established for this purpose by the department and upon such transfer may be used to offset losses occurring to the group of which the employee is eligible to be a member."

Section 12. **Appropriation.** There is appropriated from the general fund to the governor's office $9,700,000 for the biennium ending June 30, 1985, to implement the provisions of this act. In distributing funds necessary to implement this act among the various state agencies, no reduction shall be made on account of vacancy savings in instructional contract faculty within the Montana university system.

Section 13. **Codification instruction.** Sections 2, 3, 4, and 5 shall be codified as 2-18-312, 2-18-313, 2-18-314, and 2-18-315, respectively.

Section 14. **Effective date.** This act is effective on passage and approval.

Approved April 27, 1983.

HeinOnline -- 1983 vol. III 1766 1983

APPROPRIATIONS

ENACTED BY THE

Forty-eighth Legislature

IN REGULAR

SESSION

STATE OF MONTANA

1983

HeinOnline -- 1983 vol. III 1767 1983

HeinOnline -- 1983 vol. III 1768 1983

APPROPRIATIONS

HOUSE BILL NO. 1

AN ACT IMPLEMENTING SECTION 4 OF INITIATIVE 95 BY ALLOCATING INTEREST ON THE COAL TAX TRUST FUND TO THE MONTANA ECONOMIC DEVELOPMENT FUND; APPROPRIATING FUNDS FROM THE ECONOMIC DEVELOPMENT FUND TO THE DEPARTMENT OF COMMERCE AND THE DEPARTMENT OF LABOR AND INDUSTRY TO ACCOMPLISH THE OBJECTIVES ESTABLISHED BY THE PEOPLE OF MONTANA WITH THEIR APPROVAL OF INITIATIVE 95; AUTHORIZING LOANS FROM THE GENERAL FUND; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Total appropriation.** For the biennium ending June 30, 1985, there is allocated a total of $3,525,000 of the coal tax trust fund interest to the Montana economic development fund created by section 4 of Initiative 95.

Section 2. **Appropriation.** The following appropriations are from the Montana economic development fund for the biennium ending June 30, 1985:

DEPARTMENT OF COMMERCE

Governor's Council on Economic Development	$ 75,000

This appropriation may not be expended until the council is created pursuant to 2-15-122 to advise the department on the implementation and development of economic development programs authorized in Title 90, chapter 1, part 1.

Council on Science and Technology	100,000

The appropriation may not be expended until the council is created pursuant to 2-15-122 to advise the department on the application of scientific and technological research in the development and implementation of economic development programs authorized in Title 90, chapter 1, part 1.

Business Development Assistance Program, as authorized by subsections (5) and (7) of 90-1-102 and 90-1-105(3)	400,000
Assistance to Local Development Organizations, as authorized by 90-1-102(8) and 90-1-105(4)	400,000

HeinOnline -- 1983 vol. III 1769 1983

University Business Management Development Program	100,000
Montana Product Promotion, as authorized by 90-1-102(5) and subsections (2) and (5) of 90-1-105	100,000
Montana Economic Reporting and Forecasting System, as authorized by subsections (2) and (4) of 90-1-102 and 90-1-107(1)	150,000
Business Location Promotion, as authorized by subsections (2), (3), and (6) of 90-1-105	150,000
Travel and Tourism Promotion, as authorized by subsections (2), (5), and (6) of 90-1-105	800,000
Montana Economic Development Board, as created in [HB 100 and HB 700]	400,000
DEPARTMENT OF LABOR AND INDUSTRY	
Labor Training Program	500,000

This appropriation is to serve as state match for federal job training partnership act money under the displaced workers provisions and to supplement economic development activities for new and expanding business as authorized under the job training partnership act.

TOTAL GENERAL FUND	$3,525,000

Section 3. **Spending authority.** The following appropriation is for spending authority for private donations for the Travel and Tourism Promotion Program for the biennium ending June 30, 1985:

DEPARTMENT OF COMMERCE	
Travel, Tourism, and Business Promotion	$700,000

Section 4. **Borrowing.** The Department of Commerce may borrow from the general fund or other funds for:

DEPARTMENT OF COMMERCE	
Operating costs of the Umbrella Industrial Revenue Bond Program, 4-year loan	$150,000

Section 5. **Effective date.** This act is effective on passage and approval.

Approved April 28, 1983.

HeinOnline -- 1983 vol. III 1770 1983

HOUSE BILL NO. 40

AN ACT TO AMEND HOUSE BILL NO. 500, LAWS OF 1981, TO ELIMINATE THE REQUIREMENT THAT THE DEPARTMENT OF REVENUE DEPOSIT $13 MILLION OF LIQUOR PROFITS TO THE GENERAL FUND DURING THE BIENNIUM ENDING JULY 1, 1983; AND PROVIDING AN EFFECTIVE DATE AND APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 19, Division A, Department of Revenue, House Bill No. 500, Laws of 1981, is amended to read:

"DEPARTMENT OF REVENUE

	Fiscal Year 1982		Fiscal Year 1983	
	General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds
1. General Operations	12,340,311	1,325,313	12,490,050	1,359,671
2. Audit Costs	16,500	8,500	49,500	25,500
3. Legal Fees: Director's Office	25,000		25,000	
4. Recovery Services Division	197,718	593,153	199,603	598,807
5. SB 50	40,000		10,000	
Total Department of Revenue	12,619,529	1,926,966	12,774,153	1,983,978

Should the recovery services division return $1.05 in collections per $1.00 expended in 1982, the appropriation in item 4 may be increased a maximum of $16,000 from the general fund and $48,000 in federal funds for fiscal 1983.

Cash within the central supply revolving account at 1981 fiscal year end must be deposited to the general fund. Collections from liquidation of inventory during the 1983 biennium must also be deposited to the general fund.

In addition to those amounts appropriated above, there are appropriated to the liquor division funds necessary to maintain adequate inventories of liquor and wine and to operate the state liquor monopoly. During the 1983 biennium, profits may not be less than 15% of net liquor sales. Net liquor sales are gross liquor sales less discounts and all taxes collected.

The operational expenses of the liquor merchandising system may not exceed 15% of net liquor sales. Operational expenses may not include product or freight costs. The liquor division has full authority to determine

HeinOnline -- 1983 vol. III 1771 1983

store operating hours and the number and location of stores and employees.

Nonprofitable state stores should be closed or converted to agency stores in an orderly manner. A nonprofitable store is one that shows a net loss or is less profitable than if run at agency store status after reducing gross revenues by all state excise and license taxes and by deducting therefrom all normal operating expenses, which include a pro rata share, based on gross sales, of central administrative office expenses.

The county commissioners of the various counties and the governing bodies of local government units shall provide office space in county courthouses or government office buildings to the department of revenue of the state for its use at no cost to the state. The department is not liable for any expenses in connection with the use of such space, including but not limited to rent, utilities, or janitorial services. The department shall use such space as offices for its agents: the county assessor, appraiser, and their respective staffs.

Item 5 is contingent upon passage of SB 50."

Section 2. **Effective date — applicability.** This act is effective on passage and approval and applies retroactively and prospectively to the entire biennium ending July 1, 1983.

Approved February 4, 1983.

HOUSE BILL NO. 76

AN ACT APPROPRIATING MONEY FOR THE OPERATION OF THE FORTY-EIGHTH LEGISLATURE AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** The following amounts are appropriated from the general fund for fiscal years 1983, 1984, and 1985 for the operation of the forty-eighth legislature and pre-session costs of the forty-ninth legislature:

House of Representatives	$1,938,674
Senate	1,185,627
Legislative Council	386,838
Printing Legislative Publications	148,000

Section 2. **Effective date.** This act is effective on passage and approval.

Approved January 14, 1983.

HeinOnline -- 1983 vol. III 1772 1983

HOUSE BILL NO. 84

AN ACT APPROPRIATING MONEY TO THE PUBLIC SERVICE COMMISSION FOR THE FISCAL YEAR ENDING JUNE 30, 1983; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Time limit.** The appropriation contained in this act is intended to provide only necessary and ordinary expenditures for the year for which the appropriation is made. The unspent balance of this appropriation shall revert to the general fund.

Section 2. **Appropriation.** There is appropriated $25,000 from the general fund to the Public Service Commission for the fiscal year ending June 30, 1983, for the purpose of paying the wages, salaries, and benefits of Public Service Commission employees and other necessary operating expenses.

Section 3. **Effective date.** This act is effective on passage and approval.

Approved March 22, 1983.

HOUSE BILL NO. 95

AN ACT TO APPROPRIATE MONEY FOR SANITARY REVIEW OF SUBDIVISIONS BY THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES FOR THE BIENNIUM ENDING JUNE 30, 1983; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated from the general fund to the Department of Health and Environmental Sciences $58,000 for the biennium ending June 30, 1983, for the purpose of providing funding for subdivision review under Title 76, chapter 4, part 1, MCA.

Section 2. **Effective date.** This act is effective on passage and approval.

Approved February 18, 1983.

HOUSE BILL NO. 131

AN ACT APPROPRIATING MONEY TO THE DEPARTMENT OF MILITARY AFFAIRS TO SATISFY THE FINAL JUDGMENT IN CAUSE NO. 81-440, MONTANA SUPREME COURT; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated to the Department of Military Affairs $1,043,524.61 from Insurance Revolving Account 07253 to pay all unsatisfied obligations and final judgments against the Montana National Guard and the State of Montana in Cause No. 81-440, Montana

HeinOnline -- 1983 vol. III 1773 1983

Supreme Court, entitled Michael R. Jacques, Plaintiff, v. Montana National Guard, et al., Defendants.

Section 2. **Effective date.** This act is effective on passage and approval.

Approved March 22, 1983.

HOUSE BILL NO. 144

AN ACT TO APPROPRIATE MONEY TO THE GOVERNOR'S OFFICE TO PAY THE STATE'S SHARE OF THE INDIVIDUAL AND FAMILY GRANT PROGRAM PROVIDING DISASTER RELIEF FUNDS TO FLOOD VICTIMS.

WHEREAS, the Presidential Disaster Declaration (FEMA-640-DR-MT) in 1981 entitled the state of Montana to federal disaster relief funds to assist flood victims; and

WHEREAS, in 1981 the Governor of the state of Montana entered into a federal-state agreement with the Federal Emergency Management Agency to enable the state to receive federal disaster assistance under the Individual and Family Grant Program; and

WHEREAS, a state participating in the Individual and Family Grant Program is required to pay 25% of the cost of the program; and

WHEREAS, the Federal Emergency Management Agency agreed to advance the full cost of this program to provide immediate assistance to flood victims, with the stipulation that the Governor request the 48th Legislature to appropriate an amount equal to the state's share of the program's cost; and

WHEREAS, the state's share of the grant program amounts to $133,130.37 according to a recent federal audit.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated $133,130.37 from the general fund to the Governor's office to pay the state's share of the Individual and Family Gr..nt Program providing assistance to flood victims.

Approved March 22, 1983.

HOUSE BILL NO. 180

AN ACT TO APPROPRIATE FUNDS TO THE DEPARTMENT OF INSTITUTIONS FOR PAYMENT OF A JUDGMENT AGAINST THE STATE OF MONTANA BY MARJORIE LANGLOIS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated $84,272 from the general fund to the Department of Institutions to satisfy the judgment against the Department of Institutions, which claim is based upon charges

HeinOnline -- 1983 vol. III 1774 1983

of sex discrimination arising from an employment dispute and is the subject of legal action in the case of Langlois v. Montana State Prison (Civil No. CV-80-49-B; D. Mont.).

Section 2. **Conditions.** This appropriation is subject to the condition that the claimant execute a full satisfaction of judgment against the Department of Institutions, its officers and employees, and the State of Montana for damages arising from the alleged discrimination which is the subject of the claim.

Section 3. **Appropriation nonjudgmental.** By appropriating the above sum, the Legislature is not passing on the merits of this claim.

Section 4. **Effective date.** This act is effective on passage and approval.

Approved March 24, 1983.

HOUSE BILL NO. 187

AN ACT TO APPROPRIATE A CONTINGENCY FUND OF $300,000 TO THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES FOR IN-HOME SERVICES AS PROVIDED FOR IN SECTION 53-5-101, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated to the Department of Social and Rehabilitation Services from the general fund $150,000 each fiscal year of the biennium ending June 30, 1985, for in-home services. No portion of this appropriation may be spent unless the appropriation in HB 898 does not result in $300,000 for in-home services being available during the biennium. If the appropriation in HB 898 does not result in $300,000 for in-home services, only so much of the amount appropriated in this bill may be spent as is needed to supplement the amount appropriated in HB 898 to result in $300,000 being available for in-home services. Allocation of funds to in-home services must be based on a formula consistent with the requirements of Title III of the federal Older Americans Act.

Approved April 25, 1983.

HOUSE BILL NO. 243

AN ACT TO APPROPRIATE FUNDS TO THE INDIAN LEGAL JURISDICTION PROGRAM IN THE OFFICE OF THE GOVERNOR FOR THE FISCAL YEAR ENDING JUNE 30, 1983; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Time limit.** The appropriation contained in this act is intended to provide only necessary and ordinary expenditures for the year for which the appropriation is made. The unspent balance of this appropriation must revert to the general fund.

HeinOnline -- 1983 vol. III 1775 1983

Section 2. **Appropriation.** There is appropriated to the Indian Legal Jurisdiction Program within the Office of the Governor $149,000 from the general fund for the fiscal year ending June 30, 1983.

Section 3. **Effective date.** This act is effective on passage and approval.

Approved February 22, 1983.

HOUSE BILL NO. 247

AN ACT TO APPROPRIATE $21,554 FROM THE STATE EQUALIZATION AID ACCOUNT TO REIMBURSE PETROLEUM COUNTY SCHOOL DISTRICTS FOR STATE EQUALIZATION AID TO WHICH THE DISTRICTS WERE ENTITLED IN THE 1981-82 SCHOOL FISCAL YEAR; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated $21,554 from the state equalization aid account to the Office of Public Instruction to reimburse Petroleum County school districts for state equalization aid to which the districts were entitled in the 1981-82 school fiscal year but which was not received as a result of incorrect county reports for entitlement purposes.

Section 2. **Effective date.** This act is effective on passage and approval.

Approved March 28, 1983.

HOUSE BILL NO. 285

AN ACT TO APPROPRIATE MONEY TO THE DEPARTMENT OF JUSTICE FOR THE FISCAL YEAR ENDING JUNE 30, 1983, TO PROVIDE FUNDING FOR ORDERED PAY GRADE RECLASSIFICATION OF HIGHWAY PATROL OFFICERS AND UNIFORMED HIGHWAY PATROL SUPERVISORY PERSONNEL; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** The following money is appropriated to the department of justice from the Highway Department's account in the earmarked revenue fund in accordance with 44-1-501 and from the general fund to finance ordered pay grade reclassification of Highway Patrol Officers I and II and of uniformed Highway Patrol supervisory personnel for the fiscal year ending June 30, 1983:

Highway Department Earmarked Account	$1,069,834

HeinOnline -- 1983 vol. III 1776 1983

General Fund	171,393
Total	$1,241,227

Section 2. **Effective date.** This act is effective on passage and approval.

Approved April 25, 1983.

HOUSE BILL NO. 317

AN ACT TO APPROPRIATE MONEY TO SATISFY A FINAL JUDGMENT OR SETTLE ALL CLAIMS IN CAUSE NO. 79-14-GF, UNITED STATES DISTRICT COURT FOR THE DISTRICT OF MONTANA, GREAT FALLS DIVISION; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated from the Department of Administration self-insurance liability risk retention account No. 06143 an amount necessary for full payment or settlement of all obligations, claims, and judgments against the state veterinarian, James W. Glosser, in Cause No. 79-14-GF, United States District Court, District of Montana, Great Falls Division, entitled M. P. Doran, et al., Plaintiffs, v. James W. Glosser, et al., Defendants. The Department of Administration is authorized to expend this appropriation in full satisfaction of such judgment if it is upheld and made final on appeal to the United States Court of Appeals, Ninth Circuit, or in connection with the provisions of any settlement agreement settling all claims arising out of Cause No. 79-14-GF, entered into by the parties with the consent of James W. Glosser and the terms of which the department has determined to be in the best interest of the State of Montana. Nothing in this act may be construed as an admission or opinion of liability on the part of the defendants by the Legislature.

Section 2. **Effective date.** This act is effective on passage and approval.

Approved April 27, 1983.

HOUSE BILL NO. 334

AN ACT TO APPROPRIATE MONEY TO THE DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION FOR ADMINISTRATION OF THE 10-COUNTY TRIANGLE CONSERVATION DISTRICT SALINE SEEP CONTROL PROJECT.

WHEREAS, saline seep has been identified as one of the major threats to ground water quality in the State of Montana; and

WHEREAS, approximately 280,000 acres of cropland are out of production as a result of saline seep; and

WHEREAS, this acreage is increasing by an average annual rate of 10%; and

HeinOnline -- 1983 vol. III 1777 1983

WHEREAS, the Triangle Conservation District Saline Seep Control Project has proven successful in reducing saline seep and placing crop acreage back into production, which assures future food production and protection of the local tax base; and

WHEREAS, cost-share funding is to be encouraged from landowners and the federal government.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated up to $50,000 from the resource indemnity trust interest account provided for in 15-38-201 to the Department of Natural Resources and Conservation, after any allocations made pursuant to House Bill 447, House Bill 876, House Bill 745, and House Bill 597, for the administration of the 10-County Triangle Conservation District Saline Seep Control Project for the biennium ending June 30, 1985.

Approved April 27, 1983.

HOUSE BILL NO. 407

AN ACT TO APPROPRIATE $25,000 TO THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES TO CREATE A STATEWIDE NETWORK OF FOOD BANKS; AND PROVIDING AN EFFECTIVE DATE AND TERMINATION DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated $25,000 from the general fund to the Department of Social and Rehabilitation Services to establish and coordinate a statewide network of volunteer food bank services. The department may use the money for the salary and expenses of not more than one FTE employee or for contracting for such services. Volunteer food bank services include the donation, collection, storage, and distribution of usable but unsalable food and surplus commodities.

Section 2. **Effective date — termination date.** This act is effective July 1, 1983, and terminates June 30, 1984.

Approved April 27, 1983.

HOUSE BILL NO. 412

AN ACT APPROPRIATING MONEY TO VARIOUS STATE AGENCIES FOR THE FISCAL YEAR ENDING JUNE 30, 1983; PROVIDING FOR OTHER MATTERS RELATING TO THE APPROPRIATIONS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Time Limit.** The appropriations contained in this act are intended to provide only necessary and ordinary expenditures for the year for which the appropriations are made. The unspent balance of any appropriation shall revert to the fund from which it was appropriated.

HeinOnline -- 1983 vol. III 1778 1983

Section 2. **Governor's power to reduce appropriations.** In the event of a shortfall in revenue, the governor may reduce any appropriation in this act by not more than 15%.

Section 3. **Other appropriated funds.** The appropriations made under the column heading "Other Appropriated Funds" are from funds within the earmarked revenue fund, the federal and private revenue fund, and the revolving fund that accrue under provisions of law to the spending agency.

Section 4. **Totals not appropriations.** The totals shown in this act are for informational purposes only and are not appropriations.

Section 5. **Appropriations.** The following money is appropriated, subject to the terms and conditions of this act, for the fiscal year ending June 30, 1983:

SUPPLEMENTAL APPROPRIATIONS FISCAL YEAR 1983

	General Fund	Other Appropriated Funds
CONSUMER COUNSEL		
Major Cases	$	$100,000
PUBLIC SERVICE COMMISSION

Section 2. **Limitations on expenditures.** The conditions provided in sections 1 through 14 of House Bill 500, Laws of 1981, as amended by House Bill 2, Special Laws of 1981, apply to appropriations under this act.

Section 3. **Effective date.** This act is effective on passage and approval.

Approved April 26, 1983.

HOUSE BILL NO. 447

THE GENERAL APPROPRIATIONS ACT OF 1983 FOR THE APPROPRIATION OF MONEY TO VARIOUS STATE AGENCIES FOR THE BIENNIUM ENDING JUNE 30, 1985; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Title.** This act may be cited as the "General Appropriations Act of 1983".

Section 2. **Definitions.** For the purposes of this act, unless otherwise stated, the following definitions apply:

(1) "Agency" means each state office, department, division, board, commission, council, committee, institution, university unit, or other entity or instrumentality of the executive branch, office of the judicial branch, or office of the legislative branch of state government.

(2) "Approving authority" means the governor or his designated representative for executive branch agencies; the chief justice of the supreme court for judicial branch agencies; appropriate legislative committees for legislative branch agencies; or the board of regents or its designated representative for the university system.

(3) "University system unit" means the board of regents, office of the commissioner of higher education, university of Montana at Missoula, Montana state university at Bozeman, Montana college of mineral science and technology at Butte, eastern Montana college at Billings, northern Montana college at Havre, western Montana college at Dillon, the agricultural experiment station with central offices at Bozeman, the cooperative

HeinOnline -- 1983 vol. III 1783 1983

extension service with central offices at Bozeman, the forestry and conservation experiment station with central offices at Missoula, or the bureau of mines and geology with central offices at Butte.

Section 3. **Other funds to offset general fund.** The approving authority shall decrease the general fund appropriation of the agency by the amount of funds received from other sources in excess of the appropriation provided in this act unless such action is expressly contrary to state or federal law, rule, or contract or the approving authority certifies that the services to be funded by the additional funds are significantly different from those for which the agency has received a general fund appropriation.

Section 4. **Expenditure limit.** Expenditures may not exceed appropriations.

Section 5. **Budget requests.** Sufficient funds are appropriated in this act to enable each agency to submit its 1987 biennial budget request to the budget director and the legislative fiscal analyst pursuant to the time schedule established in 17-7-112(1), MCA. If any agency fails to submit its final, complete budget request by the deadlines established in 17-7-112(1), MCA, the expenditure authority herein granted shall be reduced or rescinded by the budget director unless the agency director certifies that an emergency situation has precluded a timely budget presentation and the budget director approves an extension not to exceed 30 days.

Section 6. **Detailed budget information.** Within 2 days after submission of the preliminary executive budget to the legislative fiscal analyst, the budget director shall give the legislative fiscal analyst the governor's preliminary expenditure recommendations by object of expenditure to the second level of detail and by funding source detailed by accounting entity. Within 1 day after the legislative finance committee presents the budget analysis to the 49th Legislature, the budget director and the legislative fiscal analyst shall mutually exchange expenditure recommendations by object of expenditure to the second level of detail and by funding sources detailed by accounting entity. This final information shall be filed in the respective offices and available to members of the Legislature and the general public.

Section 7. **Operating budgets.** Expenditures may be made only in accordance with operating budgets approved by the approving authority. The respective appropriations are contingent upon approval of the operating budget by July 1 of each fiscal year. Each operating budget shall include expenditures for each agency program detailed at least by personal services, operating expenses, equipment, benefits and claims, transfers, and local assistance. However, if any agency allocates its appropriations to the second expenditure level in the state accounting system, separate operation plans need not be submitted to the approving authority.

Section 8. **Program transfers.** Within each fiscal year, the approving authority may approve agency requests for program transfers for up to 5% of the total agency budget unless specifically prohibited by other language or statutes. Justification explaining the reason for the transfer shall be submitted to the approving authority and the legislative fiscal analyst with the request. Upon approval, the approving authority shall present the

HeinOnline -- 1983 vol. III 1784 1983

final transfer allowed and the justification used to the legislative fiscal analyst.

Section 9. **Reduction of appropriation.** In the event of a shortfall in revenue, the governor may reduce any or all appropriations. No appropriation may be reduced by more than 15%. The following appropriations may not be reduced:

(1) payment of interest and retirement of state debt;

(2) the legislative branch;

(3) the judicial branch;

(4) school foundation program; or

(5) salaries of elected officials during their terms of office.

Section 10. **Access to records.** No funds appropriated by this act may be expended for any contract, written or oral, with a nonstate entity for services to be provided by the nonstate entity to members of the public on behalf of the state unless such contract contains a provision for legislative audit and analysis purposes in determining compliance with the terms of the contract. Each such contract may be unilaterally terminated by the state, and each contract must so provide upon refusal of the nonstate entity to allow access to records necessary to carry out the legislative audit and analysis functions set out in Title 5, chapters 12 and 13.

Section 11. **Coal tax trust income.** Interest income from the coal tax constitutional trust fund established under Article IX, section 5, of the Montana Constitution is hereby appropriated to the general fund for use during the biennium ending June 30, 1985. The portion of the general fund which represents this appropriation is appropriated to the Build Montana Program as provided in House Bill 1 ($3,175,000), the school foundation program in House Bill 919 ($27,500,000), the department of commerce in House Bill 447, items 8, 9, 11, and 12 ($3,329,755), the vocational-technical centers in House Bill 447 ($9,119,865), and any funds not otherwise designated shall be considered part of the university system's appropriation in House Bill 447.

Section 12. **Severability.** If any section, subsection, sentence, clause, or phrase of this act is for any reason held unconstitutional, such decision does not affect the validity of the remaining portions of this act.

Section 13. **Audit costs.** Amounts appropriated for audits may be transferred between fiscal years.

Section 14. **Totals not appropriations.** The totals shown in this act are for informational purposes only and are not appropriations.

Section 15. **Appropriations.** The following money is appropriated for the respective fiscal years:

Item 2c is for the purpose of advocating the state's opposition to federal legislation that would prohibit or diminish the state's right to levy a 30 percent severance tax on coal mined within Montana's borders. In addition, any balance remaining from House Bill 828 of the 47th Legislature is reappropriated for use in the 1985 biennium. If the appropriation is not sufficient to cover the costs for the 1985 biennium, the Governor's Office may present a supplemental to the next Legislature.

The state special revenue fund spending authority in item 1a is for the purpose of printing and distributing maps of the official legislative and congressional districts in Montana and for any technical assistance necessary for preparing the maps for printing and distribution. The Secretary of State may contract with the Legislative Council for such technical assistance. The Secretary of State may charge a reasonable fee for such maps commensurate with costs of printing and distribution. The fees must be deposited in a state special revenue fund and the proceeds thereof may be used only for purposes of printing and distributing such maps.

Item 1c is for contract services to pay court-ordered attorney fees.

The rate charged for agency filings to update the ARM may not exceed $30 per page. As provided in 2-4-312, the general fund in item 2a for nonchargeable administrative rule copies must be deposited to the state special revenue account for expenditure. Spending authority of like amounts have been added to the state special revenue account for this purpose.

Item 2c is a biennial appropriation for replacement of equipment used in preparing state warrants. This appropriation may be used only if the existing equipment fails and cannot reasonably be repaired.

Item 5c is to carry out the duties mandated in House Bill 385 from the regular session of the 47th Legislature.

In addition to the funds appropriated above, the amount needed for the local assistance distribution of funds provided in 17-3-212, 19-9-702, 19-9-1007, 19-10-305, 19-11-512, 19-11-606, 19-12-301, and 19-13-604, MCA, is appropriated.

Item 18b is appropriated for lab equipment and may be used to match federal funds.

Item 19b is for legal fees, expert witness fees, and court costs. If the appropriation is not sufficient to cover the costs for the 1985 biennium, the department may present a supplemental to the next Legislature. The attorney general shall report to the Legislative Finance Committee in August 1984 and the next Legislature in January 1985 on how this appropriation was expended.

Funds up to $300,000 remaining within the 1983 biennium appropriation to the property assessment division contained in House Bill 2 of the November 1981 Special Session for defense of the railroad litigation are reappropriated for the 1985 biennium to deal with legal issues arising under federal nondiscriminatory taxation acts such as the Tax Equity and Fiscal Responsibility Act, the Railroad Revitalization and Regulatory Reform Act, and any subsequent federal legislation that directs the state to take a nondiscriminatory posture in the taxation of entities doing business within the state. This appropriation may be used only for attorney fees, expert witnesses, and extraordinary expenses associated solely with resolving disputes related to such legal issues. $35,000 of this $300,000 remaining appropriation (from House Bill No. 2 of the November 1981 Special Session) shall be transferred to the legislative council for a study of the tax classification system if HJR 31 passes the legislature.

Item 1c is a biennial appropriation to pay legal fees incurred by the department.

HeinOnline -- 1983 vol. III 1790 1983

Fiscal 1984					Fiscal 1985				
General Fund	State Special Revenue	Federal Special Revenue	Proprietary	Total	General Fund	State Special Revenue	Federal Special Revenue	Proprietary	Total

If the Child Support Enforcement Program is required by a change in federal legislation to pay operating costs from collections, the program is authorized to substitute the Child Support fees and collections for the federal appropriation up to the total amount authorized by the Legislature for operations in the 1985 biennium. In the event established cutoff dates related to the change in funding do not allow for adequate funding of the operating costs from fees and collections, the Department of Administration is authorized to make a loan to the Child Support Enforcement Program from the general fund. The loan may not exceed an amount equal to deposits made by the Child Support Enforcement Program to the general fund for the 6-month period prior to the funding change and must be paid back within 2 years.

The Department of Revenue is authorized to employ necessary personnel and to spend funds received from local government contracts under section 7-14-302, MCA, to administer the local option motor fuel excise tax.

Liquor Division revolving funds necessary to maintain adequate inventories of liquor and wine and to operate the state liquor operation are appropriated. During the 1985 biennium, the division shall attempt to return at least 13% of net sales. Net sales are gross sales less discounts and all taxes collected. The division shall attempt to limit operational expenses of the liquor merchandising system to not more than 15% of net sales. Operational expenses may not include product costs, freight charges, or expenses allocable to other divisions or licensing bureau expenses.

The division retains full authority to determine store operating hours and the number and location of stores and employees. Nonprofitable or marginally profitable state stores shall be closed or converted to agency stores in an orderly manner. Agency stores shall be closed if the division considers them marginally profitable and other state stores or agencies are located within a reasonable distance.

All royalties attributable to the marketing of point of sale system software developed under contract for the liquor division are to be deposited in the revolving fund. Such royalties may be expended only for further development of the liquor management information and point of sale systems. Expenditures of these royalty moneys are specifically excluded from the 15% of net sales limitation imposed on operation expenses.

The Department's Property Assessment Division appropriation was reduced by $66,078 in FY 1984 to fund HB 526 to satisfy the judgment of the District Court in the case of The Conrad National Bank of Kalispell v. The Department of Revenue. The Department should make a good faith effort to recover the county's share of the liability in this case.

Should the economy improve to the point there is a need for more building standard inspectors, a maximum of 3 FTE and operating expenses and equipment for the 3 FTE may be added by budget amendment to the building standards division.

In item 5c in the proprietary fund is $50,000 that is appropriated out of the capital project fund.

The department may charge agencies a maximum of $3.11 per square foot for rent for fiscal 1984 and $3.34 per square foot for fiscal 1985. At the end of fiscal 1985 the maximum the department may carry over is a 45-day operating balance of $420,000.

Item 14 is appropriated out of the SRS building debt service fund.

Items 21 and 22 are appropriated out of the pension trust fund.

If utility costs exceed amounts approved by the legislature, supplemental funds may be requested by the general services division of the department of administration.

Item 22c is to complete and operate the systems development project for the data processing system for Teachers' Retirement. The funds provided are sufficient to complete the project and further requests for funding the project may not be made.

Items 28b and 28c are appropriated for the "34 percent" property tax issue.

The department must develop a long-range telecommunication plan and monitor communication activity during the biennium. Telephone systems, land mobile radio systems, data transmission devices, their components, or any other telecommunications equipment or facilities may not be leased, purchased, rented, otherwise procured, or installed by any state government agency unless approval is granted by the department of administration. Approved purchases or installations should be compatible with the statewide communications plan and should maximize the state dollar. This is not to be taken as a reason to unduly delay communications activities of other state agencies, nor should this affect repair or installation of presently owned equipment. The department may not require any local government unit to purchase or use high band radio equipment.

The department of administration is encouraged to obtain vendor input for long-range planning of state telephone systems, data transmission systems, and land mobile radio systems. Input from vendors should be utilized in the long-range planning process; however, the input should be of an advisory nature only and may not be considered binding upon either the department of administration or the state of Montana. In approving such equipment or systems, the department shall:

(a) consult with and consider the recommendations and advice of the state agency directors;

(b) ensure compliance with statewide planning efforts; and

(c) complete the land mobile radio portion of the statewide telecommunications plan prepared by the Department of Administration prior to approving the purchase, acquisition, or installation of any new high band equipment, excepting the repair or replacement of existing equipment.

The department shall create an advisory council to participate in the development of the land mobile radio portion of the statewide telecommunications plan.

The Department of Administration shall report semiannually to the Legislative Finance Committee the progress achieved on the statewide communication plan, including but not limited to state and local agency participation and coordination in the plan.

If the Department of Administration exercises its right to convert the existing lease agreement between the state and Centel Business Systems to a lease with an option to purchase as provided in section 16.12 of the lease agreement, then the department is authorized, in its discretion, to issue lease participation certificates to finance such purchase options in a manner and form determined to be in the best interests of the state. The department is further authorized to employ financial consultants and counsel considered necessary to issue lease participation certificates, the cost of which may be paid from the proceeds of the certificates.

The department may expend available self-insurance reserves and revenues to pay any deficit that may be incurred for property insurance premiums due and payable through June 30, 1985.

In the event additional federal highway funds become available, additional spending authority and additional FTE may be requested through budget amendment.

Item 1b is contingent upon passage of Senate Bill 454. In addition to the funds appropriated in that item, the amount needed to pay principal and interest on bonds issued under the authority of Senate Bill 454 is appropriated from the highway earmarked account.

HeinOnline -- 1983 vol. III 1794 1983

	Fiscal 1984					Fiscal 1985				
General Fund	State Special Revenue	Federal Special Revenue	Proprietary	Total	General Fund	State Special Revenue	Federal Special Revenue	Proprietary	Total

If Senate Bill 454 is enacted, the appropriations in 1a and 1b will be combined for fiscal 1984 and fiscal 1985.

Item 1c is contingent upon the passage of House Bill 16 and House Bill 730.

The Legislature anticipates the department will proceed during the 1985 biennium with the projects and right-of-way acquisitions listed in its revised work plan presented to the Legislative, Judicial, and Administrative subcommittee of Appropriations — Finance and Claims and spend funds substantially in accordance with the estimated expenditures shown on that work plan. The department shall report to the 1985 Legislature any significant deviation in projects undertaken or funds expended from that work plan. The department of highways is directed to:

(1) develop and institute a comprehensive construction project planning system. This system will be operational no later than July 1, 1985, and will be the basis for:

(a) project scheduling;

(b) project monitoring;

(c) manpower planning;

(d) work measurement and evaluation;

(e) cash flow projections;

(f) long- and short-range construction goals; and

(g) budget preparation.

(2) institute a cash forecasting system to minimize cash reserves;

(3) submit to the 1985 legislature a construction work plan for the 1987 biennium that is detailed by year, project phase, and fund. This work plan must specify, by road system or project area, proposed projects on which $1 million or more would be spent during the 1987 biennium and an aggregate cost for projects with anticipated expenditures of less than $1 million. Costs must be detailed by year, fund, and project phase.

(4) institute a maintenance management system for the maintenance division that incorporates equipment needs and usage. This system will be operational no later than July 1, 1985.

(5) submit to the 1985 legislature a maintenance work plan for all operational systems that ties directly to the maintenance division budget request for the 1985 biennium;

(6) Submit a written progress report semiannually to the Legislative Finance Committee on the projects in the work plan and the above systems.

The Legislature anticipates that the maintenance division will receive by budget amendment spending authority for any funds in excess of $556,097 in fiscal 1984 and $587,663 in fiscal 1985 that it collects from damage situations.

Item 5b is for the installation of 2,000 energy-efficient street lights. This expenditure will be reimbursed by funds from the Bonneville Power Administration which will be deposited in the stores inventory earmarked revenue account.

The equipment division budget contains funds for 2,200,000 gallons of gasoline each year and 550,000 gallons of diesel fuel in fiscal 1984 and 600,000 gallons in fiscal 1985. The anticipated price of each gallon of fuel is $1.15 in fiscal 1984 and $1.30 in fiscal 1985. In the event the price of fuel exceeds these estimates, the division may request additional spending authority by budget amendment for funds sufficient to purchase the anticipated number of gallons of fuel. In the event that fuel prices remain at existing levels or decrease, the division shall revert any excess funds.

Funding may be transferred among all programs including stores inventory to reflect actual personal services expenditures. This is not to be construed as permitting the transfer of full-time equivalent employees between programs, nor may there be an increase in the total number of appropriated full-time equivalent employees.

Items 2h and 6h are biennial appropriations.

Revenue generated from fees charged hazardous waste producers must equal at least $21,828 in fiscal 1984 and $21,194 in fiscal 1985. If these amounts are not collected in either fiscal year, operation of the hazardous waste program will be returned to the Environmental Protection Agency. All fees collected shall be deposited in the general fund.

Federal funds received for radiation projects may be added by budget amendment.

Included in Item 2b is $51,000 of federal spending authority in fiscal 1984 for an inventory of hazardous waste sites, which is a biennial appropriation.

Item 2c includes $30,000 general fund for the biennium for monitoring air quality in the Scobey area and can be used only when Saskatchewan Power Units one and two are both at full operating capacity.

The department will continue grants to counties for air quality activities at the level of $95,000 in each fiscal year.

The subdivision bureau will be operated solely from fees collected for subdivision review.

In item 3b, $48,500 from fee revenues is authorized only for equipment purchases in the 1985 biennium.

In item 4c, $77,500 is allocated for the hypertension program in fiscal 1985. If the federal requirement for hypertension is less than $77,500 in fiscal 1985, all remaining funds from the hypertension allocation shall be distributed to the county for emergency medical services training activities.

Included in the appropriation in item 6a is $138,904 of federal block grant carryover funds. The department is responsible for obtaining the required match for these funds. If no match is obtained, the carryover will revert to the federal government.

In item 9, if federal funds are less than $125,892 in fiscal 1985, this program will cease and any remaining general fund will revert.

The total appropriations for the department include $1,546,949 in fiscal 1984 and $1,407,745 in fiscal 1985 from the Maternal and Child Health Block Grant and $607,264 in fiscal 1984 and $607,264 in fiscal 1985 from the preventative health block grant. To the extent revenues from these grants exceed those amounts, it shall be distributed to the counties. To the extent revenues from these grants are less than these amounts, distributions to the counties shall be reduced.

Item 3b is for indexing and printing of personnel appeals cases. Any fund balance remaining from fees charged for copies of cases shall revert at the end of fiscal 1985.

Included in item 4 are funds sufficient to reduce the caseload backlog to a maximum of 116 cases by June 30, 1985.

In item 5a, federal spending authority totaling $4,561,000 in fiscal 1984 and $4,835,000 in fiscal 1985 is to provide for current level operations of all existing job service offices and up to 155 FTE. If federal funds for job services are less than these amounts, the department may supplement federal funds with state unemployment taxes collected specifically for the administration of local job service offices.

Item 6b is for social security offset payments. No transfers may be made out of this line item.

In each fiscal year, 10% of the Low Income Energy Block Grant shall be transferred to the Social Services Block Grant. If the transfer is greater than $1,110,730 in either fiscal year, a general fund amount equal to that amount above $1,110,730 shall go into the contingency fund.

Item 1bi is for AFDC payments for an average case load of 6,800. The payment standard may not exceed 51% of the poverty index. Should the average case load be less than 6,800, a pro rata portion of spending authority shall go into the contingency fund for each case below 6,800.

No funds may be transferred out of item 1bii.

The department may not consider donated funds obtained by foster care providers when allocating or contracting state payments for foster care services.

In fiscal 1984 foster family payment rates shall be $257 for children 0 to 12 years of age and $321 for children 13 years and older; and in fiscal 1985 the foster family payment shall be $272 for children 0 to 12 years of age and $340 for children 13 years and older. In-state group home providers shall receive on the average a 6% increase in funds per client disbursed from the department of SRS for each fiscal year.

No FTE or spending authority may be transferred into or out of the eligibility determination program.

Items 5b and 5civ are biennial appropriations.

HeinOnline -- 1983 vol. III 1799 1983

Fiscal 1984					Fiscal 1985				
General Fund	State Special Revenue	Federal Special Revenue	Proprietary	Total	General Fund	State Special Revenue	Federal Special Revenue	Proprietary	Total

Item 5cii includes medicaid funding for 6,800 AFDC recipients. If these funds are not needed to support the AFDC case load, the funds may not be used to expand the scope and duration of the medicaid program.

Item 5civ may be used for the following benefits if the required conditions occur:

1. AFDC - if the average fiscal year case load exceeds 6,800.

2. Other Medicaid - if optional medicaid services are no longer available because the average fiscal year AFDC case load exceeds 6,800 or if the number of nursing home days is greater than 1,263,327 in fiscal 1984 or 1,259,875 in fiscal 1985.

3. Foster Care - if expenditures for foster care exceed the appropriation for foster care after giving each provider not more than a 6% increase in funding disbursed by SRS each year of the 1985 biennium.

4. SSI - if the number of persons eligible for Supplemental Security Income payments is greater than 752 in fiscal 1984 or 797 in fiscal 1985, not including those persons who were budgeted for SSI payments under the medicaid waiver or the developmental disabilities budget.

5. Replace Federal Medicaid Funds - if the average federal medicaid matching rate is below .6369 in fiscal 1985, these funds may be used to supplement the federal funds due to the lower medicaid rate.

The contingency fund shall be used to maintain AFDC, optional medicaid, nursing homes, foster care, and SSI benefits for those who qualify under rules and laws in effect on January 1, 1983, but may not be used to directly or indirectly expand the scope or duration of services offered under a program.

The Department of Social and Rehabilitation Services may use these funds and is appropriated the corresponding matching federal, private, or county funds for one or more of the benefits defined above if, for each benefit for which the funds are used, the department certifies and provides written justification in which the Office of Budget and Program Planning concurs that the required condition has occurred.

Item 6 contains funding for two FTE who shall work solely on medicaid.

No FTE or spending authority may be transferred into or from the disability determination program.

The cost per case reviewed by the disability determination program may not increase more than 6% per year above the fiscal 1983 estimated cost of $195.

The department may not consider donated funds obtained by developmental disability providers when allocating or contracting state payments for developmental disability services.

Within appropriated funds for the DDPAC program, no more than $175,000 for the biennium is for the operation of the developmental disabilities planning and advisory council. Any federal money received above this amount may be spent only to improve direct client services as recommended by the council and approved by the SRS director.

It is the Legislature's intent that DDPAC grant money be used so that the foster care program for the developmentally disabled is funded at the same level as proposed in the executive budget. The DDPAC grant money shall be used as proposed in the executive budget unless the department can utilize other funding sources.

Item 1a Federal and Special Revenue includes expendable trust funds of $12,113 in fiscal 1984 and $12,086 in fiscal 1985 for hail insurance and $5,189 in fiscal 1984 and $5,196 in fiscal 1985 for federal rural development rehabilitation funds.

Items 2 and 3 are appropriated out of the expendable trust account.

The above appropriation includes $185,020 in fiscal 1984 and $114,164 in fiscal 1985 of Environmental Protection Agency funds. To the extent additional Environmental Protection Agency funds become available, the department is authorized to spend the federal funds. The general fund appropriation is reduced a like amount.

The appropriation in item 7b is contingent upon increased fees as provided in HB 802.

Appropriation in 1c will require an interaccount loan from general fund for program initiation, which loan may be extended through but not beyond June 30, 1985, pending receipt of bond proceeds.

Items 4a, 4b, and 4c are biennial appropriations.

To facilitate the orderly transfer of duties from the Oil and Gas Commission to the Department of Revenue caused by the passage of Chapter 93, L. 1983, DNRC is authorized to transfer the appropriate personnel and earmarked revenue funds to the Department of Revenue during fiscal 1984.

The general fund appropriation of $186,000 to the Water Resources Division for fiscal year 1983 contained in HB 500, Laws of 1981, for a grant to an irrigation district formed to operate the Daly Ditch water project was conditioned for the purpose of operating and maintaining the project for 1 year. This condition is changed to allow the grant for the purpose of operating and maintaining the project for 2 years.

The state special revenue appropriations in item 4 include $25,000 from fees generated from water right transfers under the provisions of SB 401. The department may request additional funds through the budget amendment process.

It is the intent of the 48th Legislature that future appropriations from Resource Indemnity Trust Interest funds not be made to fund general operating expenses of state agencies.

b. Women's Corrections	738,775				738,775	752,207				752,207
c. Corrections Medical Expenses	701,433				701,433	743,520				743,520
5. Mental Health Division	3,980,729		1,519,229		5,499,958	4,115,747		1,529,980		5,645,727
6. Community Pre-Release Centers	151,094				151,094					
7. Audit	35,000				35,000					
Total	11,566,738	291,242	2,023,863	33,552	13,915,395	11,677,734	311,343	2,048,001	33,632	14,070,710

In item 4a, included for contracted services are $677,098 in fiscal 1984 and $717,724 in fiscal 1985 to provide for room and board for 50 inmates at two community pre-release centers other than Alpha House and the Missoula Life Skills Center. If delays occur in the opening of these pre-release centers, the director may utilize the contracted services funds to provide for room and board to house such inmates at the state prison. The director shall notify the Legislative Finance Committee and the Governor's budget office prior to any transfer of funds.

Item 6 reappropriates $151,094 for the biennium of general fund money appropriated in House Bill 2 from the second special session of the 47th Legislature for start-up costs for two new 25-bed pre-release centers, less any amount expended in fiscal 1983 for that purpose.

The department is authorized to maintain an aggregate funding level of $2,236,595 during fiscal 1984 and $2,467,723 during fiscal 1985 for those substance abuse programs that during fiscal 1983 were partially or totally funded under the provision of 53-24-206, MCA. The department is authorized to augment the actual funding available under 53-34-206, MCA, by utilizing available alcohol federal block grant funding to attain the aggregate funding levels specified above except that 25% of each federal fiscal year's block grant must be retained for the following state fiscal year. Expenditures of revenues available under 53-34-206, MCA, when combined with discretionary distribution of the alcohol federal block grant, may not exceed the aggregate funding totals specified above.

Contingent upon passage and approval of House Bill 24, the following general fund appropriations are transferred to the Department of Social and Rehabilitation Services: from item 4a, $595,337 in fiscal 1984 and $625,132 in fiscal 1985; from item 4c, $337 in fiscal 1984 and $357 in fiscal 1985; from item 5, $157,320 in fiscal 1984 and $166,759 in fiscal 1985.

Warm Springs State Hospital is budgeted for an average daily population of 350 patients in fiscal 1984 and 320 in fiscal 1985. Should the actual average daily population be less than the budgeted levels, there shall be a pro-rata personal service reversion for direct care services personnel based on the following direct care ratios: Registered Nurse - 1:11, Licensed Practical Nurse - 1:6.4, Special Duty Aides and Psychiatric Aides - 1:1.9.										
A pro-rata portion of the supplies and materials appropriation directly attributable to the reduction in average daily population referred to above shall also revert.										
Item 1 contains $99,900 for funding through December 31, 1983, for 12.79 FTE food service positions, which will be eliminated once the food services of Warm Springs and Galen are consolidated. Should the consolidation occur prior to December 31, 1983, a pro-rata portion of the funding for the 12.79 FTE positions described above shall revert. This reversion shall be calculated as $555 per day for each day the consolidation is in place before December 31, 1983.										
YOUTH TREATMENT CENTER										
1. General Operations						1,813,983		38,011		1,851,994
The Warm Springs appropriation assumes the transfer of all patients in the children's treatment unit to the Montana Youth Treatment Center in Billings by June 30, 1984. Should this transfer be delayed past June 30, 1984, the Department of Institutions is authorized to utilize the appropriation for the Montana Youth Treatment Center to maintain services at Warm Springs until such time as the entire transfer is completed. The daily cost of maintaining the children's treatment unit past June 30, 1984, shall be consistent with the expenditure level for the unit as established by the Warm Springs appropriation.

Item 3(c) is for utilities expense only. Any unexpended balance remaining at the end of each fiscal year shall revert to the state general fund.

Item 3(f) is for the Title VI-C education program. Any unexpended balance remaining at the end of each fiscal year shall revert to the state general fund.

Item 3(g), audiological services, is for the biennium. Any unexpended balance at the end of fiscal 1985 shall revert to the state general fund. No administrative costs may be taken from item 3(g) for the Montana School for the Deaf and Blind.

Federal special revenue funds appropriated in item 3(e) include $185,965 in fiscal 1984 and $159,296 in fiscal 1985 for Chapter 1 funds. The School for the Deaf and Blind may not budget amend Chapter 1 funds in the event Chapter 1 funds received by the School exceed the amounts appropriated each year of the biennium.

All revenues received in the state traffic education account under the provisions of section 20-7-504, MCA, are appropriated to be distributed as provided in section 20-7-506, MCA.

The appropriations in items 2, 8, and 10 are for the biennium.

HeinOnline -- 1983 vol. III 1808 1983

	Fiscal 1984				Fiscal 1985				
General Fund	State Special Revenue	Federal Special Revenue	Proprietary	Total	General Fund	State Special Revenue	Federal Special Revenue	Proprietary	Total

State and federal funds appropriated in items 1 and 3 through 6 include internal transfers of indirect costs. The amount of indirect costs in excess of $444,292 in fiscal 1984 and $453,088 in fiscal 1985 that are recovered shall revert to the general fund.

If the Public Service Commission has not moved from its present location by January 1, 1984, to new offices in the Department of Highways building, $1,705 will be transferred from the appropriation in item 5b to the Public Service Commission for each month this move is delayed.

Special Education funds in item 12 are for foundation and permissive support of the maximum-budget-without-a-vote for special education.

Special Education contingency funds in item 13 are for emergencies that may arise in special education programs at local districts. A district's board of trustees may apply for an allocation from these funds by presenting to the superintendent of public instruction a child-study team report and an individual education plan for each child relating to this unforeseen expense, a current listing of program, case loads, and related costs. The contingency appropriation is for the biennium and the specific amounts may be transferred between fiscal years.

Notwithstanding other provisions of law, the superintendent may not approve a maximum-budget-without-a-vote for special education which, in the aggregate, exceeds $54,447,251 in the 1985 biennium.

The superintendent of public instruction may use the special education and contingency funds to pay directly to the special education cooperatives if requested by the participating districts in accordance with section 20-7-451(3), MCA.

F. HIGHER EDUCATION

All funds, other than plant funds and current unrestricted funds may be spent and are appropriated contingent upon approval by the board of regents by July 1 of each year of the comprehensive program budget containing a detail of revenues and expenditures and anticipated fund balances of current funds, loan funds, and endowment funds. All movement of funds between the current unrestricted subfund and the designated subfund account entities shall be clearly identified in the state budgeting and accounting system.

Programs for the university budgets include instruction, organized research, public service, academic support, student services, institutional support, and operation and maintenance of plant.

Included within other appropriated funds to the six institutions is the sum of $13,074,000 in fiscal 1984 and $14,078,000 in fiscal 1985 from revenues generated under the provisions of Chapter 582, Laws of 1979.

Included in item 2 is a $15,000 general fund appropriation for fiscal year 1985 for the Office of Water Policy. If federal funds are not available for matching such funds, they revert to the general fund.

The appropriations in item 5 are for the biennium. Total audit costs are estimated to be $95,000 for the biennium. Fifty percent of these costs are to be paid from funds other than those appropriated in items 1 through 7.

Eighty-five percent of all indirect cost reimbursements shall be deposited in the current unrestricted fund. To the extent these reimbursements to the current unrestricted fund at Montana State University exceed $1,020,000 each fiscal year of the biennium, the general fund appropriated for that fiscal year is reduced a like amount.

Section 1. **Effective date.** This act is effective July 1, 1983.

Approved May 16, 1983.

HOUSE BILL NO. 510

AN ACT TO APPROPRIATE MONEY TO THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES FOR SPECIAL COMMODITY DISTRIBUTION.

WHEREAS, the distribution of special commodity cheese and butter in the State of Montana has resulted in low-income families and families of unemployed persons receiving 709,560 pounds of these nutritional goods, valued at $1,043,053.20; and

WHEREAS, the transportation, storage, and coordination of commodity distributions represent costs that are significant to the state and to local distribution organizations, although these costs are small in comparison to the value of commodities distributed; and

WHEREAS, the value of continuing and supporting special commodity distributions is underscored by Montana's present economic and unemployment situation and the resultant participation of Montanans in the program; and

WHEREAS, it has been indicated that additional special commodity foods will be available in the near future.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated to the Department of Social and Rehabilitation Services $150,000 from federal funds made available specifically for special commodity distribution for each of the fiscal years ending June 30, 1984, and June 30, 1985, for special commodity

HeinOnline -- 1983 vol. III 1815 1983

distribution. This appropriation must be allocated by the Department of Social and Rehabilitation Services to its contractors, including Human Resource Development Councils, that distribute special commodities. The funds allocation shall be based upon the amounts of such commodities distributed by each contractor.

Approved April 27, 1983.

HOUSE BILL NO. 526

AN ACT APPROPRIATING FUNDS TO THE DEPARTMENT OF REVENUE FOR THE PAYMENT OF A JUDGMENT AGAINST THE DEPARTMENT; PROVIDING THAT THE APPROPRIATION IS NONJUDGMENTAL; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** (1) There is appropriated $66,078.69, or so much thereof as may be necessary, from the general fund to the Department of Revenue to satisfy the judgment of the District Court in the case of The Conrad National Bank of Kalispell v. The Department of Revenue, Civil Cause No. 29,099, County of Flathead.

(2) The appropriation provided in subsection (1) is an amount to pay the judgment of $53,764.41 and interest thereon at a rate of 10%, as ordered by the court, calculated to June 30, 1983. If the judgment is paid by the Department of Revenue prior to that date, excess portions of the appropriation shall revert to the general fund.

Section 2. **Appropriation nonjudgmental.** By appropriating the above sums, the Legislature is not passing judgment on the merits of the case for which the appropriation is made.

Section 3. **Effective date.** This act is effective on passage and approval.

Approved April 26, 1983.

HOUSE BILL NO. 597

AN ACT TO APPROPRIATE UP TO $48,000 TO THE DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION FOR THE PURPOSE OF ADMINISTERING A GRANT TO THE CITY OF GLASGOW AND VALLEY COUNTY JOINTLY FOR A CITY-COUNTY WATER PROJECT.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated up to $48,000 from the resource indemnity trust interest account provided for in 15-38-201 to the Department of Natural Resources and Conservation, after any allocations made under House Bill 447, House Bill 876, and House Bill 745, for

HeinOnline -- 1983 vol. III 1816 1983

the purpose of administering a grant to the City of Glasgow and Valley County jointly for the purpose of completing the feasibility study of the city-county water project and completing a loan application to the United States Bureau of Reclamation to finance the project.

Approved April 27, 1983.

HOUSE BILL NO. 692

AN ACT TO APPROPRIATE $45,000 FOR ADMINISTRATION AND OPERATION OF THE FLATHEAD BASIN COMMISSION.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated from the general fund to the Governor's office, for the biennium ending June 30, 1985, $45,000 for the administration and operation of the Flathead Basin Commission established in Senate Bill 161.

Approved April 25, 1983.

HOUSE BILL NO. 745

AN ACT TO APPROPRIATE UP TO $100,000 TO THE DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION TO ADMINISTER A GRANT TO THE MILK RIVER IRRIGATION DISTRICTS AND LIBERTY COUNTY FOR THE PURPOSE OF APPLYING TO THE FEDERAL ENERGY REGULATORY COMMISSION FOR A HYDROELECTRIC PLANT ON THE TIBER DAM.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation for application for Tiber Dam hydroelectric project.** There is appropriated up to $100,000 from the remainder of the resource indemnity trust account provided for in 15-38-201 to the Department of Natural Resources and Conservation, after any allocation made pursuant to House Bill 447 and House Bill 876, for the purpose of administering a grant to the Milk River Irrigation Districts and Liberty County to prepare an application to the Federal Energy Regulatory Commission for a hydroelectric power plant on the Tiber Dam. Any funds available under this section shall be distributed between the Milk River Irrigation Districts and Liberty County on an equal basis.

Approved April 29, 1983.

HeinOnline -- 1983 vol. III 1817 1983

HOUSE BILL NO. 819

AN ACT TO APPROPRIATE FUNDS TO THE MONTANA BUREAU OF MINES AND GEOLOGY FROM THE RENEWABLE RESOURCES DEVELOPMENT ACCOUNT FOR MONITORING AND ASSESSING IMPACTS ON GROUND WATER IN SENSITIVE AREAS AND FOR IMPLEMENTING A GROUND WATER INFORMATION SYSTEM.

WHEREAS, 60% of the State's population depends on ground water for domestic, stock, and irrigation supplies; and

WHEREAS, coal and hard-rock mining have caused significant impacts on ground water resources; and

WHEREAS, there is a continuing concern regarding these impacts on water supplies and the public welfare; and

WHEREAS, there is a need for a system to collect, store, and disseminate ground water information.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated $60,000 from the renewable resources development account to the Montana Bureau of Mines and Geology for the biennium ending June 30, 1985.

Section 2. **Expenditure of funds.** The funds appropriated by section 1 must be expended for the following purposes:

(1) to develop and maintain a water quality data base and information distribution system as part of a systematic ground water impact mitigation effort;

(2) to maintain a network of strategically placed ground water monitoring wells in areas subject to water quality or quantity impacts;

(3) to provide regional assessments of shallow to intermediate depth ground water conditions to minimize deleterious mixing of surface and subsurface fluids in local ground water systems during and subsequent to exploratory drilling;

(4) to provide technical services relating to mine reclamation plans, with special emphasis on predicting and mitigating ground water impacts such as water quality degradation from ground water/surface water mixing, unanticipated ground water discharges, and surface flooding related to ground water rebound; and

(5) to monitor induced seismic activity related to major ground water rebound or large water impoundments in mining areas near active or potentially active fault zones.

Section 3. **Priority.** The Bureau of Mines and Geology shall place priority for monitoring efforts during the biennium on the flooding impacts

HeinOnline -- 1983 vol. III 1818 1983

at the Berkeley Pit in Silver Bow County and the coal mining areas of southeastern Montana.

Section 4. **Use of existing data.** Data from private company monitoring programs may not be duplicated by the program authorized in this act. Data from private companies must be entered into the statewide ground water information system and only supplemented as needed.

Section 5. **Cooperation.** The Bureau of Mines and Geology may enter into cooperative agreements with pertinent state regulatory agencies to establish locations and objectives of monitoring and means of access to the information system. Data must be made available to the public, industry, and state and federal agencies upon request.

Approved April 26, 1983.

HOUSE BILL NO. 833

AN ACT TO APPROPRIATE MONEY FOR CAPITAL PROJECTS FOR THE BIENNIUM ENDING JUNE 30, 1985; TO PROVIDE FOR OTHER MATTERS RELATING TO THE APPROPRIATIONS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** For the purposes of this act, unless otherwise stated, the following definitions apply:

(1) "Agency" includes each state office, department, board, commission, council, committee, unit of the university system, or other entity or instrumentality of the executive branch, office of the legislative branch, or office of the judicial branch of state government.

(2) "Approved budget amendment" means approval by the budget director of a request submitted through the Architecture and Engineering Division of the Department of Administration to transfer excess funds appropriated to a capital project within an agency in order to increase the appropriations of another capital project within that agency or to obtain financing to expand a project with funds which were not available for consideration by the Legislature.

(3) "BPICA" means the bond proceeds and insurance clearance account.

(4) "Capital project" means acquisition of land or improvements, planning, capital construction, renovation, furnishing, or major repair projects authorized in this act.

(5) "Other appropriated funds" means money, other than general fund, university auxiliary funds, university plant funds generated from auxiliary fund operations, other lawful purpose funds from bond indentures, student fees, or BPICA money, that accrues under the provisions of law to an agency indicated in this act.

HeinOnline -- 1983 vol. III 1819 1983

Section 2. **Expansion required to be authorized.** No existing capital project may be expanded beyond the scope of the project as approved by the 48th Legislature unless the capital project expansion is authorized by an approved budget amendment.

Section 3. **Federal funds for administration.** All federal funds received as a reimbursement for the cost of administering the federal funds when the cost was financed from the general fund shall revert to the general fund.

Section 4. **Reappropriation.** (1) Except as provided in subsection (2) and notwithstanding any other provision of law, the remaining balances on capital projects previously appropriated are reappropriated until June 30, 1985, for the purposes for which originally appropriated.

(2) The bond proceeds and insurance clearance fund appropriation authorized by the 47th Legislature for the acquisition and development of a cemetery at the old Fort Custer site in Big Horn County is reappropriated for road improvements at the Canyon Ferry State Recreation Area.

Section 5. **Capital projects appropriations.** The following money is appropriated from the indicated accounts to the Department of Administration:

Section 6. **Land acquisition appropriation.** The following money is appropriated in the indicated amounts for purposes of land acquisition to the Department of Fish, Wildlife, and Parks:

HeinOnline -- 1983 vol. III 1822 1983

Agency/Program	BPICA	Other Appropriated Funds
Coal Tax Park Acquisitions		
Lake Elmo, Billings		1,000,000
Glen Lake, Bozeman		420,000
Les Mason Memorial, Whitefish Lake		675,000
Parker Homestead, Three Forks		12,500
State Park System In-holdings		88,000
Blackfoot River Easement		50,000
Pageville School, Twin Bridges		20,000
Clark Rock, Dillon		40,739
Fishing Access Site Acquisition		745,000
Game Range Acquisition		300,000
Fort Owens Renovation	$20,000	

Section 7. **Appropriation for Mansfield Center for Pacific Affairs.** There is appropriated $1 million from the BPICA to the Department of Commerce to assist in the erection of a memorial in honor of one of Montana's great citizens, Mike Mansfield. The department shall enter into an agreement with the Maureen and Mike Mansfield Foundation pursuant to which the department shall agree to pay the funds appropriated by this section to the foundation upon the receipt of at least $6 million by the foundation from other sources. The funds appropriated by this section must be used exclusively for the construction of the Mansfield Center for Pacific Affairs at Polson, Montana. By this appropriation, the 48th Legislature indicates that it has determined that the state's support of the erection of a memorial through the establishment of the Mansfield Center for Pacific Affairs at Polson is a lawful public purpose of statewide importance in that it will serve to inspire sentiments of respect for a man of great stature and importance to the state, will generate important economic development of the state by direct employment, attraction of visitors, and establishment of expanded trade opportunities.

Section 8. **Building demolition.** The Department of Administration may solicit bids for demolition or sale and removal of the following buildings:

Boulder River School & Hospital

1. Cottage #5
2. Building #103 [Trailer]
3. Buildings #57 through #66 [Log Cabins]
4. Building #100 [Old Administration Building]
5. Selected Ranch Buildings

Warm Springs/Galen

HeinOnline -- 1983 vol. III 1823 1983

1. Building #13 [Old General Hospital]
2. Two Employee residences [Residence L and Residence R]
3. Building #18 [Children's Unit]
4. Building #85/86 [Medium Security Forensic Unit]

Pine Hills School

1. Lewis portion of Lewis & Clark Lodge

Montana Veterans' Home

1. Old Main/Men's Dorm

The director of the Department of Institutions must certify to the Department of Administration that each of the above buildings is surplus to the needs of the department and the state by reason of the building's age, deteriorated physical condition, life/safety, or licensure deficiencies and has no residual economic or useful life. If the cost of the deficiencies would preclude reasonable restoration and refurbishing efforts, the director of the Department of Administration may grant an order to proceed with demolition on condition that:

(a) a successful contractor or bidder agrees to demolish or remove the building and reclaim the building site based on the salvage value of the building itself; and

(b) the demolition or removal of the building does not violate the provisions of the State Antiquities Act relative to established heritage properties under state ownership.

Section 9. **Special session reauthorization.** The appropriations for capital projects authorized in section 6, House Bill 5, enacted by the 47th Legislature, second special session, are reappropriated through the biennium ending June 30, 1985. The Department of Administration may exempt these projects from any provisions of Montana law relating to the employment of architects, public bidding, bonding, or labor and wage requirements.

Section 10. **Planning and design.** The Department of Administration may proceed with the planning and design of capital projects prior to the sale of bonds or the receipt of other appropriated funds. The Department may utilize interaccount loans in accordance with 17-2-107 to pay such planning and design costs incurred prior to the receipt of bond proceeds or other appropriated funds.

Section 11. **Capital projects — contingent funds.** If any capital project is financed in whole or in part with appropriations contingent upon the receipt of other appropriated funds, the Department of Administration may not let such projects for bid until the agency has submitted a financial plan for approval by the director of the Department of Administration. No such financial plan may be approved by the director if:

(1) the level of funding provided under the financial plan deviates substantially from the funding levels provided in this act for that project; or

HeinOnline -- 1983 vol. III 1824 1983

(2) the scope of the project must be substantially altered or revised from the preliminary plans presented for that project in the 1983-85 Long-range Building Program presented to the 48th Legislature.

Section 12. **Legislative consent.** The appropriations authorized in this act must be considered as legislative consent for the capital projects contained in this act within the meaning of 18-2-102.

Section 13. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 14. **Effective date.** This act is effective on passage and approval.

Approved April 29, 1983.

HOUSE BILL NO. 876

AN ACT TO APPROPRIATE MONEY FROM THE RESOURCE INDEMNITY TRUST ACCOUNT TO THE DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION FOR USE BY THE SHERIDAN COUNTY CONSERVATION DISTRICT FOR AN EVALUATION, QUANTIFICATION, AND MAPPING OF THE GROUND WATER RESOURCES IN THE ANCESTRAL MISSOURI RIVER CHANNEL AND ADJACENT AREAS IN SHERIDAN, ROOSEVELT, DANIELS, VALLEY, MCCONE, AND RICHLAND COUNTIES.

WHEREAS, northeastern Montana has been undergoing extensive oil and gas development, rapid installation of irrigation systems, and planning for coal and potash development, and serious concerns relating to the ground water resources of the region have been expressed by the citizens of northeastern Montana; and

WHEREAS, water quantity, quality, and availability for the entire area need to be evaluated before further development occurs to determine optimum utilization of ground water for agriculture, industry, domestic, and municipal uses and minimize undesirable social, economic, and environmental impacts; and

WHEREAS, preliminary investigations begun in 1982 indicate that there are potentially large quantities of ground water in the ancestral Missouri River channel and adjacent areas in Sheridan, Roosevelt, Daniels, Valley, McCone, and Richland Counties that may provide the opportunity to increase productivity and provide new sources of potable water for municipal and rural areas, as well as stability for the agricultural industry of this semiarid region of the state; and

WHEREAS, the State of North Dakota and the Province of Saskatchewan are continuing to develop ground water resources adjacent to this region; and

HeinOnline -- 1983 vol. III 1825 1983

WHEREAS, cooperation and support for an investigation have been pledged from many sources, including Sheridan, Daniels, Roosevelt, Valley, McCone, and Richland County conservation districts, the Northeastern Montana Land and Mineral Association, the Three Corners Boundary Association, the Montana Association of Conservation Districts, the Montana Bureau of Mines and Geology, the Department of Natural Resources and Conservation, the Oil and Gas Conservation Board, the United States Geological Survey, the United States Fish and Wildlife Service, the Bureau of Indian Affairs, and the Environmental Protection Agency.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated up to $150,000 from the remainder of the resource indemnity trust interest account created in 15-38-201 to the Department of Natural Resources and Conservation, after any allocations made under House Bill 447, to administer a grant to the Sheridan County Conservation District for the biennium ending June 30, 1985, to complete the evaluation, quantification, and mapping of the ground water resources of the ancestral Missouri River channel and adjacent areas in Sheridan, Roosevelt, Daniels, Valley, McCone, and Richland Counties.

Section 2. **Report.** The Sheridan County Conservation District shall administer these funds in cooperation with the counties named in section 1 and provide maps and a report describing the quantity and quality of ground water resources available in the region for use by area planners, local organizations, state and federal agencies, and citizens of northeastern Montana.

Section 3. **Use of report and data.** The Sheridan County Conservation District and the conservation districts of the counties named in section 1 shall utilize the report and data in administering ground water rights reserved by the districts in cooperation with the Department of Natural Resources and Conservation as specified under Chapter 697, Laws of 1979.

Approved April 27, 1983.

HOUSE BILL NO. 892

AN ACT TO APPROPRIATE SUPPLEMENTAL FUNDS TO THE DEPARTMENT OF FISH, WILDLIFE, AND PARKS FOR THE BIENNIUM ENDING JUNE 30, 1983, TO PROVIDE FOR BACKPAYMENTS RESULTING FROM RECLASSIFICATION OF GAME WARDENS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated as supplemental funding $478,000 to the Enforcement Division of the Department of Fish, Wildlife, and Parks for the biennium ending June 30, 1983, from the earmarked revenue fund account of the Department of Fish, Wildlife, and

HeinOnline -- 1983 vol. III 1826 1983

Parks to provide for backpayments resulting from reclassification of game wardens during the current biennium.

Section 2. **Effective date.** This act is effective on passage and approval.

Approved April 18, 1983.

HOUSE BILL NO. 896

AN ACT TO APPROPRIATE $350,665 TO THE DEPARTMENT OF INSTITUTIONS TO COMPLETE CONSTRUCTION OF THE CHILDREN'S TREATMENT UNIT IN BILLINGS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated for fiscal years 1983 and 1984 the total amount of $350,665 from the bond proceeds and insurance clearance fund to the Department of Institutions to complete construction of the Children's Treatment Unit in Billings.

Section 2. **Effective date.** This act is effective on passage and approval.

Approved March 24, 1983.

HOUSE BILL NO. 897

AN ACT TO APPROPRIATE MONEY TO THE DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION FOR LOANS AND GRANTS UNDER THE WATER DEVELOPMENT PROGRAM, FOR GRANTS UNDER THE RENEWABLE RESOURCE DEVELOPMENT PROGRAM, AND FOR LOANS UNDER THE RANGELAND IMPROVEMENT LOAN PROGRAM; TO APPROVE LOANS FROM WATER DEVELOPMENT BOND PROCEEDS AND TO COMPLETE AN APPROPRIATION FOR DEBT SERVICE; TO REALLOCATE CERTAIN RESOURCE INDEMNITY TRUST ACCOUNT INTEREST INCOME AND RENEWABLE RESOURCE DEVELOPMENT ACCOUNT FUNDS FOR WATER DEVELOPMENT PROGRAM LOANS AND GRANTS DURING THE BIENNIUM ENDING JUNE 30, 1985; TO PLACE CERTAIN CONDITIONS UPON GRANTS AND LOANS; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriations from the water development earmarked account.** (1) There is appropriated to the Department of Natural Resources and Conservation up to $296,700 from the water

HeinOnline -- 1983 vol. III 1827 1983

development earmarked account during the biennium ending June 30, 1985, for grants to private persons for water development projects and activities pursuant to the provisions of Title 85, chapter 1, part 6. This appropriation is from money available in the water development earmarked account for loans and grants for water development projects and activities under 85-1-604(3)(c) and sections 5 through 7 of this act.

(2) There is appropriated to the Department of Natural Resources and Conservation all other funds not appropriated under subsection (1) and available for grants to state and local government entities from the water development earmarked account during the biennium ending June 30, 1985. This appropriation is from money available in the water development earmarked account for loans and grants for water development projects and activities under 85-1-604(3)(c) and sections 5 through 7 of this act. The funds appropriated in this subsection shall be awarded by the Department of Natural Resources and Conservation to the following entities for the described purposes and in the described grant amounts. The Legislature, pursuant to 85-1-605, approves the grants listed below with grants to be made in the order of priority as indicated within the following prioritized list of projects and activities. Funds must be awarded up to the amounts approved in this section in order of priority until available funds are expended. Funds not accepted or utilized by higher ranked projects and activities must be provided for projects and activities farther down the priority list that would not otherwise receive funding. If the total expenditure of funds appropriated under this subsection results in a cutoff that ends at a point at which more than one project or activity is ranked equal in priority, the decision regarding which project or projects will receive funding must be made by the Department of Natural Resources and Conservation with the advice of the water development advisory committee formed pursuant to 2-15-122. Actual rank and score of the various projects and activities are contained within the Department's water development program status report for the 1982-83 biennium. Sponsors of recommended projects and activities on the prioritized list that are not recipients of available grant funds must be offered the opportunity to receive loan funds for up to the total recommended project or activity amount pursuant to sections 4 and 8 of this act.

Section 2. **Appropriations under the renewable resource development program.** (1) There is appropriated to the Department of Natural Resources and Conservation all available funds after the allocation made by sections 5 through 7 of this act, from the renewable resource development program clearance fund account during the biennium ending July 30, 1985, for projects under the renewable resource development program.

(2) The Department of Natural Resources and Conservation shall award grants to the following entities for the described purposes and in the described amounts. The Legislature, pursuant to 90-2-111, approves the grants listed below with grants to be made in order of priority ranking within each renewable resource development category, excluding projects

HeinOnline -- 1983 vol. III 1830 1983

funded under the water development program pursuant to section 1 of this act. The funds appropriated under this section shall be divided among the categories and in the percentages as required by 90-2-113, as amended by HB 486 if HB 486 is passed by the 48th Legislature and approved by the Governor. Funds not accepted or utilized by higher ranked projects in each category must be provided for projects, further down the priority list in each category, that would not otherwise receive funding. If the total expenditure of funds appropriated under this section results in a cutoff that ends at a point at which more than one project is ranked equal in priority, the decision regarding which project or projects will receive funding will be made by the Department of Natural Resources and Conservation with the advice of the water development advisory committee formed pursuant to 2-15-122. Actual rank and score of the various projects are contained within the Department's renewable resource development program, 1982 project evaluation and recommendations report. Sponsors of recommended projects and activities on the prioritized list that are not recipients of available grant funds must be offered the opportunity to receive loan funds for up to the total recommended project or activity amount pursuant to sections 4 and 8 of this act. The interest rate applicable to these loans shall be the rate paid on bonds issued pursuant to this act.

(3) (a) After the allocations provided for in sections 5 through 7 of this act have been made, there is allocated to the rangeland improvement loan earmarked account created by HB 486, 15% of the funds available in the renewable resource development program during the biennium ending June 30, 1985. The funds allocated by this subsection (3)(a) are appropriated from the rangeland improvement loan earmarked account for the rangeland improvement program created by HB 486.

(b) If HB 486 is not passed by the 48th Legislature and approved by the Governor, subsection (3)(a) is void.

Section 3. **Coordination of fund sources for water development projects.** A sponsor of a water development project who has applied for a grant under both the water development program and the renewable resource development program must be funded at recommended amounts under the water development program pursuant to section 1 of this act if sufficient funds are available as determined by the priority ranking of the project or activity. If sufficient grant funds are not available under the water development program, the project must be considered for grant funding under the renewable resource development program pursuant to section 2 of this act, and such award of funds under section 2 is

HeinOnline -- 1983 vol. III 1833 1983

dependent upon available funds and the priority ranking of the project under the renewable resource development program.

Section 4. **Approval of loans from bond proceeds and completion of appropriation.** (1) The Legislature, pursuant to 85-1-605, hereby approves the loans identified and described in section 1 of this act for projects and activities to public entities from water development bond proceeds deposited in the water development clearance account.

(2) The approval of specific loans completes an appropriation of the coal severance tax proceeds allocated by 15-35-108 to the water development sinking account for the purpose of paying, in the manner established by 85-1-619, principal of and interest and redemption premiums on any water development bonds issued to provide the proceeds for the loans to public entities approved in subsection (1).

Section 5. **Reallocation of resource indemnity trust account interest income.** Except for special departmental appropriation within HB 447 and notwithstanding any provisions of 85-1-604 to the contrary, all remaining interest income allocated to the water development earmarked account from the resource indemnity trust fund by 15-38-202(2) during the biennium ending June 30, 1985, may be used for and only for the purposes set out in 85-1-604(3)(c).

Section 6. **Reallocation of renewable resource development account funds.** (1) Notwithstanding any provisions of 90-2-103, 90-2-113, and Title 90, chapter 2, part 1, to the contrary, up to $520,000 is allocated during the biennium ending June 30, 1985, from the renewable resource development clearance fund account to the water development earmarked account to be used for and only for the purposes set out in 85-1-604(3)(c).

(2) The reallocation in subsection (1) does not include money previously appropriated for the biennium ending June 30, 1983, to the Department of Natural Resources and Conservation by HB 709, Laws of 1981, for small project water development construction loans to private individuals and which without section 7 of this act would revert to the renewable resource development clearance fund account.

Section 7. **Reallocation of renewable resource development account funds formerly appropriated for water development projects.** (1) Notwithstanding any provisions of 90-2-103, 90-2-113, and Title 90, chapter 2, part 1, to the contrary, up to $251,600 is allocated during the biennium ending June 30, 1985, from the renewable resource development clearance fund account to the water development earmarked account to be used for and only for the purposes set out in 85-1-604(3)(c).

(2) The funds allocated by subsection (1) are to be those funds which were appropriated for the biennium ending June 30, 1983, to the Department of Natural Resources and Conservation by HB 709, Laws of 1981, for small project water development construction loans to private individuals and which funds have reverted to the resource development clearance fund account.

HeinOnline -- 1983 vol. III 1834 1983

Section 8. **Conditions of loans and grants.** Disbursement of funds under this act, both loans and grants, may be made only after:

(1) a project or activity receives authorization and residual financing commitments from other sponsors or sources, if necessary;

(2) execution of an agreement or agreements between the Department of Natural Resources and Conservation and the loan or grant applicant that describes the terms and conditions of the project or activity as applied for with the Department of Natural Resources and Conservation or proposed to the Legislature, taking into consideration any changed conditions or circumstances, and that governs the administration and disbursement of funds; and

(3) other specific requirements are accomplished as considered necessary by the Department of Natural Resources and Conservation to accomplish the purpose of the loan or grant as evidenced from the application to the Department of Natural Resources and Conservation or the proposal to the Legislature.

Section 9. **Reversion of funds.** All funds reallocated by sections 5 through 7 of this act to the water development earmarked account that are unspent and unencumbered during the biennium ending June 30, 1985, shall revert to the water development earmarked account.

Section 10. **Treasury fund terminology — coordination.** Any reference in this act to an account or fund that is rendered inaccurate by Ch. 28, L. 1981, or by legislation introduced in the 48th Legislature that is passed and approved to implement Ch. 28, L. 1981, is considered changed in this act to the treasury fund terminology used in the section creating the account or fund.

Section 11. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 12. **Effective date.** This act is effective July 1, 1983.

Approved May 4, 1983.

HeinOnline -- 1983 vol. III 1835 1983

HOUSE BILL NO. 898

AN ACT TO APPROPRIATE MONEY TO THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES FOR GRANT-IN-AID ASSISTANCE FOR THE FISCAL YEAR ENDING JUNE 30, 1983; TO PROVIDE FOR ANY UNUSED GRANT-IN-AID APPROPRIATION TO BE CARRIED INTO THE 1985 BIENNIUM TO BE USED FOR IN-HOME HEALTH SERVICES AND THE 1985 BIENNIUM SOCIAL AND REHABILITATION SERVICES CONTINGENCY; TO PROVIDE FOR A TRANSFER OF SPENDING AUTHORITY FROM MEDICAID TO AID TO FAMILIES WITH DEPENDENT CHILDREN; TO TRANSFER THE FISCAL 1983 APPROPRIATION FOR THE CHRONIC RENAL DISEASE PROGRAM FROM THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES TO THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES; TO REAPPROPRIATE UNEXPENDED FUNDS FOR THE RENAL PROGRAM FOR EXPENDITURES IN FISCAL 1984; TO PROVIDE SPENDING AUTHORITY FOR THE ELIGIBILITY DETERMINATION PROGRAM; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Time limit.** The grant-in-aid appropriation, spending authority, and transfer authorization contained in this act are intended to provide only for necessary and ordinary expenditures for fiscal year 1983. Any unspent balance of the general fund appropriation is reappropriated for the 1985 biennium for the following two purposes:

(1) The first $300,000 shall be equally divided between fiscal years for in-home health services as provided for in 53-5-101.

(2) Funds in excess of $300,000 shall be used under the conditions and for the purposes described in the Social and Rehabilitation Services contingency item in [HB 447, 1983].

Section 2. **Appropriation.** There is appropriated $4 million from the general fund to the Department of Social and Rehabilitation Services for the fiscal year ending June 30, 1983, for the purpose of paying grant-in-aid assistance to the counties. Such assistance payments may be made to a county only after the Department determines that related county poor fund expenditures have been reasonable and necessary according to criteria set by the Department in ARM 46.9.301 through 46.9.310. The unexpended portion of $125,000 general fund appropriated for fiscal 1983 in House Bill 2 of Special Session 1 of the 47th Legislature, to the Department of Social and Rehabilitation Services for the Chronic Renal Disease program is transferred to the Department of Health and Environmental Sciences. The unexpended balance of the transferred amount remaining on June 30, 1983, is reappropriated to the Department of Health and Environmental Sciences for the fiscal year ending June 30, 1984.

Section 3. **Transfer of spending authority.** The Department of Social and Rehabilitation Services may transfer spending authority for the

HeinOnline -- 1983 vol. III 1836 1983

fiscal year ending June 30, 1983, from the Medicaid program as necessary to cover expenses incident to unanticipated caseload increases in the Aid to Families With Dependent Children program.

Section 4. **Appropriation.** There is appropriated $295,020 from the federal special revenue fund to the Department of Social and Rehabilitation Services for the fiscal year ending June 30, 1983, for the purpose of paying costs resulting from settlement of a lawsuit involving eligibility determination personnel.

Section 5. **Effective date.** This act is effective on passage and approval.

Approved April 25, 1983.

HOUSE BILL NO. 900

AN ACT TO APPROPRIATE BOND PROCEEDS AND OTHER FUNDS FOR CAPITAL PROJECTS FOR THE BIENNIUM ENDING JUNE 30, 1985; TO PROVIDE FOR OTHER MATTERS RELATING TO THE APPROPRIATIONS; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** For the purposes of this act, unless otherwise stated, the following definitions apply:

(1) "Agency" includes each state office, department, board, commission, council, committee, unit of the university system, or other entity or instrumentality of the executive branch, office of the legislative branch, or office of the judicial branch of state government.

(2) "Approved budget amendment" means approval by the budget director of a request submitted through the Architecture and Engineering Division of the Department of Administration to transfer excess funds appropriated to a capital project within an agency in order to increase the appropriations of another capital project within that agency or to obtain financing to expand a project with funds which were not available for consideration by the Legislature.

(3) "BPICA" means the bond proceeds and insurance clearance account.

(4) "Capital project" means acquisition of land or improvements, planning, capital construction, renovation, furnishing, or major repair projects authorized in this act.

(5) "Other appropriated funds" means money, other than general fund or BPICA money, that accrues under the provisions of law to an agency indicated in this act.

Section 2. **Expansion required to be authorized.** No existing capital project may be expanded beyond the scope of the project as approved

HeinOnline -- 1983 vol. III 1837 1983

by the 48th Legislature unless the capital project expansion is authorized by an approved budget amendment.

Section 3. **Federal funds for administration.** All federal funds received as a reimbursement for the cost of administering the federal funds when the cost was financed from the general fund shall revert to the general fund.

Section 4. **Reappropriation.** Notwithstanding any other provision of law, the remaining balances on capital projects previously appropriated are reappropriated until June 30, 1985, for the purposes for which originally appropriated.

Section 5. **Appropriation of bond proceeds and other funds.** The following money is appropriated from the BPICA and the other indicated accounts to the Department of Administration for the capital projects described in this section, contingent upon the authorization and sale of general obligation bonds by the 48th Legislature and the Board of Examiners, respectively:

Agency/Program	BPICA	Other Appropriated Funds
Major Expansion, Prison	$14,416,400	

(1) The goal of the legislature in providing for major expansion of the Montana state prison is to provide housing for 737 prisoners within the security compound at the prison while achieving the following objectives:

(a) Inmate housing should be separated into at least three levels of security. The separation should be pursued to the maximum possible extent to prevent communication by personal contact, sight, and sound among the separate areas of the prison. Staff interaction among these security levels should also be minimized to enhance the separation. The legislature regards the separation of maximum security prisoners to be an especially important objective.

(b) Perimeter security should be improved with the objective of minimizing the prisoners' ability to breach the perimeter. The legislature intends that the fence lines should be straight and provided with adequate guard towers and stations to provide full visual coverage of the entire perimeter on both sides of the fence.

(c) Interior security is to be improved by designs allowing supervision and movement of small, manageable groups of inmates without threat to staff.

(d) The expansion should be designed to be compatible with prisoner work and rehabilitation activities to the extent possible.

(e) The expansion should allow space to build housing for an ultimate total population of 1,150 prisoners within the compound without changes in perimeter security facilities or support facilities.

HeinOnline -- 1983 vol. III 1838 1983

Agency/Program	BPICA	Other Appropriated Funds

(2) (a) There is a prison expansion oversight committee that consists of four members. The speaker and minority leader of the house shall each appoint one member of the house, and the president and the minority leader of the senate shall each appoint one member of the senate.

(b) The prison expansion oversight committee shall consult regularly with and advise those persons responsible for implementing and planning the major expansion of Montana state prison. The committee shall participate in the preliminary screening and recommendation of an architect to perform design work. The committee shall monitor the development of plans and advise the planners as to whether plans meet the goals and objectives of the legislature outlined above. The committee shall file a report with the 49th legislature on its activities, including any analysis or recommendations it may have.

(c) The appropriation for major expansion of Montana state prison contains sufficient funds to reimburse committee members as provided in 5-2-302 while engaged in authorized committee business.

Complete Cisel Hall Remodel and Addition, EMC	$ 625,000	
Construct New DNRC Building, Capitol Complex	6,958,000

Renovate Fish Hatchery, Great Falls		1,900,000
Renovate Fish Hatchery, Big Timber		500,000
Glasgow Regional Headquarters		220,000

Section 6. **Planning and design.** The Department of Administration may proceed with the planning and design of capital projects prior to the sale of bonds or the receipt of other appropriated funds. The Department may utilize interaccount loans past 1983 fiscal yearend in accordance with 17-2-107 to pay such planning and design costs incurred prior to the receipt of bond proceeds or other appropriated funds.

Section 7. **Capital projects — contingent funds.** If any capital project is financed in whole or in part with appropriations contingent upon the receipt of other appropriated funds, the Department of Administration may not let such projects for bid until the agency has submitted a financial plan for approval by the director of the Department of Administration. No such financial plan may be approved by the director if:

(1) the level of funding provided under the financial plan deviates substantially from the funding levels provided in this act for that project; or

(2) the scope of the project must be substantially altered or revised from the preliminary plans presented for that project in the 1983-85 Long-range Building Program presented to the 48th Legislature.

Section 8. **Legislative consent.** The appropriations authorized in this act must be considered as legislative consent for the capital projects contained in this act within the meaning of 18-2-102.

Section 9. **Appropriation.** Contingent on passage of House Bill 511, there is appropriated from the general fund to the department of administration an amount sufficient to pay all interest and principal due and owing on bonds issued and sold by the board of examiners pursuant to House Bill 558, and the department of administration is hereby irrevocably instructed to provide for payment of principal, interest, and redemption premium on such bonds, if any, from money in the general fund and, if the general fund is not sufficient for such purpose, to provide for payment thereof from any other funds of the state legally available for payment thereof.

Section 10. **Department of fish, wildlife, and parks — bond payment.** The department of fish, wildlife, and parks shall transfer prior to the payment date sufficient funds to retire $3,075,000 of the general obligation bonds authorized by the 48th legislature and the board of examiners, respectively. This payment obligation is not enforceable by bondholders.

Section 11. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part

HeinOnline -- 1983 vol. III 1840 1983

of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 12. **Effective date.** This act is effective on passage and approval.

Approved April 29, 1983.

HOUSE BILL NO. 901

AN ACT APPROPRIATING MONEY TO THE DEPARTMENT OF ADMINISTRATION FOR PAYMENT OF EMERGENCY AND DISASTER ASSISTANCE CLAIMS FOR FLOOD DAMAGE OCCURRING IN MAY 1981; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated from the general fund to the Department of Administration for the fiscal year ending June 30, 1983, $152,365 to pay claims approved and authorized under 10-3-311 for flood damage that occurred in the state in May 1981, as declared in the Governor's proclamations dated May 22 and 26, 1981. Any unspent balance of this appropriation must revert to the general fund.

Section 2. **Effective date.** This act is effective on passage and approval.

Approved April 26, 1983.

HOUSE BILL NO. 907

AN ACT APPROPRIATING MONEY TO THE DEPARTMENT OF REVENUE FOR THE FISCAL YEAR ENDING JUNE 30, 1983, FOR THE PURPOSE OF COMPLETING PAYMENT OF THE LIGHT VEHICLE FEE REIMBURSEMENT DUE YELLOWSTONE COUNTY; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated from the general fund for the fiscal year ending on June 30, 1983, $42,539.81 to the Department of Revenue for the purpose of paying the 1983 light vehicle fee reimbursement due Yellowstone County.

Section 2. **Effective date.** This act is effective on passage and approval.

Approved April 18, 1983.

HeinOnline -- 1983 vol. III 1841 1983

HOUSE BILL NO. 919

AN ACT TO APPROPRIATE FUNDS TO THE SUPERINTENDENT OF PUBLIC INSTRUCTION FOR PUBLIC SCHOOL SUPPORT OTHER THAN FOR SPECIAL EDUCATION.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** All revenues received under the provisions of 20-9-343 for state equalization aid are appropriated to the Superintendent of Public Instruction for the biennium ending June 30, 1985, for public school support other than for special education. The remaining balance of the general fund contingency appropriation in House Bill No. 611, Laws of 1981, for the biennium ending June 30, 1983, is reappropriated to the state equalization aid earmarked revenue account for the biennium ending June 30, 1985.

Section 2. **General fund appropriation.** There is appropriated from the general fund $11,500,000 for the biennium ending June 30, 1985, to be used to the extent funds appropriated in section 1 are insufficient to finance the maximum budget schedules for public schools excluding special education.

Approved April 26, 1983.

HOUSE BILL NO. 922

AN ACT TO APPROPRIATE MONEY TO THE DEPARTMENT OF REVENUE TO SATISFY A JUDGMENT AGAINST THE DEPARTMENT OF REVENUE; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated from the general fund to the Department of Revenue the sum of $3,814.74 or so much thereof as may be necessary to satisfy the judgment against the Department of Revenue of the State of Montana and in favor of Robert Kropp, Doris Kropp, and Blue Cross of Montana, entered September 22, 1982, by the District Court of the Eighth Judicial District of the State of Montana, in and for the County of Cascade, in Cause No. CDV-82-715, entitled "State of Montana, ex rel., Robert P. Kropp and Doris A. Kropp and Blue Cross of Montana, Plaintiffs, v. Montana Department of Revenue, an agency of the State of Montana; Charles Nebel, Cascade County Assessor, and Nick Lazanas, Cascade County Reappraisal Officer, Defendants", which decision has become final as a result of an order of dismissal of the appeal of the Department of Revenue by the Supreme Court, pursuant to motions to dismiss filed by the Department of Revenue and the plaintiffs

HeinOnline -- 1983 vol. III 1842 1983

and respondents; said order of dismissal having been issued on February 9, 1983, and filed on February 10, 1983, in Cause No. 83-12.

Section 2. **Effective date.** This act is effective on passage and approval.

Approved April 27, 1983.

HOUSE BILL NO. 924

AN ACT APPROPRIATING FUNDS TO THE DEPARTMENT OF REVENUE FOR THE PAYMENT OF A JUDGMENT FOR ATTORNEY FEES, COSTS, AND DISBURSEMENTS AGAINST THE DEPARTMENT, TOGETHER WITH INTEREST THEREON; PROVIDING THAT THE APPROPRIATION IS NONJUDGMENTAL; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** There is appropriated $11,950.26 from the general fund to the Department of Revenue to satisfy the judgment for attorney fees, costs, and disbursements, as ordered by the District Court, in the case of R. Peyton Hovey v. Department of Revenue, Civil Cause No. 47316, County of Lewis and Clark. There is also appropriated $347, or so much thereof as may be necessary, from the general fund to the Department of Revenue which the Department shall use to pay interest on such judgment, calculated at a rate of 10% from March 16, 1983, the date of the judgment, to June 30, 1983. If the judgment is paid by the Department prior to June 30, 1983, the excess portion of the appropriation for interest on the judgment shall revert to the general fund.

Section 2. **Appropriation nonjudgmental.** By appropriating the above sum, the Legislature is not passing judgment on the merits of the case for which the appropriation is made.

Section 3. **Effective date.** This act is effective on passage and approval.

Approved April 26, 1983.

HeinOnline -- 1983 vol. III 1844 1983

RESOLUTIONS

ENACTED BY THE

Forty-eighth Legislature

IN REGULAR

SESSION

STATE OF MONTANA

1983

HeinOnline -- 1983 vol. III 1845 1983

HeinOnline -- 1983 vol. III 1846 1983

RESOLUTIONS

SENATE JOINT RESOLUTION NO. 1

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA TO ADOPT JOINT RULES TO GOVERN THEIR PROCEEDINGS.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the following joint rules are adopted:

CHAPTER 1
Presiding Officer - Decorum, Order and Debate

1-1. The presiding officer of the Senate is the president, and the presiding officer of the House of Representatives is the speaker. The presiding officer of each house shall take the chair on every legislative day at the hour to which that house adjourned at the last sitting. After call to order, prayer by the chaplain, and roll call, a report on the journal for the preceding legislative day shall be given in the presence of a quorum, and each house shall proceed with the regular order of business.

1-2. The presiding officer, or any member acting as presiding officer, of each house shall preserve order and decorum, and in case of disturbance or disorderly conduct, may order the galleries or lobbies to be cleared.

1-3. The presiding officer of each house has general control and direction of the hall, chamber, rooms, passages, and corridors of the house over which he presides. Reporters on assignment in either house are subject to placement by the presiding officer.

1-4. The presiding officer of each house shall decide all questions of order, subject to an appeal by any member seconded by two other members. No member may speak more than once on an appeal without the consent of a majority of the house of which he is a member.

1-5. When a member desires to speak he shall rise and address the presiding officer and, being recognized, shall speak standing in his place unless the presiding officer grants permission to speak from some other place on the floor. When two or more members rise at the same time the presiding officer shall name the member who is to speak first.

1-6. When a member has been called to order, he shall sit down until the presiding officer determines whether he is in order or not. If the member is called to order for words spoken in debate, the language excepted to shall be taken down in writing by the chief clerk or secretary.

HeinOnline -- 1983 vol. III 1847 1983

1-7. Questions of privilege are: first, those affecting the collective rights, safety, dignity, and integrity of the proceedings of either house; and second, those affecting the rights, reputation, and conduct of individual members of either house in their capacity as members. A question of privilege affecting either house collectively takes precedence over a question of privilege affecting an individual member.

1-8. The presiding officer of each house shall sign all subpoenas approved or issued by the house over which he presides.

1-9. (1) A communication or paper shall be addressed to the presiding officer and shall bear the name of the person submitting it. When the reading of a paper is called for and a member objects, it shall be determined by a vote of the house without debate. This subsection does not apply to bills or to communications from the governor or the other house.

(2) A paper for or against proposed legislation may not be placed on the desks of the members or circulated within the chamber unless the person responsible has signed it and has received permission from the presiding officer to distribute it in the house concerned.

1-10. When the presiding officer is presiding, he shall vote as any other member and may not vote a second time.

CHAPTER 2
Meetings, Quorums, and Attendance

2-1. The hour of meeting of the Senate and House of Representatives may be as ordered by the Senate or House.

2-2. Lobbying on the floor of the Senate or House of Representatives is prohibited during the session and within one hour prior to the commencement of a session and within one-half hour after recess or adjournment.

2-3. The sessions of the legislature and of the Committee of the Whole, all committee meetings, and all hearings shall be open to the public (Montana Constitution, Art. V, Sec. 10(3)).

2-4. Neither house shall, without the consent of the other, adjourn or recess for more than three days, nor to any other place than that in which the two houses shall be sitting (Montana Constitution, Art. V, Sec. 10(5)).

2-5. A majority of each house shall constitute a quorum to do business, but a smaller number may adjourn from day to day and compel the attendance of absent members, in such manner and under such penalties as each house may prescribe (Montana Constitution, Art. V, Sec. 10(2)).

2-6. Unless he is excused, a member of the House or Senate shall be present at every sitting of the house of which he is a member.

2-7. In the absence of a quorum, a majority of members present in either house may compel the attendance of absent members by ordering a call of the house of which they are members.

2-8. If a quorum is present, five members of the Senate may order a call of the Senate, and fifteen members of the House of Representatives may order a call of the House.

HeinOnline -- 1983 vol. III 1848 1983

2-9. On a call of either house, a member who refuses to attend may be arrested by the sergeant-at-arms or any other person, as the majority of such members present shall direct. When the attendance of an absent member is secured after a call of either house, if the house of which he is a member refuses to excuse his absence, he shall not be paid any expense payments during his absence and is liable for the expenses incurred in procuring his attendance.

2-10. During a call of either house, all business of that house shall be suspended. After a call has been ordered, no motion is in order except a motion to adjourn or remove the call. The call may be removed by a two-thirds vote.

2-11. If either house is in session upon a given day, whether or not the other house is in session, that day shall constitute a legislative day.

CHAPTER 3
Legislative Employees

3-1. The legislature shall prescribe the compensation of the employees of each house by joint resolution. Each house shall prescribe the duties of its officers and employees, and no payment shall be made from the state treasury, or be in any way authorized to any such person, except to an acting officer or employee elected or appointed in pursuance of law.

3-2. The Legislative Council shall be responsible for maintaining personnel files.

3-3. The committee on legislative administration of each house shall appoint a secretary for a standing or special committee on recommendation of the committee chairman, subject to the approval of the respective house. A secretary for a standing or special committee is immediately responsible to the committee chairman, but when not occupied with the duties of a committee, shall work under the direction of the chief stenographer of each house. The Legislative Council shall hire all engrossing and enrolling typists and proofreaders, who are under the direction of the bills committee.

3-4. The presiding officer and the majority and minority floor leader of each house may each appoint a private secretary.

3-5. The secretary of the Senate and chief clerk of the House of Representatives are responsible to the presiding officers of their respective houses. Their duties are to:

(a) have custody of all records, bills, documents, and other papers;

(b) supervise the making and examination of the journal and the handling of bills and resolutions;

(c) deliver to the secretary of state at the close of each session the journal, bill books, and resolution books, and all copies of introduced bills and joint resolutions;

(d) collect from the chairmen or secretaries of all standing committees, special committees, and conference committees the minutes of such committees and deliver them to the state historical society. (See Rule 7-4)

HeinOnline -- 1983 vol. III 1849 1983

3-6. Journal clerks, bill clerks, typists, and other employees responsible for legislative functions, except secretaries for standing or special committees, secretaries to presiding officers, and secretaries to majority and minority floor leaders, are immediately responsible to the secretary of the Senate or the chief clerk of the House, subject to the general supervision of the presiding officer.

3-7. The duties of the engrossing and enrolling clerks are:

(a) to engross or enroll all bills delivered to them within 48 hours after they have been received, unless further time is granted, in writing, by the presiding officer of the house in which the bill originated;

(b) to correct clerical errors, with the consent of the secretary of the Senate or chief clerk of the House of Representatives, in any bill originating in the house by which they are employed. Clerical errors such as the following may be corrected:

(i) errors in spelling

(ii) errors in numbering sections

(iii) adding or deleting underlining or lines through matter to be stricken

(iv) material copied incorrectly from the Montana Code Annotated.

The secretary of the Senate or chief clerk of the House shall obtain written permission from the principal sponsor before such corrections are made.

When a committee is the sponsor of a bill, any member thereof so designated by the chairman may be the principal sponsor for the purpose of this section.

3-8. (1) The sergeants-at-arms are responsible to the presiding officers of their respective houses. Their duties are to:

(a) maintain order under the direction of the presiding officer;

(b) execute commands and serve all processes;

(c) receive, distribute, and have custody of supplies.

3-9. The assistant sergeants-at-arms, doorkeepers, watchmen, janitors, pages, and other employees responsible for general housekeeping functions are immediately responsible to the sergeant-at-arms, subject to the general supervision of the presiding officer.

3-10. The duty of the chaplain of each house is to open each day's session with a prayer.

3-11. A legislative aide is a person who has registered with the clerk of the House or secretary of the Senate and has been issued a distinctive identification form such as a name tag. Such identification may be issued only upon receiving written verification from a member that the person involved is serving him as an aide. A person may not represent himself to

HeinOnline -- 1983 vol. III 1850 1983

be a legislative aide unless he carries such identification. The sergeants-at-arms and doorkeepers shall enforce this rule. Legislative aides must be of legal age unless otherwise approved by the presiding officer.

No member may designate more than one aide without the approval of the rules committee of the house involved.

Qualifications for legislative interns are specified in Title 5, chapter 6, MCA.

3-12. An employee, legislative aide, or legislative intern of either house is prohibited from lobbying as defined in Section 5-7-102(1), MCA. However, such person may testify before a committee of either house on the request of the committee. Any person violating this rule shall be discharged.

3-13. Disputes or complaints involving the competency or decorum of a legislative employee shall be referred to the committee on legislative administration of the house by which the employee is employed. The committee, in its discretion, may dismiss, suspend, or retain the employee. The committee on legislative administration shall periodically review the roster of employees and shall dismiss surplus employees.

3-14. The offices of the Legislative Council shall serve both the Senate and House of Representatives as required.

The Council staff shall prepare payrolls for certification and signature by the presiding officer and prepare a monthly financial report and distribute the report to legislative leaders in each house and to members of the Senate committee on finance and claims and House committee on appropriations.

3-15. Contracts for purchase or lease of equipment and supplies made during the legislative session shall be made on the approval of the committee on legislative administration of each house, subject to the review of the presiding officer of the respective house. Purchase orders shall be issued by Legislative Council staff and accounting records kept in that office.

CHAPTER 4
Order of Business

4-1. After prayer, roll call, and report on the journal, the order of business of the Senate and House of Representatives is as follows:

(1) Communications and petitions

(2) Reports of standing committees

(3) Reports of select committees

(4) Messages from the governor

(5) Messages from the other house

(6) Motions

(7) First reading and commitment of bills

(8) Second reading of bills (Committee of the Whole)

HeinOnline -- 1983 vol. III 1851 1983

(9) Third reading of bills and consent calendar bills

(10) Unfinished business

(11) Special orders of the day

(12) Announcement of committee meetings.

To revert to or pass to a new order of business requires only a majority vo e. Unless otherwise specified in the motion to recess, the house involved shall revert to Order of Business No. 1 when reconvening after a recess.

CHAPTER 5
Motions

5-1. When a motion is made it shall be restated by the presiding officer and, if requested by the presiding officer or a member, shall be reduced to writing and read aloud. A motion may be withdrawn by the member making it at any time before it is amended or voted upon.

5-2. When a question is under debate no motion may be made except the following privileged and subsidiary motions, which have precedence in the order listed:

(1) to adjourn

(2) for a call of the house

(3) to recess

(4) question of privilege

(5) to lay on the table

(6) for the previous question

(7) to postpone to a certain day

(8) to refer or commit

(9) to amend

(10) to postpone indefinitely.

A question may be indefinitely postponed by a majority roll call vote of all members present and voting. When a bill or resolution is postponed indefinitely, it is finally rejected and may not be acted upon again during the biennium except upon a motion of reconsideration made pursuant to Rule 5-4.

5-3. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment or substitute.

5-4. Any member may, on the day the vote was taken or on the next day the house in which the action was taken is in session, move to reconsider the question. A motion to reconsider may not be withdrawn after such next legislative day without the unanimous consent of the house concerned, and thereafter any member may call it up for consideration; however, a motion to reconsider made after the 54th day of the session shall be disposed of when made. A motion to recall a bill from the other house

HeinOnline -- 1983 vol. III 1852 1983

constitutes notice to reconsider and shall be acted on as a motion to reconsider. A motion to reconsider or to recall a bill from the other house may be made only under Order of Business No. 6 and under that order of business takes precedence over all motions except motions to recess or adjourn.

5-5. When a motion to reconsider is laid on the table, a two-thirds majority is required to take it from the table. When a motion to reconsider fails, the question is finally and conclusively settled.

5-6. (1) Except as provided in subsection (2) of this rule, the effect of moving the previous question, if adopted, is to close debate immediately, to prevent the moving of amendments or other subsidiary motions, and to bring to vote promptly the immediately pending main question and the adhering subsidiary motions, whether on appeal or otherwise.

(2) When the previous question is ordered on any debatable question on which there has been no debate, the question may be debated for one-half hour, one-half of such time to be given to the proponents and one-half to the opponents.

5-7. A call of the house is not in order after the previous question is ordered unless it appears upon an actual count by the presiding officer that a quorum is not present.

5-8. The following motions are not debatable:

(1) to adjourn

(2) for a call of the house

(3) to recess

(4) for parliamentary inquiry

(5) for suspension of the rules

(6) to lay on the table

(7) for the previous question

(8) to limit, extend the limits of, or to close debate

(9) to amend an undebatable motion

(10) to divide a question

(11) to pass business in Committee of the Whole

(12) to take from the table

(13) a decision of the presiding officer, unless appealed or unless he submits the question to the house for advice or decision

(14) all incidental motions, such as motions relating to voting or other questions of a general procedural nature.

5-9. A member may move to divide a question if it includes two or more propositions so distinct in substance that if one thing is taken away a substantive question will remain.

HeinOnline -- 1983 vol. III 1853 1983

5-10. No more than one amendment and no more than one substitute motion may be made to a motion. This rule permits the main motion and two modifying motions.

CHAPTER 6
Bills and Resolutions

A. Form of Bills — Definition of Resolutions — General Provisions

6-1. The only types of instruments other than bills which may be introduced in either house of the legislature are as follows:

(1) A simple resolution is a formalized motion passed by one house only and bears the heading "House Resolution" or "Senate Resolution". It may be used only to adopt or amend the rules of one house, to make recommendations concerning the districting and apportionment plan as provided by Article V, section 14, subsection (3), of the Montana Constitution, or to provide for the internal affairs of the house adopting it. It does not require three readings or a roll call vote. A member offering a simple resolution may read it in his place before introduction. When a simple resolution has been introduced, it shall be referred to a committee. Final action shall be taken on the Committee of the Whole report. The transmittal of copies of simple resolutions is the responsibility of the chief clerk or secretary of the house of origin.

A copy of every simple resolution is to be transmitted after adoption to the secretary of state by the secretary of the Senate or chief clerk of the House.

(2) A joint resolution must be adopted by both houses and is not approved by the governor. It may be used to:

(a) express desire, opinion, sympathy, or request of the legislature;

(b) request an interim study by a legislative subcommittee;

(c) adopt or amend the joint rules;

(d) set salaries and other terms of employment for Legislative employees;

(e) approve construction of a state building under section 18-2-102 or 20-25-302, MCA;

(f) deal with disasters and emergencies under Title 10, specifically as provided in sections 10-3-302(3), 10-3-303(3), 10-3-303(4), and 10-3-505(5), MCA;

(g) submit a negotiated settlement under section 39-31-305(3), MCA;

(h) declare or terminate an energy emergency under section 90-4-310, MCA;

(i) ratify or propose amendments to the United States Constitution; or

(j) direct changes to, repeal, or direct adoption of a rule in the Montana Administrative Code.

HeinOnline -- 1983 vol. III 1854 1983

Except as otherwise provided in these rules or the Constitution of the State of Montana, a joint resolution is treated in all respects as a bill.

A copy of every joint resolution is to be transmitted after adoption to the secretary of state by the secretary of the Senate or chief clerk of the House.

6-2. All bill drafting requests shall require a legislative sponsor. Bills shall be typewritten on paper with numbered lines and shall be introduced in quadruplicate. Bills shall be numbered at the foot of each page (except page 1) and shall have white covers of a substantial material. In sections amending existing statutes, matter to be stricken out shall be indicated with a line through the words or part to be deleted, and new matter shall be underlined. Sections of the Montana Code Annotated repealed or amended in a bill shall be stated in the title, except for general appropriation bills and bills for the codification and general revision of the laws. Introduced bills will be reproduced on white paper and distributed to legislators.

6-3. No bill, except general appropriation bills and bills for the codification and general revision of the laws, shall contain more than one subject, which shall be clearly expressed in the title. The enacting clause of every law shall be as follows: "Be it enacted by the legislature of the state of Montana".

A bill shall be used to propose amendments to the Constitution of the State of Montana and shall not be subject to the veto of the governor (Montana Constitution, Art. VI, Sec. 10(1)).

6-4. All appropriation bills shall originate in the House of Representatives.

The general appropriation bills shall embrace nothing but appropriations for the ordinary expenses of the legislative, executive, and judicial branches of state government, interest on public debt, and for public schools. All other appropriations shall be made by separate bills, each embracing but one subject (Montana Constitution, Art. V, Sec. 11(4)). Appropriation bills for the operation of the legislature shall be introduced by the chairman of the House committee on appropriations.

6-5. Every statute, unless a different time is prescribed therein, takes effect on October 1 following its passage and approval, except one that provides for appropriation by the legislature of public funds for a public purpose, which takes effect on July 1 following its passage and approval unless a different time is prescribed therein. Every joint resolution, unless a different time is prescribed therein, takes effect on its passage (Sections 1-2-201 and 1-2-202, MCA).

B. Introduction — Bill Limit

6-6. (1) A legislator may not request more than five bills from the Legislative Council nor may a legislator introduce more than five bills. This limit does not apply to:

HeinOnline -- 1983 vol. III 1855 1983

(a) bills requested prior to the convening date of each session;

(b) interim committee bills;

(c) state agency bills;

(d) code commissioner bills;

(e) resolutions;

(f) standing committee bills;

(g) appropriation bills; or

(h) revenue bills.

(2) Bills and joint resolutions will be checked by the staff of the Legislative Council prior to introduction for proper format, style, and legal form. Bills will be entered on the automated bill drafting equipment, typed, and delivered in quadruplicate to the requesting legislator. A stamp shall be affixed to the original bill cover and signed to indicate Council review. If such stamp is not affixed, the bill may not be introduced.

(3) During a session a bill may be introduced by endorsing it with the name of a member and presenting it to the chief clerk of the House of Representatives or secretary of the Senate in quadruplicate. Bills or joint resolutions may be sponsored jointly by Senate and House members. A jointly sponsored bill shall be introduced in the house in which the legislator whose name appears first on the bill is a member. The chief joint sponsor's name shall appear immediately to the right of the first sponsor's name. Bills, joint resolutions, and simple resolutions shall be numbered consecutively in each session of the legislature in separate series in the order of their receipt.

(4) Any bill proposed by a legislative committee or introduced by request of an administrative or executive agency or department shall be so indicated following the names of the sponsors, "By Request of the ..... (Name of agency or committee)".

(5) Bills may be prefiled, numbered, and preprinted prior to a legislative session by the staff of the Legislative Council. Actual signatures may appear on the face of the prefiled bill, or signatures may be obtained on a consent form from the Legislative Council and the sponsor's name typed on the bill. Additional sponsors may be added on motion of the chief sponsor at any time prior to a standing committee report on the bill. These names will be forwarded to the Legislative Council to be included on the face of the bill following standing committee approval.

All prefiled bills will be made available to the public.

6-7. The following schedule must be followed for submission of drafting requests and introduction of bills and resolutions.

HeinOnline -- 1983 vol. III 1856 1983

	Request Deadline 5:00 P.M. Legislative Day	Introduction Deadline 5:00 P.M. Legislative Day
General Bills and Resolutions	10 (or 2 legislative days after delivery if delivery is after 14th day)	14
Revenue Bills	17	21
Committee Bills and Resolutions	36	40
Committee Revenue Bills	62	66
Appropriation Bills	No deadline	No deadline
Interim Study Resolutions	No deadline	No deadline
Joint Resolutions Concerning Administrative Rules	No deadline	No deadline

6-8. No bill may be introduced or received in a house after that house has finally rejected a bill during that session designed to accomplish the same purpose save upon approval by the rules committee of the house in which the bill is offered for introduction or reception.

Failure to override a veto does not constitute final rejection.

6-9. At least three-fourths of a standing committee must consent to the introduction of a committee bill.

C. First Reading and Referral

6-10. No motion affecting a bill is in order on its first reading except as provided in Joint Rule 6-6(5).

Upon introduction or reception of a bill, the chief clerk of the House or the secretary of the Senate shall publicly post upon a listing that bill by a summary of its title in the house of origin and by a summary of its title and by its history in the second house, together with a notation of the committee to which it has been assigned, and such posting shall constitute the first reading of the bill.

6-11. No bill shall be considered or become a law unless referred to a committee and returned therefrom.

6-12. Upon introduction or reception of a bill, it shall be referred to a committee by the presiding officer.

6-13. A bill may be rereferred at any time before its passage.

D. Amendments and Substitute Bills

6-14. No law shall be revised or amended or the provisions thereof extended by reference to its title only, but so much thereof as is revised, amended, or extended shall be reenacted and published at length.

6-15. No law shall be passed except by bill, and no bill shall be so altered or amended on its passage through either house as to change its original purpose (Montana Constitution, Art. V, Sec. 11(1)).

HeinOnline -- 1983 vol. III 1857 1983

6-16. A committee may recommend that every clause in a bill be changed and that entirely new matter be substituted so long as the new matter is relevant to the title and subject of the original bill. A substitute bill shall be considered as an amendment and not as a new bill.

6-17. The proper form of reporting a substitute bill by a committee is to propose amendments to strike out all of the bill following the enacting clause and to substitute the new bill, recommending also any necessary changes in the title. If a committee report recommending a substitute for a bill originating in the other house is adopted, the substitute bill shall be printed.

6-18. Amendments to a bill by the second house shall not be further amended by the house in which the bill originated, but must either be accepted or rejected. If the amendments are rejected, a conference committee may be requested by the house in which the bill originated. If the amendments are accepted and the bill is of a type requiring more than a majority vote for passage, the bill shall again be placed on third reading in the house of origin. The vote on third reading after concurrence in amendments is the vote of the house of origin that must be used to determine if the required number of votes has been cast.

6-19. If a majority of a house adopts a recommendation for the passage of a bill originating in that house after it has been returned from a committee with amendments, the bill shall be printed on yellow paper with all amendments incorporated into the printed copies. If the bill has been returned from a committee without amendments, only the first sheet shall be printed on yellow paper, and the remainder of the text incorporated by reference to the preceding printed version of the entire bill. Bills referred to the bills committee of the house of origin for printing must be reported within three days unless further time is granted by that house.

E. Engrossing and Enrolling

6-20. When a bill has been reported favorably by Committee of the Whole of the house of origin and the report has been adopted, the bill shall be engrossed under the direction of the bills committee, and when reported correctly engrossed by the committee shall be placed on the calendar for third reading on the succeeding legislative day. Committee of the Whole amendments shall be included in the engrossed bill. Copies of the engrossed bill to be distributed to legislators will be reproduced on blue paper. If a bill is unamended by the Committee of the Whole and contains no clerical errors, it may be engrossed without retyping, and only the first sheet shall be printed on blue paper with the remainder of the text incorporated by reference to the preceding printed version of the entire bill.

If a bill is amended by the standing committee or Committee of the Whole in the second house, the amendments will be included in a reference bill and distributed in the second house for third reading consideration. The amendments will also be reproduced and attached to the reference bill. If the bill passes on third reading, copies of the reference bill and second house amendments will be distributed in the original house.

HeinOnline -- 1983 vol. III 1858 1983

6-21. When a bill has passed both houses it shall be enrolled under the direction of the bills committee of the house of origin. An original and two duplicate typewritten copies of the bill shall be enrolled, free from all corrections and errors, with a margin of two inches at the top and one inch on each side. In sections amending existing statutes, new matter shall be underlined and matter stricken with a line through it shall be omitted. The original and two copies of the bill shall be red lined. The history of the bill shall also be enrolled and placed with the bill in a white manuscript cover, upon which is written the number of the bill and the title. The Legislative Council staff shall file a copy of the history with the law library.

When the enrolling has been completed, the bill shall be examined by the sponsor and the bills committee and reported correctly enrolled.

The correctly enrolled bill shall be delivered to the presiding officer of the house in which the bill originated. The presiding officer shall sign the original and two copies of each bill delivered to him not later than the next legislative day after it has been reported correctly enrolled, unless the bill is delivered on the last legislative day, in which event it shall be signed that day. The fact of signing shall be announced by the presiding officer and entered upon the journal no later than the next legislative day. At any time after the report of a bill correctly enrolled and before the signing, if a member signifies his desire to examine the bill, he shall be permitted to do so. The bill shall then be transmitted to the other house where the same procedure shall be followed.

A bill that has passed both houses of the legislature by the 90th day may be enrolled; clerically corrected by the presiding officers, if necessary; signed by the presiding officers; and delivered to the governor not later than 5 days after the 90th legislative day. All journal entries authorized under this rule will be entered on the journal for the 90th day.

The original and two copies signed by the presiding officer of each house shall be presented by the bills committee to the governor. The bills committee shall take a receipt from the governor and shall report to the house the day and hour of such presentation, which shall be entered in the journal. The original shall be filed with the secretary of state. Signed copies with chapter numbers assigned pursuant to Section 5-11-204, MCA, shall be filed with the clerk of the supreme court and the Legislative Council.

F. Second Reading — Committee of the Whole

6-22. All bills, except consent calendar bills, which have been reported by a committee, accepted by the house concerned, and printed shall be posted on the calendar for consideration by Committee of the Whole. The secretary of the Senate or chief clerk of the House shall record the time each bill is received and the time the bill is placed on members' desks. Until the 50th legislative day, one day must elapse between the time a committee approved bill is placed on the members' desks and consideration by Committee of the Whole. Bills shall be arranged on the calendar in numerical order unless they are companion bills or are otherwise ordered by the house or Committee of the Whole of the house concerned.

HeinOnline -- 1983 vol. III 1859 1983

6-23. Every bill considered in Committee of the Whole shall be read by a summary of its title and considered section by section.

All Committee of the Whole amendments shall be prepared and delivered to the clerk for reading before the amendment is voted on. The amendment form will include the date and time of the amendment. Each rejected proposed amendment shall be identified and kept in the office of the chief clerk of the House or secretary of the Senate. Upon adjournment, the text of such amendments shall be delivered to the state archives.

6-24. Prior to adoption of a Committee of the Whole report, a member may move to segregate a bill. If the motion prevails, the bill remains on second reading.

6-25. When a Committee of the Whole report on a bill is rejected, the bill shall remain on second reading.

6-26. Either house may resolve itself into a Committee of the Whole by approval of a motion for that purpose. So far as may be applicable, the rules governing each house shall be observed when that house resolves itself into a Committee of the Whole, except as follows:

(1) The only motions in order are to:

(a) amend;

(b) recommend passage or nonpassage;

(c) recommend concurrence or nonconcurrence;

(d) indefinitely postpone;

(e) pass consideration;

(f) rise;

(g) rise and report; or

(h) rise and report progress and ask leave to sit again.

(2) The committee may not appoint subcommittees.

(3) The committee may not punish its members for misconduct, but may report disorder to the house concerned.

(4) Unless otherwise prescribed by either house before going into Committee of the Whole, a member may speak as often as he is recognized and for as long each time as is allowed in debate in the particular house.

6-27. After a Committee of the Whole has been formed, the presiding officer shall appoint a chairman to preside. Upon resuming the chair, the presiding officer shall receive the report of the chairman of the committee and the house shall take action on the report.

G. Third Reading — Consent Calendar — Governor's Veto

6-28. No bill shall become a law except by vote of a majority of all the members present and voting in each house. On final passage the vote shall be taken by ayes and noes, and the names of those voting entered on the journal (Montana Constitution, Art. V, Sec. 11(1) and (2)).

HeinOnline -- 1983 vol. III 1860 1983

Any vote in one house on a bill proposing an amendment to the Montana Constitution where the mathematical possibility exists of obtaining the necessary two-thirds vote of the legislature will cause the bill to progress as though it had received the majority vote.

6-29. Except for consent calendar bills, every bill shall be read three times prior to passage, either by title or by summary of title as provided in these rules. The first reading shall be as prescribed in Joint Rule 6-10; the second prior to debate in Committee of the Whole; and the third prior to final passage. No bill shall receive more than one reading on the same day except on the last legislative day. No amendment may be offered on the third reading.

6-30. (1) Each bill passed by the legislature, except bills proposing amendments to the Montana Constitution, bills ratifying proposed amendments to the United States Constitution, resolutions, and referendum measures of the legislature, shall be submitted to the governor for his signature. If he does not sign or veto the bill within 5 days after its delivery to him if the legislature is in session or within 25 days if the legislature is adjourned, it shall become law. The governor shall return a vetoed bill to the legislature with a statement of his reasons therefor.

(2) The governor may return any bill to the legislature with his recommendation for amendment. If the legislature passes the bill in accordance with the governor's recommendation, it shall again return the bill to the governor for his reconsideration. The governor shall not return a bill for amendment a second time.

(3) If after receipt of a veto message, two-thirds of the members of each house present approve the bill, it shall become law.

(4) If the legislature is not in session when the governor vetoes a bill, he shall return the bill with his reasons therefor to the legislature as provided by law. The legislature may be polled on a bill approved by two-thirds of the members present or reconvened to reconsider any bill so vetoed. (Montana Constitution, Art. VI, Sec. 10.)

(5) The governor may veto items in appropriation bills, and in such instances the procedure shall be the same as upon veto of an entire bill (Montana Constitution, Art. VI, Sec. 10).

6-31. Upon receipt of a veto message the presiding officer shall read the message. After the reading a member may move that the governor's veto shall be overridden. A vote on the motion shall be determined by roll call. If two-thirds of the members present vote "aye", the veto is overridden. If two-thirds of the members present do not vote "aye", the veto is sustained.

6-32. If the governor returns a bill to the originating house with his recommendations for amendment, such house shall reconsider the bill under its rules relating to amendment offered in Committee of the Whole. The bill is then subject to the following procedures:

(a) The originating house shall transmit to the second house, for consideration under its rules relating to amendments in Committee of the

HeinOnline -- 1983 vol. III 1861 1983

Whole, the bill and the originating house's approval or disapproval of the governor's recommendations.

(b) If both houses approve the governor's recommendations, the bill shall be returned to the governor for his reconsideration.

(c) If both houses disapprove the governor's recommendations, the bill shall be returned to the governor for his reconsideration.

(d) If one house disapproves the governor's recommendations and the other house approves, then either house may request a conference committee which may be a free conference committee.

(i) If both houses adopt a conference committee report, the bill in accordance with the report shall be returned to the governor for his reconsideration.

(ii) If a conference committee fails to reach agreement or if its report is not adopted by both houses, the governor's recommendations shall be considered not approved and the bill shall be returned to the governor for further consideration.

H. Transmittal of Bills — Revenue and Appropriation Bills

6-33. Each house shall transmit to the other with any bill all relevant papers. When a house bill is transmitted from the House of Representatives to the Senate, the secretary of the Senate shall give a dated receipt for the bill to the chief clerk of the House. When a Senate bill is transmitted to the House of Representatives, the chief clerk of the House shall give a dated receipt to the secretary of the Senate.

6-34. No bill, except for appropriation bills, revenue bills, and amendments considered by joint committee, need be acted upon (save for reference to a committee by the presiding officer) if transmitted from one house to the other after the 45th legislative day, but shall be held pending in the house to which it is transmitted unless two-thirds of the members present and voting determine that the bill shall be acted upon. Amendments, except to appropriation bills and revenue bills, shall likewise be deferred for consideration if transmitted after the 70th legislative day.

A revenue bill is one which would either increase or decrease tax collections.

Revenue bills originating in the Senate shall be transmitted to the House on or before the 50th day, unless two-thirds of the members present and voting in the House determine that the bill may be transmitted after the 50th day. House amendments to such bills shall be transmitted by the House to the Senate on or before the 70th day unless two-thirds of the members present and voting in the Senate determine that such an amendment may be transmitted after the 70th day.

Appropriation and revenue bills originating in the House shall be transmitted to the Senate on or before the 70th day unless two-thirds of the members present and voting in the Senate determine that the bill may be transmitted after the 70th day. Senate amendments to such bills shall be transmitted by the Senate to the House on or before the 85th legislative

HeinOnline -- 1983 vol. III 1862 1983

day unless two-thirds of the members present and voting in the House determine that such an amendment may be transmitted after the 85th day.

Interim study resolutions and joint resolutions concerning administrative rules may be transmitted at any time during a session.

6-35. When a bill has received its third reading or has been rejected, the house that considered the bill shall as soon as possible transmit it to the other house with notice of its action.

I. Fiscal Notes

6-36. All bills reported out of a committee of the legislature having an effect on the revenues, expenditures, or fiscal liability of the state, except appropriation measures carrying specific dollar amounts, shall include a fiscal note incorporating an estimate of such effect. The Legislative Council staff shall indicate at the top of each bill prepared for introduction that a fiscal note may be necessary under this rule. Fiscal notes shall be requested by the presiding officer of either house, who shall determine the need for the note at the time of introduction, based on the Legislative Council staff recommendation.

The state budget director, in cooperation with the agency or agencies affected by the bill, is responsible for the preparation of the fiscal note and shall return the same within six days, unless further time is granted by the presiding officer or committee making the request based upon a written statement from the budget director that additional time is necessary to properly prepare the note.

A completed fiscal note shall be submitted by the budget director to the presiding officer who requested it, who shall refer it to the committee considering the bill. All fiscal notes shall be printed and placed on the members' desks.

Fiscal notes shall, where possible, show in dollar amounts the estimated increase or decrease in revenues or expenditures, costs which may be absorbed without additional funds, and long-range financial implications. No comment or opinion relative to merits of the bill shall be included; however, technical or mechanical defects may be noted.

A fiscal note also may be requested on a bill and on an amendment by:

(1) a committee considering the bill, or

(2) a majority of the members of the house in which the bill is to be considered, at the time of second reading, or

(3) the chief sponsor through the presiding officer.

The budget director shall make available on request to any member of the legislature all background information used in developing a fiscal note (Title 5, chapter 4, part 2, MCA).

CHAPTER 7
Committees

7-1. The committee on legislative administration of each house shall consider all matters concerned with seating, mileage and expenses, legislative employees, the control of the legislative property, and the budgeting

HeinOnline -- 1983 vol. III 1863 1983

for and expenditure of appropriations for the operation of the legislature, in cooperation with the Legislative Council staff.

7-2. Upon request of any member of the house in which a bill is pending, a standing committee shall submit a written report in triplicate on any bill or matter referred to it within seven days after the request, unless, at the request of the committee and for good cause shown, further time is granted by the house concerned.

7-3. If the members of a committee cannot agree on a report, the majority and minority of the committee present at a committee meeting may submit separate reports. Only one minority report may be submitted. Such reports shall be entered at length on the journal, unless otherwise ordered by the house concerned.

7-4. All committees and subcommittees shall keep minutes of their meetings and, at the close of the session, shall make an original and two complete copies and shall turn the original of the minutes over to the chief clerk of the House or secretary of the Senate for delivery to the historical society. The Legislative Council and the law library shall each be given one copy of the minutes.

7-5. The committee on bills and journal, the rules committee, and conference committees may report at any time, except during a call of the house or when a vote is being taken. Reports from the bills and journal committee shall stand approved without formal action.

7-6. All bills providing for an appropriation of public money may first be considered by a joint committee composed of the members of the Senate committee on finance and claims and the House committee on appropriations, and then by each separately. Meetings of the joint committee shall be held upon call of the chairman of the House committee on appropriations who shall be chairman of the joint committee.

7-7. The chairman of each committee has general control and direction of the hall and committee room of the committee over which he presides, subject to the control of the presiding officer under Rule 1-3. Except as provided in Joint Rule 7-6, the chairman of the Senate committee shall be chairman of all joint committees.

7-8. If either house requests a conference and appoints a committee for the purpose of discussing an amendment on which the Senate and the House of Representatives cannot agree, the other house shall appoint a committee consisting of the same number of members. The time and place of all conference committee meetings shall be agreed upon by their chairman and be announced from the rostrum. This announcement is in order at any time. Failure to make this announcement shall not affect the validity of the legislation. The conference committees, having conferred, shall report to their respective houses the result of their conference. A conference committee shall confine itself to the disputed amendment.

If either house requests a free conference committee and the other house concurs, appointments will be made the same as above. A free conference committee may discuss a bill in its entirety and is not confined to a particular amendment.

HeinOnline -- 1983 vol. III 1864 1983

7-9. In joint committees other than conference committees, members vote individually and not by houses. Because conference committees are joint meetings of separate committees, in conference committees the committees from each house vote separately, and a majority of each committee must agree before any action may be taken.

7-10. Conference committee reports must give clerical instructions for enrolling by referring to the reference bill version.

When a conference committee report is filed with the secretary of the Senate or chief clerk of the House of Representatives, the same shall be read under Order of Business No. 3, select committees, and placed on the calendar for consideration on second reading. If recommended favorably by the Committee of the Whole, it may be considered on third reading the same legislative day. On the final legislative day a conference committee report shall be placed on the calendar for immediate consideration on second reading and shall be further considered on third reading the same legislative day. If a conference committee report is adopted on third reading and the bill is of a type requiring more than a majority vote for passage, the bill shall again be placed on third reading in each house. This third reading vote must be used to determine if the required number of votes has been cast.

7-11. Accredited press representatives may not be excluded from any public legislative meeting or hearing and may not be prohibited from taking photographs, televising, or recording the committee or house hearings, subject to the discretion of the presiding officer in all matters of decorum and order.

7-12. A committee block scheduling system will be implemented in the Senate and House of Representatives. The schedule will be coordinated between houses and will be adjusted according to the legislature's work load.

CHAPTER 8
Rules and Journal

8-1. Each house shall keep a journal of its proceedings and may, in its discretion, from time to time, publish the same, and the ayes and noes on any question shall, at the request of any two members, be entered on the journal.

8-2. The proceedings of each house which shall be entered on its journal include:

(1) the number of each bill when it is introduced and subsequently considered;

(2) every motion and the name of the member making it;

(3) proposed constitutional amendments which have been voted for by two-thirds of the members (Montana Constitution, Art. XIV, Sec. 8);

(4) committee reports;

(5) roll call votes;

HeinOnline -- 1983 vol. III 1865 1983

(6) messages from the governor and the other house;

(7) an entry of the oath taken by the members (Sec. 5-2-214, MCA).

The title of each bill shall be printed in the index of the permanent journals.

8-3. The bills and journal committee of each house shall supply the Legislative Council with the contents of the daily journal to be programmed on automated equipment, examine its journal, distribute a daily journal to all legislators, correct any errors, and report each legislative day immediately after roll call.

8-4. The journal of the Senate must be authenticated by the signature of the president, and the journal of the House of Representatives, by the signature of the speaker. The distribution of the completed journals shall be made by the Legislative Council (Sec. 5-11-201 through 5-11-203, MCA).

8-5. (1) A joint rule may be repealed or amended only with the concurrence of both houses, under the procedures adopted by each house for the repeal or amendment of its own rules.

(2) A joint rule governing the procedure for handling bills may be temporarily suspended by the consent of two-thirds of the members of either house, insofar as it applies to the house suspending it.

(3) Any rules committee report recommending a change in joint rules shall be referred to the other house for concurrent action. Any new rule or any change in the rules of either house shall be transmitted to the other house for informational purposes.

8-6. Mason's Manual of Legislative Procedure governs the proceedings of the Senate and House of Representatives in all cases not covered by these rules.

8-7. The Legislative Council shall codify and publish in one volume the rules of the Senate, the rules of the House of Representatives, and the joint rules of the Senate and House of Representatives. Upon adoption, the secretary of the Senate and the chief clerk of the House of Representatives shall provide the office of the Legislative Council with one copy of all motions or resolutions amending Senate, House, or joint rules, and with copies of all minutes and reports of the rules committees. After the rules have been published, the Legislative Council shall distribute copies as directed by the Senate and House of Representatives.

8-8. Pursuant to the authority established in Sections 5-11-211 through 5-11-214, MCA, the following fee schedule is established for the legislative proceedings:

One complete set of the proceedings of any regular session, $250; an additional $150 is required for mailing.

One complete set of the proceedings of any special session, $25.

Single copies of bills, resolutions, amendments, status sheets, or other documents may be purchased according to the length of the document as follows:

HeinOnline -- 1983 vol. III 1866 1983

1-5 pages	$ .25
6-15 pages	$ .50
16-40 pages	$1.00
41-100 pages	$1.50
101-200 pages	$2.00
Over 200 pages	$4.00
Copies of enacted bills	cost of reproduction.

CHAPTER 9
Voting Procedure

9-1. Except as provided in Joint Rule 9-2, every member present when a question is put shall vote unless the house of which he is a member excuses him.

9-2. A member who has a personal or private interest in any measure or bill proposed or pending before the legislature shall disclose the fact to the house of which he is a member.

9-3. Amendments to the constitution may be proposed by any member of the legislature. If adopted by an affirmative roll call vote of two-thirds of all the members of the legislature, the amendment shall be deemed approved by the legislature (Montana Constitution, Art. XIV, Sec. 8).

9-4. When a measure requiring the concurrence of two-thirds of the members is under consideration, a majority vote is sufficient to decide any question relating to the measure short of third reading.

9-5. A roll call vote shall be taken on the request of two members, if the request occurs before the vote is taken.

9-6. On a roll call vote the names of the members shall be called alphabetically, unless an electrical voting system is used. A member may not vote or change his vote after the decision is announced from the chair. A member may not explain his vote until after the decision is announced from the chair.

9-7. (1) On third reading the question shall be stated as follows: "Senate (or House) bill number ..... having been read three several times, the question is, shall the bill pass (or be concurred in)."

(2) If an electrical voting system is used, the bell shall be rung after the question is stated and then the presiding officer shall state "Those in favor vote yes and those opposed vote no." After a reasonable pause the presiding officer asks "Has every member voted?" (reasonable pause) "Does any member wish to change his or her vote?" (reasonable pause) "The clerk (secretary) will now record the vote."

9-8. Two members may pair on a measure that will be determined by a majority vote. On a measure requiring a two-thirds vote for adoption three members may pair, with two members for the measure and one member against. Pairing is permitted only when one of the paired members is excused when the vote is taken.

9-9. An agreement to pair must be in writing and dated and signed by the members agreeing to be bound, and must specify the duration of the

HeinOnline -- 1983 vol. III 1867 1983

pair. When an agreement to pair is filed with the secretary of the Senate or chief clerk of the House of Representatives, it shall bind the members signing until the expiration of time for which it was signed, unless the paired members sooner appear and ask that the agreement be cancelled.

9-10. Every vote of each member of the legislature on each substantive question in the legislature, in any committee, or in Committee of the Whole shall be recorded and made public. On final passage of any bill or joint resolution the vote shall be taken by ayes and noes and the names entered on the journal. Roll call votes shall be taken by ayes and noes and the names entered on the journal on adopting an adverse committee report and on those motions made in Committee of the Whole referred to in Joint Rule 6-26(1)(a) through (d). A roll call vote shall be taken on nonsubstantive questions on the request of two members, who may likewise on any vote, request that the ayes and noes be spread upon the journal. Roll call votes and other votes which are to be made public but are not specifically required to be spread upon the journal shall be entered in the minutes of the appropriate committee or of the appropriate house and a copy of such minutes shall be filed with the Montana state historical society (Montana Constitution, Art. V, Sec. 11(2)).

CHAPTER 10
Consent Calendar

10-1. Noncontroversial bills and simple and joint resolutions qualifying for the consent calendar may be processed by a standing committee according to the following provisions:

(1) To be eligible for the consent calendar, the legislation must receive unanimous vote by the members of the standing committee in attendance (do pass, do pass as amended). In addition a motion must be made and passed unanimously to place the legislation on the consent calendar and this action reflected in the committee report. No appropriation or revenue bills may be recommended for the consent calendar.

(2) The legislation is then sent to printing to be prepared as a third reading version and specifically marked as a "consent calendar" item.

(3) Legislation shall be immediately posted (as soon as it is received from printing) on the consent calendar and must remain there for one legislative day before consideration under Order of Business No. 11, Special Orders of the Day. At that time, the presiding officer will announce consideration of the consent calendar and allow "reasonable time" for questions and answers upon request. No debate will be allowed.

(4) Any three members may submit written objections and the legislation must then be removed from the consent calendar and added to the regular second reading board.

(5) Consent calendar legislation will be voted on following third reading.

(6) Legislation on the consent calendar will be voted on individually with the roll call vote printed in the journal as the final vote on those bills and resolutions.

HeinOnline -- 1983 vol. III 1868 1983

(7) Legislation passed on the consent calendar will then be transmitted to the second house.

CHAPTER 11
Statement of Legislative Intent

11-1. Definition. For the purpose of compliance with the Legislative History Act (Title 5, chapter 4, part 4, MCA), a statement of legislative intent regarding a bill will express the common understanding of those components of the legislature voting on the bill. This statement differs from a purpose clause, which is used in general to describe the broad overall objectives of a bill, while a statement of intent is used to guide the details of interpretation by those charged with implementation of the bill and is phrased in terms of contingencies, examples, or other matter inappropriate for expression as statutory language.

11-2. Limitation. A statement of intent may not accompany any bill that does not statutorily require one unless a committee (standing committee, committee of the whole or conference committee) agrees by a two-thirds vote to attach the statement.

11-3. Statement of intent to accompany bill — when — how. A statement shall accompany a bill as follows:

(1) Statements of intent are required for bills delegating rulemaking or licensing authority. The statement shall be entered on ALTER, printed on paper of the same color and in the same manner as the bill, and shall be attached to the bill. The statement shall be printed on paper of the same color as the bill and attached to the bill on all subsequent printings of the bill.

(2) The standing committee of the house in which the bill originates is responsible for authoring a statement of intent for a bill requiring one.

11-4. Modification. Any committee subsequently considering the bill may amend a previous statement. The statement of intent will be reflected in the history of the bill.

11-5. Conference committee on intent only. When the second house concurs in a bill without amendments but amends or supersedes a previous statement of intent, the bill may not be enrolled until both houses have agreed on a statement of intent. If the statement is attached to a bill that does not statutorily require one, the conference committee can delete the statement in its entirety.

A new statement of intent written by the second house will be processed in the same manner as a second house amendment.

A regular conference committee may be appointed solely to resolve differences of intent if the second house's statement of intent is not so accepted.

HeinOnline -- 1983 vol. III 1869 1983

SENATE JOINT RESOLUTION NO. 3

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THE DEPARTMENT OF INSTITUTIONS TO GIVE THE NAME "BENNETT HALL" TO THE NEW WING AT THE MONTANA VETERANS' HOME IN COLUMBIA FALLS IN RECOGNITION OF THE EXCEPTIONAL PROFESSIONAL AND PUBLIC SERVICE RECORD OF THE LATE WILLARD FRANKLIN BENNETT, M.D.

WHEREAS, Willard Franklin Bennett personified the traditional values of a western American heritage by physically working his way through medical school, graduating in 1945 from the University of Kansas; and

WHEREAS, Dr. Bennett interned as a physician and surgeon in the United States Navy, serving aboard the U.S.S. Helena in World War II; and

WHEREAS, Dr. Bennett pioneered a general medical practice in then-booming Hungry Horse in 1948 and located in the emerging Columbia Falls in 1953; and

WHEREAS, Dr. Bennett exemplified not only a rare type of professionalism but an exceptional participation in public and civic service as Mayor of Columbia Falls, President of the Hungry Horse and Columbia Falls Chambers of Commerce, and Chairman of District No. 6 School Board; and

WHEREAS, Dr. Bennett served in the Montana Senate, 1967-1972, resigned to serve his patients, and later was elected to the Montana House of Representatives, 1978-1979; and

WHEREAS, Dr. Bennett was a driving force in bringing about improvements and expansion of the Montana Veterans' Home and served as physician to the institution from 1954 to 1979, where he had an abiding interest in the Home and its members; and

WHEREAS, since Dr. Bennett's untimely death, July 20, 1979, now leaves only a colorful memory and his remains are interred in the Montana Veterans' Home Cemetery, it seems right and proper that his unselfish record of service to his country and his fellow man be memorialized as a token of recognition and appreciation.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Department of Institutions give the name "Bennett Hall" to the new wing of the nursing home unit at the Montana Veterans' Home at Columbia Falls and that there be affixed an appropriate plaque designating the area in honor of Dr. Willard Franklin Bennett, physician, servant, and friend.

HeinOnline -- 1983 vol. III 1870 1983

SENATE JOINT RESOLUTION NO. 4

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA EXPRESSING SUPPORT FOR THE MAUREEN AND MIKE MANSFIELD FOUNDATION AND THE DEVELOPMENT OF THE MANSFIELD CENTER FOR PACIFIC AFFAIRS AND THE MAUREEN AND MIKE MANSFIELD CENTER AT THE UNIVERSITY OF MONTANA.

WHEREAS, recent history presents a compelling message of an increasing need for expanded education and understanding among the people of the nations that surround the Pacific Ocean as economic and political ties among the nations grow; and

WHEREAS, Montanans feel a need to honor Ambassador Mike Mansfield, whose career in public service has become a symbol of integrity; and

WHEREAS, Mike Mansfield's career has always reflected his expertise in Pacific affairs; and

WHEREAS, distinguished leaders of our state and nation are moving forward with plans to establish the Maureen and Mike Mansfield Foundation in order to support the Mansfield Center for Pacific Affairs at Flathead Lake and the Maureen and Mike Mansfield Center at the University of Montana. These activities will honor Mike Mansfield and promote expanded communication and understanding among the people of the Pacific Rim nations; and

WHEREAS, once established, the centers will generate important economic and cultural activity in Montana; and

WHEREAS, the centers will add to the economic development of Montana by direct employment, by attraction of visitors, and through establishment of expanded trade opportunities.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislature of the State of Montana express its support for the establishment of the Maureen and Mike Mansfield Foundation and the Mansfield Center for Pacific Affairs and the Maureen and Mike Mansfield Center at the University of Montana and pledge its efforts to help these programs become a reality.

SENATE JOINT RESOLUTION NO. 5

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA TO AMEND JOINT RULES 6-1, 6-7, AND 6-34, RELATING TO CHANGES IN ADMINISTRATIVE RULES, TO MAKE THE JOINT RULES COMPATIBLE WITH STATUTORY AMENDMENTS MADE BY HOUSE BILL NO. 67.

WHEREAS, section 2-4-412, MCA, authorizing the Legislature to repeal or direct the amendment or adoption of administrative rules by joint resolution, is amended by the provisions of House Bill No. 67 to make the law

HeinOnline -- 1983 vol. III 1871 1983

consistent with the decision of the court in the case of The Montana Taxpayers' Association v. The Department of Revenue, Lewis and Clark County Civil No. 47126, which held that the Legislature could not constitutionally make changes to administrative rules by joint resolution; and

WHEREAS, the joint rules of the Senate and House of Representatives refer only to joint resolutions concerning changes to administrative rules; and

WHEREAS, the joint rules should be made compatible with the statutory changes made to section 2-4-412, MCA, by House Bill No. 67.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That Joint Rules 6-1, 6-7, and 6-34 be amended to read:

"6-1. The only types of instruments other than bills which may be introduced in either house of the legislature are as follows:

(1) A simple resolution is a formalized motion passed by one house only and bears the heading "House Resolution" or "Senate Resolution". It may be used only to adopt or amend the rules of one house or to provide for the internal affairs of the house adopting it. It does not require three readings or a roll call vote. A member offering a simple resolution may read it in his place before introduction. When a simple resolution has been introduced, it shall be referred to a committee. Final action shall be taken on the Committee of the Whole report. The transmittal of copies of simple resolutions is the responsibility of the chief clerk or secretary of the house of origin.

A copy of every simple resolution is to be transmitted after adoption to the secretary of state by the secretary of the Senate or chief clerk of the House.

(2) A joint resolution must be adopted by both houses and is not approved by the governor. It may be used to:

(a) express desire, opinion, sympathy, or request of the legislature;

(b) request an interim study by a legislative subcommittee;

(c) adopt or amend the joint rules;

(d) set salaries and other terms of employment for Legislative employees;

(e) approve construction of a state building under section 18-2-102 or 20-25-302, MCA;

(f) deal with disasters and emergencies under Title 10, specifically as provided in sections 10-3-302(3), 10-3-303(3), 10-3-303(4), and 10-3-505(5), MCA;

(g) submit a negotiated settlement under section 39-31-305(3), MCA;

(h) declare or terminate an energy emergency under section 90-4-310, MCA;

HeinOnline -- 1983 vol. III 1872 1983

(i) ratify or propose amendments to the United States Constitution; or

(j) *advise or request the* repeal, *amendment,* or adoption of a rule in the Administrative *Rules of Montana.*

Except as otherwise provided in these rules or the Constitution of the State of Montana, a joint resolution is treated in all respects as a bill.

A copy of every joint resolution is to be transmitted after adoption to the secretary of state by the secretary of the Senate or chief clerk of the House."

"6-7. The following schedule must be followed for submission of drafting requests and introduction of bills and resolutions.

	Request Deadline 5:00 P.M.	Introduction Deadline 5:00 P.M.
	Legislative Day	
General Bills and Resolutions	10 (or 2 legislative days after delivery if delivery is after 14th day)	14
Revenue Bills	17	21
Committee Bills and Resolutions	36	40
Committee Revenue Bills	62	66
Appropriation Bills	No deadline	No deadline
Interim Study Resolutions	No deadline	No deadline
Bills repealing or directing the amendment or adoption of Administrative Rules and Joint Resolutions *advising or requesting the repeal, amendment, or adoption of* Administrative Rules	No deadline	No deadline"

"6-34. No bill, except for appropriation bills, revenue bills, and amendments considered by joint committee, need be acted upon (save for reference to a committee by the presiding officer) if transmitted from one house to the other after the 45th legislative day, but shall be held pending in the house to which it is transmitted unless two-thirds of the members present and voting determine that the bill shall be acted upon. Amendments, except to appropriation bills and revenue bills, shall likewise be deferred for consideration if transmitted after the 70th legislative day.

A revenue bill is one which would either increase or decrease tax collections.

Appropriation and revenue bills shall be transmitted from the original house on or before the 70th day unless two-thirds of the members present and voting in the receiving house determine that the bill may be transmitted after the 70th day.

HeinOnline -- 1983 vol. III 1873 1983

Interim study resolutions, *bills repealing or directing the amendment or adoption of administrative rules,* and joint resolutions *advising or requesting the repeal, amendment, or adoption of* administrative rules may be transmitted at any time during a session."

SENATE JOINT RESOLUTION NO. 6

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA TO NAME THE NEW DIVISION OF WORKERS' COMPENSATION BUILDING THE "MARGARET 'PEG' CONDON BUILDING".

WHEREAS, in 1981 the 47th Montana Legislature authorized the construction of a new building to house the Division of Workers' Compensation, which building is to be located in downtown Helena, and construction has begun on the building; and

WHEREAS, the building should be appropriately named; and

WHEREAS, Margaret "Peg" Condon, the current executive secretary for the Division of Workers' Compensation, has served the former Industrial Accident Board and its successor agency, the Division of Workers' Compensation, for over 50 years as an employee of the workers' compensation administrative agencies in Montana; and

WHEREAS, Margaret Condon has served under eight administrators of the workers' compensation administrative agencies in the State of Montana, beginning her service with the Industrial Accident Board in April of 1930; and

WHEREAS, Margaret Condon has assisted all those interested in the smooth and efficient operation of the workers' compensation system, including injured workers, agency administrators and personnel, insurance adjusters, insurance carrier representatives, employers, and the general public; and

WHEREAS, Margaret Condon is known to all who have daily contact with the workers' compensation system and is loved and respected by those individuals; and

WHEREAS, Margaret Condon has dedicated her life to the smooth and efficient operation of the workers' compensation system, and such service should be recognized by the Legislature and the people of Montana.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the new building that will house the Division of Workers' Compensation, which building is located in downtown Helena, be named the "Margaret 'Peg' Condon Building".

BE IT FURTHER RESOLVED, that the Secretary of State send copies of this resolution to the Division of Workers' Compensation and to the building contractors for the preparation of appropriate signs designating the building as the "Margaret 'Peg' Condon Building".

HeinOnline -- 1983 vol. III 1874 1983

BE IT FURTHER RESOLVED, that the Senate and the House of Representatives of the State of Montana express their appreciation to Margaret Condon for her dedicated service to the workers' compensation system and the people of Montana.

SENATE JOINT RESOLUTION NO. 7

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING ALL MONTANA VETERANS OF THE UNITED STATES ARMED FORCES TO JOIN THE MONTANA LEGISLATURE IN REQUESTING THAT THE MONTANA CONGRESSIONAL DELEGATION INTRODUCE FEDERAL LEGISLATION TO HAVE CONGRESS DESIGNATE A NEW NATIONAL VETERANS' CEMETERY TO BE LOCATED IN MONTANA AND NAMED THE "ARLINGTON WEST NATIONAL CEMETERY".

WHEREAS, in recent years it has been publicized that Arlington National Cemetery is overcrowded and that veterans of the United States Armed Forces can no longer choose to be interred in this recognized national shrine dedicated to those who have served our great nation; and

WHEREAS, consideration should be given to honoring veterans by providing them with a new national shrine and cemetery for their final resting place.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That all Montana veterans of the United States Armed Forces are urged to join with the Montana Legislature in requesting the Montana Congressional Delegation to introduce federal legislation to have the United States Congress designate a new national cemetery, to be named the "Arlington West National Cemetery", to be located in Montana upon appropriate land controlled by the federal government and selected by the proper authorities and to be used for interring veterans of the United States Armed Forces and other persons who may, under federal law, be interred in open national cemeteries in the national cemetery system.

(2) That the Secretary of State send copies of this resolution to the members of the Montana Congressional Delegation and to the Montana chapters of the Veterans of Foreign Wars and the American Legion.

SENATE JOINT RESOLUTION NO. 8

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA TO SEND DELEGATES TO THE WESTERN STATES LEGISLATIVE FORESTRY TASK FORCE.

WHEREAS, the forests of the Western States play a vital role in the economic development of these states; and

WHEREAS, there is an obvious need for developing means to protect and foster these forests to maximize yield while protecting the resource for future generations; and

HeinOnline -- 1983 vol. III 1875 1983

WHEREAS, proper forest management and use are necessary for the protection and conservation of other important resources, such as wildlife, recreation, and scenic beauty; and

WHEREAS, the subjects that require interstate cooperation include but are not limited to insect infestations, conservation, production, and marketing, all of which know no state boundaries.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Committee on Committees of the Senate and the Speaker of the House of Representatives appoint two Senators and two Representatives, one from each party, to represent Montana on the Western States Legislative Forestry Task Force, which operates as a clearinghouse for opinions from all the various interests involved in the Western States forests and which includes among its duties a report to the Legislatures of the participating states and to the state delegations in the United States Congress concerning means of protecting and fostering the forests of the participating states.

BE IT FURTHER RESOLVED, that the Chief Clerk of the House of Representatives send copies of this resolution to the presiding officers of the Legislatures of Washington, Idaho, Oregon, Wyoming, Alaska, and California and to the Executive Director of the Western States Legislative Forestry Task Force.

SENATE JOINT RESOLUTION NO. 9

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA DIRECTING THE DEPARTMENT OF ADMINISTRATION TO APPOINT A MEMBER OF THE HOMEBUILDING INDUSTRY TO THE MONTANA BUILDING CODE ADVISORY COUNCIL.

WHEREAS, the 43rd Legislature, through Senate Resolution No. 34, created the Montana Building Code Advisory Council, consisting of 11 members representing a cross section of the construction industry; and

WHEREAS, no member was listed to represent the conventional homebuilding industry on the Advisory Council; and

WHEREAS, conventionally built homes represent a very large part of the construction industry; and

WHEREAS, the building codes directly affect the conventional homebuilding industry and indirectly affect the people it serves.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

HeinOnline -- 1983 vol. III 1876 1983

That, in addition to the members currently appointed to serve on the Montana Building Code Advisory Council, the Department of Administration shall appoint a member from the conventional homebuilding industry, who shall have equal status with the other members and who shall serve at the pleasure of the Department.

SENATE JOINT RESOLUTION NO. 10

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE PRESIDENT AND THE CONGRESS OF THE UNITED STATES TO CONDUCT GOOD FAITH NEGOTIATIONS WITH THE SOVIET UNION ON THE REDUCTION OF NUCLEAR WEAPONS; TO STOP THE DEVELOPMENT, PRODUCTION, AND DEPLOYMENT OF NEW NUCLEAR WEAPONS BY THE UNITED STATES, THE SOVIET UNION, OR OTHER NATIONS OF THE WORLD; TO INCREASE FUNDING FOR HUMAN SERVICES AND JOBS PROGRAMS AS AGREED TO BY PRESIDENT REAGAN AND SPEAKER O'NEILL AND IN SO DOING TO REDUCE THE FEDERAL BUDGET DEFICIT; AND REQUIRING THE SECRETARY OF STATE TO SEND COPIES OF THIS RESOLUTION TO THE PRESIDENT OF THE UNITED STATES AND MONTANA'S UNITED STATES SENATORS AND REPRESENTATIVES.

WHEREAS, the United States is engaged in the largest peacetime military buildup in the nation's history; and

WHEREAS, this buildup amounts to many billions of dollars; and

WHEREAS, one of the greatest continuing challenges facing mankind is to prevent the outbreak of nuclear war; and

WHEREAS, there is increasing concern worldwide over the risk of nuclear war; and

WHEREAS, good faith negotiations between the United States and the Soviet Union on reduction of strategic and intermediate-range nuclear weapons are essential to the prevention of nuclear war, the proliferation of such weapons, and more productive utilization of world resources; and

WHEREAS, the recently agreed-to $4.1 billion jobs bill, a $3 billion extension of unemployment benefits, and $250 million for food and shelter for the homeless, which would initially bring jobs to over 360,000 Americans, by President Reagan and Speaker O'Neill are important steps in meeting this country's social responsibilities; and

WHEREAS, President Reagan and Speaker O'Neill have reached a bipartisan consensus on major portions of this bill with a final total agreement expected shortly; and

HeinOnline -- 1983 vol. III 1877 1983

WHEREAS, a bipartisan approach to the problem of unemployment and hunger would speed aid to those most in need; and

WHEREAS, a reduction in arms and more employment would yield a lower defense budget, stronger, more productive economy, lower budget deficit, and better economic and more healthful and safe future for all Americans.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the President and the Congress of the United States are strongly urged to conduct good faith negotiations with the Soviet Union on the reduction of nuclear weapons; to stop the development, production, and deployment of new nuclear weapons by the United States, the Soviet Union, or other nations of the world; to increase funding for human services and jobs programs as agreed to by President Reagan and Speaker O'Neill and in so doing to reduce the federal budget deficit.

BE IT FURTHER RESOLVED, that the Secretary of State send a copy of this resolution to the President of the United States and to Montana's United States Senators and Representatives.

SENATE JOINT RESOLUTION NO. 12

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA SUGGESTING THAT ANY PLAN FOR REMODELING THE STATE CAPITOL INCLUDE WORKSPACE FOR LEGISLATORS.

WHEREAS, the people of Montana desire to maintain a citizen Legislature; and

WHEREAS, the public-minded citizens who are elected to the Legislature serve at personal sacrifice to themselves and their families, often at financial loss to their private enterprises; and

WHEREAS, the hectic and traumatic pace of a legislative session is stressful and physically demanding on all Legislators; and

WHEREAS, Legislators must put in long hours of investigation, research, and study in order to deal with the voluminous material with which they are faced each session.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That any plan adopted for the remodeling of the State Capitol include the reservation of workspace for Legislators where Legislators have access to a desk, a phone, and filing space.

HeinOnline -- 1983 vol. III 1878 1983

SENATE JOINT RESOLUTION NO. 14

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA CONSENTING TO THE BOARD OF REGENTS AUTHORIZING THE UNIVERSITY OF MONTANA TO RENOVATE THE CURRENT DORNBLASER STADIUM OR CONSTRUCT A NEW STADIUM COMPLEX.

WHEREAS, the University of Montana stadium is inadequate and potentially unsafe; and

WHEREAS, the University of Montana participates in the Big Sky Athletic Conference and Division 1-AA of the National Collegiate Athletic Association but has a stadium facility that is far below standard for this participation; and

WHEREAS, a special study committee of students, faculty, staff, and community representatives is developing a plan for improvement of the stadium; and

WHEREAS, the funding for renovation of the current stadium or construction of a new stadium will be from private gifts and from sources other than Student building fees, Regent building fees, or state-appropriated money, and no State Long-Range Building Program funds will be sought; and

WHEREAS, the project cost will reflect the option of renovation or construction finally approved, but is estimated not to exceed an amount of $4.5 million; and

WHEREAS, this project may need to begin during the coming biennium; and

WHEREAS, the Board of Regents has approved this project in principle, subject to a review of the project proposal and final authorization by the Board.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislature consents to the Board of Regents' authorization to the University of Montana to renovate Dornblaser Stadium or construct a new stadium complex at the University of Montana.

SENATE JOINT RESOLUTION NO. 15

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA COMMENDING CITIZENS, LAW ENFORCEMENT OFFICIALS, AND THE MEDIA IN MONTANA FOR THEIR SUPPORT OF CRIMESTOPPERS, A VOLUNTARY EFFORT TO PREVENT CRIME AND MAKE MONTANA COMMUNITIES SAFER.

WHEREAS, Crimestoppers is an anticrime program that began in Albuquerque, New Mexico, in 1968; and

WHEREAS, there are 350 Crimestoppers programs operating nationwide, with 26 programs in Montana that provide protection to almost 80% of the State's population; and

HeinOnline -- 1983 vol. III 1879 1983

WHEREAS, the rewards offered by Crimestoppers, which vary from $50 to $1,000, are raised entirely by private donations; and

WHEREAS, the arrest and conviction rate in crimes reported to Crimestoppers is very high and often results in hundreds of thousands of dollars of recovered stolen merchandise; and

WHEREAS, the Crimestoppers program provides Montana citizens with significant tax savings and more efficient law enforcement.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislature commends all Montana citizens, including law enforcement officials and the radio, television, and newspaper media, for their generous and unselfish work to promote, encourage, and sustain the Montana Crimestoppers program in communities throughout the State.

BE IT FURTHER RESOLVED, that the Secretary of State send copies of this resolution to each Montana Crimestoppers organization in the State and to the Montana Crimestoppers/Crime Prevention Association, the Montana Board of Crime Control, the County Sheriffs' and Peace Officers' Association, the County Attorneys' Association, and the Montana Chiefs of Police Association.

SENATE JOINT RESOLUTION NO. 17

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE BONNEVILLE POWER ADMINISTRATION TO ADOPT A RATE STRUCTURE THAT WILL PROVIDE LOWER RATES FOR ITS DIRECT-SERVICE INDUSTRIAL CUSTOMERS.

WHEREAS, the Bonneville Power Administration is a federal power marketing agency that sells electric power to federal agencies, public- and investor-owned utilities, and certain direct-service industrial customers; and

WHEREAS, at a time when the Bonneville Power Administration had excess electric power to sell, it induced many direct-service industrial customers to construct and operate plants in the Pacific Northwest in order that the use of electric power by such plants might subsidize the rates that residents would otherwise have had to pay; and

WHEREAS, these plants and the jobs they create have become an important element in the economic well-being of the Pacific Northwest in general, and in some cases, whole communities are dependent on such plants and jobs; and

WHEREAS, in its recent rate structures, the Bonneville Power Administration has ignored the historic benefit it has derived from its direct-service industrial customers, as well as their importance to the economy of the Pacific Northwest.

HeinOnline -- 1983 vol. III 1880 1983

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the Bonneville Power Administration is strongly urged to adopt a rate structure utilizing current surplus electricity for its direct-service industrial customers that will provide lower rates for electric power for the design life of their plant facilities, in recognition of the fact that such plants were built as part of a long-range commitment by such customers to the Bonneville Power Administration and to the citizens of the Pacific Northwest and in recognition of the fact that the continued operation of such plants is important to the economy of the Pacific Northwest.

(2) That the Secretary of State is directed to send a copy of this resolution to the following:

(a) the Bonneville Power Administration;

(b) the Federal Energy Regulatory Commission;

(c) the Montana delegation to the Congress of the United States;

(d) the Pacific Northwest Electric Power and Conservation Planning Council; and

(e) the Aluminum Workers International Union.

SENATE JOINT RESOLUTION NO. 18

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA PROTESTING PROPOSED CHARGES BY FEDERAL AGENCIES TO RURAL ELECTRIC AND TELEPHONE COOPERATIVES FOR RIGHT-OF-WAY USE AND PERMITS.

WHEREAS, through their agreements with the federal government and most specifically with the Rural Electrification Administration, the electric and telephone cooperatives of Montana are required to provide area coverage at the lowest possible cost and without profit, even to isolated and minimum revenue customers; and

WHEREAS, to provide such service it is necessary that the lines of such cooperatives cross United States Forest Service, Bureau of Land Management, and other government-owned lands; and

WHEREAS, the United States Forest Service, the Bureau of Land Management, and other federal agencies have granted permits to these cooperatives to cross their lands at no charge to the cooperatives; and

WHEREAS, it has now been proposed that these federal agencies impose initial and annual charges for such right-of-way use and permits, which would result in increased cost for basic electric and telephone service to the rural population of Montana; and

WHEREAS, payments to the federal government for such permits would constitute discrimination against the members of the cooperatives because

HeinOnline -- 1983 vol. III 1881 1983

the bylaws of the cooperative require members to grant right-of-way easements at no charge.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That this Legislature strongly protests proposals for the United States Forest Service and the Bureau of Land Management to charge rural electric and telephone cooperatives for right-of-way use and permits and strongly urges that such proposals be rescinded.

BE IT FURTHER RESOLVED, that copies of this resolution be sent by the Secretary of State to the United States Forest Service, the Bureau of Land Management, and the Montana Congressional Delegation.

SENATE JOINT RESOLUTION NO. 21

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA RECOGNIZING MONTANA'S STATEHOOD CENTENNIAL IN 1989; URGING THE GOVERNOR TO BEGIN PLANNING AND COORDINATION; AND REQUESTING THE GOVERNOR TO MAKE RECOMMENDATIONS TO THE 49TH LEGISLATURE ON THE ADMINISTRATION OF CENTENNIAL ACTIVITIES.

WHEREAS, the great State of Montana will celebrate the 100th anniversary of her admission to statehood on November 8, 1989, and such an occasion merits a commemoration befitting the grandeur of her plains, the majesty of her mountains, and the heartiness of her people; and

WHEREAS, the rare event of statehood centennial offers unparalleled opportunities for educational, cultural, recreational, and promotional activities for residents of the State and its visitors; and

WHEREAS, many Montana communities and associations are celebrating their 100th birthdays in the years surrounding the statehood centennial year; and

WHEREAS, several other states in the region are planning for their statehood centennials in 1989 and 1990, and at least two neighboring Canadian provinces will serve as hosts to events of international significance during the decade of the eighties; and

WHEREAS, some citizens and selected state agencies have suggested that planning should capitalize on any complementary activities that may precede or follow Montana's statehood centennial year of 1989; and

WHEREAS, a centennial naturally invites reflections on the past and can be used to focus public attention on not only a future of choices, but a choice of futures; and

WHEREAS, appropriate actions in conjunction with a multiyear centennial celebration will require early planning, extensive citizen participation,

HeinOnline -- 1983 vol. III 1882 1983

and the investment of substantial energy and financial support from a variety of sources.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Governor, using available resources and resourcefulness, is urged to pursue regional and interagency coordination and to involve citizens who are willing to assist on a volunteer basis in identifying possible opportunities and options relating to centennial planning.

BE IT FURTHER RESOLVED, that the Governor is requested to make recommendations resulting from the above activities to the 49th Legislature to initiate and guide formal centennial activities.

SENATE JOINT RESOLUTION NO. 22

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THE FEDERAL GOVERNMENT AND THE MONTANA DEPARTMENT OF HIGHWAYS TO COOPERATE WITH THE LOCAL GOVERNMENT OF STILLWATER COUNTY IN PROVIDING FUNDING TO REPAIR DAMAGES TO MONTANA SECONDARY HIGHWAY NO. 419 CAUSED BY TRANSPORTATION OF CHROMIUM FOR THE STRATEGIC MINERAL STOCKPILE PROGRAM OF THE UNITED STATES GOVERNMENT.

WHEREAS, during the 1950s and early 1960s, the federal government stockpiled chromium at the mines above Nye, Montana, as part of the federal program to stockpile strategic minerals; and

WHEREAS, the stockpiled chromium was sold to a private company, and between 1977 and 1982, was subsequently transported to the railhead at Columbus, Montana, for further shipment; and

WHEREAS, the chromium was transported over the 26 miles of Montana Secondary Highway No. 419 and, in the process, the road was left severely damaged and is generally unsafe for the several hundred permanent residents that depend upon the road for daily use; and

WHEREAS, it would be unfair to expect local taxpayers to assume the entire financial responsibility for repairing a road that was damaged due to a federal program for the entire nation's security; and

WHEREAS, neither the State of Montana nor the United States Government has expressed a willingness to work with the local government of Stillwater County to resolve the funding problems related to the damaged road.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislature urges both the Montana Department of Highways and the United States Government to cooperate with local government

HeinOnline -- 1983 vol. III 1883 1983

officials in Stillwater County in reaching an equitable means of financing the needed repairs to Montana Secondary Highway No. 419.

BE IT FURTHER RESOLVED, that the Secretary of State send copies of this resolution to the Director of the Montana Department of Highways; to President Reagan; to Elizabeth Dole, United States Secretary of Transportation; and to the Montana congressional delegation.

SENATE JOINT RESOLUTION NO. 23

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY OF TAX CREDITS, TAX DEDUCTIONS, TAX EXCLUSIONS, AND TAX EXEMPTIONS; AND REQUIRING A REPORT OF THE FINDINGS OF THE STUDY TO THE 49TH LEGISLATURE.

WHEREAS, the Legislature attempts to encourage various activities and conduct by providing tax credits to persons or entities who engage in the encouraged activities or conduct; and

WHEREAS, the Legislature allows tax deductions, tax exclusions, and tax exemptions in an attempt to further the public policy of the State of Montana; and

WHEREAS, the effect on the State of the various tax credits, tax deductions, tax exclusions, and tax exemptions is significant; in the case of the investment tax credit, the cost is $10 million per year; and

WHEREAS, there is no review of the effect of the tax credits, tax deductions, tax exclusions, and tax exemptions to determine if they actually promote the public policy or encourage the activities and conduct they are intended to encourage; and

WHEREAS, many of the tax laws of the State of Montana are tied directly to the federal tax laws and a change in the federal tax laws automatically changes Montana's tax laws; and

WHEREAS, there is no review to identify the class of taxpayers that benefits from each tax credit, tax deduction, tax exclusion, and tax exemption.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Revenue Oversight Committee is requested to:

(1) identify each tax credit, tax deduction, tax exclusion, and tax exemption, their cost to the State, and their benefit to the State;

(2) identify the underlying legislative purpose of each tax credit, tax deduction, tax exclusion, and tax exemption;

(3) study the effectiveness of each tax credit, tax deduction, tax exclusion, and tax exemption in achieving its underlying legislative purpose; and

HeinOnline -- 1983 vol. III 1884 1983

(4) identify the class of taxpayers who benefit from each tax credit, tax deduction, tax exclusion, and tax exemption.

BE IT FURTHER RESOLVED, that the Committee report the findings of the study to the 49th Legislature and, if necessary, draft legislation to implement its recommendations.

SENATE JOINT RESOLUTION NO. 24

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THE MONTANA SUPREME COURT, IN COOPERATION WITH THE STATE BAR OF MONTANA AND WITH STAFF ASSISTANCE OF THE LEGISLATIVE COUNCIL, TO STUDY AND PREPARE RECOMMENDATIONS FOR THE 49TH LEGISLATURE ON UPDATING AND CLARIFYING THE LAWS ON VENUE AND STATUTES OF LIMITATION.

WHEREAS, the statutory provisions on venue and statutes of limitation were enacted long ago and through the process of court interpretation and changing methods of practice no longer reflect on their face the present state of the law; and

WHEREAS, the present application of law relating to venue and statutes of limitation have evolved to the point that their present use is logical, useful, and consistent, but their statutory basis does not accurately reflect such usage; and

WHEREAS, because rules of venue and statutes of limitation are not clearly reflected in the statutes, they have been the cause of needless litigation requiring the Montana Supreme Court to constantly reiterate their present usage; and

WHEREAS, provisions relating to statutes of limitation have proven to be particularly archaic because different legal courses of action available today were not contemplated when the statutes were written, thus leading to interpretations that, while consistent over the years, are not apparent from a reading of the applicable statute;

WHEREAS, the Supreme Court Commission on the Rules of Evidence is a body having in its membership many persons with expertise in trial practice who are informed, both academically and practically, with respect to statutory provisions and court decisions on venue and statutes of limitation, and the Commission would be of invaluable service in studying statutory provisions and preparing a recommendation to conform them to present practice and interpretation; and

WHEREAS, the State Bar of Montana has a committee to study the law on statutes of limitation and the expertise of the committee could be of service to the Supreme Court in studying and formulating recommendations on statutes of limitation.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

HeinOnline -- 1983 vol. III 1885 1983

That in order to have the statutory provisions on venue and statutes of limitation in the Montana Code Annotated accurately reflect the current usage and interpretations of those laws, it is requested that the Montana Supreme Court:

(1) supervise a study of the provisions in the Montana Code Annotated on venue and statutes of limitation to be conducted by the Montana Supreme Court Commission on the Rules of Evidence, in cooperation with the appropriate committee of the State Bar of Montana, and staffed by staff attorneys of the Legislative Council; and

(2) cause draft legislation to be prepared for consideration by the 49th Legislature based upon such study.

BE IT FURTHER RESOLVED, that the Secretary of the Senate send a copy of this resolution to the Chief Justice of the Montana Supreme Court.

SENATE JOINT RESOLUTION NO. 25

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY OF THE CREATION OF A UNIFIED COURT SYSTEM AND THE FINANCING OF SUCH A SYSTEM; REQUIRING A REPORT OF THE FINDINGS OF THE STUDY TO THE 49TH LEGISLATURE.

WHEREAS, Article VII, section 1, of the Montana Constitution vests judicial power of the State in the court system of the State; and

WHEREAS, Title 3 of the Montana Code Annotated prescribes the court system of the State of Montana; and

WHEREAS, neither the Montana Constitution nor state statutes establish a central administrative office for the court system of the State; and

WHEREAS, the lack of a central administrative office for the state court system results in a lack of formal coordination among the various district courts in such matters as the substitution of one judge for another who has been disqualified from acting; and

WHEREAS, differing standards of employment and compensation for court employees exist among the various district courts, leading to inequities between the work of the district courts; and

WHEREAS, it is recognized that the district courts act as an arm of the state government in the adjudication of civil and criminal cases; and

WHEREAS, approximately 85% of the costs of the operation of the state district court system is financed through the payment of local property taxes, notwithstanding the state nature of the work of those courts; and

WHEREAS, financing of the court system by local property taxes creates a disproportionate per capita tax burden for judicial services in the

HeinOnline -- 1983 vol. III 1886 1983

various counties of the State and may result in differing levels of judicial services in those counties; and

WHEREAS, the judicial system would benefit from unified budgeting in that such budgeting would eliminate the inequities of financing the system by local property taxes, offer a more uniform level of judicial services to the residents of each county, and relieve judges of the duties of fiscal management; and

WHEREAS, a unified court system would facilitate administrative coordination of personnel management, case scheduling, supply procurement, and the gathering and correlation of statistical information; and

WHEREAS, the United States Constitution guarantees all citizens the equal protection of the laws without reference to county residence; and

WHEREAS, 22 states now either totally or substantially finance trial court operations, and extensive material and experience exist in those states from which Montana could well benefit.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That an appropriate interim committee be assigned to study:

(1) the creation of a unified court system under an appropriate judicial office, such as the Montana Supreme Court, to centralize, administer, and coordinate the functions of the district courts and such other courts as the committee considers necessary or advisable;

(2) the powers, duties, and responsibilities of such a unified court system, including the powers, duties, and responsibilities of such existing entities as the Montana Supreme Court, the Montana Supreme Court Law Library, the Office of the Supreme Court Administrator, and the clerks of the various district courts; and

(3) the alternative methods of financing a state unified court system.

BE IT FURTHER RESOLVED, that the committee report the findings of the study to the 49th Legislature and, if necessary, draft legislation to implement its recommendations.

HOUSE JOINT RESOLUTION NO. 2

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THAT THE COAL TAX OVERSIGHT SUBCOMMITTEE EXAMINE THE IMPACTS ON STATE AND LOCAL GOVERNMENT SERVICES IN MONTANA AND NORTH DAKOTA OF THE PROPOSED TENNECO COAL GASIFICATION PLANT AT WIBAUX AND METHODS FOR COOPERATING WITH NORTH DAKOTA TO MITIGATE SUCH IMPACTS.

WHEREAS, it appears that a coal gasification plant may be constructed near Wibaux, Montana, in the near future; and

WHEREAS, construction and operation of such a coal gasification plant would create substantial impacts on state and local government services in both Montana and North Dakota; and

HeinOnline -- 1983 vol. III 1887 1983

WHEREAS, the North Dakota Legislature has established a committee to study the impacts on North Dakota of the Tenneco plant; and

WHEREAS, the North Dakota committee would like to cooperate with Montana in mitigating the impacts of the Tenneco plant upon the provision of state and local government services.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the Coal Tax Oversight Subcommittee examine the probable impacts of the Tenneco plant on state and local government services in Montana.

(2) That the Subcommittee cooperate with the committee established by the North Dakota Legislature to examine the probable impacts of the Tenneco project upon state and local government services in North Dakota.

(3) That the Subcommittee examine means by which impact mitigation on both sides of the border can be coordinated.

(4) That the Subcommittee submit its findings and recommendations to the 49th Legislature.

HOUSE JOINT RESOLUTION NO. 4

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY OF OPTIONS AND ALTERNATIVES FOR INVESTING STATE RETIREMENT FUNDS, COAL TAX TRUST FUNDS, AND OTHER CASH FUNDS; REQUIRING A REPORT OF THE STUDY FINDINGS TO THE 49TH LEGISLATURE.

WHEREAS, inflation distorts the measurement of real yields on investments; and

WHEREAS, inflation increases future commitments of state retirement funds; and

WHEREAS, inflation may result in an inability of retirement funds to fund benefits for public employees, creating pressure on the general fund; and

WHEREAS, the permanent coal tax trust fund created by Article IX, section 5, of the Montana Constitution should be maintained in true purchasing power for future Montanans; and

WHEREAS, the Montana Board of Investments manages substantial public assets benefiting public employees, the general fund, and future Montanans.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

HeinOnline -- 1983 vol. III 1888 1983

(1) That an appropriate interim committee be assigned to study options and alternatives for investing state retirement funds, coal tax trust funds, and other cash funds.

(2) That the committee compare the costs of maintaining the Board of Investments to other states' investment systems and to private sector management of trusts and similar investment pools.

(3) That the committee examine the list of permissible investments in 17-6-211 and make recommendations for expanding or amending those permitted.

(4) That the committee examine the management of Montana's investment pool and consider the effects of inflation on the pool.

(5) That the committee study the flow of funds within the several retirement systems, giving special consideration to the effects of inflation on the funds, on retirement tax rates, and on benefits.

(6) That the committee closely examine the assumptions made in actuarial studies of state retirement funds, including a review of the studies by independent professional actuaries.

(7) That the committee report its findings and recommendations to the 49th Legislature and, if necessary, draft legislation to implement the recommendations.

HOUSE JOINT RESOLUTION NO. 6

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA ENCOURAGING THE SUPERINTENDENT OF PUBLIC INSTRUCTION AND THE COMMISSIONER OF HIGHER EDUCATION TO DEVELOP AND EXPAND ECONOMICS PROGRAMS AND TO ENCOURAGE THE OFFERING OF MORE ECONOMICS COURSES IN MONTANA'S HIGH SCHOOLS, COLLEGES, AND UNIVERSITIES.

WHEREAS, it is important for all Montanans to understand the free enterprise system; and

WHEREAS, an understanding of the free enterprise system will lead to an understanding of the importance of jobs in the economy; and

WHEREAS, a healthy economy is important to the people of Montana; and

WHEREAS, university officials have indicated that freshmen entering Montana's colleges and universities have a lack of understanding in basic economics.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

HeinOnline -- 1983 vol. III 1889 1983

That the Superintendent of Public Instruction and the Commissioner of Higher Education are encouraged to develop and expand economics programs and to encourage the offering of more economics courses in Montana's high schools, colleges, and universities.

HOUSE JOINT RESOLUTION NO. 9

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA CONSENTING TO THE CONSTRUCTION OF A SWIM CENTER AT WESTERN MONTANA COLLEGE.

BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That, under the provisions of sections 20-25-302 and 18-2-102, MCA, and subject to the availability of funds other than the appropriated funds from regular state revenues for state operations, the Legislature consents to the capital construction program at Western Montana College, Dillon, Montana, consisting of the acquisition, construction, and equipping of a swim center estimated to cost $1,436,000. The Legislature further consents to the financing of this project by the Board of Regents of Higher Education by pledging gifts, grants, and fees and issuing bonds under 20-25-402, to be paid back by revenues from state lands pursuant to 20-25-255(2). Should the total funds become available, the funding resources will be presented to the interim Finance Committee prior to the letting of any bids for the project.

HOUSE JOINT RESOLUTION NO. 11

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REAFFIRMING THE STATE'S COMMITMENT TO ECONOMIC DEVELOPMENT CONSISTENT WITH RESPONSIBLE STEWARDSHIP AND ACKNOWLEDGING THE RESPONSIBILITY OF BUSINESS ENTERPRISES AND LABOR AND INDIVIDUALS TO REDUCE THE IMPACT OF CESSATION OR SUSPENSION OF INDUSTRIAL ACTIVITY.

WHEREAS, in Montana's past there was a failure to address the long-term ramifications of natural resource extractive and processing industries in a manner which would have protected future generations from the adverse effects of "boom and bust" economic cycles; and

WHEREAS, the State of Montana is committed to economic development consistent with responsible stewardship; and

WHEREAS, the commitment to economic development is exhibited in many forms, including tax laws, business attraction efforts, and laws and initiatives enacted by the legislature and voters of the state; and

HeinOnline -- 1983 vol. III 1890 1983

WHEREAS, in addition to and as a complement to the commitment to economic development, the State of Montana expects that business enterprises and labor doing business in Montana will recognize that the elements of modern society are bound together in an interdependent system in which the prosperity of the business enterprises and labor are complemented by the employees who contribute the human factors in the formula for success, and that both employer and worker, in association with other residents, form the community that shares and participates in the corporation's growth and that assumes an identity reflective of the corporation; and

WHEREAS, cessation or suspension of operations by a business enterprise which has been central to a community's economic activity can cause severe and often irreparable damage by interrupting all economic, social, and governmental activities; and

WHEREAS, the earnings for a lifetime of conscientious and diligent effort by employees who have devoted their working careers to the service of a business enterprise are only partial compensation for their perseverance in tasks that may be onerous and hazardous.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the State of Montana and its elected officials acknowledge a responsibility to make continuing efforts to promote economic development, to provide jobs for Montanans, and to maintain a climate in Montana receptive to the healthy conduct of business, consistent with responsible stewardship of resources and service to its citizens.

BE IT FURTHER RESOLVED, that a business enterprise that has enjoyed general financial good health conducting business in Montana should not disregard its responsibility for equitable treatment of employees who have committed their lives to the business enterprise, nor should it disregard its responsibility for equitable treatment to the community in which it has operated.

BE IT FURTHER RESOLVED, that cessation or suspension of operations by a business enterprise offers the business enterprise an opportunity to acknowledge the broadened concept of socioeconomic responsibility of modern business.

BE IT FURTHER RESOLVED, that the State of Montana expects each of its citizens, whether individual or corporate, to accept and exemplify the responsibility to reduce the negative impact of cessation or suspension of business activity.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to the Governor of the State of Montana, the President of the Atlantic Richfield Company, the President of the Anaconda Company, and the board of directors of the Atlantic Richfield Company.

HeinOnline -- 1983 vol. III 1891 1983

HOUSE JOINT RESOLUTION NO. 12

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA OPPOSING THE FEDERAL ADMINISTRATION'S PLAN TO SELL PUBLIC LANDS.

WHEREAS, the Public Land Law Review Commission, in its 1964 public land study ordered by Congress, concluded that most public lands would not best serve the public interest if they were in private ownership; and

WHEREAS, the Federal Land Policy and Management Act of 1976 and the National Forest Management Act of 1976 state that public lands will be retained in federal ownership; and

WHEREAS, the United States Secretary of Agriculture intends to propose legislation to the 98th Congress to expand his authority to sell National Forest System land; and

WHEREAS, the federal lands are a great national treasure and an important part of our heritage; and

WHEREAS, federal lands managed under multiple use represent a vast storehouse of publicly owned resources, such as fossil fuels, nonenergy minerals, rangeland, forests, wilderness, water, wildlife habitat, wildlife, fish, and many other valuable amenities and commodities; and

WHEREAS, these federal lands provide millions of hunters, fishermen, campers, picnickers, backpackers, snowmobilers, boaters, and recreational vehicle users a place to pursue recreational activities without encountering "no trespassing" signs; and

WHEREAS, retention of federal lands in federal ownership will promote access to the public lands and water for the maximum number of people for recreational and economic purposes; and

WHEREAS, federal lands are now available for use and enjoyment by all United States citizens; and

WHEREAS, public ownership of federal lands will ensure continued multiple-use management and public access to these lands; and

WHEREAS, since the sale of public lands could be made to the highest bidder, the result could be the elimination of the small rancher, timber operator, and other small commercial enterprises.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That public lands be retained in federal ownership except as provided in existing land-use planning statutes.

(2) That the 48th Legislature opposes legislation that the Federal Administration intends to propose which would permit the sale of National

HeinOnline -- 1983 vol. III 1892 1983

Forest System lands, excepting the sale of unmanageable, isolated parcels of land and financially burdensome, outdated, nonessential facilities.

(3) That the Secretary of State send copies of this resolution to the President of the United States and to each member of the United States Congress.

(4) That the Secretary of State send copies of this resolution to the presiding officers of the Legislatures of the states of Idaho, Wyoming, North Dakota, South Dakota, Washington, Oregon, Utah, Colorado, Nevada, New Mexico, and California.

HOUSE JOINT RESOLUTION NO. 14

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE UNITED STATES CONGRESS TO ENACT LEGISLATION THAT PROVIDES FOR ANNUAL BUDGET REVIEW OF THE BONNEVILLE POWER ADMINISTRATION BY THE PACIFIC NORTHWEST ELECTRIC POWER AND CONSERVATION PLANNING COUNCIL.

WHEREAS, the Bonneville Power Administration is a federal power marketing agency with substantial influence in the Pacific Northwest and particularly in the State of Montana; and

WHEREAS, Congress has heretofore granted the Bonneville Power Administration considerable freedom from the strictness of the authorization and budget processes; and

WHEREAS, there is a lack of sufficient independent information available about the Bonneville Power Administration's allocation of the funds it collects from the ratepayers of Montana, Idaho, Oregon, and Washington; and

WHEREAS, the Bonneville Power Administration must be more responsible to the citizens and state and local governments in the Pacific Northwest region.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Congress of the United States is most earnestly requested to enact S.623, the bill introduced by Montana Senator Max Baucus creating the Bonneville Power Administration Regional Accountability Act of 1983, amending 16 U.S.C. 832, et seq., which provides for annual budget review by the Pacific Northwest Electric Power and Conservation Planning Council; and

BE IT FURTHER RESOLVED, that the Secretary of State send copies of this resolution to the President of the United States, Governor Ted Schwinden, and to each member of the Congress of the United States.

HeinOnline -- 1983 vol. III 1893 1983

HOUSE JOINT RESOLUTION NO. 15

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA RECOGNIZING THE IMPORTANCE OF A VIABLE SUGAR INDUSTRY IN THE STATE OF MONTANA; ENCOURAGING GREAT WESTERN SUGAR COMPANY AND THE SUGAR BEET GROWERS TO RESUME BARGAINING AND REACH AN ACCEPTABLE RESOLUTION OF THEIR DIFFERENCES FOR THE BENEFIT OF ALL PARTIES, INCLUDING THE PEOPLE OF THE STATE OF MONTANA; AND REQUESTING THAT THE MONTANA DEPARTMENT OF AGRICULTURE COORDINATE THE EFFORTS OF THE STATE IN PRESERVING MONTANA'S SUGAR INDUSTRY.

WHEREAS, Montana's sugar industry is extremely important to the economic welfare of the State of Montana and its people, contributing over $46 million to the agricultural economy of the state in 1981; and

WHEREAS, sugar processing in the Billings area employs an average of 235 people a month with a payroll of $3.5 million a year; and

WHEREAS, there are 326 farms containing 29,170 acres and producing over 590,000 tons of sugar beets annually in south-central Montana, with a total production value of $23,280,500 in 1981; and

WHEREAS, the Great Western Sugar Company and Sugro (the bargaining association of the growers) are currently engaged in a difficult period of negotiations for a new contract; and

WHEREAS, the Honorable Ted Schwinden, Governor of the State of Montana, has expressed his deepest concern over the possible loss of the sugar industry in the State of Montana and the far-reaching impacts that this loss would have on the economy and people of the State of Montana.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the sugar beet growers of the State of Montana and Great Western Sugar Company are encouraged to resume negotiations and reach an acceptable resolution of their differences for the benefit of all parties, including the people of the State of Montana.

BE IT FURTHER RESOLVED, that the Montana Department of Agriculture coordinate the efforts of the Montana Legislature and other governmental agencies to preserve a viable sugar industry in Montana.

HOUSE JOINT RESOLUTION NO. 17

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA CONCERNING THE CLASSIFICATION, PAY, AND OTHER CONDITIONS OF EMPLOYMENT OF LEGISLATIVE EMPLOYEES.

WHEREAS, it is necessary to establish a pay plan for legislative employees that compensates those employees on a basis similar to other state employees; and

HeinOnline -- 1983 vol. III 1894 1983

WHEREAS, it is necessary that legislative employees know of their conditions of employment and that such conditions be uniform for the House and Senate.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the following legislative employee positions are classified in the grades indicated and are entitled to be paid accordingly. The grades are those set forth in Executive Order No. 7-81, pay schedule for fiscal year 1983, found in the compiler's comment to section 2-18-312, MCA.

Grade 20
Chief Clerk of the House
Secretary of the Senate

Grade 16
Sergeant-at-arms

Grade 14
Chaplain

Grade 13
Assistant Chief Clerk of the House
Assistant Secretary of the Senate
Aide to the Senate Minority
Aide to the Senate President

Grade 11
Legislative Assistant
Chief Stenographer
Bills Clerk
Journal Clerk
Senate Business Manager
Assistant Sergeant-at-arms
Assistant Senate Business Manager
Secretary to the following:
President, Speaker, Secretary of the Senate, Chief Clerk, Majority Leader, and Minority Leader

Grade 10
Bills Coordinator
Assistant Chief Stenographer
Assistant Journal Clerk
Assistant Bills Clerk
Committee Secretary
Bills Distributor
Amendments Coordinator

Grade 9
Assistant Bills Coordinator
Assistant Bills Distributor
Assistant Amendments Coordinator

Grade 8
Stenographer

HeinOnline -- 1983 vol. III 1895 1983

Grade 7
Status Input Technician
Reading Clerk
Supply Clerk
Posting Clerk
Typist

Grade 6
Proofreader
Clerk-typist
Steno Aide

Grade 5
Parking Attendant
Doorman
Security Guard
Page Supervisor

Grade 1
Permanent Page

$3.50 an hour
Page

(2) That positions classified at Grade 16 and above are considered professional or "exempt" positions and are not subject to overtime pay. Employees in such positions must receive the salary as shown in the salary schedule, regardless of the number of hours worked.

(3) That positions classified below Grade 16 are subject to overtime pay and recorded hours of work. Hours over 40 a week worked by an employee so classified will be compensated for at the rate of 1 ½ times the employee's regular hourly wage.

(4) That an employee with no previous legislative experience must be classified at Step 2 of the appropriate grade; however, no employee may be paid less than the federal minimum wage. For each year of legislative experience, an employee must be advanced one step to determine the applicable step within the grade.

(5) That no additional benefits, such as sick leave, vacation leave, holiday pay or time off, health insurance, or longevity allowances accrue to legislative employees. In lieu of such benefits available to other state employees, legislative employees are paid an additional 14 cents an hour.

(6) That employees in grades 1 through 13 will be paid at their regular hourly rate for 8 hours for one day off during the legislative break after the transmittal deadline.

(7) That section 2-18-617(3), MCA, relating to assumption of liability for accrued vacation credits, does not apply to the Legislature.

(8) That a Chaplain be paid for 2 hours for each legislative day served.

(9) That Public Employees Retirement System benefits are available at the option of the employee if the employee pays both the employee and employer contribution.

HeinOnline -- 1983 vol. III 1896 1983

HOUSE JOINT RESOLUTION NO. 18

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THAT A COMMITTEE OF LEGISLATORS BE ASSIGNED TO REVIEW THE FINAL POWER PLAN DEVELOPED BY THE PACIFIC NORTHWEST ELECTRIC POWER AND CONSERVATION PLANNING COUNCIL AND TO MAKE APPROPRIATE RECOMMENDATIONS.

WHEREAS, the development and implementation of a comprehensive electric power program is vital to Montana; and

WHEREAS, the availability and cost of electricity will shape both the future economic and environmental lifestyles of the people of Montana; and

WHEREAS, the Pacific Northwest Electric Power and Conservation Planning Council, referred to herein as the "Council", is required by P.L. 96-501 to develop a 20-year electric power plan for the Pacific Northwest, including that portion of Montana west of the Continental Divide; and

WHEREAS, Montana's appointees to the Council have played an active and significant role in the development of the 20-year power plan; and

WHEREAS, the Council has adopted the goal of planning to provide a supply of electricity adequate to sustain a vigorous and growing economy and a healthy environment at the lowest total cost; and

WHEREAS, the Council has provided the public an unprecedented access to and participation in its decisions; and

WHEREAS, the Council has requested the appointment of a committee of Montana Legislators to review the 20-year plan and has offered to pay the expenses of the committee.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the President of the Senate appoint four members of the Senate and the Speaker of the House appoint four members of the House, on an equally bipartisan basis, to serve on a committee funded by the Council to meet during the interim between legislative sessions.

(2) That the committee meet with Montana's representatives on the Council to review the final power plan and existing state law.

(3) That the committee submit to the 49th Legislature a report of its findings, together with its recommendations for legislation, if any, necessary and desirable to implement the power plan in the State of Montana.

HeinOnline -- 1983 vol. III 1897 1983

HOUSE JOINT RESOLUTION NO. 19

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING ASSIGNMENT OF A SELECT COMMITTEE ON INDIAN AFFAIRS.

WHEREAS, there are seven Indian reservations and numerous landless Indians in Montana; and

WHEREAS, the various tribes have treaties with the United States that are subject to continual interpretation; and

WHEREAS, extremely complex jurisdictional, social, political, and philosophical questions arise in virtually all subject areas, including law enforcement, pollution control, natural resources, game management, health, social services, education, and taxation, which in turn produce tension and conflict in tribal/state and Indian/non-Indian relations; and

WHEREAS, Congress, as the ultimate authority on relations with the Indian tribes, has not been able to act in a decisive manner to resolve these questions and is unlikely to do so in the foreseeable future; and

WHEREAS, jurisdictional litigation on a case-by-case basis is expensive to the state, tribes, and private parties; and

WHEREAS, the jurisdictional, social, and philosophical problems between Indians and non-Indians are historical and cannot be expected to dissipate quickly; and

WHEREAS, the non-Indian people of Montana find it is to their benefit to have a cooperative and communicative liaison with the Indian people in Montana; and

WHEREAS, the Indian people in Montana have indicated it is also to their benefit to have a legislative committee with which to maintain such a cooperative and communicative liaison.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the President of the Senate and the Speaker of the House appoint four members of the Senate and four members of the House, equally bipartisan, to serve on a select legislative committee on Indian affairs.

(2) That the committee, at its initial, organizational meeting, decide specific topics of study to pursue.

(3) That the committee seek opinions of and information from Indian tribes, Indian tribal organizations, state agencies, local governments, non-Indians living on or near Indian reservations, and other interested persons and agencies to gain insight into Indian/non-Indian relations.

(4) That the committee hold hearings to promote better understanding between the tribes and public agencies and to improve the Indian peoples' knowledge of the structure of state agencies and the legislative process.

HeinOnline -- 1983 vol. III 1898 1983

(5) That the committee encourage and foster participation of Indian people at its meetings.

(6) That the committee act as an available liaison between the Indian people and the Legislature.

(7) That the committee encourage tribal/state and tribal/local government cooperation and otherwise promote amicable Indian/non-Indian relations.

(8) That the committee keep informed of cooperative agreements being negotiated and entered into through the mechanism provided for in Title 18, chapter 11, MCA, or otherwise.

(9) That the Legislative Council provide staff to assist the committee.

(10) That the committee report its activities, findings, and recommendations and any proposed legislation to the 49th Legislature.

HOUSE JOINT RESOLUTION NO. 20

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL SCIENCES TO REVIEW THE RULES ADOPTED UNDER THE MONTANA SANITATION IN SUBDIVISIONS LAW; REQUESTING THE DEPARTMENT TO AMEND OR REPEAL THOSE RULES WHICH ARE NOT CONSISTENT WITH THE PURPOSES OF THAT ACT; REQUESTING THE DEPARTMENT TO ADOPT RULES TO MINIMIZE THE COST OF REVIEW OF SUBDIVISION PROPOSALS; AND REQUESTING THE REVIEW OF RULES TO BE COMPLETED BY JULY 1, 1984.

WHEREAS, the Subdivision Bureau of the Department of Health and Environmental Sciences has been eliminated, resulting in a reduced number of development lots reviewed; and

WHEREAS, the subdivision review function has been placed under the supervision of the Water Quality Bureau; and

WHEREAS, in a memorandum written December 27, 1982, by the Water Quality Bureau, it was stated that the rules implementing sanitation provisions in the Montana Sanitation in Subdivisions Law are confusing and difficult to administer; and

WHEREAS, it is the expressed desire of the Water Quality Bureau to review the existing rules at the adjournment of the 48th Legislature; and

WHEREAS, some of the existing rules are believed to be duplicative and burdensome and many of the local governing bodies reviewing subdivision proposals do not possess the expert personnel or procedures or the desire to properly analyze or use the information contained in a subdivision proposal; and

HeinOnline -- 1983 vol. III 1899 1983

WHEREAS, excessive review and administrative processes result in unnecessary costs to the public; and

WHEREAS, existing rules go beyond the scope and intent of the Montana Sanitation in Subdivisions Law.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Department of Health and Environmental Sciences is requested to review its rules to determine whether they are consistent with the principles and goals of sanitation in the Montana Sanitation in Subdivisions Law (Title 76, chapter 4, part 1); to amend or repeal those that are not; and to conduct that review, amendment, and repeal process in accordance with the Montana Administrative Procedure Act, involving hearings and the participation of the public.

BE IT FURTHER RESOLVED, that:

(1) the adoption of new and amended rules should be limited to those rules falling within the purpose of the Act to promote health and safety;

(2) rules should be adopted which minimize the time, documentation, and cost involved in the review process while preserving and protecting the public health and safety;

(3) the purpose of the review of the rules should be to ease the burden on all parties involved in the review process; and

(4) the review, amendment, repeal, and adoption of the rules should begin on passage of this resolution and should be completed by July 1, 1984.

HOUSE JOINT RESOLUTION NO. 21

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE CONGRESS OF THE UNITED STATES TO AMEND THE BANKRUPTCY LAWS TO MAKE IT MORE DIFFICULT FOR INDIVIDUALS TO DISCHARGE STUDENT LOAN DEBTS IN A BANKRUPTCY PROCEEDING.

WHEREAS, student loan programs, whether federal, state, or private, have an important role in making quality education available to students from all economic classes; and

WHEREAS, the economic and social welfare of the state and the nation is strongly dependent upon the ability of the country to educate its citizens, regardless of their economic or social conditions; and

WHEREAS, the growing number of bankruptcies that result in the discharge of student loans have harmed the student loan programs by reducing the amount of funds available for loans and by reducing the public esteem of such programs; and

HeinOnline -- 1983 vol. III 1900 1983

WHEREAS, control of the provisions of the bankruptcy laws is vested in the federal government.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Congress of the United States is urged to amend the bankruptcy laws of the United States to make it more difficult for individuals to discharge student loans in bankruptcy proceedings while still preserving the flexibility necessary to permit those without present or foreseeable future repayment ability to obtain a discharge. To meet this objective, the following changes in the bankruptcy laws are advocated:

(1) Amend Section 523(a)(8)(A) of the Bankruptcy Reform Act to provide for a 10-year period of nondischargeability.

(2) Amend Section 523(a)(8)(B) of the Bankruptcy Reform Act to define undue hardship, incorporating the three-tiered analysis of In Re Johnson, 5 B.C.D. 532 (1979) and In Re Lezer, 21 B.R. 783 (1982).

(3) Amend Section 1325(a)(3) of the Bankruptcy Reform Act to clarify that the term "good faith" refers to both the debtor's ability to pay and the debtor's use of a Chapter 13 proceeding to avoid the nondischargeability provisions of Chapter 7 without providing for substantial repayment of the student loan debt.

(4) Amend Section 1328(a)(2) of the Bankruptcy Reform Act to add debts provided for under Section 523(a)(8) as exceptions to discharge under Chapter 13.

HOUSE JOINT RESOLUTION NO. 22

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE CONGRESS OF THE UNITED STATES TO AMEND THE BANKRUPTCY LAWS TO PERMIT AN INSTITUTION OF HIGHER EDUCATION TO WITHHOLD RELEASE OF A TRANSCRIPT TO A STUDENT LOAN DEBTOR UNTIL THE STUDENT LOAN IS DECLARED DISCHARGED.

WHEREAS, student loan programs play an essential role in making educational opportunities available to all persons; and

WHEREAS, the integrity of the student loan programs is based in great measure upon the ability of the institutions of higher learning to collect student loan debts; and

WHEREAS, a major tool in the collection of debts is the ability of the school to withhold release of transcripts to debtors; and

WHEREAS, the present bankruptcy statutes have been interpreted by the courts to require schools to furnish transcripts simply by virtue of the debtor filing a petition in bankruptcy.

HeinOnline -- 1983 vol. III 1901 1983

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Congress of the United States is urged to amend the bankruptcy laws of the United States to permit an institutional creditor to withhold release of a transcript to a student loan debtor until such time as the student loan is declared discharged. To meet this objective, the following changes in the bankruptcy laws are advocated:

(1) Amend Section 362(b) of the Bankruptcy Reform Act to add a new subsection (9) that provides: "under subsection (a) of this section, of the right of an educational institutional creditor to withhold release of the transcript of a student loan debtor until such time as the student loan debt is declared discharged by the bankruptcy court or other court of competent jurisdiction."

(2) Amend Section 525 of the Bankruptcy Reform Act to clarify that this section is not violated by the refusal of a state school to provide a transcript to a student loan debtor unless the debt has been declared discharged.

(3) Amend Section 1301 of the Bankruptcy Reform Act to add an additional exception subsection (d) to permit an educational institutional creditor to withhold the transcript of a student loan debtor until such time as the debt is discharged pursuant to Section 1328 of the Bankruptcy Reform Act.

HOUSE JOINT RESOLUTION NO. 23

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE DEVELOPMENT OF COMMUNITY-BASED CORRECTIONS.

WHEREAS, the Constitution of the State of Montana states that law for the punishment of crime shall be founded on the principle of prevention and reformation; and

WHEREAS, a correctional program should be the least restrictive measure consistent with the needs of the offender and the safety of the public and

WHEREAS, the public is protected by a correctional system characterized by concern, diversified programs for individuals, and reintegration concepts as well as punitive measures; and

WHEREAS, a prerelease center, which is a community-based residential facility for selected inmates who are nearing parole or discharge, is a placement alternative that is of value both to society as a whole and to the individuals involved because the centers provide those individuals with opportunities to obtain or engage in work experience, life skills training, educational pursuits, and other legitimate community activities that help inmates make the transition from correctional programs to the community at the time of their release; and

HeinOnline -- 1983 vol. III 1902 1983

WHEREAS, community corrections programs are desirable for reasons of economy and humanity, and the State supervises approximately 2,434 probationers and parolees in the community at the present time; and

WHEREAS, Montana State Prison is currently the sole residential sentencing alternative available to the courts for male inmates; and

WHEREAS, the Legislature recognizes its responsibility to provide opportunities for the rehabilitation, reformation, and training of inmates in order to reduce recidivism and release prisoners as productive members of society.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Department of Institutions is urged to aggressively promote the further development of community-based corrections and prerelease centers.

BE IT FURTHER RESOLVED, that local governments are urged to cooperate in facilitating the development of community-based corrections and to consider zoning classifications that will permit greater latitude in finding locations for prerelease centers.

BE IT FURTHER RESOLVED, that concerned Montanans interested in community corrections further recognize their responsibility to create solutions to the social issue of crime, an issue that has immediate impacts on the community as a whole from both the local and state perspectives.

HOUSE JOINT RESOLUTION NO. 26

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE UNITED STATES CONGRESS TO ADOPT RULES LIMITING AMENDMENTS TO BILLS TO THE SUBJECT MATTER REFLECTED IN THE TITLE OF THE BILL.

WHEREAS, Article V, section 11, of the Montana Constitution states that a bill may not be so altered or amended on its passage through the Legislature as to change its original purpose and that, generally, a bill may contain only one subject, clearly expressed in its title; and

WHEREAS, Montana citizens are dismayed and dissatisfied with the practice of the United States Congress of attaching amendments that are unrelated to the original bill; and

WHEREAS, Montana citizens find it difficult and sometimes impossible to track unrelated issues attached as amendments to bills moving through the legislative process in the United States Congress.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the Montana Legislature urges the United States Congress to adopt a joint rule prohibiting amending or altering any bill on its passage through the Congress in such a manner as to change its original purpose.

HeinOnline -- 1983 vol. III 1903 1983

(2) That the Montana Legislature also urges the United States Congress to adopt a joint rule that each bill, except general appropriations bills and bills for the general revision of laws, must contain only one subject, clearly expressed in the title of the bill, and that if any subject is embraced in any act and is not expressed in the title, only so much of the act not so expressed is void.

(3) That the Secretary of State shall send copies of this resolution to Montana's Congressional Delegation.

HOUSE JOINT RESOLUTION NO. 27

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING CONGRESS TO FULLY FUND SALINE SEEP AND OTHER RESEARCH BY THE NORTHERN PLAINS SOIL AND WATER RESEARCH CENTER.

WHEREAS, the Northern Plains Soil and Water Research Center is the only United States Department of Agriculture research service center in the United States that conducts research in saline seep and the methods of combating this problem; and

WHEREAS, saline seep has removed more than 610,000 acres of cropland from production in Montana, North Dakota, South Dakota, Texas, Oklahoma, and Wyoming and 500,000 acres of cropland in the Canadian Provinces of Manitoba, Saskatchewan, and Alberta; and

WHEREAS, saline seep continues to annually remove more than 60,000 acres of cropland from production in the United States and 28,000 acres in Montana alone; and

WHEREAS, in 1981 the six states of Montana, North Dakota, South Dakota, Texas, Oklahoma, and Wyoming produced more than $2,312,800,000 worth of grain that was sold in foreign markets, which sales positively affected this country's balance of payments; and

WHEREAS, the average annual loss of revenue to American farmers, combined with the average annual trade deficit caused by saline seep, exceeds $62 million; and

WHEREAS, the Northern Plains Soil and Water Research Center is the only United States Department of Agriculture, Agricultural Research Service, center in the country uniquely suited to conduct spring and winter wheat remote sensing research in conjunction with the National Aeronautics and Space Administration; and

WHEREAS, remote sensing is vital to the worldwide satellite work of crop screening, small grain analysis, and crop production analysis; and

WHEREAS, the Northern Plains Soil and Water Research Center coordinates its research closely with state agricultural research programs, especially those programs in Montana and North Dakota; and

HeinOnline -- 1983 vol. III 1904 1983

WHEREAS, the United States Office of Management and Budget has recommended that the Agricultural Research Service receive an increase in its budget, but the funds currently used to operate the Northern Plains Soil and Water Research Center are scheduled to be shifted to other projects in Maine, North Dakota, and Colorado; and

WHEREAS, the Office of Management and Budget is recommending that saline seep research at the federal level cease if the Northern Plains Soil and Water Research Center is closed.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Secretary of Agriculture and the United States Congress are urged to fully fund the Northern Plains Soil and Water Research Center in order to continue its highly important work of remote sensing and saline seep research, so critical to the farm economy of this State.

BE IT FURTHER RESOLVED, that the Secretary of State send a copy of this resolution to the Secretary of Agriculture and to the Agriculture Committees of the United States Congress.

HOUSE JOINT RESOLUTION NO. 29

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY OF THE INSURANCE LAWS OF THE STATE OF MONTANA AND REQUIRING A REPORT OF THE FINDINGS OF THE STUDY TO THE 49TH LEGISLATURE.

WHEREAS, numerous bills pertaining to insurance have been introduced in the 48th Legislature; and

WHEREAS, the area of insurance law is complex and cannot be adequately considered by the Legislature during the time constraints of a legislative session; and

WHEREAS, the Legislature is again faced with finding a solution to problems caused by evasion of the mandatory motor vehicle liability insurance law; and

WHEREAS, the issue of the existence of sex discrimination in the insurance industry merits legislative attention because discrimination in commerce is forbidden by the Equal Dignities Clause of the Montana Constitution; and

WHEREAS, the Legislature desires to eliminate, in a manner that is fair both to the consumer and the insurer, distinctions in the insurance industry that are based upon sex and wishes to determine how this distinction can be eliminated in an equitable manner; and

WHEREAS, the Legislature has received conflicting information on the long-term effects of elimination of these distinctions; and

WHEREAS, the Legislature may not be able to anticipate and resolve or mitigate any potential adverse effects of such legislation; and

HeinOnline -- 1983 vol. III 1905 1983

WHEREAS, the issue of the existence of economic inequities in motor vehicle liability coverage merits legislative attention because motor vehicle liability coverage is compulsory under Montana law; and

WHEREAS, the fairness and adequacy of insurance coverage made available by the insurance industry in Montana must be considered.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That an appropriate interim committee be assigned to study the marketing practices of the insurance industry and the insurance laws of the State of Montana. The study must consider all aspects of insurance, including but not limited to an examination of:

(1) alternative mechanisms to enforce the mandatory motor vehicle liability coverage law;

(2) the difference, if any, in the scope, coverage, terms, rates, and benefits offered to consumers in all areas of the insurance industry on the basis of their sex;

(3) the current availability in Montana of motor vehicle liability coverage of operators in addition to or instead of coverage of the vehicles they operate;

(4) the alternatives, benefits, liabilities, and time reasonably necessary to implement:

(a) a requirement that in the marketing of insurance there be no distinction made based on the insured's sex; and

(b) a requirement that motor vehicle liability insurance coverage be made available to an operator without regard to motor vehicles that he owns or operates;

(5) the results in any other jurisdiction of imposition of either of the requirements set forth in subsection (4); and

(6) any other selected insurance issues which the committee considers pertinent and timely.

BE IT FURTHER RESOLVED, that the committee report the findings of the study, including findings specifically related to (1) through (5), to the 49th Legislature and, if necessary, draft legislation to implement its recommendations.

HOUSE JOINT RESOLUTION NO. 30

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THAT STATE EXECUTIVE, JUDICIAL, AND LEGISLATIVE AGENCIES, LOCAL GOVERNMENTS, AND THE MONTANA UNIVERSITY SYSTEM GIVE PREFERENCE TO MONTANA CITIZENS IN FILLING STATE, LOCAL GOVERNMENT, AND UNIVERSITY SYSTEM POSITIONS.

WHEREAS, in a time of economic hardship, Montana has a certain responsibility to its citizens to provide jobs to those citizens first and to retain their skills and knowledge of the state within Montana; and

HeinOnline -- 1983 vol. III 1906 1983

WHEREAS, in this time of economic hardship there are many Montanans qualified to work in all areas of state and local government and the Montana university system; and

WHEREAS, Montanans have a good understanding of the government, business, recreational, agricultural, and ranching world in Montana and understand the related economic, political, and social problems; and

WHEREAS, many qualified Montanans would like to continue to live in this state, raise their families in this state, and enjoy the amenities of this state; and

WHEREAS, even in this time of economic hardship, there are positions within state and local government and the Montana university system which must be filled for a variety of reasons; and

WHEREAS, qualified Montanans hoping to stay in the state, with their valuable knowledge of the state, would be less likely than nonresidents to use a state or local government position or a position within the university system as a steppingstone for other work or as an entry position for private business in the state.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That whenever possible Montana citizens be given preference in the selection of applicants for filling positions in all branches of state and local government and the Montana university system.

BE IT FURTHER RESOLVED, that the Secretary of State send a copy of this resolution to the Governor; to the head of each state executive, judicial, and legislative branch agency; to the governing body of each political subdivision; and to the president of each unit of the Montana university system.

HOUSE JOINT RESOLUTION NO. 31

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THAT THE REVENUE OVERSIGHT COMMITTEE CONDUCT A COMPREHENSIVE STUDY OF THE PROPERTY TAX CLASSIFICATION SYSTEM AND EQUALIZATION WITHIN THE CLASSES OF PROPERTY IN THE STATE OF MONTANA.

WHEREAS, the property tax is a vital element in the taxation system in the State of Montana; and

WHEREAS, Montana's property tax classification system contains 11 separate classes of property that are assessed and taxed at different rates; and

WHEREAS, several actions by the United States Congress, particularly those relating to railroads and airlines, have raised legal questions about the operation of the property tax classification system in Montana; and

HeinOnline -- 1983 vol. III 1907 1983

WHEREAS, there is an urgent need to study and resolve legal, administrative, and equity issues related to the property tax classification system and equalization within the classes of property used in Montana.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the Revenue Oversight Committee is requested to study the property tax classification system and equalization within the classes of property in Montana and to include in its study an examination of legal, administrative, and equity issues related to the classification system.

(2) That the Legislature provide funding so that the Revenue Oversight Committee may adequately staff this study with at least one full-time staff person, if necessary, and seek appropriate expert consultants to accomplish the purposes of the study.

(3) That the Revenue Oversight Committee report its findings and recommendations and any proposed legislation to the 49th Legislature.

HOUSE JOINT RESOLUTION NO. 35

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY OF THE CLASSIFICATION, EVALUATION, AND ASSESSMENT OF AGRICULTURAL LAND FOR TAX PURPOSES, THE LAWS AND EXISTING AND PROPOSED ADMINISTRATIVE RULES RELATING THERETO, AND THE EXISTING AND PROPOSED TAX COMPUTATION METHODS; REQUIRING A WRITTEN REPORT OF THE STUDY TO THE 49TH LEGISLATURE.

WHEREAS, the Montana Constitution requires equality throughout the state in the assessed valuation of property for tax purposes; and

WHEREAS, the Montana Code Annotated provides that agricultural land is taxed at 30% of its productive capacity, that agricultural lands are to be uniformly classified to secure an equitable and uniform basis of assessment of such lands and must be classified and appraised as agricultural lands without regard to the highest and best use of neighboring lands, and that the Legislature intends agricultural lands to be classified and assessed at a value that is exclusive of values attributed to speculative purposes; and

WHEREAS, the Department of Revenue has drafted and proposes to adopt a new set of rules for the classification, valuation, and assessment of agricultural lands for tax purposes, which rules are substantially different than the current rules, particularly with regard to irrigated tillable land; and

WHEREAS, the Department's proposed new rules are such a departure from the current rules that their application would result in a considerable disruption of the tax status and financial situation of many of the farmers and ranchers of this state; and

HeinOnline -- 1983 vol. III 1908 1983

WHEREAS, agriculture is Montana's major industry, and its products, particularly grains, are sold throughout the world and have an effect on the national economy and balance of payments as well as the economy of Montana; and

WHEREAS, the Department's proposed new rules have raised concern among many members of the agricultural community; and

WHEREAS, the House Committee on Agriculture, Livestock and Irrigation has reviewed the statutes and current and proposed rules relating to the classification and assessment of agricultural lands for tax purposes and believes it to be essential that they be the subject of an interim study.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That an appropriate interim committee be chosen and assigned to study:

(1) the provisions of the Montana Code Annotated relating to the classification, valuation, and assessment of agricultural lands for tax purposes;

(2) the Department of Revenue's current and proposed rules for the classification, valuation, and assessment of agricultural lands for tax purposes;

(3) the method and means by which the Department arrived at its proposed rules and alternative methods and means that could have been used;

(4) the reaction of the agricultural industry to the proposed rules and the industry's views regarding the proposed rules and changes in them;

(5) possible changes in the proposed rules that would result in increased compliance of the rules with constitutional and statutory mandates and the financial situation of Montana farmers and ranchers;

(6) formulas and factors that may be used in the classification, valuation, and assessment of agricultural lands for tax purposes; the effect on taxes and other results of the use of the various formulas and factors; and which formulas and factors are the most appropriate;

(7) the opinions of farmers and ranchers, agricultural economists, the Departments of Revenue, Agriculture, and Livestock, and other experts relating to the classification, valuation, and assessment of agricultural lands for tax purposes;

(8) whether agricultural lands should be classified, valued, and assessed solely in accord with statutes or in accord with a combination of statutes and administrative rules and which person, persons, or entity should carry out the classification, valuation, and assessment; and

(9) any other appropriate matters relating to the resolution of problems detected in studying and determining the matters set forth in subsections (1) through (8).

BE IT FURTHER RESOLVED, that the interim committee provide an outline and time frame for its study, schedule meetings of the committee,

HeinOnline -- 1983 vol. III 1909 1983

and provide the 49th Legislature with a written report of its study, findings, and conclusions and with any drafts of legislation and rules that may be necessary to implement the committee's findings.

HOUSE JOINT RESOLUTION NO. 36

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY TO IDENTIFY AND PROVIDE FOR PRESERVATION OF THE RIGHTS OF LANDOWNERS ADJACENT TO PUBLIC LAND AND WATERWAYS AND TO IDENTIFY AND PROVIDE FOR RIGHTS OF THE PUBLIC TO ACCESS AND USE PUBLIC LAND AND WATERWAYS; REQUIRING A REPORT OF THE FINDINGS OF THE STUDY TO THE LEGISLATURE.

WHEREAS, the right of the public to use waterways for recreational and other purposes and the related issue of navigability are unsettled in law; and

WHEREAS, ownership rights in land underlying waterways and rights of adjacent landowners to place obstacles in waterways or to restrict use of streambanks are also unsettled; and

WHEREAS, the right of the public to use public land is being inhibited by restrictions of access across private adjoining land; and

WHEREAS, there is an increasing number of disputes between private landowners and public users concerning the use of public land and waterways; and

WHEREAS, both the adjacent private landowners and the public have substantial interests involved in the resolution of these conflicts.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That an appropriate interim committee be assigned to study ways to identify and preserve rights of landowners adjacent to public land and waterways and to identify and provide for rights of the public to access and use public land and waterways. The study committee shall cooperate with all interested persons to the fullest extent possible to:

(1) identify possible methods of acquiring and maintaining access across private land to public land and waterways;

(2) clarify the right of the public to use waterways, including:

(a) identification of waterways that may be used by the public;

(b) further legislative definition of navigability, if necessary;

(c) clarification of when a prescriptive use or easement may exist; and

(d) use of adjacent uplands in conjunction with the right to use the waterway;

HeinOnline -- 1983 vol. III 1910 1983

(3) identify use rights and title interests of adjacent landowners in land under and adjacent to waterways, including:

(a) the right to place fences, bridges, flumes, or other obstacles in the waterway;

(b) consequent taxation liabilities; and

(c) mineral rights;

(4) establish the liabilities of landowners for impeding the right of the public to use public land or waterways and the liabilities of public users with respect to violations of rights of adjacent landowners; and

(5) determine appropriate methods of enforcement.

BE IT FURTHER RESOLVED, that the committee report its findings and recommendations to the 49th Legislature.

HOUSE JOINT RESOLUTION NO. 38

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA EXPRESSING THE HOPE FOR LASTING FRIENDSHIP, UNDERSTANDING, AND COMMUNICATION WITH THE PEOPLE OF THE KUMAMOTO PREFECTURE.

WHEREAS, the Japanese Prefecture of Kumamoto and the State of Montana became sister states on July 22, 1982; and

WHEREAS, the sister state relationship will promote communication between the people of Montana and Kumamoto; and

WHEREAS, increased interest in communication between the people of Montana and Kumamoto will further mutual understanding and the promotion of friendship; and

WHEREAS, the institutions of higher education in Montana and Kumamoto are developing student and faculty exchanges and educational programs which will increase mutual understanding; and

WHEREAS, Kumamoto and Montana have much in common, including beautiful mountain scenery, an extensive tourist industry, forest products industry, and cattle industry; and

WHEREAS, Kumamoto and Montana are likewise lands of fascinating contrasts, such as Kumamoto's ancient culture built upon the shore of the Yatsushiro Sea contrasted with Montana's pioneer settlement built upon the backbone of the American continent; and

WHEREAS, the people of Montana desire to share in the opportunity to learn more about the similarities and differences between Montana and Kumamoto.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

HeinOnline -- 1983 vol. III 1911 1983

That the Legislature sends its warm regards to the people of Kumamoto Prefecture.

BE IT FURTHER RESOLVED, that the Legislature wholeheartedly endorses the sister state relationship established with Kumamoto Prefecture.

BE IT FURTHER RESOLVED, that the Legislature also endorses cooperation between the institutions of higher education in Montana and Kumamoto.

BE IT FURTHER RESOLVED, that the Legislature hopes these relationships will foster lasting friendship, understanding, and communication between the people of Kumamoto and the people of Montana.

BE IT FURTHER RESOLVED, that the Secretary of State send an original copy of this resolution to the Honorable Shigehisa Yagi, Chairman of the Prefectural Assembly of Kumamoto Prefecture, with a request that he bring these sentiments to the attention of the Assembly, Governor Morihiro Hosokawa, and the people of Kumamoto.

HOUSE JOINT RESOLUTION NO. 40

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY OF THE MANAGEMENT OF THE STATE LANDS RESOURCES, PARTICULARLY STATE FOREST RESOURCES.

WHEREAS, state lands represent a tremendous asset to the State; and

WHEREAS, state lands bring in millions of dollars in support of the State's schools each year; and

WHEREAS, the law requires the state lands to be administered to secure the largest measure of legitimate and reasonable advantage to the State; and

WHEREAS, there are questions as to whether the State's forest resources are being managed so as to provide the maximum return under the sustained yield concept.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That an appropriate interim committee be assigned to study the administration of the state lands, with particular emphasis on the management of forest resources.

BE IT FURTHER RESOLVED, that the study address:

(1) the costs of management of lands in relation to the return to the State;

(2) whether lands are being managed so as to provide the best long-term benefit to the State; and

HeinOnline -- 1983 vol. III 1912 1983

(3) the problem of costs of fire protection on the forest lands of the State, particularly those protected by the United States.

BE IT FURTHER RESOLVED, that the committee seek out and consult with private land managers, the Department of State Lands, and other interested parties with expertise in the management of comparable private lands.

BE IT FURTHER RESOLVED, that the committee submit its report and recommendations to the 49th Legislature.

HOUSE JOINT RESOLUTION NO. 41

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY OF MONTANA'S EMPLOYMENT PREFERENCE LAWS CONCERNING VETERANS, VETERANS' SPOUSES AND DEPENDENTS, AND DISABLED CIVILIANS; AND REQUIRING A REPORT OF THE FINDINGS AND RECOMMENDATIONS OF THE STUDY TO THE 49TH LEGISLATURE.

WHEREAS, Montana's employment preference laws for veterans, veterans' spouses and dependents, and disabled civilians, contained in Title 10, chapter 2, part 2, originally were enacted for veterans in 1921 and were amended to include disabled civilians in 1927; and

WHEREAS, the preference laws have historically been interpreted to entitle tie-breaking preference in initial employment to veterans, veterans' spouses and dependents, and disabled civilians, but in the recent case of Crabtree v. Montana State Library, a state District Court interpreted the laws as entitling minimally qualified veterans, veterans' spouses and dependents, and disabled civilians to employment preference over all others; and

WHEREAS, the preference laws are extremely ambiguous, lacking adequate definitions with regard both to the individuals covered and to procedures for implementing the preference; and

WHEREAS, the preference granted under these laws has historically been administered inconsistently; and

WHEREAS, Montana's public policy with regard to veterans, veterans' spouses and dependents, and disabled civilians is of great significance to all Montanans; and

WHEREAS, the 48th Legislature considered House Bill No. 378, Senate Bill No. 197, and Senate Bill No. 377, all of which pertain to this subject, and was unable to reach a consensus regarding the policy direction that must be taken, largely because the subject is highly emotional and controversial and requires decisions to be made involving the competing interests of many groups, all of which are vital to Montana's well-being; and

HeinOnline -- 1983 vol. III 1913 1983

WHEREAS, although the various interest groups also were unable to reach a consensus regarding the policy direction that must be taken, they did agree prior to the 48th Legislative Session on the need for clarification of the preference and procedures for administering it.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That an appropriate interim committee be assigned to study Montana's employment preference laws for veterans, veterans' spouses and dependents, and disabled civilians and to address the following issues:

(1) what ambiguities or omissions exist in the current statutory language;

(2) whether the preference should be used as a tie breaker between equally qualified applicants or as an entitlement for minimally qualified veterans, veterans' spouses and dependents, and disabled civilians;

(3) whether the preference conflicts with the constitutional and statutory rights of other groups of citizens or conflicts with the obligations of employment relations contained in collective bargaining agreements;

(4) the purpose the preference laws are intended to serve and other possible means for serving similar purposes, including providing positive recognition to veterans, veterans' spouses and dependents, and disabled civilians;

(5) the extent to which preference should be applied, including whether application of the preference should be expanded or narrowed with regard to the individuals or employers covered or in duration of eligibility; whether preference should be applied equally or prioritized among the individuals covered; and whether the individuals covered should have obligations to make their preference known and determine their eligibility for preference;

(6) the status of similar preference laws in other states;

(7) the history of the implementation of Montana's laws in state, county, city, university, and other applicable government agencies; and

(8) any other issues the committee considers to be relevant.

BE IT FURTHER RESOLVED, that in its study the committee work with and seek input from representatives of all levels of government, veterans' organizations, organizations protecting the rights of the handicapped, women's organizations, and any other interested persons or groups.

BE IT FURTHER RESOLVED, that the committee make recommendations for improving the existing preference laws and report these and any other findings to the 49th Legislature.

HeinOnline -- 1983 vol. III 1914 1983

HOUSE JOINT RESOLUTION NO. 43

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY OF SCHOOL TEACHER TENURE LAWS AND REQUIRING A REPORT OF THE FINDINGS OF THE STUDY TO THE LEGISLATURE.

WHEREAS, there have been several bills introduced in the 47th and 48th Legislatures to modify present law regarding teacher tenure; and

WHEREAS, there is at the present time a recognition among legislators, teachers, administrators, and school district trustees in the state that this is an appropriate time for a comprehensive examination of teacher tenure laws; and

WHEREAS, the present laws on teacher tenure in some respects fail to harmonize with actual fiscal restraints and conditions of school districts and with collective bargaining practices and may in some instances be applied inequitably, causing hardship to some teachers and granting unwarranted job security to others; and

WHEREAS, as was demonstrated during hearings on teacher tenure bills introduced in the current session, the subject is complex and controversial in nature and thus was not amenable to a solution during the session; and

WHEREAS, because alterations in existing tenure law could have significant and long lasting personal and fiscal effects on both teachers and school districts, there is a real need to study teacher tenure through exhaustive public hearings and deliberations that would lead to proposed laws governing the employer-employee relationship in Montana's public schools that represent an equitable accommodation among all concerned.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That an appropriate interim committee be assigned to study present teacher tenure laws, specifically examining:

(a) the present system of requiring a certain term of years for tenure qualification;

(b) the substantive and procedural scope of teacher tenure provisions and the advantages and disadvantages to teachers, school districts, and the community;

(c) the fiscal restraints, uncertainties, and timetables that affect school districts in the application of tenure laws;

(d) collective bargaining practices related to tenure; and

(e) inequities in present tenure laws that may cause hardship to individual teachers, school districts, administrators, and to the community at large.

HeinOnline -- 1983 vol. III 1915 1983

(2) That the committee is urged to study and carefully consider due process and collective bargaining alternatives to present teacher tenure laws.

(3) That the committee report its findings to the 49th Legislature together with recommendations for legislation, if any, necessary to implement such findings.

HOUSE JOINT RESOLUTION NO. 44

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY TO EXPLORE MECHANISMS OR PROCEDURES TO ASSIST THE LEGISLATURE IN DECISIONMAKING CONCERNING PUBLIC EMPLOYEE RETIREMENT SYSTEMS AND REQUIRING A REPORT OF THE FINDINGS OF THE STUDY TO THE 49TH LEGISLATURE.

WHEREAS, the state administers nine public employee retirement systems ranging in size from 37,063 to 60 members; and

WHEREAS, the total assets of these state-administered retirement systems exceeds $675,000,000; and

WHEREAS, numerous locally administered public pension plans exist for which the state defines the basic structure of the plans and controls the resources available to local governments to finance the plans; and

WHEREAS, little uniformity exists among the maze of public pension plans in such areas as contribution rates, benefit levels, cost-of-living adjustments, and eligibility requirements; and

WHEREAS, financing of public pension plans consumes increasing portions of state and local budgets; and

WHEREAS, a multitude of legislation is introduced each session concerning enhancement of pension benefits, revisions in employee and employer contribution rates, options for investment of retirement funds, and other pension topics; and

WHEREAS, many of these proposals require long-range fiscal commitments and obligations at both the state and local level; and

WHEREAS, in the past, Legislatures have approved benefit liberalizations without adequately funding these changes, resulting in the actuarial unsoundness of some retirement funds; and

WHEREAS, to remedy past mistakes and to avoid future errors, a mechanism or procedure is needed to assist the Legislature in acting responsibly when confronted with decisions concerning public employee retirement plans.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

HeinOnline -- 1983 vol. III 1916 1983

(1) That an appropriate interim committee be assigned to study mechanisms or procedures to permit the Legislature to:

(a) monitor and oversee the administration of public employee retirement systems, excluding the teachers' retirement system;

(b) develop an expertise in the field of public pensions;

(c) adopt a comprehensive and consistent pension policy for the State of Montana; and

(d) review proposed legislation concerning public employee retirement systems between legislative sessions.

(2) That the committee include in its study a consideration of creating a permanent legislative oversight committee on public pension plans.

(3) That the committee report its findings and recommendations to the 49th Legislature and, if necessary, draft legislation to implement its recommendations.

HOUSE JOINT RESOLUTION NO. 45

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY TO CLARIFY THE ROLE OF COMMUNITY COLLEGES IN THE PUBLIC EDUCATION SYSTEM OF THE STATE OF MONTANA.

WHEREAS, community colleges serve the citizens of Montana in educational and occupational programs; and

WHEREAS, community colleges are under a dual regulatory authority composed of district trustees and the Board of Regents; and

WHEREAS, the relationship of community colleges to the Montana University System is not clearly defined in statute; and

WHEREAS, it is essential to the overall structure of public education in Montana that a statewide plan is developed that clearly sets forth the need for community colleges and that clearly defines the role and relationship of such institutions to the larger system; and

WHEREAS, community colleges are unlikely to have a clear place within the educational system until the State has defined a comprehensive statewide plan for establishment and maintenance of such institutions.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That an appropriate interim committee be assigned to study the role, scope, and function of community colleges within the public education system of the State of Montana.

(2) That the committee include in its study a consideration of at least the following:

HeinOnline -- 1983 vol. III 1917 1983

(a) the structure of governance of the community colleges;

(b) the funding structure of community colleges to determine the appropriate and necessary levels of state and federal support, inclusive of student fees and tuition;

(c) the facility needs and methods for financing necessary facilities;

(d) the organizational structure of each community college to determine administrative, support, and instructional personnel necessary to carry forth the scope and sequence of program offerings; and

(e) the integral relationship of the community colleges to other state agencies and institutions funded by state, local, and federal funds in an effort to promote articulation and reduce or prevent unnecessary duplication of programs.

(3) That the committee submit to the 49th Legislature a report of its findings and recommendations.

HOUSE JOINT RESOLUTION NO. 47

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THAT AN INTERIM STUDY BE CONDUCTED TO EXAMINE THE STATUS OF MONTANA-CANADIAN RELATIONS AND PROVIDE RECOMMENDATIONS ON HOW STATE GOVERNMENT CAN BECOME BETTER EQUIPPED TO DEAL WITH BORDER ISSUES.

WHEREAS, Montana is the only American state that shares an international border with three Canadian provinces; and

WHEREAS, Montana has already experienced expensive and time-consuming border relations problems with British Columbia and Saskatchewan in particular and there are threats of future disagreements over water with Alberta; and

WHEREAS, Montana and the Canadian provinces also have great opportunity to obtain mutual benefits in areas such as telecommunications, trade, and tourist promotion; and

WHEREAS, the Montana economy is in direct competition with western provincial economies in the search for export markets which are an important ingredient in the critical task of building the Montana economy; and

WHEREAS, Montana is at a severe disadvantage in dealing with its border neighbors because it currently has no mechanism for the coordinated management of the diverse and growing Canadian border relations, while the provinces all have well-established departments for the conduct of such business; and

WHEREAS, the importance and frequency of Canadian relations are bound to grow because of the westward shift of the Canadian economic base.

HeinOnline -- 1983 vol. III 1918 1983

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That Montana undertake a study of its border relationship with Canada and neighboring Canadian provinces and recommend options to the 49th Legislature for it to consider in order to produce the optimal method of promoting positive relations and avoiding future problems with Canada.

(2) That the 49th Parallel Institute at Montana State University seek funding sources for this study in the amount of $10,000 and that the study be contingent on this funding.

SENATE RESOLUTION NO. 1

A RESOLUTION OF THE SENATE OF THE STATE OF MONTANA TO ADOPT RULES TO GOVERN ITS PROCEEDINGS IN ADDITION TO THE JOINT RULES.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE OF MONTANA:

That the following rules are adopted:

CHAPTER 1
Presiding Officer — Decorum, Order, and Debate

S1-1. The senate shall choose a president from its membership who shall be the presiding officer. In case of the absence or disqualification of the president, the president pro tempore of the senate shall perform the duties of the president until the vacancy is filled or the disability removed.

S1-2. The senate shall, at the beginning of each regular session, and at such other times as may be necessary, elect one of its members president pro tempore. The senate shall choose its other officers and shall be the judge of the elections, returns, and qualifications of its members.

S1-3. The president and president pro tempore, when acting as presiding officer of the senate, shall vote as any other member of the senate.

S1-4. The president may name a senator to perform the duties of the chair when the president pro tempore is not present in the senate chamber. The senator who is so named is vested during such time with all the powers of the president, but he does not lose the right to vote on any question while presiding.

S1-5. No senator shall speak more than twice on any one motion or question without unanimous consent of the senate, unless he has introduced or proposed the motion or question under debate, in which case he may speak twice and also close the debate. However, a senator who has spoken shall not speak again on the same motion or question to the exclusion of a senator who has not spoken.

S1-6. On order of business No. 8 (second reading of bills), in addition to other methods a recorded vote may be made in the following manner:

HeinOnline -- 1983 vol. III 1919 1983

the chair may call for a voice vote to accept or reject a question. If the vote is other than unanimous, the chair may ask that the lesser number on the question indicate their vote by standing. The secretary will then record the vote of those standing. The chair may then rule that unless excused those not standing and present have voted on the prevailing side of the question and that their vote be recorded as such. If there was a unanimous voice vote, all those present will be recorded as having voted for the question.

S1-7. Only the following persons may be admitted to the floor of the senate during sessions: legislators, legislative officers and employees whose presence is necessary for the conduct of the business of the session, accredited members of the press, radio, and television, and former legislators. The rules committee shall be allowed to make exceptions for visiting dignitaries.

CHAPTER 4
Order of Business

S4-1. On order of business No. 2 (reports of standing committees), no debate shall be had on any report unless a minority report or a report without recommendation has been submitted. Any member seeking a reconsideration of the senate's action on the adoption of a committee report shall do so on order of business No. 6 by motion to reconsider. Any member may make such motion and need not have voted on the prevailing side. This rule shall apply notwithstanding any joint rule to the contrary.

CHAPTER 5
Motions

S5-1. All proper motions on second reading are debatable. If a motion to reconsider third reading action on a bill or resolution is carried, there shall be no further action on that bill or resolution until the succeeding legislative day.

CHAPTER 7
Committees

S7-1. The senate shall elect a committee on committees consisting of 5 members, except when the senate is evenly divided between parties, when the committee on committees shall consist of 6 members, 3 from each party. The committee on committees, with the approval of the senate, shall appoint standing and select committees of the senate and senate membership on joint committees except conference committees and special committees. The president shall appoint all conference committees and special committees, with the advice of the majority and minority floor leaders. The senate may change the membership of any committee on one day's notice.

The standing committees of the senate are as follows:

1. Agriculture, Livestock and Irrigation
2. Bills and Journal
3. Business and Industry

HeinOnline -- 1983 vol. III 1920 1983

4. Education and Cultural Resources
5. Finance and Claims
6. Highways and Transportation
7. Judiciary
8. Labor and Employment Relations
9. Legislative Administration
10. Local Government
11. Natural Resources
12. Fish and Game
13. Public Health, Welfare and Safety
14. Rules
15. State Administration
16. Taxation

S7-2. The majority floor leader shall be an ex officio member of all committees in order to establish a quorum.

S7-3. When a conference committee report is filed with the secretary, the same shall be read under order of business No. 3, select committees, and placed on the calendar the succeeding legislative day for consideration on second reading. If recommended favorably by the committee of the whole, it may be considered on third reading the same legislative day.

S7-4. Pairs in standing committee and committee of the whole are prohibited.

CHAPTER 8
Rules and Journal

S8-1. (1) A motion to amend or adopt a rule of the senate shall be referred to the committee on rules without debate. A rule of the senate may be amended or adopted only with the concurrence of a majority of the senate and after one day's notice.

(2) A rule may be suspended temporarily by a two-thirds vote.

S8-2. Mason's Manual of Legislative Procedure governs the proceedings of the senate in all cases not covered by these rules.

CHAPTER 10
Nominations from the Governor

S10-1. The governor shall nominate and, by and with the consent of the senate, appoint all officers whose offices are established by the constitution or which may be created by law, and whose appointment or election is not otherwise provided for. If during a recess of the senate a vacancy occurs in any such office, the governor shall appoint some fit person to discharge

HeinOnline -- 1983 vol. III 1921 1983

the duties thereof until the next meeting of the senate, when he shall nominate some person to fill such office.

S10-2. When nominations are sent by the governor to the senate for confirmation, they shall not be acted on before the next succeeding legislative day, except nominations sent by the governor on the last legislative day of the session, which shall be acted upon that day.

SENATE RESOLUTION NO. 2

A RESOLUTION OF THE SENATE OF THE STATE OF MONTANA MEMORIALIZING MONIDA STAFFORD VAUGHN.

WHEREAS, the Senate of the State of Montana recognizes the following concerning Monida Stafford Vaughn, Senate Business Manager:

(1) In her more than 10 sessions of service as Senate Business Manager, she became an integral part of the Senate, not only because of her total recall of administrative matters but also because of her charm and warmth.

(2) Before the days of computerized inventories, Monida's brain was one. She knew the what and where of every single desk, chair, table, file cabinet, trash basket, paper, pencil, paper clip, or any other item belonging to the Montana Senate. However, she accepted the computer age and this past summer spent many hours preparing documents concerning each item belonging to the Senate so such information could be entered on the State's central computerized inventory, a service for which she refused pay.

(3) Monida S. Vaughn had a place for everything and everything had its place. She was organized and dedicated. In fact, one of her last acts consisted of writing a detailed note to her friends and coworkers, Earl Moritz and Ralph Erving, explaining exactly what had to be done that day, the exact location of each item that might be needed, and apologizing for being ill.

(4) Monida had a special place in her heart for the hundreds of young people who served as Senate pages during her tenure. The young people of Montana were a special part of her life.

(5) Monida's Christian faith was evident in her every act, and she often led the Senate in prayer as acting chaplain.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE SENATE OF THE STATE OF MONTANA AND ITS STAFF:

That on Saturday morning, January 8, 1983, the State of Montana lost one of its most dedicated, selfless servants, and we have all lost a dear friend. And while Monida will be fondly remembered in many different ways, those of us who knew her through the Legislature will cherish her in our memories for the kind, gentle, and caring person she always was. Monida loved people and people loved her. By her daily example she taught us what it means to serve others. Always cheerful and patient,

HeinOnline -- 1983 vol. III 1922 1983

Monida Vaughn was a comforting presence in our midst. To know and work with her was a privilege and a joy for each of us. It has been often said that the principal benefit of being a part of the Legislature is that you become friends with so many genuine people. Monida Vaughn was a personification of that. She will be deeply missed by the members and staff of this Montana Senate and others who have served before and, like us, have had their individual lives enriched through having known this compassionate Christian lady.

BE IT FURTHER RESOLVED, that we know Monida has been reunited with her dearest friend, Anne Wierenga, and with her Lord Jesus Christ, to whom Monida Stafford Vaughn's entire life was a testament.

SENATE RESOLUTION NO. 3

A RESOLUTION OF THE SENATE OF THE STATE OF MONTANA THAT THE DEPARTMENT OF ADMINISTRATION PROCEED WITH THE CAPITOL RENOVATION PLAN THAT RETAINS THE SENATE CHAMBERS IN THEIR PRESENT LOCATION.

WHEREAS, the Montana Supreme Court has decided the matter of Pat M. Goodover, State Senator, and Carroll A. Graham, State Senator, vs. the Department of Administration, et al., wherein the Department of Administration was enjoined against relocation of the Senate chambers until legislative consent has been obtained; and

WHEREAS, the Montana Supreme Court stated in its opinion that "the Montana State Senate, a distinguished, honorable, and independent arm of the legislative body, has the right to determine where it will sit"; and

WHEREAS, the time for making the decision on the location of the Senate chambers and letting bids for renovation of the State Capitol is propitious in view of the upcoming construction season and in the interest of saving time and money; and

WHEREAS, there is an alternate plan for Capitol renovation that was proposed during the meeting of the 47th Legislature which retains the Senate chambers in their present location.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE OF MONTANA:

That the Department of Administration is directed to proceed with the alternate plan for Capitol renovation as proposed during the meeting of the 47th Legislature, which plan retains the Senate chambers in their present location.

BE IT FURTHER RESOLVED, that the Secretary of State deliver a copy of this resolution to the Director of the Department of Administration.

HeinOnline -- 1983 vol. III 1923 1983

SENATE RESOLUTION NO. 4

A RESOLUTION OF THE SENATE OF THE STATE OF MONTANA TRANSMITTING RECOMMENDATIONS TO THE MONTANA DISTRICTING AND APPORTIONMENT COMMISSION REGARDING ITS REDISTRICTING PLAN SUBMITTED UNDER ARTICLE V, SECTION 14, OF THE MONTANA CONSTITUTION.

WHEREAS, a Montana Districting and Apportionment Commission was appointed in 1979; and

WHEREAS, the Montana Districting and Apportionment Commission has prepared its reapportionment plan for the legislative and congressional districts and delivered the plan to the 48th Legislature on January 5, 1983, pursuant to Article V, section 14(3), of the 1972 Montana Constitution and pursuant to 5-1-101, MCA; and

WHEREAS, the Senate must return the plan to the Commission with its recommendations on or before February 4, 1983, in accordance with the Montana Constitution; and

WHEREAS, the Senate chooses to return its recommendations in the form of a simple resolution; and

WHEREAS, the Senate of the State of Montana has considered the plan in its entirety and conducted a public hearing beginning January 20, 1983, at 10:30 a.m. and continuing for a period of 3 days; and

WHEREAS, no substantial objections were received as to the congressional redistricting; and

WHEREAS, substantial testimony and objections were received concerning the legislative reapportionment plan; and

WHEREAS, the Senate of the State of Montana, 48th Legislative Assembly, desires to express its approval of the congressional redistricting and disapproval of legislative redistricting; and

WHEREAS, the United States Constitution has recognized certain criteria to be implemented by the states in accordance with the one-man one-vote requirement of the 14th amendment to the United States Constitution; and

WHEREAS, this plan does not encompass a rational state policy; and

WHEREAS, this plan unduly tears apart political subdivisions; and

WHEREAS, this plan does not have compact districts of contiguous territories; and

WHEREAS, this plan does not preserve natural or historical boundary lines; and

WHEREAS, this plan does not incorporate the criteria of size and homogeneity of districts; and

HeinOnline -- 1983 vol. III 1924 1983

WHEREAS, this plan does not take into consideration the location of shopping centers; and

WHEREAS, this plan does not take into consideration the pattern of roads; and

WHEREAS, this plan does not include areas of coverage of daily and weekly newspapers or radio and television broadcast areas; and

WHEREAS, the Commission set an arbitrary deviation factor of 5% plus or minus from the ideal representative district population as its ultimate goal and disregarded all other criteria mentioned above; and

WHEREAS, Montana districts in several instances have an excessive deviation from the ideal representative district population; and

WHEREAS, in some districts it is obvious there was no good faith effort to achieve a goal of zero percent deviation from the ideal district population; and

WHEREAS, this plan is in violation of the one-man one-vote interpretation of the 14th amendment to the United States Constitution and Article V, section 14, of the Montana Constitution requiring "all districts will be as nearly equal in population as practicable"; and

WHEREAS, each Montana Senate district must have an identifiable representative; and

WHEREAS, the Commission failed to assign Senators to new districts who have terms which expire in 1986; and

WHEREAS, the Commission submitted an incomplete plan in that it failed to designate election dates for the new districts consistent with the Montana Constitution Article V, section 3; and

WHEREAS, a majority of states allow holdover Senators to serve under a new reapportionment plan and courts have held this not to be in violation of the people's constitutional rights; and

WHEREAS, in the relatively few states which have permitted the shortening of state senators' terms, one of the following has existed:

(1) express provision in the state constitution or statute;

(2) implementation by voter initiative; or

(3) elected Senators were subsequently found by the courts to have been elected under a previously unconstitutional apportionment plan; and

WHEREAS, none of these special circumstances exist in the state of Montana; and

WHEREAS, the Attorney General of the state of Montana has issued an opinion to the President of the Montana Senate indicating the necessity of designating districts for holdover senators whose terms do not expire until 1986; and

WHEREAS, the 14th amendment to the United States Constitution requires that no state shall make or enforce any law which shall abridge

HeinOnline -- 1983 vol. III 1925 1983

the privileges or immunities of the citizens of the United States; nor shall any state deprive any person of life, liberty, or property, without due process of law, nor deny to any person within its jurisdiction the equal protection of the law; and

WHEREAS, Article II, section 4, of the Montana Constitution provides that no person shall be denied equal protection of the law and no person shall be discriminated against in the exercise of his political rights on account of culture, social origin or conditions, or political ideas; and

WHEREAS, it is the intent of the Montana Constitution that the chairman of the Districting and Apportionment Commission serve in a nonpartisan capacity in order to preserve the rights of the people of Montana; and

WHEREAS, the preponderance of the testimony presented to the Senate Standing Committee on State Administration evidenced political discrimination by a majority of the members of that Commission against certain political-social groups; and

WHEREAS, the records of the actions of the Commission in formulating the plan indicate 61 contested votes, 2 of which were merely procedural, and 57 other votes where the majority was made up of members of one political party; and

WHEREAS, the chairman of the Districting and Apportionment Commission has admitted that he acted in a partisan capacity throughout the redistricting process and this resulted in the Commission acting in a partisan manner throughout the entire redistricting process; and

WHEREAS, the resultant legislative redistricting clearly evidences this political bias in favor of the Democratic party to the exclusion of all other bases for redistricting; and

WHEREAS, this resulted in an invidious discrimination against the people of Montana and their social, cultural, and political beliefs and ideas; and

WHEREAS, these actions by the Districting and Apportionment Commission yielded a constitutionally infirm plan for the redistricting of Montana's legislative districts under both the Montana and United States Constitutions; and

WHEREAS, the Commission members are not elected by the people or appointed by the Governor subject to confirmation by the Senate; and

WHEREAS, Montana Constitution Article V, section 14(2), does not provide for any regulation or control over the Commission; and

WHEREAS, the Commission members are not responsible to anyone; and

WHEREAS, large segments of people in the state of Montana are being deprived of their right to a republican form of government as provided by the United States Constitution Article IV, section 4, which provides "the United States shall guarantee to every state in the union a republican form of government . . ."

HeinOnline -- 1983 vol. III 1926 1983

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE OF MONTANA:

That the Senate recommends that the Montana Districting and Apportionment Commission adopt the congressional redistricting plan;

BE IT FURTHER RESOLVED, that the Montana Districting and Apportionment Commission redraw its redistricting plan of the legislative districts of Montana in order to meet the constitutional requirements and objections mentioned above; and

BE IT FURTHER RESOLVED, that the attached recommendations be adopted by the Commission in redrawing the legislative districts of Montana (see attached maps and recommendations); Attachment B, pages 1 through 4 (11 maps).

BE IT FURTHER RESOLVED, that the Montana Districting and Apportionment Commission designate senatorial districts for each senator whose term expires in 1986 in such a manner that each Senate District have an identifiable representative; and

BE IT FURTHER RESOLVED, that the Montana Districting and Apportionment Commission establish election dates for the Senate Districts consistent with Montana Constitution Article V, section 3; and

BE IT FURTHER RESOLVED, that if there is insufficient time for the Commission to accomplish such task that the Montana Supreme Court assume the responsibility of redistricting and reapportionment; and

BE IT FURTHER RESOLVED, that copies of the following documents be attached to this resolution:

(1) Attorney General Opinion to Senator Stan Stephens dated January 21, 1983; Attachment C, 3 pages.

(2) The Senate Journal for the third legislative day; Attachment D, 3 pages.

(3) Minutes of the meeting of State Administration Committee of January 20, 1983, at 10:30 a.m. regarding Reapportionment Commission. Attachment E, 28 pages.

BE IT FURTHER RESOLVED, that copies of this resolution and attachments be sent by the Secretary of State to the chairman of the Montana Districting and Apportionment Commission; the Honorable Ron Marlenee, Congressman from the Second Congressional District; and the Honorable Pat Williams, Congressman from the First Congressional District.

RECOMMENDATIONS

(1) Senate Districts 25, 28, 29, 32, 33, and 34, as adopted by the Commission, be withdrawn and the following House Districts be paired to form Senate Districts:

HeinOnline -- 1983 vol. III 1927 1983

50 and 57
56 and 58
55 and 63
64 and 65
66 and 67
68 and 49;

(2) House Districts 64 through 66, as adopted by the Commission, be withdrawn and the plan for Ravalli County referred to by the Commission as plan B be adopted. (Plan B creates three house districts solely within the boundaries of Ravalli County. Generally, one house district is in the southern half of the county; the northern half of the county is divided into an eastern and a western house district);

(3) House Districts 9, 11, and 12, as adopted by the Commission, be withdrawn and the plan for Glacier, Pondera, and Teton Counties referred to by the Commission as plan 2 be adopted. (Generally, plan 2 places eastern Pondera County in a house district with Teton County and places western Pondera County, including Conrad, in a house district with a portion of Glacier County, including a portion of Cut Bank);

(4) The house districts consisting generally of Glacier and western Pondera Counties, as recommended in subsection (3), be paired to form a senate district and the house district consisting of Teton and eastern Pondera Counties, as recommended in subsection (3), be paired to form a senate district with the Commission's proposed House District 10.

(5) Senate Districts 17 through 19, as adopted by the Commission, be withdrawn and the following House Districts be paired to form Senate Districts:

33 and 37
34 and 35
36 and 38;

(6) House Districts 23, 24, 27, 28, 99, and 100, as adopted by the Commission, be withdrawn and the plan referred to by the Commission as plan X for Big Horn, Powder River, Carter, Fallon, Wibaux, Dawson, McCone, Garfield, Rosebud, and Treasure Counties be adopted. (Plan X generally combines: all of Powder River, Carter, and Fallon Counties into one House District; Wibaux and a part of Dawson County into one House District; the remainder of Dawson County and McCone County into one House District; Garfield, Treasure, and a portion of Rosebud County into one House District; the remainder of Rosebud County and a portion of Big Horn County, including all of the Northern Cheyenne Reservation and a portion of Hardin, into one House District; and the remainder of Big Horn County, including a portion of Hardin and all of the Crow Reservation contained in the county, into one House District);

(7) Senate Districts 7 and 8, as adopted by the Commission, be withdrawn and the following House Districts be paired to form Senate Districts:

HeinOnline -- 1983 vol. III 1928 1983

14 and 15
13 and 16;

(8) House Districts 83 and 86 through 90, as adopted by the Commission, be amended so as to place areas in Yellowstone County which are urban in nature with predominantly urban districts and areas which are rural in nature with the district consisting primarily of rural Stillwater County. This recommendation additionally shifts an area in the eastern portion of House District 87 into House District 88, an area in the southern portion of House District 88 into House District 89, and an area in the southwest portion of House District 89 into House District 87.

(9) The following plans be studied by the Commission and be worked into a form that can be incorporated into the legislative redistricting plan:

(a) The plan for northeast Montana, which includes House Districts A through F in Sheridan, Daniels, Roosevelt, Valley, Phillips, Blaine, and portions of Fergus and Chouteau Counties; and

(b) The plan for Gallatin, Madison, and Silver Bow Counties, which includes 11 house districts.

STATE
OF
MONTANA
ATTORNEY GENERAL
MIKE GREELY
[illegible] JUSTICE BUILDING, HELENA, MONTANA 59620
TELEPHONE (406) 449-2026

ELECTIONS - Election of state senators, length of term of office after reapportionment;

LEGISLATURE - Length of term of office of state senators after reapportionment;

REAPPORTIONMENT - Length of term of office of state senators after reapportionment;

OPINIONS OF THE ATTORNEY GENERAL - 40 Op. Att'y Gen. No. 1 (1983);

MONTANA CONSTITUTION - Article V, sections 3 and 14.

HELD: The terms of office of members of the Montana State Senate who were elected in 1982 may not be shortened as a result of reapportionment and redistricting.

21 January 1983

Senator Stan Stephens
Office of the President
Montana State Senate
P.O. Box 156, Capitol Station
Helena, Montana 59620

Dear Senator Stephens:

You have requested my opinion as to whether the terms of office of members of the Montana State Senate who were elected in 1982 must be shortened as a result of reapportionment and redistricting.

As you noted in your request, I recently issued an opinion concerning a similar inquiry having to do with the terms of office of Missoula aldermen. See 40 Op. Att'y Gen. No. 1 (1983). That opinion concluded that aldermen elected to four-year terms in 1981 did not need

HeinOnline -- 1983 vol. III 1929-13 1983

C (2)

to run for re-election in 1983 as a result of reapportionment and redistricting. The conclusion was based on the fact that Montana state law provided for four-year terms for aldermen, without establishing any procedure for shortening the terms after reapportionment. No Montana Supreme Court decision has been rendered on this issue, so research of the law in other states was necessary. This research disclosed a number of court decisions in jurisdictions where similar questions had arisen. Those decisions hold that unless there is a constitutional or statutory provision authorizing shortened terms, an elected official whose term runs beyond the reapportionment year may be held over for the duration of the term for which he or she was elected without resulting in a violation of the notions of equal protection and representative government. I refer you to the cases cited in the Missoula aldermen opinion.

With respect to the terms of State Senators, the Montana Constitution, Mont. Const. art. V, § 3, provides for four-year terms on a staggered basis. The 1972 Constitution's Transition Schedule contained a procedure for all senate terms to end on December 31, 1974, and for the State Senators subsequently elected to draw lots to establish a term of two years for one-half of their number. This provision specifically applied to the first election of state legislators to take place after the reapportionment plan became effective in February, 1974, and was necessary to implement the 1972 Constitution's new requirement of staggered terms for State Senators. That section of the Transition Schedule was to be removed from the Constitution as soon as it had been executed. The provisions of section 5, Terms of Legislators, were executed and certified by a letter from the Attorney General to the Secretary of State on March 24, 1977.

The transcripts of the 1972 Constitutional Convention include a brief discussion by delegates as to whether terms of state senators should be shortened upon reapportionment. See March 7, 1972, transcript at 1568-69. The discussion is inconclusive with one delegate suggesting that if the terms were to be shortened the convention should specifically address that issue, and another delegate noting that the courts would deal with the problem. Even if the transcripts were clear as to the constitutional delegates' intent, the courts would not consider them unless there is some ambiguity in the language of the Constitution. See Sutherland, Statutes and Statutory Construction (1973)

HeinOnline -- 1983 vol. III 1929-14 1983

at § 46.04. The language of Mont. Const. art. V, § 3 is clear. State Senators shall be elected for a term of four years. The Montana Constitution and Montana statutes provide no authority for changing those terms after reapportionment. The terms of those members of the State Senate who were elected in 1982 do not expire until 1986.

The reapportionment plan is the responsibility of the Montana Districting and Apportionment Commission. The Commission has the inherent authority under the Montana Constitution Article. V, section 14 to do what is necessary to implement a plan that complies with the State's laws. See Cargo v. Paulus, 635 P.2d 367 (1981). This means that the Commission must not only redraw district boundaries, but also designate the election dates for the new districts. Various states have handled the details of reapportionment differently with respect to how holdover senators fit into the reapportionment plan. In Montana, these details are the responsibility of the Districting and Apportionment Commission.

THEREFORE, IT IS MY OPINION:

The terms of office of members of the Montana State Senate who were elected in 1982 may not be shortened as a result of reapportionment and redistricting.

Very truly yours,

MIKE GREELY
Attorney General

SENATE JOURNAL
of the
Forty-eighth Legislature

OFFICE OF THE SECRETARY OF THE SENATE

THIRD LEGISLATIVE DAY

Helena, Montana
January 5, 1983

Senate Chamber
State Capitol

Senate convened at 1:16 p.m., President Stephens presiding. Invocation by the Chaplain. Pledge of Allegiance to the Flag.

Roll call. All members present except Goedover, excused. Quorum present.

Mr. President: We, your Committee on Bills and Journals, having examined the daily journal for the second legislative day, find the same to be correct.

Tveit, Chairman

REPORTS OF STANDING COMMITTEES

BILLS (Tveit, Chairman):
Correctly printed and placed on the members' desks: SB 14, SB 15.

LEGISLATIVE ADMINISTRATION (Kolstad, Chairman):
SB 10, do pass. Report adopted.

FIRST READING OF BILLS

The following Senate bills were introduced, read first time, and referred to committee:

SB 25, introduced by Hager. Referred to Committee on Highways and Transportation.
SB 26, introduced by Hager, (By Request of the Department of Health and Environmental Sciences). Referred to Committee on Public Health, Welfare and Safety.
SB 27, introduced by Story. Referred to Committee on Education.
SB 28, introduced by Story. Referred to Committee on State Administration.
SB 29, introduced by McCallum, (By Request of the Joint Subcommittee on Business). Referred to Committee on Agriculture, Livestock and Irrigation.
SB 60, introduced by Conover. Referred to Committee on Agriculture, Livestock and Irrigation.
SB 61, introduced by Norman. Referred to Committee on Public

HeinOnline -- 1983 vol. III 1929-17 1983

Health, Welfare and Safety.

At the request of Senator Hazelbaker, and without objection, the Senate reverted to Order of Business No. 6.

MOTIONS

Senator Hazelbaker moved that the President be empowered to appoint a committee of three to notify the House of Representatives that the Senate is ready to meet in joint session. The motion carried unanimously.

President Stephens appointed Senator Aklestad, Chairman, Senator Gage, and Senator Regan. The committee was then dismissed to notify the House of Representatives that the Senate was ready to meet in a joint session.

Senator Hazelbaker moved that the Senate stand in recess subject to the call of the chair. Motion carried unanimously.

Senate recessed at 1:21 p.m.

Senate resumed at 1:22 p.m.

At the request of the President, and without objection, the Senate reverted to Order of Business No. 5.

MESSAGES FROM THE HOUSE OF REPRESENTATIVES

Representative Bengtson and her committee from the House of Representatives informed the Senate that the House awaited its presence in the House to hear the Reapportionment Commission.

President Stephens advised that the Senate accepted and would be there shortly.

At the request of the President, and without objection, the Senate reverted to Order of Business No. 3.

REPORTS OF SELECT COMMITTEES

The Sergeant-at-Arms announced the committee of three to notify the House of Representatives that the Senate was ready to meet was at the door. Senator Aklestad reported they had informed the House that the Senate would enjoy being in session with the House. Senator Aklestad also reported the House was ready to receive the Senate.

MOTIONS

Senator Hazelbaker moved that the Senate recess and proceed to the House of Representatives for the purpose of receiving the Reapportionment Plan and Reapportionment Commission. Motion carried unanimously.

HeinOnline -- 1983 vol. III 1929-18 1983

Senate recessed at 1:26 p.m.

Joint Session convened at 1:30 p.m.

JOINT SESSION - REAPPORTIONMENT COMMISSION

Senator Hazelbaker moved that the body resolve itself into a joint session for the purpose of receiving the Reapportionment Plan from the Reapportionment Commission. Motion passed unanimously.

Senator Hazelbaker moved that the roll of the joint session be dispensed with. Motion passed unanimously.

Senator Hazelbaker moved that the joint session resolve itself into the Committee of the Whole for the purpose of the hearing. Motion passed unanimously.

PRESIDENT STEPHENS: Ladies and Gentlemen of the House and Senate and Distinguished Guests and Members of the Reapportionment Commission:

Before introducing the members of the Commission, we would like to explain to the members of the Legislature that this joint session today is an informal hearing only on the Reapportionment Plan. The format of this afternoon session will be a presentation by the Reapportionment Commission and the staff. At the conclusion of their official presentation, we will entertain questions to members of the Commission and Anne Bradsky by any member of the Legislature. We ask that you limit your questions to the scope of general in nature. We will not, today, entertain any questions regarding the specific parameters of the districts or the individual concerns of a particular legislator. You will have ample opportunity to address those issues and air your feelings at subsequent hearings in the House and the Senate. That's when we get down to the nitty gritty of the specifics. Today, we ask that we keep to the general scope of the overall reapportionment process.

I am sure that Speaker Kemmis has informed you that in Room 316 we have a staff room that contains all the reapportionment maps which are the product of this Reapportionment Committee's endeavor. They are there along with Anne Bradsky, the staff researcher, to answer any questions and explain anything you may wish to know that you now have under consideration. It may well serve you to just ask questions about your own area so that you are fully informed and better able to express your opinions.

I will now introduce the members of the Commission. Eugene Mahoney, Chairman of the Commission, is unable to be with you today. The two Democratic members are JoAnn Woodgerd, Stevensville, Jim Patma, Havre, Mrs. Jack Galt, Helena, and John Poore, Havre. These are the four members. The Chairman of the Commission is unable to be here, Mr. Eugene Mahoney, Thompson

HeinOnline -- 1983 vol. III 1929-19 1983

Falls.

The purpose of the presentation is to present the project to the Legislature. JoAnn Woodgerd will begin the presentation.

COMMISSIONER WOODGERD: I have a statement that Chairman Mahoney dictated to the Legislative Council which reads as follows:

Mr. President, Mr. Speaker, Members of the 48th Legislative Assembly. This is the time and place set for the formal presentation of the Commission's plan for redistricting the congressional districts and the Montana House of Representatives and Montana Senate to the Montana Legislature convened in regular session as required by the Montana Constitution. Before doing this I would like to briefly discuss the method of appointment and the constitutional criteria under which we must operate.

The Commission is composed of five persons, two appointed by the majority leadership and two by the minority leadership. The four so appointed were to select the fifth member who is automatically the chairman. In the event the four cannot agree then it becomes the duty of the Supreme Court to appoint the fifth member. I was appointed by the Supreme Court. Two of the original commissioners are no longer with us. Mary Bell is now deceased and Nancy Mageneis married and moved to New Zealand.

The present Commissioners are as follows: Louise Galt, Helena, Montana; JoAnn Woodgerd, Stevensville, Montana; Jim Pasma and John Kuhr both from Havre, Montana. I am from Thompson Falls, Montana. In forming legislative districts the Commission must adhere to the state's constitutional requirements of population equality, compactness, and contiguity. The ideal house district population is 7,867, the state's population divided by 100. The Commission is attempting to create districts that will deviate from that ideal by no more or less than 5%, thus the acceptable population range is 7,473 to 8,260. The Commission uses 1980 census data as its population base. The other criteria adopted by the Commission for forming districts are: the consideration of geographic boundaries such as the continental divide or major rivers; government boundaries, such as Indian reservations, county, city, legislative, and precinct lines; and communities of interest such as trade areas, communication networks, etc.

The Commission adopted Plan C for the congressional districts which to date has met with complete approval of everyone including the political parties, the two congressmen and the people in the districts involved. The overall range expressed in absolute and relative terms is 94 or .02%.

The senatorial districts presented some problems particularly in western Montana and the Commission asked for recommendations and suggestions on these. I am very sorry I am unable to be present but it appears that my trip to Helena has been jinxed from

HeinOnline -- 1983 vol. III 1929-20 1983

the very beginning. I started out from Tucson last evening. My flight was 1 1/2 hours late into Salt Lake and therefore missed connections into Helena. The plane that was to arrive in Helena at 12:40 had problems and will not leave Salt Lake until 2:10. I wish to assure the members of the legislature and its respective committees that I will try to make myself available for any future meetings if they so desire. One of the commission members will make the formal presentation to you. Thank you very much.

Jim Pasma will make the formal presentation.

COMMISSIONER PASMA: It is with some pride and certainly a good deal of relief that I present this report and recommendations on behalf of the Reapportionment Commission. Anne Brodsky will now make a presentation.

BRODSKY: Mr. President, Mr. Speaker, and Members of the House and Senate of the 48th Legislative Assembly:

I am here today to present a rational and systematic account of a process which I understand is regarded by most everyone else as only mysterious and highly emotional.

Before I begin this presentation, I wish to clarify what my role has been as Legislative Researcher for the Commission. I believe that there has been a certain amount of misunderstanding as to who has been responsible for the decisions, particularly as I walk through the halls of the Capitol and am questioned, "What have you done with my district?" The Reapportionment Commission has been responsible for the districting decisions. I have acted as researcher and have provided technical assistance and provided the Commission with options. My role with the Commission is probably particularly important during the next 30 days when I will be available to you on a regular basis to discuss districting proposals. I emphasize that the opinions you have must be presented directly to the Commission rather than to me.

When you do meet again in your separate sessions, you will have on your desks packets of information from the Reapportionment Commission containing several items, including a copy of the provisions of the Montana Constitution pertaining to reapportionment. You will also have a map of the Commission's tentative Congressional district plan as well as a color-coded map of the legislative districts that the Commission has tentatively adopted. This is not a final district plan--there will still be the opportunity for change. The numbering system now before you on the map is different than this numbering system with which you have been familiar during the last couple of years. For example, the district in Powell County has been referred to as 10%. Now we have renumbered it as District 49. The numbering system starts in the Northwest corner, and Lincoln County is No. 1. Also in this packet is a cross-reference system of the old numbering system used and the new numbering system adopted. Also, there is a brochure from the Census Bureau which indicates population counts

HeinOnline -- 1983 vol. III 1929-21 1983

for the counties, county census divisions, and incorporated places as well as census data for 1970 and 1980 with an indication of the percentage change in population over the decade.

As Senator Stephens stated, we have set up in Room 316 a set of display maps of the new legislative districts. There will be the statewide map displayed on the wall and maps of any counties that contain more than one legislative district with the boundaries highlighted in red. Also displayed are city maps with highlighted district boundaries. These maps will be on display during the next 30 days for your review and perusal. I will be available to meet with any of you who have questions on the district boundaries or for those of you who would like to devise alternative proposals that you may wish to propose to the Commission.

Reapportionment is the redistricting of political district boundary lines, and the process is undertaken every ten years in every state of the country. Primarily, the purpose is to create political districts that are roughly equal in population so that the weight of one person's vote is equal to the weight of another's. The basis of the decisions was the Equal Protection Clause of the U.S. Constitution for state legislative districts and Article I, Section II of the Constitution for congressional districts requiring districts to be apportioned on the basis of population.

Four members of the Commission were appointed in 1979 by the House and Senate Majority and Minority leaders. Within 20 days after their designation, the four Commissioners were to select the fifth member to serve as the Chairman of the Commission. If the four members failed to select a fifth member within the time prescribed, the Supreme Court was responsible for selecting him. In 1979, as in 1973, the four members were unable to agree on the fifth member, and the Court made the appointment. The Commission was responsible for redrawing both legislative and congressional districts. The plan must be submitted to the first Legislature meeting in regular session after the Commission's appointment in 1979, and after the census figures are available. Census figures were available in March, 1981. This is the first regular session meeting following those events. The Legislature has 30 days to review the Commission's plan from the time that the Commission does submit the plan to the Legislature so that by February 4, this legislative assembly must return the plan with Legislators' recommendations back to the Commission. Thirty days following the receipt of the Legislature's recommendations by the Commission, the Commission must file the final plan at the Office of the Secretary of State, and at that time the plan becomes law and the Commission is dissolved.

The State Constitution has established certain criteria that the Commission must adhere to. The Constitution requires that single-member districts be formed and be nearly equal in population as possible with districts made up of compact territory and contiguous to each other. There are consequent stipulations

HeinOnline -- 1983 vol. III 1929-22 1983

that the House of Representatives must be between 80 and 100 districts and that the Senate be half of that number: 40-50 districts.

One of the first tasks undertaken by this Commission was to establish that it would attempt to create the districts keeping with tradition. The change in congressional districts was received without objections to date from any people. The change that was made between the existing district and recommended new district included Toole, Liberty, Pondera and Meagher counties being moved from the Eastern to Western District. The difference in population of the two districts is 47 people above the ideal district size in the Eastern District and 47 below in the Western District. This was an overall range of 94 people, a .02 percent deviation. The overall relative range of the 100 House districts is 10.94 percent and the overall range of the 50 Senate districts is 10.18 percent. This seems to be relatively a good improvement over the plan created by the 1973-74 Reapportionment Commission, where the overall range was 15.48 percent for the House of Representatives, while the overall range in the Senate was 13.08 percent. The 100 House districts were created first and we returned to pairing those to the Senate districts. Once it was realized that rarely could all the criteria be met in creating individual House districts, the task became that of applying a balancing test of the criteria in the individual House districts and on a regional basis. The Commission discovered that districts could not be created in an isolated manner and that a decision made in one area would have effects that would extend across the entire state, creating a ripple effect. Although the Commission first took action on districts in Northeastern Montana, it is my sentiment that the Commission did not actually begin in Eastern Montana. It continually moved east to west, north to south, west to east, south to north, throughout the whole process. No one was left behind, and it was up to the Commission to look at the entire picture. For example, in Meagher County the Commission considered placing that county in the district to the north of it, south, east, and west. The Commission looked at all of these options and had to make its decision based on the best available alternatives for entire areas.

The Commission did proceed from the rural to the urban areas, and the reason for this progression was that the census data from which the Commission worked was available in more flexible terms in the urban centers than it was available in the rural areas. In rural areas, the smallest census unit available was an enumeration district, and it usually comprised a large geographic area and often contained a large population. For example, one enumeration district outside Helena contained over 3,000 people, which is just under 50 percent of a district size, and this district creates significant limitations on the options available to the Commission. In contrast, in the urban centers the census provided details on a block-by-block basis, and the population contained in the census block was usually under 100, the average between 30 and 60 people; and having that great amount of flexibility, the

HeinOnline -- 1983 vol. III 1929-23 1983

Commission worked on these areas last.

In developing the proposals I had access to all the census material, and I put proposals together for the Commission's review based on the criteria they had set forth, and I put together these proposals with many of your incumbent legislators, local planners, County Clerks and Recorders and others. In some areas of the state we put together anywhere from five to seven proposals. They were drafted into set forms and they brought that proposal to a public hearing. In other areas all parties agreed on one proposal, and only one proposal was presented to the Commission. The Commission did its work on a regional basis and hearings were conducted on a regional basis. Northwest Montana was divided into 21 House districts; Missoula County 7; Ravalli County 1; Silver Bow, Powell, Granite and Deer Lodge Counties contained eight districts. In Gallatin County the Commission considered whether to create 5 or 6 districts. In Lewis and Clark County there were 5 House districts; in Cascade County there are ten. The Glacier County area had 7 House districts, and Northeast Montana 5. In Central Montana, Fergus, Petroleum, Judith Basin Counties had 4, Bighorn, Garfield, Rosebud and all counties east of these had 10 House districts; Yellowstone County 14; Park, Sweetgrass, Stillwater, Carbon, 4.

Hearings were held throughout the State. The Commission received quite a bit of input from the public before they made decisions. Decisions made were tentative ones. They have been changed throughout the whole process, and even now the proposals being presented to the Legislature are tentative proposals and do not become final until the plan is filed with the Secretary of State. I will read from the minutes of the Commission in November in which they specifically requested that the Legislature offer its recommendations:

"Commissioner Woodgerd moved that the Commission present the plan to the Legislature with the Senate districts as currently adopted with a note that we realize that the alignment of senate districts in Western Montana may not be the best possible alignment and that we particularly would like their comments and suggestions for other methods of aligning Senate districts before we adopt our final plan. Commissioner Pasma seconded the motion. Vote on motion: Aye - Pasma, Woodgerd, Mahoney. No - Gelt, Kuhr. The motion passed."

Western Montana is one of the examples in which there seems to be no perfect alternative available. There are an odd number of House districts, 25, in an area that would logically be a contained area in which the districts would be paired into the Senate districts. One of those districts will have to be paired outside the area. This is a dilemma similar to the dilemma throughout the State in many areas.

The final point I want to mention today is that it is necessary that all Senators will be running for re-election in 1984, and

HeinOnline -- 1983 vol. III 1929-24 1983

that is because the new Senate districts that will be adopted and the Senate districts which are in effect right now will probably overlap, so that if all Senators were not to rerun, there would be instances in which a citizen would be represented by more than one Senator or would not have any Senate representative. So, all Senators will be running for re-election in 1984.

That concludes the presentation that I have to make. I personally commend the Commissioners for their dedication and doing a job that was bound to create more enemies than friends. I thank them for the support they have given me throughout this process.

PRESIDENT STEPHENS: We will entertain questions. If you will, please confine the questions to the nature of general questions concerning Anne's presentation today. There will be ample opportunity to ask specific questions when the hearings are held in the House and the Senate. The hearings will be held within the next thirty days. If you have a question, would you also please first identify yourself before directing the question to either Anne or to any member of the Reapportionment Commission.

The Chair recognizes Representative Pistoria.

REPRESENTATIVE PISTORIA: This has been asked by many at home. Suppose the State legislative body turns down this redistricting. What happens?

COMMISSIONER WOODGERD: Representative Pistoria, as we read the Constitution, it only allows for recommendations from the Legislature and does not allow the Legislature to turn down the plan as such.

PRESIDENT STEPHENS: The Chair recognizes Representative Nordtvedt.

REPRESENTATIVE NORDTVEDT: Realizing that you need some kind of variation which in this case was plus or minus 5 percent from the ideal to get the job done, if one finds three, four, or five legislative districts all together in one or another part of the State, or 5 percent above the ideal or 5 percent below the ideal, are we to view this as chance?

COMMISSIONER PASMA: I think we all know what you are referring to. I believe the Commission treated the county in question fairly, and it was just chance that the House Districts there were over the ideal size. In my opinion, Representative Nordtvedt, you can view it any way you want to. I voted the same all four times, and I'd vote the same four more times, because you are wrong.

PRESIDENT STEPHENS: The Chair recognized Senator Aklestad.

SENATOR AKLESTAD: Mr. President, I have a question for Mr. Kuhr. I would be interested in what agreement there was since

HeinOnline -- 1983 vol. III 1929-25 1983

there were five members on the Commission, and particularly interested in knowing since there were three Democrats and two Republicans, how many of the decisions were actually made on a partisan basis across the State as I look at the map?

COMMISSIONER KUHR: I can't speak for the other members of the Commission. I can suggest that early on it became very apparent that our process would be a partisan process. I recently read through all the minutes. There were sixty-one contested motions that we passed during the hearing process. On fifty-seven of those, the chair voted with the two Democratic members of the commission--Pasma and Woodgerd. On two of the remaining four, the Chair abstained from voting, which effectively defeated motions that Mrs. Galt and I made. The remaining two were these: At Havre we had a question involved in numbering 219 and 220 and wanted to get those on the table. The Chairman felt it would be a good idea to get them on the table in the form of a tentative motion. He did vote with Mrs. Galt and I on that issue. The only other situation he voted with us was when we had a hearing in Helena and there was a request from one of the county officers to realign a county line so she could take care of precinct lines. The Chairman suggested it was a housekeeping matter and did vote with Mrs. Galt and I. There were only those instances that I am aware of. The ultimate approval was a 3-2 vote with the Chair voting with the Chair voting with the two Democratic members. Mrs. Galt and I voted against the plan.

PRESIDENT STEPHENS: The Chair recognizes Senator Aklestad.

SENATOR AKLESTAD: Question for Mr. Pasma. In light of the message that was just received from Mr. Kuhr, I am just wondering how sincere you are that you are willing to listen to other alternatives from the Legislature in the upcoming thirty days of this process since you weren't very willing to listen to plans from the people that this Legislature represents at this time.

COMMISSIONER PASMA: Just as sincere, Senator Aklestad, as you are in asking the question. I would point out in defense of Senator Mahoney the two Republican members voted 100 percent of the time to damn it and for some reason that's in the best interest of the State. Apparently, when the Democrats voted together, there's something wrong with that. Did that answer your question?

SENATOR AKLESTAD: Not really. Are you still willing to listen to suggestions and make changes?

COMMISSIONER PASMA: Of course. We have throughout the entire State, and we will still be willing to do it until the final day the plan is voted on.

PRESIDENT STEPHENS: The Chair recognizes Senator Aklestad.

SENATOR AKLESTAD: Are you willing to adhere to the wishes of

HeinOnline -- 1983 vol. III 1929-26 1983

the majority of the people? I am wondering, if the majority of the Legislators agree that a district should be different, are you going to adhere to those wishes?

COMMISSIONER PASHA: I would have to see the plan they propose before it is approved. If we worked on your suggestion, we would have an amazing conglomeration of districts. Each Legislator would have a different list pretty much of their own to protect his own interests, so that is the very reason that the Commission was established.

PRESIDENT STEPHENS: Hearings will be held by both the House and Senate, with intent to hold those hearings no more than a day apart to accommodate Commission members who may have extensive travel plans or have to travel a great distance to reach Helena. There will be plenty of notice on the hearing dates. You are invited to visit with Anne and staff and take a look at display maps.

The Chair recognizes Representative Bardanouve.

REPRESENTATIVE BARDANOUVE: There seems to be a possibility of a partisan tone to this hearing. I wonder how many times that the Commission voted together as a body. I think that has some significance. How many times did you agree on the proposals?

COMMISSIONER KUHR: I didn't count these votes. On all the other issues that we are concerned with, it became apparent to Mrs. Galt and I early on that the Chair did not vote with the Republican side of the Commission. I think it's apparent to all of you that any Commission will be partisan, when you have two Republicans and two Democrats. I express to you my grave concern when you have a process as we did and traveled throughout the State of Montana and look at the results of what happened on the contested votes. That's where we had questions and division, and when one side of the aisle feels it was an aborted effort because the Chair will never be on your side, that's not just difficult for the members of the Reapportionment Commission or members of this body, that's a real concern to the people of the State of Montana.

PRESIDENT STEPHENS: The Chair recognizes Representative Bardanouve.

REPRESENTATIVE BARDANOUVE: I have highest respect for you and Mrs. Galt. I wasn't meaning to give any hassle, but I think that it is important to realize that there were times it seemed that there were certain Democratic Legislators eliminated from the legislative process and I never did hear in the press or anywhere about eliminating completely certain Democrats from the Legislature. Why was there not, at any time, a great hue and cry about getting rid of Democrats?

PRESIDENT STEPHENS: I believe that is a philosophical

HeinOnline -- 1983 vol. III 1929-27 1983

question, and I think you have made your point. If there are no further questions.

The Chair recognizes Senator Keating.

SENATOR KEATING: Mr. President, I would like to give a public acclamation for Anne Brodsky for what she did. She was between a bit and a hard place. Whenever I asked for anything she was very willing and helpful. I thought she did an excellent job considering the position she was in. I'd like to hear it for Anne.

PRESIDENT STEPHENS: If there are no further questions. The Chair recognizes Senator Hazelbaker.

MOTIONS

Senator Hazelbaker moved that the joint session of the Forty-eighth Legislature be adjourned. Motion carried unanimously.

Joint Session adjourned at 2:13 p.m.

Senate resumed at 2:18 p.m.

ANNOUNCEMENT OF COMMITTEE MEETINGS

Announcements of committee meetings were made.

Upon motion of Senator Hazelbaker, duly carried, the Senate adjourned at 2:24 p.m., until January 6, 1983, at the hour of 3:00 p.m. Motion carried.

STAN STEPHENS
President of the Senate

JOHN W. LARSON
Secretary of the Senate

HeinOnline -- 1983 vol. III 1929-28 1983

MINUTES OF THE MEETING
State Administration Committee
Montana State Senate

January 20, 1983
10:30 a.m.
Reapportionment Commission

SENATOR STORY: We welcome the visitors. The first thing I want to say is that this committee will always meet at 10:30. It may have been posted otherwise in some areas, but this is our permanent hearing time from now on. The Secretary will please call the roll.

SECRETARY. Senator Story, Senator Hammond, Senator Marbut, Senator Tveit, Senator Manning, Senator Stimatz, Senator Towe. All present.

SENATOR STORY: The committee being present, we will open for business and the business this morning is reapportionment. We are required by the Constitution to make a reply to the Reapportionment Commission. The vehicle for making this reply is Senate Resolution No. 4 which is being considered by Senator Kolstad on behalf of Senator Stephens. If you please.

SENATOR KOLSTAD: Mr. Chairman, members of the Committee on State Administration, my name is Allen Kolstad, Senator from Liberty County. It is my pleasure to represent Senate President Stan Stephens this morning. He was called out of town and couldn't be here. It is my privilege to present to you Senate Resolution No. 4 which is a simple resolution of the Montana Senate considering the Montana Reapportionment Redistricting Plan. On page 2 of this plan, line 6, Resolution providing conclusions and recommendations and modifications of the Reapportionment plan as it pertains to the proposed Senate Districts. Now, those recommendations and modifications will come as a result of the testimony before this committee today. And while much of it probably will be received today, I respectfully request, Mr. Chairman and members of the Committee, that this hearing remain open for several days for the purpose of providing you with additional testimony, much of which is being researched and not immediately available. With that, Mr. Chairman and members of the Committee, I respectfully submit to the Commission Senate Resolution No. 4.

SENATOR STORY: Thank you, Senator Kolstad. This resolution will be acted on the Friday after next, the 28th, which gives us time for floor action and we will take any testimony between now and then, that date. We would appreciate written testimony and consider it when we make our recommendation. Before we continue, could I see a show of hands. How many people are here to speak simply in favor of the present reapportionment plan as presented to us? Just one? Could I see a show of hands so I can tell how much time? Four.

[illegible]

[illegible]

HeinOnline -- 1983 vol. III 1929-29 1983

we will continue hearing from them until we have heard from everybody and then anybody else that you have that likes what's going on in conclusion. But first, would you like to say a few words?

EUGENE MAHONEY: Mr. Chairman and Members of the Committee, for the matter of the record, my name is Eugene Mahoney. I am Chairman of the Reapportionment Commission. As you know, we are a constitutional commission. The Constitution provides that the majority leadership appoint two people and the minority leadership appoint two people, and they in turn have twenty days in which to select a fifth member who automatically becomes the chairman. In the event they cannot agree on a chairman, then it becomes the duty of the Supreme Court to appoint the chairman, the fifth member. I was appointed by the Supreme Court. I might say that we have held extensive public hearings. Every meeting we have held has been an open hearing for everyone who cared to come. We listened to everyone that wanted to testify before this Commission. We tried to keep everyone in their respective areas that were affected by that particular hearing informed prior to the hearing by sending the alternative maps to the Republican State Senate Committee, the Democratic State Senate Committees, who in turn filtered them down to the local committee. We also gave copies to the local legislators in both the Senate and the House. And our research staff--Anne Brodsky--I think has done a marvelous job in trying to inform the people in the respective areas. She has spent much time out in the field formulating this plan to get the feeling of the people, the planning and zoning commissions, the election of officials, the clerks and recorders, the county commissioners, and other interested people. I know that we couldn't make everybody happy with our plan. I think it is a safe thing to say that even though we disagreed at times on the Commission, that we agreed more times that we disagreed. But this being a political process, if it was a 100 percent agreement, I don't know how that could be accomplished. It hasn't been. But I think our disagreement has been a sincere disagreement. It's a horse race. You've got several different opinions--that's why you've got paramutual betting. And all the members of the Commission, I think, have made a sincere and honest effort to do what they, in their own minds, with the information they had for the good of the entire state in making up reapportion districts. Now, necessarily, because of the nature of Montana, we had to start at the outside areas. You know up north we have Canada, and North and South Dakota, Idaho on the other side and Wyoming on the south. We had to start from the outside and work in. Now I might say, and I'm sure I'm speaking for the entire Commission, that we're not happy with some of the results that resulted in Western Montana Senatorial districts, and you will note from our report to you that we have specifically asked for your recommendations in this regard. It has been stressed through the 18-month long period that this plan is still a tentative plan. It does not become final until the plan is presented to the Secretary of State, and then it becomes law. I hope my work has not been an exercise in futility because there are lawsuits now pending in the Supreme Court, but that's up to the courts to decide, whether or not that 18 months has been futile or not. But it does to say that I believe our staff has worked very conscientiously. I think if there could be one criticism made, it would be that we spent too many alternatives out in the field and too many days that we tried to make a most effort to reflect the feelings of the people in the respective areas. I'll close by saying we will not please everyone, but I think we have come up with a pretty fair

HeinOnline -- 1983 vol. III 1929-30 1983

plan, and now we certainly respectfully request your recommendations during the time you have under Constitutional limitations, so that we can present the final plan to the Secretary of State. As you know, initially it's up to us to determine the size of the Legislature under the Constitution. Although we could not have less than 80, nor more than 100, the Commission did agree and decide to have 100 members, and that automatically meant that we're going to have 50 Senators. So, that's the plan that we proceeded upon, and that's the plan that's presented to you. I don't know, do any of the other members of the Commission have anything to say to the Committee now, please feel free to say so now if you'd like. I want to thank you for the opportunity to address you. Thank you.

SENATOR STORY: Thank you, Mr. Mahoney. Are there members of the Legislature, proponents, who have other hearings to be at?

SENATOR DANIELS: Mr. Chairman and Members of the Committee and Members of the Commission. I am Kermit Daniels. I represent the present Senate District 14, which I might say is not the ideal either. But I would speak particularly here in behalf of the proposed combination of districts 49 and 50 which would constitute Senate District 25. I realize that that's the first option and has drawn some gasps of amazement from some of the people, and my testimony may be colored by the fact that I have a home in Swan Lake But nevertheless, I would point out that the proposed, and let me make it clear at this point, that this is my second choice. My first choice, and I don't want to burden you unduly with that, would be with Philipsburg that is with Granite County, which would be 49 and 68 together. But in behalf of the proposed Senate District 25, I would point out that there is a community of interests with Bigfork and Deer Lodge. We are both interested in tourism. We want to attract tourists. We've got tourist facilities In Deer Lodge, we have the Grant Khors Ranch, the Towe Car Collection, we have the old Montana State Prison and we have numerous tourist facilities in there. And they are building a new motel in there at the present time. I found out that in Bigfork they have the Summer Theater there, and it's a beautiful, lovely area. I would think that Bigfork would really prefer to be in a district with Deer Lodge than be totally dominated by the Kalispell area. And I think that, again, I would think that the timber industry there are sawmills in the northern portion of the proposed District 25. We have sawmills in our area, we have a great number of loggers. We have the community of interest in agriculture that is present and that we have, and so I'm not at all appalled or even doubtful about the proposed district. I think that it's much preferable to the present district that I represent. We have a good highway that goes all the way from Deer Lodge; we go up through Avon, and we go through, Helmville's only a short distance off, Ovando's only a short distance away and then we get into the portion of Missoula County for a while; then we're back into the Lake County area, into Swan Lake, into Bigfork. And the road is much preferable to the present road where when campaigning this fall, why you go from Deer Lodge and you go down to Anaconda, you go to the Flint Creek Hill and Philipsburg, you go up to Drummond, then you have your choice to go either to Deer Lodge on the right hand or you go up to Helmville and Ovando, and then you're confronted with when you get to Seeley Lake. And then you come back into Deer Lodge, and then you go to Lincoln and over here to Helena And it's a much more complex district than

HeinOnline -- 1983 vol. III 1929-31 1983

the proposed district 25. In fact, it would make it much simpler as far as a guy campaigning. It's kind of a refreshing drive in some respects. But when I come over here into Helena and knock on the doors and tell them I'm from Deer Lodge and running for the Senate, they think I'm an escapee or something. I don't know. They have some reservations. And again, I would point out that's my second choice. My first choice would be with the Philipsburg people. They don't particularly care about that, but I think they might be persuaded. And my third choice, I don't want to be in a suburban district with the people of Helena. I think that's the last choice. If there are any questions or anything I could do to enlighten the Committee or the Commission, I would be happy to attempt to make the effort to anyway.

SENATOR STORY: Thank you. Are there further people who wish to speak in behalf of the present plan? Senator Himsl.

SENATOR HIMSL: Mr. Chairman, Members of the Committee and Members of the Commission: For the record, I'm Matt Himsl, Senator, District 9, Flathead County. This district of Bigfork actually is not in my district, but it is in my county and we do have a concern about its placement. And I don't presume to tell the Commission what to do, but invite and urge them to reconsider the position taken on the original plan and hopefully put the House District 50 and House District 51 into one district--Senate District 26. My reasons are as follows. These areas are both the districts, both the Bigfork district and the Deer Lodge District, they've both got good people in them, so that's not a question of appraising them. But their lifestyles are entirely different, and I'd like to share that with you in perhaps a little different way. Bigfork is an area of exotic farms. We've got the cherry orchards, we've got the Christmas tree plantations, we've got the seed potato growers, we've got growers of lentils, and we've got growers of mint crops, something that's quite different from anything we have in any other part of the state. It's an area of artists, of craftsmen and retirees. Really, it's a kind of Mel Tillis/Joan Baez type of a community with, well, you can put Grandma Moses in there, too. That's the type of area it is. It's really a Bohemian type of village, beautiful place, a quiet lifestyle that those people have. It's a retirement type of community, it has a whole different lifestyle. If the sun is out and the fishing is good, they'll live in peace and harmony. And that's the type of community it is. I've been around long enough to understand something about the Deer Lodge community, and I don't say this disrespectfully, but it is kind of a Jane Fonda, some kind of a Marlboro Country. It is an area of rugged individualists that don't run from combat of any kind. That's true--it's kind of a combat zone. First they fight the prison, then they fight for the prison. First they fight the railroad, then they fight for the railroad. Then on the state appropriations thing, they fight the state for the labor- given institutional value, we call it. Their whole lifestyle is different, their whole concept of community life is different. And if they don't have enough to fight, then they always have the Fish and Game to take care of. Now I mention that because that's the history of that community. I don't say it disparagingly but only to point out that their composition, their lifestyle is entirely different from that of the Bigfork area. Now if you combine Bigfork, 50, with 51 you put the lake shore area tied in with Polson. And that's a community of harmony of interests. The only problem you might have there is that it does put the Indian Reservation in a part of that. But I can assure

HeinOnline -- 1983 vol. III 1929-32 1983

you and members of the Commission that there are more Indian features that are painted, carved, and, well, they paint them and sculpture them in Bigfork, than there ever are many Indians in the Polson area. And it is a harmonious arrangement which I am sure will satisfy those people very well. So, I would suggest in the hope that the Commission I am sure has the wisdom, the capability, and I hope the good judgment to put those two areas together, and I can't tell you what effect it might have elsewhere, but I can assure you that there's a harmony of interests in that sort of a structure which you won't have in any other. Thank you, Mr. Chairman.

SENATOR STORY: Thank you. We really try to take testimony from those that want no changes in the plan first. Senator Lynch.

SENATOR LYNCH: Mr. Chairman, Members of the Committee and Members of the Commission: It is with some reluctance because I am not here as a proponent for the entire program, but in visiting with some members of the Commission, then I told them how much I accepted and appreciated the district insofar as both of my House members are still, will be both my House members, and their reply was so very few people like any of the plan that we would appreciate your coming and testifying to that effect. I appreciate the fact that my district has changed the lease insofar as you've had to move to consolidate. They lost a House district, but that certainly it's the same district I represented as a House member for years. and both the House members are still in my Senate District. I would hope, as I am sure all of us in this room, that you would accommodate those problem areas and certainly I would hope that you would try to accommodate the problem area of two of my fellow Senators which I'm sure you'll hear from in opposition to the proposed plan. So, I'm just here to say that not everyone is totally dissatisfied, and in my particular Senate District, I'm certainly in support.

SENATOR STORY: Thank you. Further people that like it. Yes. Senator Norman.

SENATOR NORMAN: Mr. Chairman, Members of the Commission, I'm sure your considerations are and must be broader than Missoula County, but I would just like to speak in favor of the present plan for the Missoula County. Missoula County now has four Senators. Actually, we have four and a half and a half. The population is drained away to the east and the west, and there is much talk already before this committee of disparity in lifestyles and various voters and how they should be grouped together. Well, I would encourage you, and this plan perhaps is the best that can be done, to maintain county lines as much as possible. County government is involved, and there are many things involved, and a county even up at Seeley Lake and out at Frenchtown, they still belong to Missoula County. They pay taxes there, they well know it, that is their trading area, and so if you keep draining population away from Missoula County, you may have a very undesirable effect. Missoula County will come to dominate the surrounding small counties. You will have more Missoula Senators than you intended. And that process is already underway in Mineral County even in the House seat. So, as you borrow population from Missoula County, realize that with it goes political clout, and the surrounding counties are going to lose their voice, at least to some extent. We now have 79,000 population or above there, and surely should be entitled to five Senators, but accommodations need to be made and have been, but this plan probably best accommodates everyone. So I would encourage you

HeinOnline -- 1983 vol. III 1929-33 1983

to support the plan you have now and give us four Senators wholly within Missoula County. Thank you, Mr. Chairman.

SENATOR STORY: Thank you. Is there anyone from out of town who's come great distances to speak in behalf of this? What we're doing right now, Senator Mazurek, is listening to people that like it the way it is.

SENATOR MAZUREK: I'd like to testify to that. Mr. Chairman, Members of the Committee. I am Joe Mazurek, Senate District 16 here in Helena. Very briefly, I would like to express the support, or my support, for the plans that currently exist. I think at least in terms of the division of the House districts here in Lewis and Clark County there was, I think, bipartisan support for that. There was some disagreement over the alignment of the Senate districts. I think both Representative Donaldson and I have testified to proposed alternate plans, but the committee, as I understand, is still looking at adjusting those. But in terms of the House districts, the numbers, and their location I think there was generally bipartisan support here in Helena. Thank you.

SENATOR STORY: Thank you. Further proponents for the existing plan.

SENATOR BERG: Mr. Chairman, Members of the Commission and the Committee. I'm Harry Berg, Senator from District 21, Great Falls, and I would like to go on the record in support of the present or the proposed plan. It doesn't go without some difficulty in Great Falls and in Cascade County, as you know. Part of our county has been emasculated, I guess, from the rest of the county. It has been that way in the past, and I guess it will continue. But I think that given the circumstances, it's probably the best we can do. Additionally I know that there have been comments in other areas about the plan. I'd just like for you to know that in Great Falls, in the city itself, with the reapportionment of the Senate Districts, it does turn out that there are three of us that are presently State Senators from Great Falls and will be living in the same district. Whether that makes any difference or not, I'm not sure, but I'd just like to point that out. Thank you.

SENATOR STORY: Thank you.

SENATOR FULLER: Mr. Chairman, Members of the Committee, Members of the Commission. I'm Dave Fuller, Senate District 15 in Helena. I just wanted to echo what Senator Mazurek said, Mr. Chairman. We're pleased, and there was some bipartisan support here for the plan the Commission has adopted. I understand there may be some alterations which they're considering in the House districts. In either case, as I understand it, from my perspective I think it looks fine. Thank you.

SENATOR STORY: Thank you. Yes.

SENATOR MOHAR: Mr. Chairman, I'm John Mohar from Senate District 11. In consideration of the loss in population of my corner of the state, I think that the Committee, the Commission, did a very good job in reapportioning Lincoln County, including most of the county into the new Senate District 1. Thank you.

HeinOnline -- 1983 vol. III 1929-34 1983

SENATOR STORY: Thank you, Senator. Anyone further? Yes, Mr. Lawson.

JOE LAWSON: Mr. Chairman, Committee, I'm Joe Lawson, the Executive Secretary of the Montana Democratic Party. And the party has been following this particular reapportionment from the beginning as my counterparts, the Republicans have. A lot of the press has concentrated on the disagreements within the Commission and within areas. I think it's important to realize that, as Senator Mahoney said, there was far more agreement than disagreement. Most all of the urban counties in Montana had bipartisan agreement. We saw that happen in Kalispell, Missoula, Helena, and Great Falls. There was bipartisan agreement in Gallatin County, but the Commission couldn't go along with that particular recommendation for what it did to some of the surrounding towns. Only Billings was the only place where you had Democrats and Republicans really lining up on different urban plans. And I think that's what has spoken well to the process. It's been an open process. There's been many changes, as Anne Brodsky can attest to. She's got stacks of options. One other thing I'd like to make sure is that the Democratic party is not beholden specifically to some of these Senate adjoinments. We do support the House districts as they are. But the Senate adjournments we are also not pleased with the Bigfork problem. But the thing that the Committee has to realize is that when you start to realign those, there are going to be changes. Sam Reynolds of the Missoulian wrote one of the most amusing editorials about this and called this, this Bigfork to the outlying,, a supermander. It went beyond gerrymander to supermander because they could leap over mountains and do everything like that. And he's right. I would hope, through, that Mr. Reynolds would realize that there are just seven options, and if he gets rid of those supermanders in the western districts, one of the negative implications for Missoula County is that they go from 4 to 3 state senators totally contained within their county lines, so my point is that there are the things that the Commission has had to wrestle with, and this Committee will have to wrestle with. But overall, we think it's an excellent plan and one that will serve the people of Montana best. Thank you.

SENATOR STORY: Thank you.

REPRESENTATIVE JENSEN: Mr. Chairman and Members of the Committee. I'm Jim Jonson, Representative from District 66, Billings. I am here to support the district plans for Billings as they were prior to yesterday's State Administration hearing in the House. I would like to say I am a Democrat in this district that has been eliminated by this process and I have not squealed. However, there was I guess for the benefit of the Committee, one representative did not live in his district as newly aligned, and has asked to be included in that district. And I think that that precedent then would force me in fact into the same request of the Committee. So I am here as a proponent of what has been done, if they leave done what was done, but if they do not, I would submit copies of proposed change in what are on my map E, I, J, and F districts which are 91, 93, 94, and I'm not sure of the other one. For the Committee, Mr. Chairman, may I. I do want to make it clear that the only way in which I would encourage this realigning would be if there are any other changes made. Thank you very much.

HeinOnline -- 1983 vol. III 1929-35 1983

SENATOR STORY: Thank you. Further people that like it the way it is. Be quite brief if you can.

REPRESENTATIVE LYBECK: Yes, Mr. Chairman, Members of the Committee and to the Commission. I'm Representative Ray Lybeck from District 16, the Bigfork area, one of the areas we're discussing this morning, and I would just like to say I would agree with what Senator Himsl told you earlier, that I believe the districts of Bigfork and the Polson one would work very much more compatible than maybe going down to Deer Lodge. Thank you.

SENATOR STORY: Thank you. Is there anyone else who wants to speak about not changing it?

JANET MOORE: I m Janet Moore. I'm Director of Public Affairs for the Seeley Condon Chamber of Commerce. I would like to speak in support of your plan to keep us, and we hear Seeley Lake mentioned a lot but we never hear of Condon. It's like it's not even in Montana, but it is, and it's up there by the Lake County line, and we would like to stay in Missoula County. Thank you.

SENATOR STORY: Thank you. If there are no further people that wish to speak for maintaining this plan as it is, then we will turn and ask those that suggest changes. And I would first like to start with legislators that have other hearings. If you'll proceed, Senator Haffey.

SENATOR HAFFEY: Mr. Chairman, Members of the Committee and Members of the Commission. I have just a few pieces of information. My name is Jack Haffey, and I represent what is presently Senate District 45. I just have a couple of pieces of information that I would like to share with you and some concerns and then suggestions. What I would like to present to you I think will not meet, or would not meet with disapproval by many of those who have supported the plan. There are people here from Granite County who I think would suggest to you the same things I'm about to suggest. They are first of all that Deer Lodge County, which contains the Senate district that I now represent in the 1980 census has about 12,500 people. Granite County has 2,700 people. As I look at that, and as I look at what Senator Himsl referred to as communities of interest, I perceive not only the numbers as being compatible with what will be two House districts from now until 1990, but the community of interests between Granite County and Deer Lodge County as being one so that that would really mean that there are about 15,300 people in those two counties, using the county lines, that would form two House districts. Presently under the House district plan, House Districts 68 and 69 would form one compatible Senate district. And I'm suggesting that that would be very appropriate for Deer Lodge County and for Granite County. Deer Lodge County, if something like that is not done, will be in the position of a probability of not having a resident who serves in the State Senate even though the county's limits itself have more than enough people to make up one and one-half House districts, and that concerns us. Anne Brodsky your staff person, has a number of alternatives which could remedy the situation under the tentative plan for Deer Lodge County which calls for one of Deer Lodge County's House districts to be combined with the Silver Bow County one while the other Deer Lodge County House District is combined with total Granite County and has some [illegible] which would remedy that, which would call for combining House Districts [illegible] proposed into one Senate district, which would be Granite County and Deer Lodge County. And I think Anne's, the tentative cautions for your

HeinOnline -- 1983 vol. III 1929-36 1983

consideration, would cause a limited ripple that would move around Western Montana in a manner that would address also the major problem you've heard about and continue to hear about in terms of the long non-contract. Bigfork to Powell County or Deer Lodge District. And so my suggestion to you is, and my recommendation is that you consider as you complete the Legislature's consideration of the Commission's plan and as you the Commission complete your work and submit it, that one way to remedy the Bigfork/Powell County thing is one that will also accommodate the interests of the people in Granite and of Deer Lodge counties. And I would appreciate your consideration of that. A third point is that, and I would defer to Senator Stimatz who serves in the Senate State Administration Committee, is that the ripple as it would go around, as Anne Brodsky has in one of the options, would effect Silver Bow County and its five districts, but I think that can be accommodated as well in a manner that would not meet with disapproval of the people in Silver Bow County. Thank you very much for your time.

SENATOR STORY: Thank you, Senator. Further legislators first. Senator Aklestad.

SENATOR AKLESTAD: Mr. Chairman, Members of the Committee and Members of the Commission. Since you are involved in this, I'll pass you out a map. I am State Senator Gary Aklestad, representing Senate District 6, in North Central Montana. I am here to oppose the, which I believe is the proposed Senate District 5, which would encompass Glacier, Toole, and Liberty Counties. I am here opposing that Senate District on the grounds that I don't believe the Commission followed the criteria which was established, which is as I understand in the rules in which they were operating under. The proposal that I have is not a new proposal. It is a proposal that the Commission had adopted through their proceedings and only changed at one of the very last minutes and one of the very last meetings due to political pressure or whatever. With your indulgence, I would like to at least show you on the map where the change would be. I would like to emphasize that with this change there is no ripple effect. We are strictly just changing Senate Districts around. There is no effect whatsoever to the plan. The proposed change, Mr. Chairman and members of the Committee, would be to merely (showed on map) take this line here, move it to Interstate 15 to Conrad and over here. That proposed change would put this area and this area in one Senate district and would put this and this together in one Senate district. There are five main reasons for doing that, which would follow the criteria the Commission was supposed to be operating under. 1) As it exists, the reservation is divided as far as Senate districts. This and this is a Senate district, and these two are a Senate district. The reservation is divided. This would put the Indian reservation back together for a Senate district which is part of the criteria which is part of the rules in which they supposedly operated under. 2) We would be putting back a small town and county seat, which would be Cut Bank in this case, at least back for the Senate district. Right now it is divided as a Senate district with this narrow tip going up into there. If we put it back together, move this line, this area would be in Cut Bank; Cut Bank would be put back together for a Senate district which I think follows the criteria. The proposal that you have on your desk, it would also follow the criteria of keeping the existing districts more than that that we have now in our Senate districts than before. Right now, this Senate district line [illegible] does encompass this area. Otherwise it's going to be [illegible] across the northern part of Montana. Also other

HeinOnline -- 1983 vol. III 1929-37 1983

the criteria, the mileage and travel in the new Senate district proposed is far greater, going from here to Joplin, Montana, to the Continental Divide and going to the Canadian border down to Fairfield is less distance, less square miles. In this particular area, as far as people and travel, and getting together the north and south more than it is east and west because of I 15 is traveled from the Canadian border down to Conrad and Great Falls, so the people that go north and south have a far greater pace than east and west. Last but not least, I just wanted to emphasize that there is no ripple effect to this plan--you are merely moving one line and moving it over here, and the House districts so they make a Senate district, as you see on the map--no ripple effect. With that, Mr. Chairman, I would submit that this plan follows the criteria in which the Commission was supposed to operate under far closer than the proposed plan would. And I would also like to emphasize that this plan was adopted, this plan was adopted by the Commission up to its last hearing or two. Thank you, Mr. Chairman.

SENATOR STORY: Thank you. Further testimony?

SENATOR SMITH: Mr. Chairman, Members of the Committee, Members of the Commission. Senator Ed Smith, District No. 1. The area way over in Northeastern Montana, if there are any changes, the only changes that I would suggest and that is that we get closer to the other boundaries in the West. The only other way we can go, and that's North Dakota or Canada. You will note I have handed out testimony to the Committee members. There are probably some changes as we go through it, and I would appreciate it if you would make those changes as we go. I am appearing before this Committee because I'm not appearing on my own behalf because I'm sure that the district that is there now, if I decided to run again, it would have very little effect on my running or anyone else running from that particular district. This is the third time that I have appeared before the Commission to express my concerns on the way Senate District No. 1, presently District No. 20 was designed and notice the word designed. I first appeared in Helena before the Commission went on its road show and expressed my concern or the concerns of my constituents in Northeast Montana. Next was in Wolf Point, and now I'm here before you today and I expect the same results today as we received at that time because some of the Commission members have said that any of us that would cause a ripple effect, that there would be little chance for any changes to be made. However, according to today's issue of the Great Falls Tribune, one of the Commission members urged that the legislators come up with alternatives. I guess my remark would be how stupid can that be, because the Reapportionment Commission and staff spent 18 months coming up with the plan that they have today, and with legislators with their busy schedule, how in the world could they come up with alternatives. Mr. Chairman, now I will address my objections with regards to my District No. 2. I'd just like to go to the map and point out how the district was prior to this plan. Prior to this plan the districts were designed, were [illegible] and in a north and south direction. You will note this area [illegible] the Missouri River. All of this [illegible] District 1. This district was mostly main east and west Highway 2 [illegible] District No. 2, [illegible] people were moved from this area north of the

HeinOnline -- 1983 vol. III 1929-38 1983

Missouri River and put into the present Senate District No. 21. I'd like to also point out to you that there is another problem in the Senate and that is that you have Senate District No, this House District here, these two are House districts. This would be the Senate district and this small area here is the city of, town of Sidney. It certainly would have an adverse effect for rural legislators to be elected. And, as you have noticed also in the press, that rural legislators will have a harder problem of being elected. And regardless of what some of our city friends think, rural Montana is certainly necessary to the way Montana's economy is. I'd also like to point out that the 2,907 people were taken out prior or just at the beginning of when the State was being reapportioned, but we were next to the last be be addressed, in the meeting right at the end of the hearing process, was just before the meeting in Havre and then the final meeting in Wolf Point, just a few days before the final decisions were made on how the State would be reapportioned. When this was done, I feel that it violates the very criteria that the Constitution directed the Commission to follow. And you will note on page 11 of this book. it says that consideration shall be given to existing governmental lines. These include such things as county, city, Indian reservation, precincts, and school district lines. I would like to have you note that now the Indian reservation I'll address that first, has been divided into four legislative districts. You will note there is a very little corner up there where it has any connection with that other particular area. You will note that it is now that one portion that I just mentioned in eastern Roosevelt County, the eastern portion of the Indian reservation, now is put into the area of basically Richland County which goes clear down to the line--about 17 miles from Glendive, Montana. School district lines have been broken. As you will notice, some of the school children when you go way up in that corner, some of those school children go to Plentywood, some of them go to Medicine Lake. That is the the two areas the districts they go to. They have no activities in their area. 2) In the book, geographic boundaries will be respected, the book states. Another natural divider is the Missouri River. Again, I say this is a violation because as you will note, they followed the Missouri River all the way from the mountains til they got to a point at Brockton, Montana, then they disregarded that as a boundary. 3) Whenever practical, consideration shall be given to existing legislative district boundaries. As I have stated earlier, because the boundaries run in a north and south direction, they could have easily changed that boundaries by just a little westerly movement of the district and pretty much kept it in its present reapportionment boundary. 4) Community of interests, and again referring to the book communities and that's on page 11. Communities of interest will be considered. With this criteria, the Commission sought to create homogenous groupings. This, I think, was a violation because communities of interest tend to be defined by trade areas, and states organization, communications, and transportation networks. Again, a violation of the criteria. And as you will note on the map, there is only one road that connects those two districts and I believe it states on page 12 of the book that they disregarded that. And that is Highway 16 and the Missouri Bridge that connects the two districts. Trade area, again east and west, you'll notice that Highway 16 comes from Plentywood on down to Culbertson.- Highway No. 2 does go on to Sidney, but you usually go to the west which then goes to No. 2 over to Wolf Point and then again the trade ways run from Bainsville to Wolf Point, 16 this way 13 that comes out of Wolf Point, or out of Sidney and comes down to Wolf Point. Again in regards to association, organi-

HeinOnline -- 1983 vol. III 1929-39 1983

zations, county commissioners association, there's a five-county commissioner association. We have county planning districts that stay on the north side of the river, conservation districts, mental health districts, health associations, rural water districts, school activities, types of agriculture from the north side of the river is definitely different, there's no sugar beets, very little irrigation on the north side of the river compared to the south side of the river. I could go on and on. Communications--I didn't bring the book with me, but I did present it to the Commission when they were in Wolf Point. The Northeastern Montana telephone coop that goes to the North Dakota line and stays on the north side of the Missouri River goes up into the Glasgow area. Northeastern Montana Bell's book for Northeastern Montana, that is the book for northeastern Montana, there are no points in the telephone book across the Missouri River. Transportation again, highway and railroad--there is a railroad that goes from Opheim to Bainville and that connects on to the main line that goes from Bainville on to the west coast. Their transportation problems in Richland County are much different from those in Sheridan County because we have a branch line that we have problems with. However, I understand that they do have a branch line from Sidney to Williston. Again as I mentioned earlier, highways are definitely of concern. When people in Senate District 1 became aware of the changes, they contacted me, they asked me what they could do. I suggested that they write to the Commission and also circulate petitions, and it was they and not I that circulated the petitions. Several hundred names were presented to the Commission at the Wolf Point meeting and I would like to add that in a rural area such as that as much as that's scattered out, you don't do that in a few days. And that's what they did. They collected several hundred names on petitions. The petitions from eastern Roosevelt County was delivered to the Commission at their Wolf Point meeting. And I believe that you do have the copies of those petitions here. You can certainly look at those petitions. The one I was asked to deliver to the Commission at Wolf Point was from eastern Roosevelt County. I understand that Representative Solberg presented those that were collected in the Daniels County and northern Roosevelt County. I would also like to point out in the book on page 12 that it states citizens of northeast Montana told the Commission that county boundaries were not reflective of the type of communities of interest in the area, and then it went on to say that arguments were made in support of the opposing positions. I can't even get what that comment really meant, but I think what it meant and that was that there were some people who went in support of the commission's position and opposed ours. And I would like to add there were three people there that opposed us not changing--they supported the Commission's proposal, that was the Secretary of the town of Sidney and two past Roosevelt County Democratic Chairmen. There were no sheets provided at the hearing such as we have here. There was a large number of people there, but there were no sheets that I could find that were there to see whether you came in support or in opposition to their proposed plan. I would like to point out that what happened when the 7,900 people were taken out of the original district and that population was placed across the Missouri River, it made a ripple effect and when it got to the central part of Montana, you had a pretty good high weight. And I am sure that other legislators here today are going to speak on how that it put two senate districts and several House districts into the same district. I realize that the reapportionment is a tough job and I will say this and I realize it sounds a little harsh, but I would like to say that one would have to wonder if they didn't realize that what was done was for

HeinOnline -- 1983 vol. III 1929-40 1983

partisan political reasons. It was to do two things. We're going to make Republican legislators, as was mentioned earlier, to eliminate rural legislators. To back up my statement in regards to partisanship in the reapportionment plan, you will note, and I have copies of two articles out of the Great Falls Tribune. An editorial on January 16, I won't read the editorial, but it does point out some of the partisanship that was brought into the reapportionment of the state and I have one here in today's paper, January 20, where the Chairman of the Commission admits that there was partisanship in it. In closing, I would like to say that I have had several people approach me on possibilities of court action. My comment to them has been I don't know what chance you would have when it was the Supreme Court which you would appear before if you opposed it, what kind of a chance you would have, because it was the Supreme Court that appointed the fifth Commission member. Thank you, Mr. Chairman, for your time. If there are any questions later on, I would be more than happy to try to answer them in regards to how I felt that my district was reapportioned.

SENATOR STORY. Thank you. Senator Etchart.

SENATOR ETCHART: Mr. Chairman, Members of the Committee and Reapportionment Commission. I am speaking in opposition to the plan as presented, and basically I am here to endorse a plan for the northeast corner presented by Representative Chet Solberg. In my handout, if you will look at it, the first page is a letter which I sent to Chet after he presented the plan and I had a chance to look it over. And it outlines my points of support for his plan and where I feel that it's superior over the plan presented by the Commission. And then the second sheet is a copy of the present House and Senate districts as we now have them. And the third sheet has the Solberg plan. I would like to point out that if you will revert to the third sheet that the Solberg plan would take the four representative districts in the northeast corner and confine them to the four counties north of the Missouri River by adding the north past of McCone County, which the northwest corner of McCone County naturally goes into Glasgow because the Missouri River is bridged at Fort Peck Dam, so the northwest McCone County goes into Glasgow. Northeast McCone County goes into Wolf Point at a bridge just east of Wolf Point. So those people, we make it very compact, two senatorial districts with the western boundaries in the western Valley County. And we maintain the basic integrity of the Missouri River and we follow the historical precedent of creating the highline as an entity and as Senator Ed Smith said, in all of the previous reapportionments, and I have gone through four of them, but in every case the districts started at the northeast corner with the Missouri River on the south, Canadian border on the north and North Dakota line and worked down the highline, adding enough people to keep compact districts. I feel that the error in this plan is when we violated the Missouri River in Roosevelt County and added those north of Richland County. In so doing, they worked down the Yellowstone River and instead of going counter clockwise, they went clockwise, down the Yellowstone River, the ripple effect becoming a tidal wave. Basically, I don't have any final answers, but for the northeast corner, I think the Solberg plan could be implemented and is very superior to what we have.

SENATOR STORY. Thank you. Senator Van Valkenburg.

HeinOnline -- 1983 vol. III 1929-41 1983

SENATOR VAN VALKENBURG: I will try to keep my comments very brief. I have put a lot of comments into the record already, and I hope the Committee will have access to this. With respect to Senate districts in Western Montana, I wish to go on record in opposition to the Commission proposal. I do that with some reluctance because the proposal is, I think, the best proposal for Missoula County and even more so for Democrats in Missoula County. I guess I have a self-interest in both those areas. However, I think it is incumbent on all of us to look beyond our self-interests. I too see problems with respect to the plan that some change could resolve. It may create some problems for us in Missoula, but I think in the interests of the State we will all be better served. In particular I would suggest to you that you recommend through the Joint Resolution process that proposed House District 66 and 67 in southern Ravalli and Beaverhead Counties be combined to form a Senate district. The effect of that very significant change in the recommendation would be to allow proposed House District 50 to be combined with a district to its immediate west, House District 51. That, I think, would solve one of the more serious problems with the present Senate districts. In addition, it would allow proposed House District 49 in Powell County to be combined with proposed House District 68 in Granite County essentially. Now, while that does not meet completely with the desires of Senator Daniels who testified as the first witness, it does meet his second objection. It meets the objection of Himsl and folks in the Bigfork and Flathead County area. It will have the effect of preserving four Senate seats within Missoula County. They will have to be shifted around somewhat--there are various proposals. I know Senator Marbut has come up with his own. They may well work more to the benefit of the Republicans in that area. On the other hand, the citizenry, as you know, has got its opportunity to exercise its opinion at the ballot box. But, what it does do is to solve three problems and create one, and I'd be quite frank about that, it does create one, the combination of southern Ravalli and Beaverhead. But that proposed Senate district would, in my opinion, really have more of a common interest between its House districts than the problems that are created in three other areas if the Commission's proposal were to be adopted or even amended to reduce the Missoula area to three Senate districts and splitting off three House districts to various rural counties. Ms. Brodsky, I think, is familiar with the specifics of my proposal and I am sure can respond to Committee questions as to how that might be implemented, and I will certainly be available in the future to respond to Committee questions too. Thank you very much.

SENATOR STORY: Thank you. Are there any other legislators who wish to speak?

SENATOR ECK: I'm Dorothy Eck, from Senate District 39. I must say that about my own district I maybe have grounds to complain because mine is the district in the State that has the largest deviation from the normal. I am not complaining a lot about my district, however. It's a city district that's built up, stable, it's not growing, and I don't see nearly as many problems for that as I do with the rural districts in Gallatin County which we still contend are larger than they should be. What I would like to propose today, though, is some changes in Senate districts in Gallatin County, and I speak for the County. The first is the rural area to the east in Gallatin County which makes up House Districts 76 and 79. They are currently in one district, that district being represented by Paul Boylan. It's a growing district, it'll be smaller geographically than it is now, but it would make a lot of sense to keep those two House districts as one Senate district. The other recommendation would be that on the western end of the

HeinOnline -- 1983 vol. III 1929-42 1983

county to look at keeping House District 80 with House District 44. That would mean you would have the area from Belgrade to Three Forks as one House district, the area going up into Jefferson County as the other, making one Senate district, which is again basically the same district that we have now, which is represented by Leo Lane. Now in doing that, we recognize that there will be ripple effects, but some of these ripple effects are good. The first would be that Madison County, which is one district, Beaverhead County which is another district, would be combined into a Senate district. That is what happens now. You would have a district that would be very much as we have now. There doesn't appear to be a good reason for making those changes, and I think when you make the changes, it's always very confusing for the constituents and it's difficult for the senator representing those constituents. In this case I think that Beaverhead and Madison Counties have a lot of interests in common. Now it would have other ripples too, and I cannot speak to the effect of those, but what it would mean and the way that we had worked it out would be that you would have 43 and 45 making up a district--that would be East Helena and Helena east side. You would have 48 and 49 as another district--that would be west Helena Valley and Powell. I think that's pretty much what you have right now, too. You would have 51 and 52--that would be Bigfork, that area, and the north end of Lake County. You would have 52 and 55, which would be the southern part of Lake County going into Missoula and you would have 69 and 57, which would be Granite County going in towards Missoula. My guess is who loses on this one is Missoula. And I don't know that area around Missoula well enough to know what the impact would be. And I don't know that that is the only way this ripple could work out. But I do contend that Gallatin County is already feeling that there has been some discrimination in that each of our House districts is at or near or over the maximum. This would give us two Senate districts within Gallatin County which are basically the same as what we have now. It would give us a half of another Senate district which would be essentially the same as what we have now. And if it could work out this way, we would be very well pleased. I must say that I really sympathize with the work of this committee, but especially with the Commission. We suffered through a lot, and we've tried to come up with a lot of proposals that Gallatin County felt would work better for us. They haven't worked out well, and I would hope that at least for these, for the Senate districts, that you would consider this proposal.

SENATOR STORY: Thank you. Representative Nordtvedt.

REPRESENTATIVE NORDTVEDT: Mr. Chairman, Committee members, I am Ken Nordtvedt, Representative of District 77 in Bozeman, and I have two items. I'll be very brief. First, in response to the recommendations of Senator Eck, I think there is a serious problem with that proposal from the point of view of Gallatins. Second, economic impact. Gallatins, number one, have cultural, and our number two economic activity is Montana State University. I think Senator Eck's proposal would reduce from three to two the number of senators who have a direct interest in the interests of Montana State University. From that point of view, I think it would be detrimental to Gallatin. Let me show you why. Right now there is one senatorial district in Bozeman, where Montana State University is. The present recommended senatorial grouping would put 79 and 80 together as a senatorial district and 75 and 76 together as a senatorial district. Seventy-six and 79 have become basically bedroom districts of suburban Bozeman, with a great deal of growth and development, a good fraction of the employees in the Bozeman economy living in 76 and 79. I think under the present groupings all three of those senators would have to be interested in the interests of Montana State University.

HeinOnline -- 1983 vol. III 1929-43 1983

I think that would cover Gallatin County. Under the grouping suggested just previously, 80 going with 44 and 75 going with 67, or whatever, you would only have two senators, the urban senator and the bedroom community senator closely tied to the interests of Montana State University. So I would seriously question this rearrangement from the point of view of Gallatin County's interests, particularly because our chief competitor in past years, Missoula, very much wants to have four senators within their county. So that's item number one. Item number two is that yesterday afternoon Miss Brodsky came to me with some suggestions on how we could solve one of the problems in Gallatin County, and I certainly appreciate her efforts to work on these problems. These problems are that we have four districts, 76, 77, 78, and 79, all at the 5% variation on the high side. We have four districts clustered together, and that represents a total of 1,600 citizens in some loose way disenfranchised or having their voter strength diluted. And we've been trying to get our districts brought down to size. Now she has looked at some possibilities and shown them to me, which would move some of that excess population eventually out into 75 and 80. And although that would somewhat reduce the problems in urban and suburban Bozeman, I fear it puts the population problems into 75 and 80. But I do appreciate the fact that ripples can be produced, and we can rearrange this Apportionment Plan at this point. I'd have to be quite frank with you--I think the fairest way to solve the population problems of Gallatin's four excess districts is that these ripples would eventually have to move as far as Butte and Silver Bow, which is not that far away, and to be absorbed and increasing a bit the size of the districts in Butte-Silver Bow. That is the basic problem, and although I think some of these proposals of the last 24 hours would help the four mostly affected districts, they don't basically solve the problem, they move it to 75 and 80. And I think the number one way to solve this is to have this ripple propogated about 90 miles to Butte-Silver Bow, and rearrange these districts more in line with the ideal size. Thank you.

SENATOR STORY: Thank you. Representative Ellerd.

REPRESENTATIVE ELLERD: Thank you, Mr. Chairman. For the record, I am Representative Robert A. Ellerd, District 75. I testified yesterday, so I will be very brief. Senator Eck just made a proposal that I again find very political and very partisan, and I have felt that throughout these entire hearings. I want to point out to this committee that I am here solely in the interests of the people in the West Yellowstone-Gallatin Canyon area. Reapportionment is not going to affect my position at all if I should run again, absolutely not. And I feel sorry for those people because we're tearing their heart out. Now we're going to tear it out again. Under the proposal of the Commission has made that area still would have a senator representation in Gallatin County. We're not just going to completely divorce them and put them over into Madison County because they will not have any House representative under the way it is. Evidently, I couldn't follow her proposal, but it looks to me like it would cause the whole reapportionment of the, realigning of the whole western area through here, and I don't understand it. But I do understand it enough to know that those people and those people who live in Gallatin County should not turn against our people that live there. And Gallatin County is getting hurt under reapportionment. We think it's very unfair. But we're, again, like I stated yesterday, we had our attorney here yesterday, Mr. Whitney he's not here today. He didn't want to do that. We're not threatening anybody. We've already taken our position. We have hired our attorney, and we're going to go just as far as we have to. But if you have to change any Senate

HeinOnline -- 1983 vol. III 1929-44 1983

districts, please don't take those people again and let them have one representation in the county they live in. On 75; if you take that out of there there absolutely, they have no way in the world, they have way away from everyplace. It's approximately 70 miles from West Yellowstone to the Four Corners. You have a road going through the Madison on each end. You have 70 miles in the middle that you cannot get through in any way at all, unless you want to take an airplane or a pack mule or something. You can't get through, it's all mountains. We are very, very upset about what's happened, and we're not trying to give anybody. I've asked you people to hear it once. They're going to have to try to talk to the Commission to make any changes. Please don't accept this last one, because don't tear those people apart any more than they have been. Thank you.

SENATOR STORY: Thank you.

REPRESENTATIVE ELLERD: I'd like to add one more thing while I'm here. Senator Boylan represents that area. I don't know what he's going to say, I haven't talked to him. It's entirely up to him. But he's going to want his job again. West Yellowstone is a very isolated area in this state. They lie right next to Yellowstone Park, right next to Idaho, and they have not had very easy representation over the years. Senator Boylan has made a great effort to represent those people, and I have too. We've spent a lot of time. We've tried to give them fair representation because of the isolated area that they are in, and there's no way in the world that the Senate district and House district, putting them over where they want, not because those people representing wouldn't be fair and wouldn't try to take care of them, but you can't cover an area—it's just impossible for those people to have representation.

SENATOR STORY: Senator Boylan.

SENATOR BOYLAN: Mr. Chairman, members of the Committee. For the record, I am Senator Paul Boylan from Senate District 38. I am a little apprehensive to testify in front of this committee because I hate to divide up the spoils, and so by redistricting the same in our area as in some other areas, it has done quite a lot to our district. I am a native of Gallatin County, one time represented both part of Gallatin County under the old reapportionment and since then I have been representing Senate District 75 and 76, which is West Yellowstone. I think it's going to be a very big hardship on the people of West Yellowstone to have to go over into those other counties because of the terrain down here and so forth. But then come to the division of the spoils, why I'm kind of looking at maybe forming a Senate District out of 76 and 79, and if I do this I think it would be a fairly easy district for me to represent, a little easier than the other one, because of the contacts to be made. Not that I want to abandon the people in West Yellowstone and these type of things, but I think you have to face some facts of where it's easier to run and easier to put together. So with that, I thank the Committee very much.

SENATOR STORY: Thank you, Senator. You've spoken once, Sir.

SENATOR [illegible]: I'd like to speak in behalf of my number one topic, if I may.

HeinOnline -- 1983 vol. III 1929-45 1983

SENATOR STORY: No, there's an awful lot of people who still have to be heard. Now we'll take you, and then you. Either way. Did you people speak in the House yesterday? Both of you?

REPRESENTATIVE SWIFT: Yes, I did, Senator. Mr. Chairman, members of the Committee and members of the Commission. I have here a map of the county with my proposal, and I go on record in opposition to the...

SENATOR STORY: Would you give your name.

REPRESENTATIVE SWIFT: I'm Bernie Swift, Representative from District 91 in Ravalli County. I go on record as opposing the way our legislative districts in Ravalli County are formed. And I will point that out in relationship to the map I put on the board, and I will try to be very brief about it. And I'll leave these copies with you. If you recall, Senator Norman mentioned earlier this morning, and I think you heard him alluding to the ripple effect. Now I will allude to my reasons for not agreeing with what the folks have done with our legislative districts in Ravalli County. As you see, they have gone northward into Missoula County for getting the third of what we call the northern legislative district, No. 64, shown here. It's up in the northwest corner, northwest. What Senator Norman was alluding to is the very point that I am making right now, that Missoula County is an amoeba and is expanding outward on all sides. They are beginning to encroach on the rural areas and controlling what happens legislatively and senatorially, in view of that fact. And I further allude to this, by giving outside of Ravalli County we become a part of Missoula County as it gets into administrative effects, county commissioner effects, things related to schools, roads, and other matters. And I think most of us would agree if you only have to solve a problem with three people, it's much easier than it is if you have to solve it with six or possibly three or four more than that depending on the size of the county. And for this reason I propose that we have three legislative districts all within Ravalli County for the simple reason that as shown by this map we can do that with three equal divided units that are within .3 of 1 percent of each other on a population basis, which more than meets the criteria. We are also within the 5 percent Commission criteria. We are following what as I understand it the Commission said are the ground rules. We're not violating anything that I know of, and I also want to point out that as it came out in discussion yesterday in the House, this plan does not split Victor. It is to the east of Victor. It does not split that town. It does one other thing--it does take off approximately 600 people at the west side of Hamilton which was previously all in a southern unit and now going to be reducing that by 600, and there are 2,661 in Hamilton. But I don't think that really impairs the community aspect or the life situation. Now I say this can be done, and it can be done without what we have been discussing here as a ripple effect. It will not affect any areas unduly because these numbers, 1,053, that lie north of the Ravalli County line can be absorbed in the nine legislative districts that make up the Missoula County complex. Therefore, I respect, we are not impinging upon anyone, we are not causing any undue impact with the Commission's work. There will be a little work to renumbering, but that has gone on throughout this process. I might also add that, and I discussed this with the Commission on business on different occasions, as yet I have gotten no consideration for changing, and I want to make it very clear I am not only speaking for myself from the standpoint of politics, I'm speaking for the citizenry in this area of Ravalli County and I am the duly representative Senator Severson and

HeinOnline -- 1983 vol. III 1929-46 1983

Representative Bob Thoft. And they concur with this. I don't think there is any question about what the intent is and the reasons for what we want to do. Leave us alone, we can distribute our county equally, and let us make our own decisions within our county. That's all we're asking. We don't want the undue effect of the job the Commission has done. And I will leave both of these with you in the event the Commission would like a copy. Thank you very much for the opportunity to talk to you.

SENATOR STORY: Thank you. Representative Keyser.

REPRESENTATIVE SWIFT: Also, may I, Mr. Chairman, may I...

SENATOR STORY: Yes.

REPRESENTATIVE SWIFT: May I also allude to the statement I made yesterday at the House hearing that I do not desire to have senatorial districts combined on the southern part of the county. We have gone on record in previous years that that is the second worst alternative that we have. We are willing to go either way, and we leave that to the Commission's wisdom.

SENATOR STORY: Representative Keyser.

REPRESENTATIVE KEYSER: Members of the Committee, Representative Keyser, District 81, which covers Beaverhead and Madison County. In defference to my good friends from Gallatin, I have slight disagreement with one and I have no disagreement with the other. I am basically speaking of the senatorial districts because I realize that House districts are pretty well set. If I had my druthers, I would like to stay with Beaverhead, but that's impossible. I understand the way it is. I think, ladies and gentlemen, if you want to combine the Senate districts, the Senate district that has a lot of compatibility, something that historically may have been together as far as a Senate district, part of it anyway, I would say that Madison and Beaverhead, 67 and 75, would make a very good Senate district and would probably, it would be much more, this district, the combination of 67 and 75, much more compatible with 75, and I think now that you would have 76, which would be Senate District 38 the way it is on your proposed map. I realize that we still haven't done anything for West Yellowstone, as far as Senator Ellerd has said, but I think these are things that we are not going to be probably able to handle under the proposed districts. I know that 76 and 79 from my point of view, with the area it encompasses, is way better combined. These are basically very rural areas, two very rural counties and the combination of 67 and 70 would make a better Senate district than the proposed 75 and 76. Thank you.

SENATOR STORY: Thank you. Now, is there anyone from out of town who has traveled distances to be at this hearing? How many of you are there? Can you have one spokesman? Are you folks next? All right, quickly.

DOROTHY PAGE: Mr. Chairman, members of the Committee, and Montana Commission. I am Dorothy Page from Granite County. I have sat here and wondered about what's going on. Nobody has mentioned the poor little county that has no voice. Granite County is large as far as area wise, but of course we haven't a large population,

HeinOnline -- 1983 vol. III 1929-47 1983

so we have no one to speak for us. At the present time, we are in an area where we have part of Anaconda, part of Deer Lodge County, part of Powell County is in with us, Granite County, part of Missoula clear up to Seeley Lake and then up to Helena. You can't tell me that we can have any kind of representation that's proper that we can get any help from anyone. I laugh at these fellows worrying whether they're going to have two senators or four. I'd just like one. We have the audacity to suggest that maybe we follow the U.S. Senate idea and forget about this 1-man, 1-vote business as far as the Senators are concerned and give each county back our own little voice. We all need a voice to cry out of the wilderness. Our problems are different than the problems in the other counties. We are very satisfied with Kermit. He's been great to us all, and if we have to, we prefer to be with him than to go into Beaverhead, because that again would throw us clear off as far as travel. I don't know if any of you realize how far it is to travel just through Granite County to do any campaigning. Then when you have to go clear down to Beaverhead and go down as far as Wonida, why you'd have to start out the day after the election and start electioneering. And you'd never get there because there's a lot of impassable places too. And now we've had the audacity to suggest that we look deeper into the idea that each little county should get some representation too. If not, we might decide to be a foreign country—that would be one way to get a little attention. Because we all feel real badly that we have no way of getting in and saying anything that would help. You can't tell me anyone can be fair in their decisions when they've got the vote in the larger counties. They're not going to worry too much about us unless our smaller county happens to agree with what the larger county wants. So we've had the audacity to suggest that instead of all this redistricting we'd like to see us go back to the one senator for every county, and I think we'd all be happier. There wouldn't be all this worrying about whether it's political or not. We could decide the politics by voting. If you want a Republican senator, fine, you can have one. If you want a Democrat, vote for him. You're not going to have to worry about whether the Commission has divided us up so our parties are getting all mixed up. Our group today is a group that are mixed, we're Republicans and Democrats. But we first belong to the State of Montana. We'd like to be Montanans again. We are Granite Countians too. We want to be represented by our county, and then we worry about our politics. And I think it's about time everybody else started worrying the same way. Thank you.

SENATOR STORY: Thank you. Yes.

JOE STRABAL: Mr. Chairman, members of the Committee and the Apportionment Commission. I am Joe Strabal, Phillipsburg, and as Mrs. Page said, we haven't had representation since 1964. However, on your plan here that is proposed, I think this House District 68 and 69 would be better for us in my view because I campaigned this other year 4,500 miles from August to November mainly to see the people. We have right here a little group, Anaconda and Granite, we have to go clear up past Powell into Missoula, we have to go over to Helena to Lincoln and into the city limits here, and I can't see any reason where, just a suggestion maybe, but I don't think there's a Senate district created here yet, but maybe we should create one from Anaconda and Granite. That's the number one choice. We have had the Supreme Court rule in 1964 one-man one-vote because they felt a voter wasn't getting a fair shake, and I believe that. But I don't think we're

HeinOnline -- 1983 vol. III 1929-48 1983

getting too fair a shake. I have nothing against the people that are representing us. They've worked hard, but that's a lot of territory, and I think it would be a diminishment of our vote if we can't get closer together where we can get some resident representation. Thank you.

SENATOR STORY: Thank you. Further people from out of town? Yes.

CARL SEEL: Mr. Chairman, members of the Committee and the Commission. For the record, my name is Carl Seel. I'm from the law firm of White and Seel from Bozeman, and I'm here on behalf of the bipartisan committee in Gallatin County who have been aggrieved by the plan that is being proposed by the Commission. As the foundation for my statements, today I would like to briefly review what happened in Gallatin County. It started in April when a grass roots committee prepared a plan with the criteria set forth by the Commission, prepared it and submitted it to that Commission, at which time it was tentatively approved 4-1. That plan has a deviation from all the House districts no greater than 66 people, and a percentage deviation, the maximum one being 4.4, the others less than 4 percent. Something happened after that. And by July 16 another plan had been slipped in to replace it. And that plan is the one that's being presented to you today. Now I would like to hand out to you at this time a handout which shows how those House districts have been reapportioned in Gallatin County. And you will see that out of the top twelve of the largest districts in the State of Montana, Gallatin County has four of those districts. Gallatin County has two of the largest districts of the top three in the State of Montana. This variance from the norm not only makes the proposed plan constitutionally invalid, it also makes it susceptible to challenge. The plan that is presently being presented to you violates every condition and criteria set forth by the Commission's own plans. First of all, community interest. Looking at Gallatin Canyon, you can see it's a long, long county. The individuals in the southern part of the county are being put into Madison County where they have no community interest. In fact the original boundaries of Gallatin County were set that way because of the natural boundaries, the Madison Range, which is essentially impassable. An individual in the southern part of Gallatin County, to meet with his representative, would have to travel through Bozeman and then over and back into Madison County. There is very little community interest of an individual who has a condominium in Four Corners with a farmer, a rancher, a fisherman in the Big Hole area. There is very little community interest between a student living in Four Corners six miles outside of Bozeman with a geologist or other individual in Melrose. Condition One is violated. Condition Two, contiguousness of an area and compactness, they are contiguous but they are not compact, if you look at the area combining Madison County and the southern part of Gallatin County. Violated again. Condition Number Three, existing boundaries, violated. Change from the present status. Condition Four, violated. Existing legislative districts, those lines are completely blurred. The lines of county governments, and school districts, etc., have all been violated by this plan. Next, geographic boundaries, you have the Madison Range. There are no highways connecting the individuals in Gallatin County with the new district in Madison County. Communications, presently there exists no radio, no television, and no newspapers which represent both of those areas. And lastly, travel, this is an area where there is an interest. They will be traveling a lot. And it isn't necessary. The handout shows to you the deviation from the norm in four of Gallatin County's districts, the greatest of any of them in the State of Montana, again two of the top three.

HeinOnline -- 1983 vol. III 1929-49 1983

But in addition to that, there's a Senate district which has a deviation of 9.14 percent, the largest in the State of Montana and also one that exceeds the Commission's own maximum variation of 5 percent. These deviations are great enough. However, taking into account the growth of Gallatin County, which is the fourth fastest growing county in the State, and also the net fourth fastest growing in the State, over 10,000 persons per decade, there will be a variance between Gallatin County and other slower growing counties of as much as 16,000 people by 1990, which would be two entire House seats. Presently, and in the House hearings yesterday, Walt Sales said that Walter Sales and Robert Ellard represent as many people as four representatives currently in Silver Bow County. Now Gallatin County was hurt by the last reapportionment, as we can see now ten years later. If this plan is allowed to pass again, Gallatin County will suffer yet again in that it being a fast growing town the deviations will be exacerbated in ten years to the point where there will be 16,000 people in Gallatin County being deprived of their one-man, one-vote constitutional protection. In light of those arguments, we would urge your recommendation to the Commission that the Gallatin County Apportionment Plan be re-examined, that they take into account the growth of Gallatin County as well as the deviation which you have seen in this handout which shows it the highest in the State, to remedy the Senate district which is over 5 percent of the maximum allowed and puts this plan susceptible to being stalled, held up in the long run, possibly constitutionally invalid. Thank you.

SENATOR STORY: Thank you, Mr. Seel.

LEO LANE: Mr. Chairman, Committee and Commission, I'm Leo Lane, Representative from District 40. When I run, I run in Gallatin County, which goes almost up to the Riverside Country Club almost into Bozeman, not quite into Bozeman. But it takes in a big end of Gallatin County, and it takes in Jefferson County, then part of Lewis & Clark County and part of Broadwater County. The people that elected me was quite a bit in Jefferson County and Gallatin County and these other counties, and I would represent the college. I mean I've been a native and all my relatives and folks have been natives in that area all our lives, and a lot of our relatives go to school in that University, and I didn't think that Representative Nordtvedt was fair when he said that I wouldn't represent that area. So I kind of like that plan where I take in part of Gallatin County and Jefferson County. Thank you.

SENATOR STORY: Thank you.

REPRESENTATIVE HANSON: Mr. Chairman, members of the Committee and Commission, I'm Representative Marian Hanson from District 57, which is Powder River, Carter. I oppose the plan splitting the County of Powder River for Senate districts. It's been split for House districts. There is a plan before the Commission called Plan X which would put Powder River, Carter, and Fallon Counties back together and combine us with Wilmeux and part of Dawson as a Senate district. It would also address the Cheyenne Indian Reservation, as their Plan X puts Colstrip in with Lame Deer and the Cheyenne Indian Reservation and then that would address a Senator from the Crow and the Cheyenne Indian Nations. And so therefore I feel that the people of Southeastern Montana have not been able to be truly represented with [illegible] Senate districts that [illegible] the whole south or eastern

HeinOnline -- 1983 vol. III 1929-50 1983

edge of the State and then putting the rest of Powder River County in with the Indian Reservations for a Senate district. Thank you.

SENATOR STORY: Thank you, Representative Hanson. Yes, Senator Gage.

SENATOR GAGE: Mr. Chairman, members of the Committee and the Commission. I would like to speak in support of Senator Aklestad's proposal and add to that--Senator Gage--add to that the fact that we have in Cut Bank a situation where the Blackfeet Tribal people are much more used to coming to the Cut Bank area for shopping than they are to the areas east, which they are being proposed to be put into. We have a greater understanding of those people because we have much more contact with them and would be most appreciative of being able to represent them in a Senate district which Senator Aklestad's proposal would allow us to do, in addition to putting the County seat of Cut Bank back into the same Senate district. We have great concern for the Blackfeet Nation. We met with their Tribal Council, and they were appreciative of the fact that we did come up and meet with them. They indicated that this was the first time an elected official had been in their council after an election. They recognized that we come up and go into their homes before the election, but they were appreciative that we also came up after the election. We would like to give you that for your consideration and for prime consideration in recognizing Senator Aklestad's program. Thank you.

SENATOR STORY: Thank you, Senator Gage. Yes.

DENNIS BERGVALL: Senator Story, members of the Committee. My name is Dennis Bergvall. I presently hold the position as the Executive Director of the Montana Republican Party. Since I, like you, am feeling hunger pangs moving on rather quickly, it's getting to be a rather long session, I'll move along rather quickly. First of which is to read on behalf of Senate President Stan Stephens from Havre a letter which is being circulated for you at this time to be read for the record. (Read letter.) You can have that letter now for the record. Very briefly, I have a few comments of my own. I testified several times before the Commission and once yesterday before the House Committee. And I will make a few brief comments for the record for your consideration by your Committee. I find it interesting this morning to have the analogy by Gene Mahoney that the reapportionment process is much like a horse race, and as Republicans we don't certainly want to lean too heavily on the fact that this could have been a greater horse race, but I think it's fair to say that probably the Democrats' horse had one more leg than ours, sufficiently, probably more swift in achieving its goal. I also find it interesting that somehow in the process of the eleventh hour Reapportionment Plan we can find such a startling confession that the Commission Chairman found it inseparable to divide partisanship from the process. I think that this is a real concern to us. And I would rest in opposition to the process which has taken place because I feel that somehow the process which we have developed as the independent commission was designed for really two basic purposes, that ultimately the reapportionment process would be made to be a more fair and equitable presenta-

HeinOnline -- 1983 vol. III 1929-51 1983

tion. And I think that somehow in their zeal to paint one color the complexion of the state politically, we have forgotten some of these and defeated the basic purposes of that Commission. Was it not, and some of this results I think is in your hands today and in the hands of the House Committee as well, which has the constitutional authority to make recommendations which hopefully will be considered fairly and impartially by the Reapportionment Commission staff. Your job essentially is to fine tune some of the rough edges on the procedures as well as to correct some of the flaws which have been rehearsed today and certainly put forth for you a, quite a list of things that appear across the state. I would hope we could resolve it this way and not have to go to any higher or more impartial authority because that may ultimately have to be the case really to be in fairness to the whole process. I will not dwell too much on some of the areas around the state so much as to quickly tell you that we are concerned, and I believe the concern is this: It's not so much the reapportionment process, but ultimately to make everybody happy when we are done, but really more importantly that where there were alternatives that were more fair that were not chosen or were not considered, that those alternatives be considered now so as to come up with the strongest and best plan. And we've seen areas in Southeastern Montana, in Havre, that's Senator Stephens' testimony, the area around Cut Bank where I think they have very pressing problems, Western Montana, Northeastern Montana, areas where we could quite conceivably without any ripple effect create some sort of a solution that would make those people feel the process was more just. I will not dwell on that any more, to finally say just this, and that's that we have a tremendous amount of respect for the fact that this is not an easy job. But it's important to know that this will last for ten years. And I think that that angle of fairness is very, very important, so I underline that for you. And finally, I wish that you would give it extra consideration. Thank you.

SENATOR STORY: Thank you. Are there other people? Yes.

SENATOR BROWN: Mr. Chairman, members of the Committee. My name is Bob Brown. I represent Senate District 10, which under the current reapportionment contains Whitefish and Eureka. And I appear before you here today to criticize a district that's been criticized publicly and privately I think quite a bit already. It would be the proposed Senate district that would combine proposed House districts 50 and 49, which is right here on the map. That district violates, I think, most if not all of the criteria established by the Apportionment Commission. Certainly it violates the community boundaries involved because it runs from within a few miles of Polson and includes the town of Bigfork and the town of Deer Lodge and I think goes within a few miles of Anaconda, and obviously it's not contiguous, obviously not compact, and I don't think it's necessary either. I think there are better alternatives, better options, and I'd suggest that your committee might consider recommending to the Commission that you instead combine House District 51 with House District 50 and that you take the southern portion of Lake County, which is House District 52, and tie it in with Missoula County, perhaps the Rattlesnake area, and I think that could be done without any very drastic ripple effects. And I think it would be a lot fairer to the people involved in these areas, and it would be more reflective of the criteria that the Commission established itself.

SENATOR STORY: Senator Turnage.

HeinOnline -- 1983 vol. III 1929-52 1983

SENATOR TURNAGE: Mr. Chairman, members of the Committee, my name is Gene Turnage. I represent Senate District 13. I want to endorse what Senator Brown said. I'd like to adopt at the expense of plagiarism what Attorney Seel said. I think that was well done. I have nothing further to add, and I hope that something will be considered. I will make just one general comment that the process of reapportionment which is and does correct a constitutional unfairness of the entire nation was operating under before the United States Supreme Court and was intended to give fair representation to everyone. What I am afraid is happening in the Commission's pursuit of the present plan is they have proceeded basically on the numbers, and I fear that they assume that just because the numbers fit, that that's all that's necessary. And I think not. I think there's a constitutional effect to have rational common sense representation. And that is why we would like some consideration of the comments of Senator Brown.

SENATOR STORY: Thank you. Is there any other? Representative Marks.

REPRESENTATIVE MARKS: Mr. Chairman and members of the Committee. For the record my name is Bob Marks, presently the occupant of District 80. My references today will be given to the area indicated on your plat as 44. I'm especially here today to comment on some remarks attributed to the Chairman of the Reapportionment Committee to the press yesterday, relative to my position on the Gallatin proposal that was brought before this Committee hearing last year. I would like to set the record straight. I did not oppose the so-called Johnson-Marchwick Plan last year. I did not, as Chairman Mahoney said, testify against it, but I testified against an ill-conceived plan which would have carved Jefferson County into three parts, three districts where no person from Jefferson County of either political party could ever expect to be elected. The plan I testified against was not proposed by Gallatin County and it was opposed by hundreds of people from Jefferson County from both political persuasions. By adopting presently tentative plan, District 44 incorporating Western Broadwater County with Jefferson County into one House district in no way precludes the committee from accommodating the Johnson-Marchwick Plan or giving Gallatin County more than what they have ended up with. I would like to have you check the record, Mr. Chairman.

SENATOR STORY: Thank you. Now, is there anyone in this room that has not spoken that wishes to speak. Representative Ramirez.

REPRESENTATIVE RAMIREZ: Mr. Chairman, Jack Ramirez, House District 64. And I just want to make a point that I have already brought up with the Commission. I wrote a letter on August 12, 1982, and I would like to submit a copy of that. It doesn't have all the attachments, but I would like to submit that copy. I'm not here to really change the boundaries of my district, I don't care one way or the other. I think there were two alternatives that were presented, one was called the blue alternative and one the orange alternative. The orange was adopted. I think the blue is much more contiguous, it's much more compact, it was a better plan. But I'm not here to gripe about that. One of the alternatives to the plan dealt with the area that is basically part of Billings. It's not within the city limits, but it's part of the Billings community. The line for both of these

HeinOnline -- 1983 vol. III 1929-53 1983

districts both under orange and blue went down the major street called Rimrock Road. And on the north of Rimrock Road are a number of subdivisions. All of those people along the road consider themselves to be a part of the Billings community, and they are part of the Billings community. To the south of Rimrock Road is the same situation that kind of goes along out in the country, and there's a map, but I don't know if I can show you very well. But this is the road. And the subdivisions on the south side of the road consider themselves, as I say, as part of the Billings community. Those on the north side do too. But the people on the south side of the road in this area right here were taken out and were put into a district that is basically Stillwater County, and they have absolutely no identity of interest with the people in Stillwater County. These people are Billings dwellers for all practical purposes. They are cut off on the fringe and taken into a rural district, and I just don't think it's conscionable. And those people, I talked with some of them, they are very upset about that. They don't feel that they're going to have the kind of representation that they should have because they consider themselves part of the urban community, and they're not even really going to be part of the Yellowstone County district because that part of Yellowstone County was put in Stillwater and will be dominated by Stillwater County. I don't care if this area goes into my district, that's not what I'm here for. I just think that those people are entitled to go into some district that is connected with the City of Billings; whether it's mine or somebody else's is immaterial. I was told at the time that the only way that that could be done would be to take a little chunk out of Carbon County and put it with Stillwater County. I see nothing wrong with this. It's true, one of the standards I know is political boundaries, but the people in Carbon County have much greater identity of interests with those in Stillwater County than this group of a couple of thousand people, or not, I should say probably about 7 or 800 people. I don't know how many exactly. But certainly there's greater identity of interests there. And it seems to me that that should cut that county boundary and put part of Carbon in with Stillwater so that this can be left in the area that it belongs. And it just seems to me to be such a fair and reasonable change that it can't be disputed. But in any event, I wanted that brought to the attention of the Committee.

SENATOR STORY: Is there anyone else that has not spoken previously in this hearing?

SENATOR DANIELS: I simply, Mr. Chairman, want to make the record clear that my first remark with reference to my second choice and in the interest of time I would say that my first choice, the one that appears logical, is the combination of Districts 49 and 68, which are Granite and Powell County, and I would simply endorse the remarks made by Senators Galt and Van Valkenburg

SENATOR STORY: Thank you.

REPRESENTATIVE NORDTVEDT: Also, Mr. Chairman, I want to make sure the record is clear that I never questioned Senator Lane's commitment to Montana State University interests. I view legislative districts as things that will in all likelihood

HeinOnline -- 1983 vol. III 1929-54 1983

outlast my encumbrancy or any other encumbancies, and they should be looked at from the point of view of the districts and the people and not the present representatives.

SENATOR STORY: Senator Galt.

SENATOR GALT: I'm sorry, but I want to set the record clear too. Yesterday I made a statement which was not before this Committee, but the House Committee in regards that I had not been contacted in my area for a meeting with Miss Brodsky. And in checking back, I am sure I was out of town at the time. I certainly want to complement her on what she did, and she was very cooperative at all times. And I am sure that what I said yesterday was an error on my part because I am sure I was contacted.

SENATOR STORY: Thank you. Senator Stimatz.

SENATOR STIMATZ: Larry Stimatz, District 43, Silverbow County. I already pointed out to the Commission on my letter of October 8, 1982. I agree with Senator Haffey. And the district in Silverbow the way it is presently proposed is to go east into Anaconda and Silverbow. In a June meeting it was proposed that we would go west in Anaconda and east into Jefferson County. That is what I favored, and I favored keeping my two districts in Silverbow County. We are going to have to go outside our county to get one other House district for the Senate, and it can very easily be any one of the others. Anne Brodsky has the alternatives that have been proposed. Thank you.

SENATOR STORY: Senator Marbut.

SENATOR MARBUT: Reed Marbut, Missoula County. I wish to preserve my position on record and the right to submit written testimony to this committee.

SENATOR STORY: Senator Towe.

SENATOR TOWE: My comment is that my particular district is divided into three parts very nicely almost equally, and I don't think that the Reapportionment could have done worse to my district, but I don't wish to complain about it because I wish to comment. Having been involved eight years ago in trying to draw districts for the Legislature when the Legislature had the responsibility, I am convinced it isn't possible for the Legislature to reapportion itself, so I think that what you have seen today is a good illustration of how the system is working and working very well, and I would ask that the Commission do pay attention to the comments that were heard today, and I am sure they have and will. And I appreciate their taking their time to sit with us today and go through this procedure and hear the complaints

HeinOnline -- 1983 vol. III 1929-55 1983

and I am happy to abide by the decision of the Commission. That does not bother me at all. I do have a question, two things that I was most struck by today. First of all, I am very mindful of Mrs. Page's comments. She is absolutely right that we did a terrible thing to Phillipsburg and Granite County eight years ago, and are we doing any better at this time? In any event, I think that those comments are well taken. Secondly, I guess the question I had was that comments about the two Gallatin County Districts being in excess of 5 percent, to the members of the Commission, Gene or somebody, is that a concern? Apparently your guideline is 5 percent. I am not familiar with the more recent Supreme Court cases. Do you feel confident that if we exceed 5 percent we will not be in trouble legally on a 5% deviation?

EUGENE MAHONEY: It is my understanding that each individual case will stand on its own merits if you deviate. We set the 5 percent ourselves. But if you have a justifiable reason for doing it, I think they will approve up to 16 percent. But you have to have a good reason. That is why we tried to keep it under 5 percent. Admittedly we had to violate it ourselves to try to put that thing together.

SENATOR TOWE: How about commenting in those two areas--fast growing and likely to substantially exceed 5 percent in ten years. Is that something the Commission has considered?

EUGENE MAHONEY: I know of no case that ruled that you must take in potential growth in the reapportionment process either in the United States Supreme Court, the Circuit Court of Appeals, Federal District Court in Billings, no case where it says you must decide the question on that basis.

SENATOR TOWE: Twenty-five of us here in the Senate are particularly concerned about one other issue that hasn't been discussed this morning, and that is the Constitutional provision that says Senators are elected to four-year terms. And I believe there are some 20 states two years ago that had the same problem that districts were dissolved in those states. Does that cause a problem with the Commission?

EUGENE MAHONEY: I don't think that's our problem, really.

SENATOR STORY: Senator Hammond.

SENATOR HAMMOND: Mr. Chairman, members of the Commission, members of the Committee. I'm Senator Hammond, Senate District 3, and I would like to go on record as being in favor of the plan presented by Solberg and Etchart, making it possible for Blaine and Phillips to remain together and maintain rural representation in the Senate. With the present plan they will be divided between the city of Havre and practically the city of Glasgow which would make it pretty difficult for any rural representation for either of those two counties in the Legislature.

SENATOR R. MANNING: I'm Senator Dick Manning, District 18, Cascade County. My district was the district that was consolidated with two others, but I can live with what happened. And you would have a very good bipartisan support for what you did in Great Falls.

HeinOnline -- 1983 vol. III 1929-56 1983

SENATOR STORY: Senator Tveit.

SENATOR TVEIT: Senator Tveit, Senate District 27. As we listen to this today, I can see there are many disparities and discrepancies in my area of the state. I am sure the Committee will listen and hopefully recommend to the Commission. When we talk about distances in some of these counties, we have one House district that is farther than Billings to Butte, and it is all one district.

SENATOR STORY: Senator Marbut.

SENATOR MARBUT: I want to point out an error on the map, involving District 57, east side of Missoula.

SENATOR STORY: Any other questions of the Committee? If not, we thank you very much for your presentation and all of you who came.

HeinOnline -- 1983 vol. III 1929-57 1983

SENATE RESOLUTION NO. 5

A RESOLUTION OF THE SENATE OF THE STATE OF MONTANA HONORING THE FIRST SPECIAL SERVICE FORCE FOR ITS SACRIFICES AND ACCOMPLISHMENTS DURING WORLD WAR II AND SUPPORTING THE PLACEMENT OF A MEMORIAL DURING THE CELEBRATION OF THE 40TH ANNIVERSARY OF THE ALLIED LIBERATION OF ROME.

WHEREAS, June 4, 1984, will be the 40th anniversary of the Allied liberation of the Eternal City of Rome, Italy; and

WHEREAS, the First Special Service Force, a paracommando brigade composed of American and Canadian troops that was formed and trained in Montana, was the first Allied unit to breach the gates of Rome, which led to the liberation of the city; and

WHEREAS, a proper celebration and placing of a memorial is planned, with participation by 14 nations, to commemorate the 40th anniversary of this historic event; and

WHEREAS, veterans of the First Special Service Force and valiant Italian Resistance alongside whom they fought in the battle to liberate Rome intend to place a tablet dedicated to their comrades in arms who died in that campaign; and

WHEREAS, active units of the Armies of Italy, Canada, and the United States will participate in this dedication ceremony to exemplify the friendship and unity of the three countries.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE OF MONTANA:

That in proud and grateful acknowledgement of the splendid combat record and accomplishments of the First Special Service Force, the citizens of Montana be urged to reflect on the sacrifices of these courageous men and to assist them in all ways toward the success of this 40th anniversary event.

BE IT FURTHER RESOLVED, that copies of this resolution, asking their commitment to, assistance in, and approval of this international event, be sent to the Honorable John Melcher, Senator from Montana; the Honorable Max Baucus, Senator from Montana; the Honorable Pat Williams, Representative from the First Congressional District; and the Honorable Ron Marlenee, Representative from the Second Congressional District.

HOUSE RESOLUTION NO. 1

A RESOLUTION OF THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA TO ADOPT RULES TO GOVERN ITS PROCEEDINGS IN ADDITION TO JOINT RULES.

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the following rules are adopted:

HeinOnline -- 1983 vol. III 1929-58 1983

CHAPTER 1
Presiding Officer — Decorum, Order, and Debate

H1-1. The house of representatives shall elect one of its members speaker. The house shall choose its other officers and shall be the judge of the elections, returns, and qualifications of its members.

H1-2. The house shall elect one of its members speaker pro tempore, who shall perform all of the duties of the speaker in the absence of that officer and on such other occasions as the speaker may request.

H1-3. No member shall speak for longer than 30 minutes in debate on any one motion or question; however, in committee of the whole, no member may speak over 5 minutes on any motion except the member who made the motion on the immediately pending question, and that member shall have 5 minutes to close.

H1-4. No member shall speak more than once on the same question without the unanimous consent of the house, unless he has proposed or introduced the immediately pending question, in which case he may speak in reply after all members choosing to speak have spoken.

H1-5. If the motions "do pass" and "do not pass" or "indefinitely postpone" both fail on Second Reading, a motion to reconsider is in order in Committee of the Whole.

H1-6. Subject to Joint Rules 1-2 and 1-3, the following persons may be admitted to the floor of the house during sessions: legislators; legislative officers and employees whose presence is necessary for the conduct of the business of the session; legislative aides and interns; accredited members of the press, radio, and television; former legislators; members' spouses and their children; and guests of legislators.

CHAPTER 2
Meetings, Quorums, and Attendance

H2-1. Lobbying on the floor of the House of Representatives is prohibited during the session and within 2 hours prior to the commencement of a session and within one-half hour after recess or adjournment.

CHAPTER 3
Committees

H3-1. The standing committees of the house are as follows:

1. Agriculture, Livestock and Irrigation
2. Appropriations
3. Business and Industry
4. Education and Cultural Resources
5. Fish and Game
6. Highways and Transportation
7. Judiciary

HeinOnline -- 1983 vol. III 1931 1983

8. Labor and Employment Relations

9. Legislative Administration/Bills and Journal

10. Local Government

11. Natural Resources

12. Human Services

13. Rules

14. State Administration

15. Taxation

The first named member of a committee is the chairman, and in his absence the next named member, and so on.

H3-2. The committee on rules shall consist of the speaker, the majority leader and other members of the majority party appointed by the speaker, the minority leader and other members of the minority party designated by the minority leader and appointed by the speaker. The speaker shall appoint other standing committees, select committees, and house membership on joint committees and conference committees.

H3-3. The speaker, majority leader, and minority leader shall be ex officio members on all committees.

H3-4. All bills having "Do Pass" committee recommendations shall be deemed adopted and shall be placed on second reading unless they are referred to a committee by motion duly made on order of business No. 6.

If the committee report is that the bill "Do Not Pass", the bill shall be posted by the chief clerk of the house and the members of the house have 24 hours in which to indicate in writing to the chief clerk that they wish to have the bill debated. If 20 members, including at least one-third of the appointed members of the committee making the report, so indicate, the bill will be placed on second reading for debate. If no such indication is made, the committee report will be voted on on order of business No. 2.

CHAPTER 4
Rules

H4-1. (1) A motion to amend or adopt a rule of the house shall be referred to the committee on rules, which shall report no later than the next legislative day. Unless recommended by the committee on rules, no house rule shall be amended or adopted except by a two-thirds vote.

(2) A house rule may be suspended temporarily for a specified purpose by a two-thirds vote.

H4-2. Mason's Manual of Legislative Procedure governs the proceedings of the house of representatives in all cases not covered by these rules.

HeinOnline -- 1983 vol. III 1932 1983

HOUSE RESOLUTION NO. 2

A RESOLUTION OF THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA TRANSMITTING RECOMMENDATIONS TO THE MONTANA DISTRICTING AND APPORTIONMENT COMMISSION REGARDING ITS REDISTRICTING PLAN SUBMITTED UNDEF ARTICLE V, SECTION 14, OF THE MONTANA CONSTITUTION.

WHEREAS, a Montana Districting and Apportionment Commission was appointed in 1979; and

WHEREAS, the Commission prepared a plan for redistricting and reapportioning the state into legislative and congressional districts and presented it to the 48th Legislature on January 5, 1983, as required by Article V, section 14, of the Montana Constitution; and

WHEREAS, the House of Representatives has studied the plan submitted to it and has considered several recommendations regarding the plan; and

WHEREAS, the House of Representatives must return the plan to the Commission with its recommendations on or before February 4, 1983, in accordance with the Montana Constitution; and

WHEREAS, the House of Representatives chooses to return its recommendations in the form of a simple resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the House of Representatives recommends that the Montana Districting and Apportionment Commission adopt the congressional and legislative redistricting plan as it was submitted to the 48th Legislature with the following modifications and recommendations:

(1) house districts 81 and 82 be amended so that the district in which Livingston is located be made more urban in nature and the district consisting of rural Park County, Sweetgrass County and a portion of Yellowstone National Park be made more rural in nature, as described on the attached census report;

(2) house districts 99 and 100 be amended so that the area in ED 3027A in the Hardin division of Big Horn County that is north of the school district boundary in sections 21 and 22 TIN R33E be placed in house district 99 rather than in house district 100, as described on the attached census report;

(3) house districts 70 and 74 be amended so that the area in Silver Bow County which is south of the Continental Divide and west of interstate 15 be placed in district 70 rather than in district 74 and that the area in Silver Bow County that is south of Four Mile Vue, east of Harrison Avenue, west of the Chicago, Milwaukee, St. Paul and Pacific railroad tracks and north of Little Basin Creek and Little Basin Creek road be

HeinOnline -- 1983 vol. III 1933 1983

placed in district 74 rather than district 70, as described on the attached census report;

(4) senate districts 25, 26, 28, 29, 34, and 35 be withdrawn and the following house districts be paired to form senate districts:

50 and 51
52 and 55
49 and 69
57 and 68
67 and 70.

BE IT FURTHER RESOLVED, that a copy of this resolution be kept on file by the Secretary of State and that copies be sent by the Secretary of State to the chairman of the Montana Districting and Apportionment Commission; the Honorable Ron Marlenee, Congressman from the Second Congressional District; and the Honorable Pat Williams, Congressman from the First Congressional District.

APPENDIX

CONSTITUTIONAL AMENDMENTS

CONSTITUTIONAL AMENDMENT NO. 12

By Chapter 611, Laws of 1981, the Legislature proposed an amendment to the Constitution of the State of Montana to provide that the Secretary of State shall conduct a poll of all Legislators when the Legislature is not in session and the Governor vetoes a bill.

Chapter 611 was approved by the following vote at the General Election held November 2, 1982:

For:	147,463
Against:	131,560

The title and text of Chapter 611 follow.

An Act to submit to the qualified electors of Montana an amendment to Article VI, Section 10, of The Montana Constitution to provide that the Secretary of State shall conduct a poll of all Legislators when the Legislature is not in session and the Governor vetoes a bill.

Be it enacted by the Legislature of the State of Montana:

Section 1. Article VI, section 10, of the Constitution of the State of Montana is amended to read:

"Section 10. **Veto power.** (1) Each bill passed by the legislature, except bills proposing amendments to the Montana constitution, bills ratifying proposed amendments to the United States constitution, resolutions, and initiative and referendum measures, shall be submitted to the governor for his signature. If he does not sign or veto the bill within five days after its delivery to him if the legislature is in session or within 25 days if the legislature is adjourned, it shall become law. The governor shall return a vetoed bill to the legislature with a statement of his reasons therefor.

(2) The governor may return any bill to the legislature with his recommendation for amendment. If the legislature passes the bill in accordance with the governor's recommendation, it shall again return the bill to the governor for his reconsideration. The governor shall not return a bill for amendment a second time.

(3) If after receipt of a veto message, two-thirds of the members *of each house* present approve the bill, it shall become law.

(4) *(a)* If the legislature is not in session when the governor vetoes a bill *approved by two-thirds of the members present*, he shall return the

HeinOnline -- 1983 vol. III 1939 1983

bill with his reasons therefor to the *secretary of state. The secretary of state shall poll the members of the legislature by mail and shall send each member a copy of the governor's veto message. If two-thirds or more of the members of each house vote to override the veto, the bill shall become law.*

(b) The legislature may reconvene as provided by law to reconsider any bill vetoed by the governor when the legislature is not in session.

(5) The governor may veto items in appropriation bills, and in such instances the procedure shall be the same as upon veto of an entire bill."

Section 2. **Effective date.** This amendment is effective immediately upon approval by the electorate of Montana.

Section 3. **Submission to electorate.** When this amendment is submitted to the qualified electors of Montana, there shall be printed on the ballot the full title of this act and the following words:

☐ FOR allowing the legislature to override a post-session veto through a poll of its members by the secretary of state.

☐ AGAINST allowing the legislature to override a post-session veto through a poll of its members by the secretary of state.

INITIATIVES

INITIATIVE NO. 91

By Initiative the people proposed a law that would declare that the people of Montana are opposed to the placement of MX missiles in this state. It also expresses opposition to further testing, development or deployment of nuclear weapons by any nation. Passage of this initiative is an expression of the opinion of the voters in Montana that would have no legal effect. The Initiative was approved by the following vote at the General Election held November 2, 1982:

For:	168,594
Against:	125,092

The text of the Initiative law follows.

Be it enacted by the People of the State of Montana:

Section 1. **Declaration of policy.** It is hereby declared that the people of Montana are opposed to:

(1) the placement of MX missiles in Montana; and

(2) any further testing, development, or deployment of nuclear weapons by any nation.

Section 2. **Conveyance to national authorities.** The Secretary of State of the State of Montana is hereby directed to immediately convey a copy of this initiative to the Congress and the President of the United States of America.

HeinOnline -- 1983 vol. III 1940 1983

Section 3. **Effective date.** This initiative is effective January 1, 1983.

☐ FOR the initiative — I oppose the placement of MX missiles in Montana and the further testing, development or deployment of nuclear weapons by any nation.

☐ AGAINST the inititative — I do not oppose the placement of MX missiles in Montana and the further testing, development or deployment of nuclear weapons by any nation.

INITIATIVE NO. 95

By Initiative the people proposed that the state would take one-fourth (25%) of all future deposits to the permanent coal tax trust and invest it in Montana's economy. The state would make no direct loans, but would emphasize investments in new or expanding interprises.

The initiative would also create an economic development fund, using a portion of the interest from the coal tax trust. After determining how much interest to allocate to the economic development fund the legislature may spend money from the fund to support economic development in the state. The Initiative was approved by the following vote at the General Election held November 2, 1982:

For:	207,629
Against:	84,875

The text of the Initiative law follows:

Be it enacted by the People of the State of Montana:

Section 1. **Purpose of the coal tax trust fund.** The people of Montana establish that the intent of the permanent coal tax trust fund, as created by Article IX, section 5 of the Montana Constitution, is:

(1) to compensate future generations for the loss of a valuable and depletable resource and to meet any economic, social, and environmental impacts caused by coal development not otherwise provided for by other coal tax sources; and

(2) to develop a stable, strong and diversified economy which meets the needs of Montana residents both now and in the future while maintaining and improving a clean and healthful environment as required by Article IX, section 1 of the Montana Constitution.

Section 2. **Use of the coal tax trust fund for economic development.** Objectives for investment of the permanent coal tax trust fund are to diversify, strengthen and stabilize the Montana economy and to increase Montana employment and business opportunities while maintaining and improving a clean and healthful environment.

Section 3. **Investment of 25 percent of the coal tax trust fund in the Montana economy.** (1) Twenty-five percent of all revenue deposited after June 30, 1983 into the permanent coal tax trust fund established in section 17-6-203(5), MCA, shall be invested in the Montana economy

HeinOnline -- 1983 vol. III 1941 1983

with special emphasis on investments in new or expanding locally-owned enterprises.

(2) In determining the probable income to be derived from investment of this revenue, as required by section 17-6-201(1), MCA, the long-term benefit to the Montana economy shall be considered.

(3) The State may not use this revenue to make direct loans.

(4) The Legislature may provide additional procedures to implement this section.

Section 4. **Establishment of a Montana economic development fund.** A Montana economic development fund is created. A portion of the interest income from the permanent coal tax trust fund created in section 17-6-203(5), MCA, shall be deposited in the fund as determined by the Legislature. Monies, if any, appropriated by the Legislature from the Economic Development Fund shall be used only for programs consistent with the objectives in [section 2].

Section 5. **Severability.** If part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 6. **Effective date.** This act shall be effective July 1, 1983.

☐ FOR investing past of the coal severance tax permanent trust fund in the Montana economy and creating a Montana economic development fund.

☐ AGAINST investing part of the coal severance tax permanent trust fund in the Montana economy and creating a Montana economic development fund.

SESSION LAWS

CHAPTER NO. 1

AN ACT TO REVISE THE LAWS RELATING TO RELINQUISHMENT OF CHILDREN FOR ADOPTION; AMENDING SECTIONS 40-6-125, 40-8-103, AND 40-8-109, MCA; REPEALING SECTIONS 40-6-132 THROUGH 40-6-134, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Relinquishment of parental rights — form, execution, and revocation.** (1) Any parent or guardian who proposes to relinquish custody of a child for purposes of placing the child for adoption may do so by executing a relinquishment by which all parental rights to the child are voluntarily relinquished to an agency of the state of Montana or a licensed adoption agency.

(2) Except as otherwise provided in this section, a relinquishment shall be by a separate instrument executed before a notary public.

(3) If the person from whom a relinquishment is required is a member of any of the armed services or is in prison, the relinquishment may be executed and acknowledged before any person authorized by law to administer oaths.

(4) If the relinquishment is executed in another state or country, the court having jurisdiction over the adoption proceeding in this state shall determine whether the relinquishment was executed in accordance with the laws of that state or country and may not proceed unless it finds that the relinquishment was so executed.

(5) Upon the filing of a properly and voluntarily executed relinquishment of a child by a parent or guardian, the court shall immediately issue an order terminating the rights of that parent or guardian to that child. If the rights of both parents, the surviving parent, or the guardian have been terminated, the court shall issue an order committing the child to the agency of the state of Montana or the licensed adoption agency to which the relinquishment was given.

(6) Entry of an order terminating the rights of both parents pursuant to subsection (5) terminates the jurisdiction of the district court over the child in any divorce or separate maintenance action.

(7) Upon petition of a person who executed a relinquishment and of the agency of the state of Montana or licensed adoption agency to which the child was relinquished, the court with which the relinquishment was filed may grant a hearing to consider whether the relinquishment should

HeinOnline -- 1983 vol. III 1947 1983

be revoked. A relinquishment may not be revoked if the child has been placed for adoption. A verbatim record of testimony related to the petition shall be made.

Section 2. Section 40-6-125, MCA, is amended to read:

"40-6-125. Children born out of wedlock — relinquishment — consent. (1) If the mother of a child born out of wedlock proposes to relinquish the child for adoption and the relinquishment or consent of the birth father cannot be obtained, the child may not be placed for adoption until the parental rights of the father are terminated by the court as provided in this part, by the court pursuant to Title 41, chapter 3, or by a court of competent jurisdiction in another state or country.

(2) Pending the termination or other disposition of the rights of the father of the child born out of wedlock, the mother may *execute a relinquishment terminating her rights to the child. If the mother relinquishes the child, the agency of the state of Montana or the licensed adoption agency to whom the child is relinquished may file* a petition *under this part or a petition of dependency or neglect* pursuant to *Title 41, chapter 3. Pending disposition of the* petition, the court may enter an order authorizing temporary care of the child.

(3) At the request of the mother, her execution of a relinquishment shall be delayed until after the court has determined the identity of the father and has awarded custody of the child to the father or terminated his rights under this part."

Section 3. Section 40-8-103, MCA, is amended to read:

"40-8-103. Definitions. As used in this chapter, unless the context otherwise requires the following definitions apply:

(1) "Adoption" means the act of creating the legal relationship between parent and child when it does not exist genetically.

(2) "Adoptive parent" means an adult who has become the mother or father of a child through the legal process of adoption.

(3) "Agency" means a public or voluntary agency licensed by any jurisdiction within the United States and expressly empowered to place children as a preliminary to a possible adoption.

(4) "Birth parent" means the mother or father of genetic origin of a child but does not include a putative father of a child.

(5) "Child" means any person under 18 years of age.

(6) "Court" means a Montana district court or a tribal court of any Montana Indian reservation.

(7) "Department" means the department of social and rehabilitation services, as established and provided for in Title 2, chapter 15, part 22.

(8) "Extended family member" means an adult who is the child's grandparent, aunt or uncle, brother or sister, niece or nephew, or first cousin.

HeinOnline -- 1983 vol. III 1948 1983

(9) "Parent" means the birth or adoptive mother or the birth, adoptive, or legal father whose parental rights have not been terminated.

(10) "Placement for adoption" means the transfer of physical custody of a child with respect to whom all parental rights have been terminated and who is otherwise legally free for adoption to a person who intends to adopt the child.

(11) "Relinquishment" means the informed and voluntary release in writing of all parental rights with respect to a child by a parent to an agency *or individual* pursuant to *[section 1] or 40-8-109, whichever is applicable.*"

Section 4. Section 40-8-109, MCA, is amended to read:

"40-8-109. Placement for adoption by parents. (1) No parent may make a placement of a child for adoption with *an individual* who is not a stepparent or a member of the child's extended family unless the parent files with the district court for the county in which the prospective adoptive parent or the parent making the placement resides:

(a) a notice of parental placement; and

(b) a relinquishment of parental rights to the prospective adoptive parents executed voluntarily and in accordance with [section 1(2) through (4)].

(2) The notice of parental placement *and the relinquishment* shall be filed prior to a parent's placement of the child with *an individual* who intends to adopt the child. The notice of parental placement shall contain the following information:

(a) the name and address of each birth parent, if known, and if unknown, the steps taken to ascertain the whereabouts of the parent or parents;

(b) the name and address of each prospective adoptive parent;

(c) the name and address or expected date and place of birth of the child; and

(d) the name and address of counsel, guardian ad litem, or other representative, if any, for each of the parties in (a) through (c) of subsection (2).

(3) Upon receipt of a notice of parental placement *and a relinquishment*, the court shall require that the department examine the child and conduct interviews with the birth parents and prospective adoptive parents and report to the court within 30 days but not earlier than 5 days after the birth of the child. The report must state whether the following requirements for placement have been met:

(a) that the decision to place was voluntarily made by the birth parents;

(b) that the department has no temporary authority to investigate or provide protective services to the family under 41-3-402;

HeinOnline -- 1983 vol. III 1949 1983

(c) that the birth parents, the prospective adoptive parents, and their representatives have agreed in writing to provide the court with sworn affidavits containing itemized statements of all fees charged or to be charged, expenses incurred or to be incurred, and payments received or to be received in connection with the proposed adoptive placement;

(d) that the prospective adoptive parents have been provided a medical and social history of the child and birth parents; and

(e) that the proposed placement is in the child's best interest.

(4) Within 45 days of filing of the notice of parental placement *and the relinquishment*, the court shall schedule a hearing to consider the proposed placement.

(5) (a) At least 5 days' notice of the time and place of the hearing must be given to the birth parents, the prospective adoptive parents, any named guardian ad litem, and the agency or person who conducted the investigation under subsection (3).

(b) The hearing shall be closed to all persons except those persons entitled to notice and their representatives or counsel.

(6) If the court finds that all requirements for placement have been met, the court may issue an order or schedule a hearing for the purpose of terminating parental rights and granting temporary custody to the prospective adoptive parents. The prospective adoptive parents must file their petition to adopt within 30 days of the order.

(7) If the court finds that all requirements for the adoptive placement have not been met, the court may issue any order appropriate to protect the child."

Section 5. **Repealer.** Sections 40-6-132 through 40-6-134, MCA, are repealed.

Section 6. **Codification instruction.** Section 1 is intended to be codified as an integral part of Title 40, chapter 6, part 1, and the provisions of Title 40, chapter 6, part 1, apply to section 1.

Section 7. **Effective date.** This act is effective on passage and approval.

Approved November 25, 1981.

CHAPTER NO. 2

AN ACT AMENDING THE DEFINITION OF A DEPENDENT CHILD AND ELIMINATING THE UNEMPLOYMENT OF A PARENT AS AN ELIGIBILITY CRITERION FOR AID TO DEPENDENT CHILDREN; AMENDING SECTION 53-4-201, MCA; REPEALING SECTIONS 53-4-234, 53-4-235, AND 53-4-236, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 53-4-201, MCA, is amended to read:

"53-4-201. Definitions. (1) (a) The term "dependent child", for public assistance purposes, means:

HeinOnline -- 1983 vol. III 1950 1983

(i) a child under the age of 18; or

(ii) a person under the age of *19* who is a student under the regulations prescribed by the department.

(b) The child ((a)(i) or (a)(ii) above) must be deprived of parental support or care by reason of the death, continued absence from the home, or physical or mental incapacity of a parent and be living with his father, mother, grandfather, grandmother, brother, sister, stepfather, stepmother, stepbrother, stepsister, uncle, aunt, nephew, niece, or first cousin in a place of residence maintained by one or more of such relatives as his or their own home.

(2) The term "aid to dependent children" means money payments with respect to or payments made for medical care in behalf of a dependent child or dependent children, including money payments or payments made for medical care for any month to meet the needs of a relative with whom a dependent child is living if money payments have been made with respect to such child for such month. The term shall also include emergency assistance to families with children as provided by the federal Social Security Act.

(3) "Department" means the department of social and rehabilitation services provided for in Title 2, chapter 15, part 22.

(4) "Public assistance" or "assistance" means any type of monetary or other assistance furnished under this title to a person by a state or county agency, regardless of the original source of the assistance."

Section 2. **Repealer.** Sections 53-4-234, 53-4-235, and 53-4-236, MCA, are repealed.

Section 3. **Effective date.** This act is effective on January 1, 1982.

Approved November 25, 1981.

CHAPTER NO. 3

AN ACT TO ALLOW THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES TO CONSIDER THE INCOME AND RESOURCES OF STEPPARENTS AND OTHER INDIVIDUALS LIVING IN THE HOME FOR THE PURPOSE OF ADMINISTERING AID TO DEPENDENT CHILDREN; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Stepparent resources and income.** Notwithstanding the provisions of 40-6-217, in the administration of this part the department may consider the income and resources of stepparents and other individuals who reside in the home as resources and income available to the household.

HeinOnline -- 1983 vol. III 1951 1983

Section 2. **Codification instruction.** Section 1 is intended to be codified as an integral part of Title 53, chapter 4, part 2, and the provisions of Title 53, chapter 4, part 2, apply to section 1.

Section 3. **Effective date.** This act is effective on January 1, 1982.

Approved November 25, 1981.

CHAPTER NO. 4

AN ACT PROVIDING FOR ESTABLISHMENT OF RULES AND STANDARDS FOR GENERAL RELIEF ASSISTANCE BY COUNTY BOARDS OF PUBLIC WELFARE WITH THE APPROVAL OF THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES; PROVIDING THAT GENERAL RELIEF ASSISTANCE MAY BE PROVIDED BY DISBURSING ORDERS; AMENDING SECTIONS 53-3-301 AND 53-3-302, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 53-3-301, MCA, is amended to read:

"**53-3-301. Amount of general relief assistance to be determined by county board.** The amount of general relief assistance granted any person or family shall be determined by the county board of public welfare, according to rules and standards of assistance established by *the board and approved by* the department."

Section 2. Section 53-3-302, MCA, is amended to read:

"**53-3-302. Payment by check or disbursing order.** All general relief disbursements by county departments of public welfare shall be by warrant or check. *General assistance needs may be met through disbursing orders that must subsequently be reimbursed through county payment procedures. Disbursing* orders must be written in such form that the goods and *services* to be provided may be furnished by any regular dealer in such goods and *services.*"

Section 3. **Effective date.** This act is effective on January 1, 1982.

Approved November 25, 1981.

CHAPTER NO. 5

AN ACT TO CHANGE INTERVALS BETWEEN INSPECTION OF LICENSED HEALTH CARE FACILITIES FROM 1 TO 3 YEARS; TO REQUIRE REPORTS FROM FACILITIES APPLYING FOR LICENSE RENEWAL IN ORDER TO DOCUMENT THAT THEY MET MINIMUM STANDARDS; AMENDING SECTION 50-5-204, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 50-5-204, MCA, is amended to read:

"**50-5-204. Issuance and renewal of licenses — inspections.** (1) *After* receipt of a new or renewal application *and a determination by*

HeinOnline -- 1983 vol. III 1952 1983

the department *that the facility meets* minimum standards and the proposed *or existing* staff is qualified, the department shall issue a license for 1 year. If minimum standards are not met, the department may issue a provisional license for less than 1 year if operation will not result in undue hazard to patients or residents or if the demand for accommodations offered is not met in the community. The minimum standards which home health agencies must meet in order to be licensed shall be as outlined in 42 U.S.C. 1395 x(o), as amended, and in rules implementing it which add minimum standards.

(2) The department must inspect a new facility before an initial license is granted.

(3) An application for renewal of a license must be accompanied by a report, on forms provided by the department, containing such information as the department considers necessary to determine whether minimum standards are being met.

(4) The department may inspect a licensed health care facility whenever it considers it necessary and shall inspect each licensed facility at least once within the 3 years following the date of its last inspection. The entire premises *of a licensed facility* shall be open to inspection, and access to all records shall be granted at all reasonable times."

Section 2. **Saving clause.** This act does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before the effective date of this act.

Section 3. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 4. **Effective date.** This act is effective on January 1, 1982.

Approved November 25, 1981.

CHAPTER NO. 6

AN ACT TO CHANGE THE INTEREST FOR DELINQUENT PROPERTY TAX PAYMENT FROM 5/6 OF 1 PERCENT PER MONTH FOR THE FIRST $3,000 PER TAXPAYER OF EACH YEAR'S DELINQUENT TAXES AND 1 PERCENT PER MONTH FOR EACH YEAR'S DELINQUENT TAXES IN EXCESS OF $3,000 PER TAXPAYER TO 5/6 OF 1 PERCENT PER MONTH FOR ALL DELINQUENT PROPERTY TAXES UNTIL SUCH TAXES ARE PAID; AMENDING SECTIONS 15-16-101, 15-16-102, AND 15-17-303, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-16-101, MCA, is amended to read:

"15-16-101. Treasurer to publish notice — manner of publication. (1) Within 10 days after the receipt of the assessment book, the county treasurer must publish a notice specifying:

HeinOnline -- 1983 vol. III 1953 1983

(a) that one-half of all taxes levied and assessed will be due and payable before 5 p.m. on November 30 next thereafter and that unless paid prior thereto the amount then due will be delinquent and will draw interest at the rate of *5/6 of* 1% per month from and after such delinquency *until paid* and 2% will be added to the delinquent taxes as a penalty;

(b) that one-half of all taxes levied and assessed will be due and payable on or before 5 p.m. on May 31 next thereafter and that unless paid prior to said date said taxes will be delinquent and will draw interest at the rate of *5/6 of* 1% per month from and after such delinquency *until paid* and 2% will be added to the delinquent taxes as a penalty; and

(c) the time and place at which payment of taxes may be made.

(2) He must send to the last-known address of each taxpayer written notice, postage prepaid, showing the amount of taxes and assessments due the current year and the amount due and delinquent for other years. The written notice shall include:

(a) the taxable value of the property;

(b) the total mill levy applied to that taxable value;

(c) the value of each mill in that county;

(d) itemized city services and special improvement district assessments collected by the county;

(e) the number of the school district in which the property is located; and

(f) the amount of the total tax due that is levied as city tax, county tax, state tax, school district tax, and other tax.

(3) The municipality shall, upon request of the county treasurer, provide the information to be included under subsection (2)(d) ready for mailing.

(4) The notice in every case must be published for 2 weeks in some weekly or daily newspaper published in the county, if there is one, or if there is not, then by posting it in three public places. The failure to publish or post notices does not relieve the taxpayer from any of his liabilities. Any failure to give notice of the tax due for the current year or of delinquent tax will not affect the legality of the tax."

Section 2. Section 15-16-102, MCA, is amended to read:

"15-16-102. Time for payment — penalty for delinquency. All taxes levied and assessed in the state of Montana, except assessments made for special improvements in cities and towns payable under 15-16-103, shall be payable as follows:

(1) One-half of the amount of such taxes shall be payable on or before 5 p.m. on November 30 of each year and one-half on or before 5 p.m. on May 31 of each year.

(2) Unless one-half of such taxes are paid on or before 5 p.m. on November 30 of each year, then such amount so payable shall become

HeinOnline -- 1983 vol. III 1954 1983

delinquent and shall draw interest at the rate of *5/6 of* 1% per month from and after such delinquency until paid and 2% shall be added to the delinquent taxes as a penalty.

(3) All taxes due and not paid on or before 5 p.m. on May 31 of each year shall be delinquent and shall draw interest at the rate of *5/6 of* 1% per month from and after such delinquency until paid and 2% shall be added to the delinquent taxes as a penalty."

Section 3. Section 15-17-303, MCA, is amended to read:

"15-17-303. Assignment of rights of county. (1) At any time after any parcel of land has been bid upon by the county as the purchaser thereof for taxes as provided in 15-17-207, the same not having been redeemed, the county treasurer shall assign all the right of the county therein acquired at such sale to any person who pays the amount for which the same was bid, with interest upon the original tax at the rate of 5/6 of 1% per month and the amount of all subsequent delinquent taxes, penalties, costs, and interest as provided by law upon the same from time to time when such tax became delinquent. The county treasurer shall execute to such person a certificate for such parcel, which may be substantially in the following form:

"I, ..., the treasurer of the county of ...., state of Montana, do hereby certify that at the sale of lands pursuant to the tax assessment for the year 19.. in the county of .... and which sale was held on the .... day of ...., 19.., for the purpose of liquidating assessment, the following described parcel of land, situate in the county of ...., state of Montana, to wit: (insert description) was duly offered for sale; that there was no purchaser in good faith for the same as provided by law and no person or purchaser offered to take the same and pay the taxes, cost, and charges due as aforesaid. Accordingly, the whole amount of the property assessed and described as above was struck off to the county of .... as purchaser thereof for the sum of ...., and the same still remaining unredeemed, and on this day .... having paid into the treasury of such county the amount for which the same was bid, together with all subsequent delinquent taxes, penalties, costs, and interest amounting in all to .... dollars.

Now, therefore, in consideration thereof and pursuant to the statute in such case made and provided, I do hereby assign and set over all the right, title, and interest of the county of ...., state of Montana, acquired in such lands under and by virtue of the sale to ...., his heirs and assigns forever, together with all the rights, powers, and privileges of the county of .... to take steps to receive a deed thereof or receive payment in case of a redemption; subject, however, to redemption as provided by law.

Witness my hand and official seal of office this .... day of ...., 19...
..... (County Treasurer)"

(2) If the certificate described in subsection (1) becomes lost by accident or destroyed by the assignee, the county treasurer shall issue a duplicate certificate to the assignee after the county treasurer is convinced that the certificate has been lost or destroyed and after the assignee has made an affidavit to that effect.

HeinOnline -- 1983 vol. III 1955 1983

(3) The provisions of this section apply to any sale of land for which a treasurer's deed was not issued by March 5, 1917, and the holder of any certificate described in subsection (1) has the same rights, powers, and privileges with regard to securing a deed as any purchaser of land at tax sale may now have.

(4) As to any land received by the county in exchange, the same may be sold or leased the same as might have been done with the lands exchanged."

Section 4. **Effective date and applicability.** This act is effective on passage and approval and applies to real and personal property taxes that become due on or after November 30, 1981, or that became due prior to November 30, 1981, and remain unpaid on or after November 30, 1981.

Approved November 25, 1981.

CHAPTER NO. 7

AN ACT TO AUTHORIZE APPROVED TRAINING WHEN A CLAIMANT IS ELIGIBLE FOR TRADE READJUSTMENT BENEFITS AND TO LIMIT THE NUMBER OF WEEKS' DURATION OF TRADE READJUSTMENT BENEFITS IF THE CLAIMANT IS ELIGIBLE FOR EXTENDED BENEFITS.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Approved trade readjustment training.** (1) Notwithstanding any other provisions of this chapter, no otherwise eligible individual may be denied benefits for any week:

(a) because he is in training approved under Section 236(a)(1) of the federal Trade Act of 1974;

(b) in which he is in such approved training by reason of leaving work to enter such training if the work left is not suitable employment; or

(c) because of the application to any such week in training of provisions in this chapter or any federal unemployment insurance law administered by this agency, relating to availability for work, active search for work, or refusal to accept work.

(2) For purposes of this section, "suitable employment" means work of a substantially equal or higher skill level than the individual's past adversely affected employment, as defined for purposes of the federal Trade Act of 1974, and for which the wages are not less than 80% of the individual's average weekly wage as determined for the purposes of the federal Trade Act of 1974.

Section 2. **Limitations on weeks of combined extended benefits and trade readjustment allowances.** Notwithstanding any other provisions of this chapter, if the benefit year of any individual ends

HeinOnline -- 1983 vol. III 1956 1983

within an extended benefit period, the remaining balance of extended benefits that such individual would but for this section be entitled to receive in that extended benefit period, with respect to weeks of unemployment beginning after the end of the benefit year, shall be reduced (but not below zero) by the product of the number of weeks for which the individual received trade readjustment allowances within that benefit year, multiplied by the individual's weekly benefit amount for extended benefits.

Section 3. **Codification instruction.** Sections 1 and 2 are intended to be codified as an integral part of Title 39, chapter 51, and the provisions of Title 39, chapter 51, apply to sections 1 and 2.

Approved November 30, 1981.

CHAPTER NO. 8

AN ACT TO AUTHORIZE THE UNEMPLOYMENT INSURANCE DIVISION TO INQUIRE CONCERNING CHILD SUPPORT, TO NOTIFY THE APPLICABLE CHILD SUPPORT ENFORCEMENT AGENCY AND UNDER CERTAIN CIRCUMSTANCES TO TRANSMIT A PORTION OF THE UNEMPLOYMENT INSURANCE BENEFITS TO THE ENFORCEMENT AGENCY; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Child support interception of unemployment benefits.** (1) For purposes of this section, the following definitions apply:

(a) "Unemployment compensation" means any compensation payable under the Montana unemployment insurance law, including amounts payable by the division pursuant to an agreement under any federal law providing for compensation, assistance, or allowances with respect to unemployment.

(b) "Child support obligations" includes only obligations that are being enforced pursuant to a plan described in Section 454 of the Social Security Act which has been approved by the secretary of health and human services under Part D of Title IV of the Social Security Act.

(c) "State or local child support enforcement agency" means any agency of a state or political subdivision thereof operating pursuant to a plan provided for in subsection (1)(b).

(2) An individual filing a new claim for unemployment compensation shall, at the time of filing the claim, disclose whether or not he owes child support obligations. If an individual discloses that he owes child support obligations and the individual is determined to be eligible for unemployment compensation, the division shall notify the state or local child support enforcement agency enforcing such obligation that the individual has been determined to be eligible for unemployment compensation.

HeinOnline -- 1983 vol. III 1957 1983

(3) The division shall deduct and withhold from any unemployment compensation payable to an individual owing child support obligations:

(a) the amount specified by the individual to the division to be deducted and withheld under this subsection if neither subsection (3)(b) nor (3)(c) is applicable;

(b) the amount, if any, determined pursuant to an agreement submitted to the division under Section 454(20)(B)(i) of the Social Security Act by the state or local child support enforcement agency, unless subsection (3)(c) is applicable; or

(c) any amount otherwise required to be so deducted and withheld from such unemployment compensation pursuant to legal process, as that term is defined in Section 462(e) of the Social Security Act, properly served upon the division.

(4) The division shall pay any amount deducted and withheld under subsection (3) to the appropriate state or local child support enforcement agency.

(5) Deductions may be made pursuant to this section only if appropriate arrangements have been made for reimbursement by the state or local child support enforcement agency for the administrative costs incurred by the division under this section.

(6) Any amount deducted and withheld under subsection (3) must be treated as if it were paid to the individual as unemployment compensation and paid by such individual to the state or local child support enforcement agency in satisfaction of the individual's child support obligations.

Section 2. **Codification instruction.** Section 1 is intended to be codified an an integral part of Title 39, chapter 51, and the provisions of Title 39, chapter 51, apply to section 1.

Section 3. **Effective date.** This act is effective on passage and approval.

Approved November 30, 1981.

CHAPTER NO. 9

AN ACT TO ELIMINATE REFERENCE TO THE NATIONAL "ON" AND "OFF" INDICATOR AND FURTHER DEFINE THE CALCULATION OF RATE OF INSURED UNEMPLOYMENT; ESTABLISHING A NEW STATE "ON" AND "OFF" EXTENDED BENEFIT INDICATOR; AMENDING SECTIONS 39-51-2501 AND 39-51-2504 THROUGH 39-51-2506, MCA; REPEALING SECTIONS 39-51-2502 AND 39-51-2503, MCA; AND PROVIDING EFFECTIVE DATES.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-51-2501, MCA, is amended to read:

"39-51-2501. Definitions. As used in this part, unless the context clearly requires otherwise, the following definitions apply:

HeinOnline -- 1983 vol. III 1958 1983

(1) "Extended benefit period" means a period which:

(a) begins with the third week after a week for which there is a state "on" indicator, provided that no extended benefit period may begin by reason of a state "on" indicator before the 14th week following the end of a prior extended benefit period which was in effect with respect to this state; and

(b) ends with the third week after the first week for which there is a state "off" indicator or the 13th consecutive week of such period.

(2) (a) "Rate of insured unemployment", for purposes of 39-51-2504 and 39-51-2505, means the percentage derived by dividing the average weekly number of individuals filing claims *for regular benefits* in this state for weeks of unemployment with respect to the most recent 13-consecutive-week period, as determined by the department on the basis of his reports to the U.S. secretary of labor, by the average monthly employment covered under this chapter for the first 4 of the most recent 6 completed calendar quarters ending before the end of such 13-week period.

(b) Computations required by the provisions of subsection (2)(a) shall be made by the department in accordance with regulations prescribed by the U.S. secretary of labor.

(3) "Regular benefits" means benefits payable to an individual under this chapter or under any other state law, including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85, other than extended benefits.

(4) "Extended benefits" means benefits, including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85, payable to an individual under the provisions of this part for weeks of unemployment in his eligibility period.

(5) "Eligibility period" of an individual means the period consisting of the weeks in his benefit year which begin in an extended benefit period and, if his benefit year ends within such extended benefit period, any weeks thereafter which begin in such period.

(6) "Exhaustee" means an individual who, with respect to any week of unemployment in his eligibility period:

(a) has received, prior to such week, all of the regular benefits that were available to him under this chapter or any other state law, including dependents' allowances and benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85, in his current benefit year that includes such week; provided, that for the purposes of this subsection, an individual shall be deemed to have received all of the regular benefits that were available to him although, as a result of a pending appeal with respect to wages that were not considered in the original monetary determination in his benefit year, he may subsequently be determined to be entitled to added regular benefits;

(b) his benefit year having expired prior to such week, has no or insufficient wages on the basis of which he could establish a new benefit year that would include such week;

HeinOnline -- 1983 vol. III 1959 1983

(c) has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, the Automotive Products Trade Act of 1965, and such other federal laws as are specified in regulations issued by the U.S. secretary of labor; and

(d) has not received and is not seeking unemployment benefits under the unemployment compensation law of Canada, but if he is seeking such benefits and the appropriate agency finally determines that he is not entitled to benefits under such law, he is considered an exhaustee.

(7) "State law" means the unemployment insurance law of any state approved by the U.S. secretary of labor under section 3304 of the Internal Revenue Code of 1954."

Section 2. Section 39-51-2504, MCA, is amended to read:

"39-51-2504. State "on" indicator — when. There is a state "on" indicator for this state for a week if the department determines, in accordance with the regulations of the U.S. secretary of labor, that:

(1) (a) the rate of insured unemployment equals or exceeds 5% for any such week and the immediately preceding 12 weeks; *and*

(b) the insured unemployment rate equals or exceeds 120% of the average of such rates for the corresponding 13-week period ending in each of the preceding 2 calendar years; *or*

(2) *if the rate of insured unemployment for such week is 5% or more but the average of such rates for the corresponding 13-week period ending in each of the preceding two calendar years is less than 120%, the insured unemployment rate for such week and the immediately preceding 12 weeks is 6% or more.*"

Section 3. Section 39-51-2505, MCA, is amended to read:

"39-51-2505. State "off" indicator — when. There is a state "off" indicator for this state for a week if the department determines, in accordance with the regulations of the U.S. secretary of labor, that:

(1) for the period consisting of such week and the immediately preceding 12 weeks the rate of insured unemployment (not seasonally adjusted) under this chapter *is less than 5%; or*

(2) the average of such rates for the corresponding 13-week period ending in each of the preceding 2 calendar years *is less than 120%.*"

Section 4. Section 39-51-2506, MCA, is amended to read:

"39-51-2506. Beginning and termination of extended benefit period — announcement of. Whenever an extended benefit period is to become effective in this state as a result of a state "on" indicator, or an extended benefit period is to be terminated in this state as a result of state "off" indicators, the department shall make an appropriate public announcement."

Section 5. **Repealer.** Sections 39-51-2502 and 39-51-2503, MCA, are repealed.

HeinOnline -- 1983 vol. III 1960 1983

Section 6. **Effective dates.** (1) Section 1 is effective on passage and approval.

(2) Sections 2 and 3 are effective on September 26, 1982.

Approved November 30, 1981.

CHAPTER NO. 10

AN ACT ALLOWING AID TO DEPENDENT CHILDREN ASSISTANCE PAYMENTS TO NEEDY PREGNANT WOMEN NO EARLIER THAN THE THIRD MONTH PRIOR TO THE MONTH IN WHICH THE CHILD IS EXPECTED TO BE BORN; AMENDING SECTION 53-4-231, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 53-4-231, MCA, is amended to read:

"**53-4-231. Eligibility.** *(1)* Assistance shall be granted under this part to any dependent child, as defined in 53-4-201, who is in need of such assistance.

(2) Aid to dependent children assistance payments may be made to a needy pregnant woman with no other children receiving such payments. Payments may begin no earlier than the third month prior to the month in which the child is expected to be born."

Section 2. **Effective date.** This act is effective on January 1, 1982.

Approved December 1, 1981.

CHAPTER NO. 11

AN ACT TO PROVIDE THAT A COUNTY WILL RECEIVE A 50 PERCENT STATE MATCHING GRANT-IN-AID IF IT HAS A WORK PROGRAM AFTER EXPENDING 8 MILLS OF THE 13.5 MILL COUNTY POOR FUND FOR ASSISTANCE TO THE NEEDY; AMENDING SECTION 53-2-321, MCA; PROVIDING AN EFFECTIVE DATE AND TERMINATION DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 53-2-321, MCA, is amended to read:

"**53-2-321. County authorized to care for indigent and levy taxes therefor.** The board of county commissioners has jurisdiction and power under such limitations and restrictions as are prescribed by law to provide for the care and maintenance of the indigent sick, except as otherwise provided in other parts of this title, or the otherwise dependent poor of the county; erect and maintain hospitals therefor or otherwise provide

HeinOnline -- 1983 vol. III 1961 1983

for the same; and for said purposes to levy and collect annually a tax on property not exceeding 13 ½ mills, *except as provided in [section 2], that* shall be made at the time other tax levies are made on property, as provided by law."

Section 2. **Matching grants from state funds to counties.** (1) A county may apply to the department for a matching grant-in-aid. The matching grant-in-aid is a state contribution of 50% of the county cost of providing assistance to the needy for all lawful poor fund purposes, except subsidy to a medical facility.

(2) The grant shall be awarded if the board of county commissioners or an executive officer of a county makes written application to the department certifying:

(a) that the county has budgeted for a mill levy in excess of 8 mills for the county poor fund;

(b) that the county has, or within a reasonable time will have, expended from the poor fund an amount raised by 8 mills;

(c) that such expenditures were reasonable and necessary, according to criteria set by the department in its rules adopted for such purposes, for the county to meet its obligations under law to provide assistance to the needy; and

(d) that the county participates in or operates a work program, as authorized by 53-3-304, that has been approved by the department.

(3) Upon determination that a county has met the conditions for a matching grant-in-aid, the state shall financially participate in 50% of all further lawful poor fund expenditures, except those for a medical facility subsidy, until such time that a county qualifies for an emergency grant-in-aid. The department may at its discretion advance funds to a county for the state's matching contribution for poor fund expenditures, or it may reimburse a county for such expenditures.

(4) (a) A county receiving a matching grant-in-aid may not levy more than ½ mill for each 1-mill expenditure equivalent over 8 mills for poor fund purposes except to subsidize a medical facility.

(b) For the purposes of 53-2-323, a county has exhausted all sources of revenue whenever its lawful poor fund expenditures (other than a subsidy for a medical facility) plus the state matching contribution has reached an amount equivalent to the revenues that could have been raised by the maximum mill levy authorized by 53-2-321.

(5) The department may adopt rules to implement this section.

Section 3. **Effective date.** This act is effective July 1, 1982.

Section 4. **Termination date.** This act shall terminate on June 30, 1983.

Approved December 1, 1981.

HeinOnline -- 1983 vol. III 1962 1983

APPROPRIATIONS

ENACTED BY THE

Forty-seventh Legislature

IN SPECIAL

SESSION

STATE OF MONTANA

HOUSE BILL NO. 1

AN ACT APPROPRIATING MONEY FOR THE OPERATION OF THE SPECIAL SESSION OF THE FORTY-SEVENTH LEGISLATURE CONVENING ON NOVEMBER 16, 1981, AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** The following amounts are appropriated from the general fund for fiscal year 1982 for the operation of the special session of the forty-seventh legislature convening on November 16, 1981:

House of Representatives	$242,000
Senate	153,000
Legislative Council	25,000

Section 2. **Effective date.** This act is effective on passage and approval.

Approved November 19, 1981.

HeinOnline -- 1983 vol. III 1963 1983

HOUSE BILL NO. 2

AN ACT TO AMEND HOUSE BILL NO. 500, LAWS OF 1981, TO APPROPRIATE MONEY TO VARIOUS STATE AGENCIES FOR THE BIENNIUM ENDING JUNE 30, 1983; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. House Bill No. 500, Laws of 1981, is amended to read:

"Section 1. **Short title.** This act may be cited as the "General Appropriations Act of 1981".

Section 2. **Definitions.** For the purposes of this act, unless otherwise stated, the following definitions apply:

(1) "Agency" means each state office, department, division, board, commission, council, committee, institution, university unit, or other entity or instrumentality of the executive branch, office of the judicial branch, or office of the legislative branch of state government.

(2) "Approving authority" means the governor or his designated representative for executive branch agencies; the chief justice of the supreme court for judicial branch agencies; appropriate legislative committees for legislative branch agencies; or the board of regents for the university system.

(3) "University system unit" means the board of regents, office of the commissioner of higher education, the university of Montana at Missoula, Montana state university at Bozeman, Montana college of mineral science and technology at Butte, eastern Montana college at Billings, northern Montana college at Havre, western Montana college at Dillon, the agricultural experiment station with central offices at Bozeman, the forestry and conservation experiment station with central offices at Missoula, the cooperative extension service with central office at Bozeman, or the bureau of mines and geology with central office at Butte.

Section 3. **Budget amendments.** (1) The approving authority may approve a budget amendment to spend funds that were not available for consideration by the legislature but have become available from a source other than the state's general fund or earmarked revenue fund and other than receipts to the state from the United States government made available under provisions of P.L. 94-488, the federal Revenue Sharing Extension Act or any extension or modification of that act. Each budget amendment shall be submitted to the budget director and the office of legislative fiscal analyst.

(2) A budget amendment may be approved to spend money in the earmarked revenue fund only if the approving authority certifies that an emergency justifies the expenditure.

(3) A budget amendment may be approved for a time period greater than one fiscal year but not to exceed the biennium ending June 30, 1983.

HeinOnline -- 1983 vol. III 1964 1983

Budget amendments for greater than one fiscal year shall itemize planned expenditures by fiscal year.

Section 4. **Amendment procedures.** (1) In approving a budget amendment, the approving authority shall:

(a) certify specific additional services to be provided as a result of a higher expenditure level;

(b) certify that no other alternative is available to provide the additional services;

(c) certify that the additional proposed services have not been considered and rejected by the legislature;

(d) certify that no commitment, implied or otherwise, is made for increased future general fund support;

(e) specify criteria for evaluating the effectiveness of the additional services provided.

(2) The additional funds are appropriated contingent upon total compliance with all budget amendment procedures.

Section 5. **Budget requests.** Sufficient funds are appropriated in this act to enable each agency to submit its 1985 biennium budget request to the budget director and the legislative fiscal analyst pursuant to the time schedule established in 17-7-112(1). If any agency fails to submit its final, complete budget request by the deadlines established in 17-7-112(1), the expenditure authority herein granted shall be reduced or rescinded by the budget director unless the agency director certifies that an emergency situation has precluded a timely budget presentation and the budget director approves an extension not to exceed 30 days.

Section 6. **Detailed budget information.** Within 10 days after the 48th legislature convenes in regular session, the budget director and the legislative fiscal analyst shall mutually exchange expenditure recommendations by object of expenditure to the second level of detail and by funding source detailed by treasury fund. This information shall be filed in the respective offices and available to members of the legislature and the general public.

Section 7. **Expenditure limit.** Expenditures may not exceed appropriations.

Section 8. **Other appropriated funds.** Unless otherwise indicated herein, the appropriations made under the column heading "Other Appropriated Funds" are from funds within the earmarked revenue fund, the federal and private revenue fund, or the revolving fund that accrue under provisions of law to the expending agency. *The social services, low income energy assistance, maternal and child health services, preventive health, community services, elementary and secondary education, community development, and alcohol, drug abuse, and mental health block grants have been considered and the funds applicable to the federal and private revenue fund have been appropriated. There are other funds which pass through the federal and private grant clearance fund which are not*

HeinOnline -- 1983 vol. III 1965 1983

required by section 17-2-102(5), MCA, to have a specific legislative appropriation, these funds considered by the special session of the 47th legislature from the above eight block grants are appropriated for purposes of this bill.

Section 9. **Operating budgets.** Expenditures may be made only in accordance with operating budgets approved by the approving authority. The respective appropriations are contingent upon approval of the operating budget by July 1 of each fiscal year. Each operating budget shall include expenditures for each agency program detailed at least by personal services, operating expenses, equipment, benefits and claims, transfers, and local assistance.

Section 10. **Access to records.** No funds appropriated by this act may be expended for any contract, written or oral, for services with a nonstate entity for services to be provided by the nonstate entity to members of the public on behalf of the state unless such contract contains a provision allowing access to those records of the nonstate entity as may be necessary for legislative audit and analysis purposes in determining compliance with the terms of the contract. Each such contract may be unilaterally terminated by the state, and each contract shall so provide upon refusal of the nonstate entity to allow access to records necessary to carry out the legislative audit and analysis functions set out in Title 5, chapters 12 and 13.

Section 11. **Reduction of appropriation.** In the event of a shortfall in revenue, the governor may reduce *appropriations. General fund appropriations may be reduced* by not more than 15%. *The following* appropriations *may not be reduced*:

(1) payment of interest and retirement of state debt;

(2) the legislative branch;

(3) the judicial branch;

(4) public schools; or

(5) salaries of elected officials during their term of office.

Section 12. **Severability.** If any section, subsection, sentence, clause, or phrase of this act is for any reason held unconstitutional, such decision does not affect the validity of the remaining portions of this act.

Section 13. **Reversion.** Notwithstanding other provisions of law, the unexpended balance of each appropriation reverts to the fund from which it was appropriated at the end of each fiscal year unless otherwise provided in this act.

Section 14. **Other funds to offset general fund.** The approving authority shall decrease the general fund appropriation of the agency by the amount of funds received from other sources in excess of the appropriation provided in this act unless such action is expressly contrary to state or federal law, rule, or contract or the approving authority certifies that the services to be funded by the additional funds are significantly different from those for which the agency has received an appropriation.

HeinOnline -- 1983 vol. III 1966 1983

Section 15. **National conference of state legislatures.** Agencies may participate in the activities and programs of the national conference of state legislatures within existing appropriations.

Section 16. **Coal tax trust income.** Interest income from the coal tax constitutional trust fund established under Article IX, section 5 of the Montana Constitution is hereby appropriated to the general fund for use during the biennium ending June 30, 1983. The portion of the general fund which represents this appropriation is appropriated to the school foundation program in HB 611 ($16,000,000), the highway earmarked revenue account ($16,469,324), and to the department of commerce in HB 500, items 4, 5, 6, and 8 ($1,580,676).

Section 17. **Amounts appropriated for audits may be transferred between fiscal years.**

Section 18. **Totals not appropriations.** The totals shown in the act are for informational purposes only and are not appropriations.

Section 19. **Appropriations.** The following money is appropriated only for the purposes shown for the respective fiscal years:

A. LEGISLATIVE, JUDICIAL, AND ADMINISTRATIVE AGENCIES

	Fiscal Year 1982		Fiscal Year 1983	
	General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

Total Governor's Office	*3,620,664*	*18,450*	*1,945,503*	

Federal indirect cost reimbursements shall be reverted to the general fund.

Item 10 is an expense for the biennium.

Item 12, a biennial appropriation, is solely for instructional faculty salaries in the six college and university units and shall only be expended if vacancy savings are not realized. As a further condition precedent to the expenditure of this item 12 appropriation, any of the said agencies requesting any portion of said appropriation shall submit a verified request therefor, which request shall be verified by the president of the requesting agency and supported by evidence itemized and detailed establishing, to the satisfaction of the governor, that the requesting agency is entitled to a portion of said funds. The request and supporting documentation must be submitted by March 15 of each fiscal year and shall be subject to the conditions herein set forth. The governor shall respond with his decision by April 15 of each fiscal year.

The above agencies shall, by July 1 of each fiscal year, submit for the current unrestricted subfund a detailed list of all FTE, faculty positions, each individual salary, and total budgeted benefits. The list shall equal total compensation at 100% excluding critical area faculty salary adjustment funds appropriated in this act for personal services. This total compensation figure may not from any individual agency be 3.6% greater than the operating budget for personal services for such agency. The list shall have at least these sections. Section 1 shall detail the positions which are eligible for the contingency vacancy savings appropriation. Any salary increases granted after this list is submitted will not be reimbursed from the vacancy savings fund. Section 2 shall detail all other staff. Section 3 shall detail by position the allocation of the critical area faculty salary adjustment funds.

In the event any such request is submitted and the governor shall find that the requesting agency has satisfied all the requirements and conditions herein set forth, the governor may issue his approval for expenditure of the said contingency-vacancy funds.

If the governor should determine, in his discretion, that any requesting agency has not satisfied the conditions of item 12 relating to a request for a portion of this appropriation, he may deny such request and such denial shall constitute final agency action.

Appropriated amounts within item 2 are for case-related travel only.

Any fund balance remaining within the motor vehicle account at the end of a fiscal year shall revert to the general fund.

Any collections made by the county prosecutor services program or antitrust enforcement efforts shall be deposited to the general fund.

Item 4 contains $4,900 for the biennium for severance pay, to be paid upon request from the county prosecutor program.

The rate charged by the agency legal services program may not exceed $30 per hour in 1982 and $35 per hour in 1983.

Collections made from hearings conducted by the motor vehicle division on dealer franchises shall be deposited to the general fund.

HeinOnline -- 1983 vol. III 1971 1983

	Fiscal Year 1982		Fiscal Year 1983	
	General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

Of the remaining funds within the 1981 biennium appropriation for coal tax defense at June 30, 1981, $50,000 is reappropriated for the 1983 biennium for the same purpose. These funds are approved for coal tax defense legal-related costs only. Funds not reappropriated for coal tax defense during the 1983 biennium shall revert to the general fund upon passage of this bill.

Salaries as established for the forensic science division may not be altered or combined during the 1983 biennium to recreate the position of director of forensic services, which was specifically abolished by the legislature, or any other position which functions as a pathologist's assistant.

Amounts in item 12 are contingent upon passage of the noted bills.

The highway patrol may utilize funds within item 13 to purchase no more than 509,850 gallons of gasoline in fiscal 1982 and 491,480 gallons in fiscal 1983.

BOARD OF CRIME CONTROL

1. General Operations	218,250	391,250	217,900	404,400
2. *Matching Funds*	*11,577*			
3. Audit	1,150	12,850		
Total Board of Crime Control	*230,977*	*404,100*	217,900	*404,400*

Should federal funds become available for the uniform crime reporting program or the criminal justice data center, a like amount of general fund, less the matching requirement, shall be reverted. The maximum general fund reversion is $83,800 in 1982 and $86,500 in 1983, less matching requirements.

For the board of crime control, federal funds received for action grants may be administratively appropriated through the federal and private grant clearance fund.

Item 2 is a biennial appropriation. These funds are limited to matching requirements of action grants received prior to fiscal 1982 but not yet disbursed.

DEPARTMENT OF HIGHWAYS

Total Department of Highways		203,134,272		207,556,940

The department of highways is directed to:

(1) Develop and institute a comprehensive construction project planning system. This system will be operational no later than July 1, 1985, and will be the basis for:

(a) project scheduling;

(b) project monitoring;

(c) manpower planning;

(d) work measurement and evaluation;

(e) cash flow projections;

(f) long- and short-range construction goals; and

(g) budget preparation.

(2) Utilize the partial funding method for construction projects.

(3) Institute a cash forecasting system to minimize cash reserves.

(4) Maintain a surplus of completed construction plans in order to obligate and expend the maximum amount of federal dollars available for construction during the biennium.

(5) Submit to the 1983 legislature a construction work plan for the 1985 biennium that is detailed by year, project phase, and fund. This work plan must specify, by road system or project area, proposed projects on which $1 million or more would be spent during the 1985 biennium and an aggregate cost for projects with anticipated expenditures of less than $1 million. Costs must be detailed by year, fund, and project phase.

HeinOnline -- 1983 vol. III 1973 1983

	Fiscal Year 1982		Fiscal Year 1983	
	General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

(6) Institute a maintenance management system for the maintenance division that incorporates equipment needs and usage. This system will be operational no later than July 1, 1985.

(7) Conduct a thorough assessment of equipment needs based on maintenance needs by geographic area.

(8) Submit to the 1983 legislature a maintenance work plan for all operational systems that ties directly to the maintenance division budget request for the 1985 biennium.

(9) Report quarterly to the legislative finance committee regarding the progress of the above-mentioned items.

Should additional federal money become available during the 1983 biennium for highway construction, highway earmarked funds shall be budget amended to the extent of matching requirements.

Earmarked revenue within the equipment division must be reduced dollar for dollar by revenue collected from the auction of equipment. This is contingent upon passage of SB 169.

The Helena headquarters van pool project administered by the department of highways may continue in operation and is to be operated on a self-supporting basis.

Funds may be transferred between line items 1, 3, 4, 5, 6, 7, and 8 to reflect actual personal service expense. No other transfers between line items may be made. This is not to be construed as permitting the transfer of full-time equivalent employees between programs, nor may there be an increase in the total number of appropriated full-time equivalent employees.

The conservation education program is funded.

The maintenance division is directed to establish a separate revolving account to reflect collections and expenditures related to damaged structures. One million dollars per year in highway earmarked funds will be replaced with revolving authority.

Funds within item 2 may be used to purchase low-band radio equipment only in emergency situations and also may be used to purchase high-band radio equipment in pilot project areas determined by the department of administration.

DEPARTMENT OF REVENUE

1. General Operations	12,340,311	1,325,313	12,490,050	1,359,671
2. Audit Costs	16,500	8,500	49,500	25,500
3. Legal Fees:				

HeinOnline -- 1983 vol. III 1974 1983

	Fiscal Year 1982		Fiscal Year 1983	
	General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds
Director's Office	25,000		25,000	
4. Recovery Services Division	197,718	593,153	199,603	598,807
5. SB 50	40,000		10,000	
Total Department of Revenue	12,619,529	1,926,966	12,774,153	1,983,978

Should the recovery services division return $1.05 in collections per $1.00 expended in 1982, the appropriation in item 4 may be increased a maximum of $16,000 from the general fund and $48,000 in federal funds for fiscal 1983.

Cash within the central supply revolving account at 1981 fiscal year end must be deposited to the general fund. Collections from liquidation of inventory during the 1983 biennium must also be deposited to the general fund.

In addition to those amounts appropriated above, there are appropriated to the liquor division funds necessary to maintain adequate inventories of liquor and wine and to operate the state liquor monopoly. The division shall deposit not less than $13 million of liquor profits to the general fund during the 1981 biennium. During the 1983 biennium, profits may not be less than 15% of net liquor sales and not less than $13 million. Net liquor sales are gross liquor sales less discounts and all taxes collected.

The operational expenses of the liquor merchandising system may not exceed 15% of net liquor sales. Operational expenses may not include product or freight costs. The liquor division has full authority to determine store operating hours and the number and location of stores and employees and may raise or lower the liquor pricing formula to achieve the deposit requirement.

Nonprofitable state stores should be closed or converted to agency stores in an orderly manner. A nonprofitable store is one that shows a net loss or is less profitable than if run at agency store status after reducing gross revenues by all state excise and license taxes and by deducting therefrom all normal operating expenses, which include a pro rata share, based on gross sales, of central administrative office expenses.

The county commissioners of the various counties and the governing bodies of local government units shall provide office space in county courthouses or government office buildings to the department of revenue of the state for its use at no cost to the state. The department is not liable for any expenses in connection with the use of such space, including but not limited to rent, utilities, or janitorial services. The department shall use such space as offices for its agents: the county assessor, appraiser, and their respective staffs.

Item 5 is contingent upon passage of SB 50.

The agency shall charge those divisions not supported by general fund for legal services provided by the attorney in the central office, and such income shall be deposited in the general fund.

An additional accountant is provided in the architecture and engineering division for the 1983 biennium only.

The architecture and engineering program is funded solely from the long-range building account. Any fund balance at the end of a fiscal year shall be reverted to the long-range building account. This program shall assess a 1% charge on the cost of construction funded from accounts other than the long-range building account at the time a contract is let and this revenue shall be deposited to the long-range building account.

HeinOnline -- 1983 vol. III 1976 1983

Fiscal Year 1982		Fiscal Year 1983	
General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

The intent of the legislature is that all office space rentals in Helena be based on competitive bid.

The maximum length of a purchasing contract is extended to 5 years for the purchase of a new computer by the computer services division.

The state may continue to use its own printing facilities.

The graphic arts bureau of the publications and graphics division shall establish a separate revolving fund and shall become a self-supporting operation.

The office of budget and program planning shall assure reimbursement to the general fund for all management studies or systems support needs assessments provided by the consulting services bureau to nongeneral funded agencies if those agencies have sufficient funding available.

The board of investments shall operate under an earmarked fund.

As of July 1, 1981, interest generated on the $2.5 million loan to the self-insurance fund shall be deposited to the sinking fund that loaned the funds. Repayment of the loan shall occur at such time as the invested funds reach par.

All employees working under the direction of the workers' compensation judge shall be classified.

In the local government services division, general fund money is provided only for administrative support, which includes 6.7 full-time employees, and related support costs. Auditing services are expected to be self-supporting.

The budgeting, accounting, and reporting system (BARS), which is being implemented statewide into local governmental entities, is expected to be completed no later than June 30, 1984.

Item 9 provides for emergency funding of the district courts in those instances when a court incurs extraordinary expenses due to an extended criminal case or state government-related suits in Lewis and Clark County. These funds shall not be used for usual court operations or additional social service programs.

Emergency funds to Lewis and Clark County for state government-related suits will not exceed 10% above the revenue collected through the 6-mill levy.

No more than $9,000 may be spent during the biennium on a consumer health education program. All funds expended must be matched by a like amount from the health insurance carrier.

HeinOnline -- 1983 vol. III 1977 1983

	Fiscal Year 1982		Fiscal Year 1983	
	General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

Item 10 is contingent upon passage of HB 372.

Item 11 is contingent upon passage of HB 674.

Item 12 is contingent upon the purchase of additional buildings, as referred to in HB 666, and the assumption of related maintenance duties by the department. The amount of funds spent shall be prorated based on the remaining portion of the fiscal year.

Item 13 contains the spending authority necessary to fund the lease agreement and other related costs for those divisions located in the building at 1424 Ninth Avenue. When this building is purchased by the state and maintenance responsibilities are assumed, all of the remaining funds in item 13, except for the prorated remaining portion of the annual charge of $3.02 per square foot in fiscal 1982 and $3.09 per square foot in fiscal 1983 that the department of administration shall charge for rent and repair expenses, shall revert.

The accountant added in item 11 is for this biennium only.

In item 3 $39,928 each year is contingent upon legislative approval of the governor's amendment to HB 179.

No funds are appropriated for the hazardous waste program. However, the department may budget amend federal spending authority for the hazardous waste program if these federal funds become available and no additional general fund is required.

Funds within item 4 may be used as match only if federal funds become available for the medicaid certification grant in excess of $176,000.

The department may accept and administer the maternal and child health block grant and the preventive health block grant.

Budget amendments which meet the budget amendment criteria may be approved for those programs where transferred excess federal authority has been reduced.

The state will not administer the primary care block grant in fiscal 1983.

In item 2, upon receipt of the federal veterans' administration contract general fund of $7,254 in fiscal 1982 and $2,762 in fiscal 1983 shall be reverted.

In item 5, general funds shall revert in the amount that other appropriated funds exceed the amounts shown for each fiscal year.

No funds may be used for a women's bureau.

The division of workers' compensation shall study performance factors that measure the division's operational effectiveness. The intent is to determine if the workers' compensation division budget should be based on performance measurements rather than expenditure limitations. This study shall be presented to the governor and the legislative finance committee by August 1, 1982.

DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES

1. General Operations	*23,050,557*	*22,711,675*	*22,881,755*	*24,169,166*
2. Medicaid State Institutional Reimbursements	*3,277,327*		*3,612,174*	
3. Medicaid	*27,738,475*		*29,288,976*

7. *Community Services Block Grant*				*1,083,262*
Total Department of Social and Rehabilitation Services	*54,143,224*	*23,300,181*	*55,836,770*	*25,790,000*

Within other appropriated funds in item 1 is no more than $175,000 for the biennium for the operation of the developmental disabilities policy advisory council. Any federal money received above this amount may be spent only to improve direct client services as recommended by the council and approved by the SRS director.

The department is encouraged to utilize medicaid funds to support community services for the developmentally disabled where the use of such funds is cost-effective in providing services in the least restrictive environment. The department may use any savings generated from the budget for the developmentally disabled to develop additional community services.

HeinOnline -- 1983 vol. III 1980 1983

Fiscal Year 1982		Fiscal Year 1983	
General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

The department of social and rehabilitation services shall assure that the community developmental disabilities group homes are reporting all financial transactions through a uniform accounting system including a single chart of accounts and accounting manual.

No money may be disbursed to the homes after July 1, 1982, unless the director of the department of social and rehabilitation services certifies to the legislative finance committee that the group homes are recording and reporting financial information uniformly.

The director shall reorganize the vocational rehabilitation and visual service programs to effect administrative economies and maintain direct benefits to clients within the appropriations herein provided. At least 15% of federal funds available for vocational rehabilitation shall be expended for the blind.

The governing body of any area agency on aging that contracts with SRS shall conduct its business in open meetings as required by Title 2, chapter 3, MCA.

The department shall monitor and assess the activities of the area agencies on aging for implementation of the department-approved area plans for aging services and shall report to the legislative finance committee, no later than 60 days prior to the beginning of the 48th legislative session, the extent to which the area agencies have complied with the area plans and the extent to which the area agencies have cooperated with the local government funding sources.

When federal funds for health underserved rural areas, Indian health services or certification surveys by the department of health and environmental sciences decrease or end, there is to be no state funding of these services during the biennium.

The department may use general fund money appropriated in item 3 together with matching federal funds to augment item 2. The department shall fully match the appropriation in item 2 at the maximum allowable federal rate with federal medicaid funds. *In item 2 and item 3 general fund appropriated for fiscal 1983 may be transferred to fiscal 1982 if there are further reductions in the federal medicaid funds. Expenditures from all funds for item 3 may not exceed $75,048,766 in fiscal 1982.*

By August 1, 1982, the department shall identify all optional services by specific type provided under the medicaid program. The identification must include the number of recipients, cost per optional service, and the impact of not funding each option.

If appropriated funds are not sufficient to provide medical care for all eligible persons, the department shall use the following priorities in keeping expenditures within appropriations:

HeinOnline -- 1983 vol. III 1981 1983

Fiscal Year 1982		Fiscal Year 1983	
General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

(1) limit the increases in reimbursement paid per service for medical care to no more than 10% for each fiscal year of the 1983 biennium to the maximum extent feasible; and

(2) limit eligibility and amount, scope, and duration of medical services provided.

The payment standard for families under the aid to families with dependent children program (AFDC) shall be an equal percentage of the poverty index according to family size. The payment standard for a family of two may not exceed $258 in fiscal 1982 and $280 in fiscal 1983.

Item *4* may be merged into the department of social and rehabilitation services' organizational structure or transferred to another state agency by approval of the governor's office. The legislative finance committee must be informed of any interagency transfers. The appropriation authority must be accounted for by a unique appropriation number in the statewide budgeting and accounting system.

The funding of item *6* is contingent upon passage and approval of HB 258.

The day-care rate per day for homes is not to exceed $6.00 in fiscal 1982 and $6.50 in fiscal 1983. The rate per day is not to exceed $7.00 in fiscal 1982 and $7.50 in fiscal 1983 for day-care centers.

All medicaid expenses shall be accrued in the appropriate fiscal year as required by the state modified accrual system of accounting. The legislative auditor shall audit the medicaid accrual by October 1 of each year to test for compliance with this requirement.

The legislature has determined that the requirements set forth in section 5, House Bill 94, Laws of 1981, restricting the use of appropriations to the department of social and rehabilitation services in regards to medicaid accruals are no longer necessary, therefore, except as expressly provided within this act, there are not restrictions relating to accrual procedures for any appropriation denominated "medicaid accrual" in any appropriations measure passed by the 47th legislature; thus the department may have cash outlays against medicaid accrual appropriations.

In the amount the social services block grant funds exceed $6,206,500 in fiscal 1982, SRS shall revert a like amount of general fund. If the social service block grant funds are less than $6,206,500 in fiscal 1982, SRS may transfer general fund from fiscal 1983 in item 1 to replace the amount of decreased social service block grant funds.

HeinOnline -- 1983 vol. III 1982 1983

	Fiscal Year 1982		Fiscal Year 1983	
	General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

For the 1983 biennium SRS shall transfer 10% of the amount received from the low income home energy assistance block grant not to exceed $1,668,724 to the social services block grant.

Because of the uncertainty in federal funding *in fiscal 1983*, the department should anticipate receiving the level of federal funding for AFDC, Medicaid, and Title XX calculated in the appropriations until funds at the federal level are allocated.

Item 7 is Montana's share of the Community Services Block Grant. The funds are to be distributed by SRS to the counties. A county may use such funds in any manner that is in conformance with the requirements set forth in Section 675, P.L. 97-35 (42 U.S.C. 9904). Fifty percent of the funds shall be distributed to counties based upon population (excluding Indian populations receiving such funds as provided in Section 674(c), P.L. 97-35 [42 U.S.C. 2808]). After public hearing, SRS shall develop a formula based upon county needs for distribution of the remaining 50% of such funds. SRS may consider such factors as numbers of public assistance recipients in each county, unemployment, per capita income, and age distribution in developing the needs formula.

The director's office and centralized services shall be operated from a revolving account, with all earmarked and federal accounts assessed a pro rata share of the total expenses. The revolving account shall be initiated with a loan from one of the accounts under the department's supervision and operated on a full accrual basis and in accordance with generally accepted accounting principles.

The department is authorized to reorganize its current organizational structure only after receiving approval from the office of budget and program planning and review by the legislative finance committee.

Included in the weights and measures program appropriation for fiscal 1982 is $5,000 to be available for expenditure only if the cost of a new truck and trailer exceeds $30,000.

Coal impact grants may be granted to local government units only to remedy a situation resulting from coal development. The local government unit must be making a bona fide local effort to provide for its own needs through normal financing channels (taxes, service fees, or bonds).

Those divisions and bureaus of the department of commerce that are moved from private to state-owned office space shall revert the resulting savings in rent, utilities, taxes, and other expenses.

Item 9 is a biennial appropriation.

The department of commerce is authorized to administer the community development block grant.

Total Department of Fish, Wildlife, and Parks	587,349	*15,319,682*	627,177	*15,486,104*

None of the funds appropriated to the department may be used for the purchase or study of the purchase of any type of abandoned right-of-way.

Included in the centralized services appropriation is revolving account authority of $1,075,833 in fiscal 1982 and $1,183,417 in fiscal 1983. The revolving accounts must be operated on a full accrual basis and in accordance with generally accepted accounting principles.

An additional $500,000 a year is authorized in centralized services for the purpose of providing expenditure authority for federal and private funds that previously required budget amendments. Funds spent under this authorization must be accounted for separately from regular operations.

The Helena-based pilots shall be delegated enforcement responsibilities whenever they are not required for air transportation purposes.

The administration division appropriation includes:

(a) $80,000 a year for transfer to the department of livestock for predator control;

(b) $25,000 a year for the department to begin training to initiate the conservation officer concept within the department. A progress report on this effort must be made to the 1983 legislature.

HeinOnline -- 1983 vol. III 1987 1983

Included in the facility siting division appropriation of other funds for fiscal 1982 is $500,000 resource indemnity trust fund interest to continue the appropriation of HB 908 of the 1979 legislature. The appropriation allows continuation of studies for the possible construction of a MHD engineering test facility in Montana. Expenditure of these funds is limited to the original appropriation.

The forestry division general fund appropriation for fiscal 1982 includes a $180,000 biennial appropriation to acquire and upgrade firefighting vehicles and equipment for distribution to nine county cooperative fire districts. The districts shall operate and maintain the equipment.

Included in the general fund appropriation in item 5 for fiscal year 1983 is $186,000 for either a grant to an irrigation district formed to operate the Daly ditch water project for the purpose of operating and maintaining the project for 1 year or, if an irrigation district is not formed, for use by the department in administering the abandonment of the project, including the removal of structures.

Included in the oil and gas regulation division appropriation each year is $65,000 of resource indemnity trust fund interest for the purpose of repairing and plugging abandoned oil and gas wells.

All federal Clark-McNary (CM-2) funds received by the department in excess of $250,000 per year will be deposited in the general fund.

Any federal funds received for the HIPLEX project may be added through the budget amendment process.

The Montana drug program shall be funded at 32 percent general fund and 68 percent federal funds.

HeinOnline -- 1983 vol. III 1990 1983

Fiscal Year 1982		Fiscal Year 1983	
General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

General fund distribution by the mental health division to community mental health programs may not exceed $3,756,453 in fiscal 1982 and $4,147,272 in fiscal 1983. These amounts include pay raises. Sixty thousand dollars of funds appropriated for community mental health programs may be used to support programs provided by the current friends to youth program for emotionally disturbed children.

No general fund money may be used to support the manpower or community support programs.

Funds authorized in item 8 may not be used to establish a women's unit at Mountain View School.

Item 7 contains spending authority necessary to fund the lease agreement and other related costs for the central offices of the department of institutions. When this building is purchased by the state, all appropriated funds in item 7 except $3.02 per square foot in fiscal 1982 and $3.09 per square foot in fiscal 1983 in proportion to the time period remaining each fiscal year shall revert.

Item 8c and the amount appropriated in HB 666 for Spruce cottage is for the purpose of *remodeling and renovation of the women's correctional facility.*

It is the intent of the legislature that the department of institutions apply for the full amount of federal funds available through the Omnibus Reconciliation Act of 1981 for mental health programs during federal fiscal years 1982 and 1983. Any funds received by the department of institutions may be budget amended under the provisions of House Bill 500, section 3, to maintain current level community mental health programs. It is also the intent of the legislature that expenditures for community mental health programs not exceed available revenues. The department of institutions may not spend more than 75% of the federal fiscal 1983 mental health block grant funds in state fiscal year 1983. The department must carry forward 25% of the federal fiscal 1983 block grant into state fiscal year 1984.

Excess alcohol and drug abuse block grant funds not appropriated by the special session of the legislature cannot be budget amended into current level alcohol or drug abuse programs. Any excess funds shall be available for appropriation by the 48th legislature.

If the women's correctional facility is not operational by April 1, 1982, any excess funds authorized in item "8a" for fiscal 1982 may be used to fund costs associated with keeping women offenders out-of-state beyond April 1, 1982.

HeinOnline -- 1983 vol. III 1991 1983

	Fiscal Year 1982		Fiscal Year 1983	
	General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

The appropriations contained in item "8b" for fiscal 1983 contain $46,948 for an in-state contingency fund which may be used only if the women's correctional facility exceeds 20 women inmates in fiscal 1983, the Billings' life skills center is at 80% capacity and the specific nature and need for additional funding has been approved by the office of budget and program planning. Also contained in item b for fiscal 1983 is $45,082 for an out-of-state contingency fund which may be used if all budgeted out-of-state slots are filled, the state of Montana does not have adequate security facilities to house the inmate, and the specific reasons for the inmate to be transferred out-of-state has been approved by the office of budget and program planning.

2. Special Education Emergency Contingency	500,000	500,000
3. Audiological Services	688,614	750,589
Total Public School Support	24,443,535	26,598,453

Item 1 is for foundation and permissive support of the maximum-budget-without-a-vote for special education.

HeinOnline -- 1983 vol. III 1995 1983

	Fiscal Year 1982		Fiscal Year 1983	
	General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

Item 2 is for emergencies that may arise in special education programs at local districts. A district's board of trustees may apply for an allocation from these funds by presenting to the superintendent of public instruction a child-study team report and an individual educational plan for each child relating to this unforeseen expense and a current listing of programs, case loads, and related costs. The appropriation in item 2 is for the biennium and the specific amounts may be transferred between fiscal years.

Item 3 is for purchase of audiological services by the office of public instruction. These amounts may not be transferred between fiscal years. Any unused amounts revert at the end of the fiscal year.

Notwithstanding other provisions of law, the superintendent may not approve a maximum-budget-without-a-vote for special education which, in the aggregate, exceeds $51,041,988 in the 1983 biennium.

Federal funds to support special education programs in excess of $5,110,000 during the 1983 biennium shall be placed in a reserve fund and not spent until appropriated by the 1983 legislature.

Total Vocational-Technical Centers	4,415,877	2,747,824	*5,250,455*	3,052,001

The superintendent of public instruction may transfer funds between personal services, operations, and equipment within each vocational-education center or between vocational-education centers. The intent of the legislature is that these appropriated funds not provide for salary increases at the vocational-education centers above the state pay plan for fiscal years 1982 and 1983.

Receipt of state funds appropriated to the five technical centers is contingent upon each county in which the center resides levying 1.5 mills each fiscal year. Millage received by the centers from the 1.5 mill levy over $765,101 in fiscal 1982 and $804,733 in fiscal 1983 will revert a like amount to the general fund each year.

Item 6 is to be distributed to the Billings center if CETA funds are not available to the center in fiscal 1982.

HeinOnline -- 1983 vol. III 1997 1983

	Fiscal Year 1982		Fiscal Year 1983	
	General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

Item 7 is to replace anticipated reductions in federal funds appropriated to the vocational-technical centers. If, in state fiscal 1983, federal funds available for use at the centers is less than $1,078,492, each dollar reduction below this level shall be replaced from this contingency fund. No center is eligible to receive contingency funds unless resident tuition for a full-time student is $150 per quarter in fiscal 1983.

If the total federal vocational-education funds granted to Montana for fiscal 1983 exceed $2,086,590, the office of public instruction shall, to the maximum extent allowable by federal law, make the additional funds available, (not to exceed $1,308,000), to the vocational-technical centers. The additional funds shall first be used to reduce contingency amounts in item 7 and secondarily used to reduce tuition.

OFFICE OF PUBLIC INSTRUCTION

1. Office of Public Instruction	1,566,750	3,209,704	*2,009,984*	*2,367,602*
2. Audit Costs			50,000

F. HIGHER EDUCATION

For units of the university system other than the office of the commissioner of higher education, the appropriations made under the column heading "Other Appropriated Funds" are from funds within current unrestricted funds unless otherwise indicated.

All funds, other than plant funds and those specifically appropriated herein, may be spent and are appropriated contingent upon approval by the board of regents by July 1 of each year of a comprehensive program budget containing a detail of revenues and expenditures and anticipated fund balances of current funds, loan funds, and endowment funds. All movement of funds between the current unrestricted subfund and the designated subfund accounting entities shall be clearly identified in the state budgeting and accounting system.

HeinOnline -- 1983 vol. III 2000 1983

	Fiscal Year 1982		Fiscal Year 1983	
	General Fund	Other Appropriated Funds	General Fund	Other Appropriated Funds

Programs for the university budgets include instruction, organized research, public service, academic support, student services, institutional support, and operation and maintenance of plant.

Included within other appropriated funds to the six institutions is the sum of $12,488,450 in fiscal year 1982 and $13,579,452 in fiscal year 1983 from revenues generated under the provisions of House Bill 191, 46th legislature.

The amounts shown for critical area faculty salary adjustments are appropriated to the colleges and universities contingent upon approval by the board of regents of a salary distribution plan or negotiated agreement for each campus. It is the legislature's intent that the critical area faculty salary adjustment funds be expended in those academic disciplines where difficulty is experienced recruiting or retaining faculty due to external market conditions.

SESSION LAWS

CHAPTER NO. 1

AN ACT TO AUTHORIZE THE WARDEN OF THE MONTANA STATE PRISON TO GRANT A TEMPORARY FURLOUGH TO A PRISONER WHO HAS BEEN APPROVED FOR PAROLE ON CONDITIONS THAT ARE DIFFICULT TO FULFILL WHILE INCARCERATED; AMENDING SECTION 46-23-215, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 46-23-215, MCA, is amended to read:

"**46-23-215. Conditions of parole.** (1) Every prisoner while on parole shall remain in the legal custody of the institution from which he was released but shall be subject to the orders of the board.

(2) When an order for parole is issued, it shall recite the conditions thereof.

(3) Whenever a prisoner in the Montana state prison has been approved for parole on condition that he obtain employment or secure suitable living arrangements or on any other condition that is difficult to fulfill while incarcerated, the warden may grant him a furlough, not to exceed 10 days, for purposes of fulfilling the condition. While on such furlough, the prisoner remains in the legal custody of the prison and is subject to all other conditions recited by the board."

Section 2. **Effective date.** This act is effective on passage and approval.

Approved June 29, 1982.

CHAPTER NO. 2

AN ACT CREATING A FACTFINDING TASK FORCE TO PREPARE RECOMMENDATIONS AND A PLAN OF ACTION TO DEAL WITH MONTANA'S CORRECTIONAL PROBLEMS FOR THE CONSIDERATION OF THE 48TH LEGISLATURE; PROVIDING FOR STAFFING AND USE OF CONSULTANTS BY THE TASK FORCE; APPROPRIATING FUNDS FOR THE TASK FORCE; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A TERMINATION DATE.

WHEREAS, the Governor has convened the Legislature to consider the conditions and problems existing at the Montana State Prison and within the state's adult correctional programs generally; and

HeinOnline -- 1983 vol. III 2011 1983

WHEREAS, the Governor has appointed an independent Prison Alternatives Task Force to prepare recommendations on alternative correctional programs for Montana, and the task force has yet to complete its work; and

WHEREAS, the Legislature hears the demands of the people of Montana for swift and sure punishment of convicted criminals in a manner insuring the safety and protection of the people of Montana; and

WHEREAS, the Legislature also recognizes its responsibility to provide opportunities for the rehabilitation, reformation, and training of inmates in order to reduce recidivism and produce productive members of society; and

WHEREAS, the Legislature supports the following concepts:

(1) secure incarceration for dangerous offenders;

(2) actual work experience and vocational and on-the-job training for inmates, which instill in them the work ethic and which better utilize facilities such as the prison ranch;

(3) educational opportunities for inmates desiring to avail themselves of such opportunities;

(4) alcohol and drug abuse counseling for inmates; and

(5) cooperation between agencies of state government and the university system for the utilization of staff and services that may be beneficial for the inmates of the prison and society in general;

(6) adequate training programs for the prison staff; and

WHEREAS, the people of Montana have had only limited opportunity to be heard in a structured and productive hearing process for purposes of expressing their concerns and expectations for Montana's correctional system.

THEREFORE, it is the intent of this act that a factfinding task force of the Legislature be created to develop a plan of action on corrections for presentation to the 48th Legislature.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Factfinding task force on corrections — establishment — organization.** (1) There is established an 8-member factfinding task force on corrections.

(2) The task force shall be appointed in the following manner:

(a) The speaker of the house, after consultation with the house majority and minority leaders, shall appoint four members to serve on the task force. No more than two house members of the task force may be from the same party.

(b) The committee on committees of the senate shall appoint four members to serve on the task force. No more than two senate members of the task force may be from the same party.

HeinOnline -- 1983 vol. III 2012 1983

(3) Task force members shall elect a chairman and vice-chairman.

(4) Task force members are entitled to compensation and expenses as provided in 5-2-302.

Section 2. **Task force function.** (1) The task force on corrections shall develop a plan of action and recommend policies for consideration by the 48th legislature in order that a comprehensive and coherent correctional policy may be developed for Montana.

(2) In formulating its plan of action and in preparing its recommendations, the task force shall:

(a) solicit wide public participation and hold public hearings on correctional issues;

(b) review the proposals and considerations of past legislative and administration planning and study groups in order to resolve inconsistencies and establish areas of agreement;

(c) utilize outside agencies, individuals, and consultants as the task force considers necessary;

(d) obtain independent cost estimates for any alternative capital projects the task force may recommend;

(e) direct the legislative council to contract, within existing appropriations, with an independent consultant to prepare an estimate for submission to the 48th legislature of the costs of renovating the old territorial Montana state prison in downtown Deer Lodge, Montana; and

(f) in addressing prison physical plant additions, give primary consideration to providing for the segregation of prisoners based upon prisoner attitudes and work assignments to reduce the effects of prejudice against prisoners intent on reformation by hard-core prisoners.

(3) In its review the committee shall:

(a) explore the conditions and problems existing at Montana state prison and within the state's adult corrections programs and the resolution thereof;

(b) suggest appropriation levels for state agencies and programs necessary to alleviate and adequately address the problems and conditions existing in Montana state prison and within the state's adult corrections program; and

(c) monitor the implementation and results of the actions taken by the second special session, including the prison vocational industries program established in [Senate Bill 1].

Section 3. **Use of consultants.** The legislative council, upon request from the task force, shall retain such consultants as required by the task force.

Section 4. **Task force staff.** The legislative council, legislative fiscal analyst, and legislative auditor may provide staffing and assistance to the task force as the task force requires. The legislative council shall assist the

HeinOnline -- 1983 vol. III 2013 1983

task force in preparing its reports and recommendations as provided in Title 5.

Section 5. **Appropriation.** There is appropriated $35,000 from the general fund to the legislative council for the purposes of assisting the factfinding task force on corrections as provided in sections 3 and 4.

Section 6. **Effective date — termination.** This act is effective on passage and approval and terminates March 1, 1983.

Approved July 6, 1982.

CHAPTER NO. 3

AN ACT TO ESTABLISH AN INDUSTRIES TRAINING PROGRAM AT THE MONTANA STATE PRISON THAT PROVIDES VOCATIONAL ON-THE-JOB TRAINING AND WORK EXPERIENCE FOR PRISON INMATES; LIMITING THE PROGRAM TO PROVIDING SERVICES AND PRODUCING PERSONAL PROPERTY FOR STATE AGENCIES, LOCAL GOVERNMENTS, SCHOOL DISTRICTS, AND OTHER GOVERNMENTAL ENTITIES; APPROPRIATING FUNDING FOR THE ESTABLISHMENT OF THE PROGRAM; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

WHEREAS, it is in the best interest of the state and also in the best interest of inmates incarcerated at the Montana state prison to establish a training and work experience program at the prison; and

WHEREAS, such a program benefits the state by providing inmates with viable skills so that upon release they may become responsible members of society; and

WHEREAS, such a program benefits inmates at the prison by providing an alternative to idle time in prison; the opportunity for training and work experience can provide some measure of meaning and self-worth while incarcerated, while at the same time preparing inmates with skills with which they can support themselves and their families upon release; and

WHEREAS, there is presently an institutional industry program in operation at the prison that is a self-supporting program engaged in license plate manufacture and some agricultural production and personal property refurbishment;

THEREFORE, the institutional industry's small scope and limited goals should be supplemented with a true industries training program capable of inmate reformation that will produce former inmates who upon release are trained, productive and responsible members of society.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Prison industries training program.** (1) In addition to any institutional industry operated at the Montana state prison under Title 53, chapter 1, part 3, the department of institutions shall conduct a prison industries training program.

HeinOnline -- 1983 vol. III 2014 1983

(2) The purpose of the prison industries training program is to:

(a) provide innovative and progressive inmate reformation and rehabilitation possibilities by exposing inmates to worthwhile training;

(b) prepare inmates for release by providing industries at the prison that utilize their skills, thus providing experience beyond mere training, inculcating inmates with good production and work habits, and providing them with a means to earn money that will be available to them upon release.

(3) The prison industries training program consists of vocational training, on-the-job training, and production experience. The department may contract with public and private vocational education entities to provide this training.

(4) The program may provide training and experience involving cultivation, production, repair, construction, refurbishment, service, and related processes involving personal property, including but not limited to such items as crops, livestock, furniture, office and electrical equipment, and motor vehicles. Such products and services, with the exception of livestock and agricultural products produced from the Montana state prison ranch, may be provided only to state agencies, local government units, school districts, authorities, and other governmental entities.

(5) (a) The prison industries training program need not be a self-supporting program. The department of institutions may enter into contracts and establish prices for products or services produced by this program. Within budgetary restrictions, the department shall establish prices that tend to maximize the amount of work available for inmates. All revenue raised through the program may be used only for the program.

(b) State agencies, local governments, school districts, authorities, and other local government entities are encouraged to explore the possibilities of using the prison industries training program. State agencies shall cooperate with the department of institutions in notifying governmental entities within the state of the program and of the services and products that are available.

(6) (a) An inmate participating in the prison industries training program may be granted a good time allowance, not to exceed 15 days per month, notwithstanding the limits contained in 53-30-105, for outstanding participation in the program as defined by rules adopted by the department of institutions. Such good time allowance has the same effect as a good time allowance granted under 53-30-105, and the provisions of subsections (2) and (3) of 53-30-105 apply to such good time allowance. Provided, however, no inmate may receive good time for participation in this program under any other section or rule which would duplicate the good time authorized herein.

(b) While engaged in on-the-job training and production, inmates may be paid a wage commensurate with their production function. Such wages shall be established at a rate that encourages efficient production and effective levels of inmate participation.

HeinOnline -- 1983 vol. III 2015 1983

(c) Inmates working in the prison industries training program are not employees, either public or private, and employment rights accorded other classes of workers do not apply to such inmates.

(d) Able-bodied persons committed to the Montana state prison as adult offenders shall be required to perform work as provided for by the department of institutions.

(7) (a) The department of institutions shall adopt rules implementing this program and shall report to the legislature its continuing plans and recommendations in implementing this program. Any price lists established by the department are exempt from the provisions of Title 2, chapter 4 (the Montana Administrative Procedure Act), but the department may, if it considers it an effective method of dissemination, publish such price lists in the Montana Administrative Register or the Administrative Rules of Montana, or both.

(b) The department of institutions is subject to program audits of the prison industries training program by the legislative auditor."

Section 2. **Appropriation.** There is appropriated from the general fund to the department of institutions $26,325 to establish the prison industries training program.

Section 3. **Immediate effective date.** This act is effective on passage and approval.

Approved July 14, 1982.

CHAPTER NO. 4

AN ACT TO SPECIFICALLY AUTHORIZE THE DEPARTMENT OF INSTITUTIONS TO MAINTAIN EXISTING COMMUNITY BASED PRERELEASE CENTERS AND TO CONTRACT WITH PRIVATE NONPROFIT MONTANA CORPORATIONS TO ESTABLISH AND MAINTAIN COMMUNITY BASED PRERELEASE CENTERS; AMENDING SECTION 53-1-203, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 53-1-203, MCA, is amended to read:

"**53-1-203. Powers and duties of department.** The department shall:

(1) adopt rules for the admission, custody, transfer, and release of residents of institutions except as otherwise provided by law; however, no such rules may amend or alter the statutory powers and duties of the state board of pardons;

HeinOnline -- 1983 vol. III 2016 1983

(2) subject to the functions of the department of administration, lease or purchase lands for use by institutions and classify those lands to determine which are of such character as to be most profitably used for agricultural purposes, taking into consideration the needs of all institutions for the food products that can be grown or produced on the lands and the relative value of agricultural programs in the treatment or rehabilitation of the persons confined in the institutions;

(3) contract with private nonprofit Montana corporations to establish and maintain community based prerelease centers for purposes of preparing inmates of the Montana state prison who are approaching parole eligibility or discharge for release into the community; the centers shall provide a less restrictive environment than the prison while maintaining adequate security; the centers shall be operated in coordination with other department correctional programs, including the supervised release program provided for in Title 46, chapter 23, part 4. Nothing in this subsection shall affect the department's authority to operate and maintain community based prerelease centers in existence on the effective date of this act.

(4) utilize the staff and services of other state agencies and units of the Montana university system, within their respective statutory functions, to carry out its functions under this title;

(5) propose programs to the legislature to meet the projected long-range needs of institutions, including programs and facilities for the diagnosis, treatment, care, and aftercare of persons placed in institutions; and

(6) encourage the establishment of programs at the local level for the prevention and rehabilitation of physical and mental disability."

Section 2. **Effective date.** This act is effective on passage and approval.

Approved July 14, 1982.

CHAPTER NO. 5

AN ACT DIRECTING THE LEGISLATIVE COUNCIL TO CONTRACT, WITHIN EXISTING APPROPRIATIONS, WITH AN INDEPENDENT CONSULTANT TO PREPARE AN ESTIMATE OF THE COSTS OF RENOVATING THE OLD MONTANA STATE PRISON; REQUIRING THE COUNCIL TO SUBMIT THE REPORT TO THE 48TH LEGISLATURE; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Capital repairs to old prison — cost estimate.** (1) The legislative council shall, within existing appropriations, contract with an independent consultant to prepare a report estimating the costs of capital repairs necessary to enable the old Montana state prison, built in 1870, to be used for incarcerating maximum security inmates.

HeinOnline -- 1983 vol. III 2017 1983

(2) The report must be prepared by December 1, 1982, and the legislative council shall submit the report to the 48th legislature.

Section 2. **Effective date.** This act is effective on passage and approval.

Approved July 14, 1982.

CHAPTER NO. 6

AN ACT AUTHORIZING THE DEPARTMENT OF INSTITUTIONS TO HOUSE MINIMUM SECURITY AGRICULTURALLY EMPLOYED PRISONERS OUTSIDE THE CONFINES OF THE PRISON FENCE; ESTABLISHING AN EXEMPTION TO ALLOW FOR TIMELY CONSTRUCTION AND A SOLE SOURCE PURCHASE; PROVIDING PUNISHMENT FOR ESCAPE FROM SUCH CONFINEMENT; APPROPRIATING FUNDS FOR ESTABLISHING HOUSING FOR SUCH INMATES; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Extension of limits of confinement.** (1) The department of institutions may extend the limits of confinement of the Montana state prison for purposes of housing outside the prison fence inmates who:

(a) are employed in ranch or agricultural industry programs; and

(b) have demonstrated sufficient reliability and trustworthiness.

(2) Housing units outside the confines of the prison fence may be created by renovation of existing buildings or by the erection of modular-type units and associated facilities on the prison ranch.

Section 2. **Exemptions to facilitate timely construction — sole source purchase allowed.** For the purpose of expediting the acquisition and construction of housing units authorized in [section 1] the department of administration may exempt the project from provisions of Montana law relating to the employment of architects, advertising, labor, and wages. The department of administration need not comply with any state bidding requirements that would preclude a sole source purchase.

Section 3. **Escape from extended confinement.** Purposeful or knowing failure of an inmate to remain within the extended limits of his confinement or to return within the time prescribed by prison officials to the place of confinement designated by the department is an escape punishable as provided in 45-7-306.

HeinOnline -- 1983 vol. III 2018 1983

Section 4. **Appropriation.** There is appropriated from the general fund to the department of institutions $130,000 for the establishment of housing outside the confines of the prison fence.

Section 5. **Effective date.** This act is effective on passage and approval.

Approved July 14, 1982.

CHAPTER NO. 7

AN ACT PROVIDING FOR THE USE OF INMATE LABOR IN THE MAINTENANCE AND REPAIR OF THE STATE PRISON; PROVIDING THAT SUCH INMATES ARE NOT EMPLOYEES FOR PURPOSES OF EMPLOYEE RIGHTS; PREVENTING FUTURE PUBLIC EMPLOYEE COLLECTIVE BARGAINING AGREEMENTS FROM PROHIBITING SUCH USE OF INMATE LABOR; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Prison maintenance by inmates.** An inmate of the Montana state prison may be required to:

(1) keep his own living quarters clean and orderly;

(2) perform general maintenance and repair work on prison grounds and facilities and assist in providing services essential to the administration of the prison, including but not limited to food and laundry services.

Section 2. **Inmates not to be employees.** An inmate working pursuant to [section 1] is not an employee, either public or private, and employment rights accorded other classes of workers do not apply to such inmates.

Section 3. **Nonnegotiable items for state prison.** Collective bargaining agreements entered after [the effective date of this act] may not contain provisions prohibiting or restricting the use of inmate labor as provided for in [section 1].

Section 4. **Applicability.** Section 3 of this act is not intended to impair any existing collective bargaining agreement and is applicable only to those collective bargaining agreements entered after the effective date of this act. Inmate labor restricted by a collective bargaining agreement subject to 53-1-301(7), MCA, shall continue until such agreement expires.

Section 5. **Codification instruction.** Section 3 is intended to be codified as an integral part of Title 39, chapter 31, part 3, and the provisions of Title 39, chapter 31, part 3, apply to section 3.

Section 6. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this

HeinOnline -- 1983 vol. III 2019 1983

act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 7. **Effective date.** This act is effective on passage and approval.

Approved July 14, 1982.

HeinOnline -- 1983 vol. III 2020 1983

APPROPRIATIONS

ENACTED BY THE

Forty-seventh Legislature

IN SECOND SPECIAL

SESSION

STATE OF MONTANA

1982

HOUSE BILL NO. 1

AN ACT APPROPRIATING MONEY FOR THE OPERATION OF THE SPECIAL SESSION OF THE FORTY-SEVENTH LEGISLATURE CONVENING ON JUNE 21, 1982; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** (1) The following amounts are appropriated from the general fund for fiscal years 1982 and 1983 for the operation of the special session of the 47th legislature convening on June 21, 1982:

House of Representatives	$123,000
Senate	75,000
Legislative Council	35,000

(2) Each legislator is entitled to reimbursement for expenses pursuant to section 5-2-301(2), MCA, beginning on the day immediately preceding his first day of attendance (including attendance at the presession corrections system briefing on June 19, 1982, or the tour of the Montana state

HeinOnline -- 1983 vol. III 2021 1983

prison on June 20, 1982, or both) and salary pursuant to section 5-2-301(1), MCA, beginning on such first day of attendance.

Section 2. **Effective date.** This act is effective on passage and approval.

Approved June 24, 1982

HOUSE BILL NO. 2

AN ACT TO APPROPRIATE MONEY TO THE DEPARTMENT OF INSTITUTIONS FOR INCREASED CORRECTIONS COSTS FOR FISCAL YEAR 1983; CLARIFYING THE USE OF PAY PLAN FUNDS AND THEREBY PROVIDING A SUPPLEMENTAL APPROPRIATION FOR FISCAL YEAR 1982; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** For the purposes of this act, unless otherwise stated, the following definitions apply:

(1) "Department" means the department of institutions.

(2) "Director" means the director of the department of institutions.

Section 2. **Expenditure limit.** Expenditures may not exceed appropriations.

Section 3. **Access to records.** No funds appropriated by this act may be expended for any contract, written or oral, with a nonstate entity for services to be provided by the nonstate entity to members of the public on behalf of the state unless the contract contains a provision allowing access to such records of the nonstate entity as may be necessary for legislative audit and analysis purposes in determining compliance with the terms of the contract. Each such contract may be unilaterally terminated by the state, and each contract shall provide for unilateral termination by the state upon refusal of the nonstate entity to allow access to records necessary to carry out the legislative audit and analysis functions set out in Title 5, chapters 12 and 13.

Section 4. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 5. **Other funds to offset general fund.** The approving authority shall decrease the general fund appropriation of the agency by the amount of funds received from other sources in excess of any nongeneral fund appropriation unless such action is expressly contrary to state or federal law, rule, or contract or the approving authority certifies that the services to be funded by the additional funds are significantly different from those for which the agency has received an appropriation.

HeinOnline -- 1983 vol. III 2022 1983

Section 6. **Totals not appropriations.** The totals shown in this act are for informational purposes only and are not appropriations.

Section 7. **Appropriations.** The following money is appropriated from the general fund for the purposes shown for the stated fiscal year:

	Fiscal Year 1982	Fiscal Year 1983
MONTANA STATE PRISON		
1. General Operations	$103,000	$879,376
2. Utilities Expense — Supplement		11,880
3. Disturbance Control		43,066
TOTAL MONTANA STATE PRISON	$103,000	$934,322

Personal services for Montana state prison may not exceed the total of the $5,076,689 level identified in HB 2, first special session of the 47th legislature, plus the pay plan, and the additional $806,549 appropriated in Item 1 for personal services in fiscal year 1983. Personal services and utilities for Montana state prison may exceed the amount restricted in H.B. 2, Laws of 1981, first special session, for fiscal year 1982.

If utility expenditures exceed $279,646, the institution may ask for a supplemental appropriation. If utilities do not exceed $279,646, the difference shall revert to the general fund. This is an $11,880 supplement to the $267,766 amount for utilities which was in HB 2 of the first special session of the 47th legislature.

Included in the appropriations to the Montana state prison in House Bill 500 of the 1981 Legislature and this act is $493,641 for medical expenses for fiscal year 1983. If medical expenses are less, funds shall revert to the general fund.

CENTRAL OFFICE — DEPARTMENT OF INSTITUTIONS	
Corrections Division	
1. Alpha House — Supplement	$66,092
2. Missoula Life Skills — Supplement	102,465
3. Prerelease Centers	500,819
TOTAL CENTRAL OFFICE — DEPARTMENT OF INSTITUTIONS	$669,376

Item 3 contains money for the establishment of two community prerelease centers. One of the 20-25 bed centers will open September 1, 1982, with the second opening January 1, 1983. The department shall receive applications for placement of the centers and after public hearing, select the appropriate placement and location of the programs. If delays occur in opening the prerelease centers, the director may utilize this appropriation to maintain inmates at the state prison. The director shall notify the legislative finance committee and the office of budget and program planning prior to the transfer of these funds.

BOARD OF PARDONS	
1. General Operations	$14,561

Section 8. **Industries reappropriation.** The unexpended balance of the fiscal year 1982 general fund appropriation made to the prison industries program in HB 2, first special session of the 47th legislature, is reappropriated in fiscal year 1983.

Section 9. **Effective date.** This act is effective June 25, 1982.

Approved July 15, 1982, except for the item vetoed which is set forth in the veto message filed this date with the Secretary of State.

HeinOnline -- 1983 vol. III 2023 1983

HOUSE BILL NO. 5

AN ACT TO APPROPRIATE MONEY FOR PRISON SECURITY IMPROVEMENT PROJECTS FOR THE BIENNIUM ENDING JUNE 30, 1983; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** For the purposes of this act, unless otherwise stated, the following definitions apply:

(1) "Capital project" means acquisition of land or improvements, planning, capital construction, renovation, furnishing, or major repair projects authorized in this act.

(2) "BPICA" means account number 06142 in the bond proceeds and insurance clearance fund; "FPRA" means federal and private revenue account; "ERA" means earmarked revenue account; and "other appropriated funds" means money other than general fund or BPICA money that accrues under provisions of law to an agency indicated herein.

(3) "Approved budget amendment" means approval by the budget director of a request submitted through the architecture and engineering division of the department of administration to transfer excess funds appropriated to a capital project within that agency or to obtain financing to expand a project with funds that were not available for consideration by the legislature.

Section 2. **Expansion required to be authorized.** No existing capital project may be expanded beyond the scope of the project as approved by the 47th legislature unless the capital project expansion is authorized by an approved budget amendment.

Section 3. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 4. **Total not appropriation.** The total shown in this act is for informational purposes only and is not an appropriation.

Section 5. **General fund appropriation.** There is appropriated from the general fund to account number 06142 in the bond proceeds and insurance clearance fund $397,100 to be used to support the project provided below.

Section 6. **Prison security construction appropriation.** The following money is appropriated from the bond proceeds and insurance clearance fund to the director of the department of administration:

MONTANA STATE PRISON

Security Improvements to Close I and II	$ 67,700
Renovation in Administration Building	88,000
Dual Electronic Systems at Fence	197,000
Lighting	24,850

HeinOnline -- 1983 vol. III 2024 1983

Chain Link Fence	2,870
Metal Detectors (3)	16,680
TOTAL MONTANA STATE PRISON	$397,100

Section 7. **Effective date.** This act is effective on passage and approval.

Approved July 14, 1982

HOUSE BILL NO. 8

AN ACT TO APPROPRIATE MONEY FOR PRISON KITCHEN AND WATER SYSTEM CAPITAL IMPROVEMENT PROJECTS FOR THE BIENNIUM ENDING JUNE 30, 1983; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Definitions.** For the purposes of this act, unless otherwise stated, the following definitions apply:

(1) "Capital project" means acquisition of land or improvements, planning, capital construction, renovation, furnishing, or major repair projects authorized in this act.

(2) "BPICA" means account number 06142 in the bond proceeds and insurance clearance fund; "FPRA" means federal and private revenue account; "ERA" means earmarked revenue account; and "other appropriated funds" means money other than general fund or BPICA money that accrues under provisions of law to an agency indicated herein.

(3) "Approved budget amendment" means approval by the budget director of a request submitted through the architecture and engineering division of the department of administration to transfer excess funds appropriated to a capital project within that agency or to obtain financing to expand a project with funds that were not available for consideration by the legislature.

Section 2. **Expansion required to be authorized.** No existing capital project may be expanded beyond the scope of the project as approved by the 47th legislature unless the capital project expansion is authorized by an approved budget amendment.

Section 3. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 4. **General fund appropriation.** There is appropriated from the general fund to account number 06142 in the bond proceeds and insurance clearance fund $605,000 to be used to support the project provided for in section 5.

HeinOnline -- 1983 vol. III 2025 1983

Section 5. **Construction and improvement appropriation.** The following money is appropriated from the bond proceeds and insurance clearance fund to the director of the department of administration:

DEPARTMENT OF INSTITUTIONS

Kitchen Expansion — Montana State Prison	$205,000
Water System Upgrade — Montana State Prison	400,000

Section 6. **Effective date.** This act is effective on passage and approval.

Approved July 14, 1982

HOUSE BILL NO. 18

AN ACT TO AMEND HOUSE BILL NO. 500, LAWS OF 1981, AS AMENDED BY HOUSE BILL NO. 2, LAWS OF 1981, FIRST SPECIAL SESSION, FOR FISCAL YEAR 1983 TO INCREASE THE APPROPRIATION TO THE DEPARTMENT OF INSTITUTIONS FOR THE PURPOSE OF ADDING REMEDIAL TEACHING STAFF TO THE ACADEMIC PROGRAM AT MONTANA STATE PRISON; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. **Appropriation.** Section 19, Division D, department of institutions, Montana state prison, Item 1, general operations, House Bill No. 500, Laws of 1981, as amended by House Bill No. 2, Laws of 1981, First Special Session, is amended to increase to $7,100,174 from $7,035,842 the appropriation from the general fund for fiscal year 1983.

Section 2. **Purpose.** This increase in appropriation is intended to provide $64,332 to add remedial staff and instructional materials to the academic program at Montana state prison.

Section 3. **Effective date.** This act is effective July 1, 1982.

Approved July 14, 1982

HeinOnline -- 1983 vol. III 2026 1983

RESOLUTION

ENACTED BY THE

Forty-seventh Legislature

IN SECOND SPECIAL

SESSION

STATE OF MONTANA

1982

HeinOnline -- 1983 vol. III 2027 1983

HeinOnline -- 1983 vol. III 2028 1983

HOUSE JOINT RESOLUTION NO. 3

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE DEPARTMENT OF INSTITUTIONS WITH THE DEPARTMENT OF ADMINISTRATION TO CAREFULLY REVIEW THE EMPLOYMENT CLASSIFICATIONS, POSITIONS, AND GRADES OF CORRECTIONS PERSONNEL AT THE MONTANA STATE PRISON TO ESTABLISH EQUITY AMONG POSITIONS, TO ENHANCE CAREER OPPORTUNITIES, AND TO FURTHER THE RECRUITMENT AND RETENTION OF SUPERIOR PERSONNEL.

WHEREAS, the circumstances at the Montana State Prison must be considered overall in light of the prison's goals and objectives; and

WHEREAS, one of the components of the prison which could be upgraded in a relatively inexpensive manner and which would produce results out of proportion to its cost is insuring the commitment of corrections personnel to the goals and objectives of the prison; and

WHEREAS, motivated correctional personnel are a vital component in prison improvement because such people are in day-to-day contact with prisoners, the prison administration, and the physical plant; and

WHEREAS, the recruitment and retention of superior individuals as correctional personnel cannot help but be cost effective in long-term prison operations and helpful in inmate reformation; and

WHEREAS, inadequate or inequitable situations of pay grades for various corrections positions increase corrections personnel dissatisfaction with employment conditions, thus unduly reducing their commitment to proper job performance; and

WHEREAS, the Department of Administration establishes pay grades for various positions in state government employment based in part on studies and recommendations of the employing department.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the Department of Institutions, with the assistance of the Department of Administration, is urged to carefully review the positions, classifications, and grades of correctional personnel at the Montana State Prison to the end that the pay grades of such positions are equitably established to:

(a) encourage the recruitment, motivation, and retention of personnel; and

(b) establish an orderly career path for corrections personnel by providing for rational grade increases commensurate with ability and experience.

(2) That copies of this resolution be sent to the Director, Department of Institutions, and to the Director, Department of Administration.

Approved June 30, 1982.

HeinOnline -- 1983 vol. III 2206 1983

EFFECTIVE DATE TABLE

Section 1-2-201, MCA, as amended by Ch. 466, Laws of 1981, provides that:

"Every statute adopted after January 1, 1981, except those that provide for appropriation by the legislature of public funds for a public purpose, takes effect on the first day of October following its passage and approval unless a different time is prescribed therein. Every statute providing for appropriation as specified in this subsection takes effect on the first day of July following its passage and approval unless a different time is prescribed therein."

The following is a list of specially designated effective dates for the 47th legislature in special session and the 48th legislature in regular session.

Chapter No.	Effective Date
Ch. 1 Sp. L. 1981	11/25/81
Ch. 2 Sp. L. 1981	1/1/82
Ch. 3 Sp. L. 1981	1/1/82

EFFECTIVE DATE TABLE

Section 1-2-201, MCA, as amended by Ch. 466, Laws of 1981, provides that:

"Every statute adopted after January 1, 1981, except those that provide for appropriation by the legislature of public funds for a public purpose, takes effect on the first day of October following its passage and approval unless a different time is prescribed therein. Every statute providing for appropriation as specified in this subsection takes effect on the first day of July following its passage and approval unless a different time is prescribed therein."

The following is a list of specially designated effective dates for the 47th legislature in special session and the 48th legislature in regular session.
